Item 2.01. Completion of Acquisition or Disposition of Assets.

On August 31, 2007, Regal Beloit Corporation (the “Company”) completed the acquisition of the Fasco Residential & Commercial and Asia/Pacific electric motor and blower businesses (the “Fasco Acquired Businesses”) from Tecumseh Products Company (the “Seller”). The acquisition was effected pursuant to a Purchase Agreement, dated as of July 3, 2007, among the Company, the Seller and certain affiliates of the Seller.

In the acquisition, the Company acquired selected assets and assumed certain current liabilities in the United States and Mexico associated with the Seller’s Residential & Commercial business and the stock of entities that constitute the Seller’s Asia/Pacific business. The Fasco Acquired Businesses manufacture and market electric motors and blower systems for a variety of air moving applications, including alternative fuels systems, water heaters, heating, ventilating and air conditioning (HVAC) systems and other commercial segments. The Fasco Acquired Businesses do not include the Seller’s Automotive/Specialty motor business. As consideration for the Fasco Acquired Businesses, the Company paid approximately \$220 million in cash and assumed limited current liabilities of the Fasco Acquired Businesses. The purchase price is subject to post-closing adjustment based on the net working capital of the Fasco Acquired Businesses at closing, as set forth in the Purchase Agreement. The Company financed the cash purchase price with proceeds from its previously announced private placement of senior notes. The purchase price that the Company paid for the Fasco Acquired Businesses was determined on the basis of arm’s length negotiations between the parties. There is no material relationship between the Seller and the Company or any of its affiliates, directors or officers or any of their associates.

The Purchase Agreement is filed as an exhibit to this Current Report on Form 8-K and is incorporated herein by reference. The brief summary of the material provisions of the Purchase Agreement set forth above is qualified in its entirety by reference to the Purchase Agreement filed as an exhibit hereto.

Item 8.01. Other Events.

On September 4, 2007, the Company announced that it had acquired all of the capital stock of Jakel Incorporated on August 31, 2007. Jakel Incorporated manufactures and markets electric motors and blower systems for a variety of air moving applications similar to the Fasco Acquired Businesses.
