ARTICLE 1

INTERPRETATION

1.1 Defined Terms. As used in this agreement, including the recital and the schedules, unless there is something in the subject matter or the context inconsistent therewith, the following terms shall have the following meanings:

(1) "Accommodation" means:

- (b) the creation of Bankers' Acceptances on the occasion of a Drawing (or the making of a BA Equivalent Loan) pursuant to an Accommodation Request; and

Edgar Filing: TELUS CORP - Form 6-K

and includes an Advance and a Bankers' Acceptance resulting from a Rollover or Conversion (whether requested or deemed to have been requested hereunder) or otherwise effected pursuant hereto. Each type of Borrowing and each type of Letter of Credit is a "type" of Accommodation, as are Bankers' Acceptances.

- (2) "Accommodation Request" means a notice of request for a Borrowing, a Drawing and/or an Issuance substantially in the form of schedule 2 annexed hereto, or such other form as the Administration Agent may from time to time specify.
- (3) "Administration Agent" means TD Bank and any successor administration agent appointed in accordance with Article 11.
- (4) "Advance" means an advance of monies (other than and excluding Discount Proceeds) made or deemed to have been made by a Lender under the Credit Facility and includes an Advance resulting from a Conversion or Rollover (whether requested or deemed to have been requested hereunder) or otherwise effected pursuant hereto, including a Swingline Advance. An Advance may be denominated in US Dollars (a "US Dollar Advance") or Cdn. Dollars (a "Canadian Dollar Advance"). A Canadian Dollar Advance shall be designated a "Prime Rate Advance" and a US Dollar Advance shall be designated from time to time, as requested or deemed to have been requested by the relevant Borrower, a "LIBOR Advance" or a "Base Rate Advance". Each of a Prime Rate Advance, a LIBOR Advance and a Base Rate Advance is a "type" of Advance.
- (5) "affiliate" means, with respect to any person (the "first person"), any other person which controls (or is a member of a group which controls), or is under common control with, or is controlled by, the first person. Notwithstanding the foregoing, neither the Administration Agent nor any Lender shall be deemed to be an affiliate of a Borrower or any affiliate thereof solely by reason of its agency function or lending relationship.
- (6) "Agency" means each of DBRS and S&P.
- (7) "Applicable Margin" means, with respect to a particular Borrower and in respect of the following types of Accommodation or the unadvanced portion of a Commitment, the following corresponding margins and fees expressed as basis points per annum:

Level	Where the Ratings for such Borrower are:	Bankers' Acceptances, LIBOR Advances and Issuance fees:	Prime Rate Advances and Base Rate Advances:	Commitment Fees:
-------	--	---	---	------------------

(Intentionally Deleted)

For the purposes of determining the Applicable Margin, the following shall apply:

- (a) Level V shall apply to a Borrower in the absence of at least one Rating for such Borrower.
- (b) If the Ratings in respect of a Borrower provided by the two Agencies are at two different Levels, the Applicable Margin for such Borrower shall be calculated at the Level corresponding to the

Edgar Filing: TELUS CORP - Form 6-K

higher of the Ratings; provided that, if there are one or more Levels between such Ratings, the Applicable Margin shall be calculated at the Level that is immediately below the Level corresponding to the higher of the Ratings.

- (c) The Applicable Margin shall be determined from time to time by the Administration Agent based solely upon deliveries made pursuant to section 6.1(10) or 8.1(9)(b), whose determination shall be conclusive and binding for all purposes hereof, absent demonstrated error. The Administration Agent shall provide notice to the Borrowers and the Lenders of any change in the Applicable Margin as so determined by it.
 - (d) A change in Applicable Margin with respect to a Borrower necessitated by a change in or absence of a Rating for such Borrower shall have effect as regards Base Rate Advances, Prime Rate Advances or LIBOR Advances then outstanding in favour of such Borrower on the effective day of such change or the first day of such absence (each, a "change effective day"), shall have effect as regards fees to be paid by such Borrower as referred to in sections 2.7(a) and 5.6(1) and (2) on the change effective day, shall have effect as regards fresh Accommodations obtained by such Borrower on or after the change effective day and shall not affect the stamping fees for outstanding Bankers' Acceptances in favour of such Borrower.
- (8) "Asset Securitization" means a sale, lease, transfer or other disposition (or series of related sales, leases, transfers or dispositions) by or on behalf of a person at the election of such person involving receivables and/or other assets in the course of an asset securitization transaction and regardless of the form of asset securitization.

With each quoted or published change in such rate aforesaid of TD Bank there shall be a corresponding change in the rate of interest payable under this agreement, should such changed rate exceed that set forth in paragraph (b) of this definition, all without the necessity of any notice thereof to the Borrowers or any other person.

Dollars in respect of such Debt, the Cdn. ARTICLE 2

THE CREDIT FACILITY

2.1 Credit Facility.

(1) Commitment. The Credit Facility is to be made available, subject to the terms and conditions of this agreement, to the Borrowers by the Lenders on a revolving basis in the principal amount of up to but not exceeding C\$2 billion.

Subject to the terms and conditions herein set forth, the Credit Facility shall be available in Canadian Dollars by way of Prime Rate Advances, Bankers' Acceptances or Letters of Credit, or in US Dollars by way of Base Rate Advances or LIBOR Advances.

Subject to the terms and conditions herein set forth, each Lender shall make Accommodations available under the Credit Facility pro rata on the basis of such Lender's Commitment, as set forth in schedule 1 annexed hereto.

In no event shall a Lender be obligated to make Accommodations available under the Credit Facility if after making such Accommodations the C\$ Equivalent Principal Outstanding of that

Edgar Filing: TELUS CORP - Form 6-K

Lender's Accommodations would exceed that Lender's Commitment. For greater certainty and notwithstanding section 2.1(6), in no event shall the C\$ Equivalent Principal Outstanding of the Swingline Lender's Accommodations (including the entire Principal Outstanding by way of Swingline Advances) exceed the Swingline Lender's Commitment.

Each Lender shall make Accommodations available to a Borrower through its relevant Lending Branch.

- (2) Purposes. The Credit Facility shall be used for general corporate purposes (including by way of a backstop for commercial paper issued by a Borrower or Material Subsidiary in an aggregate amount up to C\$800 million).
- (3) Availability Period. Subject to the terms and conditions herein set forth, Accommodations will be made available by way of multiple draws from time to time under the Credit Facility up to the Business Day immediately preceding the Maturity Date.
- (4) Minimum Amounts. Subject to the Majority Lenders in any specific instance waiving such requirement, the following minimum amounts shall apply in respect of certain Borrowings and Drawings requested under each Accommodation Request (excluding Swingline Advances):
 - (a) the aggregate of the Prime Rate Advances requested in any Borrowing shall be at least C\$25 million and a whole multiple of C\$1 million;
 - (b) each Bankers' Acceptance shall be in a Face Amount of at least C\$100,000 and a whole multiple thereof;
 - (c) the aggregate of the Face Amount of Bankers' Acceptances requested in any Drawing shall be at least C\$25 million and a whole multiple of C\$1 million; and
 - (d) the aggregate of the Base Rate Advances requested in any Borrowing shall be at least US\$25 million and a whole multiple of US\$1 million;
 - (e) the aggregate of the LIBOR Advances requested in any Borrowing shall be at least US\$25 million and a whole multiple of US\$1 million.
- (5) Revolving Nature. The Credit Facility is a so-called "revolving" facility and amounts may be repaid thereunder and subsequently made the subject of a further Accommodation (subject to compliance with the terms and conditions of this agreement).
- (6) Swingline Advances.
 - (a) The Swingline Lender establishes a committed revolving operating credit facility as part of the Credit Facility in favour of TELUS, up to the Swingline Amount, to finance the day-to-day requirements of TELUS for general corporate purposes.
 - (b) Each Swingline Advance shall be made by the Swingline Lender by way of a Prime Rate Advance (if requested in Canadian Dollars) or a Base Rate Advance (if requested in US Dollars) on the same day's notice if given to the Swingline Lender before noon (Toronto time) or, if requested by TELUS, on an overdraft basis by debiting such account of TELUS as shall be established by agreement of TELUS and the Swingline Lender. The amount of any such overdraft from time to

Edgar Filing: TELUS CORP - Form 6-K

time shall be deemed to be a Prime Rate Advance (to the extent of such debit balance in Canadian Dollars) and a Base Rate Advance (to the extent of such debit balance in US Dollars). TELUS shall ensure that the aggregate C\$ Equivalent Principal Outstanding of all Swingline Advances does not exceed the Swingline Amount at any time.

- (c) Except as otherwise provided in section 12.1, for the purposes of each other provision of this agreement, the Commitment of the Swingline Lender under the Credit Facility shall be reduced by the Swingline Amount and the rateable shares of the Lenders in each Accommodation made under the Credit Facility (excluding the Swingline) shall be adjusted proportionately.
- (d) If the Commitment of the Swingline Lender determined in accordance with section 2.1(6)(c) is reduced to nil, each further reduction of the Commitment of the Swingline Lender determined without regard for section 2.1(6)(c) will reduce the Swingline Amount by the amount of such reduction.

2.2 Amortization.

- (1) General. The Principal Outstanding and all other Obligations under the Credit Facility will become due and payable in full on the Maturity Date.
- (2) Foreign Exchange Fluctuations. If at any time the C\$ Equivalent Principal Outstanding under the Credit Facility shall exceed 105% of the aggregate Commitments of the Lenders or if at any time the C\$ Equivalent Principal Outstanding under the Credit Facility shall have exceeded for a 30 day period 103% of the aggregate Commitments of the Lenders, in either case solely by virtue of a change in the Equivalent Amount in Cdn. Dollars of Accommodations made in US Dollars, the Borrower(s) shall forthwith following demand therefor by the Administration Agent pay to the Administration Agent such amount as is required to reduce such Principal Outstanding to such aggregate Commitments; provided that, for the purposes of the calculation of Principal Outstanding and Commitments under the foregoing provisions of this section 2.2(2), there shall be deducted from each of Principal Outstanding and Commitments the Equivalent Amount in Canadian Dollars of such Principal Outstanding in US Dollars as shall enjoy the benefit of a Hedge Instrument which protects the relevant Borrower against increases in the value of US Dollars as against Cdn. Dollars; provided further that, in the event that following repayment of all outstanding Prime Rate Advances and Base Rate Advances there remains an excess attributable to the outstanding principal amount under LIBOR Advances or the Face Amount of outstanding Bankers' Acceptances or Letters of Credit, such excess amount shall be paid by the relevant Borrower to the Administration Agent, and shall be held by the Administration Agent (pending the expiry of subsisting Interest Periods, the maturity of Bankers' Acceptances or the termination of Letters of Credit, as the case may be) in a cash collateral account and invested as directed by such Borrower in Cash Equivalents as security for the obligations of such Borrower in respect of such LIBOR Advances, Bankers' Acceptances or Letters of Credit.

- 2.3 Replacement of Borrower. Initially, TELUS shall be the only Borrower. TELUS and TCI may at any time prior to the date that is three months before the Maturity Date deliver to the Administration Agent a notice to the effect that TELUS will be replaced by TCI as a Borrower as to a portion of the Credit Facility (the "TCI Portion") not to exceed C\$800 million, which replacement will become effective on such date (occurring

Edgar Filing: TELUS CORP - Form 6-K

prior to the Maturity Date) as shall be stipulated by TELUS and TCI in such notice; provided that it shall be a condition to the effectiveness of such replacement that no Default or Event of Default shall have occurred and be continuing. Upon such replacement becoming effective:

- (a) any reference herein to the "relevant Borrower" in the context of the TCI Portion shall constitute a reference to TCI;
- (b) any Obligations outstanding under the TCI Portion of the Credit Facility shall cease to be obligations of TELUS and shall become obligations of TCI;
- (c) TELUS shall remain the Borrower in respect of the TELUS Portion of the Credit Facility but shall thenceforth have no ability to avail itself of Accommodations under the TCI Portion.

TELUS and TCI may avail themselves of this section 2.3 on one occasion only.

2.4 Voluntary Reductions and Prepayments.

- (1) Reductions of Commitments. The relevant Borrower shall have the right at any time and from time to time, without penalty or bonus, upon delivery of a Repayment/Cancellation Notice to the Administration Agent on the Required Notice, to terminate the whole or reduce in part on a permanent basis the unused portion of the Commitments of the Lenders in respect of such Borrower's Portion (pro rata among such Lenders on the basis of their respective Commitments); provided that each partial reduction shall be in an aggregate minimum amount of C\$10 million and multiples in excess thereof of C\$5 million.
- (2) Prepayment of Credit Facility. The relevant Borrower shall have the right at any time and from time to time, without penalty or bonus but subject to section 9.4(1), upon delivery of a Repayment/Cancellation Notice to the Administration Agent on the Required Notice, to effect a voluntary prepayment on account of the Principal Outstanding in respect of such Borrower's Portion, which prepayment (subject to the Majority Lenders in any specific instance waiving such requirement) shall be in an aggregate minimum amount of C\$10 million or US\$10 million, as the case may be, and multiples in excess thereof of C\$5 million or US\$5 million, as the case may be, or in the full amount of such Principal Outstanding.

2.5 Payments.

- (1) Payment Account. The relevant Borrower shall make each payment to be made hereunder from a location within Canada, following delivery of (where applicable) a Repayment/Cancellation Notice and on the Required Notice, not later than 2:00 p.m. (Toronto time) in the currency of the Accommodation or other Obligation in respect of which such payment is made (be it Canadian Dollars or US Dollars) on the day (subject to section 2.5(2)) when due, in same day funds, by deposit of such funds to the Payment Account.
- (2) Business Day. Subject to the next following sentence, whenever any payment hereunder is due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest or fees, as the case may be. If any such extension would cause any payment of interest or fees on an Accommodation to be made in the next following calendar month, such payment shall be made on the last preceding Business Day.

Edgar Filing: TELUS CORP - Form 6-K

- (3) Application. Unless otherwise provided herein, all amounts received by the Administration Agent on account of the Obligations shall be applied by the Administration Agent as follows:
- (a) first, to fulfil the relevant Borrower's obligation to pay accrued and unpaid interest due and owing (including interest on overdue interest and on other amounts), excluding interest accruing on BA Equivalent Loans;
 - (b) second, to fulfil such Borrower's obligation to pay any fees which are due and owing to the Lenders hereunder (including those fees set forth in section 2.7), and any Increased Costs and other unpaid costs, expenses and other amounts payable to the Administration Agent and the Lenders in connection with any of the Credit Facility Documents;
 - (c) third, to fulfil such Borrower's obligation to pay interest accruing on BA Equivalent Loans and any amounts due and owing on account of Principal Outstanding (including in respect of the Face Amount of outstanding Bankers' Acceptances and Letters of Credit); and
 - (d) fourth, to such Borrower or as any court of competent jurisdiction may otherwise direct.
- (4) Pro Rata Basis. All payments of principal, interest and fees herein set forth, unless otherwise expressly stipulated, shall be made for the account of, and distributed by the Administration Agent to, the relevant Lenders pro rata on the basis of their respective Commitments; provided that, in the event that certain Lenders have received payment of interest as accrued up to a certain date, and other Lenders have only received payment as accrued up to an earlier date, any amounts required to be applied to interest hereunder shall first be paid to such other Lenders, until all Lenders have received payment of interest as accrued up to the same date, and thenceforth to all Lenders as otherwise required by this agreement.
- (5) Netting. If on any date liquidated amounts (other than interest and fees) would be payable under this agreement in the same currency by a Borrower to certain Lenders and by such Lenders to such Borrower, then on such date, at the election of and upon notice from the Administration Agent stating that netting is to apply to such payments, each such party's obligations to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by such Borrower to such Lenders exceeds the aggregate amount that would otherwise have been payable by such Lenders to such Borrower or vice versa, such obligations shall be replaced by an obligation upon such Borrower or such Lenders by whom the larger aggregate amount would have been payable to pay to the other the excess of the larger aggregate amount over the smaller aggregate amount.
- (6) Payments Free of Set-off. Except as set forth in section 2.5(5), each payment made by a Borrower on account of the Obligations shall be made without set-off or counterclaim.

2.6 Computations.

- (1) Basis. All computations of:
- (a) interest based on the Prime Rate and the Base Rate shall be made by the Administration Agent on the basis of a year of 365 days

Edgar Filing: TELUS CORP - Form 6-K

or, in the case of a leap year, 366 days and the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable; and

- (b) interest based on LIBOR shall be made by the Administration Agent on the basis of a year of 360 days and the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Computations of fees under sections 2.7(a), 4.6 and 5.6(1) and (2) shall be made by the Administration Agent on the basis of a year of 365 days or, in the case of a leap year and only with respect to fees under sections 2.7(a) and 5.6(1) and (2), 366 days and the actual number of days (including the first day but excluding the last day) occurring in the period for which such fees are payable. Each determination by the Administration Agent of an amount of interest, Discount Proceeds or fees payable by a Borrower hereunder shall be conclusive and binding for all purposes, absent demonstrated error.

- (2) Interest Act (Canada). For purposes of disclosure pursuant to the Interest Act (Canada), the yearly rate of interest to which any rate of interest based on LIBOR is equivalent may be determined by multiplying the applicable rate by a fraction, the numerator of which is the number of days to the same calendar date in the next calendar year (or 365 days if the calculation is made as of February 29) and the denominator of which is 360.

2.7 Fees. The Borrowers shall pay to the Administration Agent the following fees, calculated as follows:

- (a) a commitment fee (for the account of the Lenders pro rata on the basis of their respective Commitments) payable by the relevant Borrower in Cdn. Dollars quarterly in arrears on the fifth Business Day of the first month following the end of each Financial Quarter, and on the Maturity Date, calculated on a daily basis on the difference between the aggregate C\$ Equivalent Principal Outstanding (converted for purposes of such calculation into the Equivalent Amount in Cdn. Dollars as at the last day of such Financial Quarter) under such Borrower's Portion of the Credit Facility and the aggregate Commitments with respect to such Borrower's Portion, at the rate set forth in the definition of Applicable Margin; and
- (b) the fees agreed with the Administration Agent in an agreement of even date.

2.8 Interest on Overdue Amounts. Except as otherwise provided in this agreement, each amount owed by a Borrower to a Lender which is not paid when due (whether at stated maturity, on demand, by acceleration or otherwise) shall bear interest (both before and after maturity, default and judgment), from the date on which such amount is due until such amount is paid in full, payable on demand, at a rate per annum equal at all times to the Base Rate (in the case of amounts denominated in US Dollars) or the Prime Rate (in the case of amounts denominated in Cdn. Dollars), in each case plus the Applicable Margin plus a further two (2%) percent per annum,

2.9 Account Debit Authorization. Each Borrower authorizes and directs the Administration Agent, in its discretion, to automatically debit, by mechanical, electronic or manual means, the bank accounts of such Borrower maintained with TD Bank (for so long as TD Bank is Administration Agent hereunder) and designated by such Borrower in writing for all amounts due

Edgar Filing: TELUS CORP - Form 6-K

and payable under this agreement on account of principal, interest and fees comprised in the Obligations.

2.10 Administration Agent's Discretion on Allocation. In the event that it is not practicable to:

- (a) allocate an Accommodation pro rata in accordance with section 3.2 or 4.1(2) by reason of the occurrence of circumstances described in Article 9; or
- (b) allocate a Drawing among the Lenders in accordance with section 4.1(2) by reason of the need to ensure that the aggregate amount of Bankers' Acceptances required to be accepted hereunder complies with the minimum amounts or increments set forth in section 2.1(4);

the Administration Agent is authorized by the Borrowers and each Lender to make such allocation as the Administration Agent determines in its sole and unfettered discretion may be equitable in the circumstances, subject in all cases to section 2.1. All fees in respect of any such Drawing, and fees payable under section 2.7(a), shall be adjusted, as among the Lenders, by the Administration Agent accordingly.

2.11 Where Borrower Fails to Pay. Unless the Administration Agent has been notified in writing by a Borrower at least one Business Day prior to the date on which any payment to be made by such Borrower hereunder is due that such Borrower does not intend to remit such payment, the Administration Agent may, in its discretion, assume that such Borrower has remitted such payment when so due and the Administration Agent may, in its discretion and in reliance upon such assumption, make available to each relevant Lender on such payment date an amount equal to the portion of such payment which is due to such Lender pursuant to this agreement. If such Borrower does not in fact remit such payment to the Administration Agent, the Administration Agent (without prejudice to any rights or remedies of the Lenders against the Borrowers) shall promptly notify each relevant Lender and each such Lender shall forthwith on demand repay to the Administration Agent an amount equal to the portion of such assumed payment made available to such Lender, together with interest thereon until the date of repayment thereof at a rate determined by the Administration Agent (such rate to be conclusive and binding on such Lender) in accordance with the Administration Agent's usual banking practice for similar advances to financial institutions of like standing as such Lender but in no event greater than the Prime Rate.

2.12 Rollover and Conversion.

- (1) General. Subject to the terms and conditions of this agreement, a Borrower may from time to time request that any Drawing or type of Borrowing or any portion thereof be rolled over or converted in accordance with the provisions hereof.
- (2) Request. Each request by a Borrower for a Rollover or Conversion shall be made by the delivery of a duly completed and executed Accommodation Request to the Administration Agent with the Required Notice and the provisions of Articles 3 or 4 shall apply to each request for a Rollover or Conversion as if such request were a request thereunder for an Advance or a Drawing (as the case may be).
- (3) Effective Date. Each Rollover or Conversion of a LIBOR Advance or Bankers' Acceptance shall be made effective as of, in the case of a LIBOR Advance, the last day of the subsisting Interest Period and, in the case of a Bankers' Acceptance, the maturity date applicable thereto.

Edgar Filing: TELUS CORP - Form 6-K

- (4) Failure to Elect. If a Borrower does not deliver an Accommodation Request at or before the time required by section 2.12(2) and:
- (a) in the case of a Bankers' Acceptance fails to give the Required Notice that it will pay to the Administration Agent for the account of the applicable Lender the Face Amount thereof on the maturity date or if such Borrower gives such notice but fails to act in accordance with it, such Borrower shall be deemed to have requested a Conversion of the Face Amount thereof to a Prime Rate Advance and all of the provisions hereof relating to a Prime Rate Advance shall apply thereto; or
 - (b) in the case of a LIBOR Advance, fails to give the Required Notice that it will pay to the Administration Agent for the account of the applicable Lender the principal amount thereof at the end of the relevant Interest Period or if such Borrower gives such notice but fails to act in accordance with it, such Borrower shall be deemed to have requested a Rollover of such Advance to either a LIBOR Advance having an Interest Period of one month (and all of the provisions hereof applicable to LIBOR Advances shall apply thereto) (in the case of a failure to deliver an Accommodation Request and give the Required Notice) or a Base Rate Advance (in the case of a failure to act in accordance with a notice).
- (5) Continuing Obligation. A Rollover or Conversion shall not constitute a repayment of the relevant Accommodation or a re-borrowing by the relevant Borrower but shall result in a change in the basis of calculation of interest, discounts or fees (as the case may be) for, and/or currency of, such Accommodation. However, where a Conversion takes place from a US Dollar Advance to a Canadian Dollar Advance, or vice versa, the same may be effected only by such Borrower repaying the entire Principal Outstanding under the existing Advance (together with all accrued and unpaid interest thereon), in the currency of such existing Advance, and receiving the proceeds of the new Advance in the currency of such new Advance.
- (6) Limit. Notwithstanding any other provision of this agreement, at no time shall there be more than 16 separate maturity dates, in aggregate, for all LIBOR Advances and Bankers' Acceptances outstanding under the Credit Facility.

ARTICLE 3

ADVANCES

3.1 Advances.

- (1) Commitment. Each Lender agrees (on a several basis with the other Lenders, up to the amount of such Lender's Commitment), on the terms and conditions herein set forth, from time to time on any Business Day, to make Advances under the Credit Facility prior to the cancellation or termination thereof.
- (2) Amounts. The aggregate principal amount of each Borrowing shall comply with section 2.1(4).

3.2 Making the Advances (except Swingline Advances).

- (1) Notice. Each Borrowing shall be made on the Required Notice given not later than 1:00 p.m. (Toronto time) by the relevant Borrower to the Administration Agent, and the Administration Agent shall give to

Edgar Filing: TELUS CORP - Form 6-K

each Lender prompt notice thereof and of such Lender's rateable portion of each type of Borrowing to be made under the Borrowing in the currency of such Borrowing. Each such notice of a Borrowing shall be given by way of an Accommodation Request or by telephone (confirmed promptly in writing), with the same information as would be contained in an Accommodation Request, including the requested date of such Borrowing and the aggregate amount of each type of Borrowing comprising such Borrowing.

- (2) Lender Funding. Each Lender shall, before noon (Toronto time) on the date of the requested Borrowing, deposit to the relevant Payment Account in same day funds such Lender's rateable portion (subject to section 2.10) of each type of Borrowing comprising such Borrowing (in Canadian Dollars, in the case of Prime Rate Advances, and in US Dollars, in the case of LIBOR Advances and Base Rate Advances). Promptly upon receipt by the Administration Agent of such funds and upon fulfilment of the applicable conditions set forth in Article 6, the Administration Agent will make such funds available to the relevant Borrower by debiting such account (or causing such account to be debited), and by crediting such account of such Borrower as shall be agreed with the Administration Agent (or causing such account to be credited) with such Advances.
- (3) Failure by Lender to Fund. Unless the Administration Agent shall have received notice from a Lender at least one Business Day prior to the date of any Borrowing that such Lender will not make available to the Administration Agent such Lender's rateable portion of such Borrowing, the Administration Agent may assume that such Lender has made each such portion available to the Administration Agent on the date of such Borrowing in accordance with section 3.2(2) and the Administration Agent may, in reliance upon such assumption, make available to the relevant Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have made its rateable portion available to the Administration Agent, such Lender shall pay such corresponding amount to the Administration Agent forthwith on demand. If such Lender shall pay such corresponding amount to the Administration Agent, the amounts so paid shall constitute such Lender's rateable portion of such Borrowing for the purposes of this agreement. The Administration Agent shall also be entitled to recover from such Lender interest on such corresponding amount, for each day from the date such amount was made available by the Administration Agent to such Borrower until the date such amount is repaid to the Administration Agent, at the rate payable by such Borrower with respect to the affected type of Borrowing, together with the Administration Agent's reasonable administrative fee. If such Lender shall not pay such corresponding amount to the Administration Agent forthwith on demand, such Borrower shall pay such corresponding amount (together with accrued and unpaid interest at the applicable rate herein set forth for the affected type of Borrowing) to the Administration Agent within three Business Days of demand being made upon it.
- (4) Notice of Failure. The Administration Agent shall notify the relevant Borrower of the failure of any Lender to make an Advance if:
 - (a) such failure has not been remedied within seven days; or
 - (b) the Administration Agent reasonably believes that such failure was caused by any reason other than a technical failure or as a result of a defect in the arrangements hereunder for funding Advances.

Edgar Filing: TELUS CORP - Form 6-K

The Administration Agent shall not be liable to either Borrower or any Lender in respect of notice given or not given pursuant to this section 3.2(4). In the event of the continuing failure by any Lender (in this section 3.2(4), the "defaulting Lender") to make an Advance, the relevant Borrower shall use its reasonable efforts in consultation with the Administration Agent to arrange for one or more other persons (in this section 3.2(4), the "assuming Lender") reasonably satisfactory to such Borrower and the Administration Agent to assume all or a portion of the relevant Commitments and acquire the outstanding Accommodations and other rights and interests of the defaulting Lender hereunder. The assuming Lender and defaulting Lender shall execute all such documents as may be reasonably required by the Administration Agent and such Borrower to effect such assumption and acquisition.

3.3 Interest on Advances. The relevant Borrower shall pay interest on the unpaid principal amount of each Advance at the following rates per annum:

- (1) Prime Rate Advances. If and so long as such Advance is a Prime Rate Advance, at a rate per annum equal at all times to the sum of the Prime Rate in effect from time to time plus the Applicable Margin, calculated on the daily principal amount outstanding under such Prime Rate Advance and payable in Cdn. Dollars in arrears:
 - (a) monthly on the fifth Business Day of each month with respect to the previous calendar month (calculated as at the last day of such previous calendar month); and
 - (b) when such Prime Rate Advance becomes due and payable in full.
- (2) Base Rate Advances. If and so long as such Advance is a Base Rate Advance, at a rate per annum equal at all times to the sum of the Base Rate in effect from time to time plus the Applicable Margin, calculated on the daily principal amount outstanding under such Base Rate Advance and payable in US Dollars in arrears:
 - (a) monthly on the fifth Business Day of each month with respect to the previous calendar month (calculated as at the last day of such previous calendar month); and
 - (b) when such Base Rate Advance becomes due and payable in full.
- (3) LIBOR Advances. If and so long as such Advance is a LIBOR Advance, at a rate per annum equal at all times during each Interest Period for such LIBOR Advance to the sum of LIBOR for such Interest Period plus the Applicable Margin, calculated on the daily principal amount outstanding under such LIBOR Advance and payable in US Dollars:
 - (a) at the end of each Interest Period (except where such Interest Period exceeds three months in duration, in which case such interest shall be payable on the dates falling every three months following the commencement of the Interest Period and, finally, at the end of such Interest Period); and
 - (b) when such LIBOR Advance becomes due and payable in full or is converted to a Base Rate Advance.

BANKERS' ACCEPTANCES

4.1 Acceptances.

Edgar Filing: TELUS CORP - Form 6-K

- (1) Commitment. Subject to section 4.11, each Lender agrees (on a several basis with the other Lenders, up to the amount of such Lender's Commitment), on the terms and conditions herein set forth, from time to time on any Business Day, to accept and purchase Bankers' Acceptances under the Credit Facility prior to the cancellation or termination thereof.
- (2) Amounts. Each Drawing shall be in an aggregate Face Amount not less than the minimum amount (or requisite multiple in excess thereof) set forth in section 2.1(4) and shall consist of the creation by the relevant Borrower of Bankers' Acceptances on the same day, effected or arranged by the Lenders in accordance with section 4.4, rateably according to their respective Commitments (subject to section 2.10).

4.2 Drawdown Request.

- (1) Notice. Each Drawing shall be made on the Required Notice given not later than 1:00 p.m. (Toronto time) by the relevant Borrower to the Administration Agent and the Administration Agent shall give to each Lender prompt notice thereof and of such Lender's rateable portion thereof. Each such notice of a Drawing shall be given by way of an Accommodation Request or by telephone (confirmed promptly in writing) with the same information as would be contained in an Accommodation Request, including the requested Drawing Date and the Face Amounts of the Drawing.
- (2) Maturity. The relevant Borrower shall not request in an Accommodation Request a term for Bankers' Acceptances which would end on a date subsequent to the Maturity Date.

4.3 Form of Bankers' Acceptances.

- (1) Form. Each Bankers' Acceptance shall:
 - (a) be in a Face Amount allowing for conformance with section 2.1(4);
 - (b) be dated the Drawing Date;
 - (c) mature and be payable by the relevant Borrower (in common with all other Bankers' Acceptances created in connection with such Drawing) on a Business Day which occurs no more than six months after the date thereof, subject to availability; and
 - (d) be in a form satisfactory to the relevant Lender.
- (2) Grace. Each Borrower hereby waives presentment for payment and any other defence to payment of any amounts due in respect of any Bankers' Acceptance, and hereby renounces, and shall not claim, any days of grace for the payment of any Bankers' Acceptance.

4.4 Completion of Bankers' Acceptance. Upon receipt of the notice from the Administration Agent pursuant to section 4.2(1), each Lender is thereupon authorized to execute Bankers' Acceptances as the duly authorized attorney of the relevant Borrower pursuant to section 4.8, in accordance with the particulars provided by the Administration Agent.

4.5 BA Proceeds. Each Lender shall, for same day value on the Drawing Date specified by the relevant Borrower in the applicable Accommodation Request, credit the relevant Payment Account with the applicable Discount Proceeds of the Bankers' Acceptances purchased by that Lender to the Administration Agent for the account of such Borrower, less the stamping fee set forth in section 4.6. Promptly upon receipt by the Administration

Edgar Filing: TELUS CORP - Form 6-K

Agent of such funds and upon fulfilment of the applicable conditions set forth in Article 6, the Administration Agent will make such funds available to such Borrower by debiting such account (or causing such account to be debited), and by crediting such account as shall be agreed with such Borrower (or causing such account to be credited) with such Discount Proceeds less such stamping fee. Each Lender may at any time and from time to time purchase, hold, sell, rediscount or otherwise dispose of any Bankers' Acceptance and no such dealing shall prejudice or impair such Borrower's obligations under section 4.7.

- 4.6 Stamping Fee. The relevant Borrower shall pay to the Administration Agent in respect of each Drawing (for the account of the Lenders, pro rata on the basis of their respective Commitments, subject to section 2.10) a stamping fee in Cdn. Dollars. Such stamping fee shall be payable by such Borrower in full on the Drawing Date, and shall be calculated on the Face Amount of such Bankers' Acceptances on the basis of the number of days in the term of such Bankers' Acceptances (including the Drawing Date but excluding the maturity date) at a rate per annum equal to the applicable percentage set forth under "Bankers' Acceptances" in the definition of Applicable Margin.
- 4.7 Payment at Maturity. The relevant Borrower shall pay to the Administration Agent, and there shall become due and payable, on the maturity date for each Bankers' Acceptance an amount in same day funds equal to the Face Amount of the Bankers' Acceptance. Such Borrower shall make each payment hereunder in respect of Bankers' Acceptances by deposit of the required funds to the relevant Payment Account. Upon receipt of such payment, the Administration Agent will promptly thereafter cause such payment to be distributed to the Lenders rateably (based on the proportion that the Face Amount of Bankers' Acceptances accepted by a Lender maturing on the relevant date bears to the Face Amount of Bankers' Acceptances accepted by all the Lenders maturing on such date). Such payment to the Administration Agent shall satisfy such Borrower's obligations under a Bankers' Acceptance to which it relates and the accepting institution shall thereafter be solely responsible for the payment of such Bankers' Acceptance.
- 4.8 Power of Attorney Respecting Bankers' Acceptances. In order to facilitate issues of Bankers' Acceptances pursuant to this agreement, each Borrower authorizes each Lender, and for this purpose appoints each Lender its lawful attorney (with full power of substitution), to complete, sign and endorse drafts issued in accordance with section 4.4 on its behalf in handwritten or by facsimile or mechanical signature or otherwise and, once so completed, signed and endorsed, and following acceptance of them as Bankers' Acceptance under this agreement, then purchase, discount or negotiate such Bankers' Acceptances in accordance with the provisions of this Article Four. Drafts so completed, signed, endorsed and negotiated on behalf of a Borrower by any Lender shall bind such Borrower as fully and effectively as if so performed by an authorized officer of such Borrower.
- 4.9 Prepayments. Except as required by section 4.10, no payment of the Face Amount of a Bankers' Acceptance shall be made by a Borrower to a Lender prior to the maturity date thereof. Any such required payment made before the applicable maturity date shall be held by the Administration Agent in a cash collateral account and invested in Cash Equivalents as security to provide for or to secure payment of the Face Amount of such outstanding Bankers' Acceptance upon maturity. Any such required payment made before the applicable maturity date by the relevant Borrower to the Administration Agent, to the extent of the amount thereof, shall satisfy such Borrower's obligations under the Bankers' Acceptance to which it relates as to a like amount. The accepting institution shall thereafter be solely responsible for the payment of the Bankers' Acceptance and shall

Edgar Filing: TELUS CORP - Form 6-K

indemnify and hold such Borrower harmless against any liabilities, costs or expenses incurred by such Borrower as a result of any failure by such Lender to pay the Bankers' Acceptance as to such like amount in accordance with its terms.

- 4.10 Default. Upon the occurrence of an Event of Default and the Administration Agent declaring the Obligations to be due and payable pursuant to section 10.2, and notwithstanding the date of maturity of any outstanding Bankers' Acceptances, an amount equal to the Face Amount of all outstanding Bankers' Acceptances which the Lenders are required to honour shall thereupon forthwith become due and payable by the relevant Borrower to the Administration Agent.
- 4.11 Non-Acceptance Lenders. The parties acknowledge that a Lender (a "Non-Acceptance Lender") may not be permitted by applicable Law to, or may not by virtue of customary market practices, stamp or accept commercial drafts. A Non-Acceptance Lender shall, in lieu of accepting and purchasing Bankers' Acceptances, make a BA Equivalent Loan. The amount of each BA Equivalent Loan shall be equal to the Discount Proceeds which would be realized from a hypothetical sale of those Bankers' Acceptances which that Non-Acceptance Lender would otherwise be required to accept and purchase as part of such Drawing. To determine the amount of those Discount Proceeds, the hypothetical sale shall be deemed to take place at the Non-Acceptance Discount Rate for that BA Equivalent Loan. Any BA Equivalent Loan shall be made on the relevant Drawing Date, and shall remain outstanding for the term of the relevant Bankers' Acceptances. For greater certainty, concurrently with the making of a BA Equivalent Loan, a Non-Acceptance Lender shall be entitled to deduct therefrom an amount equal to the stamping fee which that Lender would otherwise be entitled to receive pursuant to section 4.6 as part of that BA Equivalent Loan if that BA Equivalent Loan was a Bankers' Acceptance, based on the amount of principal and interest payable on the maturity date of that BA Equivalent Loan. On the maturity date for the Bankers' Acceptances required by a Borrower, such Borrower shall pay to each Non-Acceptance Lender the amount of such Lender's BA Equivalent Loan plus interest on the principal amount of that BA Equivalent Loan calculated at the applicable Non-Acceptance Discount Rate (in effect the date such BA Equivalent Loan was made) from the date of acceptance to but excluding the maturity date of that BA Equivalent Loan.

Unless otherwise expressly provided herein or unless the context otherwise requires, all references in this agreement to "Bankers' Acceptances" shall be deemed to include BA Equivalent Loans made by a Non Acceptance Lender as part of an Accommodation by way of Bankers' Acceptances, and all references to "Drawings" shall be deemed to include the making of one or more BA Equivalent Loans pursuant to an Accommodation Request.

ARTICLE 5

LETTERS OF CREDIT

5.1 Letters of Credit Commitment.

- (1) Issuance. Each Lender agrees (on a several basis with the other Lenders up to the amount of such Lender's Commitment), on the terms and conditions herein set forth, from time to time on any Business Day, to issue Letters of Credit under the Credit Facility, through the Fronting Lender for the account of the relevant Borrower prior to the cancellation or termination thereof; provided that at no time shall the Face Amount of outstanding Letters of Credit exceed collectively C\$360 million.

Edgar Filing: TELUS CORP - Form 6-K

- (2) Fronting. All Letters of Credit shall be issued by the Fronting Lender on behalf of the relevant Lenders and for this purpose:
- (a) the Principal Outstanding in respect of such Letters of Credit shall be considered to be allocated among such Lenders pro rata on the basis of their respective Commitments and, on the issuance of a Letter of Credit under the Credit Facility, the Administration Agent shall advise each of the relevant Lenders of their pro rata share of the liability under such Letter of Credit having regard to their respective Commitments and on the basis that each such Lender is liable to, and by entering into this agreement agrees to, indemnify and hold harmless the Fronting Lender in relation to the Fronting Lender's liability as issuer of such Letter of Credit to the extent of the amount of such pro rata share of such liability;
 - (b) for greater certainty and without limiting the generality of section 12.1, the Principal Outstanding among the relevant Lenders shall be adjusted in the circumstances and in the manner contemplated by section 12.1 in order to reflect the Issuance by the Fronting Lender on behalf of such Lenders.

5.2 Notice of Issuance. Each Issuance shall be made on the Required Notice, given in the form of an Accommodation Request not later than 1:00 p.m. (Toronto time) by the relevant Borrower to the Fronting Lender (with a copy of each such Accommodation Request to the Administration Agent). In addition, the relevant Borrower shall execute and deliver the Fronting Lender's customary form of letter of credit indemnity agreement; provided that, if there is any inconsistency between the terms of this agreement and the terms of the Fronting Lender's customary form of indemnity agreement, the terms of this agreement shall prevail.

5.3 Form of Letter of Credit. Each Letter of Credit to be issued hereunder shall:

- (a) be dated the Issue Date;
- (b) have an expiration date on a Business Day which occurs no more than 365 days after the Issue Date (provided that Letters of Credit may have a term in excess of 365 days if the Fronting Lender shall agree); and
- (c) comply with the definition of Letter of Credit and shall otherwise be satisfactory in form and substance to the Fronting Lender.

Except to the extent otherwise expressly provided herein or in another Credit Facility Document, the Uniform Customs or, as the case may be, ISP98 shall apply to and govern each Letter of Credit.

5.4 Procedure for Issuance of Letters of Credit.

- (1) Issue. On the Issue Date, the Fronting Lender will complete and issue a Letter of Credit in favour of the Beneficiary as specified by the relevant Borrower in its Accommodation Request. Such Letters of Credit shall be deemed to have been issued by the relevant Lenders pro rata on the basis of their respective Commitments.
- (2) Time for Honour. No Letter of Credit shall require payment against a conforming draft to be made thereunder on the same Business Day upon which such draft is presented, if such presentation is made after 11:00 a.m. (Toronto time) on such Business Day.

Edgar Filing: TELUS CORP - Form 6-K

- (3) Text. Prior to the Issue Date, the relevant Borrower shall specify a precise description of the documents and the verbatim text of any certificate to be presented by the Beneficiary prior to payment under the Letter of Credit. The Fronting Lender may require changes in any such documents or certificate, acting reasonably.
- (4) Conformity. In determining whether to pay under a Letter of Credit, the Fronting Lender shall be responsible only to determine that the documents and certificates required to be delivered under such Letter of Credit have been delivered and that they comply on their face with the requirements of such Letter of Credit.

5.5 Payment of Amounts Drawn Under Letters of Credit. In the event of any request for a drawing under any Letter of Credit, the Fronting Lender may notify the relevant Borrower (with a copy of the notice to the Administration Agent) on or before the date on which it intends to honour such drawing. The relevant Borrower (whether or not such notice is given) shall reimburse the Fronting Lender on demand by the Fronting Lender, in Cdn. Dollars, an amount, in same day funds, equal to the amount of such drawing.

Unless the relevant Borrower notifies the Fronting Lender and the Administration Agent, prior to 1:00 p.m. (Toronto time) on the second Business Day following receipt by such Borrower of the notice from the Fronting Lender referred to in the preceding paragraph, that such Borrower intends to reimburse the Fronting Lender for the amount of such drawing with funds other than the proceeds of Advances:

- (a) such Borrower shall be deemed to have given an Accommodation Request to the Administration Agent requesting the relevant Lenders to make a Prime Rate Advance on the third Business Day following the date on which such notice is provided by the Fronting Lender to such Borrower in an amount equal to the amount of such drawing; and
- (b) subject to the terms and conditions of this agreement (including those set forth in Article 6), the relevant Lenders shall, on the next Business Day following the date of such drawing, make such Advance in accordance with Article 3 and the Administration Agent shall apply the proceeds thereof to the reimbursement of the Fronting Lender for the amount of such drawing.

5.6 Fees.

- (1) Issue Fee. The relevant Borrower shall on the fifth Business Day following the end of each Financial Quarter and on the Maturity Date pay to the Administration Agent, in relation to each Letter of Credit issued under the Credit Facility at the request of such Borrower, for the account of the relevant Lenders a fee in respect of each such Letter of Credit outstanding during any portion of such Financial Quarter equal to that specified under "Issuance fee" in the definition of "Applicable Margin" multiplied by an amount equal to the undrawn portion of the Face Amount of each such Letter of Credit, such fee to be payable in Cdn. Dollars and determined for a period equal to the number of days during such Financial Quarter that each such Letter of Credit was outstanding.
- (2) Fronting Fee. In addition, the relevant Borrower shall on the fifth Business Day following the end of each Financial Quarter and on the Maturity Date pay to the Administration Agent, in relation to each Letter of Credit issued under the Credit Facility at the request of such Borrower, for the account of the Fronting Lender a fronting fee

Edgar Filing: TELUS CORP - Form 6-K

in respect of each such Letter of Credit outstanding during any portion of such Financial Quarter equal to five basis points per annum multiplied by an amount equal to the undrawn portion of the Face Amount of each such Letter of Credit, such fee to be determined for a period equal to the number of days during such Financial Quarter that each such Letter of Credit was outstanding.

- (3) Administration Fee. The relevant Borrower shall pay to the Fronting Lender, upon the issuance, amendment or transfer of each Letter of Credit requested by such Borrower, the Fronting Lender's standard documentary and administrative charges for issuing, amending or transferring standby or commercial letters of credit or letters of guarantee of a similar amount, term and risk.

5.7 Obligations Absolute. The obligation of the relevant Borrower to reimburse the Fronting Lender for drawings made under any Letter of Credit shall be unconditional and irrevocable and shall be fulfilled strictly in accordance with the terms of this agreement under all circumstances, including:

- (a) any lack of validity or enforceability of any Letter of Credit;
- (b) the existence of any claim, set-off, defence or other right which such Borrower may have at any time against a Beneficiary or any transferee of any Letter of Credit (or any persons for whom any such transferee may be acting), the Fronting Lender, any Lender or any other person, whether in connection with this agreement, the Credit Facility Documents, the transactions contemplated herein and therein or any unrelated transaction (including any underlying transaction between such Borrower or an affiliate and the Beneficiary of such Letter of Credit);
- (c) any draft, demand, certificate or other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;
- (d) payment by the Fronting Lender under any Letter of Credit against presentation of a demand, draft or certificate or other document which does not comply with the terms of such Letter of Credit (provided that such payment does not breach the standards of reasonable care specified in the Uniform Customs or disentitle the Fronting Lender to reimbursement under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit); or
- (e) the fact that a Default or an Event of Default shall have occurred and be continuing.

5.8 Indemnification; Nature of Lenders' Duties.

- (1) Indemnity. In addition to amounts payable as elsewhere provided in this Article 5, the relevant Borrower hereby agrees to protect, indemnify, pay and save the Fronting Lender and each relevant Lender and their respective directors, officers, employees, agents and representatives harmless from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including legal fees and expenses) which the indemnitee may incur or be subject to as a consequence, direct or indirect, of:
- (a) the issuance of any Letter of Credit, other than as a result of the breach of the standards of reasonable care specified in the Uniform Customs or where the Fronting Lender would not be entitled

Edgar Filing: TELUS CORP - Form 6-K

to the foregoing indemnification under ISP98, in each case as stated on its face to be applicable to such Letter of Credit; or

- (b) the failure of the indemnitee to honour a drawing under any Letter of Credit as a result of any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Official Body (all such acts or omissions called in this section 5.8, "Government Acts").
- (2) Risk. As between the relevant Borrower, on the one hand, and the Fronting Lender and the relevant Lenders, on the other hand, such Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit issued by the Fronting Lender by, the respective Beneficiaries of such Letters of Credit and, without limitation of the foregoing, neither the Fronting Lender nor any Lender shall be responsible for:
- (a) the form, validity, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for and issuance of such Letters of Credit, even if it should in fact prove to be in any or all respects invalid, inaccurate, fraudulent or forged;
 - (b) the invalidity or insufficiency of any instrument transferring or assigning or purporting to transfer or assign any such Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason;
 - (c) errors, omissions, interruptions or delays in transmission or delivery of any messages, by fax, electronic transmission, mail, cable, telegraph, telex or otherwise, whether or not they are in cipher;
 - (d) errors in interpretation of technical terms;
 - (e) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any such Letter of Credit or of the proceeds thereof;
 - (f) the misapplication by the Beneficiary of any such Letter of Credit of the proceeds of any drawing under such Letter of Credit; and
 - (g) any consequences arising from causes beyond the control of the Fronting Lender or any Lender, including any Government Acts.

None of the above shall affect, impair or prevent the vesting of any of the Lenders' rights or powers hereunder. No action taken or omitted by the Fronting Lender or any Lender under or in connection with any Letter of Credit issued by it or the related certificates, if taken or omitted in good faith, shall put the Fronting Lender or any Lender under any resulting liability to the relevant Borrower (provided that the Fronting Lender acts in accordance with the standards of reasonable care specified in the Uniform Customs and otherwise as may be required under ISP98, in each case as stated on its face to be applicable to the respective Letter of Credit).

- 5.9 Default, Maturity, etc. Upon the earlier of the Maturity Date and the Administration Agent declaring the Obligations to be due and payable pursuant to section 10.2, and notwithstanding the expiration date of any outstanding Letters of Credit issued under the Credit Facility, an amount

Edgar Filing: TELUS CORP - Form 6-K

equal to the Face Amount of all outstanding Letters of Credit under the Credit Facility, and all accrued and unpaid fees owing by the relevant Borrower in respect of the Issuance of such Letters of Credit pursuant to section 5.6, if any, shall thereupon forthwith become due and payable by such Borrower to the Administration Agent and, except for any amount payable in respect of unpaid fees as aforesaid, such amount shall be held in a cash collateral account by the Administration Agent and invested in Cash Equivalents as security to provide for or to secure payment of the amounts payable under such Letters of Credit in respect of any drawing thereunder.

The relevant Borrower shall pay to the Administration Agent the aforesaid amount in respect of both any Letter of Credit outstanding hereunder and any Letter of Credit which is the subject matter of any order, judgment, injunction or other such determination (in this section 5.9, a "Judicial Order") restricting payment by the Fronting Lender under and in accordance with such Letter of Credit or extending the Fronting Lender's liability under such Letter of Credit beyond the expiration date stated therein. Payment in respect of each such Letter of Credit shall be due in the currency in which such Letter of Credit is stated to be payable.

Subject to section 2.5(5), the Administration Agent shall with respect to each such Letter of Credit, upon the later of:

- (a) the date on which any final and non-appealable order, judgment or other such determination has been rendered or issued either terminating the applicable Judicial Order or permanently enjoining the Fronting Lender from paying under such Letter of Credit; and
- (b) the earlier of:
 - (i) the date on which either the original counterpart of the Letter of Credit is delivered to the Administration Agent for cancellation or the Fronting Lender is released by the Beneficiary from any further obligations in respect thereof; and
 - (ii) the expiry (to the extent permitted by any applicable Law) of such Letter of Credit;

pay to the relevant Borrower an amount equal to the difference between the amount paid to the Administration Agent by such Borrower pursuant to this section 5.9 and the aggregate amount paid by the Fronting Lender under such Letter of Credit.

Such Borrower and each Material Subsidiary of such Borrower is a person duly incorporated or otherwise formed and is validly subsisting and in good standing under the laws of its jurisdiction of formation, and is duly qualified to do business in all jurisdictions where the failure to so qualify would reasonably be expected to have a Material Adverse Effect.

Save as set forth in schedule 4 annexed hereto and save for statutory pre-emptive rights, no person (other than TELUS or a wholly-owned subsidiary of TELUS) has any agreement or option, or right or privilege (whether by law, pre-emptive or contractual) capable of becoming an agreement or option, for the purchase of shares in the capital of any Material Subsidiary. Each of the representations and warranties in this section 7.6 is made as of the Closing Date.

7.7 Compliance. Except as otherwise disclosed in writing to the Lenders prior to the Closing Date:

(a) no Default or Event of Default has occurred and is continuing as at the Closing Date; and

(b) as at the Closing Date, neither such Borrower nor any of its Material Subsidiaries is in breach or default, or is aware of any event or circumstance which, but for the passage of time or the giving of notice or both, would constitute a breach or default:

(i) under any contract or agreement to which it is a party or by which it is bound (nor is it aware of any breach or default by any other party thereunder); or

(ii) under any Law (including any Environmental Law) by which it is bound;

where such breach or default has had or would reasonably be expected to have a Material Adverse Effect.

7.8 Financial Statements. The audited consolidated financial statements of TELUS as of and for the year ended December 31, 2006, copies of which have been delivered to the Administration Agent, were prepared in accordance with GAAP and as at the Closing Date present fairly, as at the date thereof, the consolidated financial position of TELUS.

7.9 Material Adverse Effect. As at the Closing Date, there does not exist and there has not occurred since December 31, 2006 any change (or any condition, event or development involving a prospective change) in the assets, properties, operations or condition, financial or otherwise, of either TELUS or the Material Subsidiaries, which would reasonably be expected to have a Material Adverse Effect.

7.10 Pari Passu. The payment Obligations of each of TELUS and TCI under this agreement and each other Credit Facility Document to which it is a party rank at least pari passu in right of payment with all of such person's other unsecured and unsubordinated indebtedness, other than any such indebtedness which is preferred by mandatory provisions of applicable Law.

ARTICLE 8

COVENANTS

8.1 Affirmative Covenants. Until the Obligations are paid and satisfied in full and this agreement has been terminated, and in addition to any other covenants herein set forth, each Borrower (save as expressly set forth below as applying only to TELUS or TCI) covenants as set forth in this section 8.1.

- (1) Maintain Existence. It will do all things necessary (a) to maintain its corporate existence, and (b) to carry out its businesses in a proper and efficient manner in like manner as a prudent operator of similar businesses, including obtaining and maintaining in full force and effect all Permits required for the conduct of its businesses, and shall cause each of its Material Subsidiaries to do so, except to the extent that failure to do so has not had, and would not reasonably be expected to have, a Material Adverse Effect; provided that, in the case of a Material Subsidiary that is a partnership, the foregoing covenant to maintain its corporate existence shall be construed as a covenant to maintain its partnership existence.
- (2) Compliance with Laws, etc. It will comply with all applicable Laws (including Environmental Laws) and Permits and do all things necessary to obtain, promptly renew and maintain in good standing from time to time all Permits and duly observe all valid requirements of any Official Body (including those requirements respecting the protection of the environment, Release of Hazardous Substances, and occupational health and safety), and shall cause each of its Material Subsidiaries to do so, except to the extent that failure to do so has not had, and would not reasonably be expected to have, a Material Adverse Effect.
- (3) Payment of Taxes and Claims. It will file as and when required by applicable Law all Tax returns (except to the extent that failure to do so has not had, and would not reasonably be expected to have, a Material Adverse Effect) and will pay and discharge before the same shall become delinquent (i) all Taxes imposed upon it or upon its property, and (ii) all lawful claims (including claims for labour, materials, supplies or services) which, if unpaid, might become a Lien upon its property except in each case any such Tax or claim which is being contested in good faith and by proper proceedings and for which adequate reserves have been maintained and no Liens (except Permitted Liens) have attached, and shall cause each of its Material Subsidiaries to do so.
- (4) Insurance. TELUS shall insure and keep insured the property of the Borrowers and the Material Subsidiaries, which is of an insurable nature, against such risks, in such amount and in such manner as is customary and prudent in the case of corporations, similarly situated and operating generally similar property, and with such reputable insurance companies or associations as it may select; provided that the Borrowers and the Material Subsidiaries may from time to time adopt other methods or plans of protection, including self-insurance,

Edgar Filing: TELUS CORP - Form 6-K

against risks in substitution or partial substitution for the aforesaid insurance.

- (5) Keeping of Books. It will keep proper books of record and account, in which full and correct entries shall be made of all financial transactions and its assets and business in accordance with GAAP, and shall cause each of its Material Subsidiaries to do so.
- (6) Pay Obligations to Lenders and Perform Other Covenants. It will make full and timely payment of the Obligations owed by it, whether now existing or hereafter arising, and will duly comply with all the terms and covenants contained in each of the Credit Facility Documents to which it is from time to time a party, all at the times and places and in the manner set forth therein.
- (7) Use of Proceeds. It will use the proceeds of all Accommodations made available to it for the purposes set forth in section 2.1(2) (including the payment of commercial paper).
- (8) Financial and Other Reporting. TELUS will deliver to the Administration Agent:
 - (a) within 120 days after the end of each Financial Year, a copy of the annual audited consolidated financial statements of each of TELUS and TCI prepared in accordance with GAAP;
 - (b) within 60 days after the end of the first three Financial Quarters of the Financial Year, a copy of the unaudited consolidated financial statements of each of TELUS and TCI prepared in accordance with GAAP, certified by a Senior Officer of TELUS or TCI, as the case may be; and
 - (c) with each of the financial statements in (a) and (b) above, a Compliance Certificate signed by a Senior Officer of TELUS.

In addition, in the event that any financial statement or other information delivered hereunder indicates that a subsidiary of TELUS has become a Material Subsidiary, TELUS shall expressly draw same to the attention of the Administration Agent and, within 20 Business Days following delivery of such financial statement or other information, TELUS shall deliver to the Administration Agent the documents referred to in section 6.1(2) and (5).
- (9) Notice of Certain Events. TELUS will promptly notify the Administration Agent in writing of:
 - (a) any Default or Event of Default;
 - (b) a decision (for whatever reason) by an Agency to cease providing a Rating, any change in a Rating by either Agency, or any new such Rating; or
 - (c) prior to completion thereof, any transaction whereby a Material Subsidiary will cease to be a subsidiary of TELUS.
- (10) Environmental Indemnity. It will indemnify and hold harmless the Administration Agent and each Lender and their respective directors, officers, employees, agents and representatives from and against any and all third party liabilities, claims, demands, actions and causes of action, fines and other penal or administrative sanctions suffered by the indemnitees arising directly or indirectly out of any breach of any Environmental Law, or any environmental hazards existing, or any

Edgar Filing: TELUS CORP - Form 6-K

environmental pollution occurring, at any time relating to the assets or properties of such Borrower or any of its Material Subsidiaries.

- (11) Further Assurances. It will at its cost and expense, upon request of the Administration Agent, duly execute and deliver, or cause to be duly executed and delivered, to the Administration Agent such further instruments and do and cause to be done such further acts as may be necessary or proper in the reasonable opinion of the Administration Agent to carry out more effectually the provisions and purposes of this agreement and the other Credit Facility Documents.

8.2 Negative Covenants. Until the Obligations are paid and satisfied in full and this agreement has been terminated, and in addition to any other covenants herein set forth, each Borrower (save as expressly set forth below as applying only to TELUS or TCI) covenants and agrees that it will not take any of the actions set forth in this section 8.2 or permit or suffer same to occur without the prior written consent of the Lenders pursuant to section 12.2.

- (1) Liens. It will not, and will not permit any of its Material Subsidiaries to, create, incur or otherwise permit to exist any Lien on any of its assets, other than Permitted Liens.
- (2) Merger, etc. Except for Permitted Mergers, it will not, and will not permit any of its Material Subsidiaries to, merge, consolidate or amalgamate with or into, or sell, convey, transfer, lease or otherwise dispose of (in one transaction or a series of transactions) all or substantially all of its assets to, any other person.
- (3) Financial Tests. TELUS will not:
 - (a) permit its Leverage Ratio to exceed 4.0:1 at the end of any Financial Quarter; or
 - (b) permit its Coverage Ratio to be less than 2.0:1 at the end of any Financial Quarter.
- (4) Debt. TELUS will not permit any of its Material Subsidiaries at any time to create, incur or otherwise permit to exist, or otherwise be obligated in respect of, any Indebtedness for Borrowed Moneys (but excluding in such calculation all Excluded Debt) if the effect thereof is that the aggregate principal amount of all Indebtedness for Borrowed Moneys of all Material Subsidiaries shall exceed 15% of Net Tangible Assets at such time.
- (5) Sale and Lease-Back Transactions. Neither it nor any of its Material Subsidiaries shall enter into any Sale and Lease-Back Transaction unless:
 - (a) such Sale and Lease-Back Transaction qualifies as a Permitted Lien other than under paragraph (s) or (w) of the definition of Permitted Lien; or
 - (b) such Sale and Lease-Back Transaction is not otherwise permitted under paragraph (a) but such Borrower or Material Subsidiary would be entitled, in the manner described in such paragraph (s), to incur Debt secured by a Lien on the applicable Principal Property at least equal in amount to the Attributable Debt in respect of such Sale and Lease-Back Transaction; or
 - (c) such Borrower or Material Subsidiary shall apply or cause to be applied, in the case of a sale or transfer for cash, an amount

Edgar Filing: TELUS CORP - Form 6-K

equal to the greater of the fair market value of the Principal Property sold or transferred and leased back pursuant to such Sale and Lease-Back Transaction or the net proceeds of such Sale and Lease-Back Transaction and, in the case of a sale or transfer otherwise than for cash, an amount equal to the fair market value of the Principal Property sold or transferred and leased back pursuant to such Sale and Lease-Back Transaction, to (x) the retirement (other than any mandatory retirement), within 180 days after the effective date of such Sale and Lease-Back Transaction, of Debt of a Borrower ranking on a parity with the Obligations and owing to a person other than a Borrower or any affiliate of a Borrower, or (y) the purchase, construction or improvement of real property or personal property used by a Borrower or Material Subsidiary in the ordinary course of business.

8.3 Administration Agent May Perform Covenants. If a Borrower or any Material Subsidiary shall fail to perform or observe any covenant on its part contained herein or in any other Credit Facility Document, the Administration Agent may, in its sole discretion acting reasonably, and shall upon the instructions of the Majority Lenders, in either case subject to it having been indemnified to its satisfaction, perform (or cause to be performed), any of the said covenants capable of being performed by the Administration Agent and, if any such covenant requires the payment or expenditure of money, the Administration Agent may make such payment or expenditures with its own funds or with money borrowed for that purpose (but the Administration Agent shall be under no obligation to do so); provided that the Administration Agent shall first have provided written notice of its intention to the Borrowers and a reasonable opportunity (not to exceed 20 days, or such longer period as the Lenders shall approve) to cure the failure. All amounts paid by the Administration Agent pursuant to this section 8.3 shall be repaid by the Borrowers to the Administration Agent on demand therefor, and shall form part of the Obligations. No payment or performance under this section 8.3 shall relieve the Borrowers from any Event of Default.

ARTICLE 9

CHANGES IN CIRCUMSTANCES

9.1 Illegality. If the enactment of any applicable Law, or any change therein or in the interpretation or application thereof by any Official Body or compliance by a Lender with any guideline, official directive, request or direction (whether or not having the force of Law) of any Official Body, hereafter makes it unlawful or impossible for a Lender to make, fund or maintain any type of Accommodation or to give effect to its obligations in respect of such type of Accommodation, such Lender may, by written notice thereof to the Borrowers and to the Administration Agent, declare its obligations under this agreement in respect of such type of Accommodation to be terminated, whereupon the same shall forthwith terminate, and the Borrowers shall within the time required by such Law (or at the end of such longer period as such Lender at its discretion has agreed) repay or effect a Conversion of the Principal Outstanding in respect of such type of Accommodation from such Lender (without reducing or prepaying the Commitment(s) of any other Lender(s)), and shall pay all accrued interest and fees payable hereunder and all Increased Costs incurred in connection with the termination or Conversion of such type of Accommodation.

In the foregoing circumstances, TELUS, in consultation with the Administration Agent and the affected Lender, may arrange for one or more other persons (in this section 9.1, the "assuming Lender") reasonably satisfactory to TELUS and the Administration Agent to assume all or a

Edgar Filing: TELUS CORP - Form 6-K

portion of the relevant Commitments and acquire the outstanding Accommodations and other rights and interests of the affected Lender hereunder. The assuming Lender and affected Lender shall execute all such documents as may be reasonably required by the Administration Agent and TELUS to effect such assumption and acquisition.

9.2 Circumstances Requiring Different Pricing. If, on or before any date on which an interest rate is to be determined on the basis of LIBOR, either:

- (a) the Administration Agent determines that it will not be possible to determine LIBOR for the applicable Interest Period or in the applicable amounts; or
- (b) the Administration Agent determines or receives notice from a Lender that LIBOR will not adequately reflect the cost of making, funding or maintaining LIBOR Advances for the applicable Interest Period (including, for greater certainty, any such circumstance arising by virtue of the imposition, or increase in the applicable rate, of any Tax other than an Excluded Tax);

then the Administration Agent shall forthwith give notice of such event to the Borrowers and each Lender, whereupon the obligations of the Lenders to make LIBOR Advances to the Borrowers shall be suspended until the Administration Agent gives notice to the Borrowers and the Lenders that the circumstances giving rise to such determination no longer exist.

9.3 Increased Costs. If:

- (a) the enactment or amendment of any Law or any change in the interpretation or application thereof by any Official Body (including with respect to any applicable Taxes other than Excluded Taxes); or
- (b) compliance by any Lender with any amendment or change to any existing directive, request or requirement (whether or not having the force of Law) of any Official Body, or with any new such directive, request or requirement of any Official Body;

shall have the effect of:

- (c) increasing the cost to such Lender of performing its obligations under this agreement or in respect of any Accommodation, including the costs of maintaining any capital, reserve, deemed reserve or special deposit requirements with respect to this agreement or any Accommodation or with respect to its obligations hereunder or thereunder or with respect to assets or deposits that directly or indirectly support such obligations;
- (d) requiring such Lender to maintain or allocate any capital (including a requirement affecting such Lender's allocation of capital to its obligations) or additional capital in respect of its obligations under this agreement or in respect of any Accommodation or otherwise reducing the effective return to such Lender under this agreement or in respect of any Accommodation or on its total capital as a result of entering into this agreement or making any Accommodation;
- (e) reducing any amount payable to it by or in an amount it deems material (other than, for greater certainty, a reduction resulting from a higher rate of income or capital Tax or other special Tax

Edgar Filing: TELUS CORP - Form 6-K

relating to such Lender's income or capital and other than any other Excluded Taxes); or

- (f) causing such Lender to make any payment or to forgo any return on or calculated by reference to any amount received or receivable by such Lender under this agreement or in respect of any Accommodation;

such Lender may give notice to the Borrowers (with a copy to the Administration Agent) specifying the nature of the event giving rise to such additional cost, reduction, payment or forgone return and the Borrowers shall promptly pay such amounts as such Lender may specify to be necessary to compensate it for any such additional cost, reduction, payment or forgone return. A certificate setting out, in reasonable detail, the amount of any such additional cost, reduction, payment or forgone return, submitted in good faith by such Lender to the Borrowers, shall be conclusive and binding for all purposes absent demonstrated error.

If such circumstances continue in effect for 60 consecutive days, on request from TELUS, TELUS shall use its reasonable efforts, in consultation with the Administration Agent and the affected Lender, to arrange for one or more other persons (in this section 9.3, the "assuming Lender") reasonably satisfactory to TELUS and the Administration Agent to assume all or a portion of the relevant Commitments and acquire the outstanding Accommodations and other rights and interests of the affected Lender hereunder. The assuming Lender and affected Lender shall execute all such documents as may be reasonably required by the Administration Agent and TELUS to effect such assumption and acquisition. Failing such assumption and acquisition, the Borrower may effect a prepayment and cancellation of the relevant Commitments of the affected Lender (without reducing or prepaying the Commitment(s) of any other Lender(s)).

9.4 Indemnification.

- (1) Matching Funds. The relevant Borrower shall promptly pay to each Lender any amounts required to compensate such Lender for any breakage or similar cost, loss, cost of redeploying funds or other cost or expense suffered or incurred by such Lender as a result of:
 - (a) any payment being made by such Borrower in respect of a LIBOR Advance or a Bankers' Acceptance (due to acceleration hereunder or a mandatory repayment or prepayment of principal or for any other reason) on a day other than the last day of an Interest Period or the maturity date applicable thereto; provided that, where the event giving rise to such payment is a mandatory repayment or prepayment, such Borrower may at its option instead deposit the amount of the repayment or prepayment to a cash collateral account pending expiry of the existing Interest Period or (as the case may be) maturity of outstanding Bankers Acceptances, and the monies in such cash collateral account shall be invested in Cash Equivalents and held as security to be applied by the Administration Agent to the required repayment or prepayment on the expiry of such Interest Period or maturity of such Bankers Acceptance;
 - (b) such Borrower's failure to give Notice in the manner and at the times required hereunder; or
 - (c) the failure of such Borrower to fulfil or honour, before the date specified for any Accommodation, the applicable conditions set forth in Article 6 or to accept an Accommodation after delivery of an Accommodation Request in the manner and at the time specified in

Edgar Filing: TELUS CORP - Form 6-K

such Accommodation Request.

A certificate of such Lender submitted to the relevant Borrower (with a copy to the Administration Agent) as to the amount necessary to so compensate such Lender shall be conclusive evidence, absent demonstrated error, of the amount due from such Borrower to such Lender.

- (2) General. Without limiting section 8.1(10), each Borrower agrees to indemnify the Administration Agent, each Lender and their respective affiliates, and the directors, officers and employees of each of them, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the indemnitees or any of them, related to or arising out of the transactions contemplated hereunder or under any other Credit Facility Document; provided that no amount shall be payable under this section 9.4(2) to the extent that same arises out of the gross negligence or wilful misconduct of an indemnified person, or out of a breach by it of the terms of this agreement or any other Credit Facility Document.

9.5 Taxes, Costs, Etc.

- (1) General. Any and all payments by a Borrower under this agreement or any other Credit Facility Document shall be made free and clear of and without deduction or withholding for Taxes unless such Taxes are required by Law to be deducted or withheld. For greater certainty, a Borrower shall not be required to indemnify a Lender in respect of Taxes or Excluded Taxes payable to any Official Body in Canada which are levied, withheld, deducted or paid on payments to such Lender by reason of the fact that such Lender is a non-resident of Canada within the meaning of the Income Tax Act (Canada).
- (2) Pay Taxes. Each Borrower shall pay all Taxes (for greater certainty, excluding Excluded Taxes) which arise from any payment made by it hereunder or under any other Credit Facility Document or from the execution, delivery or registration of, or otherwise with respect to, this agreement or such other Credit Facility Document.
- (3) Evidence of Payment. Within 30 days after the date of any payment of Taxes, the relevant Borrower will furnish to the relevant Lender the original or a certified copy of a receipt evidencing payment thereof.
- (4) Survival. Without prejudice to the survival of any other agreement or obligation of the Borrowers hereunder or under any other Credit Facility Document, the obligations of the Borrowers under this section 9.5 shall survive the payment and performance of the Obligations.

ARTICLE 10

EVENTS OF DEFAULT

10.1 Events of Default. Each of the events set forth in this section 10.1 shall constitute an "Event of Default".

- (1) Payment. A Borrower shall fail:
 - (a) to pay the principal amount of any Advance or BA Equivalent Loan when the same becomes due and payable;
 - (b) to reimburse any Lender in respect of any Bankers' Acceptance

Edgar Filing: TELUS CORP - Form 6-K

or Letter of Credit, or pay the Face Amount thereof, when required hereunder; or

- (c) to pay any interest or fees hereunder when the same becomes due and payable;

and in any such case under (b) or (c) such failure shall remain unremedied for a period of five days.

- (2) Representations and Warranties Incorrect. Any of the representations or warranties made or deemed to have been made by a Borrower in any Credit Facility Document shall prove to be or have been incorrect in any material respect when made or deemed to have been made.
- (3) Failure to Perform Certain Covenants. A Borrower or a Material Subsidiary (including TCC in the case of the TCC Guarantee) shall fail to perform or observe any covenant contained in any Credit Facility Document on its part to be performed or observed or otherwise applicable to it; provided that, if such failure is capable of being remedied, no Event of Default shall have occurred as a result thereof unless and until such failure shall have remained unremedied for 30 days after the earlier of (i) written notice thereof given to the Borrowers by the Administration Agent, and (ii) such time as a Borrower or Material Subsidiary is aware of same.
- (4) Debt. (a) A Borrower or Material Subsidiary fails to pay the principal of any Debt (excluding the Obligations) which is outstanding in an aggregate principal amount exceeding US\$75 million (or the Equivalent Amount in any other currency) when such amount becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) beyond any applicable grace period; or (b) any other event occurs or condition exists (including a failure to pay the premium or interest on such Debt) and continues after the applicable grace period, if any, specified in any agreement or instrument relating to any such Debt which is outstanding in an aggregate principal amount exceeding US\$75 million (or the Equivalent Amount in any other currency) without waiver of such failure by the holder of such Debt on or before the expiration of such period, as a result of which such holder accelerates such Debt.
- (5) Judgment. Any final judgment or order (subject to no further right of appeal) for the payment of money aggregating in excess of US\$75 million (or the Equivalent Amount in any other currency) shall be rendered against a Borrower or Material Subsidiary in respect of which enforcement proceedings have been commenced and such proceedings have not been effectively stayed.
- (6) Bankruptcy, etc. A Borrower or Material Subsidiary:
 - (a) becomes insolvent or generally unable to pay its debts as they become due;
 - (b) admits in writing its inability to pay its debts generally or makes a general assignment for the benefit of creditors;
 - (c) institutes or has instituted against it any proceeding involving or affecting its creditors seeking (x) to adjudicate it a bankrupt or insolvent, (y) liquidation, winding-up, reorganization, arrangement, adjustment, protection, relief or composition of it or its debts under any law relating to bankruptcy, insolvency, reorganization or relief of debtors including any plan of compromise or arrangement or

Edgar Filing: TELUS CORP - Form 6-K

other corporate proceeding relating thereto, or (z) the entry of an order for relief or the appointment of a receiver, trustee or other similar official for it or for any material portion of its properties and assets, and in the case of any such proceeding instituted against it (but not instituted by it), either such person fails to diligently and actively oppose such proceeding, or any of the relief sought in such proceeding (including the entry of any order for relief against it or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its properties and assets) is given; or

(d) takes any corporate or partnership action to authorize any of the above actions.

(7) Execution. Assets of a Borrower or Material Subsidiary are attached, executed, sequestered or distrained upon or become subject to any order of a court or other process and such attachment, execution, sequestration, distraint, order or process (i) relates to claims in the aggregate in excess of US\$75 million (or the Equivalent Amount in another currency), and (ii) such Borrower or Material Subsidiary shall not discharge the same or provide for its discharge in accordance with its terms, or procure a stay of execution thereof, or deposit with the Administration Agent cash collateral or other security satisfactory to the Majority Lenders in the amount of the claim, within 60 days from the date of entry thereof.

(8) Control Event. A Control Event.

10.2 Effect.

(1) General. Upon the occurrence and continuance of an Event of Default, except as provided in section 10.2(2), the Administration Agent:

(a) shall, at the request of the Majority Lenders, by notice to the Borrowers cancel all obligations of the Lenders in respect of the Commitments (whereupon no further Accommodations may be made and any Accommodation Request given with respect to an Accommodation occurring on or after the date of such notice or request shall cease to have effect); and

(b) shall, at the request of the Majority Lenders, by notice to the Borrowers declare the Obligations to be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrowers.

(2) Specific Defaults. If any Event of Default specified in section 10.1(6) shall occur with respect to a Borrower, then all obligations of the Lenders in respect of the Commitments shall be automatically cancelled and the Obligations shall be forthwith due and payable, all as if the request and notice specified in each of sections 10.2(1)(a) and 10.2(1)(b) had been received and given by the Administration Agent.

(3) Enforcement. Upon the occurrence of an Event of Default and acceleration of the Obligations, the Administration Agent may, and shall at the request of the Majority Lenders, commence such legal action or proceedings as it may deem expedient, all without any additional notice, presentation, demand, protest, notice of dishonour, or any other action, notice of all of which the Borrowers hereby expressly waive to the extent permitted by law. The rights and remedies of the Administration Agent and the Lenders hereunder and under the other Credit Facility Documents are cumulative and are in

Edgar Filing: TELUS CORP - Form 6-K

addition to and not in substitution for any other rights or remedies provided by Law; provided that nothing herein contained shall permit any Lender to take any steps which, pursuant to this agreement, may only be undertaken by or with the consent of all Lenders or the Majority Lenders.

- 10.3 Right of Set-Off. In addition to any rights now or hereafter granted under applicable Law and not by way of limitation of any such rights, after the occurrence of an Event of Default and acceleration of the Obligations, except where there is an agreement to the contrary, each Lender is hereby authorized by each Borrower at any time or from time to time without notice to such Borrower or to any other person, any such notice being hereby expressly waived to the extent permitted by Law, to set off and to appropriate and to apply any and all deposits (general or special), time or demand, in each case whether matured or unmatured (and any other indebtedness) at any time held or owing by such Lender to or for the credit or account of such Borrower against and on account of the Obligations of such Borrower to such Lender, including all claims of any nature or description arising out of or connected with this agreement or any of the other Credit Facility Documents, and although such obligations and liabilities or any of them shall be contingent and unmatured.
- 10.4 Currency Conversion After Acceleration. At any time following the occurrence of an Event of Default and the acceleration of the Obligations, each Lender shall be entitled to convert, with two Business Days' prior notice to the Borrowers, its unpaid and outstanding US Dollar Advances, or any of them, to Prime Rate Advances. Any such conversion shall be calculated so that the resulting Prime Rate Advances shall be the Equivalent Amount in Cdn. Dollars on the date of conversion of the amount of US Dollars so converted. Any accrued and unpaid interest denominated in US Dollars at the time of any such conversion shall be similarly converted to Cdn. Dollars, and such Prime Rate Advances and accrued and unpaid interest thereon shall thereafter bear interest in accordance with Article 3.

ARTICLE 11

THE ADMINISTRATION AGENT AND THE LENDERS

- 11.1 Authorization and Action. Each Lender hereby appoints and authorizes the Administration Agent to take such action as Administration Agent on its behalf and to exercise such powers under this agreement and the other Credit Facility Documents as are delegated to the Administration Agent by the terms hereof and thereof, together with such powers as are reasonably incidental thereto. As to any matters not expressly provided for by this agreement or such other Credit Facility Documents, the Administration Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully indemnified and protected in so acting or refraining from acting) upon the instructions of the Majority Lenders and such instructions (and indemnification) shall be binding upon all Lenders; provided that the Administration Agent shall not be required to take any action which exposes it to personal liability or which is contrary to this agreement or such other Credit Facility Documents or applicable Law.
- 11.2 Duties and Obligations. The duties and obligations of the Administration Agent hereunder shall be mechanical and administrative in nature, and the Administration Agent shall not have by reason of this agreement or any other Credit Facility Document any fiduciary relationship or duty with or to any Lender.

Edgar Filing: TELUS CORP - Form 6-K

Neither the Administrative Agent nor any of its directors, officers, agents or employees shall be liable to any Lender for any action taken or omitted to be taken by it or them under or in connection with this agreement or any other Credit Facility Document except for its or their own gross negligence or wilful misconduct. Without limiting the generality of the foregoing, the Administration Agent:

- (a) may treat any Lender as the payee of amounts attributable to such Lender's Commitment unless and until the Administration Agent receives written notice of the assignment thereof signed by such Lender and the Administration Agent receives the written agreement of the assignee that such assignee is bound hereby as if it had been an original Lender party hereto, in each case in form satisfactory to the Administration Agent and otherwise in accordance with section 12.7;
- (b) may consult with legal counsel (including counsel for the Borrowers), independent chartered accountants and other experts selected by it and shall not be liable to the Lenders for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts;
- (c) shall incur no liability under or in respect of this agreement or any other Credit Facility Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by fax, electronic communication, telegram, cable, facsimile or similar means of recorded communication) believed by it to be genuine and signed or sent by the proper party or parties or by acting upon any representation or warranty of the Borrowers made or deemed to be made hereunder or thereunder;
- (d) may assume that no Default or Event of Default has occurred and is continuing unless it has actual knowledge to the contrary; and
- (e) may rely as to any matters of fact which might reasonably be expected to be within the knowledge of any person upon a certificate signed by or on behalf of such person.

Further, the Administration Agent:

- (f) neither makes any warranty or representation to any Lender nor shall be responsible to any Lender for the accuracy or completeness of the documents, information or financial data made available to the Lenders in connection with the negotiation of this agreement, or for any statements, warranties or representations (whether written or oral) made in or in connection with this agreement or any other Credit Facility Document;
- (g) shall not have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this agreement or any other Credit Facility Document on the part of the Borrowers or any other person or to inspect any assets (including books and records); and
- (h) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this agreement or any other Credit Facility Document.

The Administration Agent shall promptly distribute to the Lenders copies of all material received from the Borrowers in compliance with the Borrowers' reporting obligations hereunder.

Edgar Filing: TELUS CORP - Form 6-K

11.3 Administration Agent and Affiliates. With respect to its Commitment and Accommodations made or provided and to be made or provided by it, the Administration Agent, which is also a Lender, shall have the same rights and powers under this agreement and every other Credit Facility Document as any other Lender and may exercise the same as though it were not the Administration Agent; and the terms "Lender" and "Lenders" shall, unless otherwise expressly indicated, include the Administration Agent in its capacity as Lender. Each Lender (including the Administration Agent) and its affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrowers and their affiliates, or any corporation or other entity owned or controlled by such persons, and any person which may do business with such persons, all as if it were not a party hereto and without any duty to account therefor to any Lender; provided that nothing in this section 11.3 shall affect in any manner whatsoever any covenant or other obligation on the part of the Borrowers or any other person to be observed or performed under this agreement or any other Credit Facility Document.

11.4 Lender Credit Decision. It is understood and agreed by each Lender that it has itself been, and will continue to be, solely responsible for making its own independent appraisal of and investigations into the financial condition, creditworthiness, condition, affairs, status and nature of the Borrowers and their affiliates. Accordingly, each Lender confirms to the Administration Agent and each other Lender that it has not relied, and will not hereafter rely, on the Administration Agent or any other Lender:

(a) to check or inquire on its behalf into the adequacy, accuracy or completeness of any information provided by or on behalf of the Borrowers or any affiliate under or in connection with this agreement or any other Credit Facility Document or the transactions herein or therein contemplated (whether or not such information has been or is hereafter distributed to such Lender by the Administration Agent or other Lender); or

(b) to assess or keep under review on its behalf the financial condition, creditworthiness, condition, affairs, status or nature of the Borrowers or any affiliate.

Each Lender acknowledges that a copy of this agreement has been made available to it for its review and that it is satisfied with the form and substance hereof.

11.5 Indemnifications. Each Lender shall indemnify the Administration Agent, each affiliate thereof, and each respective director, officer, and employee of the Administration Agent and of each such affiliate (to the extent not reimbursed by the Borrowers), with all other Lenders pro rata according to the respective amounts of their respective Commitments, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administration Agent or any such affiliate, director, officer or employee in any way relating to or arising out of this agreement or any other Credit Facility Document or any action taken or omitted by the Administration Agent or any such affiliate, director, officer or employee under this agreement or any such other Credit Facility Document to the extent that the Administration Agent or such affiliate, director, officer or employee is not reimbursed for such expenses by the Borrowers; provided that no Lender shall be liable for any portion of such liabilities, obligations,

Edgar Filing: TELUS CORP - Form 6-K

losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or wilful misconduct of an indemnitee. Without limiting the generality of the foregoing, each Lender agrees to reimburse the Administration Agent and each such affiliate, director, officer or employee promptly upon demand for its share (determined rateably as aforesaid) of any out-of-pocket expenses (including counsel fees) incurred by the indemnitee in connection with the preservation of any rights of the Administration Agent or the Lenders under, or the enforcement of, or legal advice in respect of rights or responsibilities under, this agreement or any such other Credit Facility Document, to the extent that the Administration Agent or such affiliate, director, officer or employee is not reimbursed for such expenses by the Borrowers.

- 11.6 Successor Administration Agent. The Administration Agent may, as hereinafter provided, resign at any time by giving written notice thereof to the Lenders and the Borrowers and may be removed at any time with cause by the Majority Lenders. Upon any such resignation or removal, the Lenders, after consultation with TELUS, shall have the right to appoint a successor Administration Agent, which shall be a Lender. If no successor Administration Agent shall have been so appointed by the Lenders and shall have accepted such appointment within 30 days after the retiring Administration Agent's giving of notice of resignation or the Lenders' removal of the retiring Administration Agent, then the retiring Administration Agent shall on behalf of the Lenders forthwith designate one of the Lenders the pro tem successor Administration Agent, and such designated Lender shall act as Administration Agent hereunder pending the appointment of its successor. Upon the acceptance of any appointment as Administration Agent hereunder by a successor Administration Agent, such successor Administration Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administration Agent, and the retiring Administration Agent shall be discharged from any further duties and obligations under this agreement. After any retiring Administration Agent's resignation or removal hereunder as Administration Agent, the provisions of this Article 11 shall enure to its benefit as to any actions taken or omitted to be taken by it while it was Administration Agent under this agreement.
- 11.7 Sub-Agent or Co-Agent. At any time or times, in order to comply with any legal requirement in any province, state or other jurisdiction, or to facilitate the taking by the Administration Agent of any action provided for in any Credit Facility Document, the Administration Agent may appoint one or more trust companies, chartered banks or other persons (any of whom may, but need not be, a Lender) to act either as co-agent or sub-agent, jointly with the Administration Agent or as a separate agent or agents on behalf of the Lenders, with such powers and authorities as the Administration Agent deems necessary for the effective operation of the provisions of any Credit Facility Document. In the discretion of the Administration Agent, any instrument or agreement appointing any such co-agent or sub-agent may include provisions for the protection of such co-agent or sub-agent similar to but no broader than the provisions of this Article 11. Upon the appointment of any such co-agent or sub-agent by the Administration Agent, all references in this agreement and in all other Credit Facility Documents to the Administration Agent shall thereafter be construed as references to such co-agent or sub-agent to the extent necessary in order to give effect to its powers, authorities and obligations.
- 11.8 Cash Collateral. To the extent that the Administration Agent is from time to time in possession of cash collateral, it shall be entitled to invest the same and all proceeds thereof in Cash Equivalents,

Edgar Filing: TELUS CORP - Form 6-K

including Cash Equivalents issued by TD Bank.

ARTICLE 12

MISCELLANEOUS

12.1 Sharing of Payments; Records.

- (1) The Swingline and Fronting Lender. Upon the occurrence of an Event of Default, adjustments shall be made among the Lenders as set forth in this section 12.1(1).
 - (a) Unless the Swingline Lender and the Majority Lenders agree otherwise, if an Event of Default occurs, then the Swingline Lender will promptly request the Administration Agent on behalf of TELUS (and for this purpose the Swingline Lender is irrevocably authorized by TELUS to do so) for a Borrowing by way of a Prime Rate Advance or a Base Rate Advance (as applicable) from the Lenders pursuant to Article 3 to repay to the Swingline Lender the outstanding Swingline Advances. The Lenders are irrevocably directed by TELUS to make any Prime Rate Advance or Base Rate Advance (as applicable) if so requested by the Swingline Lender and pay the proceeds thereof directly to the Administration Agent for the account of the Swingline Lender. At all times thereafter the commitment of the Swingline Lender to make Swingline Advances under section 2.1(6) shall be terminated and the Lenders shall make such adjusting payments amongst themselves in the manner contemplated by section 12.1(2) as may be required to ensure their respective participations in outstanding Advances under the Credit Facility reflect their respective Commitments. If any Letter of Credit is thereafter drawn upon which results in a payment by the Fronting Lender thereunder (in this section 12.1(1), an "LC Payment"), the Fronting Lender will promptly request the Administration Agent on behalf of the relevant Borrower (and for this purpose the Fronting Lender is irrevocably authorized by such Borrower to do so) for a Borrowing by way of a Prime Rate Advance from the Lenders pursuant to Article 3 to reimburse the Fronting Lender for such LC Payment and the foregoing provisions of this section 12.1(1)(a) shall equally apply to each such further Advance. Each Lender unconditionally agrees to pay to the Administration Agent for the account of the Swingline Lender or the Fronting Lender such Lender's rateable portion of each Advance requested by the Swingline Lender or the Fronting Lender on behalf of the relevant Borrower to repay Swingline Advances or LC Payments made by the Swingline Lender or the Fronting Lender.
 - (b) Except as provided in section 12.1(1)(d), the obligations of each Lender under section 12.1(1)(a) are unconditional, shall not be subject to any qualification or exception whatsoever and shall be performed in accordance with the terms and conditions of this agreement under all circumstances including:
 - (i) any lack of validity or enforceability of the obligations of TELUS under section 2.1(6);
 - (ii) the occurrence of any Default or Event of Default or the exercise of any rights by the Administration Agent under section 10.2; and
 - (iii) the absence of any demand for payment being made, any proof of claim being filed, any proceeding being commenced or any judgment being obtained by the Swingline Lender or the

Edgar Filing: TELUS CORP - Form 6-K

Fronting Lender against the relevant Borrower.

- (c) If a Lender (a "Defaulting Lender") fails to make payment on the due date therefor of any amount due from it for the account of the Swingline Lender or the Fronting Lender pursuant to section 12.1(1) (a) (the balance thereof for the time being unpaid being referred to in this section 12.1(1) (c) as an "overdue amount") then, until the Swingline Lender or the Fronting Lender has received payment of that amount (plus interest as provided below) in full (and without in any way limiting the rights of the Swingline Lender or the Fronting Lender in respect of such failure):
- (i) the Swingline Lender or the Fronting Lender shall be entitled to receive any payment which the Defaulting Lender would otherwise have been entitled to receive in respect of the Credit Facility or otherwise in respect of any Credit Facility Document; and
 - (ii) the overdue amount shall bear interest payable by the Defaulting Lender to the Swingline Lender or the Fronting Lender at the rate payable by the relevant Borrower in respect of the Obligations which gave rise to such overdue amount.
- (d) If for any reason an Advance may not be made pursuant to section 12.1(1) (a) to reimburse the Swingline Lender or the Fronting Lender as contemplated thereby, then promptly upon receipt of notification of such fact from the Administration Agent, each relevant Lender shall deliver to the Administration Agent for the account of the Swingline Lender or the Fronting Lender in immediately available funds the purchase price for such Lender's participation interest in the relevant unreimbursed Swingline Advances or LC Payments (including interest then accrued thereon and unpaid by the relevant Borrower). Without duplication, each Lender shall, upon demand by the Swingline Lender or the Fronting Lender made to the Administration Agent, deliver to the Administration Agent for the account of the Swingline Lender or the Fronting Lender interest on such Lender's rateable portion from the date of payment by the Swingline Lender or the Fronting Lender of such unreimbursed Swingline Advances or LC Payments until the date of delivery of such funds to the Swingline Lender or the Fronting Lender by such Lender at a rate per annum equal to the Federal Funds Rate (if reimbursement is to be made in US Dollars) or the one month CDOR (if reimbursement is to be made in Canadian Dollars) for such period. Such payment shall only, however, be made by the Lenders in the event and to the extent the Swingline Lender or the Fronting Lender has not been reimbursed in full by the relevant Borrower for interest on the amount of such unreimbursed Swingline Advances or LC Payments.
- (e) The Swingline Lender or the Fronting Lender shall, forthwith upon its receipt of any reimbursement (in whole or in part) by the relevant Borrower for any unreimbursed Swingline Advances or LC Payments in relation to which other Lenders have purchased a participation interest pursuant to section 12.1(1) (d), or of any other amount from such Borrower or any other person in respect of such payment (other than pursuant to section 2.1(6)), transfer to such other Lender such other Lender's rateable share of such reimbursement or other amount. In the event that any receipt by the Swingline Lender or the Fronting Lender of any reimbursement or other amount is found to have been a transfer in fraud of creditors or a preferential payment under any applicable insolvency

Edgar Filing: TELUS CORP - Form 6-K

legislation or is otherwise required to be returned, such Lender shall promptly return to the Swingline Lender or the Fronting Lender any portion thereof previously transferred to it by the Swingline Lender or the Fronting Lender, without interest to the extent that interest is not payable by the Swingline Lender or the Fronting Lender in connection therewith.

(2) Sharing. If:

- (a) any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off pursuant to section 10.3 or at law or equity, or otherwise) on account of any Accommodation made by it (other than Increased Costs paid to it) in excess of its rateable share of payments on account of such Accommodation; or
- (b) (without regard to outstanding Increased Costs) any Lender shall at the time of acceleration of the Obligations have outstanding Obligations which are less than its rateable share of all outstanding Obligations;

then such Lender shall forthwith purchase from the other Lenders such participations in the Accommodations made by such other Lenders as shall be necessary to cause such purchasing Lender to share the excess payment or be owed the outstanding Obligations rateably with such other Lenders.

In the case of paragraph (a) of this section 12.1(2), if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each other Lender shall be rescinded and each Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such other Lender's rateable share (according to the proportion that the amount such other Lender's required repayment bears to the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered.

Any Lender purchasing a participation from another Lender pursuant to this section 12.1 may, to the fullest extent permitted by Law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

- (3) Records. The Principal Outstanding and C\$ Equivalent Principal Outstanding under the Credit Facility (or, if applicable, the TELUS Portion and the TCI Portion), the unpaid interest accrued thereon, the interest rate or rates applicable to any unpaid principal amounts, the duration of such application, the date of acceptance or issue, Face Amount and maturity of all Bankers' Acceptances and Letters of Credit and the Commitments shall at all times be ascertained from the records of the Administration Agent, which shall be conclusive absent demonstrated error.

12.2 Amendments, etc.

- (1) Amendments - General. Subject to section 12.2(2), no amendment or waiver of any provision of this agreement or of any other Credit Facility Document, nor any consent to any departure by a Borrower or any affiliate herefrom or therefrom, shall in any event be effective unless the same shall be in writing and signed by the Majority Lenders (or by the Administration Agent on their authorization), and then such

Edgar Filing: TELUS CORP - Form 6-K

waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

- (2) Amendments - Unanimous. No instrument shall, unless in writing and signed by all the Lenders (or by the Administration Agent on their authorization):
 - (a) waive any of the conditions specified in Article 6;
 - (b) increase the Commitment of any Lender or subject any Lender to any additional obligation;
 - (c) change the principal of, or interest on, or discount rate applicable to any Accommodation or any fees hereunder;
 - (d) amend the Maturity Date or otherwise postpone any date fixed for any payment of principal of, or interest on, any Accommodation or any fees hereunder, or subordinate the Obligations or any portion thereof to any Debt;
 - (e) amend the terms of section 8.2(3) or this section 12.2, provided that any waiver of a breach of section 8.2(3) need only be approved under section 12.2(1);
 - (f) amend the definition of "Majority Lenders"; or
 - (g) except as permitted by sections 2.3 or 8.2(2), permit a change in a Borrower or an assignment or transfer of any of its rights or obligations under any Credit Facility Document.
- (3) Amendments - Administration Agent. No amendment, waiver or consent shall, unless in writing and approved by the Administration Agent in addition to the Majority Lenders, affect the rights or duties of the Administration Agent under any Credit Facility Document.
- (4) Fronting Lender. No amendment, waiver or consent shall, unless approved by the Fronting Lender, affect the rights or obligations of the Fronting Lender with respect to Letters of Credit.
- (5) Swingline Lender. No amendment, waiver or consent shall, unless approved by the Swingline Lender, affect the rights or obligations of the Swingline Lender with respect to Swingline Advances.
- (6) Other Approvals. For greater certainty, any approval of a person specifically required by any of sections 12.2(3) to (5), inclusive, shall be in addition to any other approval required by this agreement.

12.3 Notices, etc.

- (1) Notices. Any and all notices or other communications required or permitted pursuant to this agreement shall be in writing and shall be personally delivered by courier or telecopied to the addressee at the address referred to below, in which case such notice or other communication shall conclusively be deemed to have been given to the addressee thereof on the day upon which it was delivered or received by telecopy if delivered or received prior to the relevant time on such day (or on the next Business Day if received after the relevant time or if received on a day that is not a Business Day). For this purpose, the "relevant time" shall be 1:00 pm (local time of the addressee) in the case of a Notice, and 3:00 pm (local time of the addressee) in all other cases. The addresses referred to above for the Borrowers and the Administration Agent are as follows, and in respect

All such deliveries shall be effective only upon actual receipt.
- (4) Notice Irrevocable. Each Notice shall be irrevocable and binding on the relevant Borrower.
- (5) Reliance. The Administration Agent may act upon the basis of telephonic notice believed by it in good faith to be from a Borrower prior to receipt of a Notice. In the event of conflict between the Administration Agent's record of the applicable terms of any Accommodation and such Notice, the Administration Agent's record shall prevail, absent demonstrated error.

Agent or any of the Lenders to exercise, and no delay in exercising, any right under any Credit Facility Document shall operate as a waiver thereof, nor shall any single or partial exercise of any right under any Credit Facility Document preclude any other or further exercise thereof or the exercise of any other right. The remedies herein and therein provided are cumulative and not exclusive of any remedies provided by Law.

12.4 Expenses. The Borrowers shall pay to the Administration Agent, on its own account and on behalf of the Lenders, all reasonable costs and expenses (including all reasonable legal fees and disbursements on a full reimbursement basis) incurred by the Administration Agent in connection with this agreement, the other Credit Facility Documents and the Credit Facility, including:

- (a) the negotiation, preparation, printing, execution, delivery and interpretation, both prior and subsequent to the Closing Date, of the Summary of Terms and Conditions relating to the Credit Facility, this agreement, any other Credit Facility Document and financial and other information prepared for prospective Lenders;
- (b) the performance by the Administration Agent of its obligations and duties under any Credit Facility Document;
- (c) the fees and expenses of consulting and other expert or professional services; provided that, prior to the occurrence of a Default or an Event of Default, the provider of such services has been approved by TELUS, which approval shall not be unreasonably withheld;
- (d) advice of counsel with respect to the administration of or other matters relating to the Credit Facility, any Credit Facility Document or any transaction contemplated thereunder;
- (e) the enforcement of any Credit Facility Document or the enforcement or preservation of rights under, and the refinancing, renegotiation or restructuring (including negotiation of any so-called "workout" or similar transaction) of the Credit Facility under, this agreement or any other Credit Facility Document or the bringing of any action, suit or proceeding with respect to the enforcement of any Credit Facility Document or any such right or seeking any remedy which may be available to the Administration Agent or the Lenders at law or in equity; and
- (f) any amendments, waivers or consents requested by a Borrower pursuant to the provisions hereof or any other Credit Facility Document.

Notwithstanding the foregoing, the Lenders will limit reimbursable legal fees and disbursements to one law firm in Canada, except pursuant to paragraph (e) following an Event of Default.

The obligations of the Borrowers under this section 12.4 shall survive the payment and performance of the Obligations.

12.5 Judgment Currency.

- (1) Exchange Rate. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder to the Administration Agent or a Lender in one currency (in this section 12.5, the "Original Currency") into another currency (in this section 12.5, the "Judgment Currency"), the parties agree, to the fullest

Edgar Filing: TELUS CORP - Form 6-K

extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administration Agent or such Lender could purchase the Original Currency with the Judgment Currency on the Business Day preceding that on which final judgment is paid or satisfied.

- (2) Obligation. The obligations of a Borrower in respect of any sum due in the Original Currency from it to the Administration Agent or a Lender under any Credit Facility Document shall, notwithstanding any judgment in any Judgment Currency, be discharged only to the extent that, on the Business Day following receipt by the Administration Agent or such Lender of any sum adjudged to be so due in such Judgment Currency, the Administration Agent or such Lender may in accordance with normal banking procedures purchase the Original Currency with such Judgment Currency. If the amount of the Original Currency so purchased is less than the sum originally due to the Administration Agent or such Lender in the Original Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administration Agent or such Lender against such loss and, if the amount of the Original Currency so purchased exceeds the sum originally due to the Administration Agent or such Lender in the Original Currency, the Administration Agent or such Lender agrees to remit such excess to such Borrower.

12.6 Governing Law.

- (1) Governing Law. This agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.
- (2) Submission to Jurisdiction. Each party hereby irrevocably submits to the jurisdiction of the courts of British Columbia in any action or proceeding arising out of or relating to this agreement and hereby irrevocably agrees that all claims in respect of any such action or proceeding may be heard and determined in such courts. Each party hereby irrevocably waives, to the fullest extent it may effectively do so, the defence of an inconvenient forum to the maintenance of such action or proceeding. As an alternative to any other method of service permitted by applicable Law, each party also irrevocably consents to the service of any and all process in any such action or proceeding by the mailing of copies of such process to it at its address referred to in section 12.3 or at such other address as it may direct in accordance with section 12.3. Each party agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.
- (3) Non-Exclusive. Nothing in this section 12.6 shall affect the right of any party to serve legal process in any other manner permitted by Law or affect the right of a party to bring any action or proceeding against another party or its property in the courts of other jurisdictions.
- (4) Trial by Jury. Each of the parties hereto, to the fullest extent permitted by Law, hereby waives its rights to a trial by jury.

12.7 Successors and Assigns.

- (1) Enurement. This agreement shall become effective when it shall have been executed by the parties and thereafter shall be binding upon and enure to the benefit of the parties and their respective successors and permitted assigns.

Edgar Filing: TELUS CORP - Form 6-K

- (2) Assignment by the Borrowers. Neither Borrower shall have the right to assign its rights or obligations hereunder or any interest herein without the prior consent of all the Lenders, which consent may be withheld by the Lenders in their sole and absolute discretion; provided that the foregoing shall not prohibit a Permitted Merger by a Borrower or the replacement of TELUS by TCI as a Borrower in respect of a portion of the Credit Facility pursuant to section 2.3.
- (3) Participation. A Lender may at any time sell to one or more other persons ("Participants") participating interests in all or any part of the Credit Facility. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this agreement to the Borrowers shall remain unchanged, such Lender shall remain solely responsible for the performance thereof and the Borrowers shall continue to be obligated to such Lender in connection with such Lender's rights under this agreement. No Participant, unless such Participant is an affiliate of such Lender, or is itself a Lender, shall be entitled to require such Lender to take or refrain from taking any action hereunder or under any other Credit Facility Document, except that such Lender may agree with any Participant that such Lender will not, without such Participant's consent, take any actions of the type described in section 12.2(2) (c) or (d). The Borrowers agree that, if amounts outstanding under this agreement are due and unpaid, or shall have been declared to be or shall have become due and payable further to the occurrence of an Event of Default, each Participant that was disclosed to TELUS at the time of creation of the relevant participation shall be deemed to have the right of setoff, if any, in respect of its participating interests in amounts owing under this agreement to the same extent as if the amount of its participating interest were owing directly to it as such Lender under this agreement. The Borrowers also agree that each Participant shall be entitled to the benefits of section 9.5 with respect to its participation hereunder; provided that no Participant shall be entitled to receive any greater amount pursuant to such section, nor shall a Borrower as a result thereof be required to pay any greater amount, than such Lender would have been entitled to receive, or such Borrower would have been required to pay, in respect of the amount of the participation transferred by such Lender to such Participant had no such transfer occurred.

Unless an Event of Default has occurred and is continuing, the sale of participating interests by a Lender hereunder shall be subject to the prior written consent of the Borrowers, which consent shall not be unreasonably withheld.

For the purposes of this agreement, the term "participation" shall not include any transaction or security commonly known as a credit default swap, credit-linked note or any similar credit derivative instrument.

- (4) Assignments. A Lender (an "Assignor") may at any time sell all or any part of its rights and obligations hereunder to one or more persons ("Assignees") in respect of an aggregate amount of Commitment exceeding C\$10 million. Upon such sale, the Assignor shall, to the extent of such sale, be released from its obligations hereunder and each of the Assignees shall become a party hereto to the extent of the interest so purchased, having the rights of a Lender and the benefit of section 9.5. Any such sale by an Assignor shall not be effective unless and until (i) (unless such sale is to a Related Fund or an affiliate of the Assignor) the Assignor has paid to the Administration Agent an assignment fee in the amount of C\$3,500, (ii) the Assignee

Edgar Filing: TELUS CORP - Form 6-K

has executed an instrument substantially in the form of schedule 5 annexed hereto whereby such Assignee has agreed to be bound by the terms hereof as a Lender and has agreed to specific Commitments under the Credit Facility and a specific address and telefacsimile number for the purpose of notices as provided in section 12.3, and (iii) a copy of a fully executed copy of such instrument has been delivered to each of the Administration Agent and the Borrowers. Upon any such sale becoming effective, schedule 1 annexed hereto shall be deemed to be amended to include the Assignee as a Lender including the specific Commitments, Lending Office, address and telefacsimile number as aforesaid and the Commitments of the Assignor shall be deemed to be reduced by the amount of the Commitments assigned to the Assignee. No Lender (including an Assignee) shall, after an assignment made pursuant to this section 12.7(4), hold an amount of Commitment less than C\$10 million unless such Lender has assigned the entire amount of its Commitments.

Unless an Event of Default has occurred and is continuing and except with respect to an assignment to an affiliate or a Related Fund, any assignment pursuant to this section 12.7(4) shall require the prior or concurrent written acknowledgement of the Administration Agent and the prior written consent of the Borrowers, neither of which will be unreasonably withheld.

In this section 12.7(4), "Related Fund" means, with respect to any Lender that is a fund, another fund that invests in loans that is managed by the same investment advisor as such Lender or by an affiliate of such Lender or such investment advisor.

- (5) Information. Each Borrower authorizes the Administration Agent and each Lender to disclose to any Participant or Assignee (each, a "Transferee") and any prospective Transferee and authorizes the Administration Agent and each Lender to disclose to any Lender any and all financial information in their possession concerning the Borrowers and their affiliates which has been delivered to them by or on behalf of the Borrowers pursuant to this agreement or which has been delivered to them by or on behalf of the Borrowers in connection with their credit evaluation prior to becoming a party to this agreement, so long as any such Transferee or prospective Transferee agrees to comply with section 12.9.
- (6) Restrictions on Participations and Assignments by Lenders. Notwithstanding anything to the contrary contained in section 12.7(3) or 12.7(4) or any other provision of this agreement, a Lender who is not a non-resident of Canada within the meaning of the Income Tax Act (Canada) shall not sell participating interests in all or any part of the Credit Facility to, or assign all or any part of its rights and obligations hereunder to, any person who is a non-resident of Canada unless such person provides to the Borrowers such information with respect to such person as is reasonably necessary in order to permit the Borrowers to comply with any applicable Law, or any applicable guideline, official directive, request or direction (whether or not having the force of Law) of any Official Body, requiring the Borrowers to deduct or withhold any amount on account of Taxes or Excluded Taxes from or in respect of any payment made pursuant to this agreement to such person.

12.8 Conflict. In the event of a conflict between the provisions of this agreement and the provisions of any other Credit Facility Document, the provisions of this agreement shall prevail.

12.9 Confidentiality. Information provided by the Borrowers hereunder

Edgar Filing: TELUS CORP - Form 6-K

will not be disclosed by the Administration Agent or any Lender or used by the Administration Agent or any Lender for any purpose other than evaluation, monitoring and review pursuant to this agreement; provided that such information may be disclosed:

- (a) as contemplated by section 12.7(5) if such Participant or Assignee or prospective Transferee is advised such information is confidential and agrees to treat such information as confidential;
- (b) to any director, officer or employee of the Administration Agent or such Lender or its subsidiaries involved with the Credit Facility that otherwise has a need for such information; provided that same is treated in the same manner as other confidential information held by the Administration Agent or such Lender;
- (c) to legal counsel, accountants and other consultants and professional advisors determined by the Administration Agent or such Lender to require such information for the purpose of assisting in or advising upon such evaluation, monitoring and review, if such persons are advised that such information is confidential to the Borrowers;
- (d) pursuant to applicable Law or the request of any Official Body with which the Administration Agent or such Lender customarily complies;
- (e) to the extent that such information is public;
- (f) to the extent that such information was previously known to the Administration Agent or such Lender through means other than the Borrowers, or was acquired from a third party not known to the Administration Agent or such Lender to be under a duty of confidentiality to the Borrowers or their relevant affiliate.

12.10 Severability. The provisions of this agreement are intended to be severable.
