The following constitutes the Schedule 13D filed by the undersigned (the "Schedule 13D").

Item 1. Security and Issuer.

This statement relates to the common stock, \$0.001 par value per share (the "Shares"), of Amedisys, Inc., a Delaware corporation (the "Issuer"). The address of the principal executive offices of the Issuer is 5959 S. Sherwood Forest Blvd., Baton Rouge, LA 70816.

Item 2. Identity and Background.

(a) This statement is filed by:

(i) North Tide Capital Master, LP, a Cayman Islands exempted company ("NT Master"), with respect to the Shares directly and beneficially owned by it;

(ii) North Tide Capital, LLC, a Massachusetts limited liability company ("North Tide Capital"), as the investment manager of NT Master and of a certain managed account entity (the "North Tide Account");

(iii) Conan Laughlin, as the Manager of NT Master and North Tide Capital;

Each of the foregoing is referred to as a "Reporting Person" and collectively as the "Reporting Persons." Each of the Reporting Persons is party to that certain Joint Filing Agreement, as further described in Item 6. Accordingly, the Reporting Persons are hereby filing a joint Schedule 13D.

Note: The Reporting Persons previously filed on Schedule 13G with respect to the securities of the Issuer and are now converting their filing to this Schedule 13D. The initial Schedule 13G was filed with the Securities and Exchange Commission on July 8, 2013 (the "Initial 13G") and subsequently amended on February 14, 2014 and May 2, 2014.

(b) The business address of each of the Reporting Persons is c/o North Tide Capital, LLC, 500 Boylston Street, Suite 310, Boston, Massachusetts 02116.

(f) Mr. Laughlin is a citizen of the United States of America.

CUSIP NO. 023436108

Item 3. Source and Amount of Funds or Other Consideration.

The Shares purchased by each of NT Master and North Tide Capital were purchased with working capital (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases. The aggregate purchase price of the 3,650,000 Shares beneficially owned by NT Master is approximately \$45,882,210, excluding brokerage commissions. The aggregate purchase price of the 350,000 Shares held in the North Tide Account is approximately \$3,811,938, excluding brokerage commissions.

Item 4. Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Reporting Persons may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

On December 2, 2014, North Tide Capital delivered a letter to the Issuer's Board of Directors (the "Board"). In the letter, North Tide Capital encouraged the Issuer to engage in a good-faith review of a strategic combination of the Issuer and Almost Family, Inc. ("AFAM"), a merger which the Reporting Persons believe represents an extremely compelling value creation opportunity for both companies and their respective shareholders.

In the letter, North Tide Capital summarized the merits of such a potential merger between the Issuer and AFAM as follows:

1. The synergy potential from combining the Issuer and AFAM is substantial, and an obvious way to solve the significant corporate overhead inefficiencies at the Issuer;
2. The strategic benefits of merging the two companies, most notably the market density and competitive positioning that would be achieved in a number of overlapping geographies, represent an opportunity unique to this combination;
3. The AFAM team, led by CEO William Yarmuth and President Steven Guenther, present a compelling solution to the CEO search currently underway at the Issuer, as they are a highly capable management team with a demonstrated track record of significant shareholder value creation; and
4. The substantial shareholder overlap between the two companies, which North Tide Capital believes is more than 60% overlap, should facilitate shareholder support for such a strategic combination given the pro forma value of the combined company.

In the letter, North Tide Capital estimated that there are conservatively \$50-75MM in corporate overhead cost synergies that could be realized in a combination of the Issuer and AFAM, implying consolidated EBITDA of \$200MM+ for the new company ("Newco") based on reported run-rate EBITDA for both companies as of the third quarter of 2014. North Tide Capital also estimated that Newco could be worth \$1.60-1.80B, based on a conservative 8.0-9.0x enterprise value to EBITDA multiple, versus the combined enterprise value today of approximately \$1.3B.

CUSIP NO. 023436108

North Tide Capital also stated in the letter that a merger with AFAM would meaningfully de-leverage the Issuer's balance sheet, such that, when combined with the free cash flow power of Newco, which North Tide Capital estimates should be in excess of \$100MM annually, Newco would have better access to capital, would have the flexibility to divest non-core assets, and would be in a position to opportunistically consolidate the home healthcare market over the next several years in a manner that is far superior to the current path of going it alone.

North Tide Capital urged the Board of Directors of the Issuer to put on hold its search for a CEO given the compelling leadership alternative that would be available in a combination with AFAM.

In the letter, North Tide Capital also stated that given the considerable shareholder overlap, and the likely revaluation that would occur in both stocks almost immediately, North Tide Capital believes a stock-for-stock merger represents the most logical transaction structure, whereby the Issuer would issue shares to acquire AFAM on a one-for-one basis. Under this proposed scenario, the Issuer's shareholders would own approximately 75% of Newco, the AFAM management team would run day-to-day operations, and a new pro forma Board of Directors would be created with representation from both sides.

North Tide Capital stated in conclusion that it hopes that the Issuer's Board is committed to a good-faith review of this proposed transaction, and that, as fiduciaries, North Tide Capital believes it is incumbent upon the Board to fully explore the opportunity at hand. North Tide Capital looks forward to continuing to discuss with the Issuer's Board the details of this potential strategic combination.

The full text of the letter is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
