On February 18, 2015, the Compensation and Management Development Committee of the Board of Directors (the “Committee”) of Eastman Chemical Company (the “Company”) awarded long-term stock-based incentive compensation opportunities to each of the Company’s executive officers and to other management-level employees.

The Committee awarded to each executive officer and to certain other management-level employees (i) ten year options to purchase common stock which vest and become exercisable in one-third increments on each of the first three anniversaries of the grant date and (ii) 2015-2017 performance shares payable in unrestricted shares of common stock at the end of the three-year performance period. The award date of the performance shares is January 1, 2015 (the beginning of the performance period) and the grant date of the options is February 27, 2015. The Committee determined the recipients, terms, size, and mix of these stock-based pay awards as described in the Compensation Discussion and Analysis section of the Company’s 2014 Annual Meeting Proxy Statement, and the terms of the options and performance shares are substantially the same as those described in the Company’s 2014 Annual Meeting Proxy Statement and filed as exhibits to the Company’s Annual Report on Form 10-K for 2013. The specific terms of the executive option grants will be included in each executive officer’s Form 4 filing reporting his acquisition of the options, the form of the 2015-2017 performance share awards will be filed as an exhibit to the Company’s Annual Report on Form 10-K for the year ended December 31, 2014, and the specific terms of the option grants and of the performance share awards to the executive officers for whom executive compensation disclosure is provided (the “named executive officers”) will be disclosed in the Company’s Proxy Statement for the 2016 Annual Meeting of Stockholders.

In addition, the Committee awarded 14,600 restricted stock units to Senior Vice President, Chief Legal Officer and Corporate Secretary David A. Golden (one of the named executive officers in the Company’s 2014 Annual Meeting Proxy Statement) and 14,600 restricted stock units to one other executive officer. The restricted stock units will vest and be paid in unrestricted shares of Company common stock on February 18, 2018, subject to each executive officer’s continued employment. The terms of these restricted stock unit awards was included in each executive officer’s February 20, 2015 Form 4 filing reporting his acquisition of the restricted stock units, and the form of the restricted stock unit awards will be filed as an exhibit to the Company’s Annual Report on Form 10-K for the year ended December 31, 2014.
