Item 1.01 Entry into a Material Definitive Agreement.

On January 20, 2006, CIT Group Inc. ("CIT") entered into a Global Selling Agency Agreement among CIT and the agents named on the signature pages thereto (the "Agency Agreement") in connection with the offering of CIT's Series A notes (collectively, the "notes") at one or more times up to an aggregate initial offering price of U.S.\$18,000,000,000 under its Medium-Term Note, Series A program. Subject to the terms of the Agency Agreement, CIT has appointed the Agents who have separately agreed to use their reasonable best efforts to solicit offers to purchase the notes. CIT may also sell notes to any Agent, as principal, at a discount for resale to one or more investors or other purchasers at varying prices related to prevailing market prices at the time of resale, as determined by that Agent or, if so agreed, on a fixed public offering price basis. Unless otherwise specified in a pricing supplement relating to the offering of the notes, CIT will pay each Agent a commission, in the form of a discount which, depending on the maturity of the notes placed by such Agent, will range from .05% to .75% of the principal amount of the notes, except that the commission CIT may pay to the Agents with respect to notes with maturities of greater than thirty years will be negotiated at the time it issues those notes. CIT will not pay a commission to the Agents on the notes it sells directly to purchasers. Payment of the purchase price of the notes will be required to be made in immediately available funds. CIT will have the sole right to accept offers to purchase notes and may, in its absolute discretion, reject any proposed purchase of notes in whole or in part. Each Agent will have the right, in its discretion reasonably exercised, to reject in whole or in part any offer to purchase the notes.

The description of the terms of the Agency Agreement is qualified in its entirety by reference to the Agency Agreement, a copy of which is included under Item 9.01(c) as Exhibit 1.1 to this Current Report and is included in this item by reference.
