We are not seeking control of the Board at the 2014 Annual Meeting. If elected, the Nominees will be a minority of the directors and will not alone be able to adopt resolutions or otherwise cause the Board to act. However, the Nominees expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with Board members, the Nominees believe they can effect positive change at the Company.

Based on the information furnished by the Nominees, Save GrafTech believes that all of the Nominees are independent under such standards and Save GrafTech has no knowledge of any facts that would prevent the determination that each of the Nominees is independent under such standards.

You should be prepared to present valid government-issued photo identification, such as a driver’s license or passport, for admittance. In addition, if you are a Stockholder of record, your name will be verified against the list of Stockholders of record prior to admittance to the 2014 Annual Meeting. If you are a beneficial owner, you must provide proof of beneficial ownership on the Record Date, such as your account statement showing that you owned your shares of Common Stock as of March 28, 2014, a copy of the voting instruction form provided by your bank, brokerage firm, dealer, trust company or other nominee, or other similar evidence of ownership. If you do not provide valid government-issued photo identification and comply with the other procedures outlined above, you will not be admitted to the 2014 Annual Meeting. You do not need to attend the 2014 Annual Meeting to vote. Even if you plan to attend the 2014 Annual Meeting, please submit your vote in advance as instructed in this Proxy Statement.

What is the quorum requirement for the 2014 Annual Meeting?

A majority of the issued and outstanding shares of Common Stock, present at the commencement of such meeting, in person or represented by proxy, will constitute a quorum at the 2014 Annual Meeting. Abstentions and broker non-votes will be counted as shares present for purposes of determining whether a quorum exists for the transaction of business.

What is the effect of an “ABSTAIN” vote?

Abstentions are considered to be present and entitled to vote with respect to each relevant proposal, but will not be considered a vote cast with respect to that proposal. Therefore, an abstention will effectively be a vote against each of the proposals, except for the election of directors.

12

What is a broker non-vote?

A “broker non-vote” occurs when a beneficial owner of shares held by a bank, brokerage firm, dealer, trust company or other nominee fails to provide the record holder with voting instructions on any “non-routine” matters brought to a vote at a stockholder meeting.

Under the rules of the New York Stock Exchange, “non-routine” matters include (x) the election of directors and (y) Save GrafTech’s proposal to adopt a resolution to repeal any provision of the Bylaws as of the date of effectiveness of the resolution that was not included in the Bylaws as amended effective September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws) and that is inconsistent with or disadvantageous to Nathan Milikowsky, as the nominating stockholder, or to the election of the Nominees described in this Proxy Statement. As such, a broker may not vote your shares with respect to such matters without your instructions. **Given the contested nature of the election, the rules of the New York Stock Exchange do not permit broker discretionary authority to vote on any proposals to be voted on at the meeting, whether routine or not.**

If your shares are held of record by a bank, brokerage firm, dealer, trust company or other nominee, we urge you to give instructions to your bank, brokerage firm, dealer, trust company or other nominee as to how you wish your shares to be voted so you may participate in the Stockholder voting on these important matters.

What vote is required to elect the Nominees?

According to the Bylaws, for the election of directors at the 2014 Annual Meeting, the seven nominees receiving the highest number of “**FOR**” votes will be elected. Abstentions will be counted as present for purposes of this vote but are not counted as votes cast. Broker non-votes will not be counted as present and are not entitled to vote on the proposal. There is no guarantee that any of our Nominees will get enough votes to be elected even if you vote for them.

What vote is required to approve the other proposals described in this Proxy Statement?

Save GrafTech’s proposal to adopt a resolution to repeal any provision of the Bylaws as of the date of effectiveness of the resolution that was not included in the Bylaws as amended effective September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws) and that is inconsistent with or disadvantageous to Nathan Milikowsky, as the nominating stockholder, or to the election of the Nominees requires the affirmative vote of holders of at least 67% of the voting power of all shares of capital stock of the Company then outstanding entitled to vote generally for the election of directors. If other matters are properly brought before the 2014 Annual Meeting, the vote required will be determined in accordance with applicable law, the NYSE Rules and the Company’s Amended and Restated Certificate of Incorporation and Bylaws, as applicable.

What should I do in order to vote for the Nominees and the other proposals?

If your shares of Common Stock are held of record in your own name, please authorize a proxy to vote by marking, signing, dating and returning the enclosed **BLUE** proxy card in the postage-paid envelope provided to you by us or follow the instruction on the **BLUE** proxy card to vote by telephone or Internet.

If you hold your shares of Common Stock in “street name” with a bank, brokerage firm, dealer, trust company or other nominee, only they can exercise your right to vote with respect to your shares of Common Stock and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, brokerage firm, dealer, trust company or other nominee to ensure that a **BLUE** proxy card is submitted on your behalf. Please follow the instructions to authorize a proxy to vote provided on the enclosed **BLUE** proxy card. If your bank, brokerage firm, dealer, trust company or other nominee provides for voting instructions to be delivered to them by Internet or telephone, instructions will be included on the enclosed **BLUE** proxy card. We urge you to confirm your instructions in writing to the person responsible for your account and provide a copy of those instructions to us, c/o D.F. King & Co., Inc. 48 Wall Street, 22nd Floor, New York, New York 10005 or by email at savegraftech@dfking.com so that we may be aware of all instructions given and can attempt to ensure that such instructions are followed.

YOUR VOTE IS VERY IMPORTANT. If you do not plan to attend the 2014 Annual Meeting, we encourage you to read this Proxy Statement and mark, sign, date and return your **BLUE** proxy card in the enclosed postage-paid envelope provided, or follow the instructions located on your **BLUE** proxy card to vote by telephone or Internet prior to the 2014 Annual Meeting so that your shares of Common Stock will be represented and voted in accordance with your instructions. Even if you plan to attend the 2014 Annual Meeting in person, we recommend that you authorize a proxy to vote your shares of Common Stock in advance as described above so that your vote will be counted if you later decide not to attend the 2014 Annual Meeting. To ensure that your vote is counted, please remember to submit your vote so that it is received by us no later than 11:59 p.m. Eastern Time on May 14, 2014, the day prior to the Annual Meeting.

What does it mean if I receive more than one BLUE proxy card at or about the same time?

It generally means you hold shares registered in more than one account. In order to vote all of your shares, please mark, sign, date and return each **BLUE** proxy card or, if you vote via the Internet or telephone, vote once for each **BLUE** proxy card you receive.

What is the deadline for submitting proxies?

(a) Internet: Votes submitted electronically via the Internet must be received by 11:59 p.m. Eastern Time on May 14, 2014.

(b) Telephone: Votes submitted electronically by telephone must be received by 11:59 p.m. Eastern Time on May 14, 2014.

(c) Mail: Votes submitted by mail via written proxy must be returned in sufficient time to be counted prior to the closing of the polls at the 2014 Annual Meeting.

(d) In Person: All Stockholders of record as of the Record Date may vote in person at the 2014 Annual Meeting. If you hold your shares of Common Stock in “street name” with a bank, brokerage firm, dealer, trust company or other nominee, you will need to request a “legal proxy” from such entity to vote in person at the 2014 Annual Meeting.

How do I revoke a proxy?

Any Stockholder has the power to revoke a previously submitted proxy at any time before it is exercised. If you are a registered holder of Common Stock, you may revoke a previously submitted proxy by:

voting over the Internet or by telephone at a later time in the manner provided on the enclosed BLUE proxy card, the Company's WHITE proxy card or any other later-dated proxy;

marking, signing, dating and returning the enclosed BLUE proxy card, the Company's WHITE proxy card or any other later-dated proxy in the postage-paid envelope provided;

delivering a written notice of revocation to the Corporate Secretary of the Company c/o GrafTech International Ltd., 12900 Snow Road, Parma, OH 44130; or

- attending the 2014 Annual Meeting and voting in person.

Please note, however, that only your last-dated proxy will count-any proxy may be revoked at any time prior to its exercise at the 2014 Annual Meeting as described in this Proxy Statement. Attending the 2014 Annual Meeting alone without taking one of the actions above will not revoke your proxy.

If you submit a **BLUE** proxy card you may revoke it at any time by submitting a later dated **WHITE** proxy card, or any other later dated proxy card. Likewise, if you submit, or have already submitted, a **WHITE** proxy card

you may revoke it at any time by submitting any other later dated proxy card, including a later dated **BLUE** proxy card.

Stockholders who hold their shares of Common Stock in “street name” with a bank, brokerage firm, dealer, trust company or other nominee will need to notify the person responsible for their account to revoke or withdraw previously given instructions. Unless revoked in the manner set forth above and subject to the foregoing, duly authorized proxies in the form enclosed will be voted at the 2014 Annual Meeting in accordance with your instructions. We request that a copy of any revocation sent to the Company or any revocation notification sent to the person responsible for a bank or brokerage account also be sent to us, c/o D.F. King & Co., Inc. at the address listed above, so that we may be aware of any revocation of a proxy.

PLEASE DO NOT RETURN ANY **WHITE** PROXY CARD YOU MAY RECEIVE FROM THE COMPANY OR OTHERWISE AUTHORIZE A PROXY TO VOTE YOUR SHARES OF COMMON STOCK AT THE 2014 ANNUAL MEETING, NOT EVEN AS A SIGN OF PROTEST. IF YOU HAVE ALREADY RETURNED A **WHITE** PROXY CARD TO THE COMPANY OR OTHERWISE AUTHORIZED A PROXY TO VOTE YOUR SHARES OF COMMON STOCK AT THE 2014 ANNUAL MEETING, IT IS NOT TOO LATE TO CHANGE YOUR VOTE. TO REVOKE YOUR PRIOR PROXY AND CHANGE YOUR VOTE, SIMPLY MARK, SIGN, DATE AND RETURN THE ENCLOSED **BLUE** PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED OR USE THE **BLUE** PROXY CARD TO VOTE BY TELEPHONE OR INTERNET. ONLY YOUR LATEST DATED PROXY WILL BE COUNTED.

Who is paying for the solicitation on behalf of Save GrafTech?

Save GrafTech will pay all costs of the solicitation of proxies on behalf of Save GrafTech and the other participants described on *Annex A* hereto for the 2014 Annual Meeting. If all (or some of) the Nominees are elected, Save GrafTech intends to seek reimbursement of those costs from the Company, subject to any restrictions based on applicable law or in the Company’s Amended and Restated Certificate of Incorporation or Bylaws.

Whom should I call if I have any questions about the solicitation?

If you have any questions, or need assistance in voting your shares of Common Stock, please call our proxy solicitor, D.F. King & Co., Inc toll-free at (800) 628-8532 or contact D.F. King & Co., Inc by email at savegraftech@dfking.com.

YOUR VOTE IS IMPORTANT, NO MATTER HOW MANY SHARES YOU OWN. SAVE GRAFTECH URGES YOU TO MARK, SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD TODAY TO VOTE “FOR” THE ELECTION OF OUR NOMINEES AND TO GRANT AUTHORITY TO VOTE FOR

THE COMPANY'S NOMINEES OTHER THAN MARY B. CRANSTON, STEVEN R. SHAWLEY AND FERRELL P. MCCLEAN AND "FOR" SAVE GRAFTECH'S PROPOSAL TO ADOPT A RESOLUTION TO REPEAL ANY PROVISION OF THE BYLAWS AS OF THE DATE OF EFFECTIVENESS OF THE RESOLUTION THAT WAS NOT INCLUDED IN THE BYLAWS AS AMENDED EFFECTIVE SEPTEMBER 30, 2012 (WHICH IS THE DATE OF THE LAST PUBLICLY DISCLOSED AMENDMENT TO THE BYLAWS) AND THAT IS INCONSISTENT WITH OR DISADVANTAGEOUS TO NATHAN MILIKOWSKY, AS THE NOMINATING STOCKHOLDER OR TO THE ELECTION OF THE NOMINEES.

Important Notice Regarding the Availability of Proxy Materials
for the Stockholder Meeting to Be Held on May 15, 2014:

The proxy materials are available at <http://www.savegraftech.com>

BACKGROUND OF THE SOLICITATION

On November 30, 2010, the Company acquired Seadrift and C/G for approximately \$850 million in Common Stock of the Company, cash and promissory notes.

As a result of the transactions, Save GrafTech held 10.5% of the Common Stock of the Company as of December 10, 2010, according to the Schedule 13D filed with the Securities and Exchange Commission on December 10, 2010,² and was and is one of the largest stockholders of the Company. In connection with the transaction, NM C/G Note LLC received promissory notes from the Company with an aggregate principal amount of approximately \$33 million; NM Seadrift Note LLC received promissory notes from the Company with an aggregate principal amount of approximately \$19 million; Seadrift Coke LLC received promissory notes from the Company with an aggregate principal amount of approximately \$1.2 million; NMDM Investments LLC received promissory notes from the Company with an aggregate principal amount of approximately \$1.3 million; RNM Foundation received promissory notes from the Company with an aggregate principal amount of approximately \$.5 million; Daniel Milikowsky received promissory notes from the Company with an aggregate principal amount of approximately \$3.7 million; DM Family Holdings LLC received promissory notes from the Company with an aggregate principal amount of approximately \$67.5 million; DSM Foundation received promissory notes from the Company with an aggregate principal amount of approximately \$.5 million; David R. Jardini, a nominee, received promissory notes from the Company with an aggregate principal amount of approximately \$4.2 million and ceased being the president of C/G; and the David R. Jardini 2010 Qualified Annuity Trust Agreement, of which David R. Jardini is the Trustee, received promissory notes from the Company with an aggregate principal amount of approximately \$2.3 million. The entire aggregate principal amount of such promissory notes is currently outstanding. The issuance of such notes was described in the Company's Form 8-K filed with the Securities and Exchange Commission on November 30, 2010; any description of such notes in this Proxy Statement is qualified in its entirety by reference to the such 8-K and the exhibits thereto, which are incorporated by reference herein.

In connection with the transaction described in the preceding paragraph, the Company entered into a registration rights and stockholders' agreement (the "Stockholders' Agreement") with Nathan Milikowsky, Daniel Milikowsky, RNM Foundation, DSM Foundation, NMDM Investments LLC, Rebecca Milikowsky, Brina Milikowsky, Shira Milikowsky, DM Family Holdings, LLC and Seadrift Coke LLC (collectively, the "Milikowsky Holders"). The Stockholders' Agreement gives certain members of Save GrafTech the right to designate a nominee to serve on the Board. The Stockholders' Agreement also includes a standstill provision (the "Standstill Provision"), which states that it prohibits the Milikowsky Holders from (x) contracting to purchase, sell, borrow, lend, pledge or otherwise acquire or transfer, directly or indirectly, any securities of the Company and (y) entering into any economic or voting derivative, swap or other contract that transfers any of the voting rights or economic consequences of ownership of any securities of the Company or the value of which is derived from the value of any securities of the Company. The Stockholders' Agreement is described below in the section entitled "Summary of the Stockholders' Agreement" and the foregoing description of the Stockholders' Agreement is qualified in its entirety by reference to such Form 8-K and the exhibits

thereto, which are incorporated by reference herein. Pursuant to the Stockholders' Agreement, Mr. Nathan Milikowsky was appointed to serve as a director of the Company.

On September 12, 2012, Mr. Lindon Robertson, then the chief financial officer of the Company, wrote a letter to the Company's lead director and counsel purporting to indicate his concern regarding possible unauthorized communication of information to an investor of the Company as well as potential trading by that investor. Thereafter, the Board established a special committee to investigate those allegations. The special committee requested documents and sought interviews in connection with the investigation. Mr. Nathan Milikowsky voluntarily produced documents in response to the request and also informed the Company that he was willing to be interviewed, although

²The shares of Common Stock owned by Save GrafTech as of such date only include the shares of Common Stock beneficially owned by Nathan Milikowsky, Daniel Milikowsky and Daniel Milikowsky Family Holdings, LLC.

16

that interview ultimately did not occur. On March 20, 2013, the Board approved a slate of nominees for selection as directors that did not include Mr. Nathan Milikowsky and later stated they would not approve nominees proposed to the Board by Save GrafTech.

Beginning in November 2013, Mr. Nathan Milikowsky and his legal counsel and the general counsel to the Company exchanged certain letters. The letters from the Company stated that the Milikowsky Holders were not entitled to designate a nominee to the Board because the Company's Nominating and Governance Committee and Board had decided that Mr. Nathan Milikowsky did not meet qualifications set forth in the Company's Corporate Governance Guidelines and Nominating and Governance Committee Charter and because the Company's Nominating and Governance Committee and Board had decided that the Milikowsky Holders had breached certain provisions of the Stockholders' Agreement, specifically the Standstill Provision and confidentiality provisions. Mr. Nathan Milikowsky and his counsel responded to the Company by stating that the decisions of the Company's Nominating and Governance Committee and Board were entirely unsupported and that it was the Company that was in breach of the Stockholders' Agreement by refusing to allow Mr. Nathan Milikowsky to sit as a Board member. Mr. Nathan Milikowsky and his counsel further responded to the Company that, in light of the Company's breach, the Milikowsky Holders were no longer subject to the Standstill Provision.

On January 15, 2014, Mr. Nathan Milikowsky and his counsel requested, pursuant to the Company Bylaws, a copy of the Company's 2014 written questionnaire with respect to the qualifications and backgrounds of potential nominees to the Board. The Company provided the questionnaire while reserving its rights under the Stockholder's Agreement.

On January 21, 2014, the Company announced that its president and chief executive officer, Craig Shular, was retiring as president and chief executive officer, effective immediately, and that Craig Shular was remaining as Executive Chairman of the Board until December 31, 2014.

On January 23, 2014, in accordance with the procedures set forth in the Company's Bylaws, Mr. Nathan Milikowsky delivered a notice of nomination to the Company nominating five individuals for election as directors at the 2014 Annual Meeting: Messrs. Nathan Milikowsky, David R. Jardini, Carroll R. Wetzell, Jr., Frank A. Riddick III and Ms. Karen Finerman. Mr. Nathan Milikowsky's notice of nomination also proposed a resolution that, as of the effectiveness of the resolution, any provision in the Company's Bylaws that was not included in the Bylaws as of September 30, 2012, and that is inconsistent with, or disadvantageous to, Mr. Nathan Milikowsky, as the nominating stockholder, or to the election of the Nominees, be repealed. Mr. Nathan Milikowsky submitted the notice of nomination to the Company because he believes that the Company can and should do significantly more to improve its business performance and generate value for all stockholders.

On March 3, 2014, Mr. Nathan Milikowsky's counsel, Kirkland & Ellis LLP, on Mr. Nathan Milikowsky's behalf, wrote a letter to the Company requesting that the Company allow Stockholders to vote for the Nominees without disenfranchising the Stockholders with respect to other nominees proposed by the Company's existing board of directors or other stockholders, as applicable, by using a universal proxy in connection with the 2014 Annual Meeting. On April 14, 2014, the Company delivered a letter confirming that the Company will not utilize a universal proxy in connection with the 2014 Annual Meeting.

Beginning on March 16, 2014, Mr. Nathan Milikowsky engaged in a series of discussions and exchanged a series of letters with the CEO of the Company regarding a potential settlement that would avoid a contested election at the 2014 Annual Meeting. These letters have been filed as an exhibit to the Schedule 13D filed with the Securities and Exchange Commission on March 25, 2014.

At a meeting with Mr. Nathan Milikowsky on March 16, 2014, the Company's chief executive officer presented a settlement proposal to Mr. Nathan Milikowsky in which the Company would agree to add only Karen Finerman and David Jardini to the Board and in which the Company asked Mr. Nathan Milikowsky to agree to a standstill through the Company's 2016 annual meeting.

On March 18, 2014, Mr. Nathan Milikowsky responded to this settlement offer with a compromise under which (i) five incumbent directors would continue on the Board, (ii) four of the Nominees, including Mr. Nathan Milikowsky, the Company's largest non-institutional Stockholder, would join the Board, (iii) chairman Craig Shular and lead

director Mary Cranston would leave the Board, (iv) the newly constituted Board would elect a new chairman, and (v) Save GrafTech would support the agreed slate at the 2014 Annual Meeting.

On March 19, 2014, the Company's chief executive officer presented a counterproposal to Mr. Milikowsky under which (i) Nominees David Jardini and Karen Finerman would join the Board, (ii) two independent nominees selected by the Company's Nominating and Governance committee would be added to the Board, (iii) the Board size would increase to eleven (11) directors, and (iv) Save GrafTech would agree to a standstill through the Company's 2016 annual meeting.

On March 21, 2014, Mr. Nathan Milikowsky informed the Company that its counterproposal was unacceptable, but that he remains open to further good-faith negotiations towards reaching a resolution.

Copies of correspondence beginning on March 16, 2014 are available as exhibits to the Schedule 13D filed with the Securities and Exchange Commission on March 25, 2014 and any such description of the letters are qualified in their entirety by reference to such Schedule 13D and the exhibits thereto, which are incorporated by reference herein.

On March 27, 2014, Mr. Matthew Solum of Kirkland and Ellis LLP, counsel to Mr. Nathan Milikowsky, sent a letter, on behalf of Mr. Nathan Milikowsky, to Mr. Joel Hawthorne, President and CEO of the Issuer, requesting that the Reporting Person be given access to, and copies of, certain information and documents regarding the Company pursuant to Section 220 of the Delaware General Corporation Law and other applicable law, which letter is available as an exhibit to the Schedule 13D filed with the Securities and Exchange Commission on March 27, 2014 and any such description of the letter is qualified in its entirety by reference to such Schedule 13D and the exhibits thereto, which are incorporated by reference herein.

On April 11, 2014, Save GrafTech proposed a settlement offer for minority representation on a newly reconstituted 10-member Board, including: (i) three Save GrafTech nominees (Mr. David Jardini, Ms. Karen Finerman and Mr. Nathan Milikowsky), (ii) one director to be mutually agreed on by Save GrafTech and the Company, (iii) two Company nominees (Mr. Tom Danjczek and Ms. Catherine Morris) and (iv) four incumbent directors (Mr. Randy Carson, Mr. Joel Hawthorne, Ms. Ferrell McClean and Mr. Steven Shawley). Such proposal also provided a solution to address any concerns the Company might have about Mr. Nathan Milikowsky's suitability to rejoin the Board. Under the Save GrafTech proposal, the Board would promptly retain an independent law firm to review the undisclosed findings of its prior investigation. That independent firm would determine whether Mr. Nathan Milikowsky meets the Company's standards for membership on the Board. Should the law firm conclude that Mr. Nathan Milikowsky does not meet such standards, he would promptly resign from the Board.

Later on April 11, 2014, the Company presented a counterproposal to Mr. Milikowsky under which (i) two Save GrafTech nominees (Mr. David Jardini and Ms. Karen Finerman) would join the Board, (ii) two Company nominees (Mr. Tom Danjczek and Ms. Catherine Morris), would join the Board, (iii) five incumbent directors (Ms. Mary Cranston, Mr. Randy Carson, Mr. Joel Hawthorne, Ms. Ferrell McClean and Mr. Steven Shawley), would remain on

the Board and (iv) Mr. Milikowsky would join the Board after first completing an elaborate and burdensome litigation-like exercise. If Mr. Nathan Milikowsky is not added to the Board after the proceeding, one director mutually agreed on by Save GrafTech and the Company would be added.

SUMMARY OF THE STOCKHOLDERS' AGREEMENT

The Stockholders' Agreement contains lock-up and standstill provisions, transfer restrictions, director nomination rights and registration rights with respect to the shares of Common Stock issued to the equity holders of Seadrift and C/G.

18

Lock-up and Standstill Provisions

Under the Stockholder's Agreement, each of the Milikowsky Holders agreed to certain lock-up restrictions including sale and transfer restrictions as described above, for two (2) years following November 30, 2010 and thereafter until six (6) months after the later of (i) the termination of the Milikowsky Holders' right to nominate an individual for election as a director of the Company (see, "Board Nomination Rights," below) and (ii) the date on which any such nominated director ceases to be a member of the Board.

The foregoing lock-up also terminates upon certain enumerated events, including a change in control and the Company's failure to comply in any material respect with the Board Nomination Rights.

Each of the Milikowsky Holders also agreed to certain standstill restrictions for a period of two (2) years following November 30, 2010 and thereafter until six (6) months after the later of (i) the termination of the Milikowsky Holders' right to nominate an individual for election as a director of the Company and (ii) the date on which any such nominated director ceases to be a member of the Board.

Under the agreement's terms, the standstill restrictions terminate upon (i) a change in control; (ii) bankruptcy of the Company or any of its significant subsidiaries; (iii) the Company's failure to comply in any material respect with the board nomination rights; or (iv) the delisting of the Company's common stock from the New York Stock Exchange (other than in connection with relisting on another national or international exchange).

As described above, we believe the standstill and lock-up restrictions are no longer in effect.

Board Nomination Rights

Following the acquisitions of Seadrift and C/G, and pursuant to the Stockholders' Agreement, the Company agreed to (i) increase the size of the Board by one and elect a representative of the Milikowsky Holders (and their related parties and affiliates) to the Board and (ii) nominate such representative for re-election in subsequent years, provided the Milikowsky Holders (and their related parties and affiliates) continue to hold in the aggregate at least twelve million shares of Common Stock (as adjusted for any stock split, stock dividend, combination, or other recapitalization or reclassification transactions). If the initial representative (or a then prior designee) ceases to be a member of the Board and at least three years have passed since the initial representative (or a then prior designee) was elected to the Board or, if prior to such three year period, such initial representative (or prior designee) ceases to serve due to death, disability or mandatory retirement, as long as the Milikowsky Holders (and their related parties and affiliates) have continuously held in the aggregate at least twelve million shares of Common Stock (as adjusted for any stock split, stock dividend, combination, or other recapitalization or reclassification transactions) the Milikowsky Holders (and their related parties and affiliates) may designate a different representative to be nominated to the Board provided, that

such replacement representative is reasonably acceptable to the Board. The representative of the Milikowsky Holders (and their related parties and affiliates) must meet the requirements of an “independent director” under the listing rules of the New York Stock Exchange and must otherwise satisfy the requirements of the Company’s corporate policies relating to directors. Mr. Nathan Milikowsky was elected to the Board as the initial representative of the Milikowsky Holders. The Company’s obligations with respect to the board nomination rights terminate upon the consummation of a change in control (except that the percentage thresholds in the first two bullets of the definition of change in control shall be 67% (and not 35%)).

The Stockholders’ Agreement is publicly available and is filed as Exhibit 10.2.0 to the Company’s Form 8-K filed with the Securities and Exchange Commission on November 30, 2010; the foregoing description of the Stockholders’ Agreement is qualified in its entirety by reference to such Form 8-K and the exhibits thereto, which are incorporated by reference herein.

PROPOSAL NO. 1: ELECTION OF DIRECTORS

We propose that the Stockholders elect Nathan Milikowsky, Karen Finerman and David R. Jardini as directors of the Company at the 2014 Annual Meeting. The Board is currently composed of seven directors whose

terms expire at the 2014 Annual Meeting. If our three Nominees are elected to the Board, they will replace three of the incumbent directors.

The Nominees, if elected at the 2014 Annual Meeting, would hold office until the 2015 Annual Meeting of Stockholders or until their respective successors have been duly elected and qualified. Each of the Nominees has consented to being named as a Nominee in this Proxy Statement and, if elected, to serving as a director of the Company.

According to the Company's proxy statement, the Board intends to nominate seven candidates for election as directors at the 2014 Annual Meeting. This Proxy Statement is soliciting proxies to elect Nathan Milikowsky, Karen Finerman and David R. Jardini, and to grant authority to vote for the Company's nominees other than Mary B. Cranston, Steven R. Shawley and Ferrell P. McClean. Therefore, should a Stockholder so authorize us, we will cast votes for our three Nominees and four of the Company's nominees (other than Mary B. Cranston, Steven R. Shawley and Ferrell P. McClean). None of the Company's nominees for whom we seek authority to vote have agreed to serve with any of our Nominees, if elected.

The corporate governance guidelines of the Company, which are available on the Company's website at <http://www.graftech.com/getdoc/6b8a3b4d-967c-4bdd-ab04-ea0011de0c91/graftech-international-ltd-corp-gov-guide.aspx>, provide that determinations of independence shall be made in accordance with the criteria for independence required by the NYSE. Based on the information furnished by the Nominees, Save GrafTech believes each of the Nominees is independent under such standards and Save GrafTech has no knowledge of any facts that would prevent the determination that each of the Nominees is independent under such standards.

In addition, each of the Nominees understands that, if elected as a director of the Company, each Nominee would have an obligation to act in the best interests of the Company and the Stockholders in accordance with his or her duties as a director.

We are not seeking control of the Board at the 2014 Annual Meeting. If elected, the Nominees will be a minority of the directors and will not alone be able to adopt resolutions or otherwise cause the Board to act. However, the Nominees expect to be able to actively engage other Board members in full discussion of the issues facing the Company and resolve them together. By utilizing their respective experiences and working constructively with Board members, the Nominees believe they can effect positive change at the Company.

To the extent that the Company proposes to put up for election more than seven nominees at the 2014 Annual Meeting, Save GrafTech reserves the right to nominate an equal number of additional persons (the first two such additional nominees would be Mr. Frank A. Riddick III and Mr. Carroll R. Wetzel, Jr. who have each been previously nominated and disclosed in prior Proxy Statements), which Save GrafTech believes would be an available remedy under Delaware law in response to any attempt by the Company to interfere with the voting rights of the Stockholders. Additional nominations made pursuant to the foregoing are without prejudice to the position of Save GrafTech that

any attempt to change the size of the Board or disqualify any of the Nominees through Bylaw amendments or otherwise would constitute unlawful manipulation of the Company's corporate machinery. Save GrafTech reserves the right to challenge any action by the Company that has, or if consummated would have, the effect of disqualifying any Nominee.

Although Save GrafTech is only nominating the three Nominees identified in the Proxy Statement, we are seeking authority to, and intend to, vote in the aggregate for seven directors, which is the number of director positions subject to election at the 2014 Annual Meeting. In addition to our three Nominees, we intend to vote "**FOR**" all of the Company's nominees other than Mary B. Cranston, Steven R. Shawley and Ferrell P. McClean, for whom we are not seeking authority to vote for and will not exercise any such authority. There is no assurance that any of the candidates who have been nominated by the Company will serve as directors if our Nominees are elected.

In the event that Save GrafTech substitutes a nominee (who would either be Mr. Frank A. Riddick or Mr. Carroll R. Wetzell, Jr. whose qualifications are described in prior versions of this Proxy Statement filed with the Securities and Exchange Commission) or proposes an additional nominee, Save GrafTech will file and deliver supplemental proxy materials, including a revised proxy card, disclosing the information relating to any such substitute nominee or additional nominee that is required to be disclosed in solicitations for proxies for election of

directors pursuant to Section 14 of the Exchange Act. Only in such case will the shares of Common Stock represented by the enclosed **BLUE** proxy card be voted for substitute nominees or additional nominees.

Information Regarding the Nominees

Information pertaining to the Nominees, including the name, age, present principal occupation, business address and business experience for the past ten years and certain other information, is set forth in the question and answer section of this Proxy Statement under the section entitled “Who are the Nominees?”, which we urge you to read. This information has been furnished to Save GrafTech by the Nominees. Other than as disclosed in this Proxy Statement, there is no arrangement or understanding between any of the Nominees and any other person(s) pursuant to which any such Nominee was or is to be selected as a director or nominee of the Company.

You should refer to the Company’s proxy statement for the names, background, qualifications and other information concerning the Company’s nominees.

Arrangements between Save GrafTech and the Nominees

In consideration of the substantial time and effort that the nomination and election process will require of each Nominee, Nathan Milikowsky and NM GTI, on the one hand, and each Nominee on the other, have entered into an agreement, substantially in the form attached hereto as *Annex B* (the “Prospective Nominee Agreements”). Pursuant to these agreements, Nathan Milikowsky and NM GTI will:

- (i) Subject to limited exceptions and to the extent permitted by applicable law, indemnify and hold each Nominee harmless from and against all losses, claims, damages, liabilities and expenses (including, without limitation, attorneys’ fees) incurred by such Nominee in connection with the nomination and election process, including such person’s participation in the proxy solicitation described in this Proxy Statement;
- (ii) Reimburse each Nominee for reasonable out of pocket expenses arising from or in connection with the nomination and election process, including such person’s participation in the proxy solicitation described in this Proxy Statement; and
- (iii) Provide each Nominee with a one-time payment as consideration for the substantial time and effort required of them as a Nominee.

The above description of the terms and conditions of the Prospective Nominee Agreements is qualified in its entirety by reference to the form of Prospective Nominee Agreement, which is attached as *Annex B* to this Proxy Statement and incorporated herein by reference. We urge you to read the full form of the Prospective Nominee Agreement, which includes the detailed terms, conditions and definitions applicable to the arrangements described above.

The Nominees plan to improve the Company

Save GrafTech and its nominees have identified a concrete and specific plan to address the Company's underperformance. As part of this plan, Save GrafTech has identified eight areas of change that Save GrafTech believes will help the Company turnaround lagging performance under the current Board and management: (1) increasing market share by redefining the Company's commercial strategy to recognize the commodity nature of high-quality electrodes, including by negotiating prices with customers in a manner to regain market share, (2) reducing excess inventory and enforcing a "lean-manufacturing" process, (3) reducing selling, general, and administrative expenses including by flattening the management structure between the CEO and the plant floor, (4) ensuring that Seadrift is consistently run at full capacity so that the Company can utilize all of Seadrift's needle coke in its graphite electrode production, (5) expanding Seadrift beyond its current capacity by installing key machinery, (6) streamlining organizational structure by implementing organizational principles that are modeled after the organizational structure of minimill steel producers including (i) a single-minded focus on premier product quality, (ii) a flat organizational structure emphasizing decentralized authority and initiative, (iii) a concentration on efficiency and productivity, (iv) transparent, effective communication and leadership between senior management and those closest to customers and production, and (v) a focus on customer relationships, (7) analyzing the synergies between

the industrial materials and engineered solutions businesses and evaluating all opportunities available to engineered solutions, and (8) improving corporate governance practices by creating a separation of the chairman and CEO positions, seeking to install shareholders' ability to act by written consent and enacting a majority voting policy whereby directors receiving less than a majority of votes cast at the annual meeting in an uncontested election are required to tender their resignation. Further details on this plan are available at <http://www.savegraftech.com> and the presentation filed on Schedule 14A as soliciting material under Rule 14a-12 of the Exchange Act with the Securities and Exchange Commission on April 1, 2014.

Compensation of the Company's Directors

If elected to the Board, except as set forth above or in *Annex B*, the Nominees will not receive any compensation from Save GrafTech to serve as nominees for election and, if elected, as a director of the Company.

They will, however, receive whatever compensation the Board has established for non-employee directors of the Company unless and until the Board determines to change such compensation. The following discussion summarizes the Company's compensation and indemnification of directors based solely on the Company's Proxy Statement filed on April 15, 2014.

According to the Company's 2014 Proxy Statement filed March 21, 2014, in 2013 each non-employee director received compensation for rendering services as a director of the Company. In 2013, Randy W. Carson received \$69,350 in cash fees and \$80,000 in awards of the Company's Common Stock, for a total of \$149,350 in compensation. As of December 31, 2013 Mr. Carson's outstanding stock awards consisted of 43,672 shares and 5,000 option awards. In 2013, Mary B. Cranston received \$92,500 in cash fees and \$80,000 in awards of the Company's Common Stock, for a total of \$172,500 in compensation. The Company maintains, at its expense, a policy of insurance which insures its directors and officers. The Bylaws contain provisions that provide for indemnification of directors, to the fullest extent permitted by law. The Company's Amended and Restated Certificate of Incorporation contains provisions eliminating the personal liability of a director to the Company or its Stockholders for monetary damages for breach of fiduciary duty as a director, subject to certain

exceptions.

None of the Nominees, or any associate of any Nominee, has received any cash compensation, cash bonuses, deferred compensation, compensation pursuant to plans or other compensation, from, or in respect of, services rendered on behalf of the Company, that is required to be disclosed pursuant to Item 402 of Regulation S-K promulgated under the Securities Act of 1933, as amended ("Regulation S-K") or is otherwise subject to any arrangement described in Item 402 of Regulation S-K.

Other than Mr. Milikowsky and Mr. Jardini, none of the Nominees has held any position or office with the Company and no occupation or employment with which the Nominees have been involved during the past five years was carried on with the Company or any corporation or organization that is a parent, subsidiary or other affiliate of the Company. Mr. Milikowsky and Mr. Jardini were executives of C/G and Mr. Milikowsky was an executive of Seadrift, each of which was acquired by the Company in 2010. Mr. Milikowsky served on the Board from 2010 to 2013.

Interests of the Nominees

We expect that each of the Nominees, if elected, will be (i) entitled to receive compensation customarily paid by the Company to its non-employee directors; (ii) indemnified for service as a director of the Company to the same extent indemnification is provided to the current directors of the Company; and (iii) covered by the Company's director and officer liability insurance.

The Nominees may be deemed to have an interest in their nominations for election to the Board by virtue of compensation the Nominees will receive from the Company as a director, if elected to the Board, and as described elsewhere in this Proxy Statement.

Information as to any substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted upon at the 2014 Annual Meeting with respect to the Nominees is set forth herein. PROPOSAL NO. 5: SAVE GRAFTECH'S PROPOSAL TO ADOPT A RESOLUTION TO REPEAL CERTAIN PROVISIONS OF OR AMENDMENTS TO THE BYLAWS

Save GrafTech has proposed, pursuant to Article I, Section 8(a) of the Bylaws, to repeal any provision of or amendment to the Bylaws that was adopted between September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws) and the effective date of the resolution (which is the date of the 2014 Annual Meeting) that is inconsistent with or disadvantageous to Nathan Milikowsky, as the nominating stockholder, or to the election of the Nominees. Save GrafTech is not aware of any such provision of the Bylaws that has become effective, but it is possible that, prior to the adoption of this resolution, such a proposal could be disclosed and/or become effective.

The following are certain examples of possible bylaw changes that would adversely affect Nathan Milikowsky: (1) a bylaw that provided that no director could serve after his 65th birthday (Mr. Milikowsky is 72); (2) a bylaw that provided that no person could serve as a director if he were a creditor owed more than \$25 million (Mr. Milikowsky (together with his affiliates) holds \$55 million in debt (as described above in the sections titled Background of the Solicitation and Interests of the Nominees)); (3) a bylaw that prohibited any person who had ever served as a director and who had not been renominated from serving unless he is approved by the Nominating and Governance Committee.

Through this proposal, Save GrafTech is only seeking a one-time repeal of such new or amended bylaws that go into effect, or are proposed, between and including September 30, 2012 and the effective date of the resolution, which is day of the 2014 Annual Meeting, which is scheduled for May 15, 2014. No provisions of or amendment to the Bylaws made or proposed after the date of the 2014 Annual Meeting will be repealed by the passage of this resolution.

This Proposal No. 5 is separate from Proposal No. 1 and is not conditioned on the election of some or all of the Nominees.

Pursuant to Article X of the Bylaws, the Bylaws may be amended or repealed only as provided in the Company's Amended and Restated Certificate of Incorporation. According to Article Ninth of the Company's Amended and Restated Certificate of Incorporation, all or any part of the Bylaws may be amended by the Stockholders upon (but only upon) the affirmative vote of holders of at least 67% of the voting power of all shares of capital stock of the Company then outstanding entitled to vote generally for the election of directors.

Save GrafTech believes that it is in the best interests of the Company and its Stockholders that the Bylaws not be further amended after September 30, 2012 (which is the date of the last publicly disclosed amendment to the Bylaws as of the date of this Proxy Statement) and prior to or on the date of the 2014 Annual Meeting that is inconsistent with or disadvantageous to Nathan Milikowsky, as the nominating stockholder, or to the election of the Nominees. Because the Board has the ability to make amendments to the Bylaws without obtaining stockholder approval and some or all of those amendments may not be in the best interests of the stockholders, Proposal No. 5 seeks to adopt a resolution to repeal all provisions of the Bylaws, if any, adopted between September 30, 2012 and the date of the 2014 Annual Meeting, that impede the nomination of the Nominees, negatively impact the ability of Save GrafTech (or any of their representatives) to solicit and/or obtain proxies from the Company's Stockholders, undermine the will of the Company's Stockholders expressed in those proxies or modify the Company's corporate governance regime in such a manner that is inconsistent with or disadvantageous to Nathan Milikowsky, as the nominating stockholder, or to the election of the Nominees.

To the extent that Stockholders support a provision or amendment to the Bylaws unilaterally approved by the Board and that is repealed as a result of this resolution, adoption of this resolution would countermine the will of such Stockholders.

Proposal No. 5 provides for the adoption of the resolution in the following form:

RESOLVED, that any provision of the Bylaws of GrafTech International Ltd. (the "Company") as of the date of effectiveness of this resolution that was not included in the Bylaws as amended effective September 30, 2012 (as publicly filed with the Securities and Exchange Commission on October 4, 2012), and is inconsistent with or disadvantageous to Nathan Milikowsky or to the election of the Nominees proposed by Nathan Milikowsky at the Company's 2014 annual meeting of stockholders, be and hereby is repealed.

WE STRONGLY URGE YOU TO VOTE “FOR” AND USE THE BLUE PROXY CARD TO AUTHORIZE A PROXY TO VOTE “FOR” THE RESOLUTION TO REPEAL ANY PROVISION OF OR AMENDMENT TO THE BYLAWS THAT IS INCONSISTENT WITH OR DISADVANTAGEOUS TO NATHAN MILIKOWSKY, AS THE NOMINATING STOCKHOLDER, OR TO THE ELECTION OF THE NOMINEES.

NO APPRAISAL OR DISSENTER’S RIGHTS

Stockholders will not have rights of appraisal or similar dissenter’s rights with respect to any matters identified in this Proxy Statement to be acted upon at the 2014 Annual Meeting.

SOLICITATION OF PROXIES

Proxy Statement, receive additional compensation for such solicitation. The Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as nominees.

We have retained D.F. King & Co., Inc. for solicitation and advisory services in connection with solicitations relating to the 2014 Annual Meeting. D.F. King & Co., Inc. will receive a customary retainer and reimbursement of certain fees and expenses incurred in connection with the proxy solicitation for its services to Save GrafTech in connection with the solicitation. Save GrafTech has agreed to indemnify D.F. King & Co., Inc., in its capacity as solicitation agent, against certain liabilities, losses, damages and expenses arising out of or relating to the rendering of such services by D.F. King & Co., Inc. or related services requested by the Noticing Stockholder. Arrangements will also be made with custodians, nominees and fiduciaries for forwarding proxy solicitation materials to beneficial owners of Common Stock held as of the Record Date. Save GrafTech will reimburse such custodians, nominees and fiduciaries for reasonable expenses incurred in connection therewith. In addition, directors, officers, members and certain other employees of Save GrafTech and its affiliates may solicit proxies as part of their duties in the normal course of their employment without any additional compensation.

The entire expense of soliciting proxies for the 2014 Annual Meeting by Save GrafTech or on Save GrafTech's behalf is being borne by Save GrafTech, provided that Save GrafTech intends to seek reimbursement for such expenses if all (or some) of the Nominees are elected as directors.

Annex B

FORM OF PROSPECTIVE NOMINEE AGREEMENT

NATHAN MILIKOWSKY

822 Boylston Street, Suite 106

Chestnut Hill, MA 02467

[], 2014

Dear Prospective Nominee:

This letter agreement confirms our understanding regarding your willingness to serve as a nominee for election as a director of GrafTech International Ltd., a Delaware corporation (the "Company").

You are being considered to become a member of a slate of nominees (the "Slate") of Nathan Milikowsky, a stockholder of the Company (the "Nominating Party", together with NM GTI Investments LLC, the "Indemnitors") and/or the Nominating stockholder's affiliates and to stand for election as a director of the Company in connection with the solicitation of proxies from the Company's stockholders that may be conducted by the Nominating Party or any of his affiliates (the "Proxy Solicitation") in respect of the next annual meeting of stockholders of the Company (including any adjournment or postponement thereof, or any special meeting of stockholders of the Company in lieu thereof that includes the election of directors, the "Annual Meeting"). You agree that, should we so elect, you will serve as a member of the Slate and, if elected, as a director of the Company.

Should the Nominating Party select you to become a member of the Slate and in consideration of your agreement to become a member of the Slate the Nominating Party will pay you the sum of \$25,000. In addition, the Nominating Party agrees to reimburse you, as promptly as reasonably practicable upon your written request, for your reasonable and documented out-of-pocket travel and related expenses incurred by you in connection with your service as a member of the Slate. You agree that, if elected to serve as a director of the Company, you will not be entitled to and will not seek compensation or indemnification for acting in such capacity from the Indemnitors pursuant to this letter agreement.

You understand that it may be difficult to replace a nominee who has agreed to serve as a member of the Slate and, if elected, as a director of the Company if such nominee later changes his or her mind and determines not to serve on the Slate or, if elected, as a director of the Company. Accordingly, following your selection by the Nominating Party as a member of the Slate, the Nominating Party will be relying upon your agreement to serve on the Slate and, if elected, as a director of the Company.

You have been, or will be, supplied with (i) a questionnaire required to complete the disclosures contemplated by Article I, Section 8(b) of the Amended and Restated By-Laws of the Company (as amended as of September 30, 2012, the "Company By-Laws"), (ii) a letter agreement providing for the written representations and consents contemplated by Article I, Section 8(b) of the Company By-Laws and (iii) a questionnaire substantially in the form required to be completed pursuant to Section 8(b)(vi)(F) of the By-Laws (the documents referred to in clauses (i)- (iii) above, as may be amended or supplemented from time to time, together with such other documents as may reasonably be requested by the Nominating Party from time to time, collectively, the "Nomination Documents"). You agree that (i) you will promptly complete and, if applicable, sign each Nomination Document and return it to the Nominating Party's legal advisers, (ii) your responses in each Nomination Document will be true, complete and correct in all material respects and (iii) you will promptly (and in any event, within two (2) business days of any such information becoming untrue, incomplete or incorrect in any material respect) notify the Nominating Party if any such information becomes untrue, incomplete or incorrect in any material respect prior to the conclusion of the Proxy Solicitation or such earlier time as you are no longer a member of the Slate. We may forward any Nomination Document(s) (or summaries thereof) to the Company, and at any time, in our discretion, disclose in connection with the Proxy Solicitation or any transaction involving the Company proposed by the Nominating Party such information, as well as the existence and contents of this letter agreement.

B-1

The Indemnitors agree that the Indemnitors will, jointly and severally, defend, indemnify and hold you harmless from and against any and all losses, claims, damages, penalties, judgments, awards, liabilities, costs, expenses and disbursements (including, without limitation, the reasonable and documented fees and disbursements of attorneys) (“Losses”) incurred by you in the event that (i) you become a party, or are threatened to be made a party, to any civil, criminal, administrative or arbitration action, suit or proceeding, and any appeal thereof (a “Proceeding”), in each case with respect to Losses based on, arising out of or resulting from (a) being a party to this letter agreement, (b) your role as a member of the Slate, (c) being a “participant in a solicitation” (as defined in the rules and regulations promulgated under the Securities Exchange Act of 1934, as amended) in connection with the Proxy Solicitation, (d) an allegation that you are or may be a member of a “group” (as defined in Section 13(d) of the Securities Exchange Act of 1934, as amended) with the Nominating Party or any of its affiliates in respect of acquiring, disposing or holding securities of the Company as a result of the arrangements contemplated by this letter agreement, (e) any misstatements or omissions in any filings or other public statements by the Nominating Party in connection with the Proxy Solicitation or any transaction involving the Company proposed by the Nominating Party, other than as a result of information provided by you in writing for inclusion in such filing or public statement, or (f) otherwise being involved in the Proxy Solicitation or (ii) you are called to testify or give a deposition in any Proceeding (whether or not you are a party or are threatened to be made a party to such Proceeding) as a result of the arrangements contemplated by this letter agreement or otherwise relating to the Proxy Solicitation or any transaction involving the Company proposed by the Nominating Party in connection with the Proxy Solicitation. Your right to indemnification shall include the right to be advanced by the Indemnitors any fees and expenses incurred in connection with any event or occurrence relating to or directly arising from the Proxy Solicitation or related matters as soon as practicable after such expenses are incurred by Indemnitee any in any event within 30 days after receipt by the Indemnitors of a statement or statements from you documenting such expenses in reasonable detail and requesting such advances from time to time; provided, however, that all amounts advanced in respect of such fees and expenses shall be promptly repaid if it shall ultimately be determined in a final judgment that you are not entitled to be indemnified for such expenses. Anything to the contrary herein notwithstanding, your right of indemnification and advancement of expenses hereunder shall continue (1) in the event that you do not become a member of the Slate or the Nominating Party determines to withdraw the Slate or remove you from the Slate and (2) after the Annual Meeting has taken place or after the conclusion of the Proxy Solicitation for any other reason, but in any event only for actions, omissions or events that occur after the date hereof and prior to the Annual Meeting or the conclusion of the Proxy Solicitation or such earlier time as you cease to be a candidate for a member of the Slate or a member of the Slate. Anything to the contrary herein notwithstanding, the Indemnitors will not indemnify you or advance payment of expenses to you for any actions taken or omissions by you as a director of the Company, if elected. Nothing herein shall be construed to provide you with indemnification or a right to receive advance payment of expenses with respect to Losses arising out of or resulting from (x) any action or omission by you that is found by a court of competent jurisdiction to constitute a violation of any law by you, acting other than at the direction of the Nominating Party, (y) any action or omission by you that is found by a court of competent jurisdiction to constitute gross negligence, willful misconduct or fraud, acting other than at the direction of the Nominating Party, or (z) false or misleading information provided by you or omissions of any material information by you in any Nomination Document or otherwise in connection with the Proxy Solicitation.

In the event any such Proceeding is brought, the Nominating Party shall have the right to assume the defense thereof and shall not be liable to you for any legal expenses of other counsel or any other expenses subsequently incurred by you in connection with the defense thereof, except that if your legal counsel advises you that there are actual conflicts of interest between you and the Nominating Party, or that you may have defenses not available to the Nominating Party, you may retain separate legal counsel reasonably satisfactory to the Nominating Party, and the Nominating Party shall pay all reasonable and documented fees and disbursements of such legal counsel promptly as statements therefor are received; provided, however, that the Nominating Party shall be obligated to pay for only one legal counsel for all members of the Slate in any jurisdiction. You shall have the right to employ a separate counsel, at your own cost, when the Nominating Party is controlling the defense.

You shall promptly notify the Nominating Party in writing in the event any third-party Proceeding is actually initiated against you or known by you to be threatened in connection with the matters contemplated by this agreement. The Indemnitors shall not be responsible for any settlement of any Proceeding against you covered by this letter agreement without the prior written consent of the Nominating Party (such consent not to be unreasonably withheld, conditioned or delayed). However, the Nominating Party may not enter into any settlement of any such Proceeding without your consent (not to be unreasonably withheld, conditioned or delayed) unless such settlement includes a release of you from any and all liability in respect of such Proceeding.

B-2

Each of us recognizes that should you be elected as a director of the Company, all of your activities and decisions as a director will be governed by applicable law and subject to your fiduciary duties, as applicable, to the Company and to its stockholders and, as a result, that there is, and can be, no agreement between you and the Nominating Party that governs the decisions which you will make as a director of the Company. In addition, you hereby acknowledge that you have not and, so long as you are a member of the Slate, you agree not to, become a party to any agreement, arrangement or understanding with, or giving your commitment or assurance to, the Nominating Party or any other person or entity (i) as to how you, if elected as a director of the Company, will or will not propose, act or vote on any issue or question or (ii) that could limit or interfere with your ability to comply, if elected as a director of the Company, with your fiduciary duties under applicable law.

In connection with your nomination, you may come into possession, whether before or after the date hereof and regardless of the manner in which it is furnished, of certain non-public, confidential or proprietary information, whether oral or written, regarding the Nominating Party and/or the Company and their respective affiliates (including all observations, analyses, compilations, studies, notes, interpretations or other documents and writings prepared by you and/or your representatives which contain, reflect or are otherwise based upon, in whole or in part, such information, collectively, “Confidential Information”; provided, however, that the term “Confidential Information” does not include information which was or becomes generally available on a non-confidential basis and without any breach by you of your confidentiality obligations hereunder). Unless otherwise agreed to by the Nominating Party, you agree (i) not to disclose to any other person the fact that discussions are taking place or have taken place concerning the Proxy Solicitation, your possible or actual service as a member of the Slate and/or any potential tender or exchange offer by the Nominating Party for common stock of the Company, or any of the terms, conditions, strategies, plans, communications or other information with respect thereto (including the status thereof), the fact that Confidential Information has been made available to you, or the existence or the terms and conditions of this letter agreement, the Nomination Documents, or any other agreement that the Nominating Party enters into with you, (ii) to keep all Confidential Information confidential and not to disclose or reveal any Confidential Information to any person other than your representatives who are advising you with respect to your service as a member of the Slate, and to cause such representatives to observe the terms of this paragraph; provided, however, that you may disclose only that portion of the Confidential Information you determine in good faith and after receiving the advice of legal counsel is required to be disclosed by law or governmental regulation or by subpoena or other valid legal process, in which event you shall consult with the Nominating Party as early as possible, to the extent feasible under the circumstances, prior to any such disclosure, regarding the nature, timing, extent and form of such disclosure, and (iii) not to use the Confidential Information for any purpose other than in connection with your service as a member of the Slate.

No failure or delay by the Nominating Party in exercising any right, power or privilege under this letter agreement shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

It is understood and agreed that money damages may not be a sufficient remedy for any breach of this letter agreement by you or any of your representatives and that the Nominating Party would be entitled to seek equitable relief, including without limitation injunction and specific performance (solely with respect to your confidentiality obligations hereunder), as a remedy for any such breach. Such remedies shall not be deemed to be the exclusive remedies for a breach by you or any of your representatives of this letter agreement but shall be in addition to all other remedies available to the Nominating Party at law or in equity.

This letter agreement shall be governed by and construed in accordance with the laws of the State of Delaware applicable to agreements made and to be performed entirely within the State of Delaware, without regard to the conflicts of law principles thereof. Each party hereby irrevocably and unconditionally consents to the exclusive jurisdiction of the federal and state courts in the State of Delaware for any Proceeding arising out of or related hereto, and further agrees that service of any process, summons, notice or document by U.S. mail to their respective addresses set forth in this letter agreement or the Nomination Documents, as applicable, shall be effective service of process for any Proceeding brought against it in any such court. Each party further hereby irrevocably and unconditionally waives any objection to the laying of venue of any Proceeding arising out of or relating to this letter agreement in the federal and state courts of the State of Delaware, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Proceeding brought in any such court has been brought in any inconvenient forum.

B-3

This letter agreement sets forth the entire understanding and agreement of the parties hereto with respect to the matters contained herein, and may be amended, modified or waived only by a separate writing executed by both parties expressly so amending, modifying or waiving this letter agreement.
