INTRODUCTORY STATEMENT

Validus Holdings, Ltd., a Bermuda exempted company (Validus or the registrant), hereby amends its Registration Statement on Form S-4 (No. 333-159148) (the Form S-4) by filing this Post-Effective Amendment No. 1 on Form S-8 (the Post-Effective Amendment or this Registration Statement) relating to the sale of up to 1,225,000 common shares, par value \$0.175 per share, of Validus (Validus Shares), issuable upon the exercise of outstanding options, restricted common shares, restricted share units and performance share units granted under the IPC Holdings, Ltd. 2007 Incentive Plan and the IPC Holdings, Ltd. Stock Option Plan, as amended (collectively, the Plans).

On September 4, 2009, IPC Holdings, Ltd. (IPC) amalgamated with Validus Ltd., a wholly owned subsidiary of Validus (the Amalgamation), pursuant to the Agreement and Plan of Amalgamation, dated as of July 9, 2009, between IPC, Validus and Validus Ltd. (the Amalgamation Agreement). The name of the combined entity is Validus Ltd. Upon closing of the Amalgamation, Validus Ltd. s board of directors continued to consist of the directors serving on the board of directors of Validus Ltd. before the Amalgamation, and the officers of Validus Ltd. before the Amalgamation continued to constitute the officers of Validus Ltd. Pursuant to the Amalgamation Agreement, upon the effectiveness of the Amalgamation, each outstanding IPC common share, par value \$0.01 per share (an IPC Share) (including shares held by IPC shareholders that did not vote in favor of the Amalgamation, but excluding shares as to which appraisal rights had been exercised pursuant to Bermuda law), were cancelled and converted into the right to receive 0.9727 Validus Shares, \$7.50 in cash, less any applicable withholding tax and without interest, and cash in lieu of fractional shares.

Additionally, at the effective time of the Amalgamation, each restricted common share, restricted share unit or performance share unit (each a Unit) granted under any IPC share plan or any other IPC benefit plan became the right to acquire or receive (1) a cash payment equal to the product of (i) the number of IPC Shares subject to such Unit immediately prior to the effective time and (ii) the \$7.50 per share cash consideration and (2) the number of Validus Shares equal to the product (rounded, if necessary, to the nearest whole number) of (i) the number of IPC Shares to which each Unit related immediately prior to the effective time and (ii) the exchange ratio of 0.9727. Subject to certain exceptions, Validus Shares received for such IPC Shares will remain subject to the same restrictions that applied before the Amalgamation was effective and will otherwise have the same terms and conditions (including by taking into account any accelerated vesting thereunder) as were applicable before the effective time of the Amalgamation.

In addition, at the effective time of the Amalgamation, all outstanding options to purchase IPC Shares were automatically converted into new options to purchase, on the same terms and conditions, such number of Validus Shares and at an exercise price per share determined as follows:

Number of Shares: the number of Validus Shares will be equal to the product of (1) the number of IPC Shares subject to IPC share options immediately before the effective time of the Amalgamation and (2) the Option Exchange Ratio (as defined below), the product being rounded, if necessary, to the nearest whole share;

Exercise Price: the exercise price per Validus Share purchasable upon exercise of a converted option will be equal to (1) the per share exercise price of the IPC share option divided by (2) the Option Exchange Ratio (as defined below), the quotient being rounded, if necessary, to the nearest cent.

Option Exchange Ratio means the sum of (1) the exchange ratio of 0.9727 plus (2) the quotient of (i) \$7.50, the per share cash consideration, divided by (ii) \$24.76, the closing price of a Validus Share on the New York Stock Exchange on September 3, the last trading day immediately preceding the effective time of the Amalgamation.

The designation of this Post-Effective Amendment as Registration No. 333-159148 denotes that the Post-Effective Amendment relates only to the Validus Shares issuable upon the exercise of outstanding options, restricted common shares, restricted share units and performance share units granted under the Plans and that this is the first Post-Effective Amendment on Form S-8 to the Form S-4 filed with respect to such Validus Shares.

of, Validus, against any liability or expense actually and reasonably incurred by such person in respect thereof. Validus shall, in the case of directors and officers, and may, in other cases, advance the expenses of defending any such act, suit or proceeding in accordance with and to the full extent now or hereafter permitted by law.

Bye-law 49 of Validus Amended and Restated Bye-laws also provides that none of the officers or directors of Validus will be personally liable to Validus or its shareholders for any action or failure to act to the full extent that they are indemnified under Validus Amended and Restated Bye-laws.

Bye-law 49 of Validus Amended and Restated Bye-laws also provides that Validus Board of Directors may authorize Validus to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of Validus, or is or was serving at the request of Validus as a director, officer, employee or agent of another company, partnership, joint venture, trust or other enterprise, or in a fiduciary or other capacity with respect to any employee benefit plan maintained by Validus, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not Validus would have the power to indemnify him against such liability under the provisions of Validus Amended and Restated Bye-laws.

Bye-law 49A of Validus Amended and Restated Bye-laws provides, among other things, that each shareholder of Validus agrees (to the fullest extent it may lawfully do so) to waive any claim or right of action that such shareholder might have, whether individually or by or in the right of Validus, against any director or officer of Validus on account of any action taken by such director or officer, or the failure of such director or officer to take any action in the performance of his duties with or for Validus; provided that such waiver shall not extend to any matter in respect of any fraud or dishonesty which may attach to such director or officer.

Section 98 further provides that any provision, whether contained in the bye-laws of a company or in any contract or arrangement between such company and any director exempting or indemnifying him against any liability which would otherwise attach to him in respect of any fraud or dishonesty of which he may be guilty in relation to such company, shall be void.

Section 98A of the Companies Act permits a Bermuda company to purchase and maintain insurance for the benefit of any officer in respect of any loss or liability attaching to him by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which the officer may be guilty.

ITEM 9. UNDERTAKINGS

The undersigned Registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933; (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) that for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(5) insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities

Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
