information includes various estimates and may not necessarily be indicative of the financial position or results of operations that would have occurred if the merger had been consummated on the date or at the beginning of the period indicated or which may be obtained in the future. The unaudited pro forma combined condensed consolidated financial statements and accompanying notes should be read in conjunction with and are qualified in their entirety by reference to the historical financial statements and related notes thereto of New York Community and Richmond County information and notes thereto appearing elsewhere herein.

We anticipate that the merger will provide the combined company with financial benefits that include reduced operating expenses. The pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect the benefits of expected cost savings or opportunities to earn additional revenue and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have been had our companies been combined during these periods.

NOTES TO UNAUDITED PRO FORMA COMBINED
CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

Edgar Filing: NEW YORK COMMUNITY BANCORP INC - Form 8-K

DECEMBER 31, 2000 AND JUNE 30, 2001

(A) Basis of Presentation

The Unaudited Pro Forma Combined Condensed Consolidated Statement of Financial Condition of New York Community and Richmond County at June 30, 2001 has been prepared as if the merger had been consummated on that date. The Unaudited Pro Forma Combined Condensed Consolidated Statements of Income for the year ended December 31, 2000 and the six months ended June 30, 2001 were prepared as if the merger had been consummated at the beginning of the periods presented. The Unaudited Pro Forma Condensed Consolidated Statements of Income for the year ended December 31, 2000 were also prepared as if the acquisition of Haven Bancorp, Inc. had been consummated at the beginning of 2000. The unaudited pro forma combined condensed consolidated financial statements are based on the historical financial statements of New York Community and Richmond County after giving effect to the merger under the purchase method of accounting and the assumptions and adjustments in the notes that follow.

Assumptions relating to the pro forma adjustments set forth in the unaudited pro forma combined condensed consolidated financial statements are summarized as follows:

(i) Estimated fair values--Estimated fair value for securities available for sale, loans, deposits and borrowings were determined by New York Community and Richmond County with the assistance of Salomon Smith Barney Inc., Sandler O'Neill & Partners, L.P. and Lehman Brothers Inc. The resulting net discount/premium on securities held-to-maturity and loans, respectively, for purposes of these pro forma financial statements, is being accreted/amortized to interest income using a method that approximates the level yield method over five to ten years, respectively. The actual discount/premium will be accreted/amortized to interest income to produce a constant yield to maturity. The resulting net premium and discount on deposits and borrowings, respectively, is being amortized/accreted into interest using a method that approximates the level yield method over their remaining estimated lives.

(ii) Income taxes--A net deferred tax asset was recorded equal to the deferred tax consequences associated with the differences between the tax basis and book basis of the assets acquired and liabilities assumed, using an effective tax rate of 40%.

Amortization of premium on deposits.....	(5,500)
Amortization of premium on borrowings.....	(9,300)

Total net adjustments--interest expense.....	\$ (14,800)
	=====

(G) The amortization of the excess of cost over the fair value of net assets acquired is assumed to be straight-line over a period of twenty years.

(H) Basic and fully diluted weighted average number of common and common stock equivalents utilized for the calculation per share for the periods presented were calculated using New York Community's historical weighted average common and common stock equivalents plus Richmond County's historical weighted average common and common stock equivalents times 1.02 under the terms of the merger agreement.

(I) These pro forma combined condensed consolidated financial statements do not reflect the impact of Financial Accounting Standards Board issued Statement of Financial Accounting Standards (SFAS) No. 141, "Business Combinations", and SFAS 142, "Goodwill and Other Intangible Assets", effective for fiscal years beginning after December 15, 2001. Under the new rules, all business combinations are to be accounted for using one method, the purchase method. In addition, goodwill and intangible assets deemed to have indefinite lives will no longer be amortized but will be subject to annual impairment tests in accordance with the new standards. SFAS No. 142 also stipulates that goodwill may no longer be amortized for business combinations completed after June 30, 2001.

The following table summarizes the estimated impact of the amortization and accretion of the purchase accounting adjustments made in connection with the merger on New York Community's results of operation for the following years:
