On August 17, 2010 we entered into a Sales Agency Agreement with a Midwest investment banking firm that specializes in the financial institutions industry. The Sales Agency Agreement provides for the offer and sale for cash of any or all of 1.7 million shares of our common stock at \$18 per share, for total gross proceeds of up to \$30.6 million. A commission of 5% is payable to the investment banking firm for sale of the stock, except that no commission is payable for sales of up to \$5 million to directors and officers and members of their family and a commission of 3% is payable for sales to individuals designated by us. Unless the investment banking firm engages other broker/dealers to assist with sales, the 5% commission declines to 4% for sales from \$20 million to \$25 million and to 3% for sales exceeding \$25 million. The offering is scheduled to end on October 31, 2010, although we may extend the offering to November 30, 2010. The purposes of the offering include reducing debt and supporting subsidiary bank capital. The offering is a best efforts offering made solely to accredited investors, a private offering exempt from registration by Rule 506 of Regulation D. The shares being offered and sold may not be offered or sold in the United States without registration or an applicable exemption from registration.
