Wyndstorm Corporation, a Nevada corporation formerly known as Packetport.com, Inc. (the Company ) has determined that it is unable to file its Quarterly Report on Form 10-K for the fiscal year ended January 31, 2009.

The Company is working as expeditiously as possible to finalize the financial statements for the fiscal year ended January 31, 2009 and to file the Annual Report on Form 10-K with the SEC. The Company is presently unaware of any circumstance that would prevent its Annual Report on Form 10-K from being filed on or before the fifteenth calendar day following the prescribed due date.

**Forward-Looking Statements**

The information provided in this notice includes forward-looking statements, including, without limitation, statements regarding the estimated timing for the filing of the Company's Annual Report on Form 10-K for the fiscal year ended January 31, 2009 and the anticipated earnings results of the Company for the fiscal year ended January 31, 2009.

Statements that are not historical facts, including statements about the Company's beliefs and expectations, are forward-looking statements. (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the Registrant was required to file such report(s) been filed? If answer is no, identify reports(s). Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate or the results cannot be made.

The Company anticipates that its results of operations for the fiscal year ended January 31, 2009 will include significant changes from the results of operations reported for the prior fiscal year ended January 31, 2008. Any expected results noted for the fiscal year ended January 31, 2009 are presently being audited by the Company's auditor and therefore are not final and are subject to revision prior to the filing of the Company's Annual Report on Form 10-K for the year ended January 31, 2009.

Net loss for the fiscal year ended January 31, 2009 is expected to be approximately \$2.2 million, compared to the net loss of \$513,769 reported for the last fiscal year ended January 31, 2008. The increase in net loss is the result the increased operating expenses related to the Company's product- and client-development initiatives combined with lag in revenue growth typically associated with the start-up phase from which the Company is emerging.

Total revenue for the fiscal year ended January 31, 2009 is expected to be approximately \$297,000, compared to total revenue of \$0 reported for the last fiscal year ended January 31, 2008. The increase in total revenue is due the development and retainment of an initial client base by the Company.
