PROXY STATEMENT

This proxy statement ("Proxy Statement") and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") for use at the Annual Meeting of Shareholders of Downey Financial Corp., a Delaware corporation ("Downey"), to be held at 10:00 a.m., local time, on Wednesday, April 23, 2003, at the Irvine Marriott Hotel, 18000 Von Karman Avenue, Irvine, California 92612, and any adjournments thereof (the "Annual Meeting"). Certain of the information provided in this Proxy Statement relates to Downey Savings and Loan Association, F.A. and any predecessor entity (the "Bank"), a wholly owned subsidiary of Downey. This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about March 17, 2003. The mailing address of the principal office of Downey is 3501 Jamboree Road, Newport Beach, California 92660. Downey's telephone number is (949) 854-0300.

RECORD DATE AND VOTING OF SHARES

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

On February 28, 2003, the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting, 27,928,722 shares of Downey's common stock ("Common Stock") were outstanding. A majority of the shares entitled to vote will constitute a quorum at the Annual Meeting. The three director nominees receiving the highest number of affirmative votes at the Annual Meeting will be elected. Abstentions and broker non-votes are counted for purposes of determining a quorum, but are not considered as having voted for purposes of determining the outcome of a vote.

VOTING AND REVOCATION OF PROXIES

All shares represented by a properly executed proxy will be voted in accordance with the directions on such proxy. If no directions are specified, such shares will be voted FOR the election of the Board's nominees for directors presented under Proposal 1 and FOR the ratification of KPMG LLP as auditors for the year 2003 presented under Proposal 2. If for any reason one or more of the nominees should be unable or refuse to serve as a director (an event which the Board of Directors does not anticipate), the persons named in the enclosed proxy, in their discretion, will vote for substitute nominees of the Board of Directors unless otherwise instructed. If any other matters are properly presented to the Annual Meeting for action (including any proposal to adjourn the Annual Meeting), the persons named in such proxy and acting thereunder will vote in accordance with their best judgment on such matters.

Any shareholder may revoke his or her proxy at any time before it is voted by filing with the Corporate Secretary of Downey a written instrument revoking it or by filing a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect the right of a shareholder to vote in person if such shareholder should decide to attend the Annual Meeting and desires to vote in person.

SOLICITATION OF PROXIES

Downey will bear the cost of soliciting proxies. Directors and officers of Downey and directors, officers and employees of the Bank may solicit proxies personally, by mail, telephone, telecopier or other electronic transmission. Such directors, officers or employees will receive no compensation for their solicitation services other than their regular salaries, but may be reimbursed for out-of-pocket expenses. Downey will request record holders of shares beneficially owned by others to forward this Proxy Statement and related materials to the beneficial owners of such shares and will reimburse such record holders for their reasonable expenses incurred in doing so.

1

Nominations of individuals for election to the Board of Downey at an annual meeting of shareholders may be made by any shareholder of Downey entitled to vote for the election of directors at such annual meeting who complies with the notice procedures set forth in Downey's Bylaws.

To be timely, a shareholder's notice shall be delivered to or received at

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

Downey's principal executive offices not less than 20 days prior to the meeting; provided, however, that if Downey gives shareholders less than 30 days' notice of the date of the meeting (which notice must be accompanied by a proxy or information statement which identifies the nominees of the Board), notice by the shareholder to be timely must be so received not later than the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed. Such shareholder's notice shall set forth as to each person whom the shareholder proposes to nominate for election or re-election as a director (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, and (iii) such person's written consent to serving as a director, if elected; and as to the shareholder giving the notice (i) the name and address of such shareholder, and (ii) the class and number of shares of Downey which are owned of record by such shareholder. At the request of the Board, any person nominated by the Board for election as a director shall furnish to the Secretary of Downey the information required to be set forth in a shareholder's notice of nomination which pertains to the nominee together with the required written consents. Ballots bearing the names of all persons nominated by the Nominating Committee and by shareholders shall be provided for use at the annual meeting. If the Nominating Committee fails or refuses to act at least 20 days prior to the annual meeting, nominations for directors may be made at the annual meeting by any shareholder entitled to vote and shall be voted upon.

6

No person shall be elected as a director of Downey unless nominated in accordance with the procedures set forth in this section.

Actions taken by any of the foregoing committees are reported to the Board, usually at its next meeting.

During 2002, the Board met 12 times for regular meetings. All directors attended at least 75% of the aggregate meetings held during 2002 by the Board and the committees of the Board on which they serve. Directors meet their responsibilities not only by attending Board and committee meetings, but also through communication with the Chairman, Vice Chairman, President and Chief Executive Officer and other members of management on matters affecting Downey and the Bank.

7

DIRECTOR INDEPENDENCE

Under new listing standards proposed by the NYSE, the Board may be required to consist of a majority of independent directors and certain committees of the Board will be required to consist solely of independent directors. During the fourth quarter of 2002, the Board undertook a review of director independence in light of more stringent standards for independence set forth in the proposed NYSE listing standards. In September 2002 the Board established a new standing committee - the Independent Director Criteria Committee ("IDCC"). Director Hunter is the chairman of the IDCC; Directors Abrahams, Kouri and Yellen were named as the other three members. (Director Yellen retired from the Board in February 2003.) The IDCC met five times (from October 30, 2002 through December 13, 2002), considered the new laws and numerous articles and publications on director independence and considered the commercial, banking, business and familial relationships, among others, between each director and Downey. Independence from management was a primary focus, consistent with the proposed NYSE listing standards. The IDCC also recommended, and the Board approved, the adoption of a categorical standard for director independence of 2% of Downey's capital. Thus, any director who has any type of business relationship with Downey exceeding the 2% of capital threshold (whether loans from Downey or other types of business), either directly or through a company in which that director

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

is materially involved, is deemed not independent.

In determining the 2% of capital threshold, the IDCC considered the NASDAQ independence criteria, which includes a per se finding of non-independence as to any director who is a partner, controlling shareholder or executive officer of a company which made or received payments that exceed 5% of the company's annual gross revenues or \$200,000, whichever is more, in the current year or any of the past three years. The 2% of capital threshold compares favorably with the NASDAQ criteria in two ways. First, since Downey is a financial institution, a threshold based upon capital is more appropriate than a threshold based upon revenues. Second, the IDCC's 2% threshold is more conservative than the NASDAQ's 5% threshold; for example, as of December 31, 2002, 2% of Downey's capital was approximately \$16.5 million as compared to 5% of Downey's revenue for the year ending December 31, 2002 of approximately \$35.0 million.

Based upon the IDCC's analysis and recommendations, the Board determined at the November 2002 meeting that six directors (Abrahams, Kouri, McAlister, McQuarrie, Olson and Yellen) were independent and three directors (Hunter, Rosenthal and Smull) were not independent. The Board also determined that Mr. Finnell, who replaced former director Yellen as Chair of the Audit Committee, qualifies as independent. Thus, the Board as currently comprised would satisfy the proposed NYSE independence requirement. Below is more detail as to the determination of each director's independence. The IDCC shall continue to meet and analyze independence issues as proposed rules from both the NYSE and the SEC are made final and published.

DIRECTORS ABRAHAMS AND KOURI

Each director's only compensation from Downey is director's fees; none has ever been an officer or employee of Downey or its subsidiaries; and each has little or no business, banking or other relationships with Downey. Director Kouri did receive a \$260,000 loan from Downey in December 2000 which is secured by his shares of Downey stock. The loan is current and the Board determined that this loan did not change its independence findings.

DIRECTOR FINNELL

Mr. Finnell's only compensation from Downey is director's fees. He has never been an officer or employee of Downey or its subsidiaries; and he has little or no business, banking or other relationships with Downey.

8

DIRECTOR MCALISTER

Mr. McAlister has substantial relationships with Downey, owns a substantial amount of Downey's common stock and receives substantial fixed, nondiscretionary compensation (beyond director's fees) under the Founder Retirement Agreement, as noted in this Proxy Statement. However, since the primary independence emphasis under the proposed NYSE Rules is on independence from management, the Board concluded that Mr. McAlister qualifies as independent because Mr. McAlister is not (and never has been) beholden to the management team which succeeded him and the compensation he receives from Downey is fixed and nondiscretionary. Moreover, as a substantial Downey stockholder, Mr. McAlister's personal interests are aligned with other shareholders' interests; and in the commentary to its proposals, the NYSE noted that it does not view ownership of a significant amount of stock, by itself, as a bar to an independence finding.

DIRECTORS OLSON AND MCQUARRIE

Mrs. Olson is Mr. McAlister's daughter. Mr. McQuarrie is the son of

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

Downey's other co-founder, the late Gerald McQuarrie. Despite these familial ties to Downey's co-founders, these two directors are deemed independent in part because they have not been officers or employees of Downey since 1982; and the only compensation they receive from Downey is director's fees.

DIRECTORS HUNTER AND SMULL

These two directors were deemed not independent because their business and/or banking relationships with Downey exceed the 2% of capital threshold described above. Mr. Smull and related entities have obtained several loans from Downey which, in the aggregate, exceed the 2% of capital threshold. Mr. Hunter is an officer of McMillin Companies, an entity which also has received several construction and development loans from Downey and is an equity partner in certain developments with DSL Service Company, an affiliate of Downey. These debt and equity transactions, in the aggregate, exceed the 2% of capital threshold.

DIRECTOR ROSENTHAL

Mr. Rosenthal, as Downey's president and CEO, is not independent from management.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for monitoring the integrity of Downey's financial reporting process and systems of internal controls regarding financial reporting, accounting and legal compliance. In addition, the Audit Committee is responsible for monitoring the independence and performance of Downey's independent auditors, the internal auditing department and the internal asset review function. The Audit Committee also facilitates communication among the independent auditors, management, the internal auditing department, the internal asset review department and the Board. The Audit Committee is currently composed of four directors, none of whom is employed by Downey.

AUDIT PHILOSOPHY

During 2000, the Audit Committee revised its written charter to comply with new rules relating to the functioning of corporate audit committees promulgated by the Securities Exchange Commission ("SEC") and NYSE. The Audit Committee's charter was approved by Downey's Board of Directors in January 2001 and is attached to Downey's 2001 proxy statement as Appendix A.

During 2002, the Audit Committee met seven times. The Audit Committee reviewed and discussed with management Downey's quarterly and annual audited financial statements. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61.

Communications with Audit Committee

The Audit Committee discussed with the independent auditors changes in significant accounting policies, the process used by management in formulating material accounting estimates and the independent auditor's conclusions regarding the reasonableness of such policies, estimates and adjustments arising from the audit, if any, and any disagreements with management over the application of accounting principles.

The Audit Committee received, reviewed and discussed with the independent auditors, the auditor's written disclosures regarding independence and the letter from the auditor required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. Based on the review of such disclosures and giving consideration to the non-audit services provided by KPMG LLP during 2002, the Audit Committee has concluded that independence has not been impaired or compromised.

Based on the Audit Committee's review and discussions described above, the Audit Committee recommended to the Board that the audited financial statements

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

be included in Downey's Form 10-K filed with the SEC.

Respectfully submitted,

Sam Yellen, Chairman*
Michael B. Abrahams
Dr. Paul Kouri
Brent McQuarrie

* Former director Yellen, who retired from the Board effective February 26, 2003, reviewed this Audit Committee Report. Director Finnell, who joined the Board and became the Chair of the Audit Committee on February 26, 2003, had no involvement in the Audit Committee during 2002.

14

FEES

During 2002, the Company paid the following amounts to KPMG LLP for the services as described below:

Audit Fees

Downey paid a total of \$220,000 for the audit and review of Downey's 2002 financial statements.

Financial Information Systems Design and Implementation Fees

None.

All Other Fees

Downey paid a total of \$126,085 for all other services performed by KPMG LLP, the majority of which were related to tax projects.

PROPOSAL 2. RATIFY THE APPOINTMENT OF AUDITORS

The Audit Committee of the Board has appointed KPMG LLP as Downey's auditors for the year 2003 and this appointment is being submitted to the shareholders for ratification. In the event the appointment is not ratified by a majority of votes cast, in person or by proxy, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change so long after the beginning of the current year. However, such vote would be considered in connection with the appointment of auditors for the next year.

KPMG LLP was Downey's auditor for the year ended December 31, 2002, and their representative is expected to attend the meeting, respond to appropriate questions and if such representative desires, which is not now anticipated, make a statement.

In 1989, the Board engaged KPMG LLP as Downey's independent auditor and the relationship which has existed has been the customary relationship between an independent accountant and client.

THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" THIS PROPOSAL. PROXIES, UNLESS INDICATED TO THE CONTRARY, WILL BE VOTED "FOR" THIS PROPOSAL.

COMPENSATION COMMITTEE REPORT

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

COMPENSATION PHILOSOPHY

The Compensation Committee's goal is to align compensation programs with the strategic direction of Downey and to attract, motivate and retain the best qualified employees. In carrying out its duties, the Compensation Committee evaluates compensation and benefits programs, including both qualified and nonqualified programs, as well as medical, dental and other benefits programs affecting all employees to ensure they are cost effective, competitive and fair.

The Compensation Committee periodically compares Downey's pay policies to peer group institutions. The Compensation Committee strives to implement benefits programs which, based upon competitive and cost considerations, deliver the highest level of value consistent with corporate and shareholder interests. Total compensation (including benefits) is established in the context of overall job responsibilities, achieving corporate and individual performance goals and objectives, as well as competitive compensation conditions.

2002 COMPENSATION PROGRAMS

During 2002, the components of the compensation programs included a base salary, a bonus program ("Annual Incentive Plan"), the 1994 Long-Term Incentive Plan, a Deferred Compensation Plan, a Section 125 Cafeteria Plan (i.e., medical, vision, dental and life coverages) and an Employees' Retirement and Savings Plan (401(k) Plan).

Base Salary

During 2002, the Compensation Committee reviewed base salaries of selected employees, including all executive officers. Based on such review and the Compensation Committee's assessment of market conditions and competitive factors, the Compensation Committee recommended adjustments to base salaries for such employees and executive officers. This recommendation was based on salary survey data supplied by third party nationally recognized salary surveys and salary surveys among the Bank's competitors.

Annual Incentive Plan

During 2002, the Compensation Committee reviewed and the Board approved an Annual Incentive Plan for Downey. Individual performance objectives were established for all eligible participants in the Annual Incentive Plan based upon their individual responsibilities and Downey's 2002 approved corporate performance target for net income, which aligned each participant's compensation with Downey's approved business plan. During 2002, bonus incentives targeted under the Annual Incentive Plan for the President (who is also the Chief Executive Officer), and the Chief Administrative Officer were targeted at 120% and 100% of their base salary, respectively. Other executive officers and eligible participants of Downey and the Bank were targeted at between 10% and 100% of their base salary. Pursuant to the Annual Incentive Plan, those targeted amounts may be adjusted based upon individual and corporate performance goals which provide for a potential bonus payment of up to 168% of an individual's targeted bonus amount. However, to the extent that actual corporate performance was 80% or below the approved corporate performance goal, no bonus amounts were to be paid to participants pursuant to the Annual Incentive Plan.

During 2002, Downey achieved 85% of its corporate performance target. Based upon 2002 corporate and individual participant performance, bonuses paid, relative to the targeted amounts for all such participants, represented, on average, 30% of the bonus target.

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

In 1994, the Bank's Board approved a Long-Term Incentive Plan (the "LTIP"). The LTIP was submitted to the Bank's shareholders for approval at a special meeting of shareholders held on December 21, 1994. Thereafter, the LTIP was adopted and ratified by Downey and, pursuant thereto, shares of Downey are to be issued upon the exercise of options or payments of other awards for which payment is to be made in stock.

The LTIP was adopted to promote and advance the interests of Downey and its shareholders by providing a means by which selected officers and employees would be given an opportunity to acquire stock in Downey and other incentive-based awards, to assist in attracting and retaining the services of employees holding key positions and to provide incentives for such key employees to exert maximum efforts toward results that are in the best interests of all shareholders. Incentive stock options may be granted under the LTIP only to officers and key employees, including directors if they are employees. Currently, approximately 38 officers and key employees are eligible to receive awards under the LTIP. The LTIP is administered by the Compensation Committee and, during 2002, no stock option grants or other awards were made under the LTIP.

Deferred Compensation Program

During 1995, the Compensation Committee reviewed and the Board approved implementation of a Deferred Compensation Plan for key management employees and directors. The Deferred Compensation Plan is considered to be an essential element in a comprehensive competitive benefits package designed to attract and retain individuals who contribute to the success of Downey. Participants are eligible to defer compensation on a pre-tax basis, including director fees, and earn a competitive interest rate on the amounts deferred. During 1999, the Board terminated the 1995 Deferred Compensation Plan and a 1999 Deferred Compensation Program was approved for key management employees and directors. Currently, 93 management employees and eight directors are eligible to participate in the program. During 2002, 16 management employees and one director elected to defer compensation pursuant to the 1999 Deferred Compensation Program.

Employees' Retirement and Savings Plan

The Bank offers to its employees a 401(k) plan. It is called the Downey Savings Employees' Retirement and Savings Plan. Participants are permitted to make contributions on a pre-tax basis, a portion of which is matched by the Bank. For 2002, the Bank contributed \$1.6 million as the employer match to the Downey Savings Employees' Retirement and Savings Plan.

Employee Stock Purchase Plan

Downey offers its employees participation in Downey's Employee Stock Purchase Plan. Downey believes that ownership of Downey's stock by employees will foster greater employee interest in Downey's success, growth and development and will be to the mutual benefit of the employee and Downey. The Employee Stock Purchase Plan is designed to provide employees a continued opportunity to purchase Downey stock through systematic payroll deductions. Downey bears all costs of administering the Employee Stock Purchase Plan, including broker's fees, commissions, postage and other costs incurred with stock purchases. If an employee elects to terminate participation in the Employee Stock Purchase Plan, or sells stock acquired through the Employee Stock Purchase Plan, the employee is responsible for the associated costs.

President and Chief Executive Officer Compensation

During 2002, Daniel D. Rosenthal served as President and Chief Executive Officer of Downey and the Bank. In accordance with the Annual Incentive Plan and achievement of Downey's 2002 corporate

performance target, the Compensation Committee recommended and Downey's Board approved an incentive compensation payment to Mr. Rosenthal of \$126,000, which amount represents 30% of the targeted incentive amount.

The Compensation Committee believes that the management team is dedicated to achieving significant improvement in Downey's long-term financial performance. The Compensation Committee further believes that Downey's compensation policies are designed to align closely the financial interests of senior executive management with the interests of Downey's shareholders and, as administered by the Compensation Committee, will enhance management's efforts in these areas.

Respectfully submitted,

Michael B. Abrahams, Chairman
 Cheryl E. Olson
 Lester C. Smull

DIRECTOR COMPENSATION

Annual Compensation

Currently, directors who are not employees receive (i) an annual retainer of \$24,000 payable monthly or quarterly, at the director's option, (ii) an attendance fee of \$1,000 for each Board meeting held on a regular Board meeting day, and (iii) an attendance fee of \$1,000 for each meeting of a Downey or Bank committee or \$500 for each meeting of DSL Service Company's Board held on a day other than a regular Board meeting day. Non-employee directors who review the Thrift Financial Reports and Consolidated Maturity/Rate Reports, required to be filed quarterly with the Office of Thrift Supervision, also receive a \$500 fee per quarter in connection with the review and execution of those regulatory reports. The Chairmen of Downey's Audit and Compensation Committees each receive an additional annual retainer of \$5,000 and \$3,000, respectively. The Chairman of Downey's and the Bank's Boards is entitled to receive an additional annual retainer of \$2,500, respectively. Downey's and the Bank's Chairman has declined to accept these additional annual retainers. Directors are reimbursed for reasonable out-of-pocket expenses incurred in the performance of their duties. Furthermore, directors are entitled to participate in and receive the medical benefit coverage provided to the Bank's employees.

Director Retirement Benefits

A retirement benefit (the "Director Retirement Benefits") will be paid to each non-employee director or his or her designated beneficiary, in equal monthly installments for a period of 60 months beginning the month following his or her retirement. The aggregate Director Retirement Benefits for each director will equal one-third of the number of months of service as a director by such individual (up to a maximum of 15 years of service) multiplied by the average monthly qualified (non-employee) director compensation paid to such individual during the three years preceding cessation of service as a director. Qualified director compensation includes the annual retainer plus all meeting fees for the Boards and committees of Downey, the Bank and their respective subsidiaries. The right of each director to begin to receive such Director Retirement Benefits is subject to the individual director having (i) ceased serving as a director of Downey and the Bank, and (ii) served as a director for at least three years. If a majority interest of Downey's outstanding stock is transferred or acquired (other

20

than by will or by the laws of descent and distribution), then the entire earned Director Retirement Benefits becomes payable immediately, and the three-year minimum service requirement does not apply. If a retired director so requests, Downey, at its option, may make a single lump-sum payment of the Director Retirement Benefits. Any such accelerated payment would be discounted at the interest rate then in effect for the Bank's five-year certificate of deposit.

As previously noted, former director Sam Yellen retired in February 2003. In recognition of his service to Downey and the Bank and with Board approval, on January 15, 2003 Downey, the Bank and Mr. Yellen entered into a Director Retirement Benefits Agreement (the "DRBA") which provides for Mr. Yellen to receive the regular Director Retirement Benefits for 60 months commencing in May 2005 (at the rate of \$3,055.55 per month) plus supplemental director retirement benefits of \$4,416.66 per month from March 2003 through April 2005. The total amount due to Mr. Yellen under the DRBA is \$298,166.33.

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

Founder Retirement Agreement

On December 21, 1989, the Bank entered into a retirement agreement (the "Founder Retirement Agreement") with Mr. McAlister, pursuant to which Mr. McAlister's compensation was \$32,167 per month, which payments commenced upon Mr. McAlister's retirement as President of DSL Service Company, a subsidiary of the Bank, in 1993. The Founder Retirement Agreement provides for adjustments to compensation payments every three years, based on the Consumer Price Index, as defined under the Founder Retirement Agreement. Pursuant to these adjustments, Mr. McAlister's compensation was adjusted to \$35,688.27 per month, effective as of July 1, 1999.

During 2000, in consideration and in recognition of Mr. McAlister having completed more than thirty years of service and his continuing involvement with the growth of Downey and the Bank, the Bank agreed to amend the Founder Retirement Agreement pursuant to which Mr. McAlister and the Bank agreed that Mr. McAlister would be entitled to receive monthly compensation for so long as Mr. McAlister lives but not less than 120 months from June 28, 2000. Thus, the payments will be made to Mr. McAlister's estate through June 2010 should he die prior to that date. During 2002, Mr. McAlister received \$428,259 under the Founder Retirement Agreement. If a majority interest of Downey's Common Stock is transferred or acquired, then such compensation shall continue as scheduled or, at Downey's option, a lump-sum payment equal to the then present value of any remaining compensation shall be paid.

PERFORMANCE GRAPH

The table below compares the performance of Downey with that of the S&P 500 composite index, the selected Peer Group and the 2001 Peer Group. The selected Peer Group is SNL Securities' Western Thrift Index for publicly traded savings institution holding companies. The SNL Securities' Western Thrift Index is comprised of 31 companies and is considered more representative than the 2001 Peer Group, as the prior index now only consists of two companies thereby making it less representative of competition in Downey's primary market areas. The following table assumes \$100 invested on December 31, 1997 in Downey, the S&P 500 and equally in the companies in the Peer Group and 2001 Peer Group, and assumes reinvestment of dividends on a daily basis.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

TRANSACTIONS WITH MANAGEMENT AND CERTAIN BUSINESS RELATIONSHIPS

During 2002, employees of Downey and the Bank provided accounting and related services to Maurice L. McAlister, Chairman of Downey's Board of Directors, certain members of Mr. McAlister's family and certain of his

Edgar Filing: DOWNEY FINANCIAL CORP - Form DEF 14A

controlled affiliates. The aggregate value of these services was approximately \$64,431. Downey and the Bank have been fully reimbursed for the services provided.

Mr. Smull, a director of Downey and the Bank, has a business relationship that is discussed in the following paragraph.

On November 1, 2002, the Bank's Board approved a proposed transaction in which the Bank would enter into a commercial lease with Business Properties #22, a California General Partnership ("BP #22"), to lease premises from BP #22 for a Huntington Beach branch. Lester C. Smull, a director of Downey and the Bank, and one of the three members of Downey's Compensation Committee, is the managing general partner of BP #22. It is expected that the definitive lease agreement will contain customary terms and conditions, provide for a term of five years, charge rent at the rate of \$8,000 per month, subject to increases of 3% every five years, and provide for two consecutive five-year options to extend the term. Management believes that the terms of the proposed lease arrangement, including the monthly rent, are at least as favorable to the Bank as prevailing terms that could be obtained from a non-affiliated person.

LOANS TO MANAGEMENT AND DIRECTORS

The Bank offers loans to directors, officers and employees of Downey, the Bank and their respective subsidiaries. These loans are made in the ordinary course of business and, in the judgment of management, do not involve more than the normal risk of collectability or present other unfavorable features. The loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons.

Over a period of approximately 26 years, the Bank has made various loans to Director Smull, in his individual capacity, to the Smull Family Trust and to a number of California partnerships in which Director Smull is a managing general partner. As of December 31, 2002, the Bank had loans outstanding to Director Smull or his related partnerships in an aggregate amount of approximately \$19.9 million. Each of the loans to Director Smull or his related partnerships (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons, and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

On December 20, 2000, the Bank made a loan to Director Kouri and his wife Bobbie Jean Kouri in the amount of \$260,000, secured by 13,639 shares of Downey stock held by the Kouris. As of December 31, 2002, the outstanding balance of the loan was \$230,000.

The Bank has made various loans to McMillin Companies, LLC, where Director Hunter is Executive Vice President of Planning and Acquisition. As of December 31, 2002, the Bank had loans outstanding to McMillin Companies, LLC and related entities in an aggregate amount of \$49.6 million. In addition, DSL Service Company has a \$19.8 million investment in McMillin Morgan Hill, LLC. Each of the loans to the McMillin Companies partnerships (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons, and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Downey's and, as may be determined, the Bank's and their respective subsidiaries' executive officers, directors and persons who own more than ten percent (10%) of Downey's Common Stock, to file with the SEC and the NYSE reports of ownership of Downey securities and changes in reported ownership. Officers, directors and greater than ten percent (10%) shareholders are required by SEC rules to furnish Downey with copies of all Section 16(a) reports they file.

Based solely on a review of the reports furnished to Downey, or written representations from reporting persons that all reportable transactions were reported, Downey believes that during the period January 1, 2002 to December 31, 2002, Downey's officers, directors and greater than ten percent (10%) owners timely filed all reports they were required to file under Section 16(a); except that one report, covering a total of four open market sale transactions by Mr. Brent McQuarrie, was not timely reported on SEC Form 4. The transactions were reported as soon as they became known. In addition, one open market sale transaction by Mr. Richard Grout was not timely reported on SEC Form 4 but was reported and timely filed on his year-end report on SEC Form 5.
