Item 5. Other Events

As previously reported, Applied Graphics Technologies, Inc., a Delaware corporation (the "Company"), is engaged in discussions regarding an overall recapitalization that would include an infusion of outside equity and the settlement, at a significant discount, of amounts due to its senior lenders for amounts borrowed under the Company's credit facility, amounts due to holders of the Company's 10% Subordinated Notes due 2005 (the "Subordinated Notes"), and amounts due to holders of preference shares of a subsidiary of the Company. In connection with these discussions, the Company did not pay the semi-annual interest on the Subordinated Notes that was due January 31, 2003. The failure to pay the interest on the Subordinated Notes does not constitute an event of default, which would allow the holders thereof to accelerate payment of the Subordinated Notes, until the expiration of a thirty (30) day grace period. The Company's senior lenders have waived any event of default under the Company's senior credit facility resulting from any failure to pay the interest on the Subordinated Notes.
