- (b) without being required to consent to any delay in the Completion Date, allow the FRC Vendor a reasonable opportunity to remedy the breach or potential breach.

If, by the Completion Date, the FRC Vendor has not remedied the breach or potential breach or if the Purchaser does not, in its reasonable opinion, accept the result as a remedy:

- (c) in the case of a breach of a Title Warranty, either the FRC Vendor or the Purchaser may terminate this Agreement by giving notice to the other; and
- (d) in the case of a breach of any other Warranty where the breach would expose the FRC Vendor to a liability exceeding \$50 million, the FRC Vendor may terminate this Agreement by giving notice to the Purchaser.
