SAVE FARMER BROS.

_____, 2016

Dear Fellow Farmer Bros. Stockholder:

The Carol L. Waite Trust, together with the other members of Save Farmer Bros. (collectively, “Save Farmer Bros.” or “we”) and the participants in this solicitation, are the beneficial owners of an aggregate of 4,437,584 shares of common stock, par value \$1.00 per share (the “Common Stock”), of Farmer Bros. Co., a Delaware corporation (“Farmer Bros.” or the “Company”), representing approximately 26.4% of the outstanding shares of Common Stock. For the reasons set forth in the attached Proxy Statement, we believe changes to the composition of the Board of Directors of the Company (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. We are seeking your support for the election of our three nominees at the annual meeting of stockholders scheduled to be held at the Marriott Hotel & Golf Club at Champions Circle, 3300 Championship Parkway, Fort Worth, Texas 76177 on Thursday, December 8, 2016 at 10:00 a.m., Central Standard Time (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”). We are seeking representation on the Board because we believe that the Company will benefit from the addition of directors with relevant skill sets and a common goal of enhancing value for the benefit of all stockholders. The individuals we have nominated are highly qualified, capable and ready to serve the best interests of stockholders.

Save Farmer Bros. is a group of stockholders consisting of certain members of the founding family that was formed for the purpose of seeking to unlock value at Farmer Bros. Our interests are fully aligned with the interests of all Farmer Bros. stockholders. We believe there is significant value to be realized at Farmer Bros. However, we are concerned that the Board is not taking the appropriate action to maximize stockholder value. We strongly believe that the Board must be reconstituted to ensure that the directors take the necessary steps for the Company’s stockholders to realize the maximum value of their investment.

The Company has a classified Board, which is currently divided into three classes. The terms of three Class I directors expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our three nominees in opposition to three of the Company’s director nominees for the class with terms ending in 2019. Save Farmer Bros. believes that any attempt to increase or decrease the size of the current Board or the number of directors up for election at the Annual Meeting would constitute an improper manipulation of the Company’s corporate machinery. Your vote to elect our nominees will have the legal effect of replacing three incumbent directors with our nominees. If elected, our nominees will constitute a minority on the Board and there can be no guarantee that our nominees will be able to implement the actions that they believe are necessary to unlock shareholder value.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **WHITE** proxy card today. The attached Proxy Statement and the enclosed **WHITE** proxy card are first being furnished to the stockholders on or about _____, 2016.

If you are a participant in the Farmer Bros. Co. Employee Stock Ownership Plan (the “ESOP”), you should follow the instructions provided by the ESOP trustee, GreatBanc Trust Company (the “ESOP Trustee”), with respect to having the shares allocated to you in the ESOP voted at the Annual Meeting.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated **WHITE** proxy card or by voting in person at the Annual Meeting.

Thank you for your support,

/s/ Save Farmer Bros.

Background to the Solicitation

The following is a chronology of events leading up to this proxy solicitation:

On August 23, 2015, Carol Farmer Waite wrote a letter to the Board describing her concerns regarding the direction of the Company, as well as its current reputation. The Board failed to provide her with any answers or resolutions to her concerns.

On October 27, 2015, Ms. Waite wrote another letter in hopes of alerting the Board into action. Unfortunately, again, her concerns were not addressed.

Shortly after the Company's 2015 annual meeting of stockholders held on December 3, 2015, Ms. Waite requested that the Company provide her with a transcript of the question and answer session at such annual meeting. After being forced by the Company to resorting to using legal channels, she eventually received the transcript seven months after her initial request.

On August 29, 2016, Ms. Waite joined several founding family members in forming Save Farmer Bros. and issued an open letter to the Board publicly voicing the group's concerns. The letter further stated that Save Farmer Bros. expected to deliver nomination materials to the Company in connection with their efforts to solicit support to elect new, highly-qualified directors nominees to the Board at the Annual Meeting.

On September 2, 2016, Save Farmer Bros. delivered a letter to the Company nominating the Nominees for election to the Board at the Annual Meeting.

On September 29, 2016, Save Farmer Bros. announced that it released a detailed investor presentation in relation to its long-term investment in Farmer Bros. and launched a website at www.SaveFarmerBros.com.

REASONS FOR THE SOLICITATION

We are soliciting your support to elect our Nominees at the Annual Meeting. In our view, the Board, as currently composed, has not taken the necessary steps to enhance stockholder value. We believe our Nominees have the experience, qualifications and commitment necessary to represent the best interests of the Company's stockholders in the boardroom.

As one of the Company's largest stockholders, our interests are directly aligned with the interests of all stockholders. We believe the Common Stock is significantly undervalued, and that the Board and management have failed to take the necessary steps to address the following serious issues facing the Company:

- We are concerned with the Company's poor track record of value creation and operating performance;
- We question the Company's capital allocation decisions under the current Board and management; and
- We are concerned about the Board's questionable compensation practices.

We are Concerned with the Company's Poor Track Record of Value Creation and Operating Performance

Although FARM's CEO, Mike Keown, has boasted about the Company's total stockholder return during his tenure as CEO, we do not believe he is entirely to credit for the Company's improved stock price performance during his tenure.^[1] Rather, we believe that a significant portion of this "improvement" has been due to the fact that Mr. Keown began his tenure with the stock trading at an artificially depressed baseline, as well as the significant boost to the stock price when an earnings restatement revealed that the earnings prior to his arrival were not as bad as previously reported.^[2] We believe the Company's valuation is a more telling measure of Mr. Keown's performance. Farmer Bros. is significantly undervalued on both a trailing and forward EBITDA basis, when compared to management's selected peer group. Indeed, as shown below, FARM's EV/EBITDA valuation relative to management's selected peers has been abysmal.

[1] Source: www.linkedin.com/in/mike-keown ("Drove 4X stock improvement in 48 months.").

[2] Source: Farmer Bros. Form 8-K, filed September 11, 2013.

In our view, the simple explanation for why FARM is undervalued by the investment community is the Company's operating performance, questionable capital allocation decisions and corporate governance.

The Company's lagging operating margin is an example of what we believe to be the Board's failure to take sufficient action to improve operations or hold management accountable.

We Believe that the Board and Management Have Made Poor Capital Allocation Decisions

Recently, the Board and management have made several questionable capital allocation decisions that we believe have failed to yield positive gains for stockholders, including the attempt at expanding into e-commerce, the investments in the Company's long haul fleet, the rebranding of the Company's long haul fleet, the energy sustainability initiative in Torrance, California, the purchase of exorbitantly expensive equipment in Torrance and Houston, Texas, and the effort to expand the Company's footprint in spices.

It is unclear as to what the vision of the Board and management is, as key capital allocation decisions seem to directly contradict each other. Between 2012 and 2014, the Company invested in mechanical upgrades^[3] and a rebranding of the fleet operation.^[4] Initially, we understood the rationale for the rebranding focus, as it was meant to provide visibility and increase name recognition. However, management inexplicably sold the fleet in 2015 (barely *two years after the launch of the new focus*) to facilitate a different strategic initiative – the transition to Third Party Logistics ("3PL"^[5]). It is deeply concerning to us that the Board and management would exhibit what we believe to be extremely poor judgment, resulting in a flip-flop on such a costly capital allocation decision within only 24 months. This is just one example of management's and the Board's schizophrenic decision making. Indeed, management's history of poor capital allocation decisions leaves us to wonder if even the transition to 3PL was thoroughly and properly analyzed, or will the Board announce yet another major value destructive and capital intensive strategic pivot in the near term?

Management's poor capital allocation decisions are clearly demonstrated when comparing the Company's return on invested capital to its cost of capital.

^[3] Farmer Bros. Q4 2014 Earnings Call held September 9, 2014 ("CapEx in fiscal 2014 included additional investments in our fleet...").

^[4] Farmer Bros. Form 10-k, filed September 10, 2012 ("Unified brand: We have developed a unified corporate identity for our business nationwide that is reflected in... many of our fleet vehicles...").

^[5] Farmer Bros. Form 10-Q, filed February 9, 2016 ("In December 2015, the Company announced its plans to replace its long-haul fleet operations with third party logistics ("3PL") and a vendor managed inventory initiative").

It is time that the Board be supplemented with directors who refuse to allow this capital destruction to continue.

We are Concerned with the Company's Executive Compensation Practices

With respect to executive compensation, we have doubts as to whether the Company is properly aligning the executive compensation program to stockholder interests. This is reflected in the Board's response to the Company's declining "say-on-pay" results. In 2011, 88% of stockholders supported the Company's executive compensation.^[6] In 2012, 2013, 2014 and 2015 the "say-on-pay" votes were 63%, 67%, 68% and 60%, respectively.^[7] "Say-on-pay" results have dropped to a level that should concern the Board, and we question whether the Board has sufficiently responded to these concerns. Additionally, the base salary for each named executive officer position increased in FY 2015, despite the Company's relocation to a lower cost of living area and newer executives having less tenure at FARM.^[8] We wonder whether the Company's compensation issues are related to the fact that Jeanne Farmer Grossman, the Board's largest stockholder, was removed from the Compensation Committee where she previously served as Chair.

We Believe Our Nominees Have the Experience, Qualifications and Commitment Necessary to Fully Explore Available Opportunities to Unlock Value for Stockholders

We believe Farmer Bros., its officers and employees, as well as all stakeholders, require fresh leadership to realize the full potential of our stock price. To this end, we have identified three (3) highly qualified directors with experience who we believe will bring proper perspective into the boardroom and would be extremely helpful in evaluating and executing on initiatives to unlock value at the Company.^[9]

Tom Mortensen is currently retired from the Company. During his tenure at the Company, Mr. Mortensen occupied several positions including branch manager, sales promotion, division manager, regional sales manager, national sales manager, vice president (western region) and senior vice president of route sales. Mr. Mortensen's extensive knowledge of coffee, tea and culinary product sales and distribution, long term interest in the success of the Company, and process improvement would make him a valuable addition to the Board.

[6] Institutional Shareholder Services.

[7] Institutional Shareholder Services.

[8] Farmer Bros. Form DEF 14A, filed October 28, 2015.

[9] We believe that each of our Nominees, other than Mr. Mortensen whose tenure at the Company ended in 2015, will be an independent director.

John Samore, Jr., is currently an independent tax and accounting consultant. Prior to serving as an independent consultant, Mr. Samore, Jr. provided tax and client staff services for Arthur Anderson LLP and ended his tenure at Arthur Anderson LLP as a partner. Mr. Samore, Jr. sits on the Board of Advisors, Leventhal School of Accounting at the University of Southern California (USC). Mr. Samore, Jr.'s extensive knowledge of accounting and taxation, quality and risk management, previous board experience, and corporate governance would make him a valuable addition to the Board.

Jennifer Gonzalez-Yousef is currently senior group manager at WNS (Holdings) Limited, a global Business Process Management organization, at which she is responsible for the development and implementation of the global strategic analyst relations (AR) program. Prior to WNS, Ms. Gonzalez-Yousef worked at Deloitte Consulting LLP, an indirect subsidiary of Deloitte Touche Tohmatsu Limited, as a human capital analyst/HR transformation. Ms. Gonzalez-Yousef's experience would make her a valuable addition to the Board.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Company currently has a classified Board, which is divided into three classes. The directors in each classes are elected for terms of three years so that the term of office of one class of directors expires at each annual meeting of stockholders. We believe the terms of three Class I directors expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our three Nominees, Tom Mortensen, John Samore, Jr., and Jennifer Gonzalez-Yousef, in opposition to three of the Company's director nominees. Your vote to elect the Nominees will have the legal effect of replacing three incumbent directors of the Company with the Nominees. If elected, the Nominees will represent a minority of the members of the Board, and therefore it is not guaranteed that they will be able to implement any actions that they may believe are necessary to enhance stockholder value as described in further detail above.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of the Nominees. The nominations were made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. The specific experience, qualifications, attributes and skills that led us to conclude that the Nominees should serve as directors of the Company are set forth above in the section entitled "Reasons for the Solicitation" and below. This information has been furnished to us by the Nominees. All of the Nominees are citizens of the United States.

Tom Mortensen, age 63, is currently retired from the Company, at which he worked from 1978 to 2015. During his tenure at the Company, Mr. Mortensen occupied several positions including branch manager, sales promotion, division manager, regional sales manager, national sales manager, vice president (western region) and senior vice president of route sales. Prior to his tenure at the Company, Mr. Mortensen served four years in the United States armed forces. Save Farmer Bros. believes that Mr. Mortensen's extensive knowledge of coffee, tea and culinary product sales and distribution, long term interest in the success of the Company, and process improvement would make him a valuable addition to the Board.

John Samore, Jr., age 70, is currently an independent tax and accounting consultant. Prior to serving as an independent consultant, Mr. Samore, Jr. provided tax and client staff services for Arthur Anderson LLP, from 1967 to 2002, and ended his tenure at Arthur Anderson LLP as a partner in 2002. Additionally, since 1994, Mr. Samore, Jr. has been on the Board of Advisors, Leventhal School of Accounting at the University of Southern California (USC). From 2003-2006, Mr. Samore, Jr. was a member of the Board of Directors and Treasurer for the Saint Nicholas Antiochian Orthodox Christian Cathedral – Los Angeles. From 2003-2007, Mr. Samore, Jr. was a member of the Board, such service included service on the audit, compensation, and nominating and corporate governance committees. From 1968-1971, Mr. Samore, Jr. served in the United States Army. Mr. Samore, Jr., is Certified Public Accountant (CPA), and received a B.S. in Accounting from the University of Southern California. Save Farmer Bros. believes that Mr. Samore, Jr.'s extensive knowledge of accounting and taxation, quality and risk management, previous board experience, and corporate governance would make him a valuable addition to the Board.

Jennifer Gonzalez-Yousef, age 33, is currently senior group manager at WNS (Holdings) Limited, a global Business Process Management organization (NYSE: WNS). From 2008 to the present, she has been responsible for the development and implementation of the global strategic analyst relations (AR) program. Prior to WNS, Ms. Gonzalez-Yousef worked at Deloitte Consulting LLP, an indirect subsidiary of Deloitte Touche Tohmatsu Limited, as a human capital analyst/HR transformation, from 2005 to 2007. Ms. Gonzalez-Yousef received a B.S. in Business Management and Ethics, as well as an M.B.A., from Southern Methodist University. Save Farmer Bros. believes that Ms. Gonzalez-Yousef's business experience would make her a valuable addition to the Board.

The principal business address of Mr. Mortensen is 2968 S. Roca Street, Gilbert, Arizona 85295. The principal business address of Mr. Samore is 9762 Donington Place, Beverly Hills, California 90210. The principal business address of Ms. Gonzalez-Yousef is 15 Exchange Place, Jersey City, New Jersey 07302.

As of the date hereof, Mr. Mortensen directly owned 6,392 shares of Common Stock of the Company, representing less than 1% of the Company's outstanding shares. As of the date hereof, neither Mr. Samore nor Ms. Gonzalez-Yousef owned beneficially or of record any securities of the Company and neither has made any purchases or sales of any securities of the Company during the past two years. The shares of Common Stock directly owned by Mr. Mortensen were purchased in the open market with personal funds. For information regarding purchases and sales during the past two years in securities of the Company by Mr. Mortensen, see Schedule I.

Each of the Nominees may be deemed to be a member of the Group (as defined below) for the purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Each of the Nominees specifically disclaims beneficial ownership of shares of Common Stock that he or she does not directly own.

The members of Save Farmer Bros. and the Nominees are collectively referred to as the "Group" herein.

Each of the Nominees has signed a Power of Attorney appointing Carol Farmer Waite and Suzanna Waite as his or her attorneys-in fact to take any and all action in connection with (i) the respective Nominees beneficial ownership of, or participation in a group with respect to, securities of the Company, directly or indirectly beneficially owned by Carol Farmer Waite or any of her affiliates, including, but not limited to Ms. Waite and Suzanna Waite, and (ii) any proxy solicitation in connection with such respective Nominee's election to the Board at the Annual Meeting.

On October 19, 2016, the members of Save Farmers Bros. entered into a Joint Filing and Solicitation Agreement with the Nominees in which, among other things the parties agreed to (a) the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company and (b) solicit proxies for the election of the Nominees at the Annual Meeting.

Other than as stated herein, there are no arrangements or understandings between members of Save Farmer Bros. and any of the Nominees or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each of the Nominees to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. None of the Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

Save Farmer Bros. believes that each Nominee, other than Mr. Mortensen whose tenure at the Company ended in 2015, presently is, and if elected as a director of the Company would be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition including Rule 5605(a)(2) and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **WHITE** proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Company’s Amended and Restated Bylaws (the “Bylaws”) and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominees in accordance with the Company’s Bylaws and shares of Common Stock represented by the enclosed **WHITE** proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Save Farmer Bros. that any attempt to increase the size of the current Board or to classify the Board constitutes an unlawful manipulation of the Company’s corporate machinery.

WE URGE YOU TO VOTE “FOR” THE ELECTION OF THE NOMINEES ON THE ENCLOSED WHITE PROXY CARD.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has selected Deloitte & Touche LLP as the Company's independent auditor for the year ending June 30, 2017 and has further directed that management submit this selection for ratification by the stockholders at the Annual Meeting. Therefore, the Company is submitting the appointment of Deloitte & Touche LLP for ratification of the stockholders at the Annual Meeting.

As disclosed in the Company's proxy statement, stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm is not required by the Bylaws or otherwise. The Company additionally explained that if the Company's stockholders fail to ratify the selection, then the Audit Committee will reconsider whether or not to retain Deloitte & Touche LLP but still may retain them. The Company further explained that even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the Company's best interest and that of stockholders.

WE [RECOMMEND A VOTE ["FOR/AGAINST"]/ MAKE NO RECOMMENDATION WITH RESPECT TO THE] RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING JUNE 30, 2017, AND INTEND TO [VOTE OUR SHARES ["FOR/AGAINST"]/"ABSTAIN" ON] THIS PROPOSAL.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to vote, on an advisory (non-binding) basis, on the compensation paid to the Company's named executive officers. This proposal, commonly known as a "say-on-pay" resolution, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the alignment of the interest of the Company's named executive officers with stockholders. Accordingly, the Company is asking stockholders to vote for the following resolution:

"Resolved, that the Company's stockholders approve, on an advisory basis, the compensation paid to the Company's Named Executive Officers, as disclosed pursuant to Securities and Exchange Commission rules in the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative disclosure, in this Proxy Statement."

As disclosed in the Company's proxy statement, the stockholder vote on this say-on-pay resolution is an advisory vote only, is not binding on the Company, and under the Compensation Committee's charter, pursuant to the powers delegated by the Board, the Compensation Committee has the sole authority to determine and approve compensation for the Company's named executive officers. The Company further explained that while the vote is non-binding, the Board and the Compensation Committee value the opinions that stockholders express in their votes and in any additional dialogue and will consider the outcome of the vote and those opinions when making future compensation decisions.

WE [RECOMMEND A VOTE ["FOR/AGAINST"]/MAKE NO RECOMMENDATION WITH RESPECT TO] THIS ADVISORY (NON-BINDING) RESOLUTION TO APPROVE THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS AND INTEND TO [VOTE OUR SHARES ["FOR/AGAINST"]/"ABSTAIN" ON] THIS RESOLUTION.

VOTING AND PROXY PROCEDURES

Stockholders are entitled to one vote for each share of Common Stock held of record on the Record Date with respect to each matter to be acted on at the Annual Meeting. Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, Save Farmer Bros. believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the shares of Common Stock.

Shares of Common Stock represented by properly executed **WHITE** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **FOR** the election of the Nominees, **[FOR/AGAINST/ABSTAIN on]** the ratification of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending June 30, 2017, and **[FOR/AGAINST/ABSTAIN on]** the compensation paid to the Company's named executive officers, and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting, as described herein. If you are a participant in the ESOP, you should follow the instructions provided by the ESOP trustee with respect to having the shares allocated to you in the ESOP voted at the Annual Meeting. Each ESOP participant has the right to direct the ESOP Trustee on how to vote the shares of Common Stock allocated to his or her account under the ESOP. The ESOP Trustee will vote all of the unallocated ESOP shares (i.e., shares of Common Stock held in the ESOP, but not allocated to any participant's account) and allocated shares for which no voting directions are timely received by the ESOP Trustee, in its independent fiduciary discretion. If you are an ESOP participant and want to revoke any prior voting instructions you provided to the ESOP Trustee in respect of the Annual Meeting, you must contact the ESOP Trustee.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate three candidates for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our three Nominees. Accordingly, the enclosed **WHITE** proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. The participants in this solicitation intend to vote all of the Save Farmer Bros. Shares in favor of the election of the Nominees.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, a majority of the outstanding shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting, allowing votes to be taken and counted for business to be conducted at the Annual Meeting.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by "broker non-votes" also are not counted as present and entitled to vote for purposes of determining a quorum. Additionally, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under rules of The NASDAQ Stock Market, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

Whether you are a stockholder of record or beneficially in street name, you may direct how your shares of voted without attending the Annual Meeting. If you are a stockholder of record, you must deliver your vote by mail, attend the Annual Meeting in person to vote, vote over the Internet or vote by telephone in order for your vote to be counted

and for the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on those proposals. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on those proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors The Company has adopted a plurality vote standard for director elections. As a result, the three individuals nominated for election to the Board at the Annual Meeting who receive the highest number of properly cast “FOR” votes (among votes properly cast in person or by proxy) will be elected as directors. In director elections, stockholders may either vote “FOR” or withhold voting authority with respect to director nominees. Shares voting “withhold” are counted for purposes of determining a quorum. However, if you withhold authority to vote with respect to the election of any or all of the nominees, your shares will not be voted with respect to those nominees indicated. Therefore, withheld votes and broker non-votes will have no direct effect on the outcome of the election of directors.

Ratification of the Appointment of Public Accounting Firm According to the Company’s proxy statement, assuming that a quorum is present, the ratification of Deloitte & Touche LLP will be deemed to have been ratified if a majority of the shares present or represented by proxy at the Annual Meeting affirmatively vote in favor of ratification. The Company has indicated that broker non-votes will have no effect on the ratification, but abstentions will act as a vote “AGAINST” the ratification.

Advisory Vote on Executive Compensation According to the Company’s proxy statement, although the vote is non-binding, assuming that a quorum is present, the advisory vote on named executive officers’ compensation will be approved if a majority of the shares present or represented by proxy at the Annual Meeting affirmatively vote in favor of proposal. The Company has indicated that broker non-votes will have no effect on the approval of the resolution, but abstentions will act as a vote “AGAINST” approval of the resolution.

Under applicable Delaware law, none of the holders of Common Stock are entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **WHITE** proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with the recommendations specified herein and in accordance with the discretion of the persons named on the **WHITE** proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy), by giving a duly executed proxy bearing a later date, or by delivering a written notice of revocation. The delivery of a subsequently dated proxy that is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Save Farmer Bros. in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement or to the Company at 13601 North Freeway, Suite 200, Fort Worth, Texas 76177 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to the Nominating Stockholder in care of Okapi Partners at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, Okapi Partners may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees. If you are an ESOP participant and want to revoke any prior voting instructions you provided to the ESOP Trustee in respect of the Annual Meeting, you must contact the ESOP Trustee.

IF YOU WISH TO VOTE FOR THE ELECTION OF THE NOMINEES TO THE BOARD, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED WHITE PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SECURITY OWNERSHIP OF**CERTAIN BENEFICIAL OWNERS AND MANAGEMENT****Security Ownership of Certain Beneficial Owners**

The following table sets forth certain information regarding the beneficial ownership of Common Stock as of October 17, 2016, by all persons (including any “group” as that term is used in Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”)) known by the Company to be the beneficial owner of more than 5% of the Common Stock as of such date, based on 16,793,561 shares outstanding as of October 17, 2016.

The amounts and percentages of shares beneficially owned are reported on the basis of SEC regulations governing the determination of beneficial ownership of securities. Under SEC rules, a person is deemed to be a “beneficial” owner of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are not deemed to be outstanding for purposes of computing any other person’s percentage. Under these rules, more than one person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.
