100% of the 912,719,584 common shares issued for this capital increase were subscribed and settled, totalling Ps. \$2,738,158,752. The funds generated by this capital increase will be used to reduce the Company's debt.

Upon expiration of the rights offering, 502,544,745 shares or 55% of the total shares issued were subscribed, and the actions taken by the shareholders show their commitment with the future of the company.

Subsequent to and in accordance with the Stock Subscription Cooperation Agreement with Inversora Bursatil, S.A. de C.V. Therefore, due to the response from shareholders in the rights offering, only Ps. 1,019 million of the Ps. 2,000 million established in this Agreement with Inbursa were utilized.

This will be a further measure reflecting the commitment of its shareholders to strengthen the company's financial structure, translating into better financial ratios, reduced leveraging and financing expenses, and in the end the recovery of DESC's traditional financial strength and another step toward recovering profitability.

It is worth noting that Mr. Fernando Senderos Mestre and his family participated in the capital increase and continue owning a controlling stake in the Company.
