- 6.1 - the present written minutes were approved in a summarized form as well as the respective publication of the same, omitting the signatures of the present Shareholders, pursuant article 130, § §1 and 2, of Law # 6,404/76;
- 6.2 - the Management Report and Financial Statements, with favourable opinion by the Fiscal Council and Board of Directors in the meeting held on March 21, 2005, and with the External Auditors Report by Deloitte Touche Tohmatsu Auditores Independentes were approved, related to the fiscal year ending on December 31, 2004;
- 6.3 - the Proposal by the Executive Board, with the favorable opinions by the Board of Directors and Fiscal Council in the meeting held on March 21, 2005, was approved, to allocate earnings from the year ending on December 31, 2003, as follows:

*PROPOSAL FOR THE APPLICATION OF NET INCOME FOR THE FINANCIAL YEAR ENDED DECEMBER 31, 2004 - Gentlemen of the Board, The Executive Board of Companhia Vale do Rio Doce, bearing in mind article 192 of Law #6,404/76 (with the new amendment given by Law #10,303/01) and articles 41 to 44 of the Company Bylaws, hereby presents a proposal to the Board of Directors, for the application of the net income for the financial year ended December 31, 2004. The net income in the period, as recorded in the Financial Statements, amounted to R\$ 6,459,518,547.20 (six billion, four hundred fifty nine million, five hundred eighteen thousand, five hundred and forty seven Brazilian reais and twenty cents), calculated according to the accounting principles set out under Brazilian Corporate Law and the norms and dictates of the Comissão de Valores Mobiliários (CVM - Brazilian securities and Exchange commission) and those of IBRACON - the Institute of Independent Brazilian Auditors (BR Gaap). To the net earnings figure should be added the realization of the unearned income reserve in the amount of R\$ 211,538,151.00 (two hundred eleven million, five hundred thirty eight thousand, one hundred and fifty one Brazilian reais). The total profit for the financial year 2004 amounted to R\$ 6,671,056,698.20 (six billion, six hundred seventy one million, fifty six thousand, six hundred ninety eight Brazilian reais and twenty cents) for which we propose the following applications: I LEGAL RESERVE: 5% (five percent) of the net income should be placed into this reserve, up to a limit of 20% (twenty percent) of the Company's Share Capital, under the provisions set forth in article 193 of Law #6,404/76 and article 42 of the Company Bylaws, amounting to R\$ 322,975,927.36 (three hundred twenty two million, nine hundred seventy five thousand, nine hundred and twenty seven Brazilian reais and thirty six cents). II DIVIDENDS / INTEREST ON SHAREHOLDERS EQUITY: The compulsory dividend of 25% (twenty five percent), as established in article 202, of Law #6,404/76 and in article 44 of the Company Bylaws, is determined on the base of the adjusted net profit which for the financial year 2004 amounted to R\$ 6,307,418,197.76*

**Table of Contents****Continuation of Minutes of General and Special Shareholders Meetings held on April 28, 2004.**

(six billion, three hundred seven million, four hundred eighteen thousand, one hundred and ninety seven Brazilian reais and seventy six cents). This corresponds to the net earnings in the year of R\$ 6,459,518,547.20 (six billion, four hundred fifty nine million, five hundred eighteen thousand, five hundred and forty seven Brazilian reais and twenty cents), deducting the constituted legal reserve of to R\$ 322,975,927.36 (three hundred twenty two million, nine hundred seventy five thousand, nine hundred and twenty seven Brazilian reais and thirty six cents), the tax incentive reserve of R\$ 40,622,573.08 (forty million, six hundred twenty two thousand, five hundred and seventy three Brazilian reais and eight cents) while adding the realization of the unearned income reserve of R\$ 211,538,151.00 (two hundred eleven million, five hundred thirty eight thousand, one hundred and fifty one Brazilian reais). Thus, the minimum dividend of 25% (twenty five percent) adjusted net profit amounts to R\$ 1,576,854,549.44 (one billion, five hundred seventy six million, eight hundred fifty four thousand, five hundred and fifty four Brazilian reais and forty four cents). Article 5 of the Company Bylaws determines that preferred shares have priority in the receipt of annual dividends at a minimum of 6% (six percent) of the tranche of capital represented by this class of share, or 3% (three percent) of the Shareholder's Equity of the shares. As at December 31, 2004, the corresponding reference values for the minimum annual dividend are: R\$ 156,195,666.93 (one hundred fifty six million, one hundred ninety five thousand, six hundred and sixty six Brazilian reais and ninety three cents), the equivalent of R\$ 0.38 (thirty eight cents) per outstanding preferred share; and R\$ 196,782,003.26 (one hundred ninety six million, seven hundred eighty two thousand, three Brazilian reais and twenty six cents), the equivalent of R\$ 0.47 (forty seven cents), respectively. Therefore, bearing in mind the Company's prerogative to pay interest on shareholder's equity, based on articles 42 and 45, of the Company Bylaws, and the Company's cash situation, the Executive Board proposes the ratification of the approvals given by the Board of Directors, as follows: (a) on April 14, 2004, in the amount of R\$ 470,836,327.38 (four hundred seventy million, eight hundred thirty six thousand, three hundred and twenty seven Brazilian reais and thirty eight cents), the equivalent to R\$ 0.43 (forty three cents) per outstanding share, paid as interest on shareholder's equity on April 30, 2004, and (b) on October 13, 2004 in the amount of R\$ 1,200,647,483.04 (one billion, two hundred million, six hundred forty seven thousand Brazilian reais and four cents), the equivalent to R\$ 1.03 (one Brazilian real and three cents) per outstanding share and R\$ 279,762,520.32 (two hundred seventy nine million, seven hundred sixty two thousand, five hundred twenty Brazilian reais and thirty two cents), the equivalent to R\$ 0.24 (twenty four cents) per outstanding share paid as interest on shareholder's equity and as dividends on April 29, 2004, respectively. The Executive Board also proposes the payment of R\$ 1,278,512,942.86 (one billion, two hundred seventy eight million, five hundred twelve thousand, nine hundred forty two Brazilian reais and eighty six cents) as interest on shareholder's equity or dividends, and the Board of Directors may decide about the above said payment ad referendum of the Ordinary General Shareholders Meeting according to article 14, sub paragraph XVI of the Company Bylaws and to article 192 of Law #6,404/76, III TAX INCENTIVE RESERVE: The Company benefits from income tax exemption on profits from mineral exploration regulated (a) under article 2,

**Table of Contents****Continuation of Minutes of General and Special Shareholders Meetings held on April 28, 2004.**

paragraph 2 of Decree Law 1,825/80, which provides tax incentives for the Grande Carajás program, today administrated by the Development Agency for Amazônia ADA, in article 6, paragraph 6 of Decree Law 756/69, related to tax incentives granted on the Ferro Carajás project, and (b) the Legal Report N° 0154/2004 issued by the Northeast Development Agency ADENE relating to tax incentives granted for the extraction of sodium chloride and potassium chlorate in Sergipe. According to the Company's books, the value of reduced or exempt income tax in the financial year 2004, is R\$ 40,662,573.08 (forty million, six hundred sixty two thousand, five hundred and seventy three Brazilian reais and eight cents). Under the tax legislation governing this incentive, according to article 545 of Income Tax Regulations (RIR), the tax unpaid as a result of this exemption, cannot be distributed to shareholders, and must be placed in a reserve to be used exclusively for capital increases or the absorption of losses. Thus, although this reserve is neither envisaged under the Company Bylaws, nor by Brazilian Corporate Legislation, the destination of this exempted tax is compulsory in practical terms, under the prevailing tax legislation, as if the reserve is not created it could result in the loss of this tax exemption, with a consequent requirement to pay the tax authorities the amount that would be owing. As thus explained, we propose to allocate the following amount to this reserve: R\$ 40,662,573.08 (forty million, six hundred sixty two thousand, five hundred and seventy three Brazilian reais and eight cents). IV EXPANSION RESERVE / INVESTMENT. It is proposed that the remaining balance of earnings accumulated in the amount of R\$ 3,077,658,924.16 (three billion, seventy seven million, six hundred fifty eight thousand, nine hundred twenty four Brazilian reais and sixteen cents) be placed in the expansion reserve, to finance the investment projects set out in the Company investment budget. With a view to conforming to Article 196 of Law 6,404/76, the investment budget for the financial year 2005, amounting to a total of R\$ 10.8 billion, must be submitted for approval at an Ordinary General Shareholders Meeting; V SUMMARY: This proposal outlines the following suggested application for net income arising from the financial year 2004: ORIGINS: Net earnings for year R\$ 6,459,518,547.20; Realization of unearned income reserve R\$ 211,538,151.00. Total of Origins: R\$ 6,671,056,698.20. APPLICATIONS: Legal reserve R\$ 322,975,927.36; Shareholders remuneration R\$ 3,229,759,273.60; Tax incentive reserve R\$ 40,662,573.08; Expansion / investment reserve - R\$ 3,077,658,924.16. Total Applications: R\$ 6,671,056,698.20. As previously disclosed, we submit this proposal to the Board of Directors in accordance with the decision of the Executive Board. Rio de Janeiro, March 21, 2005. Roger Agnelli, CEO; Fabio de Oliveira Barbosa, CFO; Gabriel Stoliar, Planning and Management Director; Carla Grasso, Human Resources and Corporate Services Director; Armando de Oliveira Santos, Executive Director for Ferrous Minerals Activities; Guilherme Rodolfo Laager, Executive Director for Logistics; José Carlos Martins, Executive Director for Business Development and Holdings; and José Auto Lancaster Oliveira, Executive Director for Non-Ferrous Minerals Activities. , consequently was also approved CVRD investment budget for year 2005, for the purpose of attending article 196 of Law 6,404/76;

*PROPOSAL FOR INCREASE OF SHARE CAPITAL THROUGH CAPITALIZATION OF RESERVES TO BE DELIBERATED AT THE EXTRAORDINARY GENERAL SHAREHOLDERS MEETING.
