This Amendment No. 4 (this “Amendment”) amends and supplements the Tender Offer Statement on Schedule TO (the “Schedule TO”) filed with the Securities and Exchange Commission (the “SEC”) on January 17, 2012 by FUJIFILM Holdings Corporation, a corporation organized under the laws of Japan (“Parent”), and by Salmon Acquisition Corporation, a Delaware corporation (“Purchaser”) and an indirect wholly owned subsidiary of Parent. This Schedule TO relates to the offer by Purchaser to purchase all outstanding shares of Common Stock, par value \$0.01 per share (the “Shares”), of SonoSite, Inc., a Washington corporation (the “Company”), at a purchase price of \$54.00 per Share, net to the seller in cash, upon the terms and subject to the conditions set forth in the Offer to Purchase dated January 17, 2012 (the “Offer to Purchase”) and in the related Letter of Transmittal (which, together with the Offer to Purchase and any amendments or supplements thereto, collectively constitute the “Offer”).

The information set forth in the Offer to Purchase, including all schedules thereto, and the related Letter of Transmittal is incorporated herein by reference with respect to all of the applicable items in the Schedule TO, except that such information is hereby amended and supplemented to the extent provided herein. Capitalized terms used and not defined herein shall have the meanings set forth in the Offer to Purchase.

Documentation relating to the Offer has been mailed to the Company’s stockholders and may be obtained free of charge at the SEC’s website at [www.sec.gov](http://www.sec.gov), and may also be obtained at no charge by directing a request by mail to the information agent for the Offer, Innisfree M&A Incorporated, at 501 Madison Avenue, 20th Floor, New York, NY 10022, or by calling toll-free at (877) 717-3930 or collect at (212) 750-5833 for banks and brokers.

Item 11.

In Section 15 “Certain Legal Matters and Regulatory Approvals”, the text appearing under the heading “Legal Proceedings” is hereby amended and supplemented by adding the following text at the end of the third paragraph:

“The complaint names the Company and each of its eight directors as defendants, but does not name Parent or Purchaser as a defendant.”

In Section 15 “Certain Legal Matters and Regulatory Approvals”, the text appearing under the heading “Legal Proceedings” is hereby amended and supplemented by deleting the fifth and sixth paragraphs in their entirety and adding the following text as new fifth and sixth paragraphs of that section:

“On January 5, 2012, the Snohomish County court approved the transfer of the Raul action to King County. On February 6, 2012, the parties filed with the King County Superior Court a stipulation and proposed order to consolidate the three lawsuits. Also on February 6, 2012, the King County Superior Court entered an order formally consolidating the three lawsuits under the caption In re SonoSite, Inc. Shareholder Litigation, Case No. 11-2-44110-5 SEA, and appointing lead counsel for the plaintiffs. The plaintiffs filed a consolidated complaint in the consolidated action on February 7, 2012.

While the Company, the Company's directors, Parent and Purchaser all believe that each of the aforementioned lawsuits is entirely without merit and that they have valid defenses to all claims, in an effort to minimize the cost and expense of any litigation relating to such lawsuits, on February 8, 2012, they entered into a memorandum of understanding (the "MOU") with the plaintiffs in the three purported class action lawsuits pending in King County Superior Court, pursuant to which the parties agreed to settle the lawsuits. Subject to court approval and further definitive documentation, the MOU resolves the claims brought by the plaintiffs in all of the aforementioned lawsuits against the defendants in relation to the planned acquisition of the Company by Parent and provides a release and settlement by the purported class of the Company's shareholders of all claims against the defendants and their affiliates and agents in connection with the planned acquisition of the Company by Parent. In exchange for such release and settlement, pursuant to the terms of the MOU, the parties agreed, after arm's-length discussions between and among the parties and their counsel, that the Company would provide additional supplemental disclosures to its Schedule 14D-9 as set forth in the Amendment No. 2 to its Schedule 14D-9. In addition, the Company also agreed in the MOU to pay \$475,000 in fees and expenses to plaintiffs' lead counsel after the settlement contemplated by the MOU becomes final. The settlement, including the payment by the Company of attorney's fees and expenses to plaintiffs' lead counsel, is also contingent upon, among other things, completion of the Offer and the approval of the King County Superior Court. In the event that the settlement contemplated by the MOU is not approved and all other conditions are not satisfied, Parent and Purchaser will continue to vigorously defend against the second complaint described above and any other actions in which they are named as defendants."
