**RATIOS OF EARNINGS TO FIXED CHARGES AND
EARNINGS TO COMBINED FIXED CHARGES AND PREFERRED STOCK DIVIDENDS**

For purposes of computing the ratio of earnings to fixed charges and the ratio of earnings to combined fixed charges and preferred stock dividends, earnings consist of earnings from continuing operations before income taxes and income or loss from equity investees, plus fixed charges and distributed income of equity investees, less interest capitalized. Fixed charges consist of all interest incurred, plus that portion of operating lease rental expense (33%)

deemed to be representative of interest, plus the amortization of debt issuance costs and bond discounts. Combined fixed charges and preferred stock dividends consist of fixed charges and preferred stock dividends declared. Due to covenant restrictions, we have been prohibited from paying dividends beginning with the first quarter of fiscal year 2008. The following table sets forth the ratios of earnings to fixed charges and the ratios of earnings to combined fixed charges and preferred stock dividends for each of the periods indicated:

	Three Months		Year Ended October 31,			
	Ended January 31, 2011	2010	2009	2008	2007	2006
Ratio of earnings to fixed charges	(a)	(a)	(a)	(a)	(a)	1.8
Ratio of earnings to combined fixed charges and preferred stock dividends	(b)	(b)	(b)	(b)	(b)	1.7

- (a) Earnings for the three months ended January 31, 2011 and the years ended October 31, 2010, 2009, 2008 and 2007 were insufficient to cover fixed charges for such period by \$63.1 million, \$273.8 million, \$628.3 million, \$1,153.5 million and \$684.6 million, respectively.
- (b) Earnings for the three months ended January 31, 2011 and the years ended October 31, 2010, 2009, 2008 and 2007 were insufficient to cover fixed charges and preferred stock dividends for such period by \$63.1 million, \$273.8 million, \$628.3 million, \$1,153.5 million and \$695.6 million, respectively. Due to restrictions in our indentures on our senior secured, senior, and senior subordinated notes, we are currently prohibited from paying dividends on our preferred stock and did not make any dividend payments in the first quarter of fiscal 2011 or in fiscal 2010, 2009 and 2008. In fiscal 2007 and 2006, we paid \$10.7 million of dividends on our preferred stock.

Provisions Applicable to Senior, Senior Subordinated and Subordinated Debt Securities

General. The Hovnanian Debt Securities will be unsecured senior, senior subordinated or subordinated obligations of Hovnanian and the K. Hovnanian Debt Securities will be secured or unsecured senior, unsecured senior subordinated or unsecured subordinated obligations of K. Hovnanian, except that, under specified circumstances, K. Hovnanian may be released from these obligations. See Conditions for Release of K. Hovnanian. Unless otherwise specified in any prospectus supplement, the Senior Debt Securities will rank equally in right of payment with all of the other senior obligations of Hovnanian or K. Hovnanian, as applicable, and the Senior Subordinated Debt Securities and the Subordinated Debt Securities will have such terms with respect to rank and priority as described under Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities Subordination. Except to the extent described in any prospectus supplement, the Indentures do not, and the debt securities will not, contain any covenants or other provisions that are intended to afford holders of the debt securities special protection in the event of either a change of control of Hovnanian (except with respect to secured senior obligations of K. Hovnanian) or a highly leveraged transaction by Hovnanian.

We refer you to the applicable prospectus supplement for the following terms of, and information relating to, the debt securities being offered, the Offered Debt Securities, to the extent these terms are applicable to Offered Debt Securities:

No service charge will be made for any transfer or exchange of any debt securities but the issuer or trustee may require payment of a sum sufficient to cover any tax or other governmental charge, payable in connection therewith.

Debt securities may bear interest at a fixed rate or a floating rate. Debt securities bearing no interest or interest at a rate that at the time of issuance is below the prevailing market rate may be issued at an initial offering price below their stated principal amount. Special United States federal income tax considerations applicable to discounted debt securities or to other debt securities that are treated as having been issued at a discount for United States federal income tax purposes will be described in the applicable prospectus supplement.

Unless otherwise specified in any prospectus supplement, in determining whether the holders of the requisite aggregate principal amount of outstanding debt securities of any series have given any request, demand, authorization, direction, notice, consent or waiver under the Indentures, the principal amount of any series of debt securities originally issued at a discount from their stated principal amount that will be deemed to be outstanding for such purposes will be the amount of the principal thereof that would be due and payable as of the date of the determination upon a declaration of acceleration of the maturity thereof.

Description of Guarantees. Hovnanian will fully and unconditionally guarantee, pursuant to the K. Hovnanian Indentures, the due and prompt payment of the principal of and premium, if any, and interest on the K. Hovnanian Debt Securities and all other obligations of K. Hovnanian to the holders of the K. Hovnanian Debt Securities and the trustee under the K. Hovnanian Indentures when and as the same shall become due and payable, whether at the stated maturity, by declaration of acceleration, call for redemption or otherwise. Any series of debt securities of Hovnanian

may be guaranteed by, and any series of debt securities of K. Hovnanian may be further guaranteed by, certain subsidiaries of Hovnanian, the subsidiary guarantees, as provided in the applicable prospectus supplement relating to such series. If debt securities are guaranteed by subsidiary guarantors, that subsidiary guarantee will be set forth in the applicable indenture or in a supplemental indenture.

Hovnanian Subordinated Debt Securities will be subordinated in right of payment to the prior payment in full of all Senior Indebtedness of Hovnanian to the same extent and manner that payments with respect to the K. Hovnanian Senior Subordinated Debt Securities and K. Hovnanian Subordinated Debt Securities are subordinated in right of payment to the prior payment in full of all Senior Indebtedness of K. Hovnanian as

Table of Contents

described under Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities below. Likewise, payments with respect to subsidiary guarantees of Senior Subordinated Debt Securities and Subordinated Debt Securities will be subordinated in right of payment to the prior payment in full of all Senior Indebtedness of each such subsidiary guarantor to the same extent and manner that payments with respect to the Senior Subordinated Debt Securities and Subordinated Debt Securities are subordinated in right of payment to the prior payment in full of all Senior Indebtedness of the issuer of such debt securities as described under Provisions Applicable Solely to Senior Subordinated Debt Securities and Subordinated Debt Securities below.

Global Securities. The Offered Debt Securities may be issued in whole or in part in the form of one or more global securities, the global securities, that will be deposited with or on behalf of a depositary, the depositary, identified in the prospectus supplement relating to such series. Global securities may be issued only in fully registered form and in either temporary or permanent form. Unless and until it is exchanged in whole or in part for the individual debt securities represented thereby, a global security:

may not be transferred except as a whole; and

may only be transferred

by the depositary for the global security to its nominee,

by a nominee of the depositary to the depositary or another nominee of the depositary, or

by the depositary or any nominee to a successor depositary or nominee of the successor depositary.

The specific terms of the depositary arrangement with respect to Offered Debt Securities will be described in the prospectus supplement relating to such series. Hovnanian and K. Hovnanian anticipate that the following provisions generally will apply to all depositary arrangements.

Upon the issuance of a global security, the depositary for that global security or its nominee will credit, on its book-entry registration and transfer system, the respective principal amounts of the individual debt securities represented by that global security to the accounts of persons that have accounts with such depositary. Those accounts will be designated by the dealers, underwriters or agents with respect to those debt securities or by the issuer if the debt securities are offered and sold directly by the issuer. Ownership of beneficial interests in a global security will be limited to persons that have accounts with the applicable depositary, participants, or persons that may hold interests through participants. Ownership of beneficial interests in a global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the applicable depositary or its nominee, with respect to interests of participants, and the records of participants, with respect to interests of persons other than participants. The laws of some states require that certain purchasers of securities take physical delivery of these securities in definitive form. These limits and laws may impair the ability to transfer beneficial interests in a global security.

As long as the depositary for a global security or its nominee is the registered owner of the global security, the depositary or its nominee, as the case may be, will be considered the sole owner or holder of the debt securities of the series represented by that global security for all purposes under the Indenture governing those debt securities. Except as provided below, owners of beneficial interests in a global security will not be entitled to have any of the individual debt securities of the series represented by the global security registered in their names, will not receive or be entitled to receive physical delivery of any of those debt securities in definitive form and will not be considered the owners or holders thereof under the Indenture governing those debt securities.

Payment of principal of, premium, if any, and interest, if any, on individual debt securities represented by a global security registered in the name of a depository or its nominee will be made to the depository or its nominee, as the case may be, as the registered owner of the global security representing the debt securities. Hovnianian and K. Hovnianian expect that the depository for a series of debt securities or its nominee, upon receipt of any payment of principal, premium, if any, and interest, if any, in respect of a global security representing any of those debt securities, will immediately credit participants' accounts with payments in amounts proportionate to their respective beneficial interests in the principal amount of the global security for those securities as shown on the records of such depository or its nominee. Hovnianian and K. Hovnianian also expect that payments by

Table of Contents

participants to owners of beneficial interests in the global security held through the participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in street name. These payments will be the responsibility of the participants. Neither Hovnanian, K. Hovnanian, the trustee for such debt securities, any paying agent nor the registrar for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the global security for the debt securities or for maintaining, supervising or reviewing any records relating to beneficial ownership interests.

If the depository for a series of debt securities is at any time unwilling, unable or ineligible to continue as depository and a successor depository is not appointed by the issuer within 90 days, the issuer will issue individual debt securities of the applicable series in exchange for the global security representing the applicable series of debt securities. In addition, an issuer may at any time and in its sole discretion, subject to any limitations described in the prospectus supplement relating to such debt securities, determine not to have any debt securities of a series represented by a global security and, in such event, will issue individual debt securities of the applicable series in exchange for the global security representing the applicable series of debt securities. Further, if an issuer so specifies with respect to the debt securities of a series, an owner of a beneficial interest in a global security representing debt securities of that series may, on terms acceptable to the issuer, the trustee and the depository for the global security, receive individual debt securities of the applicable series in exchange for beneficial interests, subject to any limitations described in the prospectus supplement relating to the debt securities. In this instance, an owner of a beneficial interest in a global security will be entitled to physical delivery of individual debt securities of the series represented by the applicable global security equal in principal amount to the beneficial interest and to have the debt securities registered in its name. Individual debt securities of the series so issued will be issued in registered form and in denominations, unless otherwise specified in the applicable prospectus supplement relating to that series of debt securities, of \$2,000 and integral multiples of \$1,000 in excess thereof.

Events of Default. Unless otherwise specified in the applicable prospectus supplement, an Event of Default is defined under each Indenture with respect to the debt securities of any series issued under the applicable Indenture as being:

default in the payment of principal of or premium, if any, with respect to debt securities of the applicable series when due;

default in the payment of any installment of interest on any of the debt securities of that series when due, continued for 30 days;

default in the payment or satisfaction of any sinking fund or other purchase obligation with respect to debt securities of that series when due;

default in the performance of any other covenant of any of the obligors applicable to debt securities of that series after written notice to the obligors by the trustee or to the obligors and the trustee, by the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding requiring the same to be remedied and after giving effect to any applicable grace period; and

specified events of bankruptcy, insolvency or reorganization of the issuer.

An Event of Default with respect to secured senior obligations of K. Hovnanian is also defined under the applicable K. Hovnanian Senior Debt Indenture to include the following, as further described in the applicable prospectus supplement:

with respect to any obligor, acceleration of principal payments of indebtedness (other than non-recourse indebtedness), payment defaults on principal or interest on indebtedness (other than non-recourse indebtedness), or one or more final judgments, in each case in amounts aggregating \$10 million or more, after giving effect to the applicable grace period;

the failure of any guarantee of certain significant subsidiaries of Hovnanian to be in full force and effect or the denial by any guarantor of its liability under its guarantee; and

Table of Contents

the termination of or failure of the liens securing any material portion of the collateral securing such secured senior obligations of K. Hovnanian to be valid and perfected or the termination of or failure of the applicable security documents to be in full force and effect, after giving effect to the applicable grace period (in each case with certain exceptions).

If any Event of Default shall occur and be continuing, the trustee or the holders of not less than 25% in aggregate principal amount of the debt securities of that series then outstanding, by notice in writing to Hovnanian or K. Hovnanian, as applicable, and to the trustee, if given by the holders, may declare the principal, or, in the case of any series of debt securities originally issued at a discount from their stated principal amount, the portion of the principal amount as may be specified in the terms of that series, of all of the debt securities of that series and the interest, if any, accrued thereon to be due and payable immediately. Subject to the conditions set forth in each Indenture, the declaration described in the preceding sentence may be rescinded by notice in writing to Hovnanian or K. Hovnanian, as applicable, and the trustee by holders of a majority in aggregate principal amount of the debt securities of the series then outstanding. This rescission will rescind and annul any declaration made pursuant to the first sentence of this paragraph and its consequences if all defaults under such Indenture are cured or waived.

Each Indenture provides that no holder of any series of debt securities then outstanding may institute any suit, action or proceeding with respect to, or otherwise attempt to enforce, that Indenture, unless:

the holder previously gave the trustee written notice of default and of the continuance thereof;

the holders of not less than 25% in aggregate principal amount of the applicable series of debt securities then outstanding made written request to the trustee to institute the suit, action or proceeding and offered to the trustee reasonable indemnity as it may require with respect thereto; and

the trustee, for 60 days after its receipt of the notice, request and offer of indemnity, neglected or refused to institute any action, suit or proceeding.

Subject to the subordination provisions applicable to the Senior Subordinated Debt Securities and the Subordinated Debt Securities, the right, described in the above bullet points, of any holder of any debt security to receive payment of the principal of, premium, if any, or interest, if any, on that debt security, on or after the respective due dates, or to institute suit for the enforcement of any payment shall not be impaired or affected without the consent of the holder.

The holders of a majority in aggregate principal amount of the debt securities of the series then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities of that series, provided that the trustee may decline to follow that direction if the trustee determines that the action or proceeding is unlawful or would involve the trustee in personal liability.

Hovnanian and/or K. Hovnanian, as applicable, are required to furnish annually to the trustee a certificate as to compliance by Hovnanian and/or K. Hovnanian, as applicable, with all conditions and covenants under each Indenture.

Covenants. The covenants, if any, that will apply to the particular Offered Debt Securities will be as described in the applicable prospectus supplement relating to such Offered Debt Securities. Except as described herein and as otherwise specified in the applicable prospectus supplement with respect to any Offered Debt Securities, Hovnanian and/or K. Hovnanian as applicable may remove or add covenants without the consent of holders of the debt securities.

Discharge and Defeasance. Unless otherwise specified in the applicable prospectus supplement, Hovnanian and/or K. Hovnanian, as applicable, can discharge or defease their respective obligations with respect to any series of debt securities as described below.

Unless otherwise specified in any prospectus supplement, Hovnanian or K. Hovnanian, as applicable, may discharge all of its obligations, except those described below, to holders of any series of debt securities issued under any Indenture that have not already been delivered to the trustee for cancellation and that have either become due and payable, or are by their terms due and payable within one year or are to be called for redemption within one year, by irrevocably depositing with the trustee cash or U.S. Government Obligations, as defined in the Indenture, or a

combination thereof, as trust funds in an amount to be sufficient to pay when due the principal of, premium, if any, and interest, if any, on all outstanding debt securities of that series and to make any mandatory sinking fund payments, if any, thereon when due.

Unless otherwise provided in the applicable prospectus supplement, Hovnanian or K. Hovnanian, as applicable, may also elect at any time to defease and be discharged from all of its obligations, except those described below, to holders of any series of debt securities issued under each Indenture, defeasance, or be released from all of their obligations with respect to specified covenants and certain events of default applicable to any series of debt securities issued under each Indenture, covenant defeasance, if, among other things:

Hovnanian or K. Hovnanian, as applicable, irrevocably deposit with the trustee cash or U.S. Government Obligations, or a combination thereof, as trust funds in an amount to be sufficient to pay when due the principal of, premium, if any, and interest, if any, on all outstanding debt securities of the applicable series and to make any mandatory sinking fund payments, if any, thereon when due;

the deposit will not result in a breach or violation of, or cause a default under, any material agreement or instrument (other than the Indenture) to which either Hovnanian or K. Hovnanian, as applicable, is a party or by which it is bound; and

Hovnanian or K. Hovnanian, as applicable, deliver to the trustee an opinion of counsel to the effect that the holders of the applicable series of debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of the defeasance or covenant defeasance and that defeasance will not otherwise alter the United States federal income tax treatment of the holders' principal of and interest payments, if any, on that series of debt securities.

In the case of defeasance, the opinion must be based on a ruling of the Internal Revenue Service or a change in United States federal income tax law occurring after the date of the Indenture relating to the debt securities of such series, because this result would not occur under current tax law.

Notwithstanding the foregoing, no discharge, defeasance or covenant defeasance described above will affect the following obligations to, or rights of, the holders of any series of debt securities:

rights of registration of transfer and exchange of debt securities of the applicable series;

rights of substitution of mutilated, defaced, destroyed, lost or stolen debt securities of the applicable series;

rights of holders of debt securities of the applicable series to receive payments of principal thereof, premium, if any, and interest, if any, thereon, upon the original due dates therefore, but not upon acceleration, and to receive mandatory sinking fund payments thereon when due, if any;

rights, obligations, duties and immunities of the trustee;

rights of holders of debt securities of a series as beneficiaries with respect to property so deposited with the trustee payable to all or any of them; and

obligations of Hovnanian or K. Hovnanian, as applicable, to maintain an office or agency in respect of debt securities of the series.

Hovnanian or K. Hovnanian, as applicable, may exercise the defeasance option with respect to any series of debt securities notwithstanding the prior exercise of the covenant defeasance option with respect to any series of debt securities. If Hovnanian or K. Hovnanian, as applicable, exercises the defeasance option with respect to any series of debt securities, payment of that series of debt securities may not be accelerated because of an Event of Default with respect to that series of debt securities. If Hovnanian or K. Hovnanian, as applicable, exercises the covenant defeasance option with respect to any series of debt securities, payment of that series of debt securities may not be accelerated by reason of an Event of Default with respect to the covenants to which such covenant defeasance is applicable. However, if acceleration were to occur by reason of another Event of Default, the realizable value at the acceleration date of the cash and U.S. Government Obligations in the defeasance trust could be less than the principal of, premium, if any, and interest, if any, and any mandatory sinking fund payments, if any, then due on the series of debt securities, in that the required deposit in the defeasance trust is based upon scheduled

cash flow rather than market value, which will vary depending upon interest rates and other factors. In addition, if K. Hovnanian exercises its defeasance or covenant defeasance option with respect to senior secured obligations of K. Hovnanian, the liens on the collateral granted under the security documents will be released.

Modification of the Indenture. Except as otherwise provided in the applicable prospectus supplement, each Indenture provides that the obligors and the trustee may enter into supplemental indentures without the consent of the holders of the debt securities to:

evidence the assumption by a successor entity of the obligations of any of the obligors under that Indenture, including in connection with a transaction described under Consolidation, Merger, Sale or Conveyance ;

add covenants or new events of default for the protection of the holders of the debt securities;

cure any ambiguity or defect or correct any inconsistency;

establish the form and terms of debt securities of any series;

evidence the acceptance of appointment by a successor trustee or, in the case of secured senior obligations of K. Hovnanian, a successor collateral agent;

secure, or add security for, the debt securities of the applicable series or provide for, or add, guarantees of the debt securities of any series and evidence the termination or discharge of any guarantee of or lien securing the debt securities of such series when permitted under the applicable Indenture;

designate a bank or trust company other than the trustee specified in the applicable prospectus supplement to act as trustee for a series of debt securities;

subject to the following paragraph, modify the existing covenants and events of default solely in respect of, or add new covenants and events of default that apply solely to, debt securities not yet issued and outstanding on the date of the supplemental indenture, if applicable;

provide for the issuance of debt securities of any series in uncertificated form in addition to or in place of certificated debt securities of any series and exchangeability of those debt securities for fully registered debt securities;

modify, eliminate or add to the provisions of the Indenture as necessary to effect the qualification of the Indenture under the Trust Indenture Act of 1939 and to add provisions expressly permitted by that Act;

modify the provisions to provide for the denomination of debt securities in foreign currencies that will not adversely affect the interests of the holders of the debt securities in any material respect;

to conform the text of the applicable Indenture, Offered Debt Securities or guarantees to this Description of Debt Securities or the comparable provisions in the applicable prospectus supplement to the extent this Description of Debt Securities or such comparable provision in a prospectus supplement was intended to be a verbatim recitation of a provision of such Indenture, Offered Debt Securities or guarantees;

make any other change with respect to the debt securities of any series that does not adversely affect the legal rights of holders of the debt securities of such series; and

in the case of secured senior obligations of K. Hovnanian, make certain amendments to the security documents relating thereto as permitted by the applicable K. Hovnanian Senior Debt Indenture and as further described in the applicable prospectus supplement.

Each Indenture also contains provisions permitting the obligors and the trustee, with the consent of the holders of not less than a majority in aggregate principal amount of debt securities of each series then outstanding and affected, to add any provisions to, or change in any manner or eliminate any of the provisions of, the applicable Indenture or any supplemental indenture or modify in any manner the rights of the holders of the debt securities of

that series; provided that the obligors and the trustee may not, without the consent of the holder of each outstanding debt security affected thereby:

change the stated final maturity of any debt security, reduce the principal amount thereof, reduce the rate or extend the time of payment of interest (including default interest), if any, thereon, reduce or alter the method of computation of any amount payable on redemption, repayment or purchase by the issuer, or in the case of secured senior obligations of K. Hovnanian, alter the provisions relating to redemption and offers to repurchase provided in the applicable K. Hovnanian Senior Debt Indenture and as further described in the applicable prospectus supplement, change the coin or currency in which principal, premium, if any, and interest, if any, are payable, reduce the amount of the principal of any original issue discount security payable upon acceleration or provable in bankruptcy, waive certain defaults or Events of Default, impair or affect the right to institute suit for the enforcement of any payment or repayment thereof or, if applicable, adversely affect any right of prepayment at the option of the holder or make any change adverse to the interests of the holders in the terms and conditions of the guarantee by Hovnanian or by the subsidiary guarantors, release any guarantee or all or substantially all of the collateral (as applicable) otherwise than in accordance with the indenture and the security documents or modify the ranking or priority of the debt securities of any series or any guarantees of the debt securities of such series; or

reduce the stated percentage in aggregate principal amount of debt securities of any series issued under the Indenture, the consent of which is required for any such amendment or waiver.

Consolidation, Merger, Sale or Conveyance. Except as otherwise provided in the applicable prospectus supplement, the K. Hovnanian Indentures provide that K. Hovnanian or Hovnanian may, and the Hovnanian Indentures provide that Hovnanian may, without the consent of the holders of debt securities, consolidate with, merge into or transfer, exchange or dispose of all of its properties to, any other corporation or partnership (or other legal entity in the case of secured senior obligations of K. Hovnanian) organized under the laws of the United States, any state thereof or the District of Columbia, provided that:

the successor corporation or partnership (or other legal entity in the case of secured senior obligations of K. Hovnanian) assumes all obligations of K. Hovnanian or Hovnanian, as the case may be, by supplemental indenture satisfactory in form to the applicable trustee executed and delivered to that trustee, under the Indentures and the debt securities;

immediately after giving effect to the consolidation, merger, exchange or other disposition, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, will have occurred and be continuing; and

certain other conditions are met.

Conditions for Release of K. Hovnanian. Except as otherwise provided in a prospectus supplement, each K. Hovnanian Indenture provides that K. Hovnanian may be released from its obligations under the K. Hovnanian Indenture and the K. Hovnanian Debt Securities, without the consent of the holders of the K. Hovnanian Debt Securities of any series, provided that:

Hovnanian or any successor to Hovnanian has assumed the obligations of K. Hovnanian under the K. Hovnanian Indenture and the K. Hovnanian Debt Securities by supplemental indenture satisfactory in form to the applicable trustee executed and delivered to that trustee;

Hovnanian delivers to the trustee an opinion of counsel to the effect that the holders of K. Hovnanian Debt Securities will not recognize income, gain or loss for United States federal income tax purposes as a result of the release of K. Hovnanian from its obligations under the K. Hovnanian Indenture and the K. Hovnanian Debt Securities and that such release will not otherwise alter the United States federal income tax treatment of the holders of the K. Hovnanian Debt Securities; and

certain other conditions are met.

Hovnanian, as applicable, may resume payments on the Senior Subordinated Debt Securities and the Subordinated Debt Securities after the payment blockage period. After the expiration of the initial payment blockage period, no subsequent payment blockage period may be commenced on the basis of a Senior Nonmonetary Default which existed or was continuing on the date of the commencement of the initial payment blockage period until at least 270 consecutive days have elapsed from the last day of the initial payment blockage period.

any Subsidiary of the obligor takes, suffers or permits to exist any of the events or conditions referred to in any of the above bullet points,

then all Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, including any interest thereon accruing after the commencement of any proceedings, will first be paid in full before any payment or distribution, whether in cash, securities or other property, is made by the obligor to any holder of Senior Subordinated Debt Securities or Subordinated Debt Securities on account of the principal of, premium, if any, or interest, if any, on the Senior Subordinated Debt Securities or Subordinated Debt Securities, as the case may be.

Any payment or distribution, whether in cash, securities or other property, other than securities of Hovnianian or K. Hovnianian, as applicable, or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the subordination provisions with respect to the indebtedness evidenced by the Senior Subordinated Debt Securities or the Subordinated Debt Securities, to the payment of all Senior Indebtedness of the obligor then outstanding and to any securities issued in respect thereof under a plan of reorganization or readjustment, that would otherwise, but for the subordination provisions, be payable or deliverable in respect of the Senior Subordinated Debt Securities or the Subordinated Debt Securities of any series will be paid or delivered directly to the holders of Senior Indebtedness of the obligor in accordance with the priorities then existing among such holders until all Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, including any interest thereon accruing after the commencement of proceedings, has been paid in full. In the event of any proceeding, after payment in full of all sums owing with respect to Senior Indebtedness of the obligor, the holders of Senior Subordinated Debt Securities, together with the holders of any obligations of the obligor ranking on a parity with the Senior Subordinated Debt Securities, will be entitled to be repaid from the remaining assets of Hovnianian or K. Hovnianian, as applicable, the amounts at that time due and owing on account of unpaid principal of, premium, if any, or interest, if any, on the Senior Subordinated Debt Securities and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or obligations of the obligor ranking junior to the Senior Subordinated Debt Securities, including the Subordinated Debt Securities, and such other obligations.

If any payment or distribution of any character, whether in cash, securities or other property, other than securities of Hovnianian or K. Hovnianian, as applicable, or any other corporation provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in the subordination provisions with respect to the Senior Subordinated Debt Securities or the Subordinated Debt Securities, to the payment of all Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, then outstanding and to any securities issued in respect thereof under the plan of reorganization or readjustment, will be received by the trustee, or any holder of any Senior Subordinated Debt Securities or Subordinated Debt Securities in contravention of any of the terms of the Senior Subordinated Debt Indenture or the Subordinated Debt Indenture, as the case may be, such payment or distribution of securities will be received in trust for the benefit of, and will be paid over or delivered and transferred to, the holders of the Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, then outstanding in accordance with the priorities then existing among the holders for application to the payment of all Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, remaining unpaid to the extent necessary to pay all the Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, in full.

By reason of the subordination, in the event of the insolvency of Hovnianian or K. Hovnianian, as applicable, holders of Senior Indebtedness of Hovnianian or K. Hovnianian, as applicable, may receive more, ratably, than holders of the Senior Subordinated Debt Securities or Subordinated Debt Securities of Hovnianian or K. Hovnianian, as applicable. Subordination will not prevent the occurrence of any Event of Default, as defined in the Indentures, or limit the right of acceleration in respect of the Senior Subordinated Debt Securities or Subordinated Debt Securities.

7.625% Series A Preferred Stock

Dividends on the Series A Preferred Stock are not cumulative. The Series A Preferred Stock ranks senior to Hovnianian's common stock with respect to the payment of dividends to the extent provided in the Certificate of Designations, Powers, Preferences and Rights of the 7.625% Series A Preferred Stock (the Certificate). The Certificate provides that unless dividends have been declared and paid or set apart for payment on the Series A Preferred Stock for the then-currently quarterly dividend period, no dividend may be declared or paid or set apart for payment on Hovnianian's common stock for that period, other than dividends or distributions paid in shares of, or options, warrants or rights to subscribe for or purchase shares of, the common stock of Hovnianian or any other stock of Hovnianian ranking, as to the payment of dividends and the distribution of assets upon dissolution, liquidation or winding up of Hovnianian, junior to the Series A Preferred Stock.

The Series A Preferred Stock has no voting rights except as provided for in the Certificate or as otherwise required by law. However, so long as any shares of Series A Preferred Stock are outstanding, Hovnianian will not, without the vote of the holders of at least a majority of the shares of the Series A Preferred Stock, (1) authorize, create or issue any capital stock of Hovnianian ranking, as to dividends or upon liquidation, dissolution or winding up, senior to the Series A Preferred Stock, or reclassify any authorized capital stock of Hovnianian into any such shares of such capital stock, or issue any obligation or security convertible into or evidencing the right to purchase any such shares, or (2) amend, alter or repeal the Certificate, or the certificate of incorporation of Hovnianian, whether by merger, consolidation or otherwise, in a way that adversely affects the powers, preferences or special rights of the Series A Preferred Stock. Any increase in the amount of authorized common stock or preferred stock or any increase or decrease in the number of shares of any series of preferred stock or the authorization, creation and issuance of other classes or series of stock, in each case ranking equally with or junior to the Series A Preferred Stock will not be deemed to adversely affect such powers, preferences or special rights.

paid in full. Neither a consolidation nor merger of Hovnianian, nor a sale, lease, exchange or transfer of all or substantially all of Hovnianian's assets will be deemed to be a liquidation, dissolution or winding up of Hovnianian.

Rights Plan

On July 29, 2008, the Board of Directors of Hovnianian adopted a shareholder rights plan, the Rights Plan, and declared a dividend of one preferred share purchase right for each outstanding share of Class A Common Stock and Class B Common Stock, which was subsequently paid to stockholders of record as of August 15, 2008. Subject to the terms, provisions and conditions of the rights plan, if and when they become exercisable, each right would entitle its holder to purchase from Hovnianian one ten-thousandth of a share of Hovnianian's Series B Junior Preferred Stock for a purchase price of \$35.00, the Purchase Price. If issued, each fractional share of Preferred Stock would give the stockholder approximately the same dividend, voting and liquidation rights as does one share of Hovnianian's Class A Common Stock. However, prior to exercise, a right does not give its holder any rights as a stockholder of Hovnianian, including without limitation any dividend, voting or liquidation rights.

The Board of Directors of Hovnianian adopted the Rights Plan in an effort to protect stockholder value by attempting to protect against a possible limitation on Hovnianian's ability to use our net operating loss carryforwards, NOLs, to reduce potential future federal income tax obligations. Hovnianian has experienced and continues to experience substantial operating losses, and under the Internal Revenue Code and rules promulgated by the Internal Revenue Service, Hovnianian may carry forward these losses in certain circumstances to offset any current and future earnings and thus reduce its federal income tax liability, subject to certain requirements and restrictions. To the extent that the NOLs do not otherwise become limited, Hovnianian believes that it will be able to carry forward a significant amount of NOLs, and therefore these NOLs could be a substantial asset to Hovnianian. However, if Hovnianian experiences an Ownership Change, as defined in Section 382 of the Internal Revenue Code, Hovnianian's ability to use the NOLs will be substantially limited, and the timing of the usage of the NOLs could be substantially delayed, which could therefore significantly impair the value of that asset. The Rights Plan is intended to act as a deterrent to any person or group acquiring 4.9% or more of our outstanding Class A Common Stock, an Acquiring Person, without the approval of Hovnianian's Board.

Exercisability. The rights will not be exercisable until the earlier of (i) 10 business days after a public announcement by us that a person or group has become an Acquiring Person and (ii) 10 business days after the commencement of a tender or exchange offer by a person or group for 4.9% of the Class A Common Stock.

Until the date that the rights become exercisable, the Distribution Date, the rights are evidenced by Hovnianian's Class A Common Stock and Class B Common Stock certificates which contain a notation to that effect. Any transfer of shares of Class A Common Stock and/or Class B Common Stock prior to the Distribution Date constitutes a transfer of the associated rights. After the Distribution Date, the rights may be transferred separately from the transfer of the underlying shares of Class A Common Stock or Class B Common Stock. After the Distribution Date, each holder of a right, other than rights beneficially owned by the Acquiring Person (which will thereupon become void), will thereafter have the right to receive upon exercise of a right and payment of the Purchase Price, that number of shares of Class A Common Stock or Class B Common Stock, as the case may be, having a market value of two times the Purchase Price.

Exchange. After the Distribution Date, the Board of Directors may exchange the rights (other than rights owned by an Acquiring Person which will have become void), in whole or in part, at an exchange ratio of one share of Common Stock, or a fractional share of Series B Preferred Stock (or of a share of a similar class or series of Hovnianian's preferred stock having similar rights, preferences and privileges) of equivalent value, per right (subject to adjustment).

Expiration. The rights and the Rights Plan will expire on the earliest of (i) August 14, 2018, (ii) the time at which the rights are redeemed pursuant to the Rights Agreement, (iii) the time at which the rights are exchanged pursuant to the Rights Agreement, (iv) the repeal of Section 382 of the Internal Revenue Code or any successor statute if the Board of Directors determines that the Rights Agreement is no longer necessary for the preservation of tax benefits, and (v) the beginning of a taxable year of Hovnanian to which the Board of Directors determines that no tax benefits may be carried forward.

Table of Contents

Redemption. At any time prior to the time an Acquiring Person becomes such, the Board of Directors may redeem the rights in whole, but not in part, at a price of \$0.01 per right, the Redemption Price. The redemption of the rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in its sole discretion may establish. Immediately upon any redemption of the rights, the right to exercise the rights will terminate and the only right of the holders of rights will be to receive the Redemption Price.

Anti-Dilution Provisions. The Board of Directors may adjust the purchase price of the preferred shares, the number of preferred shares issuable and the number of outstanding rights to prevent dilution that may occur as a result of certain events, including among others, a stock dividend, a stock split or a reclassification of the preferred shares or Hovnanian's Class A Common Stock or Class B Common Stock. No adjustments to the purchase price of less than 1% will be made.

Amendments. Before the Distribution Date, the Board of Directors may amend or supplement the Rights Plan without the consent of the holders of the rights. After the Distribution Date, the Board of Directors may amend or supplement the rights Plan only to cure an ambiguity, to alter time period provisions, to correct inconsistent provisions, or to make any additional changes to the Rights Plan, but only to the extent that those changes do not impair or adversely affect any rights holder.

Transfer Restrictions in the Certificate of Incorporation

At a special meeting of stockholders held on December 5, 2008, Hovnanian's stockholders approved an amendment to its Certificate of Incorporation to restrict certain transfers of Class A Common Stock in order to preserve the tax treatment of Hovnanian's NOLs under Section 382 of the Internal Revenue Code. Subject to certain exceptions pertaining to pre-existing 5% stockholders and Class B stockholders, the transfer restrictions in the amended Certificate of Incorporation generally restrict any direct or indirect transfer (such as transfers of Hovnanian's stock that result from the transfer of interests in other entities that own Hovnanian's stock) if the effect would be to: (i) increase the direct or indirect ownership of Hovnanian's stock by any person (or public group) from less than 5% to 5% or more of Hovnanian's common stock; (ii) increase the percentage of Hovnanian's common stock owned directly or indirectly by a person (or public group) owning or deemed to own 5% or more of Hovnanian's common stock; or (iii) create a new public group (as defined in the applicable Treasury regulations). Transfers included under the transfer restrictions include sales to persons (or public groups) whose resulting percentage ownership (direct or indirect) of common stock would exceed the 5% thresholds discussed above, or to persons whose direct or indirect ownership of common stock would by attribution cause another person (or public group) to exceed such threshold.

Consequences of Prohibited Transfers. In accordance with Hovnanian's amended Certificate of Incorporation, any direct or indirect transfer attempted in violation of the restrictions would be void as of the date of the purported transfer as to the purported transferee (or, in the case of an indirect transfer, the ownership of the direct owner of Class A Common Stock would terminate simultaneously with the transfer), and the purported transferee (or in the case of any indirect transfer, the direct owner) would not be recognized as the owner of the shares owned in violation of the restrictions for any purpose, including for purposes of voting and receiving dividends or other distributions in respect of such Class A Common Stock, or in the case of options, receiving Class A Common Stock in respect of their exercise. In this prospectus, Class A Common Stock purportedly acquired in violation of the transfer restrictions is referred to as excess stock.

In addition to the purported transfer being void as of the date of the purported transfer, upon demand, the purported transferee must transfer the excess stock to Hovnanian's agent along with any dividends or other distributions paid with respect to such excess stock. Hovnanian's agent is required to sell such excess stock in an arms-length transaction (or series of transactions) that would not constitute a violation under the transfer restrictions. The net proceeds of the sale, together with any other distributions with respect to such excess stock received by Hovnanian's agent, after

deduction of all costs incurred by the agent, will be distributed first to the purported transferee in an amount, if any, up to the cost (or in the case of gift, inheritance or similar transfer, the fair market value of the excess stock on the date of the violative transfer) incurred by the purported transferee to acquire such excess stock, and the balance of the proceeds, if any, will be distributed to a charitable beneficiary. If the excess stock is sold by the purported transferee, such person will be treated as having sold the excess stock on behalf of the

Table of Contents

agent, and will be required to remit all proceeds to Hovnanian's agent (except to the extent Hovnanian grants written permission to the purported transferee to retain an amount not to exceed the amount such person otherwise would have been entitled to retain had Hovnanian's agent sold such shares).

To the extent permitted by law, any stockholder who knowingly violates the transfer restrictions will be liable for any and all damages suffered by Hovnanian as a result of such violation, including damages resulting from a reduction in or elimination of the ability to utilize the NOLs and any professional fees incurred in connection with addressing such violation.

With respect to any transfer of Class A Common Stock which does not involve a transfer of securities of Hovnanian within the meaning of the General Corporation Law of the State of Delaware but which would cause any 5% stockholder to violate the transfer restrictions, the following procedure will apply in lieu of those described above. In such case, no such 5% stockholder shall be required to dispose of any interest that is not a security of Hovnanian, but such 5% stockholder and/or any person whose ownership of securities of Hovnanian is attributed to such 5% stockholder will be deemed to have disposed of (and will be required to dispose of) sufficient securities, simultaneously with the transfer, to cause such 5% stockholder not to be in violation of the transfer restrictions, and such securities will be treated as excess stock to be disposed of through the agent under the provisions summarized above, with the maximum amount payable to such 5% stockholder or such other person that was the direct holder of such excess stock from the proceeds of sale by the agent being the fair market value of such excess stock at the time of the prohibited transfer.

Exceptions

The Board of Directors will have the discretion to approve transfers that would otherwise be restricted by the amended Certificate of Incorporation and may exempt any person or group from triggering the dilutive effect of the Rights Plan.

DESCRIPTION OF DEPOSITARY SHARES

The following description of depositary shares representing shares of our preferred stock sets forth certain general terms and provisions of depositary agreements, depositary shares and depositary receipts. The particular terms of the depositary shares and related agreements and receipts will be described in the prospectus supplement relating to those depositary shares. The description set forth below and in any prospectus supplement is not complete, and is subject to, and qualified in its entirety by reference to, the applicable depositary agreement, a form of which has been incorporated by reference as an exhibit to the Registration Statement of which this prospectus forms a part, and the depositary receipts, which will be filed as exhibits to the Registration Statement or filed as exhibits to one or more current reports on Form 8-K and incorporated by reference herein. The specific terms of the depositary shares as described in the applicable prospectus supplement will supplement and, if applicable, may modify or replace the general terms described in this prospectus.

General

Hovnanian may, at its option, elect to offer fractional shares of preferred stock, rather than full shares of preferred stock. In such event, Hovnanian will issue receipts for depositary shares, each of which will represent a fraction of a share of a particular series of preferred stock.

The shares of any series of preferred stock represented by depositary shares will be deposited under a deposit agreement between Hovnanian and a bank or trust company selected by Hovnanian having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000, as preferred stock depositary. Each owner of a depositary share will be entitled to all the rights and preferences of the underlying preferred stock,

including dividend, voting, redemption, conversion and liquidation rights, in proportion to the applicable fraction of a share of preferred stock represented by such depositary share.

The depositary shares will be evidenced by depositary receipts issued pursuant to the deposit agreement. Depositary receipts will be distributed to the registered holder purchasing the fractional shares of preferred stock in accordance with the terms of the applicable prospectus supplement.

Table of Contents

Shares of preferred stock represented by depositary shares may be withdrawn from the depositary arrangement upon surrender of depositary receipts at the principal office of the preferred stock depositary and upon payment of the taxes, charges and fees provided for in the deposit agreement. Subject to the terms of the deposit agreement, the holder of depositary receipts will receive the appropriate number of shares of preferred stock and any money or property represented by such depositary shares. Only whole shares of preferred stock may be withdrawn; if a holder holds an amount of depositary shares in excess of whole shares of preferred stock, the preferred stock depositary will deliver along with the withdrawn shares of preferred stock a new depositary receipt evidencing the excess number of depositary shares. Except as described in the deposit agreement, holders of withdrawn shares of preferred stock will not be entitled to redeposit such shares or to receive depositary shares.

Dividends and Other Distributions

The preferred stock depositary will distribute all cash dividends or other cash distributions received in respect of the deposited preferred stock to the record holders of depositary shares relating to such preferred stock in proportion to the number of such depositary shares owned by such holders.

The preferred stock depositary will distribute any property received by it other than cash to the record holders of depositary shares entitled thereto. If the preferred stock depositary determines that it is not feasible to make such distribution, it may, with Hovnanian's approval, sell such property and distribute the net proceeds from such sale to such holders.

If Hovnanian offers to the holders of a series of preferred stock represented by the depositary shares any rights, preferences or privileges to subscribe for or to purchase any securities or of any other nature, the preferred stock depositary will make such rights, preferences or privileges available to the record holders of depositary shares either by the issue of warrants representing such rights, preferences or privileges or by such other method as approved by the preferred stock depositary and Hovnanian. If the preferred stock depositary determines that this is not lawful or feasible or if it is instructed by a holder that such holder does not want to exercise such rights, preferences or privileges, it may, with Hovnanian's approval, sell such rights, preferences or privileges and distribute the net proceeds from such sale to the holders of depositary shares entitled thereto.

Redemption of Preferred Stock

If a series of preferred stock represented by depositary shares is to be redeemed, the depositary shares will be redeemed from the proceeds received by the preferred stock depositary resulting from the redemption, in whole or in part, of such series of preferred stock. The depositary shares will be redeemed by the preferred stock depositary at a price per depositary share equal to the applicable fraction of the redemption price per share payable in respect of the shares of preferred stock so redeemed.

Whenever Hovnanian redeems shares of preferred stock held by the preferred stock depositary, the preferred stock depositary will redeem as of the same date the number of depositary shares representing shares of preferred stock so redeemed. If fewer than all the depositary shares are to be redeemed, the depositary shares to be redeemed will be selected by the preferred stock depositary by lot or ratably or by such other equitable method as the preferred stock depositary may decide.

Voting Deposited Preferred Stock

Upon receipt of notice of any meeting at which the holders of any series of deposited preferred stock are entitled to vote, the preferred stock depositary will mail the information contained in such notice of meeting to the record holders of the depositary shares relating to such series of preferred stock. Each record holder of such depositary shares on the

record date will be entitled to instruct the preferred stock depositary to vote the amount of the preferred stock represented by such holder's depositary shares. The preferred stock depositary will endeavor, as practicable, to vote the amount of such series of preferred stock represented by such depositary shares in accordance with such instructions.

Hovnanian will agree to take all actions that the preferred stock depositary may deem necessary to enable the preferred stock depositary to vote as instructed. The preferred stock depositary will abstain from voting shares of

Table of Contents

any series of preferred stock held by it for which it does not receive specific instructions from the holders of depositary shares representing such shares.

Changes Affecting Preferred Stock

Upon any change in par or stated value, split-up, combination or any other reclassification of the series of preferred stock represented by the depositary shares, or upon any recapitalization, reorganization, merger, amalgamation or consolidation affecting Hovnanian or to which it is a party, the preferred stock depositary may in its discretion, with the approval and instructions of Hovnanian, and in such manner as the preferred stock depositary may deem equitable, treat any securities which shall be received by the preferred stock depositary in exchange for or upon conversion of or in respect of such preferred stock as new deposited securities received in exchange for or upon conversion or in respect of such preferred stock and make such adjustments in:

the fraction of an interest represented by one depositary share in one share of such preferred stock; and

the ratio of the redemption price per depositary share to the redemption price of a share of such preferred stock,

in each case as may be necessary to fully reflect the effects of such change.

With the approval of Hovnanian, the preferred stock depositary may execute and deliver additional depositary receipts, or may call for the surrender of all outstanding depositary receipts to be exchanged for new depositary receipts specifically describing such new deposited securities.

Amendment and Termination of the Deposit Agreement

The form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement may at any time be amended by agreement between Hovnanian and the preferred stock depositary. However, any amendment that materially and adversely alters any existing right of the holders of depositary shares will not be effective unless such amendment has been approved by the holders of at least a majority of the depositary shares then outstanding. Every holder of an outstanding depositary receipt at the time any such amendment becomes effective shall be deemed, by continuing to hold such depositary receipt, to consent and agree to such amendment and to be bound by the deposit agreement, which has been amended thereby. The deposit agreement may be terminated only if

all outstanding depositary shares have been redeemed; or

a final distribution in respect of the preferred stock has been made to the holders of depositary shares in connection with any liquidation, dissolution or winding up of Hovnanian.

Charges of Preferred Stock Depositary; Taxes and Other Governmental Charges

Hovnanian will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. Hovnanian also will pay charges of the depositary in connection with the deposit of preferred stock and any redemption of preferred stock. The amount paid as dividends or otherwise distributable by the preferred stock depositary with respect to the depositary shares or the underlying preferred stock will be reduced by any amounts required to be withheld by Hovnanian or the preferred stock depositary on account of taxes or other governmental charges. Holders of depositary receipts will pay other transfer and other taxes and governmental charges and such other charges, including a fee for the withdrawal of shares of preferred stock upon surrender of depositary receipts, as are expressly provided in the deposit agreement to be for their accounts. The preferred stock depositary may refuse to make any payment or distribution, or any transfer, exchange or withdrawal of any depositary shares or

shares of preferred stock, until such taxes or other governmental charges are paid.

Transfer, Surrender and Exchange

Depositary receipts may be transferred, surrendered or exchanged in accordance with the deposit agreement. The preferred stock depositary, its agents or Hovnanian may require a holder, among other things, to furnish appropriate endorsements and transfer documents. The preferred stock depositary is not required to accept deposits

Table of Contents

of preferred stock or to register transfers, surrenders or exchanges of depositary shares during any period when the register of stockholders of Hovnanian is closed or in order to comply with any requirement of law, government or governmental body, commission or the deposit agreement.

Resignation and Removal of Depositary

The preferred stock depositary may resign at any time by delivering to Hovnanian notice of its intent to do so, and Hovnanian may at any time remove the preferred stock depositary, any such resignation or removal to take effect upon the appointment of a successor preferred stock depositary and its acceptance of such appointment. Such successor preferred stock depositary must be appointed within 60 days after delivery of the notice of resignation or removal and must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000.

Miscellaneous

The preferred stock depositary will forward all reports and communications from Hovnanian which are delivered to the preferred stock depositary and which Hovnanian is required to furnish to the holders of the deposited preferred stock.

Neither the preferred stock depositary nor Hovnanian will be liable if it or Hovnanian are prevented or delayed by law or any circumstances beyond its or Hovnanian's control in performing its or Hovnanian's obligations under the deposit agreement. Hovnanian's obligations and the obligations of the preferred stock depositary under the deposit agreement will be limited to performance in good faith of Hovnanian's and their duties thereunder, and neither Hovnanian nor they will be obligated to prosecute or defend any legal proceeding in respect of any depositary shares, depositary receipts or shares of preferred stock unless satisfactory indemnity is furnished. Hovnanian and the preferred stock depositary may rely upon written advice of counsel or accountants, or upon information provided by holders of depositary receipts or other persons believed to be competent and on documents believed to be genuine.

Concerning the Preferred Stock Depositary

Information concerning the preferred stock depositary for a series of preferred stock represented by depositary shares will be set forth in the prospectus supplement relating to that series of preferred stock. Hovnanian and certain of its subsidiaries may maintain bank accounts, borrow money and have other commercial banking, investment banking and other business relationships with the preferred stock depositary and its affiliates in the ordinary course of business. The preferred stock depositary or its affiliates may participate as underwriters, agents or dealers in any offering of depositary shares.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

The following description of stock purchase contracts and stock purchase units sets forth certain general terms of the stock purchase contracts and/or stock purchase units that Hovnanian may issue. The price per share of Class A Common Stock, preferred stock or depositary shares may be fixed at the time the stock purchase contracts are issued or may be determined by reference to a specific formula set forth in the stock purchase contracts.

PLAN OF DISTRIBUTION

Hovnanian and K. Hovnanian may sell the securities to or through underwriters or dealers, and also may sell the offered securities directly to one or more other purchasers or through agents. The applicable prospectus supplement will list the names of any underwriters or agents involved in the sale of the offered securities and any applicable commissions or discounts, and will also describe the method of distribution of the securities offered thereby, the purchase price and the proceeds to be received from the sale, and any securities exchanges on which the securities of such series may be listed.

Hovnanian, K. Hovnanian or any of their agents may directly solicit offers to purchase these securities. The applicable prospectus supplement will name any agent, who may be deemed to be an underwriter as that term is defined in the Securities Act, involved in the offer or sale of the securities in respect of which this prospectus is delivered, and will set forth any commissions payable to that agent by Hovnanian or K. Hovnanian, as the case may be. Unless otherwise indicated in the prospectus supplement, any such agency will be acting in a best efforts basis for the period of its appointment (ordinarily five business days or less). Agents, dealers and underwriters may be customers of, engage in transactions with, or perform services for Hovnanian or K. Hovnanian in the ordinary course of business.

If Hovnanian or K. Hovnanian utilizes an underwriter or underwriters in the sale, they will execute an underwriting agreement with such underwriters at the time of sale to them and will set forth in the applicable prospectus supplement the names of the underwriters and the terms of the transaction. The underwriters will use the prospectus supplement to make releases of the securities in respect of which this prospectus is delivered to the public.

If Hovnanian or K. Hovnanian utilizes a dealer in the sale of the securities in respect of which this prospectus is delivered, Hovnanian or K. Hovnanian, as the case may be, will sell the securities to the dealer, as principal. The dealer may then resell the securities to the public at varying prices to be determined by the dealer at the time of resale. The prospectus supplement will set forth the name of the dealer and the terms of the transaction.

Underwriters, dealers or agents may offer and sell the offered securities at a fixed price or prices, which may be changed, or from time to time at market prices prevailing at the time of sale, at prices related to the prevailing market prices or at negotiated prices. In connection with the sale of the securities, underwriters or agents may be deemed to

have received compensation from Hovnanian or K. Hovnanian in the form of underwriting discounts or commissions and may also receive commissions from purchasers of the securities for whom they may act as agent. Underwriters or agents may sell the securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters or commissions from the purchasers for whom they may act as agent.

The preferred stock, depositary shares, debt securities, stock purchase contracts, stock purchase units, units and warrants, when first issued, will have no established trading market. Any underwriters or agents to or through whom offered securities are sold by Hovnanian or K. Hovnanian for public offering and sale may make a market in such offered securities, but the underwriters or agents will not be obligated to do so and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of the trading market for any offered securities. The applicable prospectus supplement set forth whether or not underwriters or agents may over-allot or effect transactions that stabilize, maintain or otherwise affect the market price of debt securities offered thereby at levels above those that might otherwise prevail in the open market, including, for example, by entering stabilizing bids, effecting syndicate covering transactions or imposing penalty bids.

Any underwriters, dealers or agents participating in the distribution of the offered securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the offered securities may be deemed to be underwriting discounts and commissions under the Securities Act. Underwriters, dealers or agents may be entitled, under agreements entered into with Hovnanian or K. Hovnanian, to indemnification against or contribution toward certain civil liabilities, including liabilities under the Securities Act.

If so indicated in the prospectus supplement, Hovnanian or K. Hovnanian will authorize underwriters or other persons acting as its or their agents to solicit offers by certain institutions to purchase securities from it or them pursuant to contracts providing for payment and delivery on a future date. Institutions with which contracts may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and others, but in all cases will be subject to the condition that the purchase of the securities will not at the time of delivery be prohibited under the laws of the jurisdiction to which such purchaser is subject. The underwriters and agents will not have any responsibility in respect of the validity or performance of such contracts.

The applicable prospectus supplement will set forth the place and time of delivery for the securities in respect of which this prospectus is delivered.

Item 15. *Indemnification of Directors and Officers.*

Hovnanian is a Delaware corporation. Section 145 of the General Corporation Law of the State of Delaware grants each corporation organized thereunder the power to indemnify any person who is or was a director, officer, employee or agent of a corporation or enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, by reason of being or having been in any such capacity, if he acted in good faith in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 102(b)(7) of the General Corporation Law of the State of Delaware enables a corporation in its certificate of incorporation or an amendment thereto validly approved by stockholders to limit or eliminate the personal liability of the members of its board of directors for violations of the directors' fiduciary duty of care.

Article FOUR of Hovnanian's Restated By-Laws contains the following provisions with respect to indemnification:

The Corporation shall indemnify any current or former Director or officer of the Corporation and his heirs, executors and administrators, and may, at the discretion of the Board of Directors, indemnify any current or former employee or agent of the Corporation and his heirs, executors and administrators, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonable incurred by him or by his heirs, executors and administrators in connection with any threatened, pending or completed action, suit or proceeding (brought by or in tire right of the Corporation or otherwise), whether civil, criminal, administrative or investigative, and whether formal or informal, including appeals, to which he was or is a party or is threatened to be made a party by reason of his current or former position with the Corporation or by reason

of the fact that he is or was serving, at the request of the Corporation, as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust or other enterprise.

K. Hovnanian is a California corporation. Section 317 of the California Corporations Code provides that a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any proceeding, other than in an action by or on behalf of the corporation to obtain a favorable judgment for itself, because such person is or was an agent of the corporation, against expenses actually and reasonably incurred in connection with the proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation and, in the case of criminal proceedings, had no reasonable cause to believe that the conduct was unlawful. In the case of suits by or on behalf of a corporation to obtain a judgment in its favor, a corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to such proceeding because such person is or was the corporation's agent, against expenses actually and reasonably incurred if the person acted in good faith in a manner the person believed to be in the best interests of the corporation and its shareholders, except that no such indemnification may be made for claims as to which the person shall have been adjudged to be liable to the corporation in the performance of that person's duty to the corporation, unless and then only to the extent a court determines otherwise.

Article SEVENTH of K. Hovnanian's By-Laws contain the following provisions with respect to indemnification:

The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

The Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation; provided, however, that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for gross negligence or willful misconduct to the Corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

Any indemnification pursuant to the provisions above shall be made by the Corporation unless a determination (as provided for in the bylaws) is made that indemnification is not proper because the person has not met the applicable standards of conduct as set forth therein.

Hovnanian maintains a liability insurance policy providing coverage for its directors and officers, the directors and officers of K. Hovnanian and the directors and officers of certain of its other subsidiaries in an amount up to \$50,000,000.

See Index to Exhibits.

Item 17. Undertakings.

The undersigned Registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act);

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrants pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act) that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the Registrants pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of the registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for

liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with

Table of Contents

a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of an undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(6) The undersigned Registrant hereby undertakes that for the purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report, pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(7) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrants pursuant to the provisions set forth in response to Item 15, or otherwise, the Registrants have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrants of expenses incurred or paid by a director, officer or controlling person of the Registrants in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrants will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
