 - Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))
-

Item 2.05 COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

On August 31, 2016, KEMET Electronics Corporation, a wholly-owned subsidiary of KEMET Corporation (the “Company”) made the decision to wind down operations of its wholly-owned subsidiary, KEMET Foil Manufacturing, LLC (“KFM”). Operations at KFM’s Knoxville, Tennessee plant are expected to end as of October 31, 2016. KFM supplies formed foil to the Company’s Film & Electrolytic Business Group (“FEBG”), as well as to certain third party customers. The Company anticipates that FEBG will achieve significant raw material cost savings by purchasing its formed foil from suppliers that have the advantage of lower utility costs. The Company expects to achieve annual cost savings related to these actions of approximately \$2.5 to \$3.0 million beginning in the third quarter of fiscal year 2017.

This action will result in a pre-tax charge during the second fiscal quarter ending September 30, 2016 of \$6.0 to \$9.1 million relating to the wind down consisting of a non-cash impairment charge of approximately \$5.0 to \$5.6 million; cash severance charges of \$0.5 million for approximately 20 employees; and anticipated cash charges for contract termination costs in the range of \$0.5 to \$3.0 million.

Signatures

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
