Item 1.01.	Entry into a Material Definitive <i>Agreement.</i>
------------	---

On October 13, 2009, Solitario Exploration & Royalty Corp., a Colorado corporation ("Solitario"), and Metallic Ventures Gold Inc., an Ontario corporation ("Metallic Ventures") entered into an amendment (the "Amendment") to their definitive arrangement agreement dated August 24, 2009 (the "Agreement"), whereby Solitario increased its bid to acquire, through a friendly statutory plan of arrangement under Canadian Law, all outstanding shares of Metallic Ventures.

The Amendment provides for increasing the number of shares of Solitario common stock that Solitario will issue to Metallic Ventures shareholders from 17.0 million to 19.5 million and the cash consideration from US\$15.5 million to US\$18 million. In the event that the transaction is not completed, Metallic Ventures has agreed to pay Solitario an increased termination fee of US\$2.2 million, under certain circumstances. The parties also agreed to extend the termination deadline from December 31, 2009 to February 28, 2010. The plan of arrangement, which is expected to close in the first quarter of 2010, is subject to approval by shareholders of both companies and other customary conditions. All other terms of the Agreement remain the same.

Under the statutory plan of arrangement pursuant to the Agreement, as amended (the "Arrangement"), assuming no currently outstanding options are exercised, each common share of Metallic Ventures not owned by Solitario will be exchanged for (i) a cash payment in the amount of US\$0.34621 and (ii) 0.375061 of a share of common stock of Solitario, with an aggregate maximum cash consideration of US\$18.0 million and an aggregate maximum of 19.5 million shares of Solitario common stock.

In order to offer Metallic Venture shareholders the increased number of shares, Solitario and certain of its Officers, Directors and employees agreed to voluntarily cancel approximately 1.9 million previously granted options concurrently with the signing of the Amendment.

As an inducement for each party to enter into the Amendment, contemporaneously with the execution of the Amendment, certain directors and officers of Metallic Ventures, representing approximately 65% of Metallic Ventures outstanding shares, entered into amended shareholder support agreements, in substantially the forms attached hereto as Exhibits 10.1 and 10.2 (the "Amended Support Agreements"). Pursuant to the Amended Support Agreements, each of the Metallic Ventures shareholders a party thereto agreed, among other things, to vote all of his Metallic Ventures shares: (a) in favor of the adoption of the Agreement, as amended; and (b) generally against any action or agreement that is intended, or would reasonably be expected, to delay, prevent or adversely affect the Arrangement. The Amended Support Agreements become terminable upon any termination of the Agreement, as amended, in accordance with their terms and certain other circumstances set forth therein.

The Agreement, as amended, may be terminated by either Solitario or Metallic Ventures under certain circumstances set forth in the Agreement, including, among other circumstances, the failure of the Arrangement to be consummated on or before February 28, 2010. If the Agreement is terminated (a) in certain circumstances following the receipt by Metallic Ventures of a superior proposal, or (b) as a result of Metallic Ventures board of directors changing its recommendation in favor of the Arrangement, the Agreement or the transactions contemplated by the Agreement, Metallic Ventures will be obligated to pay a termination fee to Solitario in the amount of US\$2.2 million.

The foregoing description of the Amendment, the Agreement or the Amended Support Agreements do not

purport to be complete and is qualified in its entirety by reference to the Amendment, which is filed as Exhibit 2.1 hereto and the Agreement, which is filed as Exhibit 2.2 hereto and incorporated into this report by reference.
