## ITEM 8.01 Other Events

On May 16, 2006, Cordia Corporation ( Cordia ) Cordia held a conference call, the topic of which was its quarter ended March 31, 2006 results. The conference call contained reference to Cordia s EBIDTA for that period.

Consistent with Securities and Exchange and Commission's Regulation G, the following table provides a reconciliation of Cordia's EBITDA for the three months ending March 31, 2006, to the Generally Accepted Accounting Principles (GAAP) measure of net income. EBITDA is not a measure under GAAP, is not meant to be a replacement for GAAP and should not be considered as an alternative to net income as a measure of performance or to cash flows as a measure of liquidity. We have included EBITDA data to assist in understanding our operating results. EBITDA is a measure commonly used in the telecommunications industry, and many securities analysts use EBITDA as a way of evaluating our financial performance.

	For the Three Months Ending March 31	
Reconciliation of EBITDA with net income	2006	2005
Net income	\$ 103,009	\$ 422,830
Net interest (income) expense	(2,294)	1,048
Income tax expense	142,003	4,531
Depreciation and amortization	187,976	33,020
EBITDA	\$ 430,694	\$ 461,429

## SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunder duly authorized.

Cordia Corporation
