Item 2. ACQUISITION OR DISPOSITION OF ASSETS

(a) On October 12, 2001, Dial Thru International Corporation ("Dial Thru") completed the acquisition from Rapid Link, Inc. ("Rapid Link") of certain assets and executory contracts of Rapid Link, USA, Inc. ("Rapid Link USA") and 100% of the common stock of Rapid Link Telecommunications, GMBH, ("Rapid Link Germany") pursuant to the terms of a Stock and Asset Purchase Agreement dated as of September 18, 2001 (the "Purchase Agreement").

## Edgar Filing: DIAL THRU INTERNATIONAL CORP - Form 8-K

The assets acquired consist of all of the assets, tangible or intangible, of Rapid Link USA, excluding cash and cash equivalents, accounts receivable, customer deposits, and specific network equipment not currently used in the operations of Rapid Link USA.

In accordance with the terms of the Purchase Agreement, the consideration consisted of \$2,000,000 in cash payments to Rapid Link, and 600,000 newly issued Dial Thru shares, the value of which is guaranteed by Dial Thru to be no less than \$300,000 at the time of the registration of the shares, which must be completed no more than 90 days after the close of the transaction. In accordance with the Purchase Agreement, Dial Thru will either (i) issue additional shares to Rapid Link in excess of the 600,000 Shares; or (ii) pay to Rapid Link additional cash consideration, so that the minimum value of the consideration received is \$300,000. Of the total cash consideration, \$300,000 is subject to a final calculation (the "Final Payment") to be completed on or before December 15, 2001. In addition, John Jenkins, Chief Executive Officer of Dial Thru, has placed 1,000,000 shares of common stock owned by Mr. Jenkins into escrow to guarantee payment of amounts owed, if any, after calculation of the Final Payment.

The cash and number of shares to be issued to Rapid Link was determined considering the value of the assets of Rapid Link USA and business of Rapid Link Germany acquired after reviewing the financial statements of Rapid Link USA and Rapid Link Germany, an in depth review specifically of the fixed assets and network deployment, and arms-length negotiations with Rapid Link's executive management.

At the time of the acquisition, there was no material relationship between Rapid Link (including their officers, directors and shareholders) and Dial Thru or any of its affiliates, any officer or director of Dial Thru, or any associate of any such officer or director.

The sources of funds for the cash portion of the consideration were existing internal cash reserves and proceeds from the October 2001 sale and issuance of Dial Thru's 10% Convertible Notes due October 2003 to Dial Thru's Chief Executive Officer, Chief Financial Officer, and Executive Vice President.

(b) At the time of the acquisition, Rapid Link USA and Rapid Link Germany were engaged in providing integrated data and voice communications, primarily in Europe and Asia. They operated their businesses primarily from facilities in Atlanta, Georgia, and Mannheim, Germany. Dial Thru presently intends to use the assets acquired from Rapid Link USA, and intends for Rapid Link Germany, as an operating subsidiary of Dial Thru, to continue to engage in the business in substantially the same manner and for the same purpose.
