Exhibit 99.1

On January 26, 2007, United Bancshares, Inc. issued the following release:

United Bancshares, Inc. (Nasdaq: UBOH news), a bank holding company headquartered in Columbus Grove, Ohio with consolidated assets of \$550 million, today announced fourth quarter and year end 2006 operating results and that the Board of Directors declared a dividend of \$0.14 per share to shareholders of record on February 28, 2007, payable on March 15, 2007. The declared quarterly dividend is a 7.7% increase over the Corporation's December 15, 2006 quarterly dividend of \$0.13 per share.

For the quarter ended December 31, 2006, United Bancshares, Inc. reported net income of \$1,204,000, or \$0.34 basic earnings per share. This compares to fourth quarter 2005 net income of \$1,260,000, or \$0.35 basic earnings per share. Compared with the same period in 2005, fourth quarter 2006 net income decreased \$56,000 or 4.4%. The net income decrease was primarily the result of a decrease of \$209,000 in net interest income and increases of \$100,000 and \$67,000, respectively, in the provision for loan losses and provision for income taxes, offset by an increase in non-interest income of \$255,000 and a decrease in non-interest expenses of \$65,000. Included in the results for the quarter ended December 31, 2005 was a \$120,000 credit to the provision for income taxes relating to the Corporation's prior period tax treatment for increases in the cash value of certain life insurance assets.

Net income for the year ended December 31, 2006 totaled \$4,927,000, or \$1.37 basic earnings per share compared to net income of \$4,622,000, or \$1.26 basic earnings per share for 2005. Net income for the year ended December 31, 2006 increased \$305,000, or 6.6%, over 2005. The increase in net income for the year was primarily the result of an increase of \$546,000 in non-interest income and decreases of \$272,000 and \$220,000 in the provision for loan losses and non-interest expenses, respectively. These improvements were offset by a decrease in net interest income of \$715,000.

Net interest income was \$4,308,000 in the fourth quarter of 2006 compared to \$4,517,000 for the same period of 2005, a \$209,000 (4.6%) decrease. Net interest income was \$17,363,000 for the year ended December 31, 2006 compared to \$18,078,000 for 2005, a \$715,000 (4.0%) decrease.

For the year ended December 31, 2006, the Corporation's efficiency ratio was 65.14% compared to 66.12% for 2005. Return on average assets for the year ended December 31, 2006 was 0.91% compared to 0.84% for 2005. Return on average equity for the year ended December 31, 2006 was 11.14% compared to 10.46% for 2005.

Quarterly Report

December 31, 2006

Dear Shareholders, Customers and Employees,

We are pleased to report that your company's earnings have improved again this year. The earnings per share for 2006 was \$1.37 compared to \$1.26 for 2005, an 8.7% increase. This past year was also a year of growth for the institution, particularly in the loan area as loan balances increased to \$335,549,000, a \$25,544,000 (8.2%) increase over year end 2005. Additionally year end total assets exceeded \$550,000,000 and deposits increased to \$377,640,000 from \$356,921,000 at year end in 2005. We are also pleased to report that the Board of Directors approved a dividend for the first quarter of 2007 of \$0.14 per share up from the previous \$0.13 per share, a 7.7% increase.

Your financial institution is no different than most others in this country as we are confronted with market conditions that place considerable pressure on our net interest margin. The compression effect of an inverted yield curve created a challenge in 2006 and we anticipate it will continue into 2007. To help mitigate this situation in 2006 we were able to significantly increase non-interest income while decreasing non-interest expenses.

As we plan for 2007 and forward, it remains our goal to increase shareholder value, offer sound banking services to our customers and offer a rewarding place of employment to our employees. You can be assured that your management and board will continue to meet the demands that the current banking environment places on them. Your continued support of the institution is always appreciated.

Respectfully,

/s/ Daniel W. Schutt
