PROXY STATEMENT

Annual Meeting of Shareholders

This Proxy Statement (the "Proxy Statement") is furnished in connection with the solicitation by the Board of Directors (the "Board of Directors" or "Board") of Solitario Exploration & Royalty Corp., a Colorado corporation, ("Solitario" or the "Company"), of proxies in the accompanying form for use at the Annual Meeting of Shareholders to be held on Thursday June 18, 2013 at 10:00 a.m., Mountain Daylight Time, at the Company's principal executive offices at 4251 Kipling Street, Suite 390, Wheat Ridge, CO 80033, and any adjournment or postponement of such meeting (the "Annual Meeting").

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Shareholders to be held on Thursday, June 18, 2013: This proxy statement, including a copy of the 2013 Solitario Exploration & Royalty Corp. Omnibus Stock and Incentive Plan, the accompanying proxy card, and our 2012 Annual Report (which is not a part of the Company's proxy soliciting materials), including the Annual Report on Form 10-K for the year ended December 31, 2012, are available online at www.solitarioxr.com. Shareholders cannot submit their vote at www.solitarioxr.com.

The 2012 Annual Report (which is not a part of the Company's proxy soliciting materials) is being mailed to the Company's shareholders with this Proxy Statement. Upon written request from any person solicited herein, addressed to the Corporate Secretary of Solitario at its principal offices at 4251 Kipling St. Suite 390, Wheat Ridge, Colorado 80033, Solitario will provide, at no cost, a copy of the Annual Report on Form 10-K filed with the Securities and Exchange Commission (the "SEC") for the fiscal year ended December 31, 2012 (the "2012 10-K"), without exhibits. A copy of any or all of the exhibits to the 2012 10-K will be furnished for a fee, which will not exceed the Company's reasonable expenses in furnishing the exhibits.

Proxies are solicited so that each shareholder may have an opportunity to vote. These proxies will enable shareholders to vote on all matters that are scheduled to come before the meeting. When proxies are returned properly executed, the shares represented thereby will be voted in accordance with the shareholders' directions. Shareholders are urged to specify their choices by marking the appropriate boxes on the enclosed proxy card; if no choice has been specified, the shares will be voted as recommended by the Board. Means have been provided whereby a shareholder may withhold his vote for any Director. The proxy card also confers discretionary authority to vote the shares authorized to be voted thereby on any matter that was not known on the date of the Proxy Statement but may properly be presented for action at the Annual Meeting.

You are asked to sign, date, and return the accompanying proxy card regardless of whether or not you plan to attend the meeting. The approximate date of the mailing of this Proxy Statement and the enclosed form of proxy is May 7, 2013. Any shareholder returning a proxy has the power to revoke it at any time before shares represented by the proxy are voted at the meeting. Any shares represented by an unrevoked proxy will be voted unless the

shareholder attends the meeting and votes in person. A shareholder's right to revoke his or her proxy is not limited by or subject to compliance with a specified formal procedure, but written notice should be given to the Corporate Secretary of Solitario at or before the meeting.

The proposed corporate actions on which the shareholders are being asked to vote at the Annual Meeting are not corporate actions for which shareholders of a Colorado corporation have the right to dissent under the Colorado Business Corporation Act.

The expense of printing and mailing proxy material will be borne by Solitario. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers, and other employees of Solitario in person or by telephone or other means of electronic communication. No additional compensation will be paid for such solicitation.

Arrangements will also be made with brokerage firms and other custodians, nominees, and fiduciaries to forward proxy solicitation material to certain beneficial owners of Solitario's common stock and Solitario will reimburse such brokerage firms, custodians, nominees, fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

Shares Outstanding and Votes Required

The holders of Solitario's \$.01 par value common stock (the "Common Stock") at the close of business on April 29, 2013, the record date, are entitled to vote at the Annual Meeting. On April 29, 2013 there were 34,647,958 shares of Common Stock outstanding. Each share of Common Stock entitles its holder to one vote. The presence in person or by proxy of holders of record of a majority of the outstanding shares of Common Stock is required to constitute a quorum for the transaction of business at the meeting. Shares held by persons who abstain and broker non-votes will be counted in determining whether a quorum is present at the meeting. In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies.

If a quorum is present at the Annual Meeting:

The five nominees for election as directors who receive the greatest number of votes cast for election of directors at the meeting by the shares present in person or represented by proxy at the meeting and entitled to vote shall be elected directors.

With respect to the proposal for the non-binding advisory vote on executive compensation and the proposal to ratify the appointment of EKSH LLLP as our independent registered public accounting firm, each will be approved if a majority of the votes cast on each proposal vote in favor of such proposal.

With respect to the proposal regarding the approval of the 2013 Solitario Exploration & Royalty Corp. Omnibus Stock and Incentive Plan, if the proposal is approved by a majority of the votes cast, it will be approved.

The Board of Directors recommends that shareholders vote "FOR" each of the nominees standing for reelection to the Board of Directors; "FOR" approval of the Company's executive compensation; "FOR" the 2013 Solitario Exploration & Royalty Corp. Omnibus Stock and Incentive Plan; and "FOR" the ratification of EKSH LLLP as the Company's independent registered public accounting firm.

Proxies submitted properly will be voted in accordance with the instructions contained therein. If the proxy is submitted but voting directions are not provided, the proxy will be voted "FOR" each of the five director nominees, and "FOR" the advisory vote on executive compensation, "FOR" approval of the 2013 Solitario Exploration & Royalty Corp. Omnibus Stock and Incentive Plan and "FOR" ratification of the appointment of EKSH LLLP as our independent registered public accounting firm, and in such manner as the proxy holders named on the proxy, in their discretion, determine upon such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

If your shares are held through a broker, bank or other nominee (collectively referred to as "brokers"), the broker will vote your shares according to the specific instructions it receives from you. If the broker does not receive voting instructions from you, the broker may vote only on a proposal that is considered a "routine" matter. Brokers may vote on "routine" matters without specific instruction from the shareholder. The ratification of EKSH LLLP is a routine matter; however, each of the following proposals being considered at the Annual Meeting is not considered a "routine"

matter: (i) the election of directors, (ii) the advisory vote on executive compensation, and (iii) the approval of the 2013 Solitario Omnibus Stock and Incentive Plan. Accordingly, if you do not give instructions to your broker it will not be authorized to vote your shares with respect to the non-routine matters being considered at the Annual Meeting. The broker's failure to vote because it lacks discretionary authority to do so, commonly referred to as a "broker non-vote," will not affect the outcome of the vote on any proposal.

1. ELECTION OF DIRECTORS

The Board currently consists of five Directors. The directors elected at the Annual Meeting will serve until the next annual meeting of Shareholders and until their successors are elected or appointed and qualified. Unless the vote is withheld by the shareholder, the proxies solicited by the Board will be voted for the re-election of all the current directors. The five nominees who receive the most votes will be elected. If a shareholder does not vote for a nominee or indicates to "withhold" authority to vote for a nominee on the proxy card, that shareholder's vote will not count either for or against the nominee. Solitario's current nominees for election as directors at the Annual Meeting are:

Name	Age	
Brian Labadie Chairman (1)(2)(3)(4)	60	<p>Mr. Labadie has been a director of Solitario since June 2006 and Chairman since March of 2009. He is an independent mining industry consultant. Mr. Labadie spent ten years with Miramar Mining Corporation from November 1996 to September 2006 as the Executive Vice President, COO. In evaluating Mr. Jones's qualifications for serving as a Director, the Board of Solitario believes Solitario benefits both from his experience in founding Solitario and being the Chairman of Crown, but also his proven track record of founding and successfully operating other mining concerns including Brazauro Resources and TriStar Gold, Inc. Mr. Jones has exhibited leadership in this industry for many years and is well known in many mining circles. In evaluating Mr. Hainey's qualifications to serve as a Director, the Board of Solitario considered his financial experience, specifically related to finance and evaluation of companies in the mining industry, as well as his experience on Solitario's audit committee. The Board believes Mr. Hainey's formal training as a mining engineer coupled with his financial experience makes him uniquely suited to serve on Solitario's Board. The Nominating Committee held one meeting during 2012. Except for the persons nominated to stand for reelection at the Annual Meeting and at the 2012 annual meeting, there were no director nominations proposed during 2012 or 2011.

The primary purposes of the Nominating Committee are to (a) identify individuals qualified to become Board members, and select or recommend director nominees; (b) develop and recommend to the Board corporate governance principles applicable to the Corporation; (c) lead the Board in its review of the Board's performance; and (d) recommend to the Board director nominees for each committee.

Pursuant to Section 2.11 of our Bylaws, candidates for election as directors at any meeting of shareholders may be made (a) by, or at the direction of, a majority of the members of the Board or (b) by any shareholder entitled to vote at such a meeting. The Board makes no distinction in evaluating candidates who come to their attention directly or who are nominated by any shareholder. No shareholders submitted nominations to the Board during the Company's 2012 fiscal year. The Nominating Committee does not have specific minimum qualifications that a candidate must possess for consideration.

In order to qualify for consideration at a shareholder meeting, shareholder nominations must be in writing addressed to the Secretary of Solitario Exploration & Royalty Corp. not less than 60 days nor more than 90 days prior to the date of a scheduled shareholders' meeting; provided, however, that if less than 70 days notice or prior public disclosure of the scheduled date of such a meeting is given or made, notice of a shareholder nomination must be delivered or received not later than the close of business on the 10th day following the earlier of the day on which such notice of the date of the scheduled meeting was mailed or the day on which such public disclosure was made.

Such shareholder's notice shall set forth (a) as to each person whom the shareholder proposes to nominate for election or re-election as a director and as to the shareholder giving the notice (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) the class and number of shares of stock of the Company which are beneficially owned by such person of the date of such shareholder notice and (iv) any other information relating to such person that is required to be disclosed in solicitations of proxies with respect to nominees for election as directors, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and (b) as to the shareholder giving the notice (i) the name and address, as they appear on the Company's books, of such shareholder and any other shareholders known by such shareholder to be supporting such nominees and (ii) the class and number of shares of stock of the Company which are beneficially owned by such shareholder on the date of such shareholder notice and by any other shareholders known by such shareholder to be supporting such nominees on the date of such shareholder notice.

The Board may reject any shareholder nomination not timely made in accordance with the requirements of Section 2.11 of Solitario's Bylaws. Furthermore, if the Board determines that the information provided in a shareholder's notice does not satisfy the informational requirements of Section 2.11 of the Bylaws in any material respect, the Secretary will promptly notify such shareholder of the deficiency in the notice. The shareholder will then have an opportunity to cure the deficiency by providing additional information to the Secretary within such period of time, not to exceed 5 days from the date such deficiency notice is given to the shareholder, as the Board shall reasonably determine. If the deficiency is not cured within such time period, or if the Board reasonably determines that the additional information provided by the shareholder, together with information previously provided, does not satisfy the requirements of Section 2.11 of the Company's Bylaws in any material respect, then the Board may reject such shareholder's nomination. The Secretary of the Company shall notify a shareholder in writing whether his or her nomination has been made in accordance with the time and information requirements of the Company's Bylaws. Notwithstanding the procedure set forth above, if the Board does not make a determination as to the validity of any shareholder nominations, the presiding officer of the meeting of the shareholders shall determine and declare at the meeting whether a nomination was made in accordance with the terms of the Company's Bylaws and shall accept or reject the nomination accordingly.

Shareholder Communications

We endeavor to keep all shareholders well informed as to financial performance of the Company, primarily by means of its annual and quarterly reports and by press releases. The Board and management of Solitario are receptive to shareholder feedback in any form. It is Solitario's policy to receive and respond promptly to shareholder inquiries while being guided by legal requirements as well as the Company's policies with respect to confidentiality and disclosure requirements. Shareholders wishing to send communications to the Board should write to either the Chairman of the Board or to the Secretary of the Company at the following address: Solitario Exploration & Royalty Corp., 4251 Kipling St., Suite 390, Wheat Ridge, CO 80033. All such communication shall state the type and amount of the Company's securities held by the shareholder and shall clearly state the communication is intended to be shared with or directed only to the Board, or if applicable, with a specific committee of the Board or specified individual

shareholders. The Chairman of the Board or the Secretary of the Company, as applicable, will forward such communication to the members of the Board or a specific committee of the Board or specified individual shareholders.

Indemnification of Directors

Our Articles of Incorporation authorize our Board to the fullest extent permitted by Colorado law as now or hereafter in effect, to indemnify any Director of Solitario. The Board is entitled to determine the terms of such indemnification, including advance of expenses, and to give effect thereto through the adoption of Bylaws, approval of agreements, or by any other manner approved by the Board. Any amendment to or repeal of the authorization of indemnification contained in our Articles of Incorporation shall not adversely affect any right of a Director of Solitario thereunder with respect to any right to indemnification that arises prior to such amendment.

Code of Ethics

We adopted a Code of Business Conduct and Ethics including a Code of Ethics applicable to the principal executive officer and the principal financial and accounting officer of Solitario (the "Code of Ethics") on June 27, 2006, a copy of which may be found on our website at www.solitarioxr.com and on SEDAR at www.sedar.com. Any person who wishes to receive a copy of the Code of Ethics may do so at no charge by written request to Investor Relations, Solitario Exploration & Royalty Corp., 4251 Kipling St, Suite 390, Wheat Ridge, CO 80033.

Board Leadership and Risk Oversight

We have maintained separate individuals in the position of Chief Executive Officer ("CEO") and non-executive Chairman of the Board of Solitario since our inception. Our non-executive Chairman serves as liaison between the CEO and other independent directors, approves meeting agendas and schedules and notifies other members of the Board of Directors regarding any significant concerns of shareholders or interested parties of which he becomes aware. Our non-executive Chairman presides at all Board meetings he attends and provides advice and counsel to the Chief Executive Officer. We believe the separation of these positions, with an independent non-executive Chairman, provides Solitario with valuable independent direction and advice for our CEO and our other executive officers.

Our Board of Directors is responsible for the overall risk oversight of Solitario. Directors are entitled to rely on management and the advice of the Corporation's outside advisors and auditors, but must at all times have a reasonable basis for such reliance. The Board of Directors delegates the day-to-day risk management of Solitario to the CEO and Chief Financial Officer, each of whom periodically report to the Board of Directors and to certain committees of the Board of Directors. The Audit Committee oversees our financial and reporting risks, including our hedging risks and these risks are discussed at no less than one Audit Committee meeting per year, providing the Audit Committee members the opportunity to discuss the risks and the risk mitigation process. The Compensation Committee oversees the risks arising from our compensation policies and practices and provides a report to the Board of Directors regarding the compensation of the CEO and executive officers. The Nominating Committee evaluates and recommends individuals for nomination to the Board of Directors in the event of a vacancy in the Board of Directors.

2. COMPENSATION PLANS PREVIOUSLY APPROVED BY SHAREHOLDERS

The Solitario Resources Corporation 2006 Stock Option Incentive Plan (the "2006 Option Plan") was approved by shareholders and became effective June 27, 2006, the shareholders approved certain modifications to the 2006 Option Plan on June 14, 2007, which became The Solitario Resources Corporation 2006 Stock Option Incentive Plan (as amended), (the "2006 Plan"). Under the 2006 Plan, up to 2,800,000 shares may be issued pursuant to options granted by the Board under the 2006 Plan to directors, officers, employees and consultants with an exercise price that is not less than the market price of Solitario's Common Stock on the date of grant. The 2006 Plan defines the market

price as the closing sales price in Canadian dollars on the Toronto Stock Exchange (the "TSX") on the date that an applicable option is granted by the Board.

Equity Compensation Plan Information as of December 31, 2012:

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights Cdn\$ (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c)
2006 Plan			
Equity compensation plans approved by security holders	2,598,400	\$2.22	250
Equity compensation plans not approved by security holders	-	N/A	-
Total	2,598,400	\$2.22	250

The total number of shares of Solitario Common Stock authorized under the 2006 Plan is 2,800,000 shares, which represents 8.0% of the 34,647,958 shares of Solitario Common Stock outstanding as of April 29, 2013. The total number of shares of Solitario Common Stock available for issue from the exercise of all outstanding options from the 2006 Plan as of April 29, 2013 is 2,480,900 shares, which represents 7.2% of the 34,647,958 shares of Solitario Common Stock outstanding on that date.

3. THE 2013 PLAN

On April 22, 2013 the Board of Directors, subject to Shareholder and regulatory approval, adopted the 2013 Solitario Exploration & Royalty Corp. Omnibus Stock and Incentive Plan (the “2013 Plan”) and reserved 1,750,000 shares of Company Common Stock for issuance under the 2013 Plan, which represents 5.0% of the 34,647,958 shares of Solitario Common Stock outstanding on that date.

Shareholder approval of the 2013 Plan is sought: (i) because our existing 2006 Plan is effectively out of available shares to grant, the Company is unable to provide stock-based incentives to new or existing officers, directors or employees of Solitario; and (ii) historically the granting of stock-based compensation through options has been an integral part of the compensation of these individuals, as discussed below, and the Board feels this should continue to be part of such compensation in the future; and (iii) to give the Company the flexibility to grant Awards that are comparable to Awards that our peer group companies have the ability to grant; and (iii) to permit the issuance of options which will qualify as incentive options pursuant to the Internal Revenue Code (the “Code”); and (iv) to comply with Section 711 of the NYSE MKT Company Guide, which requires shareholder approval of equity compensation plans in which officers, directors, employees, or consultants may participate.

The 2013 Plan is intended to provide incentives to officers, employees, consultants and advisers (including members of the Board of Directors), who contribute to the success of the Company by offering them the opportunity to acquire an ownership interest in it. The Board of Directors believes that this also will help to align the interests of its management, directors, employees and other personnel with the interests of shareholders.

Description of the 2013 Plan

The following is a summary of the principal features of the 2013 Plan, which is qualified in its entirety by reference to the 2013 Plan. A copy of the 2013 Plan is attached as Appendix A to this proxy statement.

The 2013 Plan permits the granting of cash and equity-based awards to our directors, officers, employees, consultants, independent contractors and affiliates. Equity-based awards are determined by the Committee and are granted only in

compliance with applicable laws and regulatory policy.

Administration

The 2013 Plan is administered by the Board of Directors, or a committee appointed by the Board of Directors, which we refer to herein as the “Committee.” The 2013 Plan will initially be administered by the Board of Directors as a whole, although with respect to certain awards it is expected that the Compensation Committee will provide input and recommendations to the Board of Directors. The Committee will administer the 2013 Plan and will have full power and authority to determine when and to whom awards will be granted, and the type, amount, form of payment and other terms and conditions of each award, consistent with the provisions of the 2013 Plan. In addition, the Committee can specify whether, and under what circumstances, awards to be received under the 2013 Plan or amounts payable under such awards may be deferred automatically or at the election of either the holder of the award or the Committee. Subject to the provisions of the 2013 Plan, the Committee may amend or waive the terms and conditions, or accelerate the exercisability, of an outstanding award. The Committee has authority to interpret the 2013 Plan and establish rules and regulations for the administration of the 2013 Plan.

The Committee may delegate certain powers and duties under the 2013 Plan to an administrator, (the “Administrator”) who may be an officer or one or more directors (including a director who is also an officer of the Company), except that the Committee may not delegate its powers to grant awards to executive officers or directors

who are subject to Section 16 of the Exchange Act, or in a way that would violate Section 162(m) of the Code. The Board may also exercise the powers of the Committee at any time, so long as its actions would not violate Section 162(m) of the Code.

Eligible Participants

Natural persons who are an employee, officer, consultant, independent contractor or director providing services to the Company or any of its affiliates, who are selected by the Committee, are eligible to receive an award under the 2013 Plan.

As of April 29, 2013, three officers, 15 employees (including the three officers), and four non-employee directors of the Company were considered to be within the group of eligible persons who could receive awards under the 2013 Plan.

Shares Available For Awards

The aggregate number of shares of our common stock that may be issued under all equity-based awards made under the 2013 Plan is 1,750,000 shares of common stock.

In the event a change, such as a stock split, is made in our capitalization which results in an exchange or other adjustment of each share of common stock for or into a greater or lesser number of shares, appropriate adjustments will be made to unvested Awards in the number of shares subject to each outstanding option or other awards in order to prevent dilution or enlargement of the benefits or potential benefits intended to be provided under the 2013 Plan. The Committee also may make provisions for adjusting the number of Awards in the event we effect one or more reorganizations, recapitalizations, rights offerings, or other increases or reductions of shares of our outstanding common stock. Awards may provide that in the event of the dissolution or liquidation of the Company, a corporate separation or division or the merger or consolidation of the Company, the holder may exercise the Award on such terms as it may have been exercised immediately prior to such dissolution, corporate separation or division or merger or consolidation; or in the alternative, the Committee may provide that each Award granted under the 2013 Plan shall terminate as of a date fixed by the Committee.

If an Award is terminated without the issuance of any shares or if shares covered by an award are not purchased or are forfeited, then the shares previously set aside for such award will be available for future awards under the 2013 Plan. If an Award is payable only in cash and does not entitle the holder to receive or purchase shares and is settled in cash then the Award will not be counted against the aggregate number of shares available under the 2013 Plan.

Types of Awards and Terms and Conditions

The 2013 Plan permits the granting of:

- stock options (including both incentive and non-qualified stock options);
- stock appreciation rights (“SARs”); and
- restricted stock and restricted stock units.

Awards may be granted alone, in addition to, in combination with or in substitution for, any other award granted under the 2013 Plan or any other compensation plan. Awards can be granted for no cash consideration or for any cash consideration as may be determined by the Committee or as required by applicable law. Awards may provide that upon the grant or exercise thereof, the holder will receive cash or shares of our common stock or a combination of these in a single payment, installments or on a deferred basis as provided for and as applicable under the 2013 Plan. The exercise price per share under any stock option and the grant price of any SAR may not be less than the fair market value of our common stock on the date of grant of such option or SAR. Fair market value per

share under the 2013 Plan shall be the NYSE-MKT Closing Price, as defined in the 2013 Plan, on such date, provided, that if the actual transaction involving the shares occurs at a time when the NYSE MKT is closed for regular trading, then it shall be the most recent Closing Price.

Incentive stock options must expire no later than 10 years after the date of grant or, for persons who own more than 10% of the total voting power of all classes of stock, no later than five years after the date of grant. The term of all other awards shall be determined by the Committee.

Stock Options. The holder of an option is entitled to purchase a number of shares of our common stock at a specified exercise price during a specified time period, all as determined by the Committee. The option exercise price is payable in cash.

Stock Appreciation Rights. The holder of an SAR is entitled to receive in cash the excess of the fair market value, calculated as of the exercise date, of an equivalent value of a specified number of shares of our common stock over the grant price of the SAR. SARs vest and become exercisable in accordance with a vesting schedule established by the Committee.

Restricted Stock and Restricted Stock Units. The holder of restricted stock will own shares of our common stock subject to restrictions imposed by the Committee (including, for example, restrictions on the right to vote the restricted shares or to receive any dividends with respect to the shares) for a specified time period determined by the Committee. The holder of restricted stock units will have the right, subject to any restrictions imposed by the Committee, to receive shares of our common stock, or a cash payment equal to the fair market value of those shares, at some future date determined by the Committee.

Duration, Termination and Amendment. Unless discontinued or terminated by the Board, the 2013 Plan will expire on April 21, 2023. No awards may be made after that date. However, unless otherwise expressly provided in an applicable award agreement, any award granted under the 2013 Plan prior to expiration may extend beyond the expiration of the 2013 Plan through the award's normal expiration date.

The Board may amend, alter, suspend, discontinue or terminate the 2013 Plan at any time, although stockholder approval must be obtained for any action that would increase the number of shares of our common stock available under the 2013 Plan, increase the award limits under the 2013 Plan, or cause Section 162(m) of the Internal Revenue Code to become unavailable with respect to the 2013 Plan. Stockholder approval is also required for any action that requires stockholder approval under the rules and regulations of the Securities and Exchange Commission, the Toronto Stock Exchange or the NYSE MKT or any other securities exchange or the Financial Industry Regulatory Authority that are applicable to the Company.

Award Expiration and Termination. Unless the terms of an Option expressly provide for a different date of termination, the unexercised portion of an Option shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following: (1) on the ninetieth (90th) day following Holder's Separation for any reason except death, Disability or for Cause; or (2) immediately upon Separation as a result, in whole or in material part, of a discharge for Cause; or (3) on the first (1st) anniversary of a Separation by reason of death or Disability; or (4) in the case of a 10% Person, on the fifth (5th) anniversary of the Date of Grant; or (5) on the tenth (10th) anniversary of the Date of Grant.

Blackout periods. Notwithstanding any other provision of the 2013 Plan or any Award to the contrary, any exercise of disposition of any Award or any Reserved Share pursuant to the 2013 Plan shall be consistent with the Trading Restrictions and Blackout Periods policy stated within the Company's Disclosure Policy, or such other applicable written policy as necessary. If the term of any Award granted under the 2013 Plan ends on a day occurring within a Blackout Period or within ten business days thereafter, such Award shall continue to be exercisable under the terms of the 2013 Plan up to 5:00 p.m. (Denver time) on the tenth business day following the end of such Blackout Period.

Prohibition on Re-pricing Awards

Without the approval of the Company's stockholders, the Committee will not re-price, adjust or amend the exercise price of any options or the grant price of any SAR previously awarded, whether through amendment, cancellation and replacement grant or any other means.

Transferability of Awards

Unless otherwise provided by the Committee, A SAR shall be transferable only to the extent, if any, provided in the agreement evidencing the SAR. All other Awards under the 2013 Plan may only be transferred by will or by the laws of descent and distribution.

Federal Income Tax Consequences

The following is a summary of the principal U.S. federal income tax consequences generally applicable to awards under the 2013 Plan. The following description applies to U.S. citizens and residents who receive awards under the 2013 Plan. Participants who are neither U.S. citizens nor residents but who perform services in the United States may also be subject to U.S. federal income tax under some circumstances. In addition, former citizens or long-term residents of the United States may be subject to special expatriate tax rules, which are not addressed in this summary.

Grant of Options and SARs. The grant of a stock option (either an incentive stock option or a non-qualified stock option) or SAR is not expected to result in any taxable income for the recipient.

Exercise of Incentive Stock Options. The holder of an incentive stock option generally will have no taxable income upon exercising the option (except that an alternative minimum tax liability may arise). If stock is issued to the optionee pursuant to the exercise of an incentive stock option, and if no disqualifying disposition of such shares is made by such award holder within two years after the date of grant or within one year after the transfer of such shares to such award holder, then (1) upon the sale of such shares, any amount realized in excess of the option price will be taxed to such optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) we will not be entitled to a deduction for federal income tax purposes.

If the stock acquired upon the exercise of an incentive stock option is disposed of prior to the expiration of either holding period described above, generally (1) the optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the option price paid for such shares, and (2) we will be entitled to deduct such

amount for federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the optionee will be taxed as short-term or long-term capital gain (or loss), as the case may be, and will not result in any deduction by us.

Exercise of Non-Qualified Stock Options and SARs. Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of our common stock acquired on the date of exercise over the exercise price, and we generally will be entitled at that time to an income tax deduction for the same amount. Upon exercising a SAR, the amount of any cash received is taxable to the recipient as ordinary income and generally are deductible by us.

Disposition of Acquired Shares. The tax consequence upon a disposition of shares acquired through the exercise of an option will depend on how long the shares have been held and whether the shares were acquired by exercising an incentive stock option or by exercising a non-qualified stock option. Generally, there will be no tax consequence to us in connection with the disposition of shares acquired under an option, except that we may be entitled to an income tax deduction in the case of the disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Internal Revenue Code have been satisfied.

For an Award that is payable in shares of our common stock that are restricted as to transferability and subject to substantial risk of forfeiture, unless a special election is made pursuant to Section 83(b) of the Code, the holder of the Award must recognize ordinary income equal to the excess of (x) the fair market value of the shares of

our common stock received (determined as of the first time the shares became transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (y) the amount (if any) paid for the shares of our common stock by the holder. The Company will be entitled at that time to a tax deduction for the same amount if and to the extent that amount satisfies general rules concerning deductibility.

Special Rules. Special rules may apply in the case of individuals subject to Section 16(b) of the Exchange Act. In particular, unless a special election is made pursuant to Section 83(b) of the Code, shares of our common stock received pursuant to the exercise of an option may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized, and the amount of the Company's tax deduction, may be determined as of the end of such period.

Deductibility of Executive Compensation under Code Section 162(m). Section 162(m) of the Code generally limits to \$1,000,000 the amount that a publicly-held corporation is allowed each year to deduct for the compensation paid to each of the corporation's chief executive officer and the corporation's other four most highly compensated executive officers. However, "qualified performance-based compensation" is not subject to the \$1,000,000 deduction limit. In general, to qualify as performance-based compensation, the following requirements need to be satisfied: (1) payments must be computed on the basis of an objective, performance-based compensation standard determined by a committee consisting solely of two or more "outside directors," (2) the material terms under which the compensation is to be paid, including the business criteria upon which the performance goals are based, and a limit on the maximum bonus amount which may be paid to any participant pursuant with respect to any performance period, must be approved by a majority of the corporation's stockholders and (3) the committee must certify that the applicable performance goals were satisfied before payment of any performance-based compensation.

The 2013 Plan has been designed to permit grants of options and SARs issued under the 2013 Plan to qualify under the performance-based compensation rules so that income attributable to the exercise of a non-qualified stock option or an SAR may be exempt from the \$1,000,000 deduction limit. Grants of other Awards under the 2013 Plan may not so qualify for this exemption. The 2013 Plan's provisions are consistent in form with the performance-based compensation rules, so that if the committee that grants options or SARs consists exclusively of members of the board of directors of the Company who qualify as "outside directors," and the exercise price (or deemed exercise price, with respect to SARs) is not less than the fair market value of the shares of common stock to which such grants relate, the compensation income arising on exercise of those options or SARs should qualify as performance-based compensation which is deductible even if that income would be in excess of the otherwise applicable limits on deductible compensation income under Code Section 162(m).

2013 Plan Benefits and Stock Options Granted Under the 2013 Plan

As of April 29, 2013 no options or other awards have been granted under the 2013 Plan. Future grants under the 2013 Plan will be determined by the Committee and may vary from year to year and from participant to participant and are

not determinable at this time. Future benefits or amounts to be received by or allocated will be determined by future action of the Committee and are not determinable at this time.

Vote Required; Proposed Resolution; Board Recommendation

The following proposed resolution requires the affirmative vote of a majority of the votes cast by the shareholders at the Annual Meeting:

“RESOLVED THAT:

The 2013 Plan, in the form presented to the Shareholders in Appendix A to the Proxy Statement, providing for the issuance of up to 1,750,000 shares of Common Stock of the Company pursuant to the Awards granted under the 2013 Plan is hereby approved.”

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR APPROVAL OF THE 2013 PLAN.

5. ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are asking Solitario shareholders to approve an advisory resolution on the compensation of our Named Executive Officers as disclosed in this Proxy Statement.

As described more fully in the Compensation Discussion and Analysis below, our executive compensation program is structured to align the interests of our executive officers (each of whom maintains a significant shareholder position in our Company) with those of our non-affiliated shareholders and to fairly reward them for creating shareholder value and for achieving our business objectives. Our primary objectives are to retain our executives and have the ability to attract new executives as necessary and to fairly compensate our current executives, including rewarding performance that supports our principles of building shareholder value, and may also recognize individual performance from time to time.

We believe that our executive compensation program, which relies on clear and simple objectives for executive performance and reward, has been effective at incenting the achievement of positive results and strong financial performance by our named executive officers, appropriately aligning pay and performance and in enabling us to attract and retain talented executives within our industry.

We are asking our shareholders to indicate their support for our executive compensation program as described in this Proxy Statement. This proposal gives our shareholders the opportunity to express their views on our fiscal year 2012 executive compensation policies and procedures. It is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the policies and procedures described in this Proxy Statement. Accordingly, in accordance with Section 14A of the Exchange Act we ask our shareholders to approve the following resolution:

“RESOLVED THAT:

Solitario shareholders approve the compensation of Solitario’s named executive officers, as disclosed in this proxy statement, pursuant to the compensation disclosure rules of the Securities and Exchange Commission set forth in Item 402 of Regulation S-K, including, but not limited to, the Compensation Discussion and Analysis, the compensation tables, and any related material disclosed in the proxy statement for the 2013 annual general meeting.”

The advisory vote on executive compensation is not binding on the Company, our Board or our Compensation Committee. However, our Board and the Compensation Committee will review the voting results in connection with their ongoing evaluation of our compensation programs and may consider the outcome of the vote when making future compensation decisions.

At the Company’s 2012 annual meeting of shareholders, the shareholders voted in favor of holding future advisory votes on the Company’s executive officer compensation program every year, and the Company’s Board of Directors subsequently adopted this as its official position. Accordingly, this proposal on the advisory vote on executive compensation is being submitted to obtain the advisory vote of the shareholders in accordance with the Dodd-Frank Act, Section 14A of the Securities Exchange Act and the SEC’s rules. We expect that the next shareholder advisory vote on the Company’s executive compensation program will take place at the annual meeting of shareholders to be held in 2014.

If a quorum is present at the meeting, the affirmative vote of a majority of the votes cast at the meeting will be required for approval of this proposal. Each share of Common Stock is entitled to one vote on this proposal. As noted above, for the purposes of the vote on this proposal, abstentions and broker non-votes will not be counted as votes cast and will have no effect on the result of the vote.

THE BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

6. COMPENSATION DISCUSSION AND ANALYSIS

The following discussion provides information regarding the compensation program for Solitario's Named Executive Officers for 2012.

Objectives of the Corporation's Compensation Program

The Compensation Committee has responsibility for approving the compensation program for Solitario's Named Executive Officers and acts according to a charter that has been approved by the Board and is available on the Company website at www.solitarioxr.com. The compensation program is designed to attract, retain and reward our executives who contribute to Solitario's long-term success. This in turn is intended to build value for Solitario and its shareholders. The program is based upon three fundamental principles:

(1) *A substantial portion of Solitario's Named Executive Officer compensation should be performance and equity-based to achieve alignment with shareholder interests.*

This is accomplished in two ways; first, through the award of stock options or, in the event the 2013 Plan is approved, other equity awards contemplated in the 2013 Plan, in an amount and with such terms that encourages our Named Executive Officers to promote the long-term growth and performance of Solitario in terms of the value of the Company which is ultimately reflected in the price of our stock as quoted on the TSX and the NYSE-MKT. Second, this is also reflected in terms of cash compensation in the form of cash bonuses. These bonuses are entirely set by the Compensation Committee, in their sole discretion, in a range of zero to 100% of base salary. The extent to which bonuses are paid depends entirely on the extent to which the Compensation Committee believes Solitario has met its exploration, budget and shareholder goals, set by the Committee. In December 2012, the Compensation Committee authorized a bonus of \$95,000 to Mr. Herald, \$50,000 to Mr. Maronick and \$65,000 to Mr. Hunt, each of which was paid in December 2012 for the performance of the Named Executive Officers during 2012. In setting the bonus for

2012, the Compensation Committee considered the accomplishments and milestones achieved during 2012 by the Company, including (i) completion of a feasibility study and earning our 80% interest in the Mt. Hamilton project and MH-LLC; (ii) completion of the \$10,000,000 royalty sale financing to Sandstorm Gold, Ltd., (iii) entering into a \$5,000,000 Facility Agreement with RMB Resources Holdings Limited (“RMB”); (iv) completion of the Mt. Hamilton Plan of Operations filed with the United States Forest Service; and (v) the advancement of permitting at Mt. Hamilton and our exploration activities in Latin America. In addition the Compensation Committee took into consideration the fact that no bonus was paid to any Named Executive Officers during 2011.

(2) *Solitario's compensation program for Named Executive Officers should enable the Company to compete for the best executive talent available.*

The Compensation Committee believes shareholders are best served when the Company can attract and retain the highest caliber executives appropriate for a firm of our size and complexity. This is done with competitive and fair compensation packages. Our Named Executive Officers have served Solitario for many years. During 2012, 2011 and 2010 the Compensation Committee reviewed published compensation surveys and publically available compensation disclosures of several of our peer group companies (“Peer Group Companies”) for which Solitario competes for executive talent as the Compensation Committee believes that each of these public companies share some attributes of Solitario with regard to similar size to, and in a similar industry as Solitario. These Peer Group Companies included the following companies:

Atna Resources Inc. Esperanza Resources Corp.
Midway Gold Corp. Pacific Rim Mining Corporation
Great Basin Gold Ltd.

These reviews were not used to create specific benchmarks applicable to our Named Executive Officer compensation levels. These reviews were used to inform the members of the compensation committee of current standards in the industry as such standards may relate, in their independent judgment, to appropriate modifications to Solitario's existing compensation levels in setting new compensation levels. The differences in Solitario's activities, which are more narrowly focused to the development of the Mt. Hamilton project and early stage exploration, compared to the activities of the Peer Group Companies; and the difference in the number of total employees of Solitario, which currently has approximately 20 employees world-wide, compared to the Peer Group Companies, do not lend itself to effective use of specific benchmarks.

Based upon these reviews, the Compensation Committee did not increase the base salary compensation levels for 2012 from 2011. During 2011, the Compensation Committee increased the salary of Mr. Herald for 2011 four percent to \$218,400, the salary of Mr. Maronick for 2011 was increased four percent to \$156,000 and the salary of Mr. Hunt for 2011 was increased 10% to \$165,000. No change was made to the compensation set in 2009 for 2010.

(3) *Solitario's compensation program for Named Executive Officers should be fair to the executive, the Company and all its employees and perceived as such, both internally and externally.*

The Compensation Committee strives to create a compensation program that promotes good corporate practice, encourages our Named Executive Officers to perform at a high level and promotes teamwork among our employees. The Compensation Committee takes these goals into consideration by comparison of executive pay in relation to all other Solitario salary costs for internal consistency, and by comparison to both Peer Group Companies and industry salaries for external consistency. In addition, the compensation program is meant to enhance shareholder value and the Compensation Committee strives to provide transparency and full disclosure to all interested parties.

The Compensation Committee has no authority to recover salary, bonuses or stock option awards or, in the event the 2013 Plan is approved, other equity awards made pursuant to the 2013 Plan made to Named Executive Officers. Although the Compensation Committee has the ability to consider prior compensation (e.g. gains from prior option grants or, in the event the 2013 Plan is approved, other equity awards made pursuant to the 2013 Plan) in setting current compensation, it has no formal procedure or requirement to do so. The Compensation Committee does not set or utilize benchmarks of any kind to set, evaluate or allocate compensation. There have been no actions taken or adjustments made to the process of setting executive compensation discussed herein by the Compensation Committee subsequent to December 31, 2012.

Key Elements of Executive Compensation

The elements of the Company's compensation program are intended to balance long term and short term compensation for its executives and attempt to motivate executives to provide excellent leadership and achieve Company goals by linking short-term (such as salaries and benefits) and long-term incentives (such as equity based compensation) to the achievement of business objectives, thereby aligning the interests of executives and shareholders. The key elements of the compensation of the Company's Named Executive Officers are outlined below.

Base Salary

The Compensation Committee attempts to provide base salary to the Company's Named Executive Officers that is commensurate with their review of our Peer Group Companies, listed above. The Compensation Committee fixed the base salary for the Named Executive Officers for 2012 (which commenced on January 1, 2012) during its meeting in March 2011. Increases or decreases in base salary are dependent on the Compensation Committee's

evaluation of each individual Named Executive Officer performance, the effect of a peer group review, the performance of the entire Company relative to the Company's general goals and objectives, and the Company's current and projected financial resources. No Named Executive Officers receive minimum base salary payments pursuant to any employment, or other, agreements. The Compensation Committee has authority from the Board to set the base salary at any amount it believes is appropriate. Although the Compensation Committee, has used its review of the accomplishments of the Named Executive Officers against general goals of the Company, including planned exploration programs, development of the Mt. Hamilton project, corporate financing activities and the price of a share of Solitario's stock, among other things, the Compensation Committee has full discretion to set compensation levels and has not set specific compensation levels to specific criteria. Some of the general criteria are discussed below.

Bonuses

The Compensation Committee may provide bonuses to the Named Executive Officers, in its sole discretion, based upon their evaluation of the individual Named Executive Officer in light of the certain parameters, including the following:

- (i) Targeted bonuses based upon operational goals and parameters;
- (ii) The desire, discussed above, to provide a substantial portion of compensation based on performance;
- (iii) The performance of the Company relative to Company goals including share price performance; and
- (iv) The financial strength and prospects for the smaller (junior) exploration mining industry.

In establishing its goals for any particular year, the Compensation Committee strives to ensure that the goals provide both an incentive and an attainable goal that provides shareholders with the opportunity for return on their investment while minimizing corporate and shareholder risk to the extent possible. Although certain targets and goals related to potential property acquisitions and/or potential merger or acquisition activities, if any, are confidential, the Compensation Committee has structured these types of goals to be reasonable and obtainable by our Named Executive Officers, without undue risk to the assets of Solitario. Due to the nature of Solitario's corporate activities relating to (i) the ongoing development of Mt. Hamilton, including completion of a feasibility study in February 2012 and ongoing permitting and other related activities and (ii) early-stage exploration of mineral properties located in Peru, Mexico and Brazil; the goals for Solitario's Named Executive Officers are not specifically related to traditional financial metrics, such as revenue growth, earnings or earnings per share. The targets and goals are more subjective and generally include the negotiation and signing of land and royalty joint ventures on our existing properties, including Mt. Hamilton, the development activities, including obtaining adequate financing for our Mt. Hamilton project, exploration activities and success, both on our own and through joint ventures, acquisition of additional exploration properties, training and retaining employees, maintaining adequate liquidity to fund future exploration activities, financial reporting and disclosure, and shareholder return. The Compensation Committee also evaluates the financial strength and prospects for the junior exploration segment of the mining industry. The Compensation Committee reviews the annual goals with the named executives at or near the start of each year. The evaluation of the performance of our Named Executive Officers, relative to the goals outlined herein, has been and is expected to continue to be at the discretion of the Compensation Committee. In December 2012, the Compensation Committee determined that the bonuses discussed above were earned during 2012 based upon an analysis of the accomplishments and milestones achieved during 2012 discussed above.

Equity

To date, the only equity compensation our Named Executive Officers receive is in the form of stock options pursuant to the 2006 Plan, with the exercise price of such options set at the current market value of our publicly traded stock (as defined) in the 2006 Plan. The Compensation Committee believes that a substantial portion of our Named Executive Officers' compensation should be performance based upon and tied to the long term value of the Company. The Compensation Committee also believes that our compensation policies should be fair to our shareholders, and be focused on our long-term viability. The Compensation Committee believes the granting of stock options or other forms of equity based compensation Plan aligns the interests of the Named Executive Officers

and our shareholders and provides the incentive to manage the Company from the perspective of an owner of the Company. In addition, the Compensation Committee believes the vesting terms of the stock options granted from the 2006 Plan, discussed below, provide that a significant portion of the compensation will be received at a future date, which provides a tempered longer-term incentive for our Named Executive Officers as well as an incentive for them to remain with the Company.

To date, the amount of all individual grants and the grant date of the stock options have been determined each year at a meeting of the Compensation Committee at the discretion of the Compensation Committee, usually after the completion of the annual meeting of shareholders. All grants to date are as of the date of the approval by the Compensation Committee (or the full Board, if requested by the Compensation Committee) at the market value on the date of grant. To date, all grants from the 2006 Plan vest 25% on the date of grant and the remaining options vest at 25% per year on the anniversary of the grant over a three-year period. The full Board, at the request of the Compensation Committee, determined 165,000 options, in total, would be granted during the year ended December 31, 2012 of which \$25,000 options were awarded to Mr. Herald and 20,000 options were awarded to each of Mr. Hunt and Mr. Maronick.

In the future, if the shareholders approve the 2013 Plan at the Annual Meeting our officers and directors may receive equity based awards pursuant to that plan, which may take the form of stock options or the other forms of awards that are generally described in this Proxy Statement. However, as of the date of this Proxy Statement neither the Board nor Compensation Committee has considered any potential grants under the 2013 Plan and does not have any immediate plans to make awards from the 2013 Plan to the Named Executive Officers or other persons.

Allocation between the Key Elements of Compensation

The Compensation Committee has complete discretion in allocating total compensation between the key elements of compensation discussed above. Each of the individual components of compensation is evaluated by the Compensation Committee independently and each component is not evaluated based upon the other components. The Compensation Committee has not developed a set formula (such as fair value of equity compensation to equal 50% of base salary) to allocate the elements of compensation to each individual Named Executive Officer.

Employment Agreements

None of our Named Executive Officers have ongoing employment agreements other than individual Change in Control Severance Benefits Agreements, discussed below.

Change in Control Agreements

The Compensation Committee and Solitario consider it essential to the best interest of its shareholders to foster the continuous employment of key management personnel. In this regard, the Compensation Committee and Board recognize that, as is the case with many publicly held corporations and their subsidiaries, the possibility of a change in control may exist and that such possibility, and the uncertainty and questions which it may raise among management, may result in the departure or distraction of management personnel to the detriment of the Company and its shareholders.

Accordingly, on March 14, 2007, the Compensation Committee approved separate Change in Control Severance Benefits Agreements (each a "CIC") for each of the persons serving as our Named Executive Officers, Mr. Herald, Mr. Maronick and Mr. Hunt. Each CIC provides for the payment of severance benefits if the employment of one of the Named Executive Officers is terminated for a period of three years following the last day of the month in which a Change in Control of Solitario occurs (as defined in the CIC) equal to 2.5 times the base salary of the Named Executive Officer. In addition any unvested stock options held by the Named Executive Officer will vest upon the Change in Control. The CIC provides an additional gross up for any taxes due as a result of Excise Tax, as defined by Section 4999 of the Code.

Generally, the CIC defines a "Change in Control" as (i) a person acquiring more than 50% of the outstanding stock of the Company, (ii) the shareholders of the Company approving a merger or acquisition whereby more than

50% of the outstanding shares held prior to the vote will be held by a new person or corporation, (iii) the shareholders of the Company approving the sale or disposition of substantially all of the company's assets or (iv) the shareholders of the Company approving a plan of liquidation or dissolution of the Company.

The Change in Control benefits are to be paid after a change in control if the Named Executive Officer terminates his employment for "good reason," or is terminated by the Corporation, other than for "cause." "Good reason" is generally defined as a reduction in the compensation, level of responsibility or forced relocation, among other things. "Cause" is generally defined in the CIC as the conviction of a felony, gross and willful failure to perform assigned duties, and dishonest conduct that is intentional and materially injurious to the Company.

Tax Implications of Executive Compensation

Under Section 162(m) of the Code, the Company generally receives a tax deduction for compensation on payments which total less than \$1,000,000 paid to our Named Executive Officers, unless that compensation is performance based. The total non-performance based compensation for any of our Named Executive Officers did not exceed \$1,000,000 during 2012, nor do we anticipate it will exceed \$1,000,000 for the foreseeable future.

Stock Ownership Guidelines

Solitario has not established formal stock ownership guidelines for our Named Executive Officers. The Company's Insider Trading Policy prohibits the Named Executive Officers, as well as other insiders, who may have access to material inside information, from purchasing, selling, entering into short sale transactions, engaging in hedging or offsetting transactions regarding Solitario's common stock during periods where such persons have access to material inside information.

Compensation Policies with Regard to Risk Management

Solitario's Board is responsible for the overall risk management of the Company. Solitario is subject to the inherent risks involved in the exploration and development of mineral properties and shareholders should carefully review Item 1A, "Risk Factors," in our 2012 Annual Report on Form 10-K. However, Solitario does not have any compensation plans or incentives for our Named Executive Officers or any employee for any risk taking activity or risk management activities. Solitario does not engage in activities that have traditional incentives for financial risk taking activities, such as buying or selling derivatives or other similar instruments, other than our limited use of derivatives to reduce our exposure to our holdings of Kinross common stock.

Role of the Chief Executive Officer in Compensation Decisions

The Chief Executive Officer annually reviews the performance of all other Named Executive Officers. The performance of the Chief Executive Officer is reviewed by the Chairman of the Compensation Committee. The conclusions and recommendations, which include salary, bonus and equity grants, if any, are presented to the Compensation Committee, which has absolute discretion in modifying or applying any of the recommendations for the Named Executive Officers. The Compensation Committee presents its conclusions and recommendations to the Board for their input and review.

10. POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

As noted under "Compensation Discussion and Analysis" in this Proxy Statement, the Company entered into certain change in control agreements on March 14, 2007 with the following Named Executive Officers: Christopher E. Herald, James R. Maronick and Walter H. Hunt (as defined above, each a "CIC"). The terms of the change in control agreements are more fully described under "Change in Control Agreements" in the "Compensation Discussion and Analysis" section of this Proxy Statement. Described below are the potential payments to each Named Executive Officer, in the event of an assumed change in control as defined in the applicable CIC", as of December 31, 2012.

Name	Salary(1)	Stock option vesting (2)	Tax gross up(3)	Total
Christopher E. Herald, CEO	\$546,000	\$ 187	\$ -	\$546,187
James R. Maronick, CFO	390,000	150	-	390,150
Walter H. Hunt, COO	412,500	150	-	412,150

(1) Two and one half times base salary as of December 31, 2012. Paid as a lump sum payment.

(2) The price of a share of our common stock on December 31, 2012 as quoted on the TSX was Cdn\$1.50 and is below the exercise price of all options owned by our Named Executive Officers on that date except the Cdn\$1.49 share options. The amounts listed represent total intrinsic value from the acceleration of only those unvested Cdn\$1.49 options owned by the Named Executive Officer as of December 31, 2012.

(3) The change in control provides for a gross-up for taxes in the event the combined salary and all other compensation, triggered by a change in control, results in Excise Tax, as defined by Section 4999 of the Code. The CIC provide for additional cash compensation to pay the Named Executive Officer for the Excise Tax, which is 20% of all compensation in excess of the base salary amount, when the total payments, including the fair value from acceleration of vesting for unvested options, under the CIC exceed three times base salary. We have estimated that no tax gross up would have been due or payable as of December 31, 2012 because the total compensation, including the fair value from the acceleration of all outstanding unvested options would not exceed three times the base salary.

11. INVOLVEMENT IN CERTAIN LEGAL PROCEEDINGS

Policy Regarding Related Party Transactions

Related persons include the Company's executive officers, directors, 5% or more beneficial owners of the Company's common stock, immediate family members of these

Pre-approval of Audit Fees

On an annual basis the Audit Committee approves the proposed audit services and the fees related thereto by our independent auditors in advance of the year of service in accordance with the pre-approval policy adopted by the Audit Committee. All other fees are pre-approved on an ongoing basis as required. The Audit Committee pre-approval policy requires that the Audit Committee determine that proposed services and related fees are required and

reasonable under the circumstances. All of the fees billed to Solitario by EKSH LLLP during 2012 and 2011 were pre-approved by the audit committee pursuant to the Audit Committee pre-approval policy. The Audit Committee considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence and has determined that the provision is compatible.

15. APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting our shareholders are being asked to ratify the selection of EKSH LLLP as our independent registered public accounting firm and to continue as such for fiscal year 2013. Although the Company is not required to submit the selection of independent registered public accountants for shareholder approval, if the appointment of EKSH LLLP as our independent registered public accounting firm for the year 2013 is not ratified by shareholders, the Audit Committee will reconsider its appointment. The Board considers EKSH LLLP to be well qualified to serve as the independent auditors for the Company; however, even if the selection is ratified, our Board may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee and Board determine that the change would be in our best interests. Representatives of EKSH LLLP are expected to be present at the Annual Meeting to make a statement and to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE SELECTION OF EKSH LLLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

16. INCORPORATION BY REFERENCE

The reports of the Compensation Committee and Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 (the "Securities Act") or the Exchange Act, except to the extent we specifically incorporate this information by reference, and shall not otherwise be deemed filed under the Securities Act or the Exchange Act.

17. PROPOSALS OF SHAREHOLDERS

Shareholder proposals intended to be included in Solitario's Proxy Statement for the 2014 Annual Meeting of Shareholders must be received by Solitario prior to January 1, 2014 in order for the proposal to be considered for inclusion in the proxy statement and form of proxy relating to the 2014 annual meeting. If the date of next year's annual meeting is changed by more than 30 days from June 18, 2014, the deadline will be a reasonable time before we print and mail our proxy materials. However, we are not required to include in our proxy statement and form of proxy for the 2014 annual meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the SEC in effect at the time the proposal is received. Under Solitario's Bylaws, in order for any stockholder proposal that is not included in such proxy statement and form of proxy to be brought before the 2014 annual meeting, such proposal must be received by the Secretary of Solitario at our principal executive offices at 4251 Kipling Street, Suite 390, Wheat Ridge, CO 80033 not less than 60 days nor more than 90 days before the annual meeting; however, if less than 70 days' notice or public disclosure of the date of the 2014 meeting is given, the written notice must be delivered to the Corporate Secretary no later than the close of business on the 10th day after notice of the meeting was mailed or notice was publicly disclosed, whichever is earlier. The notice must contain certain information as to the proposal and the shareholder, including the share ownership of the shareholder and any financial interest in the proposal. If a timely proposal is received, the Board may exercise any discretionary authority granted by the proxies to be solicited on behalf of the Board in connection with such proposal at the 2014 annual meeting.

No shareholder proposals for the 2013 Annual Meeting had been received by Solitario prior to the date of this Proxy Statement.

18. OTHER BUSINESS

Solitario knows of no other business to be presented at the meeting. If any other business properly comes before the meeting, it is intended that the shares represented by proxies will be voted with respect thereto in accordance with the best judgment of the person named in the accompanying form of proxy.

19. DELIVERY OF DOCUMENTS TO SHAREHOLDERS SHARING AN ADDRESS

Only one Proxy Statement and Annual Report is being delivered to shareholders sharing an address unless we have received contrary instructions from one or more of the shareholders. Upon the written or oral request of a shareholder, we will deliver promptly a separate copy of the Proxy Statement and Annual Report to shareholders at a shared address to which a single copy was delivered. Shareholders desiring to receive a separate copy in the future may contact us by mail at 4251 Kipling Street, Suite 390, Wheat Ridge, CO 80033 or by telephone (303) 534-1030.

3. Shares Available for Awards; Cash Payable Pursuant to Awards.

(a) Shares Available. Subject to adjustment as provided in Section 3(c), the aggregate number of Shares that may be issued under the Plan shall be 1,750,000. No adjustment shall decrease the number of shares issuable pursuant to the Plan below the number of Shares that have been issued pursuant to the Plan plus the number of Shares underlying outstanding awards. (ii) Shares to be issued under the Plan may be either authorized but unissued Shares or Shares re-acquired and held in treasury. (iii) Notwithstanding the foregoing, the number of Shares available for granting Incentive Stock Options under the Plan shall not

4

exceed the aggregate number of Shares that may be issued under the Plan, subject to adjustment as provided in Section 3(c) of the Plan and subject to the provisions of Section 422 or 424 of the Code or any successor provision. Shares tendered by Participants as full or partial payment to the Company upon exercise of an Award, and Shares withheld by or otherwise remitted to the Company to satisfy a Participant's tax withholding obligations with respect to an Award, shall become available for issuance under the Plan.

(b) Accounting for Awards. For purposes of this **Section 3**, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. If any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan. Awards that do not entitle the holder thereof to receive or purchase Shares, and Awards that are denominated at the time of grant as payable only in cash and that are settled in cash, shall not be counted against the aggregate number of Shares available for Awards under the Plan.

(c) Adjustments. In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of:

(i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, and

(ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards;

provided, however, that no such adjustment shall be made to any Award to the extent that it would, in the view of the Company, cause such Award to be subject to Section 409A of the Code, and the number of Shares covered by any Award or to which such Award relates shall always be a whole number.

(d) Code Section 162(m) Award Limitations Under the Plan. Subject to adjustment as provided in Section 4(c), no Participant may be granted (i) Options or Stock Appreciation Rights with respect to more than 100,000 Shares per year or (ii) Restricted Stock Awards, Restricted Stock Unit Awards, and/or Other Share-Based Awards that are intended to comply with the performance-based exception under Code Section 162(m) and are denominated in Shares with respect to more than 100,000 Shares per year.

4. Conditions for Grant of Awards.

(a) Without limiting the generality of the provisions hereof which deal specifically with each form of Award, Awards shall only be granted to such one or more Eligible Persons as shall be selected by the Committee.

(b) In granting Awards, the Committee shall take into consideration the contribution the Eligible Person has made or may be reasonably expected to make to the success of the Company and such other factors as the Committee shall determine. The Committee shall also have the authority to consult with and receive recommendations from officers and other personnel of the Company with regard to these matters. The Committee may from time to time in granting

Awards under this Plan prescribe such terms and conditions concerning such Awards as it deems appropriate, including, without limitation, relating an Award to achievement of specific goals established by the Committee or, subject to **Section 4(d)**, to the continued employment of the Eligible Person for a specified period of time, provided that such terms and conditions are not inconsistent with the provisions of this Plan.

- (c) Incentive Stock Options may be granted only to Employees, and all other Awards may be granted to any Eligible Person.
- (d) This Plan shall not confer upon any Holder any right with respect to continuation of employment by the Company, or any right to provide services to the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate his or her employment at any time.
- (e) The Awards granted to Eligible Persons shall be in addition to regular salaries, or other benefits (if any) related to their service to the Company, and nothing herein shall be deemed to limit the ability of the Company to enter into any other compensation arrangements with any Eligible Person.
- (f) The Administrator shall determine in each case whether periods of military or government service shall constitute a continuation of employment or service for the purposes of this Plan or any Award.
- (g) Notwithstanding any provision hereof to the contrary, each Award which in whole or in part involves the issuance of Reserved Shares may, in the sole discretion of the Committee, provide for the issuance of such Reserved Shares in cash consideration in lieu of the issuance of Shares. Reserved Shares paid in cash consideration in lieu of the issuance of Shares will be available for reissuance under this Plan.
- (h) The Committee may delegate in writing to the Administrator the authority to grant Awards to new Employees of the Company, provided that such authority contains limits on the maximum amount or number of Awards (on both an individual basis and, if the Committee so designates, on an aggregate basis) that the Administrator may grant under such authority. Such authority shall also designate the terms and conditions for these grants.

5. Grant of Options.

- (a) The Committee may grant Options to Eligible Persons from time to time, alone, in addition to, or in tandem with, other Awards granted under this Plan. An Option granted hereunder shall be either an Incentive Stock Option or a Non-Qualified Stock Option, and shall clearly state whether it is (in whole or in part) an Incentive Stock Option or a Non-Qualified Stock Option; provided, that failure of an Option designated as an Incentive Stock Option to qualify as an Incentive Stock Option will not affect its validity, and the portion which does not qualify as an Incentive Stock Option shall be a Non-Qualified Stock Option.
- (b) If both Incentive Stock Options and Non-Qualified Stock Options are granted to a Holder, the right to exercise, to the full extent thereof, Options of either type shall not be contingent in whole or in part upon the exercise of, or failure to exercise, Options of the other type.
- (c) The aggregate Fair Market Value (determined as of the Date of Grant) of the Reserved Shares with respect to which any Incentive Stock Option is exercisable for the first time by a Holder during any Plan Year under this Plan and all such plans of the Company (as defined in Section 424 of the Code) shall not exceed \$100,000; provided, without limitation, that any portion of an Option designated as an Incentive Stock Option which exceeds such \$100,000 limit will, notwithstanding such designation, be a validly granted Non-Qualified Stock Option.
- (d) The Committee may at any time offer to buy out, for a payment in cash, an Option previously granted, based on such terms and conditions as the Committee shall establish and as communicated to the Holder by the Administrator at the time that such offer is made and that any such offer will be subject to and comply with any restrictions of the Toronto Stock Exchange or NYSE MKT (or other national securities exchange upon which the Company's securities are listed for trading) and provided that no such offer or payment may be made in a manner that would violate the

prohibition of the Toronto Stock Exchange or NYSE MKT (or other national securities exchange upon which the Company's securities are listed for trading) against the repricing of "underwater" options (options with an exercise price above the then-current price of the Common Stock on the NYSE MKT) without shareholder approval.

6. Option Price.

(a) The Option Price shall be any price determined by the Committee which is not less than one hundred percent (100%) of the Fair Market Value per Share on the Date of Grant; provided, however, that in the case of an Incentive Stock Option granted to a 10% Person the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value per Share on the Date of Grant. The Administrator shall determine the Fair Market Value per Share in accordance with the terms set forth in the definition thereof.

(b) Unless further limited by the Committee in any Option, the Option Price may be paid in cash, by certified or cashier's check, by wire transfer, by money order, or by a combination of the above; provided, however, that the Administrator may accept a personal check in full or partial payment.

7. Exercise of Options.

An Option shall be deemed exercised when (i) the Administrator has received written notice of such exercise in accordance with the terms of the Option, and (ii) full payment of the aggregate Option Price plus required withholding tax amounts, if any, described in **Section 14**, of the Reserved Shares as to which the Option is exercised has been made. Separate stock certificates shall be issued by the Company for any Reserved Shares acquired as a result of exercising an Incentive Stock Option and a Non-Qualified Stock Option.

8. Vesting of Options.

(a) Without limitation, each Option shall Vest in whole or in part, and Reserved Shares subject to such Option shall become Vested Option Shares, or shall expire, according to the terms of the Option as expressly provided in such Option.

(b) The Committee, in its sole discretion, may accelerate the date on which all or any portion of an otherwise unvested Option shall Vest or restrictions on Restricted Shares will lapse.

9. Termination of Option Period.

(a) Unless the terms of an Option expressly provide for a different date of termination, the unexercised portion of an Option shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following:

- (1) on the ninetieth (90th) day following Holder's Separation for any reason except death, Disability or for Cause; or
- (2) immediately upon Separation as a result, in whole or in material part, of a discharge for Cause; or
- (3) on the first (1st) anniversary of a Separation by reason of death or Disability; or
- (4) in the case of a 10% Person, on the fifth (5th) anniversary of the Date of Grant; or
- (5) on the tenth (10th) anniversary of the Date of Grant.

(b) Notwithstanding any provision of this Plan to the contrary, in the event of the proposed dissolution or liquidation of the Company, or in the event of a proposed sale of all or substantially all of the assets of the Company, or the proposed merger of the Company with or into another corporation (each a "**Transaction**"), unless otherwise expressly

provided (by express reference to this **Section 9(b)**) in the terms of an Option, after the public announcement of the Transaction, the Committee may, in its sole discretion, direct the Administrator to deliver a written notice (“**Cancellation Notice**”) to any Holder of an Option, canceling the unexercised Vested portion (including the portion which becomes Vested by reason of acceleration or by virtue of the Transaction being proposed), if any, of such Option, effective on the date specified in the Cancellation Notice (“**Cancellation Date**”). Notwithstanding the foregoing, the Cancellation Date may not be earlier than the last to occur of (i) the fifteenth (15th) day following delivery of

7

the Cancellation Notice, and (ii) the sixtieth (60th) day prior to the proposed date for the consummation of the Transaction (“**Proposed Date**”). Without limitation, the Cancellation Notice will provide that, unless the Holder elects in writing to waive, in whole or in part, a Conditional Exercise, that the exercise of the Option will be a Conditional Exercise, provided that the Holder will not be entitled to waive an exercise of an Option being a Conditional Exercise to the extent such exercise covers a portion of an Option which becomes Vested solely by virtue of the applicable Transaction being proposed. A “**Conditional Exercise**” shall mean that in the event the Transaction does not occur within one hundred eighty (180) days of the Proposed Date, the exercising Holder shall be refunded any amounts paid to exercise such Holder’s Option, such Option will be reissued, and the purported exercise of such Option shall be null and void ab initio.

10. **Acceleration.**

(a) Unless otherwise expressly provided in the Award, in the event the Holder’s Separation is by reason of the Holder’s death, or Disability, all Awards granted to the Holder shall become fully exercisable, Vested, or the Restricted Period shall terminate, as the case may be (hereafter, in this **Section 10**, such Award shall be “accelerated”).

(b) Unless otherwise expressly provided in an Award, in the event of a Change in Control (i) all Awards shall be accelerated, and (ii) in the sole discretion of the Committee, the value of some or all Awards may be cashed out on the basis of the Change in Control Price, and in the case of an Option, the Change in Control price less the Option Price, at any time during the sixty (60) day period immediately preceding any bona fide transaction related to a Change in Control; provided, that if a date prior to such occurrence is selected for a cash out, any subsequent increase in the Change in Control Price will be paid to each Holder on the date of such occurrence, or as soon thereafter as reasonably possible, but not later than seventy-five (75) days from the occurrence of the Change in Control.

11. **Transferability of Awards.**

(a) Awards made under this Plan shall not be transferable by the Holder other than by will or the laws of descent and distribution, and so long as a Holder lives, only such Holder or his or her guardian or legal representative shall have the right to exercise any Award that is an Incentive Stock Option.

With respect to Awards made under this Plan (other than Incentive Stock Options), a Holder may file with the Administrator a written designation, on such form as may be prescribed by the Administrator, of the person(s) that in the event of the Holder’s death are authorized to (i) exercise any Options or SARs awarded to the Holder and to receive Holder’s rights pursuant to Holder’s Awards and/or (ii) receive payment of any cash awards awarded to the Holder. To the extent that the Holder has completed such a designation for Awards made under this Plan, such designation will remain in effect and shall prevail with respect to any Award issued hereunder until changed in writing by the Holder, which Holder may do at any time by written notice to the Administrator, to the extent enforceable under Applicable Laws. In the event that the Holder has filed no such designation with respect to the Holder’s Awards under this Plan, or where the person(s) designated by the Holder has dissolved or predeceases him or her (as applicable), the Company will allow the legal representative of the Holder’s estate to exercise any and all rights under an Award, and the Holder’s estate may receive any corresponding issuance of Reserved Shares or other payment authorized under the terms of this Plan.

(b) In order to avoid the termination of Non-Qualified Stock Options or SARs following the death of a Holder, any and all outstanding Non-Qualified Stock Options or SARs which become Vested upon the Holder’s death are deemed to be exercised on the day immediately prior to the first anniversary of the Holder’s Separation by death if not exercised before that date, with any subsequent transfer by the Company to the then Holder of Reserved Shares to be made as soon as practicable, but within 75 days after the deemed exercise of the Non-Qualified Stock Options or SARs. Without limitation, any exercise under this **Section 11(b)** of any and all Non-Qualified Stock Options shall be

effectuated by the Company on behalf of the Holder whereby the Administrator shall concurrently provide irrevocable written instructions to (a) an Administrator designated brokerage firm to effect the immediate sale of the Reserved Shares and remit to the Administrator, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate Option Price plus all applicable federal, state and local income and employment taxes required to be withheld by the Company, and (b) the Administrator to deliver the remaining proceeds from the sale of

the Reserved Shares exercised directly to Holder's estate. Any and all SARs exercised under this **Section 11(b)** shall be deemed to comply with the exercise requirements of **Section 16(c)**. Any Options or SARs exercised pursuant to this **Section 11(b)** shall be exercised only if "in the money" as determined by the Administrator.

12. Issuance of Reserved Shares.

No Holder shall be, or have any of the rights or privileges of, the owner of Reserved Shares subject to an Award unless and until certificates representing the Common Stock shall have been issued and delivered to such Holder. As a condition of any issuance of Common Stock, the Administrator may obtain such agreements or undertakings, if any, as the Administrator may deem necessary or advisable to assure compliance with any law or regulation or shareholder agreement including, but not limited to, a representation, warranty or agreement to be bound by any legends that are, in the opinion of the Administrator, necessary or appropriate to comply with the provisions of any securities law deemed by the Administrator to be applicable to the issuance of the Reserved Shares and which are endorsed upon the Share certificates.

Share certificates issued to the Holder receiving such Reserved Shares who is a party to any shareholders agreement, voting trust, or any similar agreement shall bear the legends contained in such agreements. Notwithstanding any provision hereof to the contrary, no Reserved Shares shall be required to be issued with respect to an Award unless counsel for the Company shall be reasonably satisfied that such issuance will be in compliance with applicable federal or state securities laws.

In no event shall the Company be required to sell or issue Reserved Shares under any Award if the sale or issuance thereof would constitute a violation of applicable federal or state securities law or regulation or a violation of any other law or regulation of any governmental authority or any national securities exchange. As a condition to any sale or issuance of Reserved Shares, the Company may place legends on Reserved Shares, issue stop transfer orders, and require such agreements or undertakings as the Company may deem necessary or advisable to assure compliance with any such law or regulation.

The Company shall use its best efforts to register the Reserved Shares with the Securities and Exchange Commission under a Form S-8.

13. Administration of this Plan.

(a) This Plan shall be administered by the Committee and, except for the powers reserved to the Board in **Section 19** hereof, the Committee shall have all of the administrative powers under this Plan. Without limitation, all members of the Committee must be independent Directors under applicable rules of the New York Stock Exchange Market.

(b) The Committee, from time to time, may adopt rules and regulations for carrying out the purposes of this Plan and, without limitation, may delegate all of what, in its sole discretion, it determines to be primarily administrative or ministerial duties to the Administrator. The determinations under, and the interpretations of, any provision of this Plan or an Award by the Committee (or the Administrator in the exercise of his administrative authority) shall, in all cases, be in its sole discretion, and shall be final and conclusive.

(c) Any and all determinations and interpretations of the Committee shall be made either (i) by a majority vote of the members of the Committee at a meeting duly called, with at least two (2) days prior notice, or (ii) without a meeting, by the written approval of all members of the Committee.

(d) No member of the Committee, or the Administrator, shall be liable for any action taken or omitted to be taken by such member or by any other member of the Committee or by the Administrator with respect to this Plan, and to the

extent of liabilities not otherwise insured under a policy purchased by the Company, the Company does hereby indemnify and agree to defend and save harmless any member of the Committee, and the Administrator, with respect to any liabilities asserted or incurred in connection with the exercise and performance of their powers and duties hereunder, unless such liabilities are judicially determined to have arisen out of such person's gross negligence, fraud or bad faith. Such indemnification

shall include attorney's fees and all other costs and expenses reasonably incurred in defense of any action arising from such act of commission or omission. Nothing herein shall be deemed to limit the Company's ability to insure itself with respect to its obligations hereunder.

(e) In particular, and without limitation, except for the authority granted to the Administrator under **Section 4(h)** to make determinations described in subsections (i), (ii), and (iii) below while carrying out the general delegation by the Committee with respect to the grant of Awards to new Employees, the Committee shall have the sole authority, consistent with the terms of this Plan:

(i) to determine whether and to what extent Awards are to be granted hereunder to one or more Eligible Persons;

(ii) to determine the number of Reserved Shares to be covered by each such Award granted hereunder;

(iii) to determine the terms and conditions of any Award granted hereunder, and to amend or waive any such terms and conditions except to the extent, if any, expressly prohibited by this Plan;

(iv) to determine whether, to what extent, and under what circumstances Awards under this Plan are to be made, and operate, on a tandem basis with other Awards under this Plan; and

(v) to determine (or to delegate to the Administrator the authority to determine) whether to permit payment of tax withholding requirements in Shares.

(f) Without limitation, the Committee (and the Administrator in carrying out its responsibilities under **Section 4(h)**) shall have the authority to adopt, alter, and repeal any or all of its rules, guidelines, and practices with respect to this Plan, and all questions of interpretation, with respect to this Plan or any Award shall be decided by the Committee (or by the Administrator in carrying out its duties under Section 4(h)), whose decision shall be final, conclusive and binding upon the Company and each other affected party.

(g) Without limitation, the Committee in its sole discretion may limit the authority granted, or previously granted, hereunder by the Committee to the Administrator by notifying the Administrator in writing of such change.

14. **Tax Withholding.**

On or immediately prior to the date on which a payment is made to a Holder hereunder or, if earlier, the date on which an amount is required to be included in the income of the Holder as a result of an Award, the Holder shall be required to pay to the Company, in cash, the amount (if any) which the Company reasonably determines to be necessary in order for the Company to comply with applicable federal or state tax withholding requirements, and the collection of employment taxes; provided, further, without limitation, that the Administrator may require that such payment be made in cash.

15. **Restricted Share Awards.**

(a) The Committee may grant Restricted Share Awards to any Eligible Person, for no cash consideration, for such minimum consideration as may be required by applicable law, or for such cash consideration as may be specified in the grant. The terms and conditions of Restricted Share Awards shall be specified in the Award. The Committee, in its sole discretion, shall determine what rights, if any, the person to whom a Restricted Share Award is made shall have in the Restricted Shares during the Restricted Period and the Restrictions applicable to the particular Award, including, without limitation, that the holder of the Restricted Shares shall not have the right to vote the Restricted Shares and the extent, if any, of Holder's right to receive Restricted Share Distributions. Unless otherwise provided in the Restricted

Share Award, upon the expiration of Restrictions, the Restricted Shares shall cease to be Restricted Shares.

(b) Generally, the Restrictions on Restricted Share Awards shall lapse in whole, or in installments, over whatever Restricted Period shall be selected by the Committee.

(c) Without limitations, the Committee may issue Restricted Shares Awards that vest upon grant, or may accelerate the date on which Restrictions lapse, are waived or are accelerated with respect to Restricted Share Awards which comprise five percent (5%) or less of the total number of Reserved Shares authorized for issuance under this Plan under the first sentence of **Section 3(a)**.

(d) During the Restricted Period, the certificates representing the Restricted Shares, and any Restricted Share Distributions, shall be registered in the Holder's name and bear a restrictive legend disclosing the Restrictions, the existence of this Plan, and the existence of such Restricted Share Award. Such certificates shall be deposited by the Holder with the Company, together with stock powers or other instruments of assignment, each endorsed in blank, which will permit the transfer to the Company of all or any portion of the Restricted Shares, and any assets constituting Restricted Share Distributions, which shall be forfeited in accordance with the terms of such Restricted Share Award. Restricted Shares shall constitute issued and outstanding Common Stock for all corporate purposes and the Holder shall have all rights, powers and privileges of a holder of unrestricted Shares except those that are expressly excluded under the terms of the Restricted Share Award. The Holder will not be entitled to delivery of the stock certificates until all Restrictions shall have terminated, and the Company will retain custody of all related Restricted Share Distributions (which will be subject to the same Restrictions, terms, and conditions as the related Restricted Shares) until the conclusion of the Restricted Period with respect to the related Restricted Shares; provided, that any Restricted Share Distributions shall not bear interest or be segregated into a separate account but shall remain a general asset of the Company, subject to the claims of the Company's creditors, until the conclusion of the applicable Restricted Period; provided, further, that any material breach of any terms of the Restricted Share Award, as reasonably determined by the Administrator, will cause a forfeiture of both Restricted Shares and Restricted Share Distributions.

(e) The terms and conditions of Restricted Stock Units shall be reflected in an Award agreement. No shares of Common Stock shall be issued at the time a Restricted Stock Unit is granted, and the Company will not be required to set aside a fund for the payment of any such Award. An Eligible Person shall have no voting rights with respect to any Restricted Stock Units granted hereunder.

(f) Restricted Stock Units awarded to any Eligible Person shall be subject to (A) forfeiture until the expiration of the Restricted Period, and satisfaction of any applicable Performance Measures during such period, to the extent provided in the applicable Award agreement, and to the extent such Restricted Stock Units are forfeited, all rights of the Eligible Person to such Restricted Stock Units shall terminate without further obligation on the part of the Company and (B) such other terms and conditions as may be set forth in the applicable Award agreement. The Committee shall have the authority to remove any or all of the restrictions on the Restricted Stock Units whenever it may determine that, by reason of changes in Applicable Laws or other changes in circumstances arising after the date the Restricted Stock Units are granted, such action is appropriate.

(g) At the discretion of the Committee, vested Restricted Stock Units may be credited with Dividend Equivalents. Dividend Equivalents payable on Restricted Stock Units shall be subject to the same restrictions and vesting requirements as the underlying Common Stock with respect to which the Dividend Equivalents are paid, and will be paid or distributed at the same time as the Restricted Stock Units are settled or paid. If the Restricted Stock Unit with respect to which the Dividend Equivalent is paid is forfeited, such Dividend Equivalent also shall be forfeited. Dividend Equivalents shall be settled either in cash or in Common Stock, at the discretion of the Committee.

(h) Upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Eligible Person, or his or her beneficiary, without charge, one share of Common Stock for each such outstanding Restricted Stock Unit and either cash equal to any Dividend Equivalents credited with respect to each such Restricted Stock Unit in accordance with **Section 15(g)** hereof, or in shares of Common Stock having a Fair Market Value equal to such Dividend Equivalents, provided, however, that, if explicitly provided in the applicable Award Agreement, the Committee may, in its sole discretion, elect to pay cash or part cash and part Common Stock in lieu of delivering only shares of Common Stock for Restricted Stock Units. If a cash payment is made in lieu of delivering shares of

Common Stock, the amount of such payment shall be equal to the Fair Market Value of the Common Stock as of the date on which the Restricted Period lapsed with respect to each Restricted Stock Unit.

16. Stock Appreciation Rights (“SAR”).

(a) The Committee shall have authority to grant a SAR with respect to Reserved Shares, including, without limitation, Reserved Shares covered by any Option (“**Related Option**”). A SAR granted with respect to a Related Option must be granted on the Date of Grant of such Related Option.

(b) For the purposes of this Plan, the following definitions shall apply:

(i) The term “**SAR**” shall mean a right granted under this Plan, including, without limitation, a right granted in tandem with an Award that shall entitle the Holder thereof to an amount equal to the SAR Spread payable as described in this Section 16(d).

(ii) The term “**SAR Spread**” shall mean with respect to each SAR an amount equal to the product of (1) the excess of (A) the Fair Market Value per Share on the date of exercise, over (B) the Agreed Price which, without limitation, is the Fair Market Value of the Reserved Shares on the Date of Grant, in each case multiplied by (2) the number of Reserved Shares with respect to which such SAR is being exercised.

(c) To exercise the SAR the Holder shall:

(i) Give written notice thereof to the Company, specifying the SAR being exercised and the number of Reserved Shares with respect to which such SAR is being exercised, and

(ii) If requested by the Company, deliver within a reasonable time the agreement evidencing the SAR being exercised and, if applicable, the Related Option agreement, to the Secretary of the Company who shall endorse or cause to be endorsed thereon a notation of such exercise and return all agreements to the Holder.

(d) As soon as practicable, after the exercise of a SAR, the Holder will receive the equivalent value in cash of Reserved Shares having a Fair Market Value, as determined on the date of exercise of the Vested SAR, equal to the SAR Spread described in Section 16(b)(ii) above; provided, however, without limiting the generality of **Section 14**, that the Company, in its sole discretion, may withhold from a portion of such cash equivalent of the Reserved Shares amount any amount necessary to satisfy the Company’s minimum obligation for federal and state withholding taxes with respect to such exercise. Any Reserved Shares related to the exercise of a SAR will be available for reissuance under this Plan.

(e) A SAR may be exercised only if and to the extent that it is permitted under the terms of the Award which shall be only when such Related Option is eligible to be exercised.

(f) A SAR shall be transferable only to the extent, if any, provided in the agreement evidencing the SAR.

(g) Each SAR shall be on such terms and conditions not inconsistent with this Plan as the Committee may determine, provided that the term of a SAR may not extend beyond the tenth (10th) anniversary of its Date of Grant.

(h) The Holder shall have no rights as a stockholder with respect to the related Reserved Shares as a result of the grant of a SAR.

(i) With respect to a Holder who, on the date of a proposed exercise of a SAR is an officer (as that term is used in Rule 16a-1 promulgated under the 1934 Act or any similar rule which may subsequently be in effect), such proposed exercise may only occur as permitted by Rule 16b-3, including without limitation paragraph (e)(3)(iii) (or any similar rule which may subsequently be in effect promulgated pursuant to Section 16(b) of the 1934 Act).

17. Section 83(b) Election.

If as a result of receiving an Award, a Holder receives Restricted Shares, then such Holder may elect under Section 83(b) of the Code to include in such person's gross income, for such person's taxable year in which the Restricted Shares are transferred to such Holder, the excess of the Fair Market Value (determined without regard to any Restriction other than one which by its terms will never lapse), of such Restricted Shares at the Date of Grant, over the amount (if any) paid for the Restricted Shares. If the Holder makes the Section 83(b) election described above, the Holder shall (i) make such election in a manner that is satisfactory to the Administrator, (ii) provide the Administrator with a copy of such election, (iii) promptly notify the Company if any Internal Revenue Service or state tax agent, on audit or otherwise, questions the validity or correctness of such election or of the amount of income reportable on account of such election, and (iv) pay the withholding amounts described in Section 15.

18. Interpretation.

- (a) If any provision of this Plan is held invalid for any reason, such holding shall not affect the remaining provisions hereof, but instead this Plan shall be construed and enforced as if such provision had never been included in this Plan.
- (b) THIS PLAN SHALL BE GOVERNED BY THE LAWS OF THE STATE OF COLORADO.
- (c) Headings contained in this Plan are for convenience only and shall in no manner be construed as part of this Plan.
- (d) Any reference to the masculine, feminine, or neuter gender shall be a reference to such other gender as is appropriate.
- (e) Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

19. Amendment and Discontinuation of this Plan.

The Board, or the Committee (subject to the prior written authorization of the Board), may from time to time amend this Plan or any Award; provided, however, that (except to the extent provided in Section 9(b)) no such amendment may, without approval by the shareholders of the Company, (a) increase the number of Reserved Shares or change the class of Eligible Persons, (b) permit the granting of Awards which expire beyond the maximum ten (10) year period described in Section 9(a)(5), or (c) make any change for which applicable law or regulatory authority (including the regulatory authority of the Toronto Stock Exchange or the NYSE MKT or any other market or exchange on which the Common Stock is traded) would require shareholder approval or for which shareholder approval would be required for Awards to qualify as performance based awards under Section 162(m) of the Code; and provided, further, that no amendment or suspension of this Plan or any Award issued hereunder shall, except as specifically permitted in this Plan or under the terms of such Award, substantially impair any Award previously granted to any Holder without the consent of such Holder. Without the approval of the Company's stockholders, the Committee will not re-price, adjust or amend the exercise price of any options or the grant price of any SAR previously awarded, whether through amendment, cancellation and concurrent replacement grant or any other means.

20. Effective Date and Termination Date.

This Plan shall be effective as of the Effective Date, and shall terminate on the tenth anniversary of such Effective Date; provided, without limitation, that unless otherwise expressly provided in an Award, the termination of this Plan shall not terminate an Award which is outstanding on such date.

21. Section 409A.

It is the intention of the Company that no Award shall be “deferred compensation” subject to Section 409A of the Code, unless and to the extent that the Committee specifically determines otherwise, and this Plan and the terms and conditions of all Awards shall be interpreted accordingly. The terms and conditions governing any Awards that the Committee determines will be subject to Section 409A of the Code, including, without limitation, any rules for elective or mandatory deferral of the delivery of cash or shares of Common Stock pursuant thereto and any rules regarding treatment of such Awards in the event of a Change in Control, shall be set forth in the applicable Award agreement, deferral election forms and procedures, and rules established by the Committee, and shall comply in all respects with Section 409A of the Code. The following rules will apply to Awards intended to be subject to Section 409A of the Code (“**409A Awards**”):

- (a) If an Eligible Person is permitted to elect to defer an Award or any payment under an Award, such election will be permitted only at times in compliance with Code Section 409A, including, without limitation, applicable transition rules thereunder.
- (b) The Company shall have no authority to accelerate distributions relating to 409A Awards in excess of the authority permitted under Section 409A.
- (c) Any distribution of a 409A Award following a Separation that would be subject to Code Section 409A(a)(2)(A)(i) as a distribution following a Separation from service of a “specified employee” as defined under Code Section 409A(a)(2)(B)(i), shall occur no earlier than the expiration of the six-month period following such Separation.
- (d) In the case of any distribution of a 409A Award, if the timing of such distribution is not otherwise specified in this Plan or an Award agreement or other governing document, the distribution shall be made not later than the end of the calendar year during which the settlement of the 409A Award is specified to occur.
- (e) In the case of an Award providing for distribution or settlement upon Vesting or the lapse of a risk of forfeiture, if the time of such distribution or settlement is not otherwise specified in this Plan or an Award agreement or other governing document, the distribution or settlement shall be made not later than March 15 of the year following the year in which the Award Vested or the risk of forfeiture lapsed.

22. Blackout Periods.

Notwithstanding any other provision of this Plan or any Award to the contrary, any exercise or disposition of any Award or any Reserved Share pursuant to this Plan shall be consistent with the Trading Restrictions and Blackout Periods policy stated within the Company’s Disclosure Policy, or such other applicable written policy as necessary. If the term of any Award granted under the Plan ends on a day occurring within a Blackout Period or within ten business days thereafter, such Award shall continue to be exercisable under the terms of the Plan up to 5:00 p.m. (Denver time) on the tenth business day following the end of such Blackout Period.
