Item 8.01. OTHER EVENTS

As disclosed in our 2016 Form 10-K/A filed on February 21, 2017, Service Corporation International reached an agreement in principle with the Internal Revenue Service (“IRS”) to resolve the issues under audit with respect to tax years 1999 through 2005. On March 2, 2017, we received from the IRS Office of Appeals the fully executed Forms 870-AD, which, subject to finalization of computations, effectively settles the issues under audit for those years. As a result of this resolution, we anticipate paying approximately a net \$40.0 million in tax and interest within the next few months. We expect to fund this amount using available capacity under our bank credit facility, and do not expect this payment to impact our liquidity or capital deployment plans in 2017. Furthermore, it is anticipated that the resolution of these tax audits will result in a reduction to our current reserves for unrecognized tax benefits of approximately \$100.0 million, and will result in a corresponding reduction in our 2017 tax expense.
