PROXY STATEMENT

JOINT ANNUAL MEETING OF SHAREHOLDERS  
TO BE HELD ON THURSDAY, SEPTEMBER 12, 2002

Meeting Information. The Board of Directors or Trustees (each Board is hereafter referred to as a "Board of Directors" and Board members are referred to as "Directors") of each Fund listed on the accompanying Notice is soliciting your proxy to be voted at the Joint Annual Meeting of Shareholders to be held on Thursday, September 12, 2002 at 11:00 a.m. at Two Commerce Square, 2001 Market Street, 2nd Floor, Philadelphia, Pennsylvania and/or at any adjournments of the meeting (hereafter, the "Meeting").

Purpose of the Meeting. The purpose of the Meeting is to consider the Proposal listed in the accompanying Notice. The Board of Directors of each Fund urges you to complete, sign and return the Proxy Card (or Cards) included with this Proxy Statement, whether or not you intend to be present at the Meeting. It is important that you provide voting instructions promptly to help assure a quorum for the Meeting.

General Voting Information. You may provide proxy instructions by returning the Proxy Card(s) by mail in the enclosed envelope. The persons designated on the Proxy Card(s) as proxies will vote your shares as you instruct on each Proxy Card. If you return a signed Proxy Card without any voting instructions, your shares will be voted "FOR" each of the nominees for election as Director. The persons designated on the Proxy Card as proxies will also be authorized to vote (or to withhold their vote) in their discretion on any other matters which properly come before the Meeting. They may also vote in their discretion to adjourn the Meeting. If you sign and return a Proxy Card, you may still attend the Meeting to vote your shares in person. If your shares are held of record by a broker and you wish to vote in person at the Meeting, you should obtain a Legal Proxy from your broker of record and present it at the Meeting. You may also revoke your proxy at any time before the Meeting: (i) by notifying Delaware Investments in writing at 2005 Market Street, Philadelphia, PA 19103; (ii) by submitting a later signed Proxy Card; or (iii) by voting your shares in person at the Meeting. If your shares are held in the name of your broker, you will have to make arrangements with your broker to revoke any previously executed proxy.

Each shareholder may cast one vote for each full share and a partial vote for each partial share of a Fund that they owned of record on July 18, 2002. Exhibit A shows the number of shares of each Fund that were outstanding on the record date and Exhibit B lists the shareholders who owned 5% or more of each Fund on that date. It is expected that this Proxy Statement and the accompanying Proxy Card(s) will be mailed to shareholders of record on or about July 30, 2002.

This proxy solicitation is being made largely by mail, but may also be made by officers or employees of the Funds or their investment manager or affiliates, through telephone, facsimile, or other communications. The Funds may also employ a professional proxy solicitation firm, although they do not presently intend to do so. The cost of the solicitation is being borne by the Funds. The Funds may reimburse banks, brokers or dealers for their reasonable expenses in forwarding soliciting materials to beneficial owners of the Funds' shares.

Required Votes. All shareholders of a Fund vote together to elect Directors, regardless of whether the Fund has both common and preferred shareholders, with one exception. The holders of preferred shares of each of the Funds that have issued one or more classes of preferred shares ("Preferred Share Funds") have the exclusive right to separately elect two Directors, in addition to the right to vote for the remaining Directors together with the holders of the common shares. Each of the Funds except Delaware Investments Dividend and Income Fund, Inc. ("DDF") and Delaware Investments Global Dividend and Income Fund, Inc. ("DGF") have issued preferred shares.

The amount of votes of each Fund that are needed to approve proposals varies. The voting requirements with respect to the election of Directors are described within Proposal One. Abstentions will be included for purposes of determining whether a quorum is present for each Fund at the Meeting. They will be treated as votes present at the Meeting, but will not be treated as votes cast. They therefore would have no effect on a proposal which requires a plurality or majority of votes cast for approval, but would have the same effect as a vote "AGAINST" a proposal requiring a majority of votes present. Because the Proposal presented is considered to be a "routine" voting item, the Funds do not expect to recognize broker non-votes.

In the event that a quorum is not present or if sufficient votes are not received consistent with management's recommendation on the adoption of the Proposal, management may propose an adjournment or adjournments of the Meeting for a Fund. Any adjournment would require a vote in favor of the adjournment by the holders of a majority of the shares present at the Meeting in person or by proxy. The persons named as proxies may vote (or withhold their vote) in their discretion on any proposed adjournment.

PROPOSAL ONE: TO ELECT A BOARD OF DIRECTORS FOR EACH FUND

You are being asked to vote to elect each of the current members of the Board of Directors for your Fund. The nominees are: Charles E. Haldeman, Jr., David K. Downes, Walter P. Babich, John H. Durham, John A. Fry, Anthony D. Knerr, Ann R. Leven, Thomas F. Madison and Janet L. Yeomans.

If elected, these persons will serve as Directors until the next annual meeting of shareholders called for the purpose of electing Directors, and/or until their successors have been elected and qualify for office. It is not expected that any nominee will withdraw or become unavailable for election, but in such a case, the power given by you in the Proxy Card may be used by the persons named as proxies to vote for a substitute nominee or nominees as recommended by the existing Board of Directors.

The Preferred Share Funds each issue shares of common stock and shares of preferred stock. The governing documents of each Preferred Share Fund provide that the holders of preferred shares of the Fund are entitled to elect two of the Fund's Directors, and the remaining Directors are to be elected by the holders of the preferred shares and common shares voting together. The nominees for Directors to be voted on separately by the preferred shareholders of such Funds are Thomas F. Madison and Janet L. Yeomans.

Board and Committee Meetings. During the last full fiscal year, each Fund held four Board meetings, three of which were two day meetings. All of the Directors attended at least 75% of those meetings.

Each Fund has an Audit Committee for the purpose of meeting, at least annually, with the Fund's officers and independent auditors to oversee the quality of financial reporting and the internal controls of each Fund, and for such other purposes as the Board of Directors may from time to time direct. The Audit Committee of each Fund consists of the following three Directors appointed by the Board: Ann R. Leven, Chairperson; Thomas F. Madison; and Jan L. Yeomans. Members of the Audit Committee serve for three years or until their successors have been appointed and qualified. The Audit Committee for each Fund held five meetings during the fiscal year ended November 30, 2001 for DDF and DGF and March 31, 2002 for the Preferred Share Funds. The Board of Directors of each Fund has adopted a written charter for each Fund's Audit Committee, attached as Exhibit C.

Each Board of Directors also has a Nominating Committee, which meets for the purpose of proposing nominees to serve as Directors. Nominees are considered by the full Board of Directors for each Fund and, when appropriate, by shareholders at annual or special shareholder meetings. The Nominating Committee of each Fund currently consists of the following four Directors appointed by the Board: Anthony D. Knerr, Chairperson; John H. Durham; and John A. Fry, all of whom are independent; and David K. Downes. The selection and nomination of the independent Director nominees is committed to the discretion of the present independent Directors. The Nominating Committee will consider suggestions for Board of Directors nominations from shareholders. Shareholders who wish to suggest candidates for nomination to the Boards of Directors at any future annual meeting should identify the candidate and furnish a written statement of the person's qualifications to the Nominating Committee at the principal executive offices of the Funds. Nominations should be received by the date set forth under "Shareholder Proposals" on page 9. The Nominating Committee for each Fund did not meet during the fiscal year ended November 30, 2001 for DDF and DGF and March 31, 2002 for the Preferred Share Funds.

Board Compensation. Each independent Director receives compensation from each Fund of which he/she is a member of the Board of Directors. The interested Directors are compensated by the investment manager and do not receive compensation from the Funds. Each independent Director currently receives a total annual retainer fee of \$55,000 for serving as a Director of all 33 investment companies within the Fund Complex, plus \$3,145 per day for each day the Board meets (four regular meetings, all of which are two day meetings).

Walter P. Babich is the current Coordinating Director for the Funds and receives an additional retainer totalling \$10,000 with respect to all 33 investment companies within the Fund Complex. Members of the Audit Committee currently receive additional annual compensation totalling \$5,000 from all of the investment companies within the Fund Complex, plus \$1,000 for each meeting in excess of five in any calendar year. The chairperson of the Audit Committee receives an annual retainer of \$8,000, plus \$1,000 for each meeting in excess of five in any calendar year. Independent Directors who are members of the Nominating Committee receive \$1,000 for each committee meeting. In addition, the chairperson of the Nominating Committee receives an annual retainer of \$500.

Under the terms of each Fund's retirement plan for Directors, each independent Director who, at the time of his or her retirement from the Board of Directors, has attained the age of 70 and has served on the Board of Directors for at least five continuous years, is entitled to receive payments from the Fund Complex for a period of time equal to the lesser of the number of years that the person served as a Director or the remainder of the person's life. The annual amount of such payments will be equal to the amount of the annual retainer that is paid to Directors of the investment companies at the time of the person's retirement. If an eligible Director of each investment company within the Fund Complex had retired as of June 30, 2002, he or she would have been entitled to annual payments in the amount of \$55,000. The following table identifies the amount each Director received from each Fund during its last fiscal year and from the Fund Complex as a whole during the twelve months ended June 30, 2002.

Officers. Each Board of Directors and the senior management of the Funds appoint officers each year, and from time to time as necessary. The following individuals are executive officers of one or more of the Funds: Charles E. Haldeman, Jr., David K. Downes, William E. Dodge, Jude T. Driscoll, Richard J. Flannery, Richelle S. Maestro and Michael P. Bishof. Exhibit D includes biographical information and the past business experience of such officers, except for Mr. Haldeman and Mr. Downes, whose information is set forth above along with the other Directors. The Exhibit also identifies which officers are also officers of Delaware Management Company ("DMC"), the investment manager of each Fund, or Delaware International Advisers Ltd. ("DIAL"), the sub-adviser to Delaware Investments Global Dividend and Income Fund, Inc. The above officers of the Funds own shares of common stock and/or options to purchase shares of common stock of Lincoln National Corporation ("LNC"), the ultimate parent of DMC and DIAL. They are considered to be "interested persons" of the Funds under the 1940 Act.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16 of the Securities Exchange Act of 1934, as amended, requires that Forms 3, 4, and 5 be filed with the SEC, the relevant securities exchange and the relevant Fund, by or on behalf of certain persons, including directors, certain officers, and certain affiliated persons of the investment manager or sub-adviser. The Funds believe that these requirements were met, except that management failed to timely file a Form 3 on behalf of Mitchell L. Conery.

AUDIT COMMITTEE REPORT

As required by its charter, each Fund's Audit Committee has reviewed and discussed with Fund management and representatives from Ernst & Young LLP, the Funds' independent auditors, the audited financial statements for the Fund's last fiscal year. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards 61. The Audit Committee also received the written disclosures and the letter from its independent auditors required by Independence Standards Board No. 1, and discussed with a representative of Ernst & Young LLP the independent auditor's independence. Each Fund's Board of Directors considered the financial information systems design and implementation fees and other fees received by Ernst & Young LLP from DMC and its affiliates during the last fiscal year in connection with its consideration of the auditors' independence. Based on the foregoing discussions with management and the independent auditors, each Fund's Audit Committee unanimously recommended to the Fund's Board of Directors that the aforementioned audited financial statements be included in the Fund's annual report to shareholders for the last fiscal year.

As noted above, the members of each Fund's Audit Committee are: Ann R. Leven, Thomas F. Madison and Janet L. Yeomans. All members of each Fund's Audit Committee meet the standard of independence set forth in the listing standards of the New York and American Stock Exchanges, as applicable, and are not considered to be "interested persons" under the 1940 Act. The Fund's Board of Directors has adopted a formal charter for the Audit Committee setting forth its responsibilities. A copy of the Audit Committee's charter is included in Exhibit C to this proxy statement.

Audit Fees. The aggregate fees paid to Ernst & Young LLP in connection with the annual audit of each Fund's financial statements for its last fiscal year are set forth below:

In addition, the aggregate fees billed for other non-audit services rendered to DMC and DSC for the period from May 1, 2000 through April 30, 2001 and for the period from May 1, 2001 through April 30, 2002 were \$164,743 and \$246,000, respectively.

AUDIT COMMITTEE CHARTER

1. Committee Composition. The Audit Committee shall be composed of not less than three qualified and Independent (as defined and described in Attachment A hereto) Directors/Trustees selected by the Board, one of whom shall be designated as Chairperson. Each member of the Committee shall serve for three years or until his or her successor has been appointed and qualified. The Chairperson and members of the Committee shall receive such compensation for their service on the Committee as the Board may determine from time to time.

2. Purposes. The purposes of the Audit Committee are:

- (a) to monitor the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers;
- (b) to monitor the quality and objectivity of the Fund's financial statements and the independent audit thereof; and
- (c) to act as a liaison between the Fund's independent auditors and the full Board of Directors/Trustees; and
- (d) to monitor the Fund's safeguards with respect to both inflow and outflow of funds, Y2K compliance and the integrity of computer systems.

The outside auditor for the Fund is ultimately accountable to the Board of Directors/Trustees and Audit Committee of the Fund. The Audit Committee and Board of Directors/Trustees have the ultimate authority and responsibility to select, evaluate and, where appropriate, replace the outside auditor (or to nominate the outside auditor to be proposed for shareholder approval in any proxy statement).

The function of the Audit Committee is oversight in the sense that it is to watch closely, to maintain surveillance, carefully review relevant matters and make appropriate suggestions; it is management's responsibility to direct, manage and maintain appropriate systems for accounting and internal control, and the auditor's responsibility to plan and carry out a proper audit.

3. Duties and Powers. To carry out its purposes, the Audit Committee shall have the following duties and powers:

- (a) to recommend the selection, retention or termination of external auditors and, in connection therewith, annually to receive, evaluate and discuss with the external auditors a formal written report from them setting forth all consulting or other relationships with the Fund, the Investment Manager or their affiliates, which shall include specific representations as to their objectivity and independence;
- (b) to meet with the Fund's external auditors, including private meetings as necessary (i) to review the arrangements for and scope of the annual audit and any special audits; (ii) to discuss any matters of concern relating to the Fund's financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s); (iii) to consider the auditors' comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto;

13

and (iv) to review the form of opinion the auditors propose to render to the Board and shareholders;

- (c) to consider the effect upon the Fund of any changes in accounting principles or practices proposed by management or the auditors;
- (d) to review the fees charged by the auditors for audit and non-audit services; and

- (e) to report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

4. Meetings. The Committee shall meet on a regular basis and is empowered to hold special meetings as circumstances require. The Committee shall regularly meet with the Chief Financial Officer and Treasurer of the Fund and with internal auditors for the Investment Manager.

5. Resources. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other experts or consultants at the expense of the appropriate Fund(s).

6. Annual Charter Review. The Committee shall review this Charter at least annually and recommend any changes to the full Board of Directors/Trustees.

ATTACHMENT A  
to  
AUDIT COMMITTEE CHARTER  
of  
DELAWARE INVESTMENTS  
FAMILY OF FUNDS

1. Independent Defined. To qualify as "Independent" for these purposes, Directors/Trustees may have no relationship to the Fund, the Investment Manager or their affiliates that may interfere with the exercise of their independence from management and the Funds, must be "Independent Directors" within the meaning of Section 121A of the listing standards of the American Stock Exchange and may not be "interested persons" as defined in the Investment Company Act of 1940.

2. Membership Qualifications. In addition to the definition of Independent provided in paragraph 1 above, the following restrictions shall apply to every Audit Committee member:

- (a) Financial Literacy. Each member of the Audit Committee shall be financially literate, as such qualification is interpreted by the Fund's Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Audit Committee. At least one member of the Audit Committee must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment.
- (b) Employees. A Director/Trustee who is an employee (including non-employee executive officers) of the Fund, the Investment Manager or any of their affiliates may not serve on the Audit Committee until three years following termination of his or her employment. In the event the employment relationship is with a former parent or predecessor of the Fund, the Investment Manager or their affiliates, the Director/Trustee could serve on the Audit Committee after three years following the termination of the relationship between the Fund and the former parent or predecessor of the Fund, the Investment Manager or their affiliates.

- (c) Business Relationship. A Director/Trustee (i) who is a partner, controlling shareholder, or executive officer of an organization that has a business relationship with the Fund or (ii) who has a direct business relationship with the Fund (e.g., a consultant) may serve on the Audit Committee only if the Fund's Board of Directors/Trustees determines in its business judgment that the relationship does not interfere with the Director/Trustee's exercise of independent judgment. In making a determination regarding the independence of a Director/Trustee pursuant to this paragraph, the Board of Directors/Trustees should consider, among other things, the materiality of the relationship to the Fund, the Investment Manager or their affiliates, to the director and, if applicable, to the organization with which the Director/Trustee is affiliated.

"Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A Director/Trustee can have this relationship directly with the Fund, or the Director/Trustee can be a partner, officer or employee of an organization that has such a relationship. The Director/Trustee may serve on the Audit Committee without the above-referenced Board of Directors'/Trustees' determination after three years following the termination of, as applicable, either (1) the relationship between the organization with which the Director/Trustee is affiliated and the Fund, (2) the relationship between the Director/Trustee and his or her partnership status, shareholder interest or executive officer position, or (3) the direct business relationship between the Director/Trustee and the Fund.

15

- (d) Cross Compensation Committee Link. A Director/Trustee who is employed as an executive of a corporation where any of the Fund's executives serves on that corporation's compensation committee may not serve on the Audit Committee.
- (e) Immediate Family. A Director/Trustee who is an Immediate Family member of an individual who is an executive officer of the Fund, the Investment Manager or any of their affiliates cannot serve on the Audit Committee until three years following the termination of such employment relationship.
- (f) Independence Requirement of Audit Committee Members. Notwithstanding the requirements of subparagraphs 2(b) and 2(e) hereof, one Director/Trustee who is no longer an employee or who is an Immediate Family member of a former executive officer of the Fund, the Investment Manager or their affiliates, but is not considered independent pursuant to these provisions due to the three-year restriction period, may be appointed, under exceptional and limited circumstances, to the Audit Committee if the Fund's Board of Directors/Trustees determines in its business judgment that membership on the Committee by the individual is required by the best interests of the Fund and its shareholders, and the Fund discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.

### 3. Definitions.

"Immediate Family" includes a person's spouse, parents, children, siblings, mothers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.

"Affiliate" includes a subsidiary, sibling company, predecessor, parent company, or former parent company.

"Officer" shall have the meaning specified in Rule 16a-1(f) under the Securities Exchange Act of 1934, or any successor rule.

4. Written Affirmation. With respect to any subsequent changes to the composition of the Audit Committee, and otherwise approximately once each year, the Fund should provide the New York Stock Exchange Written Affirmation in the form attached hereto regarding:

- (a) Any determination that the Company's Board of Directors/Trustees has made regarding the independence of Director/Trustees pursuant to any of the subparagraphs above;
- (b) The financial literacy of the Audit Committee members;
- (c) The determination that at least one of the Audit Committee members has accounting or related financial expertise; and
- (d) The annual review and reassessment of the adequacy of the Audit Committee Charter.
