(plus 30-day over-allotment option for up to 2,250,000 additional units)

Offering Price: \$25.00 per unit

Gross Proceeds: \$375,000,000

We have been advised by the underwriters that, prior to purchasing the units being offered pursuant to the prospectus supplement, on March 23, 2010, one of the underwriters purchased, on behalf of the syndicate, 106,258 units at an average price of \$25.00 per unit in stabilizing transactions.

Revised Offering Size:

The Offering on page S-9 of the preliminary prospectus supplement is revised as follows:

Units Offered by Linn Energy, LLC 15,000,000 units, or 17,250,000 units if the underwriters exercise in full their option to purchase an additional 2,250,000 units.

Units Outstanding after the Offering⁽¹⁾ 145,554,909 units, or 147,804,909 units if the underwriters exercise in full their option to purchase an additional 2,250,000 units.

⁽¹⁾ Based on the number of units outstanding on February 28, 2010.

Revised Capitalization:

The Capitalization on page S-17 of the preliminary prospectus supplement is revised as follows:

CAPITALIZATION

The following table sets forth our consolidated capitalization at December 31, 2009:
on an historical basis;

on an adjusted basis, giving effect to the sale of units in this offering at a price of \$25.00 per unit, assuming no exercise of the underwriters' option to purchase additional units, and the application of all of the estimated \$359.5 million of net proceeds from this offering to fund the \$330.0 million contract price of the pending HighMount Michigan acquisition and to repay \$29.5 million of indebtedness outstanding under our revolving credit facility; and

on an as further adjusted basis, giving effect to the issuance of \$500.0 million aggregate principal amount of our 2020 notes, the application of all of the estimated \$489.5 million of net proceeds from the same to unwind approximately \$50.0 million of outstanding interest rate swaps, to fund \$16.0 million in financing fees associated with the proposed amendment to our revolving credit facility and to repay indebtedness outstanding under our revolving credit facility.

The following table is unaudited and should be read together with Use of Proceeds, our historical financial statements and the related notes thereto included in our Annual Report on Form 10-K for the year ended December 31, 2009.
