Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 2, 2012, the stockholders of Lattice Semiconductor Corporation (the "Company") approved the Lattice Semiconductor Corporation 2012 Employee Stock Purchase Plan (the "ESPP") at the Annual Meeting. The ESPP was previously approved by the Board, upon recommendation by the Compensation Committee (the "Committee"), subject to shareholder approval at the annual meeting of stockholders.

The following is a summary of the principal provisions of the ESPP. The following summary does not purport to be complete and is qualified in its entirety by reference to the full text of the ESPP, which was attached as Annex 1 to the Company's definitive proxy statement on Schedule 14A filed on April 12, 2012, and is incorporated herein by reference. In addition, a more detailed summary of the ESPP can be found on pages 10-12 of such definitive proxy statement, which description is also incorporated herein by reference.

The ESPP provides a means by which eligible employees of the Company and its designated subsidiaries may be given an opportunity to purchase shares of the Company's common stock at a discount using payroll deductions. The ESPP authorizes the issuance of up to 3 million shares of the Company's common stock, subject to adjustment as provided in the ESPP for stock splits, stock dividends, recapitalizations and other similar events.

The ESPP consists of two separate plans: one for employees in the United States and one for international employees. The portion of the ESPP for employees in the United States is intended to qualify as an "employee stock purchase plan" under Section 423 of the Internal Revenue Code of 1986, as amended.

The Board designated the Committee to serve as the ESPP administrator. Under the ESPP, unless the Committee determines higher percentages, the Company will initially sell shares to participants at a price equal to the lesser of 85% of the fair market value of a share of common stock on (i) the first trading day of the purchase period set by the Committee and (ii) the purchase date.

Persons eligible to participate in the ESPP generally include employees of the Company and its designated subsidiaries who are customarily employed by the Company or its designated subsidiaries for more than 20 hours per week, who have been employed for at least six months prior to enrolling in the ESPP, whose customary employment is for more than 5 months in any calendar year, and who, immediately upon purchasing shares under the ESPP, would own directly or indirectly, an aggregate of less than 5% of the total combined voting power or value of all outstanding shares of all classes of stock of the Company or any subsidiary.

Item 5.07 Submission of Matters to a Vote of Security Holders

The annual meeting of stockholders of Lattice Semiconductor Corporation (the "Company") was held on Tuesday, May 2, 2012, in Hillsboro, Oregon. Stockholders representing 109,655,635 shares, or 92.6% of the outstanding shares as of the March 9, 2012 record date, were present in person or were represented at the meeting by proxy. The final results of voting for each matter submitted to a vote of stockholders at the meeting are as follows.
