FOR IMMEDIATE RELEASE

**The Nominees for Shareholder Choice Urge Target Shareholders to
Vote Against Target's Board Reduction Proposal**

NEW YORK, May 27 The 2009 Annual Meeting of Shareholders of Target Corporation (NYSE: TGT) will be held tomorrow, Thursday, May 28, 2009. The Nominees for Shareholder Choice urge Target shareholders to reject Target's proposal to reduce the size of the board from 13 to 12 seats.

No matter which directors are elected this year, reducing the size of Target's board will inherently offer fewer diverse perspectives and less expertise, and therefore will not serve the interests of shareholders. A vote to keep the board at 13 seats will increase the likelihood that the five directors whom most shareholders favor will be elected. The Nominees for Shareholder Choice believe that a vote to reduce the number of directors is a vote against fresh thinking and new perspectives.

**Vote AGAINST Proposal 1 on Either Proxy Card or Either Phone Line to
Reject the Board's Reduction Proposal**

In supporting Proposal 1, which in our view seeks to reduce the size of Target's board from 13 to 12 seats, Target is attempting to prevent a single Nominee for Shareholder Choice from being elected. By voting AGAINST Proposal 1, on either the GOLD or WHITE proxy cards, shareholders will have the opportunity to add at least one of the Nominees for Shareholder Choice to the board. Two of the leading proxy advisory firms, RiskMetrics Group and PROXY Governance, have recommended AGAINST the company's board reduction proposal.

RiskMetrics noted that [b]y rejecting a decrease in the size of the board, Target shareholders will ensure that at least one dissident nominee is elected to the board. Based on the qualifications and skill sets of the dissident nominees, we believe that the incremental addition of any one of the dissidents to the board likely would add value.

The Nominees for Shareholder Choice urge Target shareholders to vote AGAINST Proposal 1, as a vote in favor of that proposal will reduce the total number of candidates that can be elected to Target's board. A vote AGAINST Proposal 1 will help ensure that at least one of the Nominees for Shareholder Choice is elected to Target's board.

A vote AGAINST Proposal 1 can be effected on either party's proxy the company's WHITE card or the Nominees for Shareholder Choice's GOLD card or through either party's electronic voting system. We continue to encourage every shareholder to vote the GOLD card for the Nominees for Shareholder Choice. In any event, we encourage shareholders voting either card to vote AGAINST the first item on either proxy card. If you have previously submitted a card or vote telephonically to support the board's reduction proposal, we urge you to resubmit a vote and vote AGAINST Proposal 1.

Time is Limited Vote by Internet or Telephone to Ensure that Your Vote is Counted

Target's Annual Meeting will take place tomorrow, Thursday, May 28, 2009. In light of the limited time remaining before the meeting, Target shareholders should vote on the Internet (for instructions, please go to www.TGTtownhall.com) or by telephone as soon as possible to vote **AGAINST** Target's proposal to reduce the size of the board from 13 to 12 and **FOR** the Nominees for Shareholder Choice. If you have already voted on the WHITE proxy card, you can change your vote by voting on the Internet or by telephone.

If you have previously submitted either a WHITE or **GOLD** proxy card, only your latest arriving proxy card, Internet, or telephone vote will count, so please vote again **on the Internet or by telephone** to ensure your vote is counted accurately. For more information on how to vote, as well as other proxy materials, please visit www.TGTtownhall.com or call D. F. King & Co., Inc. at 1 (800) 290-6427.
