Item 5. Other Events

Completion of UK Bank Refinancing

On November 22, 2002, Crown Castle completed an amendment to its UK revolving credit facility to cure a termination event, which resulted from the termination of the ITV Digital transmission contract in connection with the

liquidation of ITV Digital. Under terms of the amended facility due June 18, 2006, Crown Castle will have (pound)120.0 million of borrowing capacity, of which (pound)100.0 million was drawn as of November 22, 2002. The amendments postpone any additional reductions in the revolver until June 30, 2004, eliminate certain financial covenants and increase the applicable borrowing margin by 25 basis points.

The following table summarizes our cash obligations with respect to our long-term debt, our redeemable preferred stock and our site access fee to British Telecom, as of November 22, 2002 and after taking into account the credit facility amendments described above and our recent securities repurchases:
