Item 7.01 Regulation FD Disclosure

The Company's Letter to Shareholders (Shareholder Letter), which was mailed to the Company's shareholders on April 9, 2010 with its Proxy Statement and Annual Report on Form 10-K for the year ended December 31, 2009, is attached as Exhibit 99.1.

The Shareholder Letter contains a certain non-GAAP financial measure as defined under Regulation G of the rules and regulations of the SEC. The non-GAAP financial measure contained in the Shareholder Letter includes a reference to adjusted EBITDA. Adjusted EBITDA equals net income before interest, taxes, depreciation and amortization and equity compensation expense. See the footnote, noted by *, included at the end of the Shareholder Letter for a reconciliation of net income to adjusted EBITDA. Management believes providing this non-GAAP financial information to investors is useful information for comparing the Company's period-to-period results. Pursuant to the rules of the Securities and Exchange Commission, the information contained in this report shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any filings by the Company under such Act or the Securities Act of 1933, as amended.

Item 9.01 Financial Statements and Exhibits
