FEBRUARY 18, 2009

To the Holders of Common Stock of Conexant Systems, Inc.:

The proxy statement of Conexant Systems, Inc. (the "Company") dated January 6, 2009 relating to the Company's 2009 Annual Meeting of Shareowners to be held on February 18, 2009, which we first made available to shareowners beginning on January 6, 2009, inadvertently omitted certain bonus information in the table entitled "Summary Compensation Table - Fiscal Years 2008 and 2007" on page 18 of the proxy statement and in the table entitled "Grants of Plan-Based Awards - Fiscal Year 2008" on page 20 of the proxy statement. This bonus information was contained in the Compensation Discussion and Analysis section of the proxy statement under the heading "Short-Term Incentive Compensation" on pages 11-13 of the proxy statement. Except as amended by this Supplement, all information set forth in the proxy statement remains unchanged. Please also note that this Supplement does not change the proposals to be acted upon at the Annual Meeting, which are described in the proxy statement.

Table of Contents

- (3) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2008 fiscal year for the fair value of time-vesting and performance restricted stock units (RSUs) and performance share awards granted to certain named executive officers in fiscal 2008, as well as prior fiscal years, in accordance with SFAS 123R. Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. For time-vesting RSUs, fair value is calculated using the closing price of Conexant stock on the date of grant. For additional

information,
refer to note 1
of the Conexant
financial
statements in
the Form 10-K
for the year
ended
October 3,
2008, as filed
with the SEC.
See the Grants
of Plan-Based
Awards Table
for information
on awards made
in fiscal 2008.
These amounts
reflect the
Company's
accounting
expense for
these awards,
and do not
correspond to
the actual value
that will be
recognized by
the named
executive
officers. The
performance
RSUs are
subject to
market
conditions and
the performance
share awards are
subject to
performance
conditions, as
described in the
CD&A. In
measuring fair
value,
SFAS 123R
distinguishes
between vesting
conditions
related to the
Company's stock

price (market conditions) and other non-stock price related conditions (performance conditions).

Market conditions, such as those in the performance RSUs that are tied to

Conexant's total shareholder return, reduce the grant-date fair value under SFAS 123R;

performance conditions, such as those in the performance share awards that are tied to non-stock

measures, such as Conexant's operating performance, do not reduce the grant-date fair value under

SFAS 123R but are evaluated at the end of each reporting period and may be adjusted for changes in operating performance.

This amount reflects the Company's accounting expense for the performance RSUs and performance

share awards,
and does not
correspond to
the actual value
that will be
recognized by
the named
executive
officer, which
depends solely
on the
achievement of
specified
performance
objectives over
the performance
period.

- (4) Represents a

Peak
Performance
Plan of which
\$250,000 was
the minimum
guaranteed

- (5) Mr. Scherp was
promoted to

for the fair value
of stock options

(1) This column shows the full grant date fair value of performance share awards, RSUs and stock options under SFAS 123R granted to named executives in fiscal year 2008. Generally, the full grant date fair

value is the amount the Company would expense in its financial statements over the award's vesting schedule. For performance shares and RSUs shown above, fair value is calculated using the closing price of Conexant common stock on the grant date. For stock options, fair value is calculated using the Black-Scholes-Merton value on the grant date. The fair values shown for stock awards and option awards are accounted for in accordance with SFAS 123R. For additional information on the valuation assumptions, refer to note 1 of the Company's financial statements in the Form 10-K for the year ended October 3, 2008, as filed with the SEC. These amounts reflect the Company's accounting expense, and do not correspond to the actual value that will be recognized by the named executives.
