Dear Fellow Shareholder,

You recently received proxy materials in connection with our 2011 Annual Meeting of Shareholders of Callon Petroleum Company to be held on Thursday, May 12, 2011. According to our latest records, your proxy vote for this meeting HAS NOT YET BEEN RECEIVED.

The Company is asking shareholders to vote on the following proposals:

1. To elect two Class II directors to hold office until the 2014 Annual Meeting of Shareholders;
2. To approve, in an advisory (non-binding) vote, the Company's executive compensation plan;
3. To approve an advisory (non-binding) proposal to determine whether the shareholder vote to approve executive compensation (Item 2 above) should occur every 1, 2 or 3 years;
4. To approve and ratify the Callon Petroleum Company 2011 Omnibus Incentive Plan; and
5. To ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2011.

At a meeting held on March 10, 2011, the Board of Directors of the Company adopted the Callon Petroleum Company 2011 Omnibus Incentive Plan (the "2011 Omnibus Plan"), subject to the approval of the shareholders of the Company. At the 2011 Annual Meeting, shareholders will be asked to approve and ratify the adoption of the 2011 Omnibus Plan (Item 4 above). Your Board of Directors believes the approval of the 2011 Omnibus Plan is in the best interests of the Company and its shareholders. After careful consideration, they have unanimously recommended a vote "FOR" its approval.

Management and the Board of Directors believe the plan is in the best interests of shareholders because it allows us to continue granting equity compensation, which:

- will continue to align our officers and employees with shareholders;
- allows us to continue attracting and retaining talent needed to run the business and continue executing our strategic plan; and
- will help preserve cash flow for funding our operations, rather than substituting it for equity compensation.

Regardless of the number of shares you own, it is important that they be represented at the annual meeting of shareholders. Remember, your broker cannot vote your shares unless you instruct him or her to do so and failure to vote will have the same effect as a vote "AGAINST" the proposal. The affirmative vote of a majority of the outstanding shares of capital stock entitled to vote on this proposal is required to approve the proposal.

YOUR PARTICIPATION IS IMPORTANT - PLEASE VOTE TODAY!

The Company's proxy statement is available at <http://callon.com>
