The accompanying proxy is solicited from the holders of the Common Stock on behalf of the Board of Directors of the Company and is revocable at any time by giving written notice of revocation to the Secretary of the Company prior to the Annual Meeting or by executing and delivering a later-dated proxy via the Internet, telephone or mail prior to the Annual Meeting. Furthermore, the stockholders who are present at the Annual Meeting may revoke their proxies and vote in person. All shares of the Company's Common Stock represented by properly executed and unrevoked proxies will be voted by the Board of Directors of the Company in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted FOR the proposals set forth in this Proxy Statement for consideration at the Annual Meeting. Such shares represent approximately 42 percent of the Common Stock outstanding as of December 17, 2003.

A quorum consisting of at least a majority of shares of Common Stock issued and outstanding must be present at the meeting for any business to be conducted. Shares of Common Stock entitled to vote and represented by properly executed, returned and unrevoked proxies, including shares with respect to which votes are withheld, abstentions are cast or there are broker non-votes, will be considered present at the meeting for purposes of determining a quorum.

PROPOSAL 1

ELECTION OF DIRECTORS

Board of Directors

The Company's amended and restated certificate of incorporation divides the Company's Board of Directors into three classes, with three Directors per class and with each class being elected to a staggered three-year term. Currently the Company has eight Directors. J. Joe Ricketts, the Company's Chairman and Founder, certain members of his family and trusts established for their benefit (collectively, the Ricketts holders) owned approximately 25.4% of our Common Stock as of the Record Date. Investment funds affiliated with Bain Capital, Silver Lake Partners and TA Associates (collectively, the Datek holders) collectively owned approximately 18.8% of our Common Stock as of the Record Date. The Ricketts holders and the Datek holders have entered into a stockholders agreement (the Stockholders Agreement) that obligates the parties to vote their shares in favor of a Board of Directors consisting of nine members, of which three are designated by the Ricketts holders, three are designated by the Datek holders and three are independent directors selected with the agreement of the Ricketts holders and the Datek holders. Accordingly, the Board has nominated J. Peter Ricketts, C. Kevin Landry and Mark L. Mitchell as Class II Directors to be voted upon at the 2004 Annual Meeting, to serve terms ending at the 2007 Annual Meeting. J. Joe Ricketts and Stephen G. Pagliuca are Class III Directors serving terms ending at the 2005 Annual Meeting. Michael D. Fleisher, Glenn H. Hutchins and Thomas S. Ricketts are Class I Directors serving terms ending at the 2006 Annual Meeting. The third Class III Director is to be nominated with the agreement of the Ricketts holders and the Datek holders. The Board of Directors has determined that Messrs. Fleisher, Hutchins, Landry, Mitchell and Pagliuca are independent as defined in NASD Rule 4200.

This Proxy Statement relates only to the solicitation of proxies from the stockholders with respect to the election of three Class II Directors to be elected by them and the other matters described herein. The Board of Directors knows of no reason any of Messrs. J. Peter Ricketts, Landry and Mitchell might be unavailable to serve as the Class II Directors, and each has expressed an intention to serve, if elected. If any of Messrs. J. Peter Ricketts, Landry and Mitchell is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute nominee as the Board of Directors may recommend. With the exception of the Stockholders Agreement, there are no arrangements or understandings between any of the persons nominated to be a Class II Director and any other person pursuant to which any of such nominees was selected.

The election of a Director requires the affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy at the meeting and entitled to vote; provided that a quorum of at least a majority of the outstanding shares of Common Stock are represented at the meeting. Shares of Common Stock held by stockholders electing to abstain from voting and broker non-votes will be counted towards the presence of a quorum but will not be considered present and voting. Therefore, abstentions and broker non-votes will have no impact on the election of Directors. Proxies submitted pursuant to this solicitation will be voted for the election of each of Messrs. J. Peter Ricketts, Landry and Mitchell as Class II Directors, unless specified otherwise.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE **FOR** THE ELECTION OF J. PETER RICKETTS, C. KEVIN LANDRY AND MARK L. MITCHELL AS CLASS II DIRECTORS.

Compensation of Directors

The Company maintains the Ameritrade Holding Corporation 1996 Directors Incentive Plan (the Directors Plan), administered by the Compensation Committee, pursuant to which non-employee Directors are granted various equity awards and may make elections with respect to the payment of their retainers and fees. Specifically, the Directors Plan provides that, upon a non-employee Director's election to the Board for his first term, the Director will receive (a) a stock option to purchase such number of shares of the Company's Common Stock as determined by the Chairman of the Board and approved by the Board and (b) an award of restricted stock, the fair market value of which is equal to approximately \$20,000 or such other amount determined by the Board from time to time. Non-employee Directors may also be awarded stock options other than upon their initial election to the Board as determined from time to time by the Board. Awards made pursuant to the Directors Plan will generally vest in substantially equal annual installments over a period of three years, beginning with the first anniversary of the grant date. The exercise price of options granted under the Directors Plan may not be less than the fair market value of a share of the Company's Common Stock on the date of the grant of the option. The expiration date with respect to an award under the Directors Plan is the earlier of the ten-year anniversary of the date on which the award is granted or the one-year anniversary of the date on which the non-employee Director's service as a director of the Company terminates for cause. Options are not exercisable after the expiration date. Restricted stock that is not vested on the expiration date is forfeited.

Employee Directors do not receive compensation for services provided as a Director. Non-employee Directors receive an annual retainer payable in advance. For fiscal year 2003, the annual retainer was \$25,000. Fifty percent of the retainer is payable in cash and fifty percent is payable in the form of Common Stock, provided that, if a Director has met the Company's equity ownership guidelines, the Director may elect to receive all or any portion of the stock retainer in cash. Non-employee Directors receive payments of \$1,500 for quarterly meetings and \$1,000 for Committee meetings, all payable quarterly in arrears in the form of cash or Common Stock at the election of the Director. The foregoing elections and payments are made pursuant to the Directors Plan. Awards for periods of less than 12 months are calculated and determined by the Board. Special rules applied to the payment of the annual retainer for the 2003 fiscal year to accommodate newly elected Directors.

Pursuant to the Directors Plan, non-employee Directors may elect to defer receipt of all or a portion of the retainer and meeting and Committee fees otherwise payable to the non-employee Director, including those amounts that would otherwise be payable to the non-employee Director in the form of Common Stock. Amounts deferred pursuant to a non-employee Director's election are credited to a bookkeeping account, which consists of a Cash Subaccount reflecting amounts that would otherwise have been payable to the non-employee Director in cash and a Stock Subaccount reflecting amounts that would otherwise have been payable to the non-employee Director in Common Stock. As of the first day of each fiscal quarter, the Cash Subaccount is adjusted to reflect contributions and distributions during the preceding fiscal quarter and is credited with interest computed at the prime rate as reported by the Wall Street Journal for that date (or, if that day is not a business day, the next preceding business day). The Stock Subaccount is credited with stock units as of each day that a deferred amount would otherwise have been payable to the non-employee Director in Common Stock, is charged with stock units as of each day on which amounts are distributed from the Stock Subaccount and is credited with stock units as of each record date to reflect dividends paid on the Common Stock. For purposes of the adjustments to the Stock Subaccount, one stock unit corresponds to one share of Common Stock.

Deferred amounts are payable to non-employee Directors as of a distribution date elected by the non-employee Director at the time of the deferral. If no distribution date is specified, payments begin as of the first business day of January of the year following the date on which the non-employee Director ceases to be a Director of the Company for any reason. Distributions of deferred amounts can be made in ten annual installments commencing on the distribution date elected. A non-employee Director may also elect to have payments in a lump sum or in any number of annual payments not exceeding ten. If a non-employee Director dies prior to the full payment of his deferral account, the balance will be paid in a lump sum to a beneficiary

designated by the non-employee Director. The Compensation Committee may also distribute the full balance of a non-employee Director's deferral account in a lump sum at any time.

Employment and Severance Agreements

The Company currently has employment agreements with each of its Named Executive Officers.

Joseph H. Moglia. Mr. Moglia's employment agreement was entered into as of March 1, 2001 and had a two-year initial term. The agreement was renewed for an additional two-year term on March 1, 2003. Either party may terminate the employment agreement with or without cause. Pursuant to the agreement, Mr. Moglia was paid a signing bonus of \$1.3 million and was reimbursed for relocation costs. The agreement provides for the payment of a base salary of \$600,000 per year, a one-time benefit of \$15.6 million pursuant to a deferred compensation plan that vested as of March 1, 2003 and is payable upon his termination, and participation in other employee benefits under the various benefit plans and programs maintained by the Company. The agreement was amended in 2002 to provide Mr. Moglia an annual bonus with a target of \$625,000. In addition, the agreement provided that, if Mr. Moglia were still employed by the Company as of March 1, 2003, he would be awarded stock options with respect to 2 percent of the then outstanding shares of Company Common Stock. If Mr. Moglia is discharged from employment by the Company without cause or terminates his employment under circumstances that constitute constructive dismissal, all of his stock options and amounts in the deferred compensation plan will vest. Under the deferred compensation plan established in connection with the agreement, Mr. Moglia is entitled to a deferred payment of cash compensation, as adjusted for earnings and losses based on investment performance. The balance in the deferred compensation account vested pro rata on a daily basis over the initial two-year term. Payments of the deferred compensation account balance begin as soon as practicable after Mr. Moglia's termination date and may be made in a lump sum or installments over a period of not more than 10 years, as elected by Mr. Moglia in accordance with the plan. If Mr. Moglia dies before the vested balance in his deferred compensation account is paid to him, the vested balance is paid in a lump sum to a beneficiary named by him.

The agreement provides that, if a change in control of the Company occurs, Mr. Moglia's employment will automatically terminate and he will be entitled to the payments and benefits to which he would otherwise be entitled under the agreement had he continued in employment with the Company through both the initial and additional two-year terms. The agreement contains covenants by Mr. Moglia not to compete with the Company during the term of employment and for a time period thereafter as may be specified by the Company. He is entitled to receive noncompetition payments during the period subsequent to his termination in which the covenant not to compete is in effect.

The Company and Mr. Moglia entered into an addendum to the employment agreement as of March 30, 2002. Under the addendum, the Company and Mr. Moglia agreed that the merger with Datek would not constitute a change in control for the purpose of the employment agreement and Mr. Moglia waived the provisions of the agreement that would have been triggered by the merger. The Company and Mr. Moglia further agreed that if the Company terminates Mr. Moglia's employment within two years after the completion of the merger for any reason other than cause, Mr. Moglia will be entitled to the payments and benefits to which he would otherwise be entitled under the agreement had he continued in the employ of the Company until the fourth anniversary of the effective date of the employment agreement and he will be entitled to the noncompetition payments.

Under an agreement between the Company and Mr. Moglia, dated September 13, 2001, the Company was required to lend Mr. Moglia the Medicare tax amounts due from time to time resulting from his vesting in benefits under the deferred compensation plan. Mr. Moglia is required to repay the loan, which does not bear interest, at the time of termination of his employment. The Company may set off the amount of the loan against the amount that would otherwise be payable to Mr. Moglia under the deferred compensation plan. For periods prior to the termination of his employment, the Company will reimburse Mr. Moglia annually for all taxes imposed on the interest imputed to Mr. Moglia.

J. Joe Ricketts, Chairman and Founder. Mr. Ricketts' employment agreement was entered into as of October 1, 2001 and has a seven-year term. 2002 and 2003 of not less than \$1,200,000, employee assistance program payments and tax payments, fully equipped home offices, participation in employee benefits plans and programs maintained by the Company, and reimbursement for reasonable fees and expenses for legal, tax, accounting, financial and estate planning counseling and services and some insurance coverages. If the agreement is terminated due to Mr. Ricketts' disability, Mr. Ricketts is entitled to payment of 50% of his base salary plus benefits until the earlier of the end of the agreement term or the fifth anniversary of the date of the disability. If Mr. Ricketts is discharged from employment by the Company without cause or terminates his employment following specified breaches of the agreement by the Company, he will be entitled to receive payments of his base salary, bonus, option awards and continuing benefits for the remainder of the agreement term; provided, that in no event will his payments under these circumstances be less than the sum of three times (1) his base salary, determined as of October 1, 2001, and (2) his annual cash bonus payable for 2002. If a termination described in the preceding sentence occurs, Mr. Ricketts will also be entitled to recover damages he incurs as a result of his inability to exercise his outstanding stock options. The agreement contains covenants by Mr. Ricketts not to compete with the Company during the term of the agreement and for a specified period after the term.

The agreement provides that it may be terminated by either party at any time and that if Mr. MacDonald is terminated by the Company for any reason other than cause or if he terminates his employment for good reason, he will be entitled to receive continued payments of his base salary for a period of one year after termination or until the end of the term of the agreement, whichever is longer. Mr. MacDonald will also receive the amount of annual target bonus to which he was entitled for the year in which the termination occurs and he will be provided with continuing medical coverage, subject to limitations, for the severance period at the Company's cost. If, following a change in control, Mr. MacDonald's employment is terminated by the Company without cause or his employment is terminated for good reason, he will be entitled to be paid a lump sum equal to his salary and bonus as described above. The agreement contains covenants by Mr. MacDonald not to compete with the Company during the term of employment and for a specified period after the term. All severance benefits payable under the agreement are conditional on Mr. MacDonald's execution of a release of claims and, if any payments under the agreement would subject Mr. MacDonald to an excise tax on parachute payments, the payments under the agreement will be reduced to the extent necessary to avoid the tax.

J. Peter Ricketts, Vice Chairman and President, Private Client Division. If, following a change in control, Mr. Ricketts' employment is terminated by the Company without cause or his employment is terminated for good reason, he is entitled to be paid a lump sum equal to his salary and bonus as described above. The agreement contains covenants by Mr. Ricketts not to compete with the Company during the term of employment and for a specified period after the term. All severance benefits payable under the agreement are conditional on Mr. Ricketts' execution of a release of claims and, if any payments under the agreement would subject Mr. Ricketts to an excise tax on parachute payments, the payments under the agreement will be reduced to the extent necessary to avoid the tax.

Report of the Compensation Committee on Executive Compensation

This report is not deemed to be soliciting material or to be filed with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Securities Exchange Act of 1934 (the 1934 Act) and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act of 1933 (the 1933 Act) or the 1934 Act.

The Compensation Committee (the Committee) of the Board of Directors establishes and administers the Company's executive compensation programs. The Committee is currently composed of three non-employee directors of the Board, Messrs. Hutchins, Mitchell and Pagliuca. No member of the Committee during fiscal year 2003 was an employee of the Company or any of its subsidiaries. Each member qualifies as a

Table of Contents

non-employee director under rule 16b-3 under the Securities Exchange Act of 1934 and as an outside director under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code).

Compensation Philosophy and Policy Overview

The Committee's purpose is to develop and maintain compensation programs and policies reflective of the Company's strategy to provide strong performance incentive for achieving goals to maximize stockholder value. To accomplish this, the Committee constructs compensation determinations based upon the following goals:

1. Align executive compensation with stockholder interests; and
2. Attract, retain and motivate an effective executive team.

The Company's executive officers' base salaries are determined by comparing individual responsibilities with industry survey data and responsibilities of the other Company executive officers. In addition, a target annual incentive bonus award is based on a percentage of salary and long-term incentive awards are based on a factor of salary. Both the incentive bonus and long-term incentives are at-risk pay, which serve to motivate the executive to perform, and comprises a large portion of total executive compensation. The Committee has utilized the services of an external executive compensation consultant to provide objective and competitive data to ensure stockholder-beneficial decision making consistent with the Company's compensation goals.

The Committee and the Company strongly believe in executive ownership of Company stock. This benefits stockholders by meaningfully aligning executive goals and decision-making to stockholder interests. Executives are required to adhere to equity ownership guidelines that require a specific percentage of stock ownership, ranging from 100 to 500 percent of annual base salary, depending on executive level.

Fiscal Year 2003 Results

Under Mr. Moglia's leadership and the performance of the Executive Management Team, the Company:

Earned record net income of \$137 million, or \$0.32 per share;

Earned record pre-tax income of \$227 million, or 32 percent of net revenues;

Added 330,000 new accounts opened and funded at an average cost per account of \$274, plus 16,000 accounts acquired from Mydiscountbroker.com; 172,000 net new accounts; and

Achieved approximately \$188 million in pre-tax synergies since closing the Datek merger, for a run-rate of approximately \$245 million in annual pre-tax merger synergies.

Base Salaries

In order to remain competitive with the market, the Committee reviews executive salaries as needed. Comparably sized general industry, technology and financial services competitors are selected for analysis and comparison. Executive officer salary adjustments are determined by objective and subjective evaluation of individual performance and by comparison with market data of external comparable positions, internal comparison, and applicable terms of existing employment agreements.

Annual Incentive Bonuses

Annual incentive bonuses are designed to promote strong Company performance and achievement of the Company's initiatives. Target incentive percentages are set at the beginning of the fiscal year and payout is earned according to achievement of Company goals. The Company's executive officers participate in the Management Incentive Plan. This plan is based on the achievement of key corporate performance metrics and is intended to be qualified under Section 162(m) of the Code in order to maximize tax deductibility for the Company, while providing strong incentive for goal achievement at the highest levels of the organization. For fiscal year 2003, 100 percent of annual incentive compensation was based upon corporate performance. Highlights of corporate performance are set forth under *Fiscal Year 2003 Results* above.

Table of Contents

Executives were able to defer all or part of annual incentive bonuses under a deferred compensation program in the form of Company stock.

Long-Term Incentives

The Company strongly supports stock ownership at all levels and maintains a broad based and executive stock option program. Long-term incentives are awarded to foster forward-looking motivation and long-term growth for stockholders.

Executive stock option awards were determined based on the Company's total stockholder return and other market based factors. The total stockholder return measurement compares Company stock performance with the stock performance of a peer group. The Company's relative performance against the peer group is applied to the target award level per individual executive.

The Committee also considers the award of stock options in specific cases based on individual performance or for purposes of retaining and attracting key executives.

Although the long-term incentive plan also permits the award of stock appreciation rights, stock awards (including restricted stock) and performance units, no such awards have been made under the program. The Company granted replacement stock appreciation rights in fiscal 2002 to former Datek employees in connection with the Datek merger.

Deductibility of Compensation

Section 162(m) of the Code limits the Company's deduction for compensation paid to the executive officers named in the Summary Compensation Table to \$1 million unless certain requirements are met. For fiscal year 2003, the requirements for deductible compensation under Section 162(m) were met for all executive officers. The policy of the Compensation Committee with respect to Section 162(m) is to establish and maintain a compensation program that will optimize the deductibility of compensation. However, the Committee may exercise its right to use judgment, where merited, by the need to respond to changing business conditions or to an executive officer's individual performance, to authorize compensation which may not in a specific case, be fully deductible by the Company.

Chief Executive Officer Compensation

In fiscal year 2003, Mr. Moglia served in the capacity of Chief Executive Officer. The determination of the Chief Executive Officer's salary, annual incentive, and grants of stock options followed the philosophy and policies set forth above for all other executive compensation, subject to any individual terms in the executive's employment agreement.
