Item 5.03 Amendment to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On November 22, 2006, the Company's Board of Directors adopted an amendment to the Company's Bylaws to permit the Company to issue uncertificated shares of the Company's stock. Previously, the Bylaws stated that, except with respect to the excess stock of the Company, each stockholder shall be entitled to a certificate or certificates which shall represent and certify the number of shares of each class of stock held by the stockholder in the Company. The amendment deletes this language and states that, except as may be otherwise provided by the Board of Directors, stockholders of the Company are not entitled to certificates representing the shares of stock held by them. The amendment further states that, in the event that the Company issues shares of stock represented by certificates, such certificates shall be signed by the officers of the Company in the manner permitted by Maryland law and contain the statements and information required by Maryland law. In the event that the Company issues shares of stock without certificates, the Company shall provide to record holders of such shares a written statement of the information required by Maryland law to be included on stock certificates. The amendment is filed as Exhibit 3.1 hereto and incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
