**FY10 Executive Annual Incentive Plans**

On May 5, 2009, the Company adopted FY10 Executive Annual Incentive Plans for its executive officers, including the named executive officers. Under the terms of these plans, the named executive officers will be eligible to receive performance-based incentive bonuses based on the Company's achievement of specified performance metrics. For our named executive officers, the target payouts under the FY10 Executive Annual Incentive Plans are 80% to 125% of a participant's annual base salary at 100% achievement. For our chief executive officer, the actual bonus amounts are subject to the following metrics and weighting: (a) achievement of targeted annual revenue growth of Symantec (50% weighting); and (b) achievement of targeted annual earnings per share growth of Symantec (50% weighting). For all other named executive officers, the actual bonus amounts are subject to the following metrics and weighting: (a) achievement of targeted annual revenue growth of Symantec (50% weighting); (b) achievement of targeted annual earnings per share growth of Symantec (20% weighting); and (c) achievement of the named executive officer's business unit performance (30% weighting). With respect to all metrics, the calculations will be made assuming that foreign currency is held constant at plan rates. The measurement periods for all metrics and earnings per share growth is the fiscal year ending on April 2, 2010. During the 2010 fiscal year, no participant shall receive an award of more than \$5 million under the FY10 Executive Annual Incentive Plans. John Thompson, our retired Chief Executive Officer and current Chairman of the Board, will not participate in the FY10 Executive Annual Incentive Plan.

**Adoption of FY10 Long Term Incentive Plan (LTIP)**

On May 5, 2009, the Company adopted the FY10 Long Term Incentive Plan for its executive officers (the Participants). Under the terms of this plan, the Participants will be eligible to receive performance-based compensation based upon the level of attainment of target performance metrics through the Company's fiscal year ending April 2, 2010 (the Performance Period). The long-term incentive will be measured at the end of the Performance Period and paid following the last day of the second (2nd) fiscal year following the end of the Performance Period (the Payment Date). A Participant must be an employee of the Company on the Payment Date to receive the payment. Subject to certain exceptions, a Participant who terminates his or her employment with the Company before the Payment Date will not be eligible to receive the payment or any prorated portion thereof. The Company's operating cash flow achievement for the Performance Period against target operating cash flow for the Performance Period will be used to determine the eligibility for a payment. A 100% payment will be paid to a participant if 100% of budgeted operating cash flow is attained with respect to the Performance Period (the Target LTIP Award). For Enrique Salem, our President and Chief Executive Officer, the Target LTIP award is 320% of his current base salary. For our other named executive officers, the Target LTIP Awards are between 50-73% of current base salary. A participant is eligible for 25% of the Target LTIP Award if at least 85% of budgeted Operating Cash Flow is attained with respect to the Performance Period and for up to 200% of the Target LTIP Award if at least 120% of budgeted Operating Cash Flow is attained with respect to the Performance Period. John Thompson, our retired Chief Executive Officer and current Chairman of the Board, will not participate in the FY10 Long Term Incentive Plan.
