Item 8.01 Other Events.

Pursuant to ASC 205-20, Presentation of Financial Statements – Discontinued Operations, certain assets of Health Care REIT, Inc. (the Company) are now classified as discontinued operations due to their sale during the three months ended March 31, 2010 or their classification as held for sale at March 31, 2010. As a result, the Company is reclassifying in this Current Report its operations, including rental income, interest expense and provision for depreciation and amortization related to those assets for prior periods. The application of ASC 205-20 had no effect on net income attributable to common stockholders for any period presented therein.

During the three months ended March 31, 2010, we changed our reportable business segments to senior housing and care group and medical facilities group and reclassified certain assets and related revenues. The senior housing and care segment is comprised of senior housing facilities (independent living and assisted living facilities) and skilled nursing facilities. The medical facilities segment is comprised of medical office buildings and hospitals. Hospitals that were formerly classified as investment properties have been reclassified in this Current Report to medical facilities. Accordingly, we have reclassified the relevant amounts and certain assets and revenues to be included in the related business segments in this Current Report to be consistent with the new classification.

As a result of the changes mentioned above, the Company is updating portions of Item 1 Business, Item 1A Risk Factors, Item 2 Properties, Item 6 Selected Financial Data, Item 7 Management's Discussion and Analysis of Financial Condition and Results of Operations and Item 8 Financial Statements and Supplementary Data. All other information contained in the Form 10-K for the year ended December 31, 2009 and the other portions of Items 1, 1A, 2, 6, 7 and 8 have not been updated or modified (with the exception of certain minor changes to Items 7 and 8 to reflect proper cross-references). For more recent information regarding the Company, please see the Company's Quarterly Report on Form 10-Q, Current Reports on Form 8-K and other reports and information filed with or furnished to the Securities and Exchange Commission since February 26, 2010.
