March 6, 2002

To the Stockholders of
NOVAMETRIX MEDICAL SYSTEMS INC.

You are cordially invited to attend a special meeting of stockholders of Novametrix Medical Systems Inc. to be held at 10:00 a.m., Eastern Daylight Time, on April 9, 2002, at The Waldorf-Astoria, 301 Park Avenue, New York, New York, unless postponed or adjourned to a later date. At the meeting, you will be asked to consider and vote upon a proposal to merge Novametrix and Respiroics Holdings, Inc., a wholly-owned subsidiary of Respiroics, Inc. If the merger is completed, Novametrix will become a wholly-owned subsidiary of Respiroics, Inc.

Upon successful completion of the merger, you will receive shares of Respiroics common stock in exchange for your shares of Novametrix common stock. Respiroics common stock is listed on the Nasdaq Stock Market under the trading symbol "RESP". This tax-free, stock-for-stock transaction is valued at \$8.134 per share to Novametrix stockholders based on Respiroics' March 4, 2002 closing price of \$30.50. The actual exchange ratio will be determined based upon the weighted average selling price of Respiroics common stock during a 20-day trading period prior to the closing and is subject to a collar as described below.

Under the terms of the collar, if Respiroics' weighted average selling price is above \$35.00 per share over a 20-day trading period ending three days prior to the closing of the merger, you will receive Respiroics common stock in an amount equal to \$8.75 per share of Novametrix common stock. If Respiroics' weighted average selling price is from \$32.00 to \$35.00 over the relevant trading period, you will receive 0.25 shares of Respiroics common stock for each share of Novametrix common stock, resulting in an amount between \$8.00 and \$8.75 per share. If Respiroics' weighted average selling price is from \$30.00 to \$31.99, you will receive Respiroics common stock in an amount equal to \$8.00 per share of Novametrix common stock. If Respiroics' weighted average selling price is below \$30.00, you will receive 0.2667 shares of Respiroics common stock for each share of Novametrix common stock unless Novametrix exercises its right to terminate the merger as provided in the merger agreement with Respiroics Holdings. You will be entitled to receive cash for any fractional share of Respiroics common stock that you would otherwise be entitled to receive in the merger. You will not recognize gain or loss for federal income tax purposes as a result of the merger, except with respect to cash received for fractional shares.

Your board of directors has approved the merger and the merger agreement with Respiroics Holdings and has determined that the merger and the merger agreement are advisable, fair to and in the best interests of Novametrix and its stockholders. Accordingly, the Novametrix board of directors recommends that you vote FOR the adoption of the merger agreement at the special meeting.

Your vote is important, regardless of the number of shares you own. We cannot complete the merger unless the holders of a majority of the outstanding shares of Novametrix common stock vote to adopt the merger agreement. Holders of outstanding shares of Novametrix common stock at the close of business on February 8, 2002 are entitled to vote at the special meeting. Whether or not

Edgar Filing: RESPIRONICS INC - Form 424B3

you are able to attend the meeting personally, please complete, sign, date and return the enclosed proxy card promptly in the accompanying envelope, which requires no postage if mailed in the United States. You are, of course, welcome to attend the meeting and vote in person, even if you have previously returned your proxy card.

If you fail to return your proxy card or to vote in person at the meeting, it will have the same effect as a vote against the merger. Regardless of the number of shares you own, your vote is important.

The accompanying proxy statement/prospectus provides you with detailed information about the merger. We encourage you to read this entire document carefully. In particular, you should carefully consider the discussion in the section entitled "Risk Factors" beginning on page 20, describing some of the risks that you should consider in evaluating the merger.

I look forward to your support.

Sincerely,

/s/ William J. Lacourciere

QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

Q: What will happen in the proposed merger?

A: In the proposed merger, Respironics Holdings, the newly formed subsidiary of Respironics, will be merged with Novamatrix. As a result, Novamatrix will no longer be a public company and will become a wholly-owned subsidiary of Respironics. See "The Merger" on pages 27 through 46.

Q: Why are Novamatrix and Respironics proposing the merger?

A: Novamatrix and Respironics believe that the merger will enhance their ability to deliver products and programs to their customers in the hospital environment as well as customers in the infant care marketplace. Additionally, the companies believe that the merger will offer opportunities for development and introduction of innovative technologies for both new and

Edgar Filing: RESPIRONICS INC - Form 424B3

existing markets. See "The Merger--Novamatrix's Rationale for the Merger; Recommendation of the Novamatrix Board of Directors" on pages 30 through 31 and "The Merger--Respironics' Rationale for the Merger" on pages 31 through 32.

Q: Are there risks associated with the merger?

A: Yes. We may not achieve the expected benefits of the merger because of, for example, the risks and uncertainties discussed in the section entitled "Risk Factors" on pages 20 through 25 and the section entitled "Special Note Regarding Forward-Looking Statements" on page 26.

Q: Why is the Novamatrix board of directors recommending that I vote for adoption of the merger agreement?

A: In reaching its decision to approve the merger and the merger agreement and to recommend adoption of the merger agreement by Novamatrix stockholders, the Novamatrix board of directors considered the performance of Novamatrix as a stand-alone company in comparison with its performance as part of a larger entity. Also, the Novamatrix board of directors consulted with the Novamatrix management, as well as Novamatrix's financial and legal advisors, and considered the terms of the merger agreement and the transactions contemplated by the merger agreement and the expected benefits of the merger. The Novamatrix board of directors unanimously approved the merger agreement and the merger, and believes that the terms of the merger agreement and the merger are advisable, fair to, and in the best interests of, Novamatrix and its stockholders.

Q: What will I receive in the merger?

A: Upon successful completion of the merger, you will receive shares of common stock of Respironics (Nasdaq: RESP) (which we refer to in this proxy statement/prospectus as Respironics common stock) in exchange for your shares of Novamatrix common stock. This tax-free, stock-for-stock transaction is valued at \$8.134 per share to Novamatrix stockholders based on the March 4, 2002 closing price of \$30.50 per share of Respironics common stock. The actual exchange ratio will be determined based upon the weighted average selling price of Respironics common stock during the 20-day trading period ending three days prior to the closing and is subject to a collar as described below.

Under the terms of the collar, if the weighted average selling price of Respironics common stock is above \$35.00 per share over a 20-day trading period ending three days prior to the closing of the merger, you will receive Respironics common stock in an amount equal to \$8.75 per share of Novamatrix common stock. If Respironics' weighted average selling price is from \$32.00 to \$35.00 over the relevant trading period, you will receive 0.25 shares of Respironics common stock for each share of Novamatrix common stock, resulting in an amount between \$8.00 and \$8.75 per share. If Respironics' weighted average selling price is between \$30.00 and \$31.99, you will receive Respironics common stock in an amount equal to \$8.00 per share of Novamatrix common stock. If Respironics' weighted average selling price is below \$30.00, you will receive 0.2667 shares of Respironics common stock for each share of Novamatrix common stock unless Novamatrix exercises its right to terminate the merger as provided in the merger agreement.

If the closing of the merger were to have occurred on March 4, 2002, each issued and outstanding share of Novamatrix common stock would have been

Edgar Filing: RESPIRONICS INC - Form 424B3

exchanged for 0.2667 of a share of Respiroics common stock. Therefore, if the closing of the merger were to have occurred on March 4, 2002, for each share of Novamatrix common stock you would have received Respiroics common stock having a value of \$8.134 per share of Novamatrix common stock, based on the March 4, 2002 closing price of \$30.50 per share of Respiroics common stock, and the total consideration paid to all holders of Novamatrix common stock, based on the 8,809,406 shares of Novamatrix common stock outstanding on the Novamatrix record date, would have been Respiroics common stock with a total value of \$71.7 million, based on such March 4, 2002 closing price.

For a more complete description of the consideration you will receive, see "The Merger Agreement--Merger Consideration" in the Summary on pages 7 through 8.

Q: When will I know the actual exchange ratio?

A: We will issue a press release prior to the closing of the merger that will disclose the exchange ratio.

Q: Will I be able to sell the shares of Respiroics common stock I receive in the merger?

A: Yes. All Novamatrix stockholders, other than those deemed to be affiliated or controlling stockholders, will be free to sell the shares of Respiroics common stock they receive in the merger. Affiliates of Novamatrix will be able to sell their shares of Respiroics common stock within the limits permitted by Rule 145 under the Securities Act.

Q: What will happen to options or warrants to purchase shares of Novamatrix common stock?

A: Each option and each warrant to acquire shares of Novamatrix common stock outstanding immediately prior to the effective time of the merger will be assumed by Respiroics and converted into an option or warrant, as applicable, to purchase shares of Respiroics common stock. Each option or warrant will be exercisable for the same number of shares of Respiroics common stock as the holder of such option or warrant would have been entitled to receive pursuant to the merger had such holder exercised such option or warrant in full immediately prior to the effective time of the merger at an exercise price per share of Respiroics common stock equal to the aggregate exercise price for the shares of Novamatrix common stock otherwise purchasable pursuant to such option or warrant divided by the number of full shares of Respiroics common stock deemed purchasable pursuant to such option or warrant.

Q: When do you expect the merger to be completed?

A: We expect to complete the merger as soon as possible after the special meeting of Novamatrix stockholders called to adopt the merger agreement and the satisfaction or waiver of other conditions to the merger, including the receipt of any necessary regulatory approvals. We anticipate the merger will be completed on or about April 9, 2002.

Q: What if the merger is not completed?

A: If the merger is not completed, Novamatrix will continue to operate as an independent company, and neither Novamatrix nor Respiroics will be under any obligation to acquire your Novamatrix common stock. Novamatrix may be required to pay a termination fee if the merger is not completed for certain reasons described under "The Merger Agreement--Termination of the Merger Agreement" on pages 60 through 61.

Edgar Filing: RESPIRONICS INC - Form 424B3

Q: What are the tax consequences of the merger to Novamatrix stockholders?

A: The merger has been structured so that Novamatrix stockholders will not recognize any gain or loss for United States federal income tax purposes as a result of the merger, except with respect to any cash that Novamatrix stockholders receive in lieu of fractional shares of Respiroics common stock. The merger will not have any tax consequences for Respiroics stockholders. In addition, none of Novamatrix, Respiroics or Respiroics Holdings will recognize any gain or loss as a result of the merger.

2

To review the tax consequences of the merger to the Novamatrix stockholders in greater detail, see "The Merger--Material United States Federal Income Tax Consequences of the Merger" on pages 42 through 43. The tax consequences of the merger to you will depend on the specific facts of your own situation. You should consult your tax advisor for a full understanding of the tax consequences to you of the merger.

Q: What tax basis will holders of Novamatrix common stock have in the Respiroics common stock they receive in the merger?

A: Your aggregate tax basis in your shares of Respiroics common stock will equal your current aggregate tax basis in your Novamatrix common stock reduced by the amount of basis allocable to fractional shares for which you receive a cash payment.

Q: How will the merger be treated for accounting purposes?

A: The merger will be accounted for under the purchase method of accounting in accordance with accounting principles generally accepted in the United States. Accordingly, the cost to acquire Novamatrix will be allocated by Respiroics to the tangible assets acquired and liabilities assumed based on their fair values, with any excess being treated as goodwill and other intangible assets.

Q: Will Respiroics stockholders receive any shares as a result of the merger?

A: No. Respiroics stockholders will continue to hold the Respiroics shares they currently own.

Q: On what am I being asked to vote?

A: You are being asked to vote on the adoption of the merger agreement.

Q: What other matters will be voted on at the Novamatrix special meeting?

A: It is not expected that other matters will be voted on at the special meeting, except possibly procedural business relating to an adjournment or postponement of the special meeting if necessary. However, the purposes of the special meeting include the conduct of any other business properly brought before the meeting.

Q: What does the Novamatrix board of directors recommend?

A: The Novamatrix board of directors has approved the merger and the merger agreement and recommends that Novamatrix stockholders vote FOR the adoption of the merger agreement.

Q: When and where is the Novamatrix special meeting?

Edgar Filing: RESPIRONICS INC - Form 424B3

A: The special meeting of Novamatrix stockholders to vote on the merger agreement will be held at The Waldorf-Astoria, 301 Park Avenue, New York, New York, on April 9, 2002, at 10:00 a.m., Eastern Daylight Time, unless adjourned or postponed to a later date.

A: Holders of record of Novamatrix common stock at the close of business on February 8, 2002 can vote at the special meeting.

Q: What vote is required to adopt the merger agreement?

Q: What do I need to do now?

A: After carefully reading and considering the information contained in this proxy statement/prospectus, please vote your shares as soon as possible. You may vote your shares by signing and mailing the enclosed proxy card.

3

Q: How will my proxy be voted?

A: If you complete your proxy it will be voted in accordance with your instructions. If you sign and send in your proxy but do not indicate how you want to vote, your proxy will be counted as a vote in favor of adoption of the merger agreement. If you do not vote either in person or by proxy, it will count as a vote against adoption of the merger agreement.

Q: If my shares are held in "street name" by my broker, will my broker vote my shares for me?

A: Yes, but only if you provide your broker with instructions on how to vote. You should instruct your broker to vote your shares, following the directions provided by your broker. Without instructions to your broker, your shares will not be voted which will have the same effect as a vote against adoption of the merger agreement.

Q: Can I change my vote after I mail my proxy card?

A: Yes. You can change your vote at any time before your proxy is voted at the special meeting. If you are a stockholder of record, you can do this by:

Edgar Filing: RESPIRONICS INC - Form 424B3

Q: Is my vote important?

Respironics Holdings, Inc., a Delaware corporation, is a direct wholly-owned subsidiary of Respironics that was organized solely for purposes of completing the merger.

6

The Merger Agreement (see pages 49 through 62)

The merger agreement is attached as Annex A to this proxy statement/prospectus. We encourage you to read the merger agreement carefully and in its entirety. It is the principal document governing the merger.

Merger Consideration (see page 49). If we complete the merger, you will receive shares of Respironics common stock (Nasdaq: RESP) in exchange for your shares of Novamatrix common stock.

The merger agreement provides that, at the effective time of the merger, each share of Novamatrix common stock will be exchanged for a fraction of a share of Respironics common stock. This fraction is referred to as the "exchange ratio." Since the exchange ratio will fluctuate with the market price of Respironics common stock and will be subject to a mechanism commonly referred to as a "collar" that reduces your exposure to losses and gains from market price fluctuation within certain market price ranges, the exact number of shares of Respironics common stock that you will receive is not yet known. The exchange ratio is calculated based on the weighted average selling price of Respironics common stock over the 20 trading days immediately preceding (but excluding) the third trading day prior to the closing of the merger (referred to herein as the calculation period). The actual number of shares of Respironics common stock that you will receive in exchange for your shares of Novamatrix common stock will be calculated at the time of the closing of the merger.

Edgar Filing: RESPIRONICS INC - Form 424B3

The exchange ratio will be determined at the time of the merger as follows:

- . if the weighted average selling price of a share of Respiroics common stock during the calculation period exceeds \$35.00, the fraction will be \$8.75 divided by the weighted average selling price;
- . if the weighted average selling price of a share of Respiroics common stock during the calculation period is equal to or exceeds \$32.00 but is equal to or below \$35.00, the fraction will be 0.25 shares;
- . if the weighted average selling price of a share of Respiroics common stock during the calculation period is equal to or exceeds \$30.00 but is equal to or below \$31.99, the fraction will be \$8.00 divided by the weighted average selling price; and
- . if the weighted average selling price of a share of Respiroics common stock during the calculation period is below \$30.00, the fraction will be fixed at 0.2667 shares. However, if the weighted average selling price of a share of Respiroics common stock is below \$30.00, Novamatrix shall have the right to terminate the merger agreement. (See "The Merger Agreement--Termination Rights" on page 60).

If the closing of the merger were to have occurred on March 4, 2002, each issued and outstanding share of Novamatrix common stock would have been exchanged for 0.2667 of a share of Respiroics common stock. Therefore, if the closing of the merger were to have occurred on March 4, 2002, for each share of Novamatrix common stock you own, you would have received Respiroics common stock having a value of \$8.134 per share of Novamatrix common stock based on the March 4, 2002 closing price of \$30.50 per share of Respiroics common stock. In that case, the total consideration paid to all holders of Novamatrix common stock, based on the 8,809,406 shares of Novamatrix common stock outstanding on the Novamatrix record date, would have been Respiroics common stock with a total value of \$71.7 million, based on such March 4, 2002 closing price.

The following table shows

- . illustrative values of the exchange ratios that will result if the 20-day weighted average selling price of a share of Respiroics common stock during the calculation period is within a range of \$25.00 to \$40.00 per share, representing the fraction of a share of Respiroics common stock that will be issued for one share of Novamatrix common stock at each of the Respiroics 20-day weighted average selling prices presented in the table; and
- . illustrative values of the approximate consideration that would be issued in connection with the merger for one share of Novamatrix common stock, which illustrative values are determined by multiplying

7

each of the Respiroics 20-day weighted average selling prices presented in the table by the corresponding exchange ratio.

 * See "Fluctuations in Market Price" below.

For example, using the above table, if the weighted-average selling price of Respiroics common stock was \$32.00 during the calculation period and you owned 100 shares of Novamatrix common stock, you would be entitled to receive 25 shares of Respiroics common stock in the merger.

The values of Respiroics common stock in the above table are illustrative only and do not represent the actual amounts per share of Novamatrix common stock that might be realized by any Novamatrix stockholder on or after completion of the merger. The amount any Novamatrix stockholder might realize upon sale in the market of shares of Respiroics common stock received in the merger will depend upon the market price per share of Respiroics common stock at the time of sale, which will fluctuate depending upon any number of reasons, including those specific to Respiroics and those that influence the trading prices of equity securities generally.

Fluctuations in Market Price. Because the Respiroics weighted-average selling price is an average, it is likely to be different from the actual market value of a share of Respiroics common stock on the date Respiroics issues shares of Respiroics common stock to Novamatrix stockholders. The market value of shares of Respiroics common stock to be issued in exchange for each share of Novamatrix common stock might actually be less than \$8.00 on the date Respiroics issues those shares of Respiroics common stock even if the Respiroics weighted average selling price is \$30.00 or more.

No Solicitation (see pages 54 through 55). Novamatrix has agreed, subject to certain exceptions, that it will not solicit or knowingly encourage the initiation of any inquiries or proposals regarding any merger, sale of

Edgar Filing: RESPIRONICS INC - Form 424B3

assets, sale of shares of capital stock or similar transactions involving Novamatrix or any of its subsidiaries that if consummated would constitute an "Alternative Transaction." An Alternative Transaction means:

- . any transaction pursuant to which any third party acquires more than 25% of the outstanding shares of any class of Novamatrix equity securities;
- . a merger or other business combination involving Novamatrix pursuant to which any third party acquires more than 25% of the outstanding equity securities of Novamatrix or the entity surviving such merger or business combination;
- . any transaction pursuant to which any third party acquires or would acquire control of assets of Novamatrix or any significant subsidiary; or
- . any other consolidation, business combination, recapitalization or similar transaction involving Novamatrix or any of its significant subsidiaries, other than transactions contemplated by the merger agreement.

Conditions to Completion of the Merger (see page 58). The obligations of the parties to consummate the merger are subject to the satisfaction or waiver of certain conditions before the merger will be completed. These include:

- . the effectiveness under the Securities Act of the registration statement of which this proxy statement/prospectus is a part and the SEC has not issued any stop order suspending the effectiveness of the registration statement;
- . the adoption of the merger agreement by Novamatrix stockholders;
- . the receipt of unconditional regulatory approvals and authorizations including under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other required regulatory approvals and authorizations;
- . the absence of any order, stay or other legal restraint of any governmental authority enjoining, prohibiting or materially adversely affecting either Respiroics or Novamatrix or of any written threats of any litigation or proceeding by any governmental authority which seeks to enjoin or prohibit the merger or to impose material damages on either party;
- . the absence of any legal prohibition to complete the merger; and
- . the approval for listing on the Nasdaq Stock Market of the shares of Respiroics common stock issuable to Novamatrix stockholders.

The obligation of Respiroics Holdings to consummate the merger is subject to the satisfaction or waiver of certain conditions before the merger will be completed. These include:

- . the accuracy of the representations and warranties made by Novamatrix in the merger agreement;
- . the performance by Novamatrix of its obligations under the merger agreement;
- . the receipt of written agreements from all affiliates of Novamatrix agreeing to dispose of Respiroics common stock received by them in the merger in compliance with the securities laws;

Edgar Filing: RESPIRONICS INC - Form 424B3

- . the receipt of executed employment agreements from William J. Lacourciere, Philip F. Nuzzo, Anthony Pierry and Catherine Bush (all of which have been received), which are not terminated, repudiated or breached; and
- . the receipt from Respirationics' counsel of an opinion that the merger will qualify as a tax-free reorganization.

9

The obligation of Novamatrix to consummate the merger is subject to the satisfaction or waiver of certain conditions before the merger will be completed. These include:

- . the performance by Respirationics Holdings of its obligations under the merger agreement; and
- . the receipt from Novamatrix's counsel of an opinion that the merger will qualify as a tax-free reorganization.

The merger agreement may be terminated at any time prior to the completion of the merger for various reasons. These include:

- . by mutual written consent of Respirationics Holdings and Novamatrix;
- . by either Respirationics Holdings or Novamatrix, if:
 - . the merger has not been completed by June 17, 2002. However, neither party may terminate for this reason if its failure to fulfill any obligation is the reason the merger has not been completed;
 - . at any time after a final determination denying any regulatory clearance and/or approval required for the merger; or
 - . Novamatrix stockholders have failed to adopt the merger agreement at the special meeting;
- . by Respirationics Holdings, if:
 - . Novamatrix materially breaches any of its representations, warranties, covenants or agreements and the breach cannot be cured within a specified time period; or

Edgar Filing: RESPIRONICS INC - Form 424B3

pursuant to which the third party would acquire more than 25% of the outstanding shares of any class of Novamatrix equity securities;

- . a merger involving Novamatrix pursuant to which any third party would acquire more than 25% of the outstanding equity securities of Novamatrix or the entity surviving such merger;
- . any transaction pursuant to which any third party acquires or would control assets of Novamatrix or any significant subsidiary; or
- . any other consolidation, business combination, recapitalization or similar transaction involving Novamatrix or any of its significant subsidiaries, other than transactions contemplated by the merger agreement;

after determining, upon the basis of advice of outside counsel that such action is necessary in order for the board to act in a manner consistent with its fiduciary obligations under applicable law; or

10

- . the 20-day weighted average selling price of a share of Respiroics common stock during the calculation period is less than \$30.00. However, Novamatrix must exercise this right to terminate within two business days following the termination of the calculation period.

Termination Fees and Expenses (see page 61). Novamatrix must pay Respiroics a fee of \$3,400,000 and must pay up to \$425,000 of Respiroics' expenses relating to the transactions contemplated by the merger agreement, upon the first to occur of any of the following events:

- . the Novamatrix board of directors fails to recommend adoption of the merger agreement to the Novamatrix stockholders, or withdraws, modifies or changes its recommendation of the merger agreement in a manner adverse to Respiroics or has resolved to do any of the foregoing, other than under certain circumstances permitting termination of the merger agreement by Novamatrix or termination by mutual consent;
- . Novamatrix terminates the merger agreement after the Novamatrix board of directors approves:
 - . an inquiry or proposal by a third party to effect any transaction pursuant to which the third party would acquire more than 25% of the outstanding shares of any class of Novamatrix equity securities;
 - . a merger involving Novamatrix pursuant to which any third party would acquire more than 25% of the outstanding equity securities of Novamatrix or the entity surviving such merger;
 - . any transaction pursuant to which any third party acquires or would control assets of Novamatrix or any significant subsidiary; or
 - . any other consolidation, business combination, recapitalization or similar transaction involving Novamatrix or any of its significant subsidiaries, other than transactions contemplated by the merger agreement;

Edgar Filing: RESPIRONICS INC - Form 424B3

after determining, upon the basis of advice of outside counsel that such action is necessary in order for the board to act in a manner consistent with its fiduciary obligations under applicable law; or

- . Novamatrix executes and delivers an agreement for, or the Novamatrix board of directors approves, within 12 months following the termination of the merger agreement, other than termination under certain circumstances permitting termination by Novamatrix or termination by mutual consent, a transaction involving:
 - . a merger or consolidation or any similar transaction involving Novamatrix or any of its significant subsidiaries;
 - . a purchase, lease or other acquisition of all or substantially all of the assets of Novamatrix or any of its significant subsidiaries; or
 - . a purchase or other acquisition of securities representing 30% or more of the voting power of the common stock of Novamatrix or any of its significant subsidiaries.

Except as described above, all fees and expenses incurred in connection with the merger agreement and the transactions contemplated by the merger agreement will be paid by the party incurring such expenses, whether or not the merger is consummated.

Board of Directors Recommendation to Novamatrix Stockholders (see page 30)

The Novamatrix board of directors has approved the merger agreement, the merger and the other transactions contemplated by the merger agreement and has determined that the merger and the merger

11

agreement are advisable, fair to and in the best interests of Novamatrix and its stockholders. The Novamatrix board of directors recommends that you vote FOR the adoption of the merger agreement at the special meeting.

Opinion of Novamatrix's Financial Advisor (see page 32)

Among other factors that the Novamatrix board of directors considered in deciding to approve the merger, the Novamatrix board of directors received and considered an opinion from its financial advisor, SunTrust Robinson Humphrey, as to the fairness, from a financial point of view, of the exchange ratio in the merger to the holders of Novamatrix common stock. We have attached to this proxy statement/prospectus as Annex B the full text of SunTrust Robinson Humphrey's written opinion, dated December 17, 2001. You should read this opinion completely to understand the assumptions made, matters considered and limitations on the review undertaken by SunTrust Robinson Humphrey in providing its opinion. SunTrust Robinson Humphrey's opinion is addressed to the Novamatrix board of directors and does not constitute a recommendation to any stockholder with respect to any matter relating to the proposed merger.

The Novamatrix Special Meeting (see page 46)

The special meeting of Novamatrix stockholders will be held at 10:00 a.m., Eastern Daylight Time, on April 9, 2002 at The Waldorf-Astoria, 301 Park Avenue, New York, New York, unless adjourned or postponed to a later date.

At the special meeting, we will ask the holders of shares of Novamatrix common stock to:

Edgar Filing: RESPIRONICS INC - Form 424B3

- . adopt the merger agreement; and
- . conduct any other business properly brought before the meeting, including any adjournments or postponements of the special meeting, if necessary.

Vote Required to Adopt the Merger Agreement (see page 47)

Novamatrix stockholders will vote on a proposal to adopt the merger agreement. Adoption of this proposal requires the affirmative vote of the holders of at least a majority of the outstanding shares of Novamatrix common stock.

The Voting Agreements (see page 62)

Certain stockholders of Novamatrix, including the directors and executive officers of Novamatrix, representing approximately 9.8% of the voting power of Novamatrix shares as of the record date, have entered into voting agreements with Respironics in which they agreed to vote in favor of adoption of the merger agreement. We have attached a copy of the form of the voting agreement as Annex C to this proxy statement/prospectus.

Interests of Certain Persons in the Merger (see page 44)

In addition to their interests as stockholders, the directors and executive officers of Novamatrix may have interests in the merger that are different from, or in addition to, your interests. These interests exist because of rights they may have under individual employment agreements, compensation arrangements, or benefit and bonus plans. These interests include:

- . the payment to certain executive officers of Novamatrix of a success bonus upon completion of the merger and the acceleration of vesting of stock options held by the executive officers;
- . the payment to each director of Novamatrix of special compensation of \$25,000 in recognition of their services to Novamatrix, including in connection with the proposed merger, and additional grants of

12

stock options representing 15,000 shares of Novamatrix common stock to each director and the acceleration of vesting of stock options held by the directors; and

- . the continuance of directors' and officers' liability insurance, rights of indemnification and advancement of expenses, in each case, for the benefit of current and former Novamatrix directors and executive officers.

In addition, Novamatrix and Respironics have entered into employment agreements dated as of December 14, 2001 with each of William J. Lacourciere, Chairman of the Board and Chief Executive Officer of Novamatrix, and Philip F. Nuzzo, Vice President of Product and Business Development of Novamatrix. Each of these employment agreements provides for continued employment of the employee following completion of the merger.

The members of the Novamatrix board of directors knew of these additional interests and considered them when they approved the merger.

Stock Market Listing (see page 42)

The shares of Respiroics common stock to be issued to Novamatrix stockholders in connection with the merger will be tradeable on the Nasdaq Stock Market upon receipt by the Novamatrix stockholders.

Material United States Federal Income Tax Consequences of the Merger (see page 42)

The parties have structured the merger so that, in general, Respiroics, Respiroics Holdings, Novamatrix and their respective stockholders will not recognize gain or loss for United States federal income tax purposes as a result of the merger, except with respect to cash received by Novamatrix stockholders in lieu of fractional shares. It is a condition to the merger that Novamatrix and Respiroics receive legal opinions to this effect from their respective tax counsel.

The tax consequences of the merger to you will depend on the specific facts of your own situation. You should consult your tax advisor for a full understanding of the tax consequences to you of the merger.

Accounting Treatment (see page 43)

The merger will be accounted for under the purchase method of accounting in accordance with accounting principles generally accepted in the United States. Accordingly, the cost to acquire Novamatrix will be allocated by Respiroics to the tangible assets acquired and liabilities assumed based on their fair values, with any excess being treated as goodwill and other intangible assets.

No Appraisal Rights (see page 44)

Under Delaware law, Novamatrix stockholders will not be entitled to exercise dissenter's or appraisal rights or to demand payment for their shares in connection with the merger.

Material Differences Between Rights of Holders of Common Stock of Respiroics and Novamatrix (see page 72)

Novamatrix stockholders, whose rights are currently governed by the Novamatrix certificate of incorporation, by-laws, stockholder rights plan and Delaware law, will, upon completion of the merger, become stockholders of Respiroics, and their rights will be governed by Respiroics' certificate of incorporation, by-laws, stockholder rights plan and Delaware law.

SELECTED RESPIRONICS AND NOVAMETRIX UNAUDITED
PRO FORMA COMBINED FINANCIAL DATA

The following unaudited pro forma combined condensed financial information sets forth the combined results of operations for the fiscal year ended June 30, 2001 and the six month period ended December 31, 2001, as if the merger had occurred at the beginning of the periods stated, and the financial position as of December 31, 2001 as if the merger had occurred as of that date. Novamatrix has a fiscal year end, ending on the Sunday closest to April 30, which differs from Respiroics' June 30 fiscal year end, and accordingly the companies' fiscal quarters also end on different dates. In order to develop unaudited pro forma combined condensed financial statements using Respiroics' fiscal year and six month period end dates, Respiroics' December 31, 2001 unaudited balance sheet was combined with Novamatrix's October 28, 2001 unaudited balance sheet, Respiroics' six month period ended December 31, 2001 unaudited income statement was combined with Novamatrix's six month period ended October 28, 2001 unaudited income statement, and Respiroics' fiscal year end June 30, 2001 income statement was combined with Novamatrix's fiscal year end April 29, 2001 income statement.

The pro forma information is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial position that would have actually occurred if the merger had been consummated at the beginning of the periods stated, nor is it necessarily indicative of future operating results or financial position. See "Unaudited Pro Forma Combined Condensed Financial Data" on page 67 for additional information.

UNAUDITED COMPARATIVE PER SHARE DATA

The following table sets forth certain historical and pro forma per share data of Respiroics and certain historical and pro forma equivalent per share data of Novamatrix. The pro forma combined and pro forma equivalent data is based upon an exchange ratio of 0.2667 shares of Respiroics common stock for each share of Novamatrix common stock outstanding immediately prior to the merger. The pro forma equivalent data for Novamatrix is calculated by multiplying the Respiroics pro forma combined amounts by the exchange ratio. The following data is presented for informational purposes only and is not necessarily indicative of the results that actually would have occurred if the merger had been in effect during the periods presented nor is such data necessarily indicative of future operating results or financial position. We cannot assure you that the actual exchange ratio will be equivalent to the exchange ratio assumed for the purposes of this table. See "Summary--The Merger Agreement" on page 7 for more information regarding the exchange ratio.

19

RISK FACTORS

By voting to adopt the merger agreement, Novametrix stockholders will be choosing to invest in Respironics common stock. An investment in Respironics common stock involves risk. In addition to the other information contained in or incorporated by reference into this proxy statement/prospectus, you should carefully consider the following risk factors before deciding whether to vote for the merger. If any of the following risks actually occurs, the business and prospects of the combined Respironics and Novametrix may be adversely affected. In such case, the trading price of Respironics common stock could decline and you could lose all or part of your investment.

Risks Related to the Merger

The dollar value of the consideration that Novametrix stockholders will receive in the merger may decrease between now and the completion of the merger due to changes in the market value of Respironics common stock.

The exchange ratio is based on the market price for Respironics common stock and will not be determined until shortly before the completion of the merger.

The market prices for the Respironics common stock cannot be predicted and you should obtain current market quotations of the Respironics common stock, which is listed on the Nasdaq Stock Market under the symbol "RESP".

The exchange ratio will be determined at the time of the merger as follows:

- . If Respironics' weighted average stock price is above \$35.00 during the 20-day trading period ending three days prior to the closing of the merger, Novametrix stockholders will receive Respironics common stock in an amount equal to \$8.75 per Novametrix share.
- . If Respironics' weighted average stock price is between \$32.00 and \$35.00 during the 20-day trading period ending three days prior to the closing of the merger, Novametrix stockholders will receive 0.25 shares of Respironics common stock for each share of Novametrix common stock, resulting in an amount between \$8.00 and \$8.75 per Novametrix share.
- . If Respironics' weighted average stock price is between \$30.00 and \$31.99 per share during the 20-day trading period ending three days

Edgar Filing: RESPIRONICS INC - Form 424B3

prior to the closing of the merger, Novamatrix stockholders will receive Respiroics common stock in an amount equal to \$8.00 per Novamatrix share.

- . If Respiroics' weighted average stock price is below \$30.00 per share during the 20-day trading period ending three days prior to the closing of the merger, Novamatrix stockholders will receive 0.2667 shares of Respiroics common stock for each share of Novamatrix common stock, unless Novamatrix exercises its right to terminate the merger.

Because the exchange ratio will not be determined until the third trading day before the completion of the merger, if you wish to vote by proxy and have your vote counted at the special meeting, you will have to decide whether or not to vote for adoption of the merger agreement and the issuance of Respiroics shares in the merger before knowing the actual exchange ratio. Changes in the price of Respiroics common stock between the date of this proxy statement/prospectus and the third trading day before the closing of the merger may cause the actual exchange ratio to vary significantly. The actual market value of a share of Respiroics common stock at the time of the closing of the merger could be substantially different, including substantially less, than the Respiroics weighted average stock price during the 20-day period ending three days prior to the closing of the merger. Because the date the merger is completed may be later than the date of the special meeting, Novamatrix stockholders will not necessarily know the market value of the combined Respiroics common stock that they will receive in the merger at the time they vote on the merger. See "The Merger Agreement--Merger Consideration" on page 49.

20

The risk of failing to successfully integrate Respiroics and Novamatrix may result in the combined companies not achieving the anticipated potential benefits of the merger.

The merger involves the combination of two companies that have previously operated independently. Among the factors considered by the Respiroics board of directors and the Novamatrix board of directors in connection with their approval of the merger agreement were the opportunities for operating efficiencies that they expect will ultimately result from the merger. The integration of the companies' operations following the merger will require the dedication of management resources in order to achieve the anticipated operating efficiencies of the merger. While Respiroics and Novamatrix expect to achieve savings in operating costs as a result of the merger, we cannot assure you that difficulties encountered in integrating the operations of Respiroics and Novamatrix will be overcome or that the benefits expected from such integration will be realized. The difficulties of combining the companies' operations include the necessity of coordinating geographically separated organizations, integrating personnel with diverse business backgrounds and combining different corporate cultures. The process of integrating operations could cause an interruption of, or loss of momentum in, the activities of either or both of the combined companies' businesses. The diversion of management's attention and any difficulties encountered in connection with the merger and the integration of the two companies' operations could have an adverse effect on the business, revenues, level of expenses and operating results of the combined companies.

Respiroics and Novamatrix may not achieve the benefits they expect from the merger.

Respiroics and Novamatrix entered into the merger agreement with the expectation that the merger will result in significant benefits to the combined

Edgar Filing: RESPIRONICS INC - Form 424B3

companies. Achieving the benefits of the merger depends on the timely, efficient and successful execution of a number of post-merger events. Key events include:

- . offering the existing products and services of each company to the other company's customers; and
- . developing new products and services for both companies' respective customers.

The execution of these post-merger events will involve risk and may not be successful.

Existing products and services. Respiroics initially intends to offer each company's products and services to the customers of the other company. We cannot assure you that either company's customers will have any interest in the other company's products and services. The failure of these cross-marketing efforts would diminish the synergies expected to be realized by the merger.

New products and services. Respiroics intends to develop new products and services. We cannot assure you that Respiroics will be able to overcome the technological, market-driven or other obstacles in developing new products and services, or that there will be a market for any new products or services developed by Respiroics after the merger.

Respiroics and Novamatrix cannot offer you any assurances that they can successfully integrate or realize the anticipated benefits of the merger. A failure to do so could adversely affect the combined companies' business, financial condition and operating results or could result in the loss of key personnel or customers. In addition, the diversion of management's attention from other important issues could adversely affect the combined companies.

21

The market price of Respiroics common stock may decline as a result of the merger.

The market price of Respiroics common stock may decline as a result of the merger for a variety of reasons, including if:

- . the integration of Respiroics and Novamatrix is unsuccessful;
- . Respiroics does not achieve the perceived benefits of the merger as rapidly as, or to the extent anticipated by, financial or industry analysts; or
- . the effect of the merger on Respiroics' financial results is not consistent with the expectations of financial or industry analysts.

If the merger does not occur, Novamatrix will not benefit from the expenses it has incurred in the pursuit of the merger.

Failure to complete the merger could negatively impact Novamatrix's stock price and future business and operations.

If the merger is not completed for any reason, Novamatrix may be subject to a number of material risks, including the following:

- . Novamatrix may be required to pay Respiroics a fee of \$3,400,000, plus up to \$425,000 of Respiroics' expenses relating to the merger;

Edgar Filing: RESPIRONICS INC - Form 424B3

- . the price of Novamatrix common stock may decline to the extent that the current market price of Novamatrix common stock reflects a market assumption that the merger will be completed; and
- . expenses related to the merger must be paid even if the merger is not completed and Novamatrix will not benefit from the expenses it has incurred in the pursuit of the merger.

In addition, Novamatrix customers and suppliers may, in response to the announcement of the merger, delay or defer decisions concerning Novamatrix or cease doing business with Novamatrix. Any delay in or deferral of those decisions by Novamatrix customers or suppliers or any decision by Novamatrix customers or suppliers to cease doing business with Novamatrix could have a significant adverse effect on Novamatrix, regardless of whether the merger is ultimately completed. Similarly, current and prospective Novamatrix employees may experience uncertainty about their future roles with Respiration until Respiration's strategies with regard to Novamatrix are announced or executed. This may adversely affect Novamatrix's ability to attract and retain key management, sales, marketing and technical personnel.

Further, if the merger agreement is terminated and Novamatrix's board of directors determines to seek another merger or business combination, it is not certain that Novamatrix will be able to find a partner willing to pay an equivalent or more attractive price than the price to be paid in the merger. Also, while the merger agreement is in effect, Novamatrix is generally prohibited from soliciting, initiating, encouraging or entering into extraordinary transactions, such as a merger, sale of assets or other business combination, with any other party.

The historical earnings of Respiration will be diluted by the merger.

The merger and the transactions contemplated thereby have a dilutive effect on Respiration's historical net income per share on a pro forma combined basis for the year ended June 30, 2001 and the six months ended December 31, 2001. The "Unaudited Pro Forma Combined Condensed Statements of Income" on pages 67 through 71 illustrate the effect of the merger on historical net income per share for the year ended June 30, 2001 and the six months ended December 31, 2001. On a historical basis for Respiration, net income per share was \$1.09 for the year ended June 30, 2001 and \$0.58 for the six months ended December 31, 2001, as compared to \$0.99 and \$0.57 for the year ended June 30, 2001 and the six months ended December 31, 2001, respectively, on a pro forma basis for the combined companies, assuming an exchange ratio of 0.2667.

22

Substantial sales of Respiration common stock could occur after the merger and cause fluctuations in the market price of the stock.

After the merger and assuming the conversion of the 8,809,406 shares of Novamatrix common stock outstanding on the Novamatrix record date to shares of Respiration common stock, approximately 2,126,205 of the shares of Respiration common stock issued to Novamatrix stockholders will be freely tradable and an additional 223,264 shares of Respiration common stock will be tradable under Rules 144 and 145 under the Securities Act assuming, in each case, an exchange ratio of 0.2667. As a result, substantial sales of Respiration common stock could occur after the merger, including sales by those Novamatrix stockholders and current Respiration stockholders. Sales of a substantial number of such shares of Respiration common stock could adversely affect or cause substantial fluctuations in the market price of Respiration common stock and impair

Edgar Filing: RESPIRONICS INC - Form 424B3

Respironics' ability to raise additional capital through the sale of its equity securities.

The market prices of Respironics common stock and Novamatrix common stock are, and are expected to continue to be, subject to significant fluctuations in response to variations in quarterly operating results, announcements of products and developments by competitors, trends in the health care industry in general and the medical device industry in particular, and certain other factors beyond the control of Respironics and Novamatrix.

The combined companies will be dependent on key personnel.

The success of the combined companies is dependent upon the retention, training and management of qualified employees, including key employees. Competition for qualified sales, technical and other personnel is intense, and we cannot assure you that the combined companies will be able to attract, assimilate or retain highly qualified employees in the future. If the combined companies are unable to retain and hire such personnel, its business, operating results and financial condition may be adversely affected. Additions of new and departures of existing personnel, particularly in key positions, can be disruptive and have a material adverse effect on the combined companies' business, operating results and financial condition. See "The Merger--Interests of Certain Persons in the Merger--Employment Agreements" on pages 44 through 46 for a description of employment agreements to be entered into in connection with the merger.

Risks Related to the Combined Businesses of Respironics and Novamatrix

Pricing pressure and health care reform may adversely affect the combined business.

The health care industry in the United States is experiencing a period of extensive change. Changes in the law or new interpretations of existing laws may affect the definition of permissible or impermissible activities, the relative costs associated with doing business, the extent of coverage and the amount of reimbursement by both government and third party payors. In addition, economic forces, regulatory influences and political initiatives are subjecting the health care industry to fundamental change. The health care industry is experiencing market-driven reforms from forces within the industry that are exerting pressure on health care companies to reduce health care costs. These market-driven changes are resulting in industry-wide consolidation that may increase the downward pressure on health care product margins, as larger buyer and supplier groups exert pricing pressure on providers of medical devices and other health care products. The ultimate timing or effect of legislative efforts and market driven reforms cannot be predicted, and may impact the business of the combined companies. We cannot assure you that any such efforts or reforms will not have an adverse effect on the business, results of operations or financial condition of the combined companies.

23

The combined companies will be dependent on third parties.

The businesses of Respironics and Novamatrix depend upon relationships with durable medical equipment manufacturers and distributors, hospitals, hospital groups, purchasing organizations, physicians, physician groups, home health care organizations, long-term care facilities, and other institutional health care providers. We cannot assure you that the combined companies will be able successfully to maintain and develop these third party relationships, or that certain relationships will not be adversely affected by the merger. The loss of

Edgar Filing: RESPIRONICS INC - Form 424B3

or damage to existing relationships, or the failure to continue to develop relationships of these kinds, could have a material adverse effect on the business, results of operations and financial condition of the combined companies after the merger.

The businesses of Respiroics and Novamatrix are also dependent to a large extent upon the ability of customers to obtain adequate reimbursement from third party payors, such as government and private insurance programs, for reselling and renting products and performing procedures using the products of the two companies. Governmental initiatives focused on achieving cost-effective health care delivery could adversely affect the business of the combined companies.

Managed care organizations have grown substantially in terms of the percentage of the population in the United States that receives medical benefits through such organizations. In addition, these organizations are continuing to consolidate, and such consolidation may increase the ability of such organizations to influence the practices and pricing involved in the purchase of medical devices, including those sold by the combined companies after the merger.

The cost and uncertainty of regulatory compliance may adversely affect the combined business.

The business, financial condition and results of operations of the combined business could be materially and adversely affected by any of the following events, circumstances or occurrences related to the regulatory process:

- . delays in initiating or completing clinical trials or in the receipt of regulatory approvals;
- . the failure to obtain regulatory approvals for products;
- . significant limitations in the indicated uses for which approved products may be marketed; or
- . substantial costs incurred in obtaining such approvals.

There has been a trend in recent years both in United States and outside the United States toward more stringent regulation of, and enforcement of requirements applicable to, medical device manufacturers. At the present time, there are no meaningful indications that this trend will change in the near term or the long-term, either in the United States or abroad.

The uncertainty related to patents and proprietary rights may adversely affect the combined business.

The medical device industry has been characterized by extensive litigation regarding patents and other intellectual property rights. Companies in the medical device industry have employed intellectual property litigation to gain a competitive advantage. While Novamatrix and Respiroics periodically review the scope of their patents and other relevant patents of which they are aware, the question of patent infringement involves complex legal and factual issues. Any conclusion regarding infringement may not be consistent with the resolution of any such issues by a court. We cannot assure you that the business, results of operations or the financial condition of the combined companies will not suffer an adverse impact as a result of intellectual property claims that may be commenced against the combined companies in the future.

Edgar Filing: RESPIRONICS INC - Form 424B3

The combined companies will be subject to intense competition, as technology and markets are changing rapidly.

The medical device industry is characterized by rapidly evolving technology and increased competition. Competitors of Respirationics and Novamatrix include large medical companies, some of which have greater financial and technical resources and broader product lines than Respirationics and Novamatrix, even on a combined basis. There are a number of companies that currently offer, or are in the process of developing, products that compete with products offered by Respirationics and Novamatrix. Some of these competitors may have greater capital resources, research and development staffs and experience in the medical device industry. We cannot assure you that some of these competitors will not succeed in developing technologies and products that are more effective than those currently used, produced or sold by Respirationics and Novamatrix or that would render some products offered by Respirationics and Novamatrix obsolete or non-competitive.

The combined companies will be dependent upon new product development.

As existing products of Respirationics and Novamatrix become more mature and their existing markets become more crowded, the importance to the combined companies after the merger of developing or acquiring new products will increase. The development of any such products will entail considerable time and expense, including research and development costs or acquisition costs and the time and expense required to obtain necessary regulatory approvals. We cannot assure you that such development activities will yield products that can be commercialized profitably or that any product acquisitions can be consummated on commercially reasonable terms or at all. Any failure to acquire or develop new products to supplement more mature products could have an adverse effect on the business, results of operations and financial condition of the combined companies.

Product liability exposure may adversely affect the combined business.

Because many of the products of both Respirationics and Novamatrix are intended to be used in health care settings on patients who may be seriously or critically ill, both companies are exposed to potential product liability claims. Although both companies currently maintain significant levels of product liability insurance coverage and Respirationics plans to continue such coverage after the merger, we cannot assure you that such product liability insurance will continue to be available or that product liability claims will not have an adverse effect on the business, results of operations or financial condition of the combined companies.

Respirationics and Novamatrix produce and sell their products internationally which subjects the combined business to risks of transacting business in foreign countries.

Because sales of products by Respirationics and Novamatrix are often made outside the United States and Respirationics has foreign manufacturing operations in the Peoples Republic of China and the Philippines, the international revenue of the combined companies and the cost of goods sold are subject to the following risks:

- . foreign currency fluctuations;
- . economic or political instability;
- . foreign tax laws;
- . shipping delays;

Edgar Filing: RESPIRONICS INC - Form 424B3

- . various tariffs and trade regulations;
- . foreign medical restrictions and regulations;
- . customs duties, export quotas or other trade restrictions; and
- . difficulty in protecting intellectual property rights.

Any of these factors could adversely affect the business, financial condition and results of operations of the combined companies.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Certain forward-looking statements in this document are subject to risks and uncertainties. These statements may be made directly in this document or may be "incorporated by reference" from other documents filed with the SEC. Forward-looking statements include information regarding synergies, efficiencies, cost savings, revenue enhancements, projected funds from operations, asset portfolios and the timetable for completion of the merger.

Forward-looking statements in this document or those documents incorporated by reference also include, among other things, statements regarding the intent, belief or expectations of Respiroics or Novamatrix and frequently can be identified by the use of words such as "may," "will," "should," "believes," "expects," "anticipates," "intends," "estimates" and other comparable terms. For those statements, we claim the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995.

You should understand that the following important factors, in addition to those risk factors discussed elsewhere in this document and in the documents which are incorporated by reference, could affect the future results of Respiroics, Novamatrix, and the combined companies after completion of the merger, and could cause actual results or other outcomes to differ materially from those expressed in our forward-looking statements:

- . competitive pressures among health care products manufacturers, distributors and service providers may increase significantly;
- . general economic or business conditions, either internationally, nationally or in the states in which Respiroics or Novamatrix are doing business, may be less favorable than expected resulting in, among other things, a reduced demand for health care products and services;
- . legislative or regulatory changes may adversely affect the business of Respiroics or Novamatrix; and
- . changes may occur in the securities markets.

All subsequent written and oral forward-looking statements attributable to Respiroics, Novamatrix or any person acting on their behalf are expressly qualified in their entirety by the cautionary statements contained or referred to in this section. Neither Respiroics nor Novamatrix undertakes any obligation to release publicly any revisions to the forward-looking statements in this proxy statement/prospectus to reflect events or circumstances after the date of this document or to reflect the occurrence of unanticipated events.

THE MERGER

The discussion in this proxy statement/prospectus of the merger and the principal terms of the merger agreement is subject to, and qualified in its entirety by reference to, the merger agreement, a copy of which is attached to this proxy statement/prospectus as Annex A and is incorporated by reference into this proxy statement/prospectus.

General

Novamatrix is furnishing this proxy statement/prospectus to you in connection with the solicitation of proxies by the Novamatrix board of directors for use at the special meeting of Novamatrix stockholders to be held on April 9, 2002, and at any adjournments or postponements of the special meeting. Respironics is furnishing this proxy statement/prospectus to you in connection with its offer to issue shares of Respironics common stock in exchange for your shares of Novamatrix common stock.

At the special meeting, you will be asked to vote upon a proposal to adopt the Agreement and Plan of Merger dated as of December 17, 2001 by and between Novamatrix and Respironics Holdings, Inc., a subsidiary of Respironics.

Background of the Merger

The Novamatrix board of directors, as part of its ongoing oversight and planning functions, has from time to time considered various financial and other alternatives that might be available to increase the value of Novamatrix to its stockholders. In connection with these ongoing reviews, the Novamatrix board of directors met during the spring of 2001 to assess various possible strategic alternatives available to Novamatrix to increase stockholder value, including a sale or business combination or the continued operation of Novamatrix as a stand alone entity under its then current business plan.

At a meeting of the Novamatrix board of directors held in March 2001, SunTrust Robinson Humphrey presented its preliminary analysis of strategic alternatives available to Novamatrix. SunTrust Robinson Humphrey discussed with the Novamatrix board of directors its preliminary views on an appropriate valuation of Novamatrix and its analysis of other related matters. Following these discussions, the Novamatrix board of directors directed SunTrust Robinson Humphrey to undertake a more detailed valuation analysis and to undertake with Novamatrix management the identification of third parties who might have an interest in acquiring Novamatrix. Novamatrix's management and SunTrust Robinson Humphrey then identified a number of third parties who might have an interest in acquiring Novamatrix.

At a meeting of the Novamatrix board of directors held on April 6, 2001, the board authorized preliminary discussions with financial advisors to advise the board on its strategic alternatives. On May 24, 2001, Novamatrix engaged an investment banking firm, SunTrust Robinson Humphrey, to assist Novamatrix in its consideration of various strategic alternatives, including a possible sale of Novamatrix.

Beginning in June 2001, SunTrust Robinson Humphrey approached 14 potential buyers, including Respironics, in an effort to ascertain, on a preliminary basis, their level of interest in acquiring Novamatrix. The companies contacted were chosen based on a variety of factors, including perceived interest in the businesses in which Novamatrix operates, familiarity with the medical device industry, financial position and ability to consummate an acquisition of

Novamatrix. Those entities expressing an interest in pursuing a possible transaction were asked to sign agreements to protect the confidential nature of the material prepared by Novamatrix management to be provided to these parties. Ten companies, including Respiroics, signed confidentiality agreements and, in July 2001, received a confidential memorandum prepared by Novamatrix management.

27

In July 2001, Respiroics engaged Parker/Hunter Incorporated as its financial advisor in connection with the potential acquisition of Novamatrix.

On July 10, 2001, representatives of SunTrust Robinson Humphrey made a presentation to the Novamatrix board of directors with respect to the status of the discussions and meetings with potential bidders. At the meeting, SunTrust Robinson Humphrey discussed a proposed timetable for the sale of Novamatrix and questions, comments and indications of possible interest being received from potential bidders.

Between July 30, 2001 and August 13, 2001, Novamatrix and its financial advisors hosted introductory meetings in New York with each of the potential acquirors of Novamatrix. An introductory meeting with Respiroics was held on July 31, 2001. Senior representatives from both Novamatrix and Respiroics attended this meeting, including Craig B. Reynolds, Executive Vice President and Chief Operating Officer of Respiroics, Daniel J. Bevevino, Vice President and Chief Financial Officer of Respiroics, and Paul L. Woodring, President - Hospital Division of Respiroics, as well as William J. Lacourciere, Chairman of the Board and Chief Executive Officer of Novamatrix, Thomas M. Patton, President and Chief Operating Officer of Novamatrix, Joseph A. Vincent, Chief Financial Officer of Novamatrix, and Philip F. Nuzzo, Vice President - Business and Product Development of Novamatrix. Messrs. Lacourciere, Patton, Vincent and Nuzzo made a presentation discussing Novamatrix's business, customers, industry, and historical and projected financial performance. After this presentation, Messrs. Lacourciere, Patton, Vincent and Nuzzo answered questions and provided a broad overview as to how a potential combination may improve both Novamatrix's and Respiroics' future prospects.

Following the introductory meetings, between August 16, 2001 and August 23, 2001, Novamatrix received preliminary offers from four of the potential acquirors of Novamatrix.

At a meeting of the Novamatrix board of directors held on August 23, 2001, following a presentation by representatives of SunTrust Robinson Humphrey, the Novamatrix board authorized management to continue discussions and due diligence with the four companies who made preliminary offers.

Beginning on August 27, 2001, Novamatrix management provided the potential acquirors with access to due diligence materials related to Novamatrix's business. Between August 27, 2001 and September 28, 2001, two potential bidders withdrew their preliminary offers and withdrew from the process to purchase Novamatrix before reviewing due diligence materials based on price expectations relative to a potential transaction.

After Novamatrix made its initial presentation to Respiroics on July 31, 2001, Respiroics' commenced financial and business due diligence on Novamatrix, which continued through the execution of the merger agreement. Respiroics' due diligence efforts included conducting meetings with Novamatrix management, visiting Novamatrix's facilities and reviewing financial and legal documents provided by Novamatrix.

Edgar Filing: RESPIRONICS INC - Form 424B3

Respironics and its advisors commenced legal due diligence at the offices of Torys LLP, legal counsel to Novamatrix, in mid-September 2001. Legal due diligence continued through the execution of the merger agreement.

On September 28, 2001, SunTrust Robinson Humphrey sent letters to the potential bidders that specified the procedures to be followed regarding submission of final offers. The letters stated that offers were to include information as to the price-per-share for Novamatrix common stock, the source of financing for the transaction, a timetable for completion, and regulatory approvals that would be required to complete the transaction. Potential bidders also received drafts of a proposed acquisition agreement and were instructed to advise of any material departures from the agreement's terms in their bids.

On November 12, 2001, the Respironics board of directors held a meeting and authorized management to proceed with their efforts to pursue a business combination with Novamatrix. Later that week, Respironics submitted an offer pursuant to which Novamatrix stockholders would receive consideration of \$8.00 per share of Novamatrix common stock in Respironics common stock in a tax free merger.

28

On November 16, 2001, the Novamatrix board of directors authorized management to continue negotiations with Respironics and to evaluate merger agreement terms and a possible exchange ratio "collar" or similar mechanism to provide some protection to Novamatrix stockholders with respect to the value of the Respironics common stock to be received in the merger.

Between November 19, 2001 to November 28, 2001, financial representatives of Novamatrix and Respironics discussed and negotiated on numerous occasions the terms of the proposed merger, including the price per share, the terms of a collar, and matters relating to transaction structure and the timing of the merger.

On November 26, 2001, the Novamatrix board of directors received an update on the status of merger negotiations, including price and collar provisions, structure and timing.

On November 28, 2001, Novamatrix entered into an agreement with Respironics providing for an exclusive negotiating period through December 23, 2001 whereby Novamatrix agreed not to solicit, initiate or encourage any alternative proposals.

From December 4, 2001 through December 5, 2001, Novamatrix and its advisors met with management of Respironics to conduct business and financial due diligence on the business, operations and prospects for Respironics and its common stock. Also during the week of December 4, 2001 through December 7, 2001, representatives of Torys LLP conducted legal due diligence.

From December 4, 2001 through December 17, 2001, legal and financial representatives of Novamatrix and Respironics discussed and negotiated on numerous occasions various aspects of the proposed merger, the proposed terms of the merger agreement, including the nature and extent of termination fees and the conditions for consummation of the merger, and the proposed terms of certain employment agreements. At the same time, Respironics and its advisors provided expanded due diligence requests to Novamatrix and continued to conduct due diligence on Novamatrix.

On December 12, 2001, Novamatrix issued a press release stating that it was "involved in negotiations with a potential acquiror regarding a potential

Edgar Filing: RESPIRONICS INC - Form 424B3

merger of Novamatrix pursuant to which all of the Novamatrix common stock would be converted into common stock of the potential acquiror having a value of in the range of \$8.00 per share of the Novamatrix common stock."

On December 17, 2001, the Novamatrix board of directors met to consider the proposed merger, including the merger agreement and related agreements. At Novamatrix's board meeting, Mr. Lacourciere, representatives of SunTrust Robinson Humphrey, and Mr. Thomas M. Haythe, the general counsel of Novamatrix, addressed the board of directors about the business, financial and legal implications, respectively, of a merger between Respironics and Novamatrix and the terms of the proposed merger agreement and related agreements. During that meeting, representatives of SunTrust Robinson Humphrey informed the board that in the opinion of SunTrust Robinson Humphrey, as of December 17, 2001, the exchange ratio under the proposed merger agreement was fair, from a financial point of view, to Novamatrix stockholders. After discussion, the Novamatrix board of directors unanimously voted to approve the merger agreement and the merger and unanimously resolved to recommend that Novamatrix stockholders vote to adopt the merger agreement at a special meeting to be held for that purpose. At the meeting, the Novamatrix board of directors approved an amendment to its stockholder rights plan in order to exempt the merger from the provisions of the rights plan, exempted the merger from the supermajority voting provisions set forth in the Novamatrix certificate of incorporation, and exempted the merger from the anti-takeover restrictions set forth in Delaware law.

On December 17, 2001, Respironics' board of directors held a meeting with its legal advisors, financial advisors and management, and discussed the final terms and conditions of the merger as set forth in the merger agreement and related agreements. Respironics' board of directors unanimously approved the merger agreement and the related transactions, including the merger.

29

On December 18, 2001, the parties executed the merger agreement and related documents. Immediately thereafter, Respironics and Novamatrix issued a press release announcing the proposed merger.

Novamatrix's Rationale for the Merger; Recommendation of the Novamatrix Board of Directors

The Novamatrix board of directors has approved the merger and the merger agreement and has determined that the merger and the merger agreement are advisable, fair to and in the best interest of Novamatrix and its stockholders. In approving the merger, the merger agreement and the transactions contemplated thereby, and recommending that the holders of Novamatrix common stock vote FOR the adoption of the merger agreement at the special meeting, the Novamatrix board of directors considered a number of factors, including:

- . the financial condition, results of operations, cash flow, earnings and assets of Novamatrix and the prospects of Novamatrix if it remains an independent company;
- . the presentation of SunTrust Robinson Humphrey, and the opinion of SunTrust Robinson Humphrey to the effect that, subject to the matters set out in such opinion and subject to the assumptions, factors and limitations set forth in their written opinion, the exchange ratio established pursuant to the merger agreement is fair from a financial point of view to Novamatrix stockholders;
- . the financial and other terms of the merger and the merger agreement;

Edgar Filing: RESPIRONICS INC - Form 424B3

- . the recent and historical stock price performance of Novamatrix common stock and Respiroics common stock;
- . the potential strategic alternatives available to Novamatrix and the viability and risks associated with each alternative, including the prospects for Novamatrix on a stand-alone basis and the risks associated with executing upon and achieving Novamatrix's business plan, both short-term and long-term;
- . the fact that the merger will present the opportunity for the holders of shares of Novamatrix common stock to participate in a significantly larger and more diversified company and, as stockholders of the combined companies, to have greater liquidity in their shares and to benefit from any future growth of the combined companies;
- . the expectation of the Novamatrix directors that the addition of Novamatrix's operations to those of Respiroics would likely increase the overall value and profitability of Respiroics, tending to produce greater stockholder value for Novamatrix stockholders;
- . the presentations by, and discussions of the terms of the merger agreement with, Novamatrix's senior management and SunTrust Robinson Humphrey;
- . the likelihood that the merger would be consummated, including the experience, reputation and financial condition of Respiroics;
- . the consents and approvals required to consummate the merger, including regulatory clearance under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and any other antitrust laws, and the favorable prospects for receiving such consents and approvals;
- . the fact that while the merger agreement prohibits Novamatrix from soliciting proposals concerning an acquisition of Novamatrix, the Novamatrix board of directors, in the exercise of its fiduciary duties, would be able to provide information to, and engage in negotiations with, a third party which makes an unsolicited superior acquisition proposal, and that the Novamatrix board of directors would be able to terminate the merger agreement and accept a superior acquisition proposal if it determined that its fiduciary duties so require, upon payment to Respiroics of a termination fee of \$3,400,000, plus reimbursement of Respiroics' expenses up to a maximum of \$425,000;
- . the potential effect of the public announcement of the merger on Novamatrix's ability to attract and retain key management, sales, marketing and technical personnel;

30

- . the opportunity of the combined companies to reduce costs through economies of scale that would not have been readily achievable by Novamatrix independently; and
- . the strengths and weaknesses of Respiroics' businesses and the key attributes of the combined companies in terms of, among other things, products, sales, customers, management and competitive position.

In view of the variety of factors considered in connection with its evaluation of the merger, the Novamatrix board of directors did not find it

Edgar Filing: RESPIRONICS INC - Form 424B3

practical to, and did not, quantify or otherwise assign relative weights to the specific factors considered. Rather, the Novamatrix board of directors viewed its position and recommendations as being based on the totality of the information presented to and considered by the Novamatrix board of directors. In addition, individual members of the Novamatrix board of directors may have given differing weight to different factors.

Respironics' Rationale for the Merger

The Respironics board of directors has concluded that the proposed merger is in the best interests of Respironics and its stockholders because, among other reasons, the merger would further Respironics' goal to be the leading worldwide resource in providing innovative products and unique programs to help manage and treat patients with sleep disorders and cardiopulmonary diseases and would enhance its ability to fulfill its vision and strategies focused on helping clinicians treat their patients, helping providers manage and grow their businesses and helping patients improve their quality of life. The Respironics board of directors concluded that the proposed merger will further such vision and strategies because of its belief that, among other things:

- . the combination of Respironics and Novamatrix will result in a company with unique capabilities in the hospital environment by bringing together the therapeutic technologies of Respironics with the monitoring capabilities of Novamatrix;
- . the developmental care products of Novamatrix will complement the infant management products and programs currently offered by Respironics;
- . the cardiac output monitoring technologies of Novamatrix will support Respironics' initiatives in the congestive heart failure area; and
- . Respironics' "critical mass" of products, revenues, profits, and assets in certain markets will be increased significantly.

In reaching its conclusion that the proposed merger is fair to, and in the best interests of, Respironics and its stockholders, the Respironics board of directors also considered a number of factors, including, but not limited to, the following:

- . its knowledge of the business, operations, properties, assets, financial condition, operating results, and prospects of Respironics and Novamatrix;
- . current industry, economic and market conditions;
- . presentations by Respironics management with respect to Respironics, Novamatrix and the merger;
- . the terms of the merger agreement and the nature and amount of the termination fees that may be payable under certain circumstances;
- . the accounting and tax treatment of the merger; and
- . the opportunity for Respironics stockholders to participate in a larger and more diverse company.

In view of the variety of factors considered in connection with its evaluation of the merger, the Respironics board of directors did not find it

Edgar Filing: RESPIRONICS INC - Form 424B3

practicable to and did not quantify or otherwise assign relative weights to the specific factors considered in reaching its determination. In addition, individual members of the Respironics board of directors may have given different weights to different factors.

Opinion of Novamatrix's Financial Advisor

General. Pursuant to an engagement letter dated May 24, 2001, and an extension letter dated December 10, 2001, extending the terms of the original engagement through April 30, 2002, SunTrust Capital Markets, Inc., through its SunTrust Robinson Humphrey subsidiary, was retained by Novamatrix to advise the Novamatrix board of directors on its strategic alternatives and, as part of its engagement, to render a written opinion with respect to the fairness, from a financial point of view, to the common stockholders of Novamatrix of the exchange ratio of the proposed merger between Novamatrix and Respironics Holdings. On December 17, 2001, SunTrust Robinson Humphrey rendered a written opinion to the Novamatrix board of directors to the effect that, as of the date of such opinion and based upon and subject to certain matters stated therein, the exchange ratio of the proposed merger provided for in the merger agreement is fair from a financial point of view to the common stockholders of Novamatrix.

The full text of the opinion of SunTrust Robinson Humphrey, which sets forth the assumptions made, matters considered and limitations on the review undertaken, is attached as Annex B and is incorporated into this proxy statement/prospectus by reference. The description of the SunTrust Robinson Humphrey opinion set forth herein is qualified in its entirety by reference to the full text of the SunTrust Robinson Humphrey opinion. You are urged to read the opinion in its entirety.

The opinion of SunTrust Robinson Humphrey is directed to the Novamatrix board of directors and relates only to the fairness of the exchange ratio from a financial point of view, does not address any other aspect of the merger and does not constitute a recommendation to any stockholder as to how such stockholder should vote at the Novamatrix stockholders meeting. The consideration to be received by Novamatrix stockholders in the merger was determined on the basis of negotiations between Novamatrix and Respironics and was adopted by the Novamatrix board.

Material and Information Considered with Respect to the Merger. In arriving at its opinion, SunTrust Robinson Humphrey among other things:

- . reviewed the merger agreement;
- . reviewed certain publicly available information concerning Novamatrix and Respironics which SunTrust Robinson Humphrey believed to be relevant to its analysis;
- . reviewed certain historical and projected financial and operating data concerning Novamatrix furnished to SunTrust Robinson Humphrey by Novamatrix and certain historical and projected financial and operating data concerning Respironics furnished to SunTrust Robinson Humphrey by Respironics, in addition to publicly available financial forecasts relating to Respironics;
- . conducted discussions with members of management of Novamatrix and Respironics concerning their respective businesses, operations, present financial conditions and prospects;
- . reviewed the trading history of the common stock of Novamatrix and Respironics from December 1998 to the present;

Edgar Filing: RESPIRONICS INC - Form 424B3

- . reviewed the historical market prices and trading activity for the common stock of Novamatrix and Respiroics and compared them with those of selected publicly traded companies which SunTrust Robinson Humphrey deemed relevant;
- . compared the historical and projected financial results and present financial condition of Novamatrix and Respiroics with those of selected publicly traded companies which SunTrust Robinson Humphrey deemed relevant;
- . reviewed the financial terms, to the extent publicly available, of selected comparable merger and acquisition transactions which SunTrust Robinson Humphrey deemed relevant;
- . performed certain financial analyses with respect to the projected future operating performance of Novamatrix and Respiroics; and
- . reviewed other financial statistics and undertook other analyses and investigations and took into account those other matters as SunTrust Robinson Humphrey deemed appropriate.

In arriving at its opinion, SunTrust Robinson Humphrey assumed and relied upon the accuracy and completeness of the financial and other information provided to SunTrust Robinson Humphrey by Novamatrix and Respiroics without independent verification. With respect to the financial forecasts of Novamatrix and Respiroics, including estimates of the cost savings and other potential synergies anticipated to result from the merger, SunTrust Robinson Humphrey has assumed that they have been reasonably prepared and reflect the best currently available estimates and judgments of the management of both Novamatrix and Respiroics as to future financial performance of Novamatrix and Respiroics. In arriving at its opinion, SunTrust Robinson Humphrey conducted only a limited physical inspection of the properties and facilities of Novamatrix and Respiroics. SunTrust Robinson Humphrey has not made or obtained any evaluations or appraisals of the assets or liabilities of Novamatrix or Respiroics.

The SunTrust Robinson Humphrey opinion is necessarily based upon market, economic and other conditions as they existed and could be evaluated on, and on the information made available to SunTrust Robinson Humphrey as of, the date of its opinion. The financial markets in general and the market for the common stock of Novamatrix and Respiroics is subject to volatility, and SunTrust Robinson Humphrey's opinion did not purport to address potential developments in the financial markets or the market for the common stock of Novamatrix or Respiroics after the date of its opinion. SunTrust Robinson Humphrey assumed that the merger would be consummated on the terms described in the merger agreement, without any waiver of any material terms or conditions by Novamatrix or Respiroics. Subsequent developments may affect SunTrust Robinson Humphrey's opinion and SunTrust Robinson Humphrey does not have any obligation to update, revise, or reaffirm its opinion.

In preparing its opinion, SunTrust Robinson Humphrey performed a variety of financial and comparative analyses, a summary of which is described below. A summary of these analyses does not purport to be a complete description of the analyses underlying SunTrust Robinson Humphrey's opinion. The preparation of a fairness opinion is a complex analytic process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, is not readily susceptible to summary description. Accordingly, SunTrust Robinson Humphrey believes that its analyses must be considered as an integrated whole

and that selecting portions of its analyses and factors, without considering all analyses and factors, could create a misleading or incomplete view of the processes underlying such analyses and opinion. In its analyses, SunTrust Robinson Humphrey made numerous assumptions with respect to Novamatrix, Respiroics, industry performance, general business, economic, market and financial conditions and other matters, many of which are beyond the control of Novamatrix and Respiroics. The estimates contained in these analyses and the valuation ranges resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than those suggested by such analyses. In addition, analyses relating to the value of businesses or securities do not purport to be appraisals or to reflect the prices at which businesses or

33

securities actually may be sold. Accordingly, these analyses and estimates are inherently subject to substantial uncertainty. SunTrust Robinson Humphrey's opinion and financial analyses were only one of many factors considered by the Novamatrix board of directors in its evaluation of the proposed merger and should not be viewed as determinative of the views of the Novamatrix board of directors or management with respect to the merger or the merger consideration.

Analysis of Novamatrix.

Market Analysis of Selected Public Companies. SunTrust Robinson Humphrey reviewed and compared selected publicly available financial, operating and stock market data for Novamatrix, with other selected publicly-traded companies in the medical device industry which SunTrust Robinson Humphrey deemed comparable to Novamatrix. This group included the following eight diagnostic patient monitoring, respiratory and neonatal care medical device companies: Aspect Medical Systems, Inc. (Nasdaq: SLMD), Utah Medical Products, Inc. (Nasdaq: UTMD), and Vital Signs, Inc. (Nasdaq: VITL).

For the eight selected public companies, SunTrust Robinson Humphrey compared, among other things, Total Firm Value (defined as market capitalization plus debt less cash and cash equivalents) as a multiple of: 1) latest twelve months revenues, earnings before interest and taxes (referred to herein as EBIT), and earnings before interest, taxes, depreciation and amortization (referred to herein as EBITDA), 2) estimated calendar 2001 and 2002 revenues and 3) estimated calendar 2001 and 2002 EBIT. SunTrust Robinson Humphrey also compared Total Equity Value (defined as market capitalization) as a multiple of latest twelve months net income and estimated calendar 2001 and 2002 net income, and evaluated the published price/earnings (P/E) ratio divided by expected per-share earnings growth (referred to herein as PEG Ratio) for the comparable companies. All multiples were based on closing stock prices as of December 10, 2001. Revenue, EBITDA, EBIT and Net Income results for the comparable companies were based on historical financial information available in public filings and press releases of the comparable companies. Revenue, EBIT and net income estimates were based on research reports and First Call consensus estimates. First Call is an information provider that publishes a compilation of estimates of projected financial performance for public companies produced by equity research analysts at leading investment banking firms. No company utilized in the analysis of selected transactions is identical to Novamatrix. All multiples for the selected transactions were based on public information available at the time of announcement of each transaction, without taking into account differing market and other conditions during the period during which the selected transactions occurred.

Discounted Cash Flow Analysis. SunTrust Robinson Humphrey performed a discounted cash flow analysis of Novamatrix under two scenarios based on projections provided by Novamatrix management: 1) a base case in which revenues and net income are projected to grow at compound annual growth rates of approximately 16% and 37%, respectively, from the twelve months ending January 31, 2002 to 2005 (referred to herein as base case projections), and 2) an aggressive case in which revenues and net income are projected to grow at compound annual growth rates of approximately 21% and 43%, respectively, from the twelve months ending January 31, 2002 to 2005 (referred to herein as aggressive case projections). Using management's base case projections SunTrust Robinson Humphrey calculated a range of net present firm values for Novamatrix based on the projected Free Cash Flows (defined as earnings before interest and after taxes plus depreciation and amortization expense minus capital expenditures and increases in working capital) for the twelve months ending

Edgar Filing: RESPIRONICS INC - Form 424B3

January 31, 2003 through January 31, 2005. SunTrust Robinson Humphrey calculated the weighted average cost of capital for the company and used discount rates ranging from 16% to 22% and terminal value multiples of twelve months ending January 2005 estimated EBITDA ranging from 7.0x to 10.0x. The valuation based on this methodology produced a range of implied equity values for Novamatrix from \$79.9 million to \$123.8 million, and implied equity values per share from \$7.03 to \$10.90.

Using management's aggressive case projections, SunTrust Robinson Humphrey calculated a range of net present firm values for Novamatrix based on the projected Free Cash Flows for the twelve months ending January 31, 2002 through January 31, 2005. present equity value of Novamatrix and Respiration on a pro forma combined basis. The first scenario was based on the base case projections provided by Novamatrix management for fiscal years ended April 2002 through 2005 and Respiration management's projections for fiscal 2002 and 2003 and projections for Respiration for fiscal 2004 and 2005 calculated using similar growth rates and margins. The second scenario was based on the aggressive case projections provided by Novamatrix management for fiscal years ended April 2002 through 2005 and Respiration management's projections for fiscal 2002 and 2003 and projections for Respiration for fiscal 2004 and 2005 calculated using similar growth rates and margins. SunTrust Robinson Humphrey calculated a range of net present equity values for the pro forma combined companies based on the pro forma combined projected Free Cash Flows for the years ending December 31, 2002 through December 31, 2004 under both scenarios. SunTrust Robinson Humphrey calculated the weighted average cost of capital for the company and used discount rates ranging from 9% to 14% and terminal value multiples of December 2004 estimated pro forma combined EBITDA ranging from 10.0x to 12.0x.

Edgar Filing: RESPIRONICS INC - Form 424B3

Material United States Federal Income Tax Consequences of the Merger

The following summary discusses the anticipated material United States federal income tax consequences of the merger to holders of Novamatrix common stock who exchange such stock for Respiroics common stock in the merger. The summary is based upon the Internal Revenue Code of 1986, as amended, or the Code, applicable Treasury regulations under the Code and administrative rulings and judicial authority as of the date hereof, all of which are subject to change, possibly with retroactive effect. This discussion assumes that holders of Novamatrix shares hold such shares as capital assets. This discussion does not address all aspects of United States federal income taxation that may be relevant to a stockholder in light of that stockholder's particular circumstances, or to stockholders subject to special rules, such as rules relating to:

- . financial institutions;

Edgar Filing: RESPIRONICS INC - Form 424B3

- . mutual funds;
- . tax-exempt organizations;
- . insurance companies;
- . dealers in securities or foreign currencies;
- . traders in securities who elect to apply a mark-to-market method of accounting;
- . foreign stockholders;
- . stockholders who acquired Novamatrix shares under Novamatrix's equity-based compensation plans or otherwise as compensation, or through a tax-qualified retirement plan; and
- . stockholders who hold Novamatrix shares as part of a hedge, straddle, constructive sale or conversion transaction.

This discussion does not address any consequences arising under the laws of any state, locality or foreign jurisdiction or under federal laws other than the United States federal income tax laws.

You are strongly urged to consult your tax advisor as to the specific tax consequences to you of the merger, including the applicability and effect of federal, state, local and foreign income and other tax laws in your particular circumstances.

The respective obligations of the parties to complete the merger are conditioned on the receipt by Respiroics of an opinion of Reed Smith LLP and the receipt by Novamatrix of an opinion of Torys LLP, on the closing date of the merger, that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. Such opinions of counsel will be based upon, among other things, assumptions, representations and covenants, including those contained in certificates of officers of Novamatrix and Respiroics, which counsel will assume to be true, correct and complete. The opinions of counsel are not binding on the Internal Revenue Service or the courts, and we cannot assure you that the Internal Revenue Service will not challenge the conclusions set forth in the opinions of counsel or that a court will not sustain such a challenge.

42

Assuming the merger qualifies as a reorganization:

- . No gain or loss will be recognized for United States federal income tax purposes by holders of Novamatrix shares who exchange their Novamatrix shares solely for Respiroics shares pursuant to the merger, except, as discussed below, with respect to cash, if any, received by Novamatrix stockholders in lieu of fractional shares of Respiroics common stock.
- . The aggregate adjusted tax basis of the Respiroics shares received in the merger by a Novamatrix stockholder (treating fractional share interests in Respiroics shares as having been issued to such holder in the merger and then sold for cash) will be the same as the aggregate adjusted tax basis of the Novamatrix shares surrendered in the merger.
- . The holding period of the Respiroics shares that a Novamatrix stockholder receives in the merger will include the period during which

Edgar Filing: RESPIRONICS INC - Form 424B3

such holder held the Novamatrix shares surrendered in the merger.

- . A Novamatrix stockholder who receives cash in lieu of a fractional share of Respiroics common stock will be treated as having received the fractional share pursuant to the merger and then having exchanged the fractional share for cash in a redemption by Respiroics resulting in the recognition of gain or loss equal to the difference between the amount of cash received and the portion of the tax basis of the shares of Novamatrix common stock allocable to the fractional share interest. This gain or loss generally will be capital gain or loss and will be long-term capital gain or loss if the Novamatrix stockholder's holding period in the fractional Respiroics share is more than one year at the effective time of the merger.
- . No gain or loss will be recognized by Novamatrix, Respiroics or Respiroics Holdings as a result of the merger.

Certain non-corporate Novamatrix stockholders may be subject to backup withholding at a 30% rate on cash payments received in lieu of a fractional share of Respiroics common stock. Backup withholding will not apply, however, to a Novamatrix stockholder who:

- . furnishes a correct taxpayer identification number and certifies that such holder is not subject to backup withholding on the substitute Form W-9 or successor form included in the letter of transmittal to be delivered to Novamatrix stockholders;
- . provides a certification of foreign status on Internal Revenue Service Form W-8 or successor form; or
- . is otherwise exempt from backup withholding.

Accounting Treatment

The merger will be accounted for as a purchase for financial accounting purposes in accordance with accounting principles generally accepted in the United States. For purposes of preparing Respiroics' consolidated financial statements, Respiroics will establish a new accounting basis for Novamatrix's assets and liabilities based upon their fair values, the merger consideration and the costs of the merger. Respiroics believes that any excess of cost over the fair value of the net assets of Novamatrix will be recorded as goodwill and other intangible assets.

Regulatory Approvals

Each of Novamatrix and Respiroics filed the required notification and report forms with the Federal Trade Commission and the Antitrust Division on January 17, 2002, which began a 30-day waiting period. Early termination of the waiting period was granted on January 29, 2002. Even though the waiting period has been

terminated, at any time before or after the merger, the Federal Trade Commission or the Antitrust Division of the Department of Justice could, among other things, seek to enjoin the completion of the merger or seek the

Edgar Filing: RESPIRONICS INC - Form 424B3

divestiture of substantial assets of Novamatrix or Respiroics. In addition, the merger also is subject to state and foreign antitrust laws and could be the subject of challenges by foreign authorities or state attorneys general under those laws, or by private parties under federal or state antitrust laws.

In connection with the merger, Mr. Nuzzo will be granted options to purchase 8,000 shares of Respiroics common stock at an exercise price per share equal to the price of Respiroics common stock on the tenth business day following Mr. Nuzzo's start date with Respiroics. The options will become exercisable at a rate of 25% per year and remain exercisable until ten years from their award date. Mr. Nuzzo will also receive the health and welfare benefits currently in place for Novamatrix employees, the option to participate in a 401(k) plan and an auto allowance of \$600 per month. Additionally, Mr. Nuzzo will receive an annual retirement annuity in an amount equal to 7.5% of his base salary.

Edgar Filing: RESPIRONICS INC - Form 424B3

If the employment of Mr. Lacourciere or Mr. Nuzzo, respectively, is terminated by Respiroics without "cause" or by such employee for "good reason", as such terms are defined in their respective employment

agreements, Mr. Lacourciere and Mr. Nuzzo will be entitled to receive (i) any unpaid salary through the date of termination, (ii) base salary in the amount then in effect for thirty-six months and twelve months, respectively, from the date of termination; and (iii) continuation of health care coverage for thirty-six months and twelve months, respectively, from the date of termination. If Mr. Lacourciere retires from Respiroics, he will not be entitled to receive the termination payments described in this paragraph.

If Mr. Lacourciere ends his employment by retiring, Mr. Lacourciere will receive a retirement benefit from Respiroics following his retirement at or after attaining age 65. Upon retirement, Respiroics will pay Mr. Lacourciere an amount equal to three times the higher of (a) \$250,000 or (b) Mr. Lacourciere's average annual compensation (salary and bonus, exclusive of the success bonus being granted in connection with the merger (see "Success Bonuses" below) during the five most recent taxable years prior to the date of retirement. Mr. Lacourciere may also retire upon, or at any time subsequent to, his attaining age 62, and prior to his attaining age 65, upon six months prior notice to Respiroics. In the event of a retirement at age 62, 63 or 64, Mr. Lacourciere will receive 90%, 93.33% or 96.66%, respectively, of the benefit he would have received if he retired after age 65. The retirement benefit will be payable over 36 months.

Mr. Lacourciere is prohibited under his employment arrangements from engaging in any business in competition with Respiroics during the period of his employment with Respiroics and for four years thereafter. Mr. Nuzzo is prohibited under his employment agreement from engaging in any business in competition with Respiroics during the period of his employment with Respiroics and for one year thereafter.

Success Bonuses. Upon completion of the merger, and in recognition of their services to Novamatrix, including in connection with the proposed merger, certain executive officers of Novamatrix will receive success bonuses as follows:

William J. Lacourciere, Chairman of the Board and Chief Executive Officer	\$375,000
Thomas M. Patton, President and Chief Operating Officer.....	200,000
Joseph A. Vincent, Executive Vice President and Chief Financial Officer..	75,000
Philip F. Nuzzo, Vice President--Product and Business Development.....	55,000
Jeffery A. Baird, Corporate Controller and Treasurer.....	44,000

Directors' Fees. Following execution of the merger agreement, and in recognition of their services to Novamatrix, including in connection with the proposed merger, each director of Novamatrix received an additional director's fee in the amount of \$25,000. Previously, each director received additional grants of stock options representing 15,000 shares of Novamatrix common stock.

Acceleration of Vesting of Stock Options. Novamatrix has issued stock options to certain directors, officers and employees under Novamatrix's stock option and equity incentive plans. Immediately prior to the merger, all options to acquire shares of Novamatrix common stock under Novamatrix's stock option and equity incentive plans will, by their terms, become immediately vested and

Edgar Filing: RESPIRONICS INC - Form 424B3

exercisable. As of the record date, Novamatrix's directors and executive officers held vested and unvested options to acquire an aggregate of 1,093,000 shares of Novamatrix common stock with a weighted average exercise price of \$5.56 per share. Under the terms of the merger agreement, upon consummation of the merger, each of these options, whether or not then exercisable, will be converted into an option to acquire a number of shares of Respiroics common stock in such amounts and at such exercise prices as determined in the merger agreement. The terms of each option will otherwise remain subject to the terms of the applicable option plan and agreements as in effect immediately prior to the effective time of the merger. See "The Merger Agreement--Stock Options" on page 50.

Indemnification and Insurance.

Pre-Existing Indemnification and Insurance. Novamatrix has entered into separate indemnification agreements with each of its directors and officers which require Novamatrix, among other things, to indemnify

45

them against liabilities arising from their status as directors or officers to the fullest extent permitted by the Novamatrix certificate of incorporation and Delaware law. In addition, the Novamatrix certificate of incorporation provides that Novamatrix will indemnify its directors and officers to the fullest extent permitted by Delaware law, including in circumstances in which indemnification is otherwise discretionary under Delaware law. Novamatrix also maintains directors' and officers' liability insurance.

Additional Indemnification and Insurance. The merger agreement provides that Respiroics and the surviving corporation of the merger will, to the fullest extent permitted by law, indemnify and hold harmless each of Novamatrix's present and former directors and officers against any costs or expenses arising out of or pertaining to the transactions contemplated by the merger agreement, or for any actions or omissions at or prior to the effective time of the merger, in each case to the same extent provided in the Novamatrix certificate of incorporation, the Novamatrix by-laws or any pre-existing indemnification contract with the present or former director or officer. The surviving corporation of the merger must maintain policies of directors' and officers' liability insurance containing terms and conditions which are not less advantageous than policies maintained by Novamatrix prior to the effective time of the merger for a period of six years following the closing of the merger (provided that the surviving corporation of the merger is not required to pay an annual premium for any policy in excess of 175% of the annual premiums currently paid by Novamatrix). See "The Merger Agreement--Indemnification and Insurance" on page 56.

Delisting and Deregistration of Novamatrix Common Stock

If the merger is completed, the shares of Novamatrix common stock will cease to exist and will be delisted from the Nasdaq Stock Market and deregistered under the Securities Exchange Act of 1934. Consequently, following completion of the merger, Novamatrix stockholders will no longer be able to trade shares of Novamatrix common stock on any stock exchange.

Restrictions on Resales by Affiliates of Novamatrix

The shares of Respiroics common stock to be issued to Novamatrix stockholders in the merger will have been registered under the Securities Act of 1933. These shares will be able to be traded freely and without restriction by those stockholders not deemed to be "affiliates" of Novamatrix as that term

Edgar Filing: RESPIRONICS INC - Form 424B3

is defined under the Securities Act. An affiliate of a corporation, as defined by the rules promulgated under the Securities Act, is a person who directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with that corporation. Any subsequent transfer by an affiliate of Novamatrix must be one permitted by the resale provisions of Rule 145 promulgated under the Securities Act or as otherwise permitted under the Securities Act. These restrictions are expected to apply to the directors and executive officers of Novamatrix.

THE NOVAMATRIX SPECIAL MEETING

Purpose, Time and Place

The special meeting will be held at The Waldorf-Astoria, 301 Park Avenue, New York, New York, on April 9, 2002, at 10:00 a.m., Eastern Daylight Time, unless postponed or adjourned to a later date. The purpose of the special meeting is for the Novamatrix stockholders to consider and vote upon a proposal to adopt the merger agreement and conduct any other business properly brought before the meeting, including any adjournments or postponements of the special meeting. It is currently contemplated that no other matters will be considered at the special meeting.

The Novamatrix board of directors has approved the merger agreement, the merger and the other transactions contemplated by the merger agreement and has determined that the merger and the merger agreement are advisable, fair to, and in the best interest of Novamatrix and its stockholders. Accordingly, the Novamatrix board of directors recommends that Novamatrix stockholders vote FOR the adoption of the merger agreement.

46

Record Date; Voting Power

The Novamatrix board of directors has fixed the close of business (5:00 p.m., Eastern Standard Time) on February 8, 2002 as the record date for determining the holders of Novamatrix common stock entitled to notice of, and to vote at, the special meeting. Only holders of record of Novamatrix common stock at the close of business on the record date will be entitled to notice of, and to vote at, the special meeting.

On the record date, approximately 8,809,406 shares of Novamatrix common stock were issued and outstanding and entitled to vote at the special meeting. Holders of record of Novamatrix common stock are entitled to one vote per share on any matter which may properly come before the special meeting. If you are a record holder of Novamatrix common stock on the record date, you may vote your shares of Novamatrix common stock in person at the special meeting or by proxy as described below under "Voting of Proxies."

The record stockholder number does not include the number of persons whose Novamatrix common stock is in nominee or "street name" accounts through brokers. If you hold your shares of Novamatrix common stock in this manner, you must follow the directions provided by your broker regarding how to instruct your broker to vote your shares. Most banks and brokers have provisions for telephone and Internet voting. Check the material sent to you by them, or call your account representative for more information.

A quorum is present at the special meeting if a majority of the outstanding shares of Novamatrix common stock is represented in person or by proxy. A quorum is necessary to hold the special meeting. Any shares of Novamatrix common stock held in treasury by Novamatrix or any of its subsidiaries are not

Edgar Filing: RESPIRONICS INC - Form 424B3

considered to be outstanding for purposes of determining a quorum. Once a share of Novamatrix common stock is represented at the special meeting, it will be counted for the purpose of determining a quorum at the special meeting and any adjournment of the special meeting unless the holder is present solely to object to the special meeting. If a quorum is not present at the special meeting, it is expected that the special meeting will be adjourned or postponed to solicit additional proxies. However, if a new record date is set for the adjourned meeting, then a new quorum will have to be established. Abstentions and broker non-votes (which are shares held by brokers in street name that are not entitled to vote at the special meeting due to the absence of specific instructions from the beneficial owners of those shares) will be treated as present at the special meeting for purposes of determining the presence or absence of a quorum for the transaction of business.

Votes Required

The affirmative vote of holders of a majority of the shares of Novamatrix common stock outstanding on the record date is required to adopt the merger agreement. Under Delaware law, a Novamatrix stockholder who abstains from voting or who does not vote will have the same effect as if the stockholder had voted against the adoption of the merger agreement. Brokers who hold shares of Novamatrix common stock as nominees will not have discretionary authority to vote such shares in the absence of instructions from the beneficial owners of those shares. Any shares that are not voted because the nominee-broker lacks such discretionary authority will be counted and have the same effect as a vote against the adoption of the merger agreement.

Share Ownership of Management and Certain Stockholders

At the close of business on the record date, directors, executive officers and certain other members of senior management of Novamatrix beneficially owned and were entitled to vote approximately 863,638 shares of Novamatrix common stock, representing approximately 9.8% of the shares of Novamatrix common stock issued and outstanding on the record date. Each of those directors, executive officers and members of senior management entered into a voting agreement with Respironics in connection with the merger pursuant to which they agreed that, until such voting agreements are terminated, they would each vote, or cause to be voted, Novamatrix common stock owned by such director, executive officer or other member of senior management FOR the adoption of the merger agreement (see "The Voting Agreements" on page 62).

47

Voting of Proxies

If you vote your shares of Novamatrix common stock by signing a proxy and returning it in time for the special meeting, your shares will be voted at the special meeting in the manner specified in your proxy card. If your proxy is properly executed but does not contain voting instructions, your proxy will be voted FOR adoption of the merger agreement. If other matters are properly presented before the special meeting, the persons named in your proxy will have authority to vote in accordance with their judgment on any other such matter, including, any proposal to adjourn or postpone the meeting or otherwise concerning the conduct of the meeting. However, a proxy that has been designated to vote against the adoption of the merger agreement will not be voted, either directly or through a separate proposal, to adjourn the meeting to solicit additional votes. It is not expected that any matter other than as described in this proxy statement/prospectus will be brought before the special meeting.

Edgar Filing: RESPIRONICS INC - Form 424B3

If you hold your shares in nominee or "street name" (which is the name of a broker, bank or other record holder) you must either direct the record holder of your shares on how to vote your shares or obtain a proxy from the record holder to vote at the meeting.

Revocability of Proxies

If you complete and mail the enclosed proxy card, it will not preclude you from voting in person at the special meeting. If you are a record holder of Novamatrix common stock, you may revoke a proxy at any time prior to your proxy being voted at the special meeting by:

- . delivering, prior to the special meeting, to Corporate Secretary, Novamatrix Medical Systems, Inc., 5 Technology Drive, Wallingford, Connecticut 06492, a written notice of revocation bearing a later date or time than your proxy;
- . submitting a later-dated proxy that is properly executed; or
- . attending the special meeting and voting in person.

Simply attending the special meeting will not revoke your proxy. If you instructed a broker to vote your shares, you must follow your broker's directions for changing those instructions. If an adjournment occurs and no new record date is set, it will have no effect on the ability of stockholders of record as of the record date to exercise their voting rights or to revoke any previously delivered proxies.

Solicitation of Proxies

This proxy statement/prospectus is being furnished to you in connection with the solicitation of proxies by the Novamatrix board of directors from the holders of Novamatrix common stock for use at the Novamatrix special meeting. Novamatrix generally will bear the cost of solicitation of proxies. In addition to solicitation by mail, certain directors, officers and employees of Novamatrix and its subsidiaries may solicit proxies from stockholders in person, by telephone, or by electronic means. These persons will not be paid for soliciting proxies. Novamatrix may also have brokerage houses and other custodians, nominees and fiduciaries forward solicitation materials to the beneficial owners of Novamatrix common stock held of record. Novamatrix will reimburse these persons for their reasonable out-of-pocket expenses in connection with soliciting proxies.

STOCKHOLDERS SHOULD NOT SEND STOCK CERTIFICATES WITH THEIR PROXY CARDS.

THE MERGER AGREEMENT

General

This section describes the material provisions of the merger agreement, Novamatrix's obligations under the merger agreement and the Respiroics guarantee of Respiroics Holdings' obligations under the merger agreement. This description is not complete, and stockholders are encouraged to read the full text of the merger agreement and the Respiroics guarantee which are attached as Annex A to this proxy statement/prospectus.

The Merger

Edgar Filing: RESPIRONICS INC - Form 424B3

General.

Unless the merger agreement is terminated as described below, no later than the third business day after the satisfaction or waiver of the closing conditions set forth in the merger agreement or on such date as Novamatrix and Respiroics Holdings otherwise agree to, Respiroics Holdings and Novamatrix will file merger documentation with the Secretary of State of the State of Delaware, as prescribed by Delaware law, at which time the merger will be effective.

At the effective time of the merger, upon the terms and subject to the conditions of the merger agreement and the applicable provisions of the Delaware General Corporation Law, the state law that applies to Novamatrix and Respiroics Holdings, each of which is a Delaware corporation, Respiroics Holdings will be merged with and into Novamatrix, the separate corporate existence of Respiroics Holdings will cease and Novamatrix will continue as the surviving corporation. Novamatrix will then be a wholly-owned subsidiary of Respiroics.

Charter Documents; Directors and Officers.

The certificate of incorporation and by-laws of Respiroics Holdings in effect immediately prior to the effective time, which are required to contain at that time the indemnification provisions described under "Indemnification and Insurance" on page 56 below, will be the certificate of incorporation of the surviving corporation, except that the name of the surviving corporation will be changed to "Respiroics Novamatrix, Inc.", until thereafter amended in accordance with the applicable provisions of the certificate of incorporation and by-laws and as provided by the Delaware General Corporation Law.

From and after the effective time of the merger and until their respective successors are duly elected or appointed and qualified, (i) the directors of Respiroics Holdings immediately prior to the effective time will be the directors of the surviving corporation, each to hold office in accordance with the certificate of incorporation and by-laws of the surviving corporation, and (ii) the officers of Respiroics Holdings immediately prior to the effective time and some of the officers of Novamatrix to the extent provided for by certain employment agreements with present officers of Novamatrix will be officers of the surviving corporation (see "The Merger--Interests of Certain Persons in the Merger" on pages 44 through 46).

Merger Consideration

Exchange Ratio.

The merger agreement provides that, at the effective time of the merger, each share of Novamatrix common stock will be exchanged for a fraction of a share of Respiroics common stock. This number is referred to as the "exchange ratio." The exchange ratio will be determined as follows:

- . if the 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger exceeds \$35.00, the fraction will be \$8.75 divided by the 20-day weighted average selling price;

49

- . if the 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger is equal to or exceeds \$32.00

Edgar Filing: RESPIRONICS INC - Form 424B3

but is equal to or below \$35.00, the fraction will be 0.25 shares;

- . if the 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger is equal to or exceeds \$30.00 but is equal to or below \$31.99, the fraction will be \$8.00 divided by the 20-day weighted average selling price; and
- . if the 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger is below \$30.00, the fraction will be fixed at 0.2667 shares. However, if the 20-day weighted average selling price of a share of Respiroics common stock is below \$30.00, Novamatrix shall have the right to terminate the merger agreement. (See "Termination Rights" on page 60).

The 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger will be determined based on reports from the Nasdaq Stock Market.

Adjustments to Exchange Ratio.

If any change in the outstanding shares of capital stock of Respiroics or Novamatrix occurs from the date of the merger agreement until the effective time of the merger, including any reclassification, recapitalization, redenomination of share capital, stock split, reverse stock split or combination, exchange or readjustment of shares or any stock dividend, the exchange ratio and any amounts payable pursuant to the merger or the merger agreement will be adjusted appropriately. The merger agreement prohibits Novamatrix from making any such changes while the merger agreement is in effect.

Fractional Shares of Respiroics Common Stock.

No fractional shares of Respiroics common stock will be issued in the merger. Novamatrix stockholders who would otherwise be entitled to a fraction of a share of Respiroics common stock will instead receive a cash payment, without interest, determined by multiplying the fractional share to which such holder would otherwise be entitled by the Respiroics weighted average selling price used in determining the exchange ratio.

Stock Options

Each option to acquire shares of Novamatrix common stock outstanding immediately prior to the effective time of the merger will, at the effective time, become fully vested and exercisable and be deemed to constitute an option to acquire, on the same terms and conditions as were applicable under such Novamatrix stock option, the same number of shares of Respiroics common stock as the holder of such Novamatrix stock option would have been entitled to receive pursuant to the merger had such holder exercised such Novamatrix stock option in full immediately prior to the effective time of the merger, rounded to the nearest whole number of shares of Respiroics common stock. The exercise price per share of these options to purchase Respiroics common stock, rounded to the nearest cent, will equal the aggregate exercise price for the shares of Novamatrix common stock otherwise purchasable pursuant to such Novamatrix stock option divided by the number of full shares of Respiroics common stock deemed purchasable pursuant to such Novamatrix stock option. The merger agreement prohibits Novamatrix from issuing any stock options in addition to those outstanding on the date of the merger agreement.

Stock Purchase Plan

Edgar Filing: RESPIRONICS INC - Form 424B3

Beginning with the date of the merger agreement, Novamatrix has not and will not establish, or implement any decisions to establish, any new employee stock purchase plans, nor will it extend the availability of the Novamatrix stock purchase plan to any employees not previously eligible to be included in the Novamatrix stock

50

purchase plan. Novamatrix has suspended its current stock purchase plan until the effective time of the merger, and all shares of Novamatrix common stock issued under the Novamatrix stock purchase plan will be treated like all other shares of Novamatrix common stock.

Warrants

Each warrant to acquire shares of Novamatrix common stock outstanding immediately prior to the effective time of the merger will, at the effective time, be deemed to constitute a warrant to acquire, on the same terms and conditions as were applicable under such Novamatrix warrant, the same number of shares of Respiroics common stock as the holder of such Novamatrix warrant would have been entitled to receive pursuant to the merger had such holder exercised such Novamatrix warrant in full immediately prior to the effective time of the merger, rounded to the nearest whole number of shares of Respiroics common stock. The exercise price per share of these warrants to purchase Respiroics common stock, rounded to the nearest cent, will be equal to the aggregate exercise price for the shares of Novamatrix common stock otherwise purchasable pursuant to such Novamatrix warrant divided by the number of full shares of Respiroics common stock deemed purchasable pursuant to such Novamatrix warrant.

Cancellation

Each share of Novamatrix common stock held by Novamatrix or any of its subsidiaries or owned by Respiroics or Respiroics Holdings immediately prior to the effective time of the merger will be cancelled and extinguished at the effective time and not exchanged for or otherwise converted into shares of Respiroics common stock.

Exchange of Shares of Novamatrix Common Stock

As necessary from time to time following the effective time, Respiroics Holdings will make available to Mellon Investor Services L.L.C., as exchange agent, (1) the shares of Respiroics common stock required for the exchange of shares of Novamatrix common stock in the merger and (2) an amount of cash sufficient to permit Mellon Investor Services to make the necessary payments of cash in lieu of fractional shares of Respiroics common stock.

Promptly after the consummation of the merger, Respiroics will instruct Mellon Investor Services to mail to each holder of record, as of the effective time, of a certificate which immediately prior to the effective time represented outstanding shares of Novamatrix common stock whose shares were converted into the right to receive shares of Respiroics common stock, a letter of transmittal and instructions as to how to surrender such certificates in exchange for shares of Respiroics common stock and payment for any fractional shares of Respiroics common stock.

Holders of certificates previously representing shares of Novamatrix common stock will not be paid dividends or distributions on the shares of Respiroics common stock (none of which have been declared to date) and will not be paid cash in lieu of a fractional share of Respiroics common stock until such

Edgar Filing: RESPIRONICS INC - Form 424B3

certificates are surrendered to Mellon Investor Services for exchange. When such certificates are surrendered, the holder will receive any unpaid dividends with a record date after the consummation of the merger (none of which have been declared to date) and any cash in lieu of a fractional share of Respiroics common stock without interest. For all other corporate purposes, these certificates will represent, from and after the consummation of the merger, the right to receive the number of shares of Respiroics common stock and cash in respect of fractional shares of Respiroics common stock into which such shares of Novamatrix common stock are actually converted in the merger.

51

Mellon Investor Services will deliver shares of Respiroics common stock in exchange for lost, stolen or destroyed certificates formerly representing shares of Novamatrix common stock if the owner of these certificates signs an affidavit of loss, theft or destruction, as appropriate. Respiroics Holdings also may, in its discretion, require the holder of these lost, stolen or destroyed certificates to deliver a bond in a reasonable sum as an indemnity against any claim that might be made against Respiroics, Respiroics Holdings, the surviving corporation or Mellon Investor Services with respect to allegedly lost, stolen or destroyed certificates.

Any portion of the exchange fund consisting of cash and shares of Respiroics common stock which remains undistributed to the holders of shares of Novamatrix common stock for six months after the effective time will be delivered to Respiroics Holdings upon demand, and any holders of certificates formerly representing shares of Novamatrix common stock who have not theretofore complied with the exchange instructions will thereafter look only to Respiroics Holdings for the shares of Respiroics common stock and any cash in respect of fractional shares of Respiroics common stock to which they are entitled, in each case without any interest thereon.

Representations and Warranties

Novamatrix has made customary representations and warranties in the merger agreement about itself and its subsidiaries. Respiroics Holdings has made customary representations and warranties in the merger agreement about Respiroics and its subsidiaries.

In general, Novamatrix is required to conduct its business, and will cause its subsidiaries to conduct their businesses, only in the ordinary course of business and in a manner consistent with past practice unless Respiroics Holdings otherwise agrees in writing. Novamatrix will also use reasonable commercial efforts to preserve substantially intact the business organization of Novamatrix and its subsidiaries, to keep available the services of the present officers, employees and consultants of Novamatrix and its subsidiaries and to preserve the present relationships of Novamatrix and its subsidiaries with customers, suppliers and other persons with which Novamatrix or any of its subsidiaries has significant business relations. In particular, subject to certain exceptions, Novamatrix has agreed that neither it nor any of its subsidiaries, without the prior written consent of Respiroics Holdings, will, among other things:

Edgar Filing: RESPIRONICS INC - Form 424B3

52

 - . enter into, modify or renew any contract, agreement or arrangement, whether or not in writing, for the licensing of its technology;
 - . enter into any contract, agreement or arrangement or any amendment, modification or renewal to any contract, agreement or arrangement unless Novamatrix has the right to terminate such contract, agreement, arrangement, amendment, modification or renewal without penalty upon 30 days written notice; or
 - . take, or agree in writing or otherwise to take, any of the actions described above or any action which would make any of the representations or warranties of Novamatrix contained in the merger agreement untrue or incorrect or prevent Novamatrix from performing or cause Novamatrix not to perform its covenants under the merger agreement.

Conduct of Business by Respiroics

Respiroics Holdings has agreed to specified restrictions on Respiroics' activities until either the completion of the merger or the termination of the merger agreement. In general, Respiroics Holdings will take all action necessary to cause Respiroics to conduct its business and to cause its subsidiaries to conduct their businesses in the ordinary course of business and consistent with past practice, including actions taken by Respiroics or its subsidiaries in contemplation of the merger or other business acquisitions otherwise in

53

- . amend or otherwise change Respiroics' certificate of incorporation or by-laws;
- . make or agree to make any acquisition of any business or assets or disposition of assets which would materially delay or prevent the consummation of the merger and the other transactions contemplated by the merger agreement, other than an acquisition or disposition where the value of such transaction is less than 10% of the market capitalization of Respiroics;

- . take, or agree in writing or otherwise to take, actions described above or any action which would make any of the representations or warranties of Respironics Holdings contained in the merger agreement untrue or incorrect or prevent Respironics Holdings from performing or cause Respironics Holdings not to perform its covenants under the merger agreement.

No Solicitation

Novamatrix has agreed that it will not solicit or knowingly encourage the initiation of, including by way of furnishing information, any inquiries or proposals regarding any merger, sale of assets, sale of shares of capital stock or similar transactions involving Novamatrix or any of its subsidiaries that if consummated would constitute an "Alternative Transaction." An Alternative Transaction means:

- . any transaction pursuant to which any third party acquires more than 25% of the outstanding shares of any class of Novamatrix equity securities, whether from Novamatrix or pursuant to a tender offer, an exchange offer or otherwise;
- . a merger or other business combination involving Novamatrix pursuant to which any third party acquires more than 25% of the outstanding equity securities of Novamatrix or the entity surviving such merger or business combination;
- . any transaction pursuant to which any third party acquires or would acquire control of assets of Novamatrix or any significant subsidiary; or
- . any other consolidation, business combination, recapitalization or similar transaction involving Novamatrix or any of its significant subsidiaries, other than transactions contemplated by the merger agreement.

Any inquiry or proposal by a third party to effect an Alternative Transaction is referred to as an "Acquisition Proposal."

If the Novamatrix board of directors, following consultation with independent legal counsel, reasonably determines in good faith that such action is or is reasonably likely to be required to discharge properly its fiduciary duties, the Novamatrix board of directors, after notice to Respironics Holdings, is permitted to:

- . furnish information to a third party which has made, but was not solicited to make in violation of the merger agreement, a bona fide Acquisition Proposal that the Novamatrix board of directors concludes in good faith after consulting with a nationally recognized investment banking firm would, if consummated, reasonably be expected to constitute a "Superior Proposal," as defined below; and

54

- . consider and negotiate a bona fide Acquisition Proposal that the Novamatrix board of directors concludes in good faith after consulting with a nationally recognized investment banking firm is a Superior Proposal not solicited in violation of the merger agreement.

A Superior Proposal is any proposal made by a third party to acquire, directly or indirectly, for cash and/or securities, all of the Novamatrix

Edgar Filing: RESPIRONICS INC - Form 424B3

common stock entitled to vote generally in the election of directors, or all or substantially all of Novamatrix's assets, on terms which the Novamatrix board of directors reasonably believes, after consultation with a nationally recognized financial advisor and after taking into account the likelihood of, and extra time required for, consummation of such Superior Proposal, and the termination fee which will be payable to Respiroics upon termination of the merger agreement (see "Termination Fees and Expenses" on page 60), to be more favorable from a financial point of view to the Novamatrix stockholders than the merger and the transactions contemplated by the merger agreement, taking into account at the time of determination any changes to the financial terms of the merger proposed by Respiroics Holdings, although a Superior Proposal may be subject to a diligence review and other customary conditions.

Neither Novamatrix nor the Novamatrix board of directors may withdraw or modify, or propose to withdraw or modify, in a manner adverse to Respiroics Holdings, the approval by the Novamatrix board of directors of the merger agreement and the merger, except to the extent that the Novamatrix board of directors reasonably determines in good faith and after consultation with independent legal counsel that it is or is reasonably likely to be required to do so in order to discharge properly its fiduciary duties.

In addition, unless the merger agreement has been terminated in accordance with its terms, Novamatrix and the Novamatrix board of directors may not enter into any agreement with respect to, or otherwise approve or recommend, or propose to approve or recommend, any Acquisition Proposal or Alternative Transaction.

The merger agreement expressly provides that the foregoing covenants do not prohibit Novamatrix from taking and disclosing to its stockholders a position regarding an Alternative Transaction or Acquisition Proposal required by the Exchange Act or from making any disclosure to its stockholders required by applicable law, rule or regulation or by the Nasdaq Stock Market.

Novamatrix has agreed:

- . to immediately cease and cause to be terminated any discussions or negotiations with any third party that were ongoing at the time of the execution of the merger agreement;
- . not to release any third party from the confidentiality and standstill provisions of any agreement to which Novamatrix is a party except for a release from standstill provisions in connection with a Superior Proposal;
- . to notify Respiroics Holdings promptly and no later than 24 hours after receipt of, or modification of or amendment to, any Acquisition Proposal or any request for nonpublic information relating to Novamatrix or any of its subsidiaries in connection with an Acquisition Proposal or for access to the properties, books or records of Novamatrix and to disclose to Respiroics Holdings the terms of all Acquisition Proposals and the identity of the person making all Acquisition Proposals and whether Novamatrix is providing or intends to provide the person making the Acquisition Proposal with access to such requested information; and
- . to promptly notify Respiroics Holdings orally and in writing if it enters into negotiations concerning any Acquisition Proposal.

Novamatrix will ensure that the officers and directors of Novamatrix and its subsidiaries and any investment banker or other advisor or representative retained by Novamatrix are aware of the restrictions described above.

Certain Other Covenants

Consents; Approvals.

Each of Novamatrix and Respiroics Holdings will use its reasonable best efforts, and Respiroics Holdings will cause Respiroics to use its reasonable best efforts, to obtain, and to cooperate with each other in order to obtain, all required consents, waivers, approvals, authorizations or orders. Each of Novamatrix and Respiroics Holdings will make all filings required in connection with the authorization, execution and delivery of the merger agreement and the consummation by them of the transactions contemplated thereby.

Agreements with Respect to Affiliates.

Novamatrix has identified to Respiroics Holdings all persons who are anticipated to be "affiliates" of Novamatrix for purposes of Rule 145 under the Securities Act at the time of the meeting of the Novamatrix stockholders. Novamatrix will use its reasonable best efforts to cause each person identified as an "affiliate" to deliver to Respiroics a written agreement that he or she will only dispose of shares of Respiroics common stock to be received in the merger in compliance with the securities laws.

Indemnification and Insurance.

For six years following the consummation of the merger, the certificate of incorporation and by-laws of the surviving corporation will contain the same indemnification provisions as currently set forth in the Novamatrix certificate of incorporation and by-laws, and these provisions will not be amended, modified or otherwise repealed in any manner that would adversely affect the rights thereunder of individuals who were directors, officers, employees or agents of Novamatrix at or prior to the consummation of the merger unless otherwise required by law.

After the consummation of the merger, the surviving corporation will, to the fullest extent permitted under applicable law or under its certificate of incorporation or by-laws, indemnify and hold harmless each present and former director, officer or employee of Novamatrix or any of its subsidiaries against any costs or expenses, judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to the transactions contemplated by the merger agreement or otherwise with respect to any acts or omissions occurring at or prior to the consummation of the merger, to the same extent as provided in the Novamatrix certificate of incorporation or by-laws or any applicable contract or agreement as in effect on the date of the merger agreement, in each case for a period of six years following the consummation of the merger.

Following the merger, the surviving corporation will honor and fulfill in all respects Novamatrix's obligations under the indemnification agreements and employment agreements with Novamatrix's officers and directors existing at or before the consummation of the merger.

In addition, for a period of not less than six years after the consummation of the merger, the surviving corporation will provide Novamatrix's current directors and officers with an insurance and indemnification policy that provides coverage for events occurring at or prior to the consummation of the merger that is no less favorable than Novamatrix's existing policy or, if substantially equivalent insurance coverage is unavailable, the next best

Edgar Filing: RESPIRONICS INC - Form 424B3

available coverage; provided, however, that the surviving corporation will not be required to pay an annual insurance premium in excess of 175% of the annual premium currently paid by Novamatrix for such insurance, but in such case will purchase as much coverage as possible for such amount.

These provisions are not intended in any way to limit the rights of the indemnified persons under the Novamatrix certificate of incorporation and by-laws or any agreements in existence on the date of the merger agreement or permitted under the merger agreement, which rights are intended to survive the merger and to be binding on the surviving corporation and its successors and assigns.

56

Further Action/Tax Treatment.

The parties to the merger agreement will use all reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective as promptly as practicable the transactions contemplated by the merger agreement, to obtain in a timely manner all necessary waivers, consents and approvals and to effect all necessary registrations and filings, and otherwise to satisfy or cause to be satisfied all conditions precedent to each of their obligations under the merger agreement. In addition, Respiroincs Holdings and Novamatrix will, and Respiroincs Holdings will cause Respiroincs to, use its reasonable best efforts to cause the merger to qualify as a reorganization within the meaning of Section 368(a) of the U.S. Internal Revenue Code, as specified in the merger agreement, and will not, either before or after the consummation of the merger, take any actions which, or fail to take any actions which, if not taken, might reasonably be expected to prevent the merger from so qualifying.

Public Announcements.

Respiroincs Holdings and Novamatrix will not issue any press release or make any written public statement with respect to the merger or the merger agreement and the transactions contemplated thereby without the prior consent of the other party, which consent will not be unreasonably withheld. A party is permitted to make disclosures without the consent of the other party as required by law or the rules and regulations of the Nasdaq Stock Market, if the disclosing party has used all reasonable efforts to consult with the other party.

Shares of Respiroincs Common Stock.

Respiroincs Holdings will take all actions necessary so that Respiroincs will issue to Respiroincs Holdings the shares of Respiroincs common stock to be delivered to Novamatrix stockholders in the merger. Respiroincs has also guaranteed to use its reasonable best efforts to list on the Nasdaq Stock Market the shares of Respiroincs common stock to be delivered in the merger prior to the effective time of the merger.

Certain Employee Benefits.

The surviving corporation, at its sole discretion, will either continue the current employee benefits of Novamatrix or will provide each employee of Novamatrix or any of its subsidiaries at the effective time of the merger with employee benefits that are comparable in the aggregate to those provided to similarly situated employees of Respiroincs, with "similarly situated" to be determined in light of the employee's responsibilities after the merger. It is the intention of Respiroincs either to maintain existing employee benefits of

Edgar Filing: RESPIRONICS INC - Form 424B3

Novamatrix or arrange for each employee of Novamatrix or any of its subsidiaries to become participants in Respironics' existing employee benefit plans after the effective time of the merger.

With certain limited exceptions, the surviving corporation will recognize service accrued by Novamatrix employees prior to the effective time for all purposes, will waive pre-existing condition limitations and eligibility waiting periods under any group health plan and will give credit for amounts paid prior to the effective time for purposes of applying deductibles, co-payments and out-of-pocket maximums.

From and after the effective time of the merger, Respironics Holdings will take all actions necessary so that Respironics will honor in accordance with their terms all benefits and obligations under the Novamatrix employee benefit plans and all agreements with employees and consultants of Novamatrix, each as in effect on the date of the merger agreement or as amended pursuant to the merger agreement.

These provisions may not be enforced against the surviving corporation by any employee of Novamatrix or any other person. Subject to compliance with these provisions, they do not prevent the surviving corporation or any other subsidiary of Respironics from amending or modifying any employee benefit plan, program or arrangement in any respect in accordance with its terms or, subject to the terms of the relevant plan, terminating, or modifying the terms and conditions of, employment or other service of any person.

57

Termination of the Merger Agreement

Termination Rights.

The merger agreement may be terminated:

- . by mutual written consent duly authorized by the respective boards of directors of Respiroics Holdings and Novamatrix at any time prior to the effective time of the merger;
- . by Novamatrix or Respiroics Holdings in the event of a material breach of a representation, warranty, covenant or agreement of the other party in the merger agreement, which breach, if curable, has not been cured within 30 days after written notice of the breach is given to the breaching party by the party electing to terminate;
- . by Novamatrix or Respiroics Holdings at any time after Novamatrix stockholders have failed to adopt the merger agreement, in a vote taken at a meeting duly convened for that purpose, provided that the party electing to terminate will have fulfilled each of its and its subsidiaries' conditions described under "Conditions to Completion of Merger" beginning on page 58 above;
- . by Novamatrix or Respiroics Holdings at any time after a final judicial or regulatory determination (as to which all periods for appeal have expired and no appeal will be pending) denying any regulatory clearance and/or approval required for the merger;
- . by Respiroics Holdings within three business days after Respiroics Holdings delivers to Novamatrix a notice of a regulatory clearance or approval from a government authority or agency which contains or imposes any condition or requirement which in Respiroics Holdings' reasonable business judgment is adverse to the best interests of the combined entities;
- . by Novamatrix or Respiroics Holdings if the effective time of the merger has not occurred by June 17, 2002, provided that this right to terminate may not be exercised by any party whose failure to fulfill any obligation or satisfy any condition under the merger agreement has caused or resulted in the failure of the effective time of the merger to occur on or before such date;
- . by Novamatrix if the Novamatrix board of directors has approved an Acquisition Proposal (the definition of Acquisition Proposal is set forth, and subject to the terms described, under "No Solicitation" beginning on page 54 above), after determining, upon the basis of advice of outside counsel that such action is necessary in order for the Novamatrix board of directors to act in a manner consistent with its fiduciary obligations under applicable law; or
- . by Novamatrix if the 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger is less than \$30.00, provided that Novamatrix must exercise this right to terminate within two business days after termination of the calculation period.

Termination Fees and Expenses.

Novamatrix will pay Respiroics a fee of \$3,400,000, and will pay the

Edgar Filing: RESPIRONICS INC - Form 424B3

actual, documented and reasonable out-of-pocket expenses of Respirationics and Respirationics Holdings relating to the transactions contemplated by the merger agreement, including, but not limited to, reasonable fees and expenses of counsel and accountants and out-of-pocket expenses (but not fees) of financial advisors, of up to \$425,000, upon the first to occur of any of the following events:

- . the Novamatrix board of directors fails to recommend adoption of the merger agreement by the Novamatrix stockholders, or withdraws, modifies or changes its recommendation of the merger in a manner adverse to Respirationics, or has resolved to do any of the foregoing, other than following termination by mutual consent or under the following circumstances permitting termination by Novamatrix:

60

- . a material breach of a representation, warranty, covenant or agreement which breach, if curable, has not been cured by Respirationics within 30 days of written notice from Novamatrix;
- . at any time after a final judicial or regulatory determination denying a regulatory clearance and/or approval required for the merger;
- . if the effective time of the merger has not occurred by June 17, 2002, provided that Novamatrix's failure to fulfill an obligation or satisfy a condition under the merger agreement has not caused, or resulted in, the failure of the effective time to occur on or prior to such date; or
- . the 20-day weighted average selling price of a share of Respirationics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger is less than \$30.00.
- . Novamatrix terminates the merger agreement following the Novamatrix board of directors' approval of an Acquisition Proposal (the definition of Acquisition Proposal is set forth under "No Solicitation" beginning on page 54 above); or
- . Within 12 months following the termination of the merger agreement, Novamatrix executes and delivers a definitive agreement for, or the Novamatrix board of directors approves, a transaction, involving (i) a merger or consolidation, or any similar transaction, involving Novamatrix or any significant subsidiary, (ii) a purchase, lease or other acquisition of all or substantially all of the assets of Novamatrix or any significant subsidiary or (iii) a purchase or other acquisition (including by way of merger, consolidation, share exchange or otherwise) of securities representing 30% or more of the voting power of the Novamatrix or any significant subsidiary (other than, in the case of the transfer of securities of any significant subsidiary, transfers between Novamatrix and/or one or more of its subsidiaries), unless such termination is by mutual consent or by Novamatrix under the following circumstances:
 - . a material breach of a representation, warranty, covenant or agreement which breach, if curable, has not been cured by Respirationics within 30 days of written notice from Novamatrix;
 - . at any time after a final judicial or regulatory determination denying a regulatory clearance and/or approval required for the

Edgar Filing: RESPIRONICS INC - Form 424B3

merger;

- . if the effective time of the merger has not occurred by June 17, 2002, provided that Novamatrix's failure to fulfill an obligation or satisfy a condition under the merger agreement has not caused, or resulted in, the failure of the effective time to occur on or prior to such date; or
- . the 20-day weighted average selling price of a share of Respiroics common stock immediately preceding (but excluding) the third trading day prior to the closing date of the merger is less than \$30.00.

The fee and/or expenses described above are payable in immediately available funds within five business day following the occurrence of the event requiring such payment.

The fee payable under certain circumstances by Novamatrix to Respiroics is intended, among other things, to compensate Respiroics and Respiroics Holdings for their respective costs, including lost opportunity costs, if certain actions or inactions by Novamatrix or its stockholders lead to the abandonment of the merger. This may have the effect of increasing the likelihood that the merger will be consummated in accordance with the terms of the merger agreement. The fee may also have the effect of discouraging other persons from making an offer to acquire all of, or a significant interest in, Novamatrix by increasing the cost of any such acquisition.

Except as described above, all fees and expenses incurred in connection with the merger agreement and the transactions contemplated by the merger agreement will be paid by the party incurring such expenses, whether or not the merger is consummated.

61

Amendment and Waiver; Parties in Interest

The parties to the merger agreement may amend the merger agreement in writing by action taken by or on behalf of their respective boards of directors at any time prior to the consummation of the merger. However, after approval of the merger agreement by the Novamatrix stockholders, the merger agreement cannot be amended without stockholder approval if stockholder approval of the amendment is required by law.

At any time prior to the consummation of the merger, any party to the merger agreement may extend the time for the performance of any of the obligations or other acts by the other, waive any inaccuracies in the representations and warranties contained in the merger agreement or in any document delivered pursuant to the merger agreement, or waive compliance with any of the agreements or conditions contained in the merger agreement. This extension or waiver will be valid if set forth in writing by the party or parties granting this extension or waiver.

The merger agreement is binding upon and inures solely to the benefit of its parties. Nothing in the merger agreement, express or implied, confers upon any other person any right, benefit or remedy of any nature whatsoever, other than certain indemnification and insurance obligations of Respiroics Holdings and Novamatrix following the consummation of the merger which are intended for the benefit of certain specified officers and directors of Novamatrix and may be enforced by these individuals, and other than the right of Novamatrix stockholders to receive the merger consideration if the merger is consummated, but not otherwise. In addition, Respiroics may enforce the fee and expenses

Edgar Filing: RESPIRONICS INC - Form 424B3

provisions described under "Termination Fees and Expenses" beginning on page 61 above.

Guarantee

Respironics has irrevocably guaranteed every representation, warranty, covenant, agreement and other obligation of Respironics Holdings under the merger agreement.

THE VOTING AGREEMENTS

The following is a summary of the material terms of the voting agreements. This description is qualified by reference to the complete text of the form of voting agreement, which is incorporated by reference and attached to this proxy statement/prospectus as Annex C. Novamatrix stockholders are encouraged to read the form of the voting agreement carefully and in its entirety.

Agreement to Vote and Proxy

In connection with the merger agreement, each of Novamatrix's directors and executive officers and certain members of Novamatrix's senior management (collectively known as the Novamatrix director and management stockholders) entered into voting agreements with Respironics. At February 8, 2002, the Novamatrix director and management stockholders beneficially owned 863,638 outstanding shares of Novamatrix common stock. These shares represented 9.8% of the total issued and outstanding shares of Novamatrix common stock at February 8, 2002.

Under the terms of the voting agreements, the Novamatrix directors and management stockholders agreed that, until such voting agreements are terminated, he or she would vote, or cause to be voted, all of his or her shares in favor of the adoption of the merger agreement, and that each of the Novamatrix directors and management stockholders will use his or her best efforts to cause any other shares of Novamatrix common stock over which he or she has or shares voting power to be voted in favor of the merger agreement and the merger.

62

Each of the Novamatrix director and management stockholders agreed not to enter into any agreement or commitment with any person, the effect of which would be inconsistent with or violate any of the provisions and agreements set forth above.

Restrictions on Voting

Each of the Novamatrix director and management stockholders agreed with Respironics that, during the period commencing on the date of the voting agreements and ending on the date that the voting agreements are terminated, such Novamatrix director and management stockholders will not vote or cause or permit any of his or her shares to be voted in favor of any other merger, consolidation, liquidation, or other transaction which would have the effect of any person other than Respironics or its affiliate acquiring majority voting control over Novamatrix.

Restrictions on Transfer

Each of the Novamatrix director and management stockholders entering into voting agreements agreed with Respironics that, during the period commencing on the date of the voting agreements and ending on the date that the voting

Edgar Filing: RESPIRONICS INC - Form 424B3

agreements are terminated, such Novamatrix director and management stockholders will not sell or otherwise transfer any of his or her shares:

- . pursuant to any tender offer, exchange offer, or similar proposal made by any person (other than Respiroics or its affiliate);
- . to any person seeking to obtain control of Novamatrix, any of its subsidiaries or any substantial portion of the assets of Novamatrix or any of its subsidiaries or to any other person (other than Respiroics or its affiliates) under circumstances where such sale or transfer may reasonably be expected to assist a person seeking to obtain such control; or
- . for the principal purpose of avoiding his or her obligations under the voting agreement.

Termination

The voting agreements will terminate upon the earlier of consummation of the merger or the termination of the merger agreement in accordance with its terms.

Effect of the Voting Agreements

The voting agreements are intended to make it more likely that the merger will be completed on the agreed terms. These agreements may have the effect of making an acquisition or other business combination involving Novamatrix by or with a third party more difficult because the shares of Novamatrix common stock held pursuant to these agreements would be unable to be voted in favor of any such acquisition or other business combination prior to the termination of the merger agreement.

UNAUDITED PRO FORMA COMBINED CONDENSED FINANCIAL DATA

The merger will be accounted for under the purchase method of accounting in accordance with accounting principles generally accepted in the United States. Accordingly, the accompanying unaudited pro forma combined condensed financial information gives effect to the transaction in accordance with the purchase method of accounting. The unaudited pro forma combined condensed financial information gives effect to the merger as though it were completed as of the beginning of the periods stated and should be read in conjunction with:

1. Respiration's audited consolidated financial statements, including the accounting policies and notes thereto, included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2001 and its unaudited

Edgar Filing: RESPIRONICS INC - Form 424B3

consolidated financial statements and notes thereto included in its Quarterly Report on Form 10-Q for the quarterly and six month period ended December 31, 2001.

2. Novamatrix's audited consolidated financial statements, including the accounting policies and notes thereto, included in its Annual Report on Form 10-K for the fiscal year ended April 29, 2001 and its unaudited consolidated financial statements and notes thereto included in its Quarterly Reports on Form 10-Q for the quarterly and six month period ended October 28, 2001.

The following unaudited pro forma combined condensed financial information sets forth the combined results of operations for the fiscal year ended June 30, 2001 and the six month period ended December 31, 2001, and the financial position as of December 31, 2001 as if the merger had occurred as of that date. Novamatrix has an April fiscal year end, which differs from Respironics' June fiscal year end, and accordingly the companies' fiscal quarters also end on different dates. In order to develop unaudited pro forma combined condensed financial statements using Respironics' fiscal year and six month period end dates, Respironics' December 31, 2001 unaudited balance sheet was combined with Novamatrix's October 28, 2001 unaudited balance sheet, Respironics' six month period end December 31, 2001 unaudited income statement was combined with Novamatrix's six month period end October 28, 2001 unaudited income statement, and Respironics' fiscal year end June 30, 2001 income statement was combined with Novamatrix's fiscal year end April 29, 2001 income statement.

The pro forma information is presented for illustrative purposes only and is not necessarily indicative of the operating results or financial position that would have actually occurred if the merger had been consummated at the beginning of the periods stated, nor is it necessarily indicative of future operating results or financial position. The pro forma information does not include adjustments to reflect the positive impact of cost reductions and other synergies that are expected to be realized as a result of the merger. See the Notes to the Unaudited Pro Forma Combined Condensed Financial Data for information regarding significant assumptions and estimates used in preparing these statements.

NOTES TO UNAUDITED PRO FORMA COMBINED CONDENSED FINANCIAL DATA

- (1) The final allocation of the purchase price to the fair value of assets (including intangible assets) and liabilities has not been completed. For the purposes of the unaudited pro forma combined condensed financial information, a preliminary estimate of \$18,000,000 has been allocated to intangible assets. Based upon a preliminary estimate of the intangible assets' useful lives, the estimated annual amortization expense related to these intangible assets is \$1,900,000 (\$475,000 per quarter). This estimated annual amortization expense is reflected in the unaudited pro forma combined condensed statements of income.
- (2) For the purposes of the unaudited pro forma combined condensed financial information, the excess of the purchase price (including direct transaction costs) over the net assets acquired has been allocated as follows:

Intangible assets--see (1) above	\$18,000,000
Goodwill.....	43,836,234

Total.....	\$61,836,284
	=====

Additional fair value adjustments to Novamatrix's assets and liabilities, refinements of the allocation to intangible assets, and costs related to integration activities are expected to be recorded in connection with the merger, but such amounts are not determinable at this time, and are not, therefore, included as pro forma adjustments in the unaudited pro forma combined condensed financial information.

Edgar Filing: RESPIRONICS INC - Form 424B3

- (3) Represents the increase in accrued expenses for estimated direct transaction costs related to the merger.
- (4) Represents the elimination of Novamatrix's equity accounts.
- (5) Reflects the assumed issuance to Novamatrix stockholders of 2,339,643 shares of Respiroics common stock having a fair value per share of \$34.60 per share (equal to the closing price of Respiroics common stock on the last trading day prior to the announcement of the merger), based on an assumed exchange ratio of 0.2667 shares of Respiroics common stock for each share of Novamatrix common stock and based on 8,772,566 shares of Novamatrix common stock outstanding as of November 23, 2001. The actual number of shares of Respiroics common stock issued and the fair value of those shares at the date of issuance will be determined at the effective time of the merger based upon the exchange ratio and the number of shares of Novamatrix common stock then outstanding as more fully described in the merger agreement. Also reflects the estimated fair value of outstanding Novamatrix stock options that will be converted to Respiroics stock options in the merger assuming an exchange ratio of 0.2667 shares of Respiroics common stock for each share of Novamatrix common stock and assuming a fair value per share of \$34.60 for Respiroics common stock consistent with the assumption above.
- (6) See Selected Historical Financial Data of Respiroics and Novamatrix for information regarding the restructuring charges.
- (7) Assumed tax benefit from the amortization of intangible assets.
- (8) The unaudited pro forma combined diluted shares outstanding and related diluted earnings per share amounts are based on Respiroics' weighted average number of common shares outstanding for the period plus the total number of Respiroics common shares estimated to be delivered to Novamatrix's stockholders in the merger. See Note (5) above for a description of the assumptions made regarding the number of Respiroics common shares to be issued.
- (9) The pro forma adjustments do not reflect the positive impact of cost reductions and other synergies that are expected to be realized as a result of the merger.

Amendment of Governing
Documents

Under Delaware law, an amendment to a corporation's certificate of incorporation requires each of the following unless a higher vote is required in the corporation's certificate of incorporation:
. a resolution of the corporation's board of directors recommending the amendment;

requires approval by a 66 2/3% vote of all shares, as well as approval by a majority vote of disinterested shares, if an amendment to the certificate of incorporation were to come within the definition of a business combination involving an interested stockholder.

The certificate of incorporation requires the affirmative vote of the holders of 80% of the outstanding shares entitled to vote, voting as a single class, to amend some articles of the certificate of incorporation.

The certificate of incorporation authorizes the board of directors to make, alter or repeal the by-laws. By-laws which would have the effect of limiting in any way the rights to indemnification provided by the certificate of incorporation or increasing director liability may operate only prospectively.

The certificate of incorporation and by-laws require the vote by the board of directors or stockholders to amend, repeal, alter, rescind or adopt the by-laws, provided that any such amendment, repeal, alteration, rescission or adoption by the stockholders requires the affirmative vote of the holders of at least 80% of the outstanding shares entitled to vote, voting as a single class.

As to other provisions and matters, the certificate of incorporation and by-laws are silent on the matter of amending the certificate of incorporation and, therefore, Delaware law applies.

Stockholder Rights Plan

Both Novamatrix and Respirationics entered into separate rights plans with Mellon Investor Services L.L.C. (formerly, ChaseMellon Shareholder Services, L.L.C.), as rights agent. A summary of the material provisions of the rights plans are set forth below. The summaries do not include a complete description of all of the terms of the rights plans. We urge you to read carefully the Novamatrix and Respirationics rights plans, copies of which will be sent to you upon request. See "Where You Can Find More Information" on page 84.

Both of the rights agreements provide that the rights will not become exercisable until the distribution date of such rights which is the earlier of:

- . the tenth day following a public announcement that a person or group of affiliated or associated persons have acquired beneficial ownership of 20% or more of the Novamatrix or Respirationics common stock then outstanding; and
- . the tenth day or a later date to be determined by the Novamatrix or Respirationics board of directors following the commencement of, or announcement, of an intention to make, a tender offer or exchange offer that would result in a person becoming the beneficial owner of 20% or more of the Novamatrix or Respirationics common stock then outstanding.

At any time prior to the close of business on the tenth day after the acquisition by a person of beneficial ownership of 20% or more of the outstanding shares of Respirationics common stock, the Respirationics board of directors may redeem the Respirationics rights in whole at a redemption price of \$.01 per Respirationics right, subject to adjustment. At any time prior to the acquisition by a person of beneficial ownership of 20% or more of the outstanding shares of Novamatrix common stock, the Novamatrix board of directors may redeem the Novamatrix rights in whole at a redemption price of \$.01 per Novamatrix right, subject to adjustment. Immediately upon any redemption of the Novamatrix or Respirationics rights, the right to exercise the rights will terminate and the only right of the holders of rights will be to receive the redemption price.

The rights plans are both designed to protect the interests of Novamatrix or Respirationics and their stockholders against coercive takeover tactics. The rights plans may have the effect of deterring additional takeover proposals.

Novamatrix. Under the 1999 Novamatrix rights agreement, one right, referred to as a Novamatrix right, attached to each share of Novamatrix common stock outstanding and, when exercisable, entitles the registered holder to purchase from Novamatrix 1/100 of a share of Novamatrix preferred stock at an initial purchase price of \$25, subject to customary antidilution adjustments. If Novamatrix is acquired in a merger or other business combination transaction and Novamatrix is not the surviving corporation after the rights are exercisable, as well as in certain other circumstances involving the acquisition of Novamatrix shares, each holder of a Novamatrix right has the right to receive, upon payment of the purchase price per unit, Novamatrix

Edgar Filing: RESPIRONICS INC - Form 424B3

common stock, or in certain circumstances the acquiror's common stock, having a value equal to two times the purchase price.

In connection with the merger, the Novamatrix rights agreement was amended to exempt the merger and the completion of the transactions contemplated by the merger agreement from the provisions of the rights plan.

At any time after the acquisition by a person of beneficial ownership of 20% or more of the outstanding shares of Novamatrix common stock and before such person acquires 50%, the Novamatrix board of directors may exchange the Novamatrix rights, in whole or in part, at an exchange ratio of one share of Novamatrix common stock, or 1/100 of a Novamatrix preferred share, per Novamatrix right (subject to adjustment).

Until the Novamatrix rights are exercisable,

- . the Novamatrix rights will be evidenced by Novamatrix common stock certificates and will be transferred only with such certificates;

82

- . new certificates issued after December 15, 1999 have contained a notation incorporating the Novamatrix rights plan by reference; and
- . the surrender for transfer of any certificates representing outstanding Novamatrix common stock will also constitute the transfer of the Novamatrix rights associated with the Novamatrix common stock represented by such certificates.

If not previously exercised, the Novamatrix rights will expire in December, 2009, unless Novamatrix earlier redeems or exchanges the Novamatrix rights or shortens or extends the expiration date.

Respironics. Under the 1996 Respironics rights plan, each Respironics right entitles the registered holder of Respironics common stock to purchase from Respironics 1/100 of a share (referred to as a "unit") of Respironics common stock at a price of \$110 per unit, subject to customary antidilution adjustments. If Respironics is acquired in a merger or other business combination transaction and Respironics is not the surviving corporation after the rights are exercisable, as well as in certain other circumstances involving the acquisition of Respironics shares, each holder of a Respironics right has the right to receive, upon payment of the purchase price per unit, Respironics common stock having a value equal to two times the purchase price.

The Respironics rights are attached to all certificates representing shares of Respironics common stock, including those shares issued pursuant to the merger agreement, and no separate certificates were distributed with respect to any Respironics rights. The Respironics rights will separate from the Respironics common stock on the day on which the rights become exercisable.

Until the Respironics rights are exercisable,

- . the Respironics rights will be evidenced by Respironics common stock certificates and will be transferred only with such certificates;
- . new certificates issued after July 26, 1996 have contained a notation incorporating the Respironics rights plan by reference; and
- . the surrender for transfer of any certificates representing outstanding Respironics common stock will also constitute the transfer of the

Edgar Filing: RESPIRONICS INC - Form 424B3

Respironics rights associated with the Respironics common stock represented by such certificates.

Accordingly, each share of Respironics common stock issued in the merger will have one Respironics right attached to it.

The Respironics rights will expire in July, 2006 unless earlier redeemed by Respironics.

EXPERTS

The consolidated financial statements and schedule of Respironics appearing in Respironics' Annual Report (Form 10-K) for the year ended June 30, 2001, have been audited by Ernst & Young LLP, independent auditors, as set forth in their report thereon included therein and incorporated herein by reference. Such consolidated financial statements and schedule are incorporated herein by reference in reliance upon such report given on the authority of such firm as experts in accounting and auditing.

With respect to the unaudited condensed consolidated interim financial information with respect to Respironics for the three and six-month periods ended December 31, 2001, incorporated by reference in this Registration Statement (Form S-4), Ernst & Young LLP has reported that they have applied limited procedures in accordance with professional standards for a review of such information. However, their separate report, included in Respironics, Inc. and Subsidiaries' Quarterly Report on Form 10-Q for the three and six-month periods ended December 31, 2001, and incorporated herein by reference, states that they did not audit and they do not express

Accordingly, the degree of reliance on their report on such information should be restricted considering the limited nature of the review procedures applied. The independent auditors are not subject to the liability provisions of Section 11 of the Securities Act of 1933 (the "Act") for their report on the unaudited interim financial information because that report is not a "report" or a "part" of the Registration Statement prepared or certified by the auditors within the meaning of Sections 7 and 11 of the Act.

Edgar Filing: RESPIRONICS INC - Form 424B3

the merger. If the merger does not become effective the 2002 annual meeting of stockholders will be held and Novamatrix stockholders may propose matters to be presented at the 2002 annual meeting of stockholders. MERGER

SECTION 1.01. The Merger.

Upon the terms and subject to the conditions contained in this Agreement,

Edgar Filing: RESPIRONICS INC - Form 424B3

and in accordance with the Delaware Law, at the Effective Time (as herein defined), (i) Acquiror will merge with and into the Company, and the Company shall continue as the surviving corporation (the "Surviving Corporation") in such merger. The Merger shall become effective (the "Effective Time") at the time of filing of, or at such later time specified in, a certificate of merger (the "Certificate of Merger"), in the form required by and properly executed in accordance with Delaware Law, filed with the Secretary of State of the State of Delaware, in accordance with the provisions of Section 251 of Delaware Law. In the Merger, (a) each outstanding share of Common Stock, par value \$0.01 per share ("Company Common Stock") of the Company (the "Shares", which term also refers to and includes, unless the context otherwise requires, the associated Company Rights as defined in Section 2.03), will be converted into shares of Common Stock, par value \$0.01 per share, of Parent ("Parent Common Stock") (with cash in lieu of any fractional share) as provided in this Agreement (the number of shares of Parent Common Stock into which shares of Company Common Stock will be converted being referred to as the "Exchange Ratio") and (b) each outstanding share of Common Stock, par value \$0.01 per share, of Acquiror ("Acquiror Common Stock") will be converted into one share of Common Stock, par value \$0.01 per share, of the Surviving Corporation, which shall be held by Parent.

The closing of the Merger (the "Closing") shall take place at the offices of Reed Smith LLP ("Reed Smith"), 435 Sixth Avenue, Pittsburgh, PA 15219-1886, at a time and date to be specified by the parties, which shall be no later than the third business day after the satisfaction or waiver of the conditions set forth in Article VI, or at such other time, date and location as the parties hereto agree in writing (the "Closing Date").

SECTION 1.02. Company Action.

(a) The Company hereby represents that its Board of Directors, at a meeting duly called and held, has by unanimous vote of the directors participating therein (such directors constituting a quorum under the Company's Bylaws) (i) determined that this Agreement and the transactions contemplated hereby, including the Merger, are advisable and are fair to and in the best interest of the Company's stockholders, (ii) approved this Agreement and the transactions and other matters contemplated hereby, including the Merger, in accordance with the requirements of the Delaware Law, and (iii) resolved to recommend approval of the Merger and adoption of this Agreement by the Company's stockholders (the "Recommendations"). The Company further represents that SunTrust Robinson Humphrey Capital Markets (the "Company Financial Advisor") has rendered to the Company's Board of Directors its opinion that, as of the date of such opinion, the Exchange Ratio in the Merger is fair to such stockholders from a financial point of view; and

(b) Each of the executive officers and directors of the Company has agreed to vote his or her shares of Company Common Stock in favor of the Merger pursuant to agreements entered into by each executive officer and director and delivered to Acquiror contemporaneously with execution and delivery of this Agreement.

SECTION 1.03. Effect of the Merger. At the Effective Time, the effect of the Merger shall be as provided in this Agreement and the applicable provisions of the Delaware Law. Without limiting the generality of the foregoing, at the Effective Time, the Surviving Corporation shall possess all the property, rights, privileges, powers and franchises of Acquiror and the Company, and shall be subject to all debts, liabilities, restrictions, disabilities and duties of Acquiror and the Company.

SECTION 1.04. Certificate of Incorporation; Bylaws. (a) At the Effective Time, the Certificate of Incorporation of Acquiror, which shall comply with Section 5.06, as in effect immediately prior to the Effective

Time, shall be the Certificate of Incorporation of the Surviving Corporation until thereafter amended, as provided by the Delaware Law and such Certificate of Incorporation, except that the name of the Surviving Corporation shall be changed to "RESPIRONICS NOVAMETRIX, INC."

(b) At the Effective Time, the Bylaws of Acquiror, which shall comply with Section 5.06, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation until thereafter amended, as provided by the Delaware Law and such Bylaws.

SECTION 1.05. Directors and Officers. The directors of Acquiror immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation, each to hold office in accordance with the Certificate of Incorporation and Bylaws of the Surviving Corporation, and the officers of the Acquiror immediately prior to the Effective Time shall be the initial officers of the Surviving Corporation, in each case until their respective successors are duly elected or appointed and qualified. Certain officers of the Company shall be appointed officers of the Surviving Corporation, effective at the Effective Time, to the extent provided in the Employment Agreements identified in Section 6.02(c) of this Agreement, in each case until their respective successors are duly elected or appointed and qualified.

SECTION 1.06. Effect on Capital Stock.

Subject to the terms and conditions of this Agreement, at the Effective Time, by virtue of the Merger and without any action on the part of Acquiror, the Company or the holders of the capital stock of the Company, Acquiror or Parent, the following will occur:

(a) Conversion of the Company Common Stock. Each share of the Company Common Stock issued and outstanding immediately prior to the Effective Time, other than any shares of the Company Common Stock to be canceled pursuant to Section 1.06(c), will be canceled and extinguished and automatically converted (subject to Section 1.07(e)) into the right to receive the number of the shares of the Parent Common Stock equal to the Exchange Ratio (together with the cash in lieu of fractional shares of the Parent Common Stock as specified below, the "Merger Consideration"). No fraction of a Parent Common Share will be issued by virtue of the Merger, but in lieu thereof, a cash payment shall be made pursuant to Section 1.07(e).

(b) Exchange Ratio. The Exchange Ratio shall be calculated on the business day which is three (3) business days prior to the Closing Date ("Determination Date"). The Exchange Ratio shall be based on the weighted average of the selling prices of a single share of Parent Common Stock as reported on the Nasdaq National Market System ("Nasdaq") of the National Association of Securities Dealers, Inc. ("NASD") for a period consisting of 20 consecutive trading days ending on the trading day prior to the Determination Date, in each case as reported on Nasdaq ("Parent Share Price").

(i) if the Parent Share Price as calculated on the Determination Date equals or exceeds \$32.00 per share but is equal to or below \$35.00 per share, the Exchange Ratio shall be 0.25;

(ii) if the Parent Share Price as calculated on the Determination Date exceeds \$35.00 per share, the Exchange Ratio shall be calculated by dividing \$8.75 by the Parent Share Price;

Edgar Filing: RESPIRONICS INC - Form 424B3

(iii) if the Parent Share Price as calculated on the Determination Date equals or exceeds \$30.00 per share but is equal to or below \$31.99 per share, the Exchange Ratio shall be calculated by dividing \$8.00 by the Parent Share Price; and

(iv) if the Parent Share Price as calculated on the Determination Date is below \$30.00 per share, the Exchange Ratio shall be 0.2667, subject to the Company's right to terminate this Agreement as more fully described in Section 7.01(g) hereof.

A-10

(c) Cancellation of the Company-Owned and Acquiror-Owned Stock. Each share of the Company Common Stock, if any, held by the Company or any subsidiary of the Company or owned by Parent or Acquiror immediately prior to the Effective Time shall be canceled and extinguished without any conversion thereof.

(d) Stock Incentive Plans; Stock Purchase Plans; Warrants. At the Effective Time, (i) all options or rights ("Company Stock Options") to purchase Company Common Stock then outstanding, whether under (A) the Company's 1990 Stock Option Plan, (B) the Company's 1994 Stock Option Plan, (C) the Company's 1997 Long Term Incentive Plan, (D) the Company's 2000 Long Term Incentive Plan, (E) the Company's 1999 Incentive Plan, or (F) any other stock option or stock plan or agreement of the Company (collectively, the "Company Stock Option Plans"), (ii) all rights outstanding under any of the Company's stock purchase plans including, without limitation, the Company's Employee Stock Purchase Plan (the "Company Stock Purchase Plan"), and (iii) all warrants to purchase Company Common Stock, shall be treated in accordance with Section 5.12 of this Agreement.

(e) Capital Stock of Acquiror. Each share of common stock, par value \$0.01 per share, of Acquiror (the "Acquiror Common Stock") issued and outstanding immediately prior to the Effective Time shall constitute one validly issued, fully paid and nonassessable share of common stock, par value \$0.01 per share, of the Surviving Corporation. Following the Effective Time, each certificate evidencing ownership of shares of Acquiror Common Stock shall evidence ownership of such shares of capital stock of the Surviving Corporation.

(f) Adjustments to Exchange Ratio. If, during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of Parent or the Company shall occur, including by reason of any reclassification, recapitalization, redenomination of share capital, stock split, reverse stock split or combination, exchange or readjustment of shares, or any stock dividend thereon with a record date during such period, the Parent Share Price, the Exchange Ratio, the Merger Consideration and any other amounts payable or to be delivered pursuant to the Merger or otherwise pursuant to this Agreement shall be appropriately adjusted.

SECTION 1.07. Exchange of Certificates.

(a) Exchange Agent. Mellon Investor Services, L.L.C. shall act as the exchange agent (the "Exchange Agent") in the Merger.

(b) Exchange Fund. As necessary from time to time following the Effective Time, Acquiror shall make available to the Exchange Agent, as needed for exchange in accordance with this Article I, (i) the shares of the Parent Common

Edgar Filing: RESPIRONICS INC - Form 424B3

Stock required for exchange of the Shares in the Merger and (ii) an amount of cash sufficient to permit the Exchange Agent to make the necessary payments of cash in lieu of fractional shares of the Parent Common Stock in accordance with Section 1.07(e) (such cash in lieu of fractional shares and the shares of the Parent Common Stock, together with any dividends or distributions with respect thereto, are hereinafter referred to as the "Exchange Fund").

(c) Exchange Procedures. Promptly after the Effective Time, Acquiror shall instruct the Exchange Agent to mail to each holder of record, as of the Effective Time, of a certificate or certificates ("Certificates") which immediately prior to the Effective Time represented outstanding shares of the Company Common Stock whose shares were converted into the right to receive the Parent Common Stock pursuant to Section 1.06, (i) a letter of transmittal in customary form (that shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates to the Exchange Agent and shall contain such other customary provisions as Acquiror may reasonably specify) and (ii) instructions for use in effecting the surrender of the Certificates in exchange for the shares of the Parent Common Stock and cash in lieu of fractional shares. Upon surrender of Certificates for cancellation to the Exchange Agent together with such letter of transmittal, duly completed and validly executed in accordance with the instructions thereto, the holders of such

A-11

Certificates shall be entitled to receive in exchange therefor solely that number of whole shares of the Parent Common Stock into which their shares of the Company Common Stock were converted at the Effective Time pursuant to Section 1.06, cash in lieu of fractional shares that such holders have the right to receive pursuant to Section 1.07(e) and any dividends or distributions payable pursuant to Section 1.07(d), and the Certificates so surrendered shall forthwith be canceled. Until so surrendered, outstanding Certificates will be deemed from and after the Effective Time, for all corporate purposes, to evidence only the right to receive the whole number of shares of the Parent Common Stock into which such shares of the Company Common Stock shall have been so converted and the right to receive an amount in cash in lieu of any fractional shares in accordance with Section 1.07(e) and any dividends or distributions payable pursuant to Section 1.07(d). No interest will be paid or accrued on any cash in lieu of fractional shares of the Parent Common Stock or on any unpaid dividends or distributions payable to holders of Certificates. In the event of a transfer of ownership of shares of the Company Common Stock that is not registered in the transfer records of the Company, the proper whole number of shares of the Parent Common Stock may be issued to a transferee if the Certificate representing such shares of the Company Common Stock is presented to the Exchange Agent, accompanied by all documents required to evidence and effect such transfer and by evidence that any applicable stock transfer taxes have been paid.

(d) Distributions With Respect to Unexchanged Shares. No dividends or other distributions declared or made with respect to the Parent Common Stock with a record date after the Effective Time will be paid to the holders of any unsurrendered Certificates with respect to the Parent Common Stock represented thereby until the holders of record of such Certificates shall surrender such Certificates in accordance with Section 1.07(c). Subject to applicable law, following surrender of any such Certificates, the Exchange Agent shall deliver that whole number of shares of the Parent Common Stock issued in exchange therefor, without interest, at the time of such surrender, cash in lieu of fractional shares of the Parent Common Stock pursuant to Section 1.07(e), the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole shares of the Parent

Edgar Filing: RESPIRONICS INC - Form 424B3

Common Stock and, at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender and a payment date occurring after surrender with respect to such whole shares of the Parent Common Stock.

(e) Fractional Shares. No certificate or scrip representing fractional shares of the Parent Common Stock will be issued in the Merger upon the surrender for exchange of Certificates, and such fractional shares of the Parent Common Stock will not entitle the owner thereof to vote or to any rights of a holder of the shares of the Parent Common Stock. In lieu of any such fractional shares of the Parent Common Stock, each holder of Certificates who would otherwise have been entitled to a fraction of a Parent Common Share in exchange for such Certificate (after taking into account all Certificates delivered by such holder) pursuant to this Section shall receive from the Exchange Agent, as applicable, a cash payment in lieu of such fractional Parent Common Share, determined by multiplying (A) the fractional share interest to which such holder would otherwise be entitled by (B) the Parent Share Price.

(f) Required Withholding. The Exchange Agent shall be entitled to deduct and withhold from any consideration payable or otherwise deliverable pursuant to this Agreement, and from any dividends or distributions payable pursuant to Section 1.07(d), to any holder or former holder of the Company Common Stock such amounts as may be required to be deducted or withheld therefrom under the Code or under any provision of state, local or foreign tax law or under any other applicable law. To the extent such amounts are so deducted or withheld, such amounts shall be treated for all purposes under this Agreement as having been paid to the person to whom such amounts would otherwise have been paid.

(g) Lost, Stolen or Destroyed Certificates. In the event that any Certificates shall have been lost, stolen or destroyed, the Exchange Agent shall issue in exchange for such lost, stolen or destroyed Certificates, upon the making of an affidavit of that fact by the holder thereof, solely that whole number of shares of the Parent Common Stock into which the shares of the Company Common Stock represented by such Certificates were converted pursuant to Section 1.06, cash in lieu of fractional shares of the Parent Common Stock, if any, as may be required pursuant to Section 1.07(e) and any dividends or distributions payable pursuant to Section 1.07(d);

A-12

provided, however, that Acquiror may, in its discretion and as a condition precedent to the delivery of any Parent Common Stock, cash and other distributions, require the owner of such lost, stolen or destroyed Certificates to deliver a bond in such sum as it may reasonably direct as indemnity against any claim that may be made against Parent, Acquiror, the Surviving Corporation or the Exchange Agent with respect to the Certificates alleged to have been lost, stolen or destroyed.

(h) No Liability. Notwithstanding anything to the contrary in this Section 1.07, neither the Exchange Agent, Parent, Acquiror, the Surviving Corporation nor their respective affiliates shall be liable to a holder of shares of the Parent Common Stock or Company Common Stock for any amount properly paid to a public official pursuant to any applicable abandoned property, escheat or similar law.

(i) Termination of Exchange Fund. Any portion of the Exchange Fund which remains undistributed to the holders of Company Common Stock for six months after the Effective Time shall be delivered to Acquiror, upon demand, and any holders of Company Common Stock who have not theretofore complied with the provisions of this Section 1.07 shall thereafter look only to Acquiror for

Edgar Filing: RESPIRONICS INC - Form 424B3

shares of the Parent Common Stock, any cash in lieu of fractional shares of the Parent Common Stock to which they are entitled pursuant to Section 1.07(e) and any dividends or other distributions with respect to shares of the Parent Common Stock to which they are entitled pursuant to Section 1.07(d), in each case, without any interest thereon.

SECTION 1.08. No Further Ownership Rights in the Company Common Stock.

All shares of the Parent Common Stock issued in accordance with the terms hereof (including any cash paid in respect thereof pursuant to Sections 1.07(d) and (e)) shall be deemed to have been issued in full satisfaction of all rights pertaining to shares of Company Common Stock, and there shall be no further registration of transfers on the records of the Surviving Corporation of shares of Company Common Stock that were outstanding immediately prior to the Effective Time. If, after the Effective Time, Certificates are presented to the Surviving Corporation for any reason, they shall be canceled and exchanged as provided in this Article I.

SECTION 1.09. Tax Consequences.

It is intended by the parties hereto that the Merger shall constitute a "reorganization" within the meaning of Sections 368(a) of the Code. The parties hereto adopt this Agreement as a "plan of reorganization" within the meaning of sections 1.368-2(g) and 1.368-3(a) of the United States Treasury Regulations.

SECTION 1.10. Taking of Necessary Action; Further Action.

If, at any time after the Effective Time, any further action is necessary or desirable to carry out the purposes of this Agreement and to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company and Acquiror, the officers and directors of the Company, Acquiror and the Surviving Corporation will take all such lawful and necessary or desirable action in the name of the Company or Acquiror.

Article II

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company hereby represents and warrants to Acquiror as follows:

SECTION 2.01. Organization and Qualification; Subsidiaries.

(a) Each of the Company and its subsidiaries is an entity duly organized, validly existing and (to the extent the concept of good standing exists in the applicable jurisdiction) in good standing under the laws of the

A-13

jurisdiction of its organization and has the requisite corporate or other power and authority necessary to own, lease and operate the properties it purports to own, operate or lease and to carry on its business as it is now being conducted, except where the failure to have such other power or authority would not reasonably be expected to have a Material Adverse Effect. Each of the Company and its subsidiaries is duly qualified or licensed as a foreign corporation to do business, and is in good standing, in each jurisdiction where the character of its properties owned, leased or operated by it or the nature of its activities makes such qualification or licensing necessary, except for such failures to be so duly qualified or licensed and in good standing that would not reasonably be expected to have a Material Adverse Effect. A true and

Edgar Filing: RESPIRONICS INC - Form 424B3

complete list of all subsidiaries of the Company together with the jurisdiction of organization of each such subsidiary and the percentage of each such subsidiary's outstanding capital stock owned by the Company or another subsidiary of the Company is contained in Section 2.01 of the written disclosure schedule previously initialed on behalf of the Company and the Acquiror (the "Company Disclosure Schedule"). Except as set forth in Section 2.01 of the Company Disclosure Schedule, neither the Company nor any of its subsidiaries directly or indirectly owns any equity or similar interest in, or any interest convertible into or exchangeable or exercisable for, any equity or similar interest in or is the general or limited partner of, any corporation, partnership, joint venture or other business association or entity (other than its wholly-owned subsidiaries), (i) with respect to which interest the Company or a subsidiary has invested (and currently owns) or is required to invest \$50,000 or more, or (ii) which is a publicly-traded entity unless such interest is held for investment by the Company or its subsidiary and comprises less than five percent of the outstanding stock of such entity.

(b) "Material Adverse Effect," when used in connection with the Company or any of its subsidiaries or Parent or any of its Subsidiaries, as the case may be, means any change, effect, development or circumstance that is materially adverse to the business, assets (including intangible assets), financial condition, results of operations or prospects of the Company and its subsidiaries or Parent and its subsidiaries, as the case may be, in each case taken as a whole; provided, however, that the following shall be excluded from the definition of Material Adverse Effect and from any determination as to whether a Material Adverse Effect has occurred or may occur: changes, effects, developments or circumstances (i) affecting (A) the medical equipment or healthcare industries generally, (B) the United States securities markets generally or (C) economic, regulatory, or political conditions generally, or (ii) arising from or relating to this Agreement, the transactions contemplated hereby or the announcement hereof or thereof, including, without limitation, except as set forth in Section 2.01(b) of the Company Disclosure Schedule, any effects on customers and suppliers, but excluding any effects on personnel.

SECTION 2.02. Certificate of Incorporation and Bylaws.

The Company has heretofore made available to Acquiror a complete and correct copy of its Certificate of Incorporation and Bylaws as amended to date (the "Company Charter Documents"), and the certificates of incorporation and bylaws (or equivalent organizational documents) as amended to date of each of its subsidiaries (the "Subsidiary Documents"). All such Company Charter Documents and Subsidiary Documents are in full force and effect, except in the case of Subsidiary Documents where the failure to be in force and effect would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect. Neither the Company nor any of its subsidiaries is in violation of any of the provisions of its Certificate of Incorporation or Bylaws or equivalent organizational documents, except for violations of the documents which do not and are not reasonably likely to materially interfere with the operations of such entity.

SECTION 2.03. Capitalization.

(a) The authorized capital stock of the Company consists of 20,000,000 shares of Company Common Stock and 1,000,000 shares of preferred stock, of which 90,000 shares have been designated as Series A Preferred Stock, par value \$1.00 per share, and 120,000 shares have been designated Series B Preferred Stock, par value \$1.00 per share (collectively, the "Company Preferred Stock"). As of November 16, 2001, (i) 8,772,616 shares of Company Common Stock were issued and outstanding, all of which are validly issued, fully paid and nonassessable (excluding treasury shares which are issued but not outstanding, all of which are not entitled to

vote), and none of which has been issued in violation of preemptive or similar rights, (ii) 1,662,950 shares of Company Common Stock were reserved for existing grants and 317,004 shares of Company Common Stock were reserved for future grants pursuant to the Company Stock Option Plans, (iii) 77,270 shares of Company Common Stock were reserved and available for future issuance pursuant to the Company Stock Purchase Plan, (iv) 566,735 shares of Company Common Stock were reserved for issuance upon exercise of the Company's Class B Warrants (the "Class B Warrants"), and (v) 358,179 shares of Company Common Stock were reserved for issuance upon exercise of the Company's other outstanding warrants to purchase Company Common Stock (the "Other Warrants"). As of November 16, 2001, there were no outstanding shares of Company Preferred Stock. 90,000 shares of Series A Preferred Stock are reserved for issuance upon exercise of the rights (the "Company Rights" or, individually, a "Company Right") distributed in connection with that certain Rights Agreement dated as of December 29, 1999 (the "Rights Agreement"). As of November 16, 2001, no shares of Company Common Stock, Class B Warrants, or Other Warrants were held by subsidiaries of the Company. Except as set forth in Section 2.03 of the Company Disclosure Schedule, no change in such capitalization has occurred since November 16, 2001 except for changes resulting from the exercise or termination of stock options which were outstanding under the Company Stock Option Plans and exercisable as of November 16, 2001 (or were outstanding under the Company Stock Option Plans as of November 16, 2001 and became exercisable in accordance with their terms thereafter), from the issuance of shares of the Company Common Stock under the Company Stock Purchase Plan, pursuant to the current offering period under such plan ending on December 31, 2001 and until the suspension of such plan as provided in Section 5.12(d), from the exercise of the Class B Warrants or the Other Warrants, or transactions permitted by Section 4.01. Except as set forth in this Section 2.03 or Section 2.11 or in Section 2.03 or Section 2.11 of the Company Disclosure Schedule and except for this Agreement, there are no options, warrants or other rights, agreements, arrangements or commitments of any character binding on the Company relating to the issued or unissued capital stock of the Company or obligating the Company to issue or sell any shares of capital stock of, or other equity interests in, the Company. All shares of Company Common Stock subject to issuance as aforesaid, upon issuance on the terms and conditions specified in the instruments pursuant to which they are issuable, shall be duly authorized, validly issued, fully paid and nonassessable and will not be issued in violation of preemptive or similar rights. There are no bonds, debentures, notes or other indebtedness having voting rights (or convertible into securities having such rights) ("Voting Debt") of the Company or any of its subsidiaries issued and outstanding.

(b) Except as set forth in Section 2.03 of the Company Disclosure Schedule, there are no obligations, contingent or otherwise, of the Company or any of its subsidiaries to repurchase, redeem or otherwise acquire any shares of the Company Common Stock or the capital stock of any subsidiary. Except as set forth in Section 2.03 of the Company Disclosure Schedule, there are no obligations, contingent or otherwise, of the Company or any of its subsidiaries to provide funds to or make any investment (in the form of a loan, capital contribution or otherwise) in any such subsidiary or any other entity other than guarantees of obligations of subsidiaries and intercompany book entry transactions, in either case entered into in the ordinary course of business. Except as set forth in Sections 2.01 or 2.03 of the Company Disclosure Schedule, (i) all of the outstanding shares of capital stock (other than directors' qualifying shares) of each of the Company's subsidiaries are duly authorized, validly issued, fully paid and nonassessable, and (ii) all such shares (other than directors' qualifying shares and a de minimis number of shares owned by employees of such subsidiaries) are owned by the Company or

Edgar Filing: RESPIRONICS INC - Form 424B3

another subsidiary free and clear of all security interests, liens, claims, pledges, agreements, limitations on the Company's voting rights, charges or other encumbrances of any nature whatsoever. Except as set forth in Section 2.01, this Section 2.03 or Section 2.11 or in Section 2.03 or Section 2.11 of the Company Disclosure Schedule and except for this Agreement, there are no options, warrants or other rights, agreements, arrangements or commitments of any character binding on the Company's subsidiaries relating to the issued or unissued capital stock of the Company's subsidiaries or obligating the Company's subsidiaries to issue or sell any shares of capital stock of, or other equity interests in, the Company's subsidiaries.

SECTION 2.04. Authority Relative to this Agreement.

(a) The Company has all necessary corporate power and authority to execute and deliver this Agreement and, subject to obtaining the necessary stockholder approval of the Merger and adoption of this Agreement, to

A-15

perform its obligations hereunder and to consummate the transactions contemplated hereby. The execution and delivery of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby have been duly and validly authorized by all necessary corporate action, and no other corporate proceedings on the part of the Company are necessary to authorize this Agreement or to consummate the transactions so contemplated (other than the requisite approval of the Merger and adoption of this Agreement by the Company's stockholders in accordance with Delaware Law and the Company Charter Documents and the filing and recording of appropriate merger documents as required by the Delaware Law). The affirmative vote of the holders of a majority of the outstanding shares of the Company Common Stock is the only vote of the holders of any class or series of the Company's capital stock necessary to adopt this Agreement and the Merger.

(b) Assuming the accuracy of the representations and warranties in Section 3.13, the provisions of Section 203 of the Delaware Law and Article Twelfth of the Company's Certificate of Incorporation will not apply to the Merger. No other "fair price," "merger moratorium," "control share acquisition" or other similar anti-takeover statute or regulation applies or purports to apply to this Agreement or the Merger.

(c) As of the date hereof, the Board of Directors of the Company has by a unanimous vote of those directors present (such directors constituting a quorum under the Company's Bylaws) (i) determined that it is advisable and in the best interest of the Company's stockholders for the Company to enter into this Agreement and to consummate the Merger upon the terms and subject to the conditions of this Agreement, (ii) approved this Agreement and the transactions contemplated hereby in accordance with the applicable provisions of the Delaware Law and the Company Charter Documents, (iii) authorized the performance by the Company of this Agreement subject to such stockholder approval as contemplated in Section 2.04(a), and (iv) recommended the approval of the Merger and adoption of this Agreement by holders of the Company Common Stock and directed that this Agreement be submitted for consideration by the Company's stockholders at a meeting of the stockholders of the Company to consider approval of the Merger and adoption of this Agreement (the "Company Stockholders Meeting"). This Agreement has been duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery by Acquiror and the Parent of this Agreement and the Guarantee hereof, respectively, this Agreement constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms subject to applicable bankruptcy, insolvency, reorganization, moratorium or

other laws relating to or affecting the rights and remedies of creditors generally and to general principles of equity, including (without limitation) concepts of materiality, reasonableness, good faith and fair dealing (regardless of whether considered in a proceeding in equity or at law).

(d) The Board of Directors of the Company has taken all actions necessary to cause the Rights Agreement to be ineffective and not applicable as to the Merger and any other transactions described in this Agreement. The execution of this Agreement does not, and the consummation of the Merger and the other transactions contemplated hereby will not, result in the grant of any rights to any person under the Rights Agreement, or enable or require any outstanding rights to be exercised, distributed or triggered. All such actions to cause the Rights Agreement to be ineffective and not applicable as to the Merger and any other transactions described in this Agreement have been duly and validly taken by the Company's Board of Directors and are binding on and enforceable against the Company.

SECTION 2.05. No Conflict; Required Filings and Consents.

(a) Subject to the following sentence, Section 2.05(a) of the Company Disclosure Schedule includes, as of the date hereof, a list of (i) other than intercompany obligations, all loan agreements, indentures, mortgages, pledges, conditional sale or title retention agreements, security agreements, guaranties, standby letters of credit (to which the Company or any subsidiary is the responsible party), equipment leases or lease purchase agreements, each in an amount equal to or exceeding \$50,000 (other than leases outside the United States providing for payments of not more than \$50,000 per year) to which the Company or any of its subsidiaries is a party or by which any of them is bound; (ii) all contracts, agreements, commitments or other understandings or arrangements to which the Company or any of its subsidiaries is a party or by which any of them or any of their

respective properties or assets is bound or affected, but excluding contracts, agreements, commitments or other understandings or arrangements entered into in the ordinary course of business and involving, in the case of any such contract, agreement, commitment, or other understanding or arrangement, individual payments or receipts by the Company or any of its subsidiaries of less than \$50,000 over the term of such contract, commitment, agreement, or other understanding or arrangement; and (iii) all agreements which are required to be filed as "material contracts" with the Securities and Exchange Commission ("SEC") pursuant to the requirements of the Securities Exchange Act of 1934, as amended, and the SEC's rules and regulations promulgated thereunder (the "Exchange Act") but which have not been so filed with the SEC. The Agreements listed on Schedule 2.05(a) of the Company Disclosure Schedule shall be collectively referred to as the "Company Agreements". With regard to agreements for the purchase or sale of raw materials or inventory or for the provision of services in the ordinary course of business and licensing or royalty arrangements, the thresholds referred to in clauses (i) and (ii) of the preceding sentence shall be measured on an annual basis.

(b) Except as set forth in Section 2.05(b) and Sections 2.11(f) and (h) of the Company Disclosure Schedule, the execution and delivery of this Agreement by the Company does not, and the performance of this Agreement by the Company will not, (i) conflict with or violate the Company Charter Documents, (ii) assuming compliance with the matters referred to in Section 2.05(c), conflict with or violate the Subsidiary Documents or any law, rule, regulation, order, judgment or decree applicable to the Company or any of its subsidiaries or by which its or any of their respective properties is bound or affected, or (iii)

result in any breach of or constitute a default (or an event that with notice or lapse of time or both would become a default) under, or impair the Company's or any of its subsidiaries' rights or alter the rights or obligations of any third party under, or give to others any rights of, or cause any, termination, amendment, redemption, acceleration or cancellation of, or result in the creation of a lien or encumbrance on (including a right to purchase) any of the properties or assets of the Company or any of its subsidiaries pursuant to, any of the Company Agreements or any other note, bond, mortgage, indenture, credit facility, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries or its or any of their respective properties is bound or affected, except in the case of clause (ii) or (iii), for any such conflicts, violations, breaches, defaults or other occurrences that would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

(c) The execution and delivery of this Agreement by the Company does not, and the performance of this Agreement by the Company will not, require the Company or any of its subsidiaries to make or seek any consent, approval, authorization or permit of, or filing with or notification to, any governmental, administrative, judicial or regulatory authority, domestic or foreign (each, a "Governmental Authority"), except (i) for applicable requirements, if any, of the Securities Act, the Exchange Act, state securities laws, the pre-merger notification requirements of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules and regulations thereunder (the "HSR Act"), and Nasdaq; filings and consents under any applicable non-U.S. laws intended to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade ("Non-U.S. Monopoly Laws"); filings and consents as may be required under any environmental, health or safety law or regulation pertaining to any notification, disclosure or required approval triggered by the Merger or the transactions contemplated by this Agreement ("Environmental, Health and Safety Laws"); and the filing and recordation of an appropriate certificate of merger as required by the Delaware Law; (ii) where the failure to obtain such consents, approvals, authorizations or permits, or to make such filings or notifications, would not prevent or materially delay consummation of the Merger, or otherwise prevent or materially delay the Company from performing its obligations under this Agreement and would not materially affect the Surviving Corporation's ability to conduct its business after the Merger; or (iii) as to which any necessary consents, approvals, authorizations, permits, filings or notifications have heretofore been obtained or filed, as the case may be, by the Company.

Section 2.06. Compliance; Permits.

(a) Except as set forth in Section 2.06(a) of the Company Disclosure Schedule, neither the Company nor any of its subsidiaries is in conflict with, or in default or violation of, (i) in any material respects, any law, rule,

regulation, order, judgment or decree applicable to the Company or any of its subsidiaries or by which its or any of their respective properties is bound or affected or (ii) any Company Agreement, note, bond, mortgage, indenture, credit facility, contract, agreement, letter of credit, pledge, guarantee, lease, license, permit, franchise or other instrument or obligation to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries or its or any of their respective properties is bound or affected except for any such conflicts or defaults which would not reasonably be expected to result in an adverse effect on the Company in excess of \$50,000

individually or \$100,000 in the aggregate.

(b) Except as set forth in Schedule 2.06(b) of the Company Disclosure Schedule, no investigation by any Governmental Authority with respect to the Company or its subsidiaries is pending or, to the knowledge of the Company, threatened. Neither Company nor any of its subsidiaries is subject to any order, directive, warning letter or supervisory letter of, or agreement, memorandum of understanding or similar arrangement (including board resolutions adopted at the request of a regulatory authority) with, any Federal, state, local or foreign regulatory authority restricting its operations, restricting it from taking any action or requiring that certain actions be taken, and Company has no knowledge that any such order, directive, supervisory letter, agreement, memorandum of understanding or similar arrangement is threatened, contemplated or under consideration by any such regulatory authority.

(c) Except as set forth in Section 2.06(c) of the Company Disclosure Schedule, the Company and its subsidiaries hold all permits, licenses, easements, variances, exceptions, consents, certificates, orders and approvals from Governmental Authorities which are material to the operation of the business of the Company and its subsidiaries, taken as a whole, as it is now being conducted (collectively, the "Company Permits"). Except as set forth in Section 2.06(c) of the Company Disclosure Schedule, the Company and its subsidiaries are in compliance in all material respects with the terms of the Company Permits.

SECTION 2.07. SEC Filings; Financial Statements.

(a) The Company has filed all reports, schedules, forms, statements and other documents (including all exhibits thereto) required to be filed with the SEC since April 28, 1996 (the "Post-1996 Company SEC Documents"). Except as set forth in Section 2.07 of the Company Disclosure Schedule and taking into account any amendments and supplements filed prior to the date of this Agreement, such Post-1996 Company SEC Documents (i) were prepared in all material respects in accordance with the applicable requirements of the Securities Act or the Exchange Act, as the case may be, and (ii) did not at the time they were filed (or if amended or superseded by a filing prior to the date of this Agreement, then on the date of such filing) contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light and at the time of the circumstances under which they were made, not misleading. None of the Company's subsidiaries is required to file any forms, reports or other documents with the SEC.

(b) Each of the consolidated financial statements (including, in each case, any related notes thereto) contained in the Post-1996 Company SEC Documents was prepared in accordance with GAAP applied on a consistent basis throughout the periods involved (except as may be indicated in the notes thereto), and each fairly presents in all material respects the consolidated financial position of the Company and its subsidiaries at the respective dates thereof and the consolidated results of its operations, stockholders' equity and cash flows for the periods indicated, except that the unaudited interim financial statements (i) should be read in conjunction with the audited consolidated financial statements of the Company for the applicable fiscal year contained in the Post-1996 Company SEC Documents, and (ii) were or are subject to normal and recurring year-end adjustments which were not or are not expected to be material in amount.

SECTION 2.08. Absence of Certain Changes or Events.

conducted its business in the ordinary course and there has not occurred: (i) any changes, effects or circumstances constituting, or which would reasonably be expected to constitute, individually or in the aggregate, a Material Adverse Effect; (ii) any amendments or changes in the Company Charter Documents; (iii) any material changes to any Company Employee Plans or other employee benefit arrangements or agreements, including the establishment of any new such plans, arrangements or agreements or the extension of coverage under any such plans, arrangements or agreements to new groups of employees or other individuals, (iv) any material damage to, destruction or loss of any asset of the Company (whether or not covered by insurance); (v) any material change by the Company in its accounting methods, principles or practices (other than as required by GAAP); or (vi) other than in the ordinary course of business, any sale of a material amount of assets of the Company. The executive management of the Company is not aware of any Material Adverse Effect that would reasonably be expected to occur as a result of or relating to (i) the execution and delivery of this Agreement by the Company; (ii) the consummation of the transactions contemplated hereby; (iii) the announcement of this Agreement or the transactions contemplated hereby; or (iv) the performance by the Company of any of its obligations under this Agreement.

SECTION 2.09. No Undisclosed Liabilities.

Except as set forth in Section 2.09 of the Company Disclosure Schedule, neither the Company nor any of its subsidiaries has any liabilities (whether or not absolute, accrued, contingent or otherwise), except liabilities (a) in the aggregate adequately provided for or disclosed in the Company's unaudited balance sheet (including any related notes thereto) as of October 28, 2001 included in the Company's Quarterly Report on Form 10-Q for the quarter ended October 28, 2001 (the "2001 Company Balance Sheet"), (b) incurred in the ordinary course of business and not required under GAAP to be reflected on the 2001 Company Balance Sheet, (c) incurred since October 28, 2001 if such liability is in excess of \$50,000 and is (a) not incurred in the ordinary course of business, or (b) if incurred in the ordinary course of business, is a nonrecurring payment to (i) a vendor not doing business with the Company on the date of this Agreement, or (ii) an existing vendor doing business with the Company on the date of this Agreement, but with respect to goods or services not being provided by such vendor to the Company on the date of this Agreement, or (d) incurred in connection with this Agreement or the Merger or the other transactions contemplated hereby. Section 2.09 of the Company Disclosure Schedule sets forth the amount of principal and unpaid interest outstanding under each instrument evidencing indebtedness of the Company and its subsidiaries. Section 2.09 of the Company Disclosure Schedule also sets forth the amount of principal and unpaid interest outstanding under each instrument evidencing indebtedness of the Company and its subsidiaries which will accelerate or become due or result in a right of redemption or repurchase on the part of the holder of such indebtedness (with or without due notice or lapse of time) as a result of this Agreement, the Merger or the other transactions contemplated hereby.

SECTION 2.10. Absence of Litigation.

Except as set forth in Section 2.10 and Section 2.19(c) of the Company Disclosure Schedule or arising out of the transactions contemplated by this Agreement (of which the executive management of the Company has no knowledge), there are no claims, actions, suits, proceedings or investigations pending or, to the knowledge of the senior management of the Company, threatened (except those threatened matters that would not reasonably be expected individually to

such plan; (vii) all contributions required to be made with respect to any Company Employee Plan (whether pursuant to the terms of such plan, Section 412 of the Code, any collective bargaining agreement, or otherwise) have been made or accrued on the Company's financial statements on or before their due dates (including any extensions thereof); and (viii) other than routine claims for benefits made in the ordinary course of the operation of the Company Employee Plans or Affiliate Plans, there are no pending, nor to the knowledge of the senior management of the Company, any threatened (except those threatened matters that would not reasonably be expected individually to exceed \$100,000 or in the aggregate to exceed \$500,000), claims, investigations or causes of action with respect to any Company Employee Plan or Affiliate Plan, whether made by a participant or beneficiary of such a plan, a governmental agency or otherwise, against the Company or any subsidiary of the Company, any Company director, officer or employee, any Company Employee Plan, or Affiliate Plan or any fiduciary of a Company Employee Plan or Affiliate Plan.

(c) The Company has provided to Acquiror a true and complete list of each current or former employee, consultant, officer or director of the Company or any of its subsidiaries who, as of the date hereof, holds (i) any option to purchase the Company Common Stock or commitments for future options, together with the number of shares of the Company Common Stock subject to such option, the exercise price of such option (to the extent determined as of the date hereof), whether such option is intended to qualify as an incentive stock option within the meaning of Section 422(b) of the Code, and the expiration date of such option; and (ii) any shares of Company Common Stock that are unvested or subject to a repurchase option, risk of forfeiture or other condition providing that such shares may be forfeited or repurchased by the

Edgar Filing: RESPIRONICS INC - Form 424B3

Company upon any termination of the stockholder's employment, directorship or other relationship with the Company or any of its subsidiaries or which shares are subject to performance-based vesting.

(d) To the extent not already included and so labeled in Section 2.11(a) or such other section of the Company Disclosure Schedule as is specifically referenced in Section 2.11(d) of the Company Disclosure Schedule, Section 2.11(d) of the Company Disclosure Schedule sets forth a true and complete (i) list of all material outstanding agreements with any consultants who provide services to the Company or any of its subsidiaries; (ii) list of all material agreements with respect to the services of independent contractors or leased employees who provide services to the Company or any of its subsidiaries, whether or not they participate in any of the Company Employee Plans; (iii) description of any situation in which a material portion of the workforce of a component of the Company or its subsidiaries, whether such component is a subsidiary, unit, work location, line of business or otherwise, is composed of non common law employees, whether consultants, independent contractors or otherwise, which description shall include, if applicable, representative samples of agreements with such non common law employees; and (iv) list of all worker council agreements of the Company or any of its subsidiaries with or relating to its employees.

A-21

as an employee, and no conditions exist under which the Company or any of its subsidiaries is reasonably likely to incur any such liability.

(h) The Company has provided or made available to Acquiror (i) with respect to each participant in the Company's executive severance plans, whether such participant has entered into an agreement or a provision of an agreement prohibiting or restricting such participant from accepting employment or otherwise engaging in activity that is in competition with the business of the Company or its subsidiaries (other than with respect to the use of confidential information or trade secrets) after the termination of such individual's employment with the Company (a "Non-Competition Agreement"); and (ii) a description of those classes of employees that are required to execute a Non-Competition Agreement.

(a) Each of the Company and its subsidiaries is in compliance, in all material respects, and has not failed to be in compliance, in any material respect, as a result of which it would reasonably be expected now or in the future to have liability, with all applicable U.S. and non-U.S. laws, agreements and contracts relating to employment practices, terms and conditions of employment, and the employment of former, current, and prospective employees, independent contractors and "leased employees" (within the meaning of Section 414(n) of the Code) of the Company or any of its subsidiaries including all such U.S. and non-U.S. laws, agreements and contracts relating to wages, hours, collective bargaining, employment discrimination, immigration, disability, civil rights, human rights, fair labor standards, occupational safety and health, workers' compensation, pay equity, wrongful discharge and violation of the potential rights of such former, current, and prospective employees, independent contractors and leased employees, and has timely prepared and filed all appropriate forms (including Immigration and Naturalization Service Form I-9) required by any relevant Governmental Authority.

(a) Subject to the accuracy of the representations of Acquiror in Section 3.10:

(i) the information supplied by the Company specifically for inclusion in the Registration Statement pursuant to which the shares of the Parent Common Stock to be issued in connection with the Merger will be registered with the SEC shall not, at the respective times the Registration Statement (including any amendments or supplements thereto) is filed with the SEC or is declared effective by the SEC, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements included therein not misleading; and

(ii) the information supplied by the Company specifically for inclusion in the proxy statement/prospectus in connection with the Company Stockholders Meeting (such proxy statement/prospectus as amended or supplemented is referred to herein as the "Proxy Statement/Prospectus") will not, at the time the Proxy Statement/Prospectus is filed with the SEC or first sent to stockholders or at the time of the Company Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) If at any time prior to the Effective Time any event or circumstance relating to the Company, any of its affiliates, officers or directors is discovered by the Company which is required to be set forth in an amendment to the Registration Statement or a supplement to the Proxy Statement/Prospectus, the Company will promptly inform Acquiror.

(c) Notwithstanding the foregoing, the Company makes no representation or warranty with respect to any information supplied by Parent or Acquiror or any of their respective affiliates which is included or incorporated by reference in, or furnished in connection with the preparation of, the Registration Statement or the Proxy Statement/Prospectus.

Except for this Agreement or as set forth in Section 2.14 of the Company Disclosure Schedule, the Company is not a party to or the subject of any agreement, judgment, injunction, order or decree binding upon the Company or any of its subsidiaries which has or would reasonably be expected to have the effect of prohibiting or impairing the conduct of business by the Company or any of its subsidiaries as currently conducted by the Company or such subsidiary, or restricting any transactions (including payment of dividends and distributions) between the Company and its subsidiaries.

Additionally, notwithstanding any other provision hereof, the Company shall use its commercially reasonable efforts to obtain any and all written consents of customers which, pursuant to the terms of any contracts, agreements or arrangements with such customers, are required to permit the transfer of, or to prevent the termination, of such contracts, agreements or arrangements in connection with, or as a result of, the transactions contemplated by this Agreement, except if and insofar as the failure to obtain such consents would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

SECTION 4.02. No Solicitation.

(a) The Company shall not, directly or indirectly, through any officer, director, employee, representative or agent of the Company or any of its subsidiaries, solicit or knowingly encourage the initiation of (including by way of furnishing information) any inquiries or proposals regarding any merger, sale of assets, sale of shares of capital stock (including, without limitation, by way of a tender offer) or similar transactions involving the Company or any subsidiaries of the Company that if consummated would constitute an Alternative Transaction (as defined below) (any of the foregoing inquiries or proposals being referred to herein as an "Acquisition Proposal"). Nothing contained in this Agreement shall prevent the Board of Directors of the Company from (i) furnishing information to a third party which has made a bona fide Acquisition Proposal that the Board of Directors of the Company concludes in good faith after consulting with a nationally recognized investment banking firm, which may be the Company Financial Adviser, would, if consummated, reasonably be expected to constitute a Superior Proposal (as defined below) not solicited in violation of this Agreement, provided that such third party has executed an agreement with confidentiality provisions substantially similar to those then in effect between the Company and Parent or a subsidiary of Parent or (ii) subject to compliance with the other terms of this Section 4.02, including Sections 4.02(c) and (d), considering and negotiating a bona fide Acquisition Proposal that the Board of Directors of the Company concludes in good faith after consulting with a nationally recognized investment banking firm, which may be the Company Financial Adviser, would, if consummated, constitute a Superior Proposal not solicited in violation of this Agreement; provided, however, that, as to each of clauses (i) and (ii), the Board of Directors of the Company reasonably determines in good faith (after due

A-35

consultation with independent counsel, which may be Torys LLP ("Torys")) that it is or is reasonably likely to be required to do so in order to discharge properly its fiduciary duties.

For purposes of this Agreement, "Alternative Transaction" means any of (i) a

Edgar Filing: RESPIRONICS INC - Form 424B3

transaction pursuant to which any person (or group of persons) other than Acquiror or its affiliates (a "Third Party") acquires or would acquire more than 25% of the outstanding shares of any class of equity securities of the Company, whether from the Company or pursuant to a tender offer or exchange offer or otherwise, (ii) a merger or other business combination involving the Company pursuant to which any Third Party acquires or would acquire more than 25% of the outstanding equity securities of the Company or the entity surviving such merger or business combination, (iii) any transaction pursuant to which any Third Party acquires or would acquire control of assets (including for this purpose the outstanding equity securities of subsidiaries of the Company and securities of the entity surviving any merger or business combination including any of the Company's subsidiaries) of the Company, or any Significant Company Subsidiary, or (iv) any other consolidation, business combination, recapitalization or similar transaction involving the Company or any Significant Company Subsidiary, other than the transactions contemplated by this Agreement; provided, however, that the term Alternative Transaction shall not include any acquisition of securities by a broker dealer in connection with a bona fide public offering of such securities.

For purposes of this Agreement, a "Superior Proposal" means any proposal made by a Third Party to acquire, directly or indirectly, for consideration consisting of cash and/or securities, all of the Company Common Stock entitled to vote generally in the election of directors or all or substantially all the assets of the Company, on terms which the Board of Directors of the Company reasonably believes (after consultation with a financial advisor of nationally recognized reputation, which may be the Company Financial Advisor and after taking into account the likelihood of, and extra time required for, consummation of such Superior Proposal, and the Parent Fee pursuant to Section 7.03 hereof) to be more favorable from a financial point of view to its stockholders than the Merger and the transactions contemplated by this Agreement taking into account at the time of determination any changes to the financial terms of this Agreement proposed by Acquiror; provided, however, that a Superior Proposal may be subject to a due diligence review of confidential information and to other customary conditions.

(b) The Company shall notify Acquiror promptly (but in no event later than 24 hours) after receipt of any Acquisition Proposal, or any modification of or amendment to any Acquisition Proposal, or any request for nonpublic information relating to the Company or any of its subsidiaries in connection with an Acquisition Proposal or for access to the properties, books or records of the Company or any subsidiary by any person or entity that informs the Board of Directors of the Company or any subsidiary that it is considering making, or has made, an Acquisition Proposal. Such notice to Acquiror shall be made orally and in writing, and shall indicate the identity of the person making the Acquisition Proposal or intending to make an Acquisition Proposal or requesting non-public information or access to the books and records of the Company or any subsidiary, the terms of any such Acquisition Proposal or modification or amendment to an Acquisition Proposal, and whether the Company is providing or intends to provide the person making the Acquisition Proposal with access to information concerning the Company as provided in Section 4.02(a). The Company shall keep Acquiror fully informed, on a current basis, of any material changes in the status and any material changes or modifications in the material terms of any such Acquisition Proposal, indication or request. The Company shall also promptly notify Acquiror, orally and in writing, if it enters into negotiations concerning any Acquisition Proposal.

(c) Except to the extent the Board of Directors of the Company reasonably determines in good faith (after due consultation with independent counsel, which may be Torys) that it is or is reasonably likely to be required to act to the contrary in order to discharge properly its fiduciary duties (and, with respect to the approval, recommendation or entering into any, Acquisition Proposal, it may take such contrary action only after the second full business

Edgar Filing: RESPIRONICS INC - Form 424B3

day following Acquiror's receipt of written notice of the Board of Directors' intention to do so), neither the Company nor the Board of Directors of the Company shall withdraw or modify, or propose to withdraw or modify, in a manner adverse to Acquiror, the approval by such Board of Directors of this Agreement or the Merger.

A-36

(d) The Company and the Board of Directors of the Company shall not enter into any agreement (other than a confidentiality agreement entered into not in violation of Section 4.02(a)) with respect to, or otherwise approve or recommend, or propose to approve or recommend, any Acquisition Proposal or Alternative Transaction, unless this Agreement has been terminated in accordance with its terms.

(e) Nothing contained in this Section 4.02 shall prohibit the Company from taking and disclosing to its stockholders a position required by Rule 14e-2(a) or Rule 14d-9 promulgated under the Exchange Act or from making any disclosure to its stockholders required by applicable law, rule or regulation or by Nasdaq.

(f) The Company shall immediately cease and cause to be terminated any existing discussions or negotiations with any persons (other than Acquiror) conducted heretofore with respect to any of the foregoing. The Company agrees not to release any third party from the confidentiality and standstill provisions of any agreement to which the Company is a party, except for a release from standstill provisions in connection with a Superior Proposal.

(g) The Company shall ensure that the officers and directors of the Company and the Company's subsidiaries and any investment banker or other advisor or representative retained by the Company are aware of the restrictions described in this Section 4.02. It is understood that any violation of the restrictions set forth in this Section 4.02 by any officer or director of the Company or its subsidiaries, by any investment banker, attorney or other advisor or representative of the Company retained in connection with this Agreement and the transactions contemplated hereby or by any other advisor or representative of the Company at the direction or with the consent of the Company shall be deemed to be a breach of this Section 4.02 by the Company.

SECTION 4.03. Conduct of Business by Parent Pending the Merger.

During the period from the date of this Agreement and continuing until the earlier of the termination of this Agreement and the consummation of the Merger, Acquiror covenants and agrees that, unless the Company shall otherwise agree in writing, Acquiror shall take all action necessary so that (i) Parent shall conduct its business, and cause the businesses of its subsidiaries to be conducted, in the ordinary course of business and consistent with past practice, including actions taken by Parent or its subsidiaries in contemplation of the Merger or other business acquisitions otherwise in compliance with this Agreement, and (ii) Parent shall not directly or indirectly do, or propose to do, any of the following without the prior written consent of the Company, which shall not be unreasonably withheld or delayed:

(a) amend or otherwise change the Parent Charter Documents;

(b) acquire or agree to acquire, by merging or consolidating with, by purchasing an equity interest in or a portion of the assets of, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquire or agree to acquire any assets of any other person, or dispose of any assets, which, in any such case, would materially delay or prevent the consummation of the Merger and the other transactions contemplated by this Agreement, provided, however, the Parent may acquire or agree to acquire any business or any corporation, partnership, association or other business organization

Edgar Filing: RESPIRONICS INC - Form 424B3

or division thereof, or otherwise acquire or agree to acquire any assets of any other person, or dispose of any assets, in all cases, without the consent of the Company if the value of such transaction is less than 10% of the market capitalization of the Parent. (For the purposes of this section, market capitalization of the Parent shall equal the product of the total number of outstanding shares of the Parent multiplied by the closing price of such shares on Nasdaq on the date of determination.)

(c) declare, set aside, make or pay any dividend or other distribution (whether in cash, stock or property or any combination thereof) in respect of any of its capital stock, except that a wholly owned subsidiary of Parent may declare and pay a dividend to its parent, and except that Parent may declare and pay regular quarterly cash dividends consistent with past practice;

A-37

(d) take any action to change its accounting policies or procedures (including, without limitation, procedures with respect to revenue recognition, payments of accounts payable and collection of accounts receivable), except as required by a change in GAAP occurring after the date hereof; or

(e) take or agree in writing or otherwise to take any of the actions described in Sections 4.03(a) through (d) above that would make any of the representations or warranties of Acquiror contained in this Agreement untrue or incorrect or prevent Acquiror from performing or cause Acquiror not to perform its covenants hereunder.

ADDITIONAL AGREEMENTS

Section 5.01. Stockholder Approval; Preparation of Registration Statement and Proxy Statement/Prospectus.

(a) As soon as practicable after the date of this Agreement, the Company shall, and Acquiror shall cause Parent to, prepare and file with the SEC under the Securities Act of 1933, as amended, and the SEC's rules and regulations promulgated thereunder (the "Securities Act") a registration statement on Form S-4 to register the offer and sale of the Parent Common Stock pursuant to the Merger (the "Registration Statement") which will include the Proxy Statement/Prospectus therein. The Company shall, and Acquiror shall cause Parent to, use all reasonable efforts to have the Registration Statement declared effective under the Securities Act as promptly as practicable after such filing and to maintain such effectiveness for so long as shall be required for the issuance of the shares of the Parent Common Stock in the Merger. Following the time the Registration Statement is declared effective, Acquiror shall cause Parent to file the final prospectus included therein under Rule 424(b) promulgated pursuant to the Securities Act. Acquiror agrees to provide the Company with, and to consult with the Company regarding, any comments that may be received from the SEC or its staff with respect to the Registration Statement promptly after receipt thereof.

(b) The Company shall use all reasonable efforts to cause the Proxy Statement/Prospectus to be mailed to the Company's stockholders as promptly as practicable after the Registration Statement is declared effective under the Securities Act. Acquiror shall also cause Parent to take any action (other than qualifying to do business in any jurisdiction in which it is not now so qualified or to file a general consent to service of process) required to be

Edgar Filing: RESPIRONICS INC - Form 424B3

taken under the applicable state securities laws in connection with the issuance of the shares of the Parent Common Stock in the Merger, and the Company shall furnish to Parent all information concerning the Company and the holders of capital stock of the Company as may be reasonably requested in connection with any such action and the preparation, filing and distribution of the Proxy Statement/Prospectus. No filing of, or amendment or supplement to, or correspondence to the SEC or its staff with respect to, the Registration Statement or the Proxy Statement/Prospectus will be made by the Company or the Parent, without providing the other party a reasonable opportunity to review and comment thereon.

(c) Acquiror will advise the Company, promptly after Parent receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, the issuance of any stop order, the suspension of the qualification of the shares of the Parent Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction, or any request by the SEC for amendment of the Registration Statement or comments thereon and responses thereto or requests by the SEC for additional information. The Company will advise Acquiror, promptly after it receives notice thereof, of any request by the SEC for the amendment of the Proxy Statement/Prospectus or comments thereon and responses thereto or requests by the SEC for additional information. If at any time prior to the Effective Time any information relating to the Company or Acquiror, or any of their respective affiliates, officers or directors, should be discovered by the Company or Acquiror which should be set forth in an amendment or supplement to either of the Registration Statement or the Proxy Statement/Prospectus so that any of such documents would not include

A-38

any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other party hereto and an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required by law, disseminated to the stockholders of the Company.

(d) The Proxy Statement/Prospectus shall include the recommendation of the Board of Directors of the Company in favor of approval of the Merger and adoption of this Agreement. Notwithstanding anything to the contrary set forth in this Section 5.01 or Section 5.02, the Company shall not be obligated to take the action set forth in the preceding sentence of this Section 5.01(c) or to take the actions set forth in Section 5.02 to the extent that the Board of Directors of the Company determines in connection with a Superior Proposal pursuant to Section 4.02 hereof (after due consultation with independent counsel, which may be Torys) that such action is, or is reasonably likely to be, inconsistent with the proper discharge of its fiduciary duties.

SECTION 5.02. Company Stockholders Meeting.

(a) The Company shall, prior to or as soon as practicable following the date upon which the Registration Statement becomes effective, establish a record date for, duly call, give notice of, convene and hold the Company Stockholders Meeting as promptly as practicable for the purpose of voting upon the adoption of this Agreement, and the Company shall use all reasonable efforts to cause the Proxy Statement/Prospectus to be mailed to the Company's stockholders and to hold the Company Stockholders Meeting as promptly as practicable after the Registration Statement is declared effective under the Securities Act. The Company shall solicit from its stockholders proxies in favor of approval of the

Edgar Filing: RESPIRONICS INC - Form 424B3

Merger and adoption of this Agreement and shall take all other reasonable action necessary or advisable to secure the vote or consent of stockholders in favor of such approval and adoption.

(b) Acquiror agrees to vote all of the Shares, if any, beneficially owned by Acquiror, Parent or any of their subsidiaries in favor of approval of the Merger and adoption of this Agreement at the Company Stockholders Meeting and to take such other actions to effectuate as promptly as practicable the Merger in accordance with Section 252 of the Delaware Law, on the terms and subject to the conditions set forth in this Agreement.

SECTION 5.03. Access to Information; Confidentiality.

(a) Upon reasonable notice and subject to restrictions contained in confidentiality agreements (from which such party shall use reasonable efforts to be released), the Company shall (and shall cause its subsidiaries to) (i) afford to the officers, employees, accountants, counsel and other representatives of the Parent, reasonable access during reasonable hours, during the period after the execution and delivery of this Agreement and prior to the Effective Time to its properties, books, contracts, commitments and records, (ii) during such period furnish promptly to the Parent all information concerning the business, properties and personnel of the Company, as the Parent may reasonably request, and (iii) make available to the Parent the appropriate individuals (including attorneys, accountants and other professionals) for discussion of the Company's business, properties and personnel as the Parent may reasonably request.

(b) Acquiror shall cause Parent and its subsidiaries to afford to the officers, employees, accountants, counsel and other representatives of the Company reasonable access during reasonable hours, during the period after the execution and delivery of this Agreement and prior to the Effective Time to (i) certain financial records of the Parent and (ii) the appropriate individuals (including attorneys, accountants and other professionals) for discussion of the parent's business, properties and personnel as the Company may reasonably request. For the avoidance of doubt, the Parent will not assemble and provide access to all of its non-public information.

(c) The information provided by the parties pursuant to Sections 5.03(a) and (b) above shall be kept confidential in accordance with the terms of the confidentiality agreements, dated July 5, 2001 and August 9, 2001, respectively (collectively, the "Confidentiality Agreement"), between Parent and the Company. This Section 5.03 (c) shall survive the termination of this Agreement.

A-39

SECTION 5.04. Consents; Approvals.

The Company and Acquiror shall each use its reasonable best efforts (and Acquiror shall cause Parent to use its reasonable best efforts) to obtain and to cooperate with each other in order to obtain as promptly as practicable all consents, waivers, approvals, authorizations or orders (including, without limitation, all United States and non-U.S. governmental and regulatory rulings and approvals), and the Company and Acquiror shall make (and Acquiror shall cause Parent to make) as promptly as practicable all filings (including, without limitation, all filings with United States and non-U.S. governmental or regulatory agencies) required in connection with the authorization, execution and delivery of this Agreement by the Company and Acquiror and the consummation by them of the transactions contemplated hereby. The Company and Acquiror shall promptly furnish (and Acquiror shall cause Parent to furnish) all information required to be included in the Proxy Statement/Prospectus and the Registration

Edgar Filing: RESPIRONICS INC - Form 424B3

Statement, or for any application or other filing to be made pursuant to the rules and regulations of any United States or non-U.S. governmental body in connection with the transactions contemplated by this Agreement. The Company shall, and Acquiror shall cause Parent to, cause all documents that it is responsible for filing with the SEC or other regulatory authorities under Section 5.01 and this Section 5.04 to comply in all material respects with all applicable requirements of law and the rules and regulations promulgated thereunder.

SECTION 5.05. Agreements with Respect to Affiliates.

At or prior to the date the Proxy Statement/Prospectus is first mailed to stockholders, Company will furnish to Parent a list of all persons known to the Company who at the date of the Company Stockholders Meeting may be deemed to be "affiliates" of the Company within the meaning of Rule 145 under the Securities Act ("Company Affiliates"). The Company will use its reasonable best efforts to cause each Company Affiliate to deliver to Parent prior to the date the Proxy Statement/Prospectus is first mailed to stockholders of the Company a written agreement providing that such person will not sell, pledge, transfer or otherwise dispose of the shares of Parent Common Stock to be received by such person in the Merger except in compliance with the applicable provisions of the Securities Act and the rules and regulations thereunder.

SECTION 5.06. Indemnification and Insurance.

(a) The Certificate of Incorporation and Bylaws of the Surviving Corporation shall contain all the provisions with respect to indemnification set forth in the Company Charter Documents on the date hereof, which provisions shall not be amended, modified or otherwise repealed for a period of six years from the Effective Time in any manner that would adversely affect the rights thereunder as of the Effective Time of individuals who at or prior to the Effective Time were directors, officers, employees or agents of the Company, unless such modification is required after the Effective Time by law and then only to the minimum extent required by such law.

(b) The Surviving Corporation shall, to the fullest extent permitted under applicable law or under the Surviving Corporation's Certificate of Incorporation or Bylaws, indemnify and hold harmless each present and former director, officer or employee of the Company or any of its subsidiaries (collectively, the "Indemnified Parties") against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, (x) arising out of or pertaining to the transactions contemplated by this Agreement or (y) otherwise with respect to any acts or omissions occurring at or prior to the Effective Time, to the same extent as provided in the Company Charter Documents or any applicable contract or agreement as in effect on the date hereof and disclosed on Section 5.06(b) of the Company Disclosure Schedule, in each case for a period of six years after the Effective Time. In the event of any such claim, action, suit, proceeding or investigation (whether arising before or after the Effective Time) and subject to the specific terms of any indemnification contract, (i) any counsel retained by the Indemnified Parties for any period after the Effective Time shall be reasonably satisfactory to the Surviving Corporation, (ii) after the Effective Time, the Surviving Corporation shall pay the reasonable fees and expenses of such counsel, promptly after statements therefor are received; provided that the Indemnified Parties shall be required to reimburse the

Edgar Filing: RESPIRONICS INC - Form 424B3

Surviving Corporation for such payments in the circumstances and to the extent required by the Company Charter Documents, any applicable contract or agreement or applicable law; and (iii) the Surviving Corporation will cooperate in the defense of any such matter; provided, however, that the Surviving Corporation shall not be liable for any settlement effected without its written consent (which consent shall not be unreasonably withheld); and provided, further, that, in the event that any claim or claims for indemnification are asserted or made within such six-year period, all rights to indemnification in respect of any such claim or claims shall continue until the disposition of any and all such claims. The Indemnified Parties as a group may retain only one law firm to represent them in each applicable jurisdiction with respect to any single action unless there is, under applicable standards of professional conduct, a conflict on any significant issue between the positions of any two or more Indemnified Parties, in which case each Indemnified Party with respect to whom such a conflict exists (or group of such Indemnified Parties who among them have no such conflict) may retain one separate law firm in each applicable jurisdiction.

(c) The Surviving Corporation shall honor and fulfill in all respects the obligations of the Company pursuant to indemnification agreements and employment agreements and arrangements (the employee parties under such agreements and arrangements being referred to as the "Covered Persons") with the Company's directors and officers existing at or before the Effective Time that are listed in Section 5.06(c) of the Company Disclosure Schedule.

(d) In addition, Acquiror shall provide, or cause the Surviving Corporation to provide, for a period of not less than six years after the Effective Time, the Company's current directors and officers with an insurance and indemnification policy that provides coverage for events occurring at or prior to the Effective Time (the "D&O Insurance") that is no less favorable than the existing policy or, if substantially equivalent insurance coverage is unavailable, the next best available coverage; provided, however, that Acquiror and the Surviving Corporation shall not be required to pay an annual premium for the D&O Insurance in excess of 175% of the annual premium currently paid by the Company for such insurance, but in such case shall purchase as much such coverage as possible for such amount.

(e) From and after the Effective Time, Acquiror shall unconditionally guarantee the timely payment of all funds owing by, and the timely performance of all other obligations of, the Surviving Corporation under this Section 5.06.

(f) Nothing contained in this Section 5.06 is intended to limit in any manner and at any time rights that any Indemnified Party may have under and in accordance with all provisions of the Company Charter Documents, including, but not limited to, rights under the respective Article of the Company's Restated Certificate of Incorporation and the respective Article of the Company's Bylaws in each case dealing with indemnification, or any contract or agreement in effect on the date hereof or whose execution following the date hereof is permitted by the terms of this Agreement, which rights shall survive the Effective Time and shall be binding on the Surviving Corporation and all successors and assigns of the Surviving Corporation, in accordance with their respective terms.

(g) This Section 5.06 shall survive the consummation of the Merger at the Effective Time, is intended to benefit the Company, the Surviving Corporation, the Indemnified Parties and the Covered Persons, shall be binding on all successors and assigns of the Surviving Corporation and shall be enforceable by the Indemnified Parties and the Covered Persons.

SECTION 5.07. Notification of Certain Matters.

Edgar Filing: RESPIRONICS INC - Form 424B3

The Company shall give prompt notice to Acquiror, and Acquiror shall give prompt notice to the Company, of (i) the occurrence or nonoccurrence of any event the occurrence or nonoccurrence of which would reasonably be expected to cause any representation or warranty contained in this Agreement to be materially untrue or inaccurate, or (ii) any failure of the Company or Acquiror, as the case may be, materially to comply with or

A-41

satisfy any covenant, condition or agreement to be complied with or satisfied by it hereunder; provided, however, that the delivery of any notice pursuant to this Section shall not limit or otherwise affect the remedies available hereunder to the party receiving such notice; and provided further that failure to give such notice shall not be treated as a breach of covenant for purposes of Section 7.01(b) unless the failure to give such notice results in material prejudice to the other party. Parent shall promptly notify the Company if Parent considers any Regulatory Condition or Requirement (as defined in Section 6.01) to be in Parent's reasonable business judgement adverse to the best interests of the combined entities (an "Adverse Regulatory Condition Notice").

SECTION 5.08. Further Action/Tax Treatment.

(a) Upon the terms and subject to the conditions hereof, each of the parties hereto shall use all reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective as promptly as practicable the transactions contemplated by this Agreement, to obtain in a timely manner all necessary waivers, consents and approvals and to effect all necessary registrations and filings, and otherwise to satisfy or cause to be satisfied all conditions precedent to its obligations under this Agreement. The foregoing covenant shall include, without limitation, the obligation of the Company to agree to divest, abandon, license, hold separate or take similar action with respect to any assets (tangible or intangible) which are, in the aggregate, not material to the Company (but shall not include any obligation by Parent or Acquiror to agree to divest, abandon, license, hold separate or take similar action with respect to any assets, tangible or intangible).

(b) Notwithstanding anything herein to the contrary, each of Acquiror and the Company shall, and Acquiror shall cause Parent to, use its reasonable best efforts to cause the Merger to qualify, and will not (either before or after the Merger) take any actions, or fail to take any action, which could reasonably be expected to prevent the Merger from qualifying as a reorganization under the provisions of Section 368(a) of the Code. Acquiror shall, and shall cause the Surviving Corporation and Parent to, report, to the extent required by the Code or the regulations thereunder, the Merger for United States federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. Each of Acquiror and the Company shall make, and shall cause their affiliates (including Parent) to make, such representations, warranties and covenants as shall be requested reasonably in the circumstances by Reed Smith and Torsys in order for such firms to render their opinions referred to in Section 6.02 and 6.03.

SECTION 5.09. Public Announcements. Acquiror and the Company shall consult with each other before issuing any press release or making any written public statement with respect to the Merger or this Agreement and the transactions contemplated hereby and shall not issue any such press release or make any such public statement without the prior consent of the other party, which shall not be unreasonably withheld; provided, however, that either party may, without the prior consent of the other, issue such press release or make

Edgar Filing: RESPIRONICS INC - Form 424B3

such public statement as may upon the advice of counsel be required by law (including, without limitation, Rules 165 and 425 under the Securities Act and Rule 14a-12 under the Exchange Act) or the rules and regulations of Nasdaq if it has used all reasonable efforts to consult with the other party.

SECTION 5.10. Shares of the Parent Common Stock.

(a) Acquiror shall take all action necessary so that Parent shall transfer to Acquiror the shares of the Parent Common Stock to be delivered by Acquiror to the holders of Company Common Stock in the Merger.

(b) Acquiror will take all action necessary so that Parent will use its reasonable best efforts to cause the shares of the Parent Common Stock to be delivered by Acquiror to the holders of Company Common Stock in the Merger to be listed, upon official notice of issuance, on the Nasdaq prior to the Effective Time.

A-42

SECTION 5.11. Conveyance Taxes.

Acquiror and the Company shall cooperate in the preparation, execution and filing of all returns, questionnaires, applications, or other documents regarding (i) any real property transfer or gains, sales, use, transfer, value added, stock transfer and stamp taxes, (ii) any transfer, recording, registration and other fees, and (iii) any similar taxes which become payable in connection with the transactions contemplated hereby that are required or permitted to be filed on or before the Effective Time, and the Company shall be responsible for the payment of all such taxes and fees.

SECTION 5.12. Stock Incentive Plans; Other Programs.

(a) At the Effective Time, each Company Stock Option under the Company Stock Option Plans, whether vested or unvested, shall be deemed to constitute an option (an "Adjusted Option") to acquire, on the same terms and conditions as were applicable under such Company Stock Option, the same number of shares of Parent Common Stock as the holder of such Company Stock Option would have been entitled to receive pursuant to the Merger had such holder exercised such option in full immediately prior to the Effective Time (rounded to the nearest whole number), at a price per share (rounded to the nearest whole cent) equal to (y) the aggregate exercise price for the Shares otherwise purchasable pursuant to such Company Stock Option divided by (z) the number of full shares of Parent Common Stock deemed purchasable pursuant to such Company Stock Option in accordance with the foregoing; provided, however, that in the case of any Company Stock Option to which Section 422 of the Code applies, the option price, the number of shares purchasable pursuant to such option and the terms and conditions of exercise of such option shall be determined in accordance with the foregoing, subject to such adjustments as are necessary in order to satisfy the requirements of Section 424(a) of the Code.

(b) Acquiror will cause Parent to take all corporate action necessary to reserve for issuance as of or as soon as administratively practicable after the Effective Time a sufficient number of shares of the Parent Common Stock for delivery upon exercise of the Adjusted Options and to deliver to holders of Adjusted Options, upon the exercise of such options, shares of the Parent Common Stock registered pursuant to the Securities Act and listed on Nasdaq.

(c) Beginning on the date hereof, the Company shall not establish any new employee stock purchase plans or extend the availability of the Company Stock Purchase Plan to any employees not previously eligible to be included in the

Edgar Filing: RESPIRONICS INC - Form 424B3

Company Stock Purchase Plan, or, in either case, implement any decisions to do the same, whether or not such decisions have been communicated to employees. The Company shall suspend the Company Stock Purchase Plan through the Effective Time at the end of the current offering period ending December 31, 2001. All shares of Company Common Stock under the Company Stock Purchase Plan shall be treated as all other shares of Company Common Stock. Acquiror shall, to the extent legally and administratively feasible, enable employees of the Company and its subsidiaries to participate in Parent's employee stock purchase plan, in a manner consistent with the current practice of Acquiror's affiliates.

(d) The Company agrees to take any and all action necessary pursuant to the terms of the Company Stock Purchase Plan to effect the aforementioned suspension of such plan.

(e) At the Effective Time, each Class B Warrant or Other Warrant (each, a "Company Warrant") shall be deemed to constitute a warrant (each, an "Adjusted Warrant") to acquire, on the same terms and conditions as were applicable under such Company Warrant, the same number of shares of Parent Common Stock as the holder of such Company Warrant would have been entitled to receive pursuant to the Merger had such holder exercised such Company Warrant in full immediately prior to the Effective Time (rounded to the nearest whole number), at a price per share (rounded to the nearest whole cent) equal to (y) the aggregate exercise price for the Shares otherwise purchasable pursuant to such Company Warrant divided by (z) the number of full shares of Parent Common Stock deemed purchasable pursuant to such Company Warrant in accordance with the foregoing. Acquiror will cause Parent to take all corporate action necessary to reserve for issuance as of or as soon as

A-43

administratively practicable after the Effective Time a sufficient number of shares of the Parent Common Stock for delivery upon exercise of the Adjusted Warrants and to deliver to holders of Adjusted Warrants, upon the exercise of such Adjusted Warrants, shares of the Parent Common Stock registered pursuant to the Securities Act and listed on Nasdaq.

SECTION 5.13. Certain Employee Benefits.

(a) The Surviving Corporation, at its sole discretion, shall either continue the current employee benefits of the Company or shall provide the employees of the Company or any subsidiary of the Company (each, a "Company Employee") with employee benefits that are comparable in the aggregate to those provided to similarly situated employees of the Parent (with similar situations to be determined in light of the Company Employee's new post-Merger responsibilities). It is the intention of the Parent either to maintain existing Company employee benefits or arrange for the Company Employees to become participants in Parent's existing employee benefit plans after the Effective Time. For the avoidance of doubt, it is understood that the Surviving Corporation shall have no obligation to provide Company Employees with post-termination welfare or pension benefits, except to the extent required by applicable law or contractual agreement.

(b) With respect to the benefits provided pursuant to this Section 5.13, (i) service accrued by Company Employees during employment with the Company and its subsidiaries (including any predecessor entity) prior to the Effective Time shall be recognized for all purposes, except for benefit accruals with respect to defined benefit pension plans, (ii) any and all pre-existing condition limitations (to the extent such limitations did not apply to a pre-existing condition under the applicable Company Employee Plan) and eligibility waiting periods under any group health plan shall be waived with respect to such

Edgar Filing: RESPIRONICS INC - Form 424B3

Company Employees and their eligible dependents, and (iii) Company Employees shall be given credit for amounts paid under a Company Employee Plan during the applicable period for purposes of applying deductibles, co-payments and out-of-pocket maximums as though such amounts had been paid in accordance with the terms and conditions of the employee welfare plans in which any Company Employee becomes entitled to participate.

(c) From and after the Effective Time, Acquiror shall cause the Surviving Corporation to honor in accordance with their terms all benefits and obligations under the Company Employee Plans, and consulting agreements including without limitation each employment, retirement, severance and change in control agreement, plan or arrangement, each as in effect on the date of this Agreement (or as amended as contemplated hereby or with the prior written consent of Acquiror); provided, however, that nothing herein shall prevent the Surviving Corporation or any other subsidiary of Parent from amending, modifying or terminating any employee benefit plan, program or arrangement in any respect in accordance with its terms or, subject to the terms of the Company Employee Plans (as so amended, modified or terminated, if applicable), modifying or terminating the terms and conditions of employment or other service of any particular employee or any other person, except in any such case as precluded by law or the terms of a Company Employee Plan.

(d) It is expressly agreed that the provisions of Section 5.13 are not intended to be for the benefit of or otherwise enforceable by any third party, including, without limitation, any Company Employees.

(e) The Company shall amend its 401(k) savings plan and any other Company Employee Plan which permits participants to elect to invest in stock of the Company, where necessary, to preclude any additional purchases of stock of the Company, as of a date no later than five (5) days prior to the date of this Agreement, and the Company shall communicate this amendment to the participants in such plans.

SECTION 5.14 . Accountant's Letters.

Upon reasonable notice from the other party, the Company shall use its best efforts to cause Ernst & Young LLP ("Ernst & Young") to deliver to Acquiror, and Acquiror shall use its best efforts to cause Ernst & Young to deliver to the Company, a letter covering such matters as are reasonably requested by Acquiror or the Company, as the case may be, and as are customarily addressed in accountants' "comfort letters."

A-44

SECTION 5.15. Compliance with State Property Transfer Statutes.

The Company agrees that it shall use its reasonable commercial efforts to comply promptly with all requirements of applicable state property transfer laws as may be required by the relevant state agency and shall take all action necessary to cause the transactions contemplated hereby to be effected in compliance with applicable state property transfer laws. The Company, after consultation with Acquiror, shall determine which actions must be taken prior to or after the Effective Time to comply with applicable state property transfer laws. The Company agrees to provide Acquiror with any documents required to be submitted to the relevant state agency prior to submission, and the Company shall not take any action to comply with applicable state property transfer laws without Acquiror's prior consent, which consent shall not be unreasonably withheld or delayed. Acquiror shall provide, and shall take all action necessary such that Parent shall provide to the Company any assistance

Edgar Filing: RESPIRONICS INC - Form 424B3

reasonably requested by the Company with respect to such compliance.

SECTION 5.16. Cooperation with Phase I Survey.

The Company shall cooperate and shall cause its employees, representatives and agents, and the employees, representatives and agents of its subsidiaries to cooperate with the Parent or the Parent's agent, if the Parent, at its option and expense, conducts a Phase I environmental survey relating to the compliance of the operations and properties of the Company and its subsidiaries with Environmental Laws.

None of such regulatory clearances or approvals shall contain or impose any conditions or requirements, including without limitation requirements relating to divestiture of product lines, manufacturing operations, one or more subsidiaries or divisions or any other material assets or require that Parent sell or license any rights to any of its tangible or intangible properties or those of the combined entities (a "Regulatory Condition or Requirement");

The Company shall have performed or complied in all material respects with all agreements, covenants and conditions under this Agreement required to be performed or complied with by the Company at or prior to the Closing; and Parent shall have received a certificate to each of the foregoing effects signed by the principal executive officer and the principal accounting and financial officers of the Company.

A-46

(iv) The basis of the shares of Parent Common Stock to be received by the stockholders of the Company will be the same as the basis of the shares of Company Common Stock (reduced by any amount allocable to fractional share interests for which cash is received) exchanged therefor; and

(v) The holding period of the shares of Parent Common Stock to be received by the stockholders of the Company will include the period during which the Company Common Stock surrendered in exchange therefor was held by the Company stockholder, provided such Company Common Stock was held as a capital asset in the hands of the Company stockholder at the time of the exchange.

SECTION 6.03. Company Conditions

(ii) No gain or loss will be recognized by Parent, Acquiror or the Company as a result of the Merger;

SECTION 7.01. Termination.

Notwithstanding prior approval by the stockholders of the Company or Acquiror, this Agreement may be terminated and the Merger abandoned:

(a) by mutual written consent duly authorized by the Board of Directors of each of the parties hereto at any time prior to the Effective Time; or

(b) by the Company or Acquiror in the event of a material breach of a representation, warranty, covenant or agreement of the other party contained herein, which breach, if curable, has not been cured within 30 days after written notice of such breach is given to the breaching party by the party electing to terminate; or

(c) by the Company or Acquiror at any time after the stockholders of the Company shall fail to approve this Agreement, in a vote taken at a meeting duly convened for that purpose, provided that the party electing to terminate shall have performed its obligations under Sections 6.02 or 6.03 hereof, if applicable; or

(d) (i) by the Company or Acquiror at any time after a final judicial or regulatory determination (as to which all periods for appeal have expired and no appeal shall be pending) denying any regulatory clearance and/or approval required for the Merger or (ii) by Acquiror within three (3) business days after Acquiror delivers to the Company an Adverse Regulatory Condition Notice; or

(e) by the Company or Acquiror if the Effective Time shall not have occurred on or before six (6) months after the date hereof; provided, however, that the right to terminate this Agreement under this Section 7.01(e) shall not be available to any party whose failure to fulfill any obligation or satisfy any condition under this Agreement shall have caused, or resulted in, the failure of the Effective Time to occur on or before such date; or

Edgar Filing: RESPIRONICS INC - Form 424B3

(f) by the Company if the Company's Board of Directors shall have approved an Acquisition Proposal (subject to the terms and conditions set forth in Section 4.02) after determining, upon the basis of advice of outside counsel that such action is necessary in order for the Board of Directors to act in a manner consistent with its fiduciary obligation under applicable law; or

(g) by the Company if the Parent Share Value per share shall be below \$30.00 on the Determination Date, provided, that, the Company must exercise this right to terminate within two (2) business days after the Determination Date. If the Company does not exercise this right to terminate within two business days after the Determination Date, the Exchange Ratio shall be fixed at 0.2667 shares of Parent Common Stock per share of Company Common Stock as provided in Section 1.06(b)(iv) hereof and this section shall not give the Company the right to terminate this Agreement.

Termination pursuant to subparagraphs (b) through (g) of this Section 7.01 shall be effected by written notice provided by the terminating party in accordance with Section 8.02 hereof.

SECTION 7.02. Effect of Termination.

In the event of termination of this Agreement as provided in Section 7.01, this Agreement shall forthwith become void, and there shall be no liability on the part of either party or its affiliates or its or their respective officers, directors or stockholders except (i) as set forth in Sections 5.03(c), 7.03, 8.12 and 8.14 hereof or (ii) in the event of a willful breach of this Agreement or any willful misrepresentation made by such party hereunder (it being understood that (x) the provisions of Section 7.03 do not constitute a sole or exclusive remedy for any such willful breach or misrepresentation and (y) the mere existence of a Material Adverse Effect, by itself, shall not constitute such a willful breach by the Company).

A-48

SECTION 7.03. Parent Fee.

(a) The Company hereby agrees to pay Parent, subject to the terms and conditions of this Section 7.03, upon the occurrence of the events specified in this Section, a fee (the "Parent Fee") of \$3,400,000 plus actual, documented and reasonable out-of-pocket expenses, relating to the transactions contemplated by this Agreement (including, but not limited to, reasonable fees and expenses of counsel and accountants and out-of-pocket expenses (but not fees of financial advisors)), but in no event shall expenses in excess \$425,000 be reimbursed.

(b) Parent shall be entitled to payment of the Parent Fee if:

(i) The Board of Directors of the Company shall fail to recommend, or shall withdraw, modify or change its recommendation referred to in Section 5.02 hereof in a manner adverse to Parent or shall have resolved to do any of the foregoing other than under circumstances permitting termination by the Company pursuant to Section 7.01(b), (d), (e) or (g) hereof or by mutual consent pursuant to Section 7.01(a);

(ii) The Company shall terminate this Agreement pursuant to Section 7.01(f) hereof; or

As used herein, "Company Business Combination" shall mean (i) a merger or consolidation, or any similar transaction, involving the Company or any Significant Company Subsidiary, (ii) a purchase, lease or other acquisition of all or substantially all of the assets of Company or any Significant Company Subsidiary or (iii) a purchase or other acquisition (including by way or merger, consolidation, share exchange or otherwise) of securities representing 30% or more of the voting power of the Company or any Significant Company Subsidiary (other than, in the case of the transfer of securities of any Significant Company Subsidiary, transfers between the Company and/or one or more of the Company Subsidiaries). "Significant Company Subsidiary" shall mean each Company Subsidiary which in the most recent fiscal year of the Company accounted for more than 20% of the consolidated assets of the Company and the Company Subsidiaries or which accounted for more than 20% of the consolidated income of the Company and the Company Subsidiaries for each of the most recent three fiscal years of the Company; provided, however, that with respect to Company Subsidiaries created or acquired after the date hereof, if thereafter such entity, in a fiscal year, accounts for more than 20% of the consolidated assets of the Company and the Company Subsidiaries in such fiscal year or accounts for more than (x) 20% of the consolidated income of the Company and the Company Subsidiaries in the year of creation or acquisition, (y) 20% of the consolidated income of the Company and the Company Subsidiaries for each of the two most recent fiscal years in the two years following creation or acquisition and (z) thereafter, 20% of the consolidated income of the Company and the Company Subsidiaries for each of the most recent three fiscal years, it shall be deemed to be a Significant Company Subsidiary for such fiscal year.

(c) The Parent Fee shall be payable in immediately available funds within five (5) business days after the occurrence of the event giving rise to such payment.

(d) Except as set forth in this Section 7.03, all fees and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses, whether or not the Merger is consummated.

(c) "control" (including the terms "controlled by" and "under common control with") means the possession, directly or indirectly or as trustee or executor, of the power to direct or cause the direction of the management or policies of a person, whether through the ownership of stock, as trustee or executor, by contract or credit arrangement or otherwise;

(d) "dollars" or "\$" means United States dollars;

(e) "knowledge" means, with respect to any matter in question, that the executive officers, or the responsible employee having primary or substantial oversight responsibility for the matter, of the Company, any subsidiary of the Company, Acquiror, Parent or any subsidiary of Parent, as the case may be, have or at any time had actual knowledge of such matter, provided, however, when used with respect to senior management of the Company, knowledge includes the knowledge of any Company Employee at the level of department head or any other higher-ranking Company Employee.

(f) "person" means an individual, corporation, partnership, limited liability company, association, trust, unincorporated organization, other entity or group (as defined in Section 13(d)(3) of the Exchange Act); and

(g) "subsidiary" or "subsidiaries" of the Company, the Surviving Corporation, Acquiror, Parent or any other person means any corporation, partnership, joint venture or other legal entity of which the Company, the Surviving Corporation, Acquiror, Parent or such other person, as the case may be (either alone or through or together with any other subsidiary), owns, directly or indirectly, more than 50% of the stock or other equity interests the holders of which are generally entitled to vote for the election of the board of directors or other governing body of such corporation or other legal entity.

When reference is made in this Agreement to the Company, Acquiror or Parent, such reference shall include their respective subsidiaries, as and to the extent the context so requires, whether or not explicitly stated in this Agreement.

A-51

SECTION 8.04. Amendment.

This Agreement may be amended by the parties hereto by action taken by or on behalf of their respective Boards of Directors at any time prior to the Effective Time; provided, however, that, after approval of the Merger and adoption of this Agreement by the stockholders of the Company, no amendment may be made which by law requires further approval or adoption by such stockholders without such further approval or adoption. This Agreement may not be amended, except by an instrument in writing signed by the parties hereto.

SECTION 8.05. Waiver.

Edgar Filing: RESPIRONICS INC - Form 424B3

At any time prior to the Effective Time, any party hereto may with respect to any other party hereto (a) extend the time for the performance of any of the obligations or other acts, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto, or (c) waive compliance with any of the agreements or conditions contained herein. Any such extension or waiver shall be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby.

SECTION 8.06. Headings.

The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

SECTION 8.07. Severability.

(a) If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon a determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

(b) The Company and Acquiror agree that the Parent Fee provided in Section 7.03 is fair and reasonable in the circumstances. If a court of competent jurisdiction shall nonetheless, by a final, nonappealable judgment, determine that the amount of the Parent Fee exceeds the maximum amount permitted by law, then the amount of the Parent Fee shall be reduced to the maximum amount permitted by law in the circumstances, as determined by such court of competent jurisdiction.

SECTION 8.08. Entire Agreement.

This Agreement and the Guarantee hereof constitute the entire agreement and supersede all prior agreements and undertakings (other than the Confidentiality Agreement), both written and oral, among the parties, or any of them, with respect to the subject matters hereof and thereof, except as otherwise expressly provided herein or therein.

SECTION 8.09. Assignment.

This Agreement shall not be assigned by operation of law or otherwise, except that all or any of the rights of Acquiror hereunder may be assigned to Parent or any direct or indirect wholly-owned subsidiary of Parent provided that no such assignment shall relieve the assigning party of its obligations hereunder.

A-52

SECTION 8.10. Parties in Interest.

This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement, including, without limitation, by way of subrogation, other than Section 5.06 (which is intended to be for the benefit of the Indemnified Parties and Covered Persons and may be

Edgar Filing: RESPIRONICS INC - Form 424B3

enforced by such Indemnified Parties and Covered Persons) and Section 7.03 (which contains provisions intended to be for the benefit of Parent and may be enforced by Parent) and other than the right of the stockholders of the Company to receive the Merger Consideration if, but only if, the Merger is consummated and not otherwise.

SECTION 8.11. Failure or Indulgence Not Waiver; Remedies Cumulative.

No failure or delay on the part of any party hereto in the exercise of any right hereunder shall impair such right or be construed to be a waiver of, or acquiescence in, any breach of any representation, warranty or agreement herein, nor shall any single or partial exercise of any such right preclude other or further exercise thereof or of any other right. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 8.12. Governing Law; Jurisdiction.

(a) This Agreement shall be governed by, and construed in accordance with, the internal laws of the State of Delaware.

(b) Each of the parties hereto submits to the exclusive jurisdiction of the courts of the State of Delaware and the federal courts of the United States having jurisdiction over Wilmington, Delaware, with respect to any claim or cause of action arising out of this Agreement or the transactions contemplated hereby.

SECTION 8.13. Counterparts.

This Agreement may be executed in two or more counterparts, and by the different parties hereto in separate counterparts (by facsimile or original signature), each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

SECTION 8.14. WAIVER OF JURY TRIAL.

EACH OF ACQUIROR AND THE COMPANY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ALL RIGHTS TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY.

SECTION 8.15. Performance of Guarantee.

Unless otherwise previously performed, Acquiror shall cause Parent to perform all of its obligations under the Guarantee.

SECTION 8.16. Enforcement.

The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms. It is accordingly agreed that the parties shall be entitled to specific performance of the terms hereof, this being in addition to any other remedy to which they are entitled at law or in equity.

GUARANTEE

RESPIRONICS, INC. ("Parent") irrevocably guarantees each and every representation, warranty, covenant, agreement and other obligation of Acquiror, and/or any of its permitted assigns (and where any such representation or warranty is made to the knowledge of Acquiror, such representation or warranty shall be deemed made to the knowledge of Parent), and the full and timely performance of their respective obligations under the provisions of the foregoing Agreement between RESPIRONICS HOLDINGS, INC. and NOVAMETRIX MEDICAL SYSTEMS INC. This is a guarantee of payment and performance, and not of collection, and Parent acknowledges and agrees that this guarantee is full and unconditional, and no release or extinguishment of Acquiror's obligations or liabilities (other than in accordance with the terms of the Agreement), whether by decree in any bankruptcy proceeding or otherwise, shall affect the continuing validity and enforceability of this guarantee, as well as any provision requiring or contemplating performance by Parent.

Parent hereby waives, for the benefit of the Company, (i) any right to require the Company as a condition of payment or performance by Parent, to proceed against Acquiror or pursue any other remedy whatsoever and (ii) to the fullest extent permitted by law, any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, except to the extent that any such defense is available to Acquiror.

Without limiting in any way the foregoing guarantee, Parent covenants and agrees to take all actions to enable Acquiror to adhere to the provisions of Sections 1.01, 1.06, 1.07, 1.09, 1.10, 4.03, 5.01, 5.03, 5.04, 5.08, 5.10, 5.12 and 5.15 and each other provision of the Agreement which requires an act or omission on the part of Parent or any of its subsidiaries to enable Acquiror to comply with its obligations under the Agreement.

The provisions of Article VIII of the Agreement are incorporated herein, mutatis mutandis.

All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Agreement.

Parent understands that the Company is relying on this guarantee in entering into the Agreement and may enforce this guarantee as if Parent were a party to the Agreement.

Ladies and Gentlemen:

We understand that Novamatrix Medical Systems Inc. (the "Company") is considering a proposed transaction with Respiroics, Inc. ("Respiroics") whereby Respiroics Holding, Inc. will merge with the Company which as a result will become a wholly-owned subsidiary of Respiroics (the "Proposed Transaction"). We understand that under the terms of the Proposed Transaction, each outstanding share of Company common stock will be converted into the right to receive a fraction of a share of common stock of Respiroics valued at \$8.00 to \$8.75 per share of Company common stock (the "Exchange Ratio") as summarized below. The terms and conditions of the Proposed Transaction are set forth in more detail in the Agreement and Plan of Merger between the Company and Respiroics, dated December 17, 2001 (the "Merger Agreement").

The Exchange Ratio shall be based on the weighted average of the selling prices of a single share of Respiroics common stock as reported on the Nasdaq National Market System for a period consisting of 20 consecutive trading days ending on the trading day which is three (3) business days prior to the Closing Date (the "Respiroics Share Price" and "Determination Date"). Per the Merger Agreement, the Exchange Ratio will be determined as follows: (i) if the Respiroics Share Price as calculated on the Determination Date equals or exceeds \$32.00 per share but is equal to or below \$35.00 per share, the Exchange Ratio shall be 0.25; (ii) if the Respiroics Share Price as calculated on the Determination Date exceeds \$35.00 per share, the Exchange Ratio shall be calculated by dividing \$8.75 by the Respiroics Share Price; (iii) if the Respiroics Share Price as calculated on the Determination Date equals or exceeds \$30.00 per share but is equal to or below \$31.99 per share, the Exchange Ratio shall be calculated by dividing \$8.00 by the Respiroics Share Price; and (iv) if the Respiroics Share Price as calculated on the Determination Date is below \$30.00 per share, the Exchange Ratio shall be fixed at 0.2667 if the Company does not exercise its right to terminate the Merger Agreement within two (2) business days after the Determination Date.

Edgar Filing: RESPIRONICS INC - Form 424B3

You have asked us whether, in our opinion, the Exchange Ratio in the Proposed Transaction is fair, from a financial point of view, to the stockholders of the Company.

In arriving at our opinion, we reviewed and analyzed: (1) the Merger Agreement; (2) certain publicly available information concerning the Company and Respiroics which we believe to be relevant to our inquiry; (3) financial and operating information with respect to the business, operations and prospects of the Company furnished to us by the Company; (4) financial and operating information with respect to the business, operations and prospects of Respiroics furnished to us by Respiroics; (5) a trading history of the Company's Common Stock from December 1998 to the present and a trading history of Respiroics' Common Stock from December 1998 to the present; (6) a comparison of the historical financial results and present financial condition of the Company and Respiroics with those of certain publicly traded companies which we deemed relevant; (7) an analysis of the projected performance of the Company and Respiroics on a pro forma combined basis; and (8) a

comparison of the financial terms of the Proposed Transaction with the publicly available financial terms of certain other recent transactions which we deemed relevant. We have also had discussions with the senior management personnel of both the Company and Respiroics concerning the business, operations, assets, present condition and future prospects, of their respective businesses. In addition, we undertook such other studies, analyses and investigations as we deemed appropriate.

We have assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information discussed with or reviewed by us in arriving at our opinion. With respect to the Company and Respiroics financial forecasts provided to or discussed with us, we have assumed, at the direction of the management of the Company and Respiroics without independent verification or investigation, that such forecasts have been reasonably prepared on bases reflecting the best currently available information, estimates and judgments of the management of both the Company and Respiroics as to its future financial performance. In arriving at our opinion, we have conducted only a limited physical inspection of the properties and facilities of the Company and Respiroics and have not made nor obtained any evaluations or appraisals of the assets or liabilities, contingent or otherwise, of the Company or Respiroics. We have assumed that the Proposed Transaction will be consummated in accordance with the terms of the Merger Agreement and that the Proposed Transaction will be accounted for as a purchase under generally accepted accounting principles and will be treated as a tax-free reorganization for federal income tax purposes. We have also assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the Proposed Transaction will be obtained without any adverse effect on the Company or on the expected benefits of the

Proposed Transaction. Our opinion is necessarily based upon market, economic and other conditions as they exist on, and can be evaluated as of, the date of this letter. We express no opinion as to the underlying valuation, future performance or long-term viability of the Company or Respiroics. We do not express any opinion as to the potential price of Respiroics common stock when issued pursuant to the Merger Agreement or the prices at which Respiroics stock will trade following the date hereof or subsequent to the closing of the Proposed Transaction. We do not have any obligation to update or revise the opinion.

We have been retained by the Board of Directors of the Company to act as financial advisor to the Company in connection with the Proposed Transaction and will receive a fee for our services. In addition, the Company has agreed to indemnify us for certain liabilities arising out of our engagement. In the ordinary course of our business, we and our affiliates may actively trade in the securities of Novamatrix and Respiroics for our own account and for the accounts of our customers and, accordingly, may at any time hold a long or short position in such securities.

This opinion is for the benefit of the Board in its evaluation of the Proposed Transaction. It does not constitute a recommendation as to how any stockholder should act or vote with respect to any matters relating to the Proposed Transaction. This opinion may be referred to and may be reproduced in full in any filing made by the Company with the Securities and Exchange Commission in connection with the Proposed Transactions.

Based upon and subject to the foregoing, we are of the opinion as of the date hereof that the Exchange Ratio in the Proposed Transaction is fair, from a financial point of view, to the stockholders of the Company.

Ladies and Gentlemen:

The undersigned understands that Respironics Holdings, Inc. ("Merger Subsidiary"), a wholly-owned subsidiary of Respironics, Inc. ("Respironics"), is about to enter into an Agreement and Plan of Merger (the "Merger Agreement") with Novamatrix Medical Systems Inc. ("Novamatrix"). The Merger Agreement provides for the merger of Merger Subsidiary with and into Novamatrix (the "Merger") and the conversion of outstanding shares of Novamatrix Common Stock into Respironics Common Stock in accordance with the formula therein set forth.

In order to induce Respironics to cause Merger Subsidiary to enter into the Merger Agreement, and intending to be legally bound hereby, the undersigned represents, warrants and agrees that at the Novamatrix Stockholders Meeting contemplated by Section 5.02 of the Merger Agreement and any adjournment or postponement thereof the undersigned will, in person or by proxy, vote or cause to be voted in favor of the Merger Agreement and the Merger the shares of Novamatrix Common Stock beneficially owned by the undersigned individually or, to the extent of the undersigned's proportionate voting interest, jointly with other persons, as well as (to the extent of the undersigned's proportionate voting interest) any other shares of Novamatrix Common Stock over which the undersigned may hereafter acquire beneficial ownership in such capacities (collectively, the "Shares"). The undersigned further agrees that the undersigned will use the undersigned's best efforts to cause any other shares of Novamatrix Common Stock over which the undersigned has or shares voting power to be voted in favor of the Merger Agreement and the Merger.

The undersigned further represents, warrants and agrees that until the earlier of (i) the consummation of the Merger or (ii) the termination of the Merger Agreement in accordance with its terms, the undersigned will not, directly or indirectly:

(a) vote any of the Shares, or cause or permit any of the Shares to be voted in favor of any other merger, consolidation, plan of liquidation, sale of assets, reclassification or other transaction involving Novamatrix or any of its subsidiaries which would have the effect of any person other than Respironics or its affiliate acquiring control over Novamatrix, any of its subsidiaries or any substantial portion of the assets of Novamatrix or any of its subsidiaries. As used herein, the term "control" means (i) the ability to direct the voting of 30% or more of the outstanding voting securities of a person having ordinary voting power in the election of directors or in the election of any other body having similar functions or (ii) the ability to direct the management and policies of a person, whether through ownership of securities, through any contract, arrangement or understanding or otherwise; or

(b) sell or otherwise transfer any of the Shares, or cause or permit any

may reasonably be expected to assist a person seeking to obtain such control or (iii) for the principal purpose of avoiding the obligations of the undersigned under this agreement.

It is understood and agreed that this agreement relates solely to the capacity of the undersigned as a shareholder or other beneficial owner of the Shares and is not in any way intended to affect the exercise by the undersigned of the undersigned's responsibilities as a director or officer of Novamatrix or any of its subsidiaries. This agreement will terminate upon the earlier of consummation of the Merger or the termination of the Merger Agreement in accordance with the its terms.
