**CryptoLogic games launch on Europe's Unibet**

*One of Europe's largest operators launches CryptoLogic games in multi-year deal*

**November 2, 2009 (Dublin, IRELAND)** **CryptoLogic Limited**, a global developer of branded online betting games and Internet casino software, announced today that one of its top-performing slot games is now live on **Unibet.com**, one of Europe's largest online gaming sites. As part of a multi-year deal, Unibet Group plc will launch at least six more games by the end of the year and at least a further three in early 2010, reaching an audience of more than 3.6 million players.

The CryptoLogic games have been made available to Unibet through Gaming Technology Solutions plc (GTS), which provides the platform for many of the world's largest Internet gaming sites. When we signed our strategic partnership with GTS, CryptoLogic gained a powerful new channel to take our games to the many top gaming sites that run on GTS technology," said Brian Hadfield, CryptoLogic's President and CEO. "Unibet is one of the best of the best, with more than 3.6 million customers in more than 100 countries.
