This Amendment No. 1 amends and supplements the Solicitation/Recommendation Statement on Schedule 14D-9 initially filed with the Securities and Exchange Commission (the "SEC") on June 20, 2003 (as previously filed with the SEC, the "Schedule 14D-9"), by Applied Graphics Technologies, Inc., a Delaware corporation ("AGT"), relating to the tender offer made by KAGT Acquisition Corp. ("Purchaser"), a wholly owned subsidiary of KAGT Holdings, Inc., as set forth in a Tender Offer Statement filed by Purchaser on Schedule TO, dated June 20, 2003 (as previously filed with the SEC, the "Schedule TO"), to pay \$0.85 net per share in cash, without interest thereon, for each share of common stock, par value \$.01 per share, upon the terms and subject to the conditions set forth in the Schedule TO.

The information in the Schedule 14D-9 is hereby expressly incorporated herein by reference, except as otherwise set forth below. Capitalized terms used herein but not otherwise defined herein shall have the meanings given to them in the Schedule 14D-9.

ITEM 4. THE SOLICITATION OR RECOMMENDATION

RECOMMENDATION OF THE BOARD. At a meeting held on June 3, 2003, the Board of Directors, by a unanimous vote of all of the Company's Directors, (a) approved the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Offer, the Recapitalization Transactions and the Merger, and declared that they were advisable and (b) determined that the terms of the Offer and the Merger Agreement are fair, from a financial point of view, to the Company and its stockholders. The Board of Directors also unanimously recommended that the stockholders of the Company accept the Offer and tender their Common Stock pursuant to the Offer and that the stockholders of the Company adopt the Merger Agreement, if such adoption is required. At such meeting, the Board of Directors also, among other things, approved consummation of the transactions contemplated by the Merger Agreement and related transactions for purposes of Section 203 of the DGCL and approved, under Rule 16b-3 promulgated under the Exchange Act, certain actions to be taken by certain affiliates of the Company in connection with the Offer.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS ACCEPT THE OFFER AND TENDER COMMON STOCK IN THE OFFER.

A letter to the Company's stockholders communicating the recommendation of the Board of Directors is filed herewith as Exhibit (a) (2) (A) and is incorporated herein by reference.

BACKGROUND OF THE OFFER; CONTACTS WITH PURCHASER. The Company has recently operated under difficult financial circumstances arising from the Company's inability to meet mandatory milestones under its Senior Indebtedness, including circumstances described below in paragraph F of "-- Reasons For The Recommendation of the Board of Directors" which resulted in the Company's independent auditors issuance of a "going concern" opinion in connection with the audit of the Company's 2002 financial statements. The Senior Lenders have extended the date of maturity of the Senior Indebtedness from April 2003 to April 2004 and imposed additional milestones for the Company to meet, including consummation of a recapitalization or restructuring by July 15, 2003. The circumstances giving rise to the substantial doubt raised by the Company's independent auditors concerning the Company's ability to comply with the terms of the Senior Indebtedness, however, remain.

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

In seeking solutions to the Company's ongoing financial problems, the Board of Directors and the Company's executive officers have, from time to time, discussed and considered possible strategic alternatives for the Company,

including plans to complete an overall recapitalization of the Company. In August 2002, the Company entered into preliminary negotiations with a third party in connection with a potential recapitalization of the Company. The terms of the proposed recapitalization were acceptable to most of the Senior Lenders, in both number of lenders and dollar amount of commitment, but were rejected by a few for not containing sufficient consideration. Such negotiations were, consequently, terminated.

In late February 2003, Mr. Christopher Lacovara of Kohlberg contacted the Company to initiate discussions of a possible recapitalization.

On March 4, 2003, Mr. Lacovara met with Fred Drasner, the Chairman of the Board and Chief Executive Officer of the Company, and on March 11, 2003, with Mr. Drasner, Joseph D. Vecchiolla, the President and Chief Operating Officer of the Company and Martin D. Krall, the Executive Vice President, Chief Legal Officer, and Secretary of the Company, to discuss the Company's business, capital structure, and the goals of a potential recapitalization transaction. The parties had additional discussions regarding a potential transaction over the following two weeks.

On March 20, 2003, the Company and Kohlberg entered into a confidentiality agreement to facilitate Kohlberg being furnished with certain non-public information in connection with a possible transaction.

The Company and Kohlberg Management IV, L.L.C. entered into a non-binding letter of intent on March 26, 2003. The letter of intent outlined the terms of a recapitalization and the possible allocation of invested funds among the Company's lenders and the holders of various securities of the Company. It also provided for a period of exclusivity through April 30, 2003 to perform due diligence and pursue more definitive agreements with the holders of various securities of the Company. The letter of intent did not obligate either party to ultimately enter into a transaction and provided for reimbursement of up to \$250,000 in expenses in the event the letter of intent was terminated for any reason.

Over the following weeks, there were a number of meetings and conversations between the management of the Company and representatives from Kohlberg regarding a possible transaction. During this period, representatives of Kohlberg conducted a due diligence investigation of the Company's various business lines and discussed with Company representatives historical trends in revenue and profit margins for the Company's various business segments.

On April 3, 2003, Mr. Lacovara and Gordon Woodward of Kohlberg met with Ralph Palma, Senior Vice President of Fleet, the administrative agent and a lender under the Senior Credit Agreement, Fleet's counsel and Messrs. Drasner, Krall and Vecchiolla of the Company. The parties discussed the potential recapitalization transactions, the structure of such recapitalization, and the proceeds as they related to Fleet and the other lenders under the Senior Credit Agreement.

Throughout April 2003, representatives of Kohlberg conducted additional due diligence at the Company, including meetings and conference calls with certain division managers and Mr. Vecchiolla. Representatives of Foothill Capital Corporation ("Foothill"), as a potential source of debt financing for the potential transaction, also attended certain of these meetings. During this period, further negotiations also took place among Messrs. Drasner, Krall,

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

Vecchiolla and Lacovara concerning the structure and allocation of invested

2

funds across holders of various Company securities in a potential recapitalization transaction.

During April, Kohlberg held further discussions with Fleet and representatives of the Company, as well as representatives of certain of the holders of the Subordinated Notes and the Wace Preference Shares. During these negotiations, potential terms of the recapitalization transactions were discussed with each group and draft documents intended to secure provisional approval of the recapitalization from the required holders of each of these securities were negotiated.

During April, representatives of the Company and Mr. Lacovara also discussed terms of the potential recapitalization transactions with Foothill and Silver Point Capital, L.P. ("Silver Point") to discuss the possibility of such entities participating in the transactions to provide debt financing for the recapitalization and serve as new lenders to the Company.

On May 6, 2003, representatives of Kohlberg met with certain independent members of the Board of Directors to discuss the proposed recapitalization on terms that would have paid holders of the Company's common stock \$0.75 per Share. On May 8, the Board of Directors met with Mr. Lacovara and Mr. Woodward to discuss the Offer and the recapitalization and the possibility of a price in the Offer of \$1.00 per Share as proposed by the Board of Directors and \$0.85 per Share, as proposed by Mr. Lacovara. The Board of Directors directed the independent directors negotiating with Kohlberg to seek additional compensation to be paid to the common stockholders of the Company.

On May 8, 2003, the Company and Kohlberg entered into a revised letter of intent, extending the period of exclusivity from April 30, 2003 to May 31, 2003. This extension letter provided for the amount available for the reimbursement of certain expenses incurred in the due diligence investigation by Kohlberg to be increased to \$500,000.

On May 13, 2003, David Parker, a director of the Company, wrote Mr. Lacovara on behalf of the Company, to communicate the Board of Directors' belief that, given all of the circumstances, \$1.00 per share would represent a fair price to holders of the Common Stock and seeking an increase in the amount of consideration to be offered by Kohlberg & Company, L.L.C. to such holders.

During May 2003, representatives of the Company negotiated preliminary terms of the Merger Agreement with Kohlberg.

On May 21, 2003, representatives of Kohlberg contacted the Company to state that, based upon its arrangement with Foothill and Silver Point, the negotiations with the Senior Lenders and its due diligence investigations, Kohlberg would be willing to proceed with a transaction at \$0.85 per Share. Between May 26, 2003 and June 12, 2003, representatives of Kohlberg and the Company and their respective counsel negotiated the final terms of the Merger Agreement.

On June 3, 2003 the Board of Directors met to consider the tender offer, Merger and related transactions. Messrs. Krall and Drasner updated the Board of Directors on the course of negotiations regarding the transaction. A representative of Weil, Gotshal & Manges LLP, the Company's outside law firm, reviewed with the Board of Directors the terms of the proposed merger agreement and tender agreements and the timetable and various approvals that would be required to close the transaction and discussed various other aspects of the

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

proposed transaction with the Board of Directors and responded to questions

3

posed by directors. On that same day, the Board of Directors unanimously authorized the Company's management to execute the Merger Agreement.

Between April 29, 2003 and June 9, 2003, the Company entered into agreements with holders of approximately 59% of the outstanding Subordinated Notes of the Company to repurchase, subject to the terms and conditions set forth therein, the Subordinated Notes held by such holders through a tender offer and/or redemption.

On June 12, 2003, the Company and Wace entered into agreements with holders of approximately 88% of the outstanding Wace Preference Shares to repurchase and/or redeem, subject to the terms and conditions set forth therein, the outstanding Wace Preference Shares held by such holders (other than those held by Applied Graphics Technologies (UK) Limited) and obligating such holders to vote in favor of a proposal permitting Wace to make redemptions of all of the Wace Preference Shares (other than those held by Applied Graphics Technologies (UK) Limited).

On June 12, 2003, the parties executed the Merger Agreement. On June 13, 2003, the Company issued a press release announcing the transaction.

On June 20, 2003, in accordance with the Merger Agreement, the Purchaser commenced the Offer.

REASONS FOR THE RECOMMENDATION OF THE BOARD OF DIRECTORS

In approving the Merger Agreement and the transactions contemplated thereby, including the Offer and the Merger, and making its recommendation that all stockholders tender their Common Stock pursuant to the Offer, approve the Merger and approve and adopt the Merger Agreement, if required, the Board of Directors considered a number of factors, including, but not limited to, the following material considerations, all of which supported such approvals and recommendation by the Board of Directors:

- A. The amount of consideration to be received by the holders of shares of Common Stock pursuant to the Offer and the Merger;
- B. The process leading to the Offer and the Merger and the possible alternatives thereto, the range of possible benefits to the Company's stockholders and other constituencies of such alternatives and the expected timing and likelihood of accomplishing any of such alternatives;
- C. Information with regard to the financial condition, results of operations, business and prospects of the Company, the regulatory approvals required to consummate the Offer and the Merger as well as current economic and market conditions;
- D. The historical and recent market prices of the Common Stock and the fact that the Offer and the Merger will enable the holders of the shares to realize an 89.9% premium over the \$0.45 closing price of the Common Stock

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

on June 2, 2003, the last trading day prior to the meeting of the Board of Directors to approve the Merger Agreement;

4

E. The likelihood that the Merger would be consummated, in light of (1) the Tender Agreements pursuant to which Applied Printing Technologies, L.P., Fred Drasner, Martin Krall, Joseph Vecchiolla, David Parker, Marne Obernauer, Jr. and the Senior Lenders, who beneficially own approximately 33.9% of the outstanding fully diluted shares of Common Stock (including in-the-money options), agreed, among other things, to tender all of their Common Stock in the Offer and vote all of their Common Stock in favor of the Merger, and (2) the experience, reputation and financial capabilities of Kohlberg and its affiliates; and

F. The Board of Directors belief that consummation of the Offer would present stockholders with the best opportunity to receive a premium to current market prices for their shares of Common Stock. This belief is based upon;

- o The Board of Directors' belief that the Company will be unable to pay when due the outstanding principal amount of its Senior Indebtedness, which would also be a default under the Subordinated Notes and could result in acceleration of such indebtedness;

- o The necessity that the Company consummate a restructuring or recapitalization on or before July 15, 2003 to avoid the automatic acceleration of its outstanding Senior Indebtedness absent an agreement by the Senior Lenders to waive such default;

- o The Company's inability, prior to the execution of the Merger Agreement and related documents, to obtain agreements of its Senior Lenders sufficient to effect any previously proposed restructuring or recapitalization and sufficient to avoid the acceleration of the Company's Senior Indebtedness;

- o The Board of Directors' belief that the assets of the Company would not be sufficient to repay the Company's indebtedness, all of which has a claim superior to that of the Common Stock and, as a consequence, its belief that no proceeds would be paid to holders of Common Stock in the event of a bankruptcy or liquidation of the Company. The Board of Directors can give no assurance that bankruptcy or liquidation would not result from an acceleration of the Company's Senior Indebtedness;

- o The Board of Directors' belief that the significant discounts that holders of the Company's Senior Indebtedness, Subordinated Notes and holders of the Wace Preference Shares

have committed to accept in exchange for such instruments demonstrate that the Offer represents the most favorable terms obtainable by the Company and the Stockholders;

- o The Board of Directors' belief, after consultation with its legal advisors, that the terms of the Merger Agreement, including amounts payable to the Parent in the event of termination, do not preclude a superior proposal to acquire the Company. In this regard, the Board of Directors recognized that certain provisions of the Merger Agreement relating to termination fees and non-solicitation of acquisition proposals were insisted upon by Kohlberg as a condition to entering into the Merger Agreement. Although

5

the Board of Directors considered that these provisions could have the effect of deterring third parties who might be interested in exploring an acquisition of the Company, the Board of Directors concluded that the advantages of entering into the Merger Agreement outweighed the possibility that another company might be willing to pay a higher price for the Company, but would be unwilling to present an unsolicited proposal after the Merger Agreement was announced; and

- o The efforts of the Company's management to solicit indications of interest in acquiring the Company from other potential buyers, and the fact that no other proposal that was both meaningful and acceptable to the Company's Senior Lenders resulted from that process.

In view of these many considerations, the Board of Directors did not assign relative weights to the above factors or determine that any factor was of special importance. Rather, the Board of Directors viewed its position and recommendations as being based on the totality of the information presented to and considered by it, both positive and negative. In addition, it is possible that different members of the Board of Directors assigned different weights to the various factors described above. After weighing all of these considerations, the Board of Directors was unanimous in approving the Offer, the Merger, the Merger Agreement and the transactions contemplated thereby and recommending that the stockholders of the Company tender their shares of Common Stock in the Offer.

INTENT TO TENDER

After reasonable inquiry and to the best knowledge of the Company, each executive officer, director, affiliate and subsidiary of the Company who owns shares of Common Stock intends to tender in the Offer all such shares that each person owns of record or beneficially, other than such shares, if any, that any such persons may have an unexercised right to purchase by exercising stock options. Upon consummation of the Offer, outstanding options to purchase Common Stock will be canceled and the Company will pay holders thereof, in respect of each Share subject thereto, cash equal to the excess, if any, of the price per

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

Share to be paid in the Offer over the exercise price per share of such option. See "Item 3. Past Contacts, Transactions, Negotiations and Agreements - Effects of the Offer and the Merger under Company Stock Plans and Agreements Between the Company and its Officers." Messrs. Fred Drasner, Martin Krall and Joseph Vecchiolla, the Chairman of the Board and Chief Executive Officer, Executive Vice President, Chief Legal Officer and Secretary, and President and Chief Operating Officer, respectively, of the Company and each a director of the Company and David Parker and Marne Obernauer, Jr., directors of the Company, Applied Printing Technologies, L.P., an affiliate of the Company, and the Senior Lenders each entered into a Tender Agreement with Purchaser and Parent on June 12, 2003, pursuant to which each such person committed, among other things, to tender in the Offer all Common Stock held or subsequently acquired by such person. Such persons own, in the aggregate, approximately 33.9% of the outstanding fully diluted shares of Common Stock (including in-the-money options).

On June 12, 2003, the Company entered into an Agreement and Plan of Merger (the "Merger Agreement") with Parent and Purchaser, pursuant to which Purchaser is required to commence a tender offer to purchase all of the outstanding shares of common stock, par value \$0.01 per share, of the Company (the "Shares"), at a price per Share of \$0.85, net to the seller in cash, without interest (such price, or the highest price per Share as may be paid in the Offer, is hereinafter referred to as the "Offer Price"), on the terms and subject to the conditions set forth in the Offer to Purchase dated June 20, 2003 (the "Offer to Purchase"), and the related Letter of Transmittal (which, together with any amendments or supplements thereto, collectively constitute the "Offer"). Copies of the Offer to Purchase and the Letter of Transmittal have been mailed to stockholders of the Company and are filed as Exhibit (a)(1) and (a)(2), respectively, to the Tender Offer Statement on Schedule TO filed by Purchaser and Parent and Kohlberg (the "Schedule TO") with the Securities and Exchange Commission (the "SEC") on June 20, 2003.

At the Effective Time, each issued and outstanding Share (other than Shares held by (i) the Company, (ii) Purchaser or Parent and (iii) stockholders who are entitled to and have properly exercised their dissenters' rights under the DGCL) will be converted into the right to receive the Offer Price, without interest (the "Merger Consideration").

The Offer, the Merger, and the Merger Agreement are more fully described in the Statement to which this Information Statement is annexed as Annex A, which was filed by the Company with the SEC on June 20, 2003 and which is being mailed to stockholders of the Company along with this Information Statement.

This Information Statement is being mailed to you in accordance with Section 14(f) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 14f-1 promulgated thereunder. The information set

forth herein supplements certain information set forth in the Statement. Information set forth herein related to Parent, Purchaser or the Parent Designees (as identified herein) has been provided by Parent. You are urged to read this Information Statement carefully. You are not, however, required to take any action in connection with the matters set forth herein. Capitalized terms used but not otherwise defined herein have the meanings set forth in the Statement.

Pursuant to the Merger Agreement, Purchaser commenced the Offer on Friday, June 20, 2003. The Offer is scheduled to expire at 12:00 Midnight, New York City time, on Friday, July 18, 2003, unless extended in accordance with its terms.

GENERAL INFORMATION REGARDING THE COMPANY

The common stock, par value \$0.01 per share ("Common Stock"), is the only class of equity securities of the Company outstanding that is entitled to vote at a meeting of the stockholders of the Company. Each share of Common Stock is entitled to one vote. As of June 16, 2003, there were 9,147,565 Shares issued and outstanding, of which Parent and Purchaser own no Shares as of the date hereof.

RIGHTS TO DESIGNATE DIRECTORS AND PARENT DESIGNEES

The Merger Agreement provides that, promptly upon the first acceptance for payment of, and payment by Purchaser for, any Shares tendered pursuant to the Offer, Purchaser will be entitled to designate such number of directors on the Board of Directors, subject to compliance with Section 14(f) of the Exchange Act, as will give Purchaser representation on the Board of Directors equal to at least that number of directors, rounded up to the next whole number, which is the product of (i) the total number of directors on the Board of Directors (giving effect to the directors elected as described in this sentence) multiplied by (ii) the percentage that (a) such number of Shares so accepted for payment and paid for by Purchaser plus the number of Shares otherwise owned by Purchaser or any other subsidiary of Parent bears to (b) the number of Shares then outstanding, and the Company will, at such time, cause Purchaser's designees to be so elected or appointed to the Board of Directors.

Subject to provisions of applicable law, the Merger Agreement obligates the Company to take all action requested by Parent necessary to effect any such election or appointment. In connection with such request, the

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

Company will promptly, at the option of Purchaser, either increase the size of the Board of Directors or obtain the resignation of such number of its current directors as is necessary to enable Purchaser's designees to be elected or appointed to the Board of Directors as described above.

In the event that Purchaser's designees are appointed or elected to the Board of Directors, until the Effective Time, the Board of Directors will have at least three directors who are directors on June 12, 2003 and who are not officers of the Company (the "Independent Directors"). In addition, in that event, if the number of Independent Directors is reduced below three for any reason whatsoever, any remaining Independent Directors (or the Independent Director, if there is only one such director remaining) will be entitled to designate persons to fill the vacancies who shall be deemed Independent Directors. If no Independent Directors then remain, the other directors shall designate three persons to fill such vacancies who are not

8

officers, stockholders or affiliates of the Company, Parent or Purchaser, and such persons will be deemed to be Independent Directors.

The following table sets forth certain information with respect to individuals Parent may designate as the Parent Designees (including age as of the date hereof, current principal occupation or employment and five-year employment history) (each, a "Parent Designee"). Each Parent Designee is a citizen of the United States. Unless otherwise indicated, the business address of each designee is c/o Parent, 111 Radio Circle, Mount Kisco, New York 10549.

INFORMATION CONCERNING THE BOARD OF DIRECTORS

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD

The Board held ten meetings during the Company's 2002 fiscal year. During fiscal year 2002, each director attended at least 75% of the aggregate of the total number of meetings of the Board held during the period he served as a director and the total number of meetings held by each committee of the Board on which he served during the period for which he served.

The Board currently has a standing Audit Committee and a standing Compensation Committee. It does not currently have a standing nominating committee.

The Audit Committee currently consists of Mr. Parker, as Chairman, and Messrs. Harris and Zuccotti. The Audit Committee met eight times during fiscal year 2002. The Audit Committee is responsible for recommending to the full Board the selection of the Company's independent public accountants, reviewing the scope of the plans and the results of the audit engagement, reviewing the independence of the public accountants, considering the range of audit and non-audit fees, exercising oversight of management's and the public accountants' review of the adequacy of the Company's internal accounting controls and exercising oversight with respect to the Company's code of conduct and other policies and procedures regarding adherence with legal requirements. The Audit Committee is composed entirely of outside directors that are "independent" as defined by the rules of The American Stock Exchange applicable to the Company.

The Compensation Committee, which met three times during fiscal year 2002, currently consists of Mr. Harris, as Chairman, and Messrs. Dreyer, Parker, Guarascio, Walter and Zuccotti. The Compensation Committee is responsible for establishing salaries, bonuses and other compensation for the Company's officers and administering the Company's stock option plans.

COMPENSATION OF DIRECTORS

Commencing in July 2002, directors who are not also employees of the Company or its affiliates ("nonemployee directors") receive from the Company an annual fee of \$50,000, which fee is paid in equal quarterly installments, plus \$1,000 for each Board or committee meeting attended in person (\$500 for each such meeting participated in by telephone) and reimbursement of expenses incurred in attending such meetings. In addition, the Chairman of the Audit Committee receives an annual fee of \$50,000 and the Chairman of the Compensation Committee receives an annual fee of \$20,000, each of which is paid in equal quarterly installments. Directors are also eligible to receive options to purchase Common Stock under the Company's Amended and Restated 1998 Incentive

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

Compensation Plan, as amended (the "Incentive Compensation Plan").

Under the Incentive Compensation Plan, employees, nonemployee directors, certain affiliated persons and independent contractors of the Company may be granted cash awards, options to purchase Common Stock, stock appreciation rights, stock awards, stock units, performance shares, and performance units. Options to purchase Common Stock granted under the Incentive Compensation Plan have a term of ten years and, except for those granted to

15

nonemployee directors, vest over a vesting schedule determined by the committee administering the plan or, in lieu thereof, a five-year vesting schedule, as specified in the plan. Under the Incentive Compensation Plan, each nonemployee director is granted options to purchase 10,000 shares of Common Stock upon commencement of his or her service as a director. Such options have an exercise price equal to the fair market value on the date of grant and vest ratably over a two-year period. In addition, each nonemployee director then in office is automatically granted, on the anniversary date of his or her commencement of service as a director, a fully-vested, non-qualified option to purchase 2,000 shares of Common Stock at a per-share exercise price equal to its fair market value on such date (the "anniversary grant"). Given the substantial interest in the Company he has through his interest in Applied Printing, Mr. Zuckerman has not received any options, although commencing in July 2002, Mr. Zuckerman receives fees in accordance with the schedule for nonemployee directors.

In May 2002, Messrs. Harris, Dreyer, Parker, Walter and Zuccotti each received grants of options to purchase 5,000 shares of Common Stock at an exercise price of \$0.41 per share, which options vested immediately. In June 2002, Mr. Guarascio received a grant of options to purchase 10,000 shares of Common Stock at an exercise price of \$0.90, in connection with his commencement of service as a director, which options vest ratably over two years. In July 2002, Messrs. Harris, Dreyer, Parker, Walter and Zuccotti each received grants of options to purchase 2,000 shares of Common Stock at an exercise price of \$0.55 per share, which options vested immediately. In addition, each of Messrs. Harris, Dreyer, Parker, Walter and Zuccotti agreed that the grant date for all future anniversary grants to be made to each of them would be July 1. In June 2003, Mr. Guarascio also agreed that for all anniversary grants to be made to him, the grant date would be July 1.

In addition, Messrs. Drasner, Krall and Vecchiolla received grants of options to purchase shares of Common Stock in their capacities as officers of the Company, as disclosed in "Executive Compensation - Stock Option Grants in Fiscal Year 2002" below.

ON EXECUTIVE COMPENSATION

COMPENSATION PHILOSOPHY

The Compensation Committee reviews the performance and compensation levels for executive officers and sets salary and bonus levels and option grants under the Company's incentive plans. The objectives of the Compensation Committee are to correlate executive compensation with the Company's business objectives and performance, and to enable the Company to attract, retain and reward executive officers who contribute to the long term success of the Company.

BASE SALARY

Base salaries of the executive officers are established by evaluating the requirements of the position and the contribution of the executive with respect to Company performance and the executive's responsibilities. In determining executive officer salaries, the Compensation Committee generally sets base salaries at or below competitive levels, with total potential compensation (including bonuses and stock options) targeted at or above competitive levels. The Compensation Committee relies on, among other things, recommendations from the Chief Executive Officer in making such determinations.

During 2002, Fred Drasner served as Chairman and Chief Executive Officer of the Company. Mr. Drasner received a base salary of \$750,000 in 2002, the same salary he received in 2001. The Compensation Committee determined that, in light of the significant amount of time Mr. Drasner would be devoting to the Company's review of strategic alternatives, relationship with its Senior Lenders and efforts to improve sales and reduce costs, he should continue at an annual base salary of \$750,000 during 2002.

ANNUAL CASH BONUSES

The Company pays annual cash bonuses to its executive officers in accordance with the terms of its Management Incentive Plan, which provides for incentives based on the Company's performance as well as individual performance. In addition, the Company may pay additional bonuses as approved by the Board of Directors in its sole discretion. In accordance with the Management Incentive Plan, the Compensation Committee awarded Mr. Drasner a bonus of \$562,500 for 2002, which bonus was paid in 2003.

LONG-TERM INCENTIVES

The Compensation Committee believes that equity ownership provides significant motivation to executive officers to maximize value for the Company's stockholders and, therefore, periodically grants stock options under the Company's incentive plans. The Compensation Committee determines the size and frequency of option grants for executive officers after consideration of recommendations of the Chief Executive Officer. Such recommendations are based upon the relative position and responsibilities of each executive officer, previous and expected contributions of each executive officer to the Company and previous option grants to such executive officers. Stock options granted to executive officers are generally nonqualified stock options with exercise prices

that equal or exceed the fair market value of the Company's Common Stock on the date of grant and vest in such increments as may be determined by the Compensation Committee.

Edgar Filing: APPLIED GRAPHICS TECHNOLOGIES INC - Form SC 14D9/A

In May 2002, the Compensation Committee awarded Mr. Drasner options to purchase 250,000 shares of Common Stock, at an exercise price of \$0.41 per share. Mr. Drasner had not been awarded stock options in the past due to the substantial interest he had in the Company through his limited partnership interest in Applied Printing. Since Mr. Drasner's economic interest in the Common Stock held by Applied Printing was, by agreement, to cease after September 1, 2002, the Compensation Committee determined that it would be appropriate to award Mr. Drasner stock options at that time.

SECTION 162(M)

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally sets a limit of \$1 million on the amount of compensation (other than certain enumerated categories, including performance-based compensation) paid to executive employees that may be deducted by a publicly-held company. The Committee's policy is to seek to qualify executive compensation for deductibility to the extent that such policy is consistent with the Company's overall objectives and executive compensation policy. Compensation attributable to stock options granted under the Company's stock incentive plans currently is excluded from the \$1 million limit as "qualified performance-based compensation" under the rules contained in applicable Treasury regulations. None of the Company's executive officers received compensation in 2002 in excess of the limits imposed under Section 162(m). The Compensation Committee intends to continue to qualify compensation attributable to stock options as "qualified performance-based compensation" within the meaning of Section 162(m).

STOCKHOLDER RETURN PERFORMANCE GRAPH

The following graph and table show the cumulative total stockholder return on the Common Stock compared to the AMEX Composite Index and

a self-constructed peer group index for the periods between December 31, 1997 and December 31, 2002. Currently, the peer group is composed of Schawk, Inc., which is a public company with significant independent operations in the prepress industry, and R.R. Donnelly & Sons, Co. and Quebecor World, Inc., commercial printers that provide prepress services. Previously, the peer group included American Greetings Corporation (Class A), which is a publishing company, and Schawk, Inc. The Company sold its publishing services business in April 2002. Accordingly, it is no longer appropriate to include American Greetings Corporation in the peer group. The total stockholder return on each company included in the peer group index has been weighted according to such company's capitalization at the beginning of each period. The graph assumes \$100 was invested in (1) the Common Stock, (2) the AMEX Composite Index and (3) the peer group index, and assumes reinvestment of dividends.
