**PROXY STATEMENT
OF CITIZENS BANK HOLDING COMPANY**

**PROSPECTUS OF
GLACIER BANCORP, INC.**

MERGER PROPOSED - YOUR VOTE IS VERY IMPORTANT

Dear Citizens Bank Holding Company Shareholders:

The boards of directors of Citizens Bank Holding Company and Glacier Bancorp, Inc. (Glacier) have agreed on a merger of Citizens Bank Holding Company into Glacier. When the merger occurs, Citizens Community Bank, now the subsidiary of Citizens Bank Holding Company, will operate as a wholly owned subsidiary of Glacier.

If we complete the merger, you will be entitled to elect to receive, in consideration for your Citizens Bank Holding Company shares, either cash, shares of Glacier common stock, or a combination of cash and Glacier common stock. Under the merger agreement, Glacier will pay \$8.6 million of the total merger consideration in cash and the remainder in shares of Glacier common stock with an aggregate value of \$8.6 million plus the amount of cash received by Citizens Bank Holding Company upon the exercise of Citizens Bank Holding Company stock options after the date of the merger agreement and prior to the effective date of the merger. Because the total amount of cash and total value of stock is fixed, you may receive a combination of cash and stock that differs from your election, if too many Citizens Bank Holding Company shareholders elect to receive one form of consideration over the other. If you own 100 or fewer shares, you will be deemed to make a cash election. *A form for making your election and transmitting your stock will be mailed to you shortly please do not send your stock certificates to Citizens Bank Holding Company at this time.*

The number of shares of Glacier common stock that will be exchanged for shares of Citizens Bank Holding Company common stock will not be determined until five days prior to the merger. As explained in more detail in this document, whether you elect to receive cash or Glacier common stock or a combination for your shares, the value of the consideration that you receive as of the completion date will be substantially the same, based on the average Glacier common stock price used to calculate the merger consideration. Assuming a Glacier average common stock price of \$32.00 (the approximate closing price for Glacier common stock on February 8, 2005, the most recent date practicable prior to the mailing of this document), 1.171 shares of Glacier common stock will be received for each Citizens Bank Holding Company share exchanged for stock. The amount of cash to be received for each Citizens Bank Holding Company share exchanged for cash is fixed at \$37.47.

After completion of the merger, Citizens Bank Holding Company shareholders will own approximately 1% of Glacier's outstanding common stock.

Your board of directors believes that the terms of the merger are fair and in the best interest of Citizens Bank Holding Company and its shareholders. In reaching this decision, the board considered numerous factors as described in the attached proxy statement/prospectus. Glacier intends to operate Citizens Community Bank as a separately chartered Idaho state bank, under the name Citizens Community Bank. The arrangement will allow Citizens Community Bank to continue to deliver high quality banking services to its customers which are a result of timely, local decision making.

The merger cannot be completed unless our shareholders approve it. Approval requires the affirmative vote of at least a majority of the shares entitled to be cast at a special meeting of Citizens Bank Holding Company

shareholders called to consider the merger. We will hold a special shareholders meeting to vote on the merger proposal. **The Citizens Bank Holding Company special shareholders meeting will be held on Friday, March 25, 2005, at 10:00 a.m. local time, at Juniper Hills Country Club, 6000 S. Bannock Highway, Pocatello, Idaho 83204.** Whether or not you plan to attend the special meeting, please take the time to vote by completing and mailing the enclosed form of proxy.

QUESTIONS AND ANSWERS ABOUT THIS DOCUMENT AND THE MERGER

What is the purpose of this proxy statement/prospectus?

This document serves as both a proxy statement of Citizens Bank Holding Company and a prospectus of Glacier. As a proxy statement, it is being provided to you by Citizens Bank Holding Company because the board of directors of Citizens Bank Holding Company is soliciting your proxy to vote to approve the proposed merger of Citizens Bank Holding Company with and into Glacier. After the merger, Glacier will own Citizens Community Bank. As a prospectus, it is being provided to you by Glacier because Glacier is offering you shares of its common stock as partial consideration for your Citizens Bank Holding Company shares.

What will Citizens Bank Holding Company shareholders receive in the merger?

Under the merger agreement, Glacier will pay cash and issue shares of its common stock in exchange for all outstanding shares of Citizens Bank Holding Company common stock. The merger agreement provides that the total consideration will be \$8.6 million in cash and the remainder in shares of Glacier common stock with an aggregate value of \$8.6 million plus the amount of cash received by Citizens Bank Holding Company upon the exercise of Citizens Bank Holding Company stock options after the date of the merger agreement and prior to the effective date of the merger (the exact number of shares to be determined prior to the closing of the merger).

What will I receive in the merger?

Under the merger agreement, unless you have 100 or fewer shares, vote against the merger, and provide a notice of dissent, you may elect to receive for your shares either:

all cash,

all Glacier common stock, or

a split of cash (50%) and Glacier common stock (50%)

All elections are subject to the election and allocation procedures described in this proxy statement/prospectus, if too many shareholders elect one form of consideration over the other. Due to these limitations, you may not receive the form of merger consideration that you elect, unless you elect to receive a combination of 50% cash and 50% Glacier common stock. See *The Merger Allocation* for a more detailed discussion of allocation procedures under the merger agreement.

What happens if I elect to receive cash in the merger and Citizens Bank Holding Company shareholders elect to receive more cash than is permitted under the merger agreement?

The total amount of cash to be paid by Glacier in the merger is fixed. If Citizens Bank Holding Company shareholders elect to receive more cash than is permitted by the merger agreement, your election to receive cash may be adjusted so as not to exceed the limitations set forth in the merger agreement. In that event, you may receive some stock despite your cash election. Glacier will first allocate stock in the merger to Citizens Bank Holding Company shares for which no valid election has been received in an effort to both honor elections and not exceed the total cash to be paid by Glacier. However, if there are insufficient amounts of no-electing Citizens Bank Holding Company shares to which excess Glacier common stock may be allocated, it will be necessary to adjust elections. For a detailed description of the allocation procedures, please see the discussion under the heading *The Merger Allocation*.

Table of Contents

What happens if I elect to receive stock in the merger and Citizens Bank Holding Company shareholders elect to receive more stock than is permitted under the merger agreement?

As in the case of excess cash elections by Citizens Bank Holding Company shareholders, adjustments to shareholder elections may be necessary to ensure that no more than 50% of the total merger consideration is paid in Glacier shares. If you elect to receive all stock and too many other shareholders elect stock, your election may be adjusted so as not to exceed the limitations set forth in the merger agreement and, consequently, you may receive some cash despite your stock election. Again, Glacier will first allocate cash to no-electing shares in an attempt to honor elections made by shareholders. However, there may not be sufficient amounts of no-electing shares to meet applicable limits on the issuance of stock by Glacier. In that case, you may receive cash for some of your shares, which will likely result in the recognition of gain or loss on a portion of your Citizens Bank Holding Company shares and be a taxable event to you. Please see *The Merger – Certain Federal Income Tax Consequences* for a discussion of the tax consequences of the receipt of cash in the merger.

What is the amount of cash and/or the number of shares of Glacier common stock that I will receive for my shares of Citizens Bank Holding Company common stock?

The actual aggregate number of shares of Glacier common stock to be issued in the merger will not be determined until the fifth business day immediately prior to the effective date of the merger. The actual amount of cash and/or number of shares of Glacier common stock that you will receive for each of your Citizens Bank Holding Company shares will not be determined until shortly after the effective date of the merger. Those amounts will be determined based on a formula set forth in the merger agreement and described in this proxy statement/prospectus, and once they are determined, those amounts will be made available on Glacier's website at www.glacierbancorp.com.

Is the value of the per share consideration that I receive expected to be substantially equivalent regardless of which election I make?

Yes. The formula that will be used to calculate the per share consideration is intended to substantially equalize the value of the consideration to be received for each share of Citizens Bank Holding Company common stock in the merger, as measured during the valuation period ending on the determination date, regardless of whether you elect to receive cash or stock. As the value of Glacier stock fluctuates with its trading price, however, the value of the stock you receive for a Citizens Bank Holding Company share likely will not be the same as the cash to be paid per share on any given day before or after the merger.

How do I elect the form of consideration I prefer to receive?

An Election Form with instructions for making your election as to the form of consideration you prefer to receive in the merger accompanies this proxy statement/prospectus. To make your election, you must submit a green election form to Glacier's exchange agent before 5:00 p.m. Mountain Time on April 8, 2005, which is the 10th business day after the date of the Citizens Bank Holding Company special meeting. Your election choices and election procedures are described under *The Merger – Election Procedure*.

What is the deadline for receipt of my election form?

The green election forms must be received by the exchange agent by 5:00 p.m., Mountain Time, on Friday, March 25, 2005.

Table of Contents

May I change my election once it has been submitted?

Yes. You may change your election so long as your new election is received by the exchange agent prior to 5:00 p.m. on April 8, 2005. To change your election, you must send the exchange agent a written notice revoking any election previously submitted. You may at that time provide a new election.

What happens if I do not make an election prior to the deadline?

If you fail to submit a valid green election form to the exchange agent prior to 5:00 p.m. Mountain Time on April 8, 2005, then you will be deemed to have made no election and will be issued either shares of Glacier common or cash for your shares, depending on the elections made by other shareholders.

When should I send in my stock certificates?

Please **DO NOT** send in your stock certificates with your proxy card. You will receive instructions and a letter of transmittal with the green election form from the exchange agent. **You should send the proxy card in the enclosed white envelope and the green election form, with your stock certificates, in the green envelope that you will receive from the exchange agent.**

When and where will the special meeting take place?

Citizens Bank Holding Company will hold a special meeting of its shareholders on Friday, March 25, 2005, at 10:00 a.m., at Juniper Hills Country Club, 6000 S. Bannock Highway, Pocatello, Idaho 83204.

How do I vote?

To vote, please indicate on the enclosed proxy card how you want to vote and then sign, date, and mail your proxy card in the enclosed white envelope as soon as possible so that your shares will be represented at the special meeting.

Why is my vote important?

If you fail to vote, that will have the same effect as voting against approval of the merger agreement. Approval of the merger agreement requires the affirmative vote of at least a majority of the shares of Citizens Bank Holding Company common stock outstanding and entitled to vote at the special meeting. The directors and executive officers of Citizens Bank Holding Company and their affiliates beneficially own and have the right to vote 49,932 shares, representing 11.2% of the shares entitled to be voted at the meeting, and they have each agreed to vote for the merger.

If my shares are held in street name by my broker, will my broker vote my shares for me?

No. Your broker will not vote your shares unless you provide instructions on how to vote. Consequently, it is important that you follow the directions provided by your broker regarding how to instruct your broker to vote your shares. If you fail to instruct your broker on how to vote your shares, the effect will be the same as if you voted against the merger.

What happens if I return my proxy but do not indicate how to vote my shares?

If you sign and return your proxy card, but do not provide instructions on how to vote your shares, your shares will be voted **FOR** approval of the merger agreement.

Table of Contents

Can I change my vote after I have mailed my signed proxy card?

Yes. You may change your vote at any time before your proxy is voted at the special meeting. If your shares are held in your own name, you may change your vote as follows:

You may send a written notice stating that you would like to revoke your proxy and provide new instructions on how to vote;

You may complete and submit a later-dated proxy card; or

You may attend the meeting and vote in person. If you intend to vote in person and your shares are held by a broker, you should contact your broker for instructions.

If you choose either the first or second method above, you must submit your notice of revocation or your new proxy card to Citizens Bank Holding Company's secretary prior to the special meeting.

If your shares are held in street name by a broker and you have instructed the broker to vote your shares, you must follow instructions received from your broker to change your vote.

Who may vote at the meeting?

The board of directors of Citizens Bank Holding Company has set February 4, 2005, as the record date for the meeting. If you were the owner of Citizens Bank Holding Company common stock at the close of business on February 4, 2005, you may vote at the meeting.

When will the merger occur?

We presently expect to complete the merger by March 31, 2005. The merger will occur after approval of the shareholders of Citizens Bank Holding Company is obtained and the other conditions to the merger are satisfied or waived. Glacier and Citizens Bank Holding Company are working toward completing the merger as quickly as possible.

How soon after the merger is completed can I expect to receive my cash or Glacier common stock?

Glacier will work with its exchange agent to distribute consideration payable in the merger as promptly as practicable following the completion of the merger.

What do I need to do now?

We encourage you to read this proxy statement/prospectus in its entirety. Important information is presented in greater detail elsewhere in this document and documents governing the merger are attached as appendices to this proxy statement/prospectus. In addition, much of the business and financial information about Glacier that may be important to you is incorporated by reference into this document from documents separately filed by Glacier with the Securities and Exchange Commission (SEC). This means that important disclosure obligations to you are satisfied by referring you to one or more documents separately filed with the SEC.

Following review of this proxy statement/prospectus, **please complete, sign, and date the enclosed proxy card and return it in the enclosed white envelope** as soon as possible so that your shares can be voted at Citizens Bank Holding Company's special meeting of shareholders.

Table of Contents

Additionally, once you have received the **green Election Form** from the exchange agent, **please return it, with your stock certificates, in the green envelope that you will receive from the exchange agent** before the close of business on April 8, 2005.

What if I choose not to read the incorporated documents?

Information contained in a document that is incorporated by reference is part of this proxy statement/prospectus, unless it is superseded by information contained directly in this proxy statement/prospectus or in documents filed with the SEC after the date of this proxy statement/prospectus. Information that is incorporated from another document is considered to have been disclosed to you **WHETHER OR NOT YOU CHOOSE TO READ THE DOCUMENT**.

What are the tax consequences of the merger to me?

We expect that for United States federal income tax purposes, the exchange of shares of Citizens Bank Holding Company common stock solely for shares of Glacier common stock generally will not cause you to recognize any taxable gain or loss. We also expect that if you receive a combination of cash and stock in exchange for your Citizens Bank Holding Company shares, you will be required to recognize any gain to the extent cash is received in the merger, and you will not be entitled to recognize any loss realized. If you receive solely cash in the merger, you will recognize any gain or loss realized on the disposition of your Citizens Bank Holding Company shares. We urge you to consult your tax adviser to fully understand the tax consequences of the merger to you. Tax matters are very complicated and in many cases tax consequences of the merger will depend on your particular facts and circumstances.

What risks should I consider?

You should review carefully our discussion of Risk Factors. You should also review the factors considered by the Citizens Bank Holding Company board of directors in approving the merger agreement. See The Merger Background of the Merger and Reasons for the Merger Citizens Bank Holding Company.

The directors of Citizens Community Bank before the merger will continue to serve as the directors of Citizens Community Bank after the merger, and Mr. Michael Blodnick, President and Chief Executive Officer of Glacier, will be appointed to the board effective upon consummation of the merger.

Citizens Bank Holding Company Special Meeting

Bannock Highway, Pocatello, Idaho 83204, on Friday, March 25, 2005 at 10:00 a.m., local time. At the meeting you will be asked to consider and vote upon a proposal to approve the merger agreement and consider and act upon such other matters as may properly come before the meeting or any adjournment of the meeting.

You will be entitled to vote at the Citizens Bank Holding Company special meeting if you owned Citizens Bank Holding Company common stock at the close of business on February 4, 2005. As of that date there were 441,034 shares of Citizens Bank Holding Company common stock entitled to be voted at the special meeting.

Table of Contents

Approval of the Merger Agreement Requires the Affirmative Vote of a Majority of the Shares of Citizens Bank Holding Company Common Stock that Are Outstanding and Entitled to Vote

In order to approve the merger agreement, at least a majority of the outstanding shares of Citizens Bank Holding Company common stock outstanding and entitled to vote as of the record date must be voted at the special meeting in favor of approval. Glacier's shareholders do not have to vote on the transaction.

As of the record date for the meeting, directors and executive officers of Citizens Bank Holding Company, and their affiliates, beneficially owned approximately 11.2% of the outstanding shares of Citizens Bank Holding Company common stock. The directors of Citizens Bank Holding Company have agreed to vote their shares in favor of approval of the merger agreement.

What Citizens Bank Holding Company Shareholders Will Receive in the Merger

Under the merger agreement, Glacier will issue shares of its common stock and pay cash for all shares of Citizens Bank Holding Company common stock outstanding as of the date of the merger agreement. The total merger consideration that Glacier will pay will be \$8.6 million in cash and the remainder in shares of Glacier common stock (the exact number of which will be determined as described below) with an aggregate value of \$8.6 million plus the amount of cash received by Citizens Bank Holding Company upon the exercise of Citizens Bank Holding Company stock options after the date of the merger agreement and prior to the effective date of the merger.

If you own more than 100 shares and do not vote against the merger or provide notice of dissent, you may elect to receive in exchange for each of your shares of Citizens Bank Holding Company common stock either (1) all cash, without interest, (2) all shares of Glacier common stock, or (3) a combination of 50% cash, without interest, and 50% shares of Glacier common stock, in each case subject to the election and allocation procedures described in this proxy statement/prospectus. Because the total amount of cash and stock to be issued by Glacier in the merger is fixed, you may not receive cash or stock in chosen amounts, unless you elect to receive 50% cash and 50% Glacier common stock, in which case your election will not be affected by the allocation procedures.

The actual aggregate number of shares of Glacier common stock to be issued in the merger cannot be determined until the fifth business day immediately prior to the effective date of the merger (the determination date). The actual amount of cash and/or Glacier common stock that you will receive for each of your Citizens Bank Holding Company shares will not be determined until shortly after the effective date of the merger. Those amounts will be determined based on a formula set forth in the merger agreement and described under the heading The Merger Merger Consideration. The formula is intended to substantially equalize the value of the consideration to be received for each share of Citizens Bank Holding Company common stock, as measured during the valuation period ending on the determination date, regardless of whether you elect to receive cash or stock.

For example, if the average closing price of Glacier common stock during the valuation period was \$32.00, Citizens Bank Holding Company shareholders would receive consideration for each of their shares as follows:

A Citizens Bank Holding Company shareholder receiving only cash would receive \$37.47 in cash per Citizens Bank Holding Company share; and

A Citizens Bank Holding Company shareholder receiving only stock would receive 1.171 shares of Glacier common stock per Citizens Bank Holding Company share (with a value, based on such average closing price, of \$37.47 per Citizens Bank Holding Company share).

Table of Contents

In each case consideration received would be subject to the allocation procedures described under the heading **The Merger Allocation**.

Stated differently, assuming a Citizens Bank Holding Company shareholder owns 200 shares of common stock (and based on the \$32.00 assumed average closing price of Glacier common stock set forth previously), if such shareholder made:

an all stock election, such shareholder would receive 234 shares of Glacier common stock (and \$6.40 in cash in lieu of a fractional share) having a total value (based on Glacier's assumed average closing price) of \$7,494.40;

an all cash election, such shareholder would receive \$7,494.00 in cash; or

a mixed (50% stock /50% cash) election, such shareholder would receive 117 shares of Glacier common stock and cash of \$3,750.20 (including \$3.20 in cash in lieu of a fractional share), which together with the stock, would have a total value (based on Glacier assumed average closing price) of \$7,494.20.

The actual amounts received will depend on the average closing price of Glacier common stock as of the determination date, and the actual allocation of cash and stock will be subject in each case to the allocation procedures described under the heading **The Merger Allocation**. Actual values of Glacier common stock received will depend on the market price of Glacier common stock at the time of the merger.

You May Elect to Receive Cash or Stock Consideration

In the merger, if you own more than 100 shares of Citizens Bank Holding Company common stock and do not vote against the merger or provide a notice of dissent, you may elect to receive in exchange for your shares either:

all cash,

all Glacier common stock, or

a split of cash (50%) and Glacier common stock (50%).

If you own 100 or fewer shares of Citizens Bank Holding Company common stock, you will be treated as if you made an all cash election. If you vote against the merger or provide a notice of dissent, you will receive cash for your shares unless you perfect your dissenters' rights. If you perfect your dissenters' rights, you will receive cash for your shares as provided under the applicable provisions of Idaho law. See **The Merger Dissenters' Rights of Appraisal** and **The Merger Allocation**.

With this proxy statement/prospectus, you will receive a green election form with instructions for making your election as to the form of consideration that you prefer to receive in the merger. The available elections, election procedures and deadline for making elections are described under the heading **The Merger Election Procedure**. If you fail to submit a valid green election form by the election deadline, you will be issued either Glacier common stock or cash in the merger, depending upon the elections made by other Citizens Bank Holding Company shareholders.

Certain Federal Income Tax Consequences

Neither Citizens Bank Holding Company nor Glacier is required to complete the merger unless each of them receive a legal opinion of Glacier's counsel that the merger will be treated as a reorganization for federal income tax purposes. Assuming such opinion is received, we expect that for United States federal income tax purposes, Citizens Bank Holding Company shareholders generally will not recognize any gain or loss on the conversion of shares of Citizens Bank Holding Company common stock into shares of Glacier common stock (although the receipt of any cash will be a taxable event). This tax treatment may not apply to some Citizens Bank Holding Company shareholders. Determining the actual tax consequences of the merger to you may be complex. They will depend on your specific situation and on factors not within our control. You should consult your own tax advisor for a full understanding of the merger's tax consequences to you.

The Citizens Bank Holding Company Board of Directors Recommends Shareholder Approval of the Merger

The Citizens Bank Holding Company board of directors believes that the merger is in the best interests of the Citizens Bank Holding Company shareholders and has unanimously approved the merger agreement. The Citizens Bank Holding Company board of directors recommends that Citizens Bank Holding Company shareholders vote FOR approval of the merger agreement.

Citizens Bank Holding Company Financial Advisor Says the Merger Consideration is Fair to Citizens Bank Holding Company Shareholders From a Financial Point of View

Hovde Financial LLC (Hovde) has served as financial advisor to Citizens Bank Holding Company in connection with the merger. It has given an opinion to the Citizens Bank Holding Company board of directors that, as of December 15, 2004, the consideration Glacier will pay for the Citizens Bank Holding Company common stock is fair to Citizens Bank Holding Company shareholders from a financial point of view. Hovde has delivered to Citizens Bank Holding Company an updated fairness opinion. Hovde's opinion is expressly based upon and subject to, the assumptions made, matters considered and qualifications and limitations stated in the opinion. A copy of the opinion delivered by Hovde is attached to this document as **Appendix C**. You should read the opinion carefully and in its entirety. Citizens Bank Holding Company agreed to pay Hovde a fee for its services in the amount of \$30,000 plus expenses.

Citizens Bank Holding Company Officers and Directors Have Interests in the Merger that Are Different from or in Addition to Their Interests as Shareholders

Certain members of Citizens Bank Holding Company management have interests in the merger that are different from, or in addition to, their interests as Citizens Bank Holding Company shareholders. These interests arise out of existing option agreements that they have entered into with Citizens Bank Holding Company, provisions in the merger agreement relating to indemnification and continuing service of certain directors, and, in the case of Ralph Cottle, an employment agreement that will take effect upon consummation of the merger. See The Merger Interests of Certain Persons in the Merger.

The Citizens Bank Holding Company board of directors was aware of these interests and took them into account in its decision to approve the merger agreement.

The Merger Is Expected to Occur in the First Quarter of 2005

Currently, we anticipate that the merger will occur by March 31, 2005. However, we cannot assure you when or if the merger will occur.

Table of Contents

Completion of the Merger Is Subject to Satisfaction or Waiver of Certain Conditions

Completion of the merger is subject to the satisfaction or waiver of certain conditions including, among others:

approval of the merger agreement by shareholders holding at least a majority of the outstanding shares of Citizens Bank Holding Company common stock that are outstanding and entitled to vote;

approval of the merger by federal and state regulatory authorities; · accuracy of the other party's representations in the merger agreement; and

accuracy of the other party's representations in the merger agreement; and

compliance by the other party with all material terms, covenants and conditions of the merger agreement.

The merger agreement provides that either Glacier or Citizens Bank Holding Company may terminate the merger either before or after the Citizens Bank Holding Company special meeting, under certain circumstances. Among other things, the merger may be terminated under certain circumstances if the average closing price of Glacier common stock during the valuation period either exceeds or is lower than specified amounts. See The Merger Amendment or Termination of the Merger Agreement.

We May Not Complete the Merger Without All Required Regulatory Approvals

The merger must be approved by the Federal Reserve and the Idaho banking regulators. We have filed applications with these regulatory bodies seeking such approval. We expect to obtain all such regulatory approvals, although we cannot be certain if or when we will obtain them.

Either Citizens Bank Holding Company or Glacier, as the Case May Be, Must Pay a Termination Fee Under Certain Circumstances

The merger agreement provides that Citizens Bank Holding Company must pay Glacier a termination fee of \$170,000 if Glacier terminates the merger agreement due to a breach by Citizens Bank Holding Company of its representations or covenants, or if the Citizens Bank Holding Company board of directors does not recommend approval of the merger to Citizens Bank Holding Company shareholders.

The merger agreement also provides that Glacier must pay Citizens Bank Holding Company a termination fee of \$170,000 if Citizens Bank Holding Company terminates the merger agreement due to a breach by Glacier of its representations or covenants. See The Merger Agreement Termination Fees.

Citizens Bank Holding Company Must Pay Glacier a Break-up Fee Under Certain Circumstances

Under the merger agreement, Citizens Bank Holding Company must pay Glacier a break-up fee of \$860,000, if the merger agreement is terminated due to the failure of the Citizens Bank Holding Company board of directors to recommend the merger to its shareholders, or due to the receipt of a superior acquisition proposal.

Citizens Bank Holding Company agreed to pay a break-up fee under the circumstances described above in order to induce Glacier to enter into the merger agreement. This arrangement could have the effect of discouraging other companies from trying to acquire Citizens Bank Holding Company. See The Merger Agreement Break-up Fee.

Table of Contents

Citizens Bank Holding Company Shareholders Will Have Different Rights After the Merger

The rights of Citizens Bank Holding Company shareholders are governed by Idaho law, as well as Citizens Bank Holding Company's articles of incorporation and bylaws. After completion of the merger, however, the rights of the former Citizens Bank Holding Company shareholders receiving Glacier common stock in the merger will be governed by Montana law, as well as Glacier's articles of incorporation and bylaws. Although Montana law and Glacier's articles of incorporation and bylaws are similar in many ways to Idaho law and Citizens Bank Holding Company's articles of incorporation and bylaws, there are some substantive and procedural differences that will affect the rights of Citizens Bank Holding Company shareholders. See Comparison of Certain Rights of Holders of Glacier and Citizens Bank Holding Company Stock.

Citizens Bank Holding Company Shareholders Have Dissenters' Rights

Under Idaho law, Citizens Bank Holding Company shareholders have the right to dissent from the merger and receive cash for the fair value of their shares of Citizens Bank Holding Company common stock. A shareholder electing to dissent must strictly comply with all the procedures required by Idaho law. These procedures are described later in this document, and a copy of the relevant portions of Idaho law is attached as **Appendix B**.

Table of Contents

RISK FACTORS

In addition to the other information contained in or incorporated by reference into this document, including the matters addressed under the caption Cautionary Note Regarding Forward-Looking Statements, you should consider the matters described below carefully in determining whether to approve the merger agreement and the transactions contemplated by the merger agreement.

The merger agreement limits Citizens Bank Holding Company ability to pursue other transactions and provides for the payment of a break up fee if we do so.

While the merger agreement is in effect and subject to very narrow exceptions, Citizens Bank Holding Company and its directors, officers and agents are prohibited from initiating or encouraging inquiries with respect to alternative acquisition proposals. The prohibition limits Citizens Bank Holding Company's ability to seek offers that may be superior from a financial point of view from other possible acquirers. If Citizens Bank Holding Company receives an unsolicited proposal from a third party that is superior from a financial point of view to that made by Glacier and the merger agreement is terminated, Citizens Bank Holding Company may be required to pay an \$860,000 break up fee. This fee makes it less likely that a third party will make an alternative acquisition proposal.

Under certain conditions, the merger agreement requires Citizens Bank Holding Company to pay a termination fee.

Under certain circumstances, Glacier can terminate the merger agreement and require Citizens Bank Holding Company to pay a termination fee of \$170,000.

Because the market price of Glacier common stock may fluctuate, you cannot be sure of the number of shares of Glacier common stock that you will receive.

At the time of the Citizens Bank Holding Company special meeting, you will not be able to determine the number of shares of Glacier common stock you would receive upon completion of the merger. While the merger agreement does guarantee you a fixed value for your shares, fluctuations in Glacier's stock price will impact how much Glacier common stock you own relative to existing Glacier shareholders. Your relative portion will be less the higher Glacier's stock price, and more the lower Glacier's stock price. We urge you to obtain current market quotations for Glacier common stock.

You may not receive the form of merger consideration that you elect.

The merger agreement provides that the aggregate consideration to be received by Citizens Bank Holding Company shareholders in the merger will be \$8.6 million in cash and the remainder in shares of Glacier common stock, the exact number determined in accordance with the merger agreement, the aggregate value of which will equal \$8.6 million plus the amount of cash received by Citizens Bank Holding Company upon the exercise of Citizens Bank Holding Company stock options after the date of the merger agreement and prior to the effective date of the merger. If elections are made by Citizens Bank Holding Company shareholders that would result in their receiving more or less cash or Glacier common stock than these amounts, then certain of those shareholders will have the consideration of the form they selected reduced by a pro rata amount and will receive a portion of their consideration in the form that they did not elect. For a detailed description of the allocation procedures, please see the discussion under the heading The Merger Allocation.

Accordingly, there is a risk that you will receive a portion of the merger consideration in the form that you do not elect, which could result in, among other things, tax consequences that differ from those that would

Table of Contents

have resulted had you received the form of consideration you elected (including with respect to the recognition of taxable gain to the extent cash is received). See The Merger Federal Income Tax Consequences.

Because the aggregate merger consideration is divided equally between cash and Glacier common stock, the allocation provisions described above will not apply to Citizens Bank Holding Company shareholders who elect to receive a combination of cash (50%) and Glacier common stock (50%). Such elections will be effective, without change, regardless of the elections made by other Citizens Bank Holding Company shareholders.

Combining our two companies may be more difficult, costly or time-consuming than we expect.

Glacier and Citizens Bank Holding Company have operated and, until the completion of the merger, will continue to operate, independently. It is possible that the integration process could result in the loss of key employees, the disruption of Citizens Community Bank's ongoing business or inconsistencies in standards, controls, procedures and policies that adversely affect our ability to maintain relationships with customers and employees or to achieve the anticipated benefits of the merger. As with any merger of banking institutions, there also may be disruptions that cause us to lose customers or cause customers to take their deposits out of Citizens Community Bank.

Glacier may grow through future acquisitions, which could, in some circumstances, adversely affect net income.

Glacier anticipates engaging in selected acquisitions of financial institutions and assets in the future. There are risks associated with Glacier's acquisition strategy that could adversely impact net income. These risks include, among others, incorrectly assessing the asset quality of a particular institution being acquired, encountering greater than anticipated costs of incorporating acquired businesses into Glacier, and being unable to profitably deploy funds acquired in an acquisition. Furthermore, we can give you no assurance about the extent to which Glacier can continue to grow through acquisitions.

In the future, Glacier may issue capital stock in connection with additional acquisitions. These acquisitions and related issuances of stock may have a dilutive effect on earnings per share and ownership. Glacier does not currently have any definitive understandings or agreements for any acquisitions that involve the issuance of Glacier capital stock. However, as noted above, Glacier anticipates that it will continue to expand by acquisition in the future.

Glacier has various anti-takeover measures that could impede a takeover of Glacier

Glacier has various anti-takeover measures in place, some of which are listed elsewhere in this document. Any one or more of these measures may impede the takeover of Glacier without the approval of the Glacier board of directors and may prevent you from taking part in a transaction in which you could realize a premium over the current market price of Glacier common stock. See Comparison of Certain Rights of Holders of Glacier and Citizens Bank Holding Company Common Stock.

meaning. These forward-looking statements are based on current beliefs and expectations of management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond Glacier's and Citizens Bank Holding Company's control. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations in the forward-looking statements:

our business may not be integrated successfully, or such integration may take longer to accomplish than expected;

the anticipated growth opportunities and cost savings from the merger may not be fully realized or may take longer to realize than expected;

operating costs, customer losses and business disruption following the merger, including adverse developments in relationships with employees, may be greater than expected;

adverse governmental or regulatory policies may be enacted;

the interest rate environment may change, causing margins to compress and adversely affecting net interest income;

the risks associated with continued diversification of assets and potential adverse changes in credit quality;

increased loan delinquency rates;

competition from other financial services companies in our markets; and

the risk of an economic slowdown adversely affecting credit quality and loan originations.

Additional factors that could cause actual results to differ materially from those expressed in the forward-looking statements are discussed in Glacier's reports filed with the SEC.

All subsequent written and oral forward-looking statements concerning the proposed transaction or other matters attributable to Glacier or Citizens Bank Holding Company or any person acting on behalf of Glacier or Citizens Bank Holding Company are expressly qualified in their entirety by the cautionary statements above. Neither Glacier nor Citizens Bank Holding Company undertake any obligation to update any forward-looking statements to reflect circumstances or events that occur after the date the forward-looking statements are made.

if necessary, consider and act upon a proposal to adjourn the special meeting to allow additional time to solicit proxies

Record Date; Shares Outstanding and Entitled to Vote

The Citizens Bank Holding Company board of directors has fixed 5:00 p.m. on February 4, 2005 as the record date for determining the holders of shares of Citizens Bank Holding Company common stock entitled to notice of and to vote at the special meeting. At the close of business on the Citizens Bank Holding Company record date, there were 441,034 shares of common stock issued and outstanding held by approximately 364 holders of record. Holders of record of Citizens Bank Holding Company common stock on the record date are entitled to one vote per share, and are also entitled to exercise dissenters' rights if certain procedures are followed. See **The Merger - Dissenters' Rights of Appraisal** and **Appendix B**.

Each director of Citizens Bank Holding Company has agreed to vote all Citizens Bank Holding Company shares held or controlled by him in favor of approval of the merger. A total of 47,482 outstanding shares or shares subject to stock options, or approximately 10.6% of the outstanding shares of Citizens Bank Holding Company common stock, are covered by this voting agreement. See **The Merger - Voting Agreement**.

Vote Required

The affirmative vote of at least a majority of all shares of Citizens Bank Holding Company common stock outstanding and entitled to vote on the record date is required to approve the merger. At least fifty percent (50%) of the outstanding shares of Citizens Bank Holding Company common stock must be present, either in person or by proxy, in order to constitute a quorum for the meeting. For this purpose, abstentions and broker nonvotes (that is, proxies from brokers or nominees, indicating that such person has not received instructions from the beneficial owners or other persons entitled to vote shares as to a matter with respect to which the broker or nominees do not have discretionary power to vote) are counted in determining the shares present at a meeting.

Table of Contents

For voting purposes, however, only shares actually voted **for** the approval of the merger agreement, and neither abstentions nor broker nonvotes, will be counted as favorable votes in determining whether the merger agreement is approved by the holders of Citizens Bank Holding Company common stock. **As a result, abstentions and broker nonvotes will have the same effect as votes against approval of the merger agreement.**

Voting, Solicitation, and Revocation of Proxies

If the enclosed proxy card is duly executed and received in time for the special meeting, it will be voted in accordance with the instructions given. If the proxy card is duly executed and received but no instruction is given, it is the intention of the persons named in the proxy to vote the shares represented by the proxy **for the approval of the merger and in the proxy's discretion on any other matter coming before the meeting.** Any proxy given by a shareholder may be revoked before its exercise by:

written notice to the Secretary of Citizens Bank Holding Company;

a later-dated proxy; or

appearing and voting at the special meeting in person.

Citizens Bank Holding Company is soliciting the proxy for the special meeting on behalf of the Citizens Bank Holding Company board of directors. Citizens Bank Holding Company will bear the cost of solicitation of proxies from its shareholders. In addition to using the mails, Citizens Bank Holding Company may solicit proxies by personal interview, telephone, and facsimile. Banks, brokerage houses, other institutions, nominees, and fiduciaries will be requested to forward their proxy soliciting material to their principals and obtain authorization for the execution of proxies. Citizens Bank Holding Company does not expect to pay any compensation for the solicitation of proxies. However, Citizens Bank Holding Company will, upon request, pay the standard charges and expenses of banks, brokerage houses, other institutions, nominees, and fiduciaries for forwarding proxy materials to and obtaining proxies from their principals.

BACKGROUND OF AND REASONS FOR THE MERGER

Background of the Merger

Glacier, through its Mountain West Bank subsidiary, currently offers community banking services from offices in northern Idaho, the Boise area, and Ketchum/Sun Valley, but does not serve the southeastern Idaho market. Consistent with its historical acquisition strategy, Glacier is interested in partnering with attractive financial institutions in markets that fit within or expand Glacier's existing geographic footprint. In April 2004, D.A. Davidson & Co. (Davidson), as Glacier's investment banking representative, sent a letter to Citizens Bank Holding Company expressing Glacier's interest in expanding its community banking presence to southeastern Idaho through a merger with Citizens Bank Holding Company. In May and June, a representative of Davidson and Ralph Cottle, President of Citizens Bank Holding Company, had several telephone conversations regarding the prospect of arranging a meeting with Glacier to share information and further explore the prospect of a merger.

On July 13, Mick Blodnick, CEO of Glacier, and a representative of Davidson met in Pocatello with Mr. Cottle and with Messrs. James Lee and Gary Blanchard, the chairman and vice chairman, respectively, of Citizens Bank Holding Company. Mr. Blodnick and the Citizens' representatives shared information about their respective companies, discussed market conditions and prospects in southeastern Idaho, shared financial information, reviewed operating practices and corporate strategies, and discussed the potential benefits of a merger to shareholders, employees, and customers. In the course of the meeting, Messrs. Blodnick and Cottle

Table of Contents

agreed that Glacier and Citizens Bank Holding Company shared similar community banking philosophies and that the parties should further explore the prospect of a merger.

On August 5, Mr. Blodnick and a representative of Davidson met with Mr. Cottle and the Citizens Bank Holding Company board of directors in Pocatello. Mr. Blodnick presented the board with information about Glacier and answered questions about its financial performance, its operating practices with subsidiary banks, and the experiences of other community banks that chose to merge with Glacier. Davidson shared information and answered questions about the structure and process of a merger transaction, market valuation levels, and Glacier's approach to structuring and valuing merger transactions.

In August and September, Citizens Bank Holding Company shared additional information with Glacier, including management's expectations for financial performance during 2004 and 2005. The parties also engaged in negotiations regarding the value and terms of a merger transaction.

On September 27, following a meeting of its board of directors, Glacier provided Citizens Bank Holding Company a formal proposal setting forth the proposed terms of the merger. On September 29, the board of directors of Citizens Bank Holding Company met to discuss the formal proposal of Glacier with respect to the merger. The board of directors raised several issues with regard to the proposal and directed legal counsel of Citizens Bank Holding Company and Mr. Cottle to communicate the comments of the board of directors to Glacier. The comments of the board of directors of Citizens Bank Holding Company were communicated to Glacier on September 30. On September 30, after receiving comments from Citizens Bank Holding Company and its legal counsel, Glacier submitted a revised written proposal for the merger that was accepted by Citizens Bank Holding Company.

In October and November, the parties and their advisors exchanged additional information, conducted due diligence reviews (with most of Glacier's due diligence review occurring between October 18 and November 12), discussed operating and strategic plans for the Bank post-closing, and drafted and negotiated the terms of the merger agreement and related documents.

On December 14, the board of directors of Glacier met to consider approval of the merger. Matters discussed included the fiduciary duties of the directors, the results of due diligence reviews, the terms of the merger agreement and related documents, the pro forma financial impact of the merger, expansion opportunities available to the Bank, and the timing and process for consummation of the merger. After due consideration of these matters, the Glacier board approved the merger by unanimous vote.

On December 15, the Board of Directors of Citizens Bank Holding Company met to consider approval of the merger with Glacier. The Board of Directors discussed: their fiduciary duty to the shareholders of Citizens Bank Holding Company, questions about the definitive agreement, the form of consideration to be received by the shareholders, the break-up fee, the current stock price of Glacier and its dividend history, and the implications to Citizens Bank Holding Company, its shareholders, employees and customers. Also discussed were the reasons for completing the merger and the implications to Citizens Bank Holding Company if the Bank continued without an affiliation with Glacier. The Board of Directors took into consideration the presentation made by Hovde and its fairness opinion that was presented and approved by the Board of Directors as written. The Board then voted unanimously to approve the merger.

Glacier and Citizens executed the merger agreement and related documents on the afternoon of December 15. After the close of business on December 15, the parties issued a joint press release announcing the execution of the merger agreement.

Reasons For The Merger - Citizens Bank Holding Company

The Citizens Bank Holding Company board of directors believes the merger is in the best interests of Citizens Bank Holding Company and the Citizens Bank Holding Company shareholders. The Citizens Bank Holding Company board of directors unanimously recommends that Citizens Bank Holding Company shareholders vote **for** the approval of the merger agreement and the consummation of the transaction contemplated by that merger agreement.

In reaching its determination to approve the merger agreement, the Citizens Bank Holding Company board of directors consulted with its management and its financial and legal advisors, and considered a number of factors. Following is a description of each of the material factors that Citizens Bank Holding Company board of directors believes favor the merger:

Terms of the Merger. The terms of the merger, including the consideration being paid and various other documents related to the merger and the structure of the merger. The fact that when the merger was publicly announced, the aggregate consideration being paid to Citizens Bank Holding Company shareholders represented a premium over the last known sales price for shares of Citizens Bank Holding Company.

Fairness Opinion. Hovde's opinion, discussed below in Opinion of Bank of Citizens Bank Holding Company Advisor, stating that, based upon and subject to, the assumptions made, matters considered and qualifications and limitations stated in the opinion, as of December 15, 2004, the merger consideration was fair to Citizens Bank Holding Company shareholders from a financial point of view.

Liquidity. The expectation that Glacier common stock will provide greater liquidity for Citizens Bank Holding Company shareholders.

Dividends. The fact that Glacier's common stock pays dividends, has done so since 1985, and that Citizens Bank Holding Company has never paid a dividend.

Products & Services. The fact that Citizens Bank Holding Company customers would be afforded new products and services not previously available. For instance, larger credit relationships, international banking services including letters of credit, and enhanced cash management services will be available.

Autonomy. The fact that Glacier intends to operate Citizens Community Bank as a separate subsidiary under the direction and control of the bank's current management team, under the name Citizens Community Bank.

Corporate Values. The understanding that Glacier and Citizens Bank Holding Company share a common vision of the importance of customer service and local decision making and that management and employees of Citizens Community Bank and Glacier possess complementary skills and expertise.

Competitive Issues. The fact that competition in the Citizens Bank Holding Company market has increased in the past few years and is expected to increase in the future as other larger banks enter the market.

Future Prospects. The Citizens Bank Holding Company board of directors believes that future earnings prospects will be stronger on a combined basis. In addition, affiliations with Glacier will offer expansion opportunities not currently available.

Other Strategies. The alternatives to the merger, and the timing and likelihood of success in trying to achieve such alternatives.

Table of Contents

Employee Matters. The expectation that the merger will generally expand the career opportunities and employee benefits available to many Citizens Community Bank employees.

Directors and Executive Officers. The fact that the current members of the Citizens Community Bank board of directors will continue to serve following the merger.

Tax Free Reorganization. The expectation that the merger will constitute a reorganization under section 368(a) of the Internal Revenue Code.

Risks of Stand Alone. The Citizens Bank Holding Company board of directors considered the risks and costs associated with remaining a stand alone bank, such as the possible need to raise additional capital.

Approvals. The likelihood of receiving required regulatory approvals in a timely fashion and the likelihood that the merger would be completed.

In the course of its deliberations regarding the merger, the Citizens Bank Holding Company board of directors also considered the following information, which the board of directors determined did not outweigh the benefits to Citizens Community Bank and its shareholders expected to be generated by the merger:

Consideration Unknown until Closing. Because the market price of Glacier common stock will fluctuate, and because the total merger consideration is payable \$8.6 million in cash and the remainder in Glacier common stock, Citizens Bank Holding Company shareholders cannot be sure of the number of shares of Glacier common stock that will be exchanged for shares of Citizens Bank common stock, or the form of merger consideration that they will receive until the completion of the merger.

Business Interruption. The possible disruption to Citizens Community Bank business that may result from the announcement of the merger and the resulting distraction of its management's attention from the day-to-day operations of Citizens Community Bank's business.

Integration Issues. The difficulty inherent in integrating two businesses and the risk that the cost efficiencies, synergies and other benefits expected to be obtained in the merger may not be fully realized.

Operational Restrictions. The restrictions contained in the merger agreement on the operation of Citizens Bank Holding Company's business during the period between the signing of the merger agreement and completion of the merger.

Termination, No-Approval and Break-Up Fees. Under certain circumstances, Glacier may terminate the merger agreement and require Citizens Bank Holding Company to pay a termination fee of \$170,000. In certain circumstances where the merger agreement is terminated following the receipt of a superior proposal prior to the consummation of the merger and such a superior proposal is accepted within the twelve months following such termination and then subsequently consummated, Citizens Bank Holding Company may be required to pay a break-up fee of \$860,000.

Risk of Termination. The possibility that the merger might not be completed and the effect of the resulting public announcement of the termination of the merger agreement on, among other things, the market price of Citizens Bank Holding Company common stock and Citizens Bank Holding Company operating results, particularly in light of the costs incurred in connection with the transaction.

Other Matters. Other matters described in the sections entitled "Risk Factors" and "The Merger - Interests of Certain Persons in the Merger."

Table of Contents

The foregoing discussion of the information considered by the Citizens Bank Holding Company board of directors is not intended to be exhaustive but includes all of the material factors considered by the board of directors. In reaching its determination to approve and recommend the merger, the Citizens Bank Holding Company board of directors did not assign any relative or specific weights to the factors considered in reaching that determination and individual directors may have given differing weights to different factors. Given the above, the Citizens Bank Holding Company board of directors determined that the merger agreement is in the best interests of Citizens Bank Holding Company and its shareholders and unanimously approved the merger.

Opinion of Hovde Financial LLC, Citizens Bank Holding Company Financial Advisor

Hovde has delivered to the Board of Directors of Citizens Bank Holding Company its opinion that, based upon and subject to the various considerations set forth in its written opinion dated December 15, 2004, the total transaction consideration to be paid to the shareholders of Citizens Bank Holding Company is fair from a financial point of view as of such date. In requesting Hovde's advice and opinion, no limitations were imposed by Citizens Bank Holding Company upon Hovde with respect to the investigations made or procedures followed by it in rendering its opinion. **The full text of the opinion of Hovde, dated December 15, 2004, which describes the procedures followed, assumptions made, matters considered and limitations on the review undertaken, is attached hereto as Appendix C. The shareholders of Citizens Bank Holding Company should read this opinion in its entirety.**

Hovde is a nationally recognized investment banking firm and, as part of its investment banking business, is continually engaged in the valuation of financial institutions in connection with mergers and acquisitions, private placements and valuations for other purposes. As a specialist in securities of financial institutions, Hovde has experience in, and knowledge of, banks, thrifts and bank and thrift holding companies. The Board of Directors of Citizens Bank Holding Company selected Hovde to act as its financial advisor in connection with the merger on the basis of the firm's reputation and expertise in transactions such as the merger.

Hovde received a fee from Citizens Bank Holding Company for performing a financial analysis of the merger and rendering a written opinion to the Board of Directors of Citizens Bank Holding Company as to the fairness, from a financial point of view, of the merger to the shareholders of Citizens Bank Holding Company. Hovde received all of such fee subsequent to Hovde's presentation of its fairness opinion and analysis to the Board of Directors of Citizens Bank Holding Company. Citizens Bank Holding Company has also agreed to indemnify Hovde against any claims, losses and expenses arising out of the merger or Hovde's engagement that did not arise from Hovde's gross negligence or willful misconduct.

Hovde's opinion is directed only to the fairness, from a financial point of view, of the total transaction consideration, and, as such, does not constitute a recommendation to any shareholder of Citizens Bank Holding Company as to how the shareholder should vote at the Citizens Bank Holding Company shareholder meeting. The summary of the opinion of Hovde set forth in this joint statement/prospectus is qualified in its entirety by reference to the full text of the opinion.

The following is a summary of the analyses performed by Hovde in connection with its fairness opinion. Certain of these analyses were confirmed in a presentation to the Board of Directors of Citizens Bank Holding Company by Hovde. The summary set forth below does not purport to be a complete description of either the analyses performed by Hovde in rendering its opinion or the presentation delivered by Hovde to the Board of Directors of Citizens Bank Holding Company, but it does summarize all of the material analyses performed and presented by Hovde.

The preparation of a fairness opinion involves various determinations as to the most appropriate and relevant methods of financial analyses and the application of those methods to the particular circumstances. In arriving at its opinion, Hovde did not attribute any particular weight to any analysis and factor considered by it, but

Table of Contents

rather made qualitative judgments as to the significance and relevance of each analysis and factor. Accordingly, Hovde believes that its analyses and the following summary must be considered as a whole and that selecting portions of its analyses, without considering all factors and analyses, could create an incomplete view of the process underlying the analyses set forth in its report to the Board of Directors of Citizens Bank Holding Company and its fairness opinion.

In performing its analyses, Hovde made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of Citizens Bank Holding Company and Glacier. The analyses performed by Hovde are not necessarily indicative of actual value or actual future results, which may be significantly more or less favorable than suggested by such analyses. Such analyses were prepared solely as part of Hovde's analysis of the fairness of the transaction consideration, from a financial point of view, to the shareholders of Citizens Bank Holding Company. The analyses do not purport to be an appraisal or to reflect the prices at which a company might actually be sold or the prices at which any securities may trade at the present time or at any time in the future. Hovde's opinion does not address the relative merits of the merger as compared to any other business combination in which Citizens Bank Holding Company might engage. In addition, as described above, Hovde's opinion to the Board of Directors of Citizens Bank Holding Company was one of many factors taken into consideration by the Board of Directors of Citizens Bank Holding Company in making its determination to approve the merger agreement.

During the course of its engagement, and as a basis for arriving at its opinion, Hovde reviewed and analyzed material bearing upon the financial and operating conditions of Citizens Bank Holding Company and Glacier and material prepared in connection with the merger, including, among other things, the following:

the merger agreement;

certain historical publicly available information concerning Citizens Bank Holding Company and Glacier;

certain internal financial statements and other financial and operating data concerning Citizens Bank Holding Company and Glacier;

certain financial projections prepared by the managements of Citizens Bank Holding Company and Glacier;

certain other information provided to Hovde by members of the senior managements of Citizens Bank Holding Company and Glacier for the purpose of reviewing the future prospects of Citizens Bank Holding Company and Glacier, including financial forecasts related to the respective businesses, earnings, assets, liabilities and the amount and timing of cost savings expected to be achieved as a result of the merger;

historical market prices and trading volumes for Glacier common stock;

the nature and terms of recent merger and acquisition transactions to the extent publicly available, involving banks, thrifts and bank and thrift holding companies that we considered relevant;

the pro forma ownership of Glacier's common stock by the shareholders of Citizens Bank Holding Company relative to the pro forma contribution of Citizens Bank Holding Company's assets, liabilities, equity and earnings to the combined company;

the pro forma impact of the merger on the combined company's earnings per share, consolidated capitalization and financial ratios; and

such other information and factors as it has deemed appropriate.

Hovde also took into account its assessment of general economic, market and financial conditions and its experience in other transactions, as well as its knowledge of the commercial banking industry and its general experience in securities valuations.

In rendering its opinion, Hovde assumed, without independent verification, the accuracy and completeness of the financial and other information and relied upon the accuracy of the representations of the parties contained in the merger agreement. Hovde also assumed that the financial forecasts furnished to or discussed with Hovde by Citizens Bank Holding Company and Glacier were reasonably prepared and reflected the best currently available estimates and judgments of senior management of Citizens Bank Holding Company and Glacier as to the future financial performance of Citizens Bank Holding Company, Glacier, or the combined company, as the case may be. Hovde has not made any independent evaluation or appraisal of any properties, assets or liabilities of Citizens Bank Holding Company or Glacier. Hovde assumed and relied upon the accuracy and completeness of the publicly available and other non-public financial information provided to it by Citizens Bank Holding Company and Glacier, relied upon the representations and warranties of Citizens Bank Holding Company and Glacier made pursuant to the merger agreement, and did not independently attempt to verify any of such information.

Analysis of Selected Mergers. As part of its analysis, Hovde reviewed two groups of comparable merger transactions. The first peer group included transactions, which have occurred since January 1, 2002, that involved target banks in the Northwestern United States (ID, OR, WA, MT, WY) that had total assets under \$400 million (the Northwest Merger Group). This Northwest Merger Group consisted of the following 11 transactions:

Hovde calculated the medians and averages of the following relevant transaction ratios in the Northwest Merger Group and the West Merger Group: the percentage of the offer value to the acquired company's total assets, the multiple of the offer value to the acquired company's earnings for the twelve months preceding the announcement date of the transaction; the multiple of the offer value to the acquired company's tangible book value; and the tangible book value premium to core deposits. Hovde compared these multiples with the corresponding multiples for the merger, valuing the total consideration that would be received pursuant to the merger agreement at approximately \$17.3 million (\$8.6 million in consideration in the form of Glacier's stock, \$8.6 million in cash, and \$88,970 in qualified options consideration), or \$37.47 per Citizens Bank Holding Company diluted share. In calculating the multiples for the merger, Hovde used Citizens Bank Holding Company's earnings for the twelve months ended September 30, 2004, and Citizens Bank Holding Company's tangible book value per share, total assets, and total deposits as of September 30, 2004. The results of this analysis are as follows:

Discounted Cash Flow Analysis. Hovde estimated the present value of all shares of Citizens Bank Holding Company common stock by estimating the value of Citizens Bank Holding Company's estimated future earnings stream beginning in 2005. Reflecting Citizens Bank Holding Company's internal projections and Hovde estimates, Hovde assumed net income in 2005, 2006, 2007, 2008, and 2009 of \$0.99 million, \$1.14 million, \$1.31 million, \$1.51 million, and \$1.74 million, respectively. The present value of these earnings was calculated based on a range of discount rates of 11.0%, 12.0%, 13.0%, 14.0%, and 15.0%, respectively. In order to derive the terminal value of Citizens Bank Holding Company's earnings stream beyond 2009, Hovde assumed a terminal value based on a multiple of between 16.0x and 20.0x applied to free cash flows in 2009. The present value of this terminal amount was then calculated based on the range of discount rates mentioned above. These rates and values were chosen to reflect different assumptions regarding the required rates of return of holders or prospective buyers of Citizens Bank Holding Company common stock. This analysis and its underlying assumptions yielded a range of value for all the shares of Citizens Bank Holding Company stock of approximately \$13.82 million (at a 15.0% discount rate and a 16.0x terminal multiple) to \$20.61 million (at a 11.0% discount rate and a 20.0x terminal multiple) with a midpoint of \$16.97 (using a 13.0% discount rate and a 18.0x terminal multiple), compared to total merger consideration of \$17.29 million.

Contribution Analysis. Hovde prepared a contribution analysis showing percentages of total assets, total net loans, total deposits, and total common equity and tangible equity at September 30, 2004 for Citizens Bank Holding Company and for Glacier, and actual twelve months preceding earnings and estimated fiscal year 2004 earnings that would be contributed to the combined company on a pro-forma basis by Citizens Bank Holding Company and Glacier. This analysis indicated that holders of Citizens Bank Holding Company common stock would own approximately 1.0% of the pro forma common shares outstanding of Glacier, assuming an exchange ratio of 1.129 for the stock consideration portion, while contributing a median of 3.2% of the financial components listed above. This pro forma ownership is based on the total consideration being paid to Citizens Bank Holding Company consisting of 50.3% of Glacier common stock and 49.7% in cash, therefore if pro forma ownership of 1.0% is divided by the percentage of stock (50.3%), the resulting value is 2.0%.

Financial Implications to Citizens Bank Holding Company Shareholders. Hovde prepared an analysis of the financial implications of Glacier's offer to a holder of Citizens Bank Holding Company common stock who elects to receive 100% Glacier common stock. This analysis indicated that on a pro forma equivalent basis, assuming the exchange ratio of 1.129 for the stock consideration portion of the total consideration and excluding any potential revenue enhancement opportunities, a stockholder of Citizens Bank Holding Company would achieve approximately 7.06% accretion in GAAP earnings per share, approximately 9.48% accretion in cash earnings per share, a decrease in tangible book value per share of approximately 43.12%, and a decrease in total book value per share of approximately 29.07% as a result of the consummation of the merger. The table below summarizes the results discussed above:

Based upon the foregoing analyses and other investigations and assumptions set forth in its opinion, without giving specific weightings to any one factor or comparison, Hovde determined that the transaction consideration was fair from a financial point of view to the shareholders of Citizens Bank Holding Company.

Recommendation of the Citizens Bank Holding Company Board

The Citizens Bank Holding Company board of directors unanimously recommends that its shareholders vote for approval of the merger agreement.

THE MERGER

The following is a brief description of the material aspects of the merger. There are other aspects of the merger that are not discussed below, but that are contained in the merger agreement. You are being asked to approve the merger in accordance with the terms of the merger agreement, and you are urged to read the merger agreement carefully. The merger agreement is attached to this proxy statement/prospectus as **Appendix A**.

Basic Terms of the Merger

The merger agreement provides for the merger of Citizens Bank Holding Company with and into Glacier, with Glacier as the surviving company. Following the merger, Citizens Community Bank will be a wholly owned subsidiary of Glacier and will operate under the Citizens Community Bank name, with the same offices as Citizens Community Bank before the merger.

In the merger, Citizens Bank Holding Company shareholders will receive cash, Glacier common stock, or a combination of cash and Glacier common stock for their Citizens Bank Holding Company common stock, as described below. While Glacier and Citizens Bank Holding Company believe that they will receive the necessary regulatory approvals for the merger, there can be no assurance that such approvals will be received or, if received, as to the timing of such approvals or as to the ability to obtain such approvals on satisfactory terms. See Conditions to the Completion of the Merger and Regulatory Requirements.

Merger Consideration

The merger agreement provides that as of the effective date of the merger, each share of Citizens Bank Holding Company common stock issued and outstanding immediately prior to the effective date will be converted into the right to receive either Glacier common stock, cash, or a combination of Glacier common stock and cash, in each case as described below. Under the merger agreement, Glacier will pay \$8.6 million of the total merger consideration in cash and the remainder in shares of Glacier common stock (the number to be determined as described below) with an aggregate value of \$8.6 million plus the amount of cash received by Citizens Bank Holding Company upon the exercise of Citizens Bank Holding Company stock options after the date of the merger agreement and prior to the effective date of the merger.

Subject to allocation procedures described below, a Citizens Bank Holding Company shareholder will have the right to elect to convert such shareholder's Citizens Bank Holding Company common stock into (i) cash; (ii) shares of Glacier common stock, or (iii) 50% cash and 50% Glacier common stock. See Election Procedure. In our discussion, we refer to the number of shares of Glacier common stock to be received for each share of Citizens Bank Holding Company common stock being converted into Glacier stock as the per share stock consideration, and we refer to the amount of cash to be received for each share of Citizens Bank Holding Company common stock being converted into cash as the per share cash consideration.

The per share cash consideration payable under the merger agreement is \$37.47 per Citizens Bank Holding Company share. The actual per share stock consideration to be paid to Citizens Bank Holding Company shareholders cannot be determined until the fifth day immediately prior to the effective date of the merger (the determination date). We intend to announce these amounts promptly after the determination date. The amounts will also be made available on Glacier's website at www.glacierbancorp.com and on Citizens Community Bank's website at www.ccb-idaho.com.

Table of Contents

The per share stock consideration is defined in the merger agreement as the number of Glacier shares (rounded to the nearest thousandth) obtained by dividing the per share cash consideration (\$37.47) by the Glacier average closing price. The average closing price is the average of the closing sale prices of Glacier common stock as reported on Nasdaq during the 10 consecutive trading days ending on the determination date. We refer to this 10 trading day period as the valuation period.

The formula described above is intended to substantially equalize the value of the consideration to be received for each share of Citizens Bank Holding Company common stock in the merger as measured during the valuation period, regardless of whether a Citizens Bank Holding Company shareholder elects to receive all Glacier common stock, all cash, or a combination of the two. This equalization mechanism was deemed to be desirable because, while the aggregate amount of cash to be received by Citizens Bank Holding Company shareholders is fixed, the value of the Glacier common stock will fluctuate. In order to best ensure that the value of the consideration for each share of Citizens Bank Holding Company common stock is as equal as possible upon receipt by Citizens Bank Holding Company shareholders, regardless of the form of the consideration, the per share stock consideration is based on the average closing price.

For example, if the average closing price of Glacier common stock for the applicable 10 trading day period was \$32.00, a Citizens Bank Holding Company shareholder receiving only stock would receive 1.171 shares of Glacier common stock per share of Citizens Bank Holding Company common stock having a value, based upon such average closing price, of approximately \$37.47 per share of Citizens Bank Holding Company common stock, and a Citizens Bank Holding Company shareholder receiving only cash would receive \$37.47 in cash per share of Citizens Bank Holding Company common stock, subject in each case to the allocation procedures described under the heading "The Merger Allocation" below.

If the price of Glacier common stock (based on the average closing price) increases, then the number of shares of Glacier common stock received for each share of Citizens Bank Holding Company would decrease. If the price of Glacier common stock decreases, the number of shares being exchanged for Glacier common stock would increase. For example, if the average closing price during the valuation period is \$35.20 (approximately 10% higher than \$32.00, the approximate price of Glacier's common stock on February 8, 2005, the most recent practicable date prior to the mailing of this proxy statement/prospectus), then a Citizens Bank Holding Company shareholder receiving only stock would receive 1.064 shares of Glacier common stock per Citizens Bank Holding Company share, although the value per share of Citizens Bank Holding Company common stock would remain at \$37.47 per share (subject to rounding differences). Similarly, if the average closing price during the valuation period is \$28.80 (approximately 10% lower than \$32.00), then a Citizens Bank Holding Company shareholder receiving only stock would receive 1.301 shares of Glacier common stock per Citizens Bank Holding Company share, although the value per share of Citizens Bank Holding Company common stock would remain at \$37.47 per share (subject to rounding differences). Each of these examples is subject to the allocation procedures described below.

No assurance can be given that the current fair market value of Glacier common stock will be equivalent to the fair market value of Glacier common stock on the date that stock is received by a Citizens Bank Holding Company shareholder or at any other time. The fair market value of Glacier common stock received by a Citizens Bank Holding Company shareholder may be greater or less than the current fair market value of Glacier common stock due to numerous market factors.

Citizens Bank Holding Company may terminate the merger agreement if the Glacier average closing price is greater than \$37.00 per share, unless Glacier elects to adjust the per share stock consideration. Glacier may terminate the merger agreement if the Glacier average closing price is less than \$27.00 per share, unless Citizens Bank Holding Company agrees to accept an adjustment in the per share stock consideration. See "Termination of the Merger Agreement."

Table of Contents

No fractional shares of Glacier common stock will be issued to any holder of Citizens Bank Holding Company common stock in the merger. For each fractional share that would otherwise be issued, Glacier will pay cash in an amount equal to the fraction multiplied by the average closing price of Glacier common stock during the valuation period. No interest will be paid or accrued on cash payable in lieu of fractional shares of Glacier common stock.

The terms of the merger were determined by Glacier and Citizens Bank Holding Company on the basis of arms-length negotiations.

Election Procedure

Subject to the allocation mechanism described in the next section, each Citizens Bank Holding Company shareholder holding more than 100 shares will have the right to elect to receive with respect to such shareholder's shares of Citizens Bank Holdings Company common stock:

all cash;

all Glacier common stock; or

50% cash and 50% Glacier common stock.

All Cash Election. Shareholders who elect the all cash election or who hold 100 or fewer Citizens Bank Holding Company common shares will receive the per share cash consideration in respect of all their shares of Citizens Bank Holding Company common stock, subject to the allocation mechanism described below in the event shareholders elect to receive too much cash. In our discussion we refer to the shares held by a shareholder who owns 100 or fewer shares or who has made an all cash election as cash election shares.

All Stock Election. Shareholders who elect the all stock election will receive the per share stock consideration in respect of all their shares of Citizens Bank Holding Company common stock, subject to the allocation mechanism described below in the event shareholders elect to receive too much stock. In our discussion we refer to the shares held by a shareholder who has made an all stock election as stock election shares.

Combination Election. A shareholder who elects the combination election will receive 50% cash (based on the per share cash consideration amount of \$37.47 per Citizens Bank Holding Company share) and 50% Glacier common stock (based on the per share stock consideration determined as described above).

No-Election Shares. Shareholders who indicate that they have no preference as to whether they receive cash or Glacier common stock, and shareholders who do not make a valid election, will be deemed to have made a no-election (no-election shares). Shareholders who are deemed to have made a no-election will receive (i) the per share stock consideration if there is an oversubscription of the cash consideration, or (ii) the per share cash consideration if there is an oversubscription of the stock consideration. See Allocation below.

Proposed Dissenting Shares. To the extent a Citizens Bank Holding Company shareholder provides notice of dissent to Citizens Bank Holding Company in accordance with the Idaho Business Corporation Act, such shareholder will be deemed to hold cash election shares for purposes of determining the allocation of cash and Glacier common stock among Citizens Bank Holding Company shareholders. Such shareholders will be deemed to have proposed dissenting shares. See Allocation below.

For example, assuming a Citizens shareholder holds 200 shares of Citizens Bank Holding Company common stock (and that the average closing price of Glacier common stock for the valuation period was \$32.00), if such shareholder made:

Table of Contents

an all stock election, such shareholder would receive 234 shares of Glacier common stock (and \$6.40 in cash in lieu of a fractional share) having a total value (based on Glacier's average closing price) of \$7,494.40;

an all cash election, such shareholder would receive \$7,494 cash;

a combination election, such shareholder would receive 117 shares of Glacier common stock and cash of \$3,750.20 (including \$3.20 cash in lieu of a fractional share), which together with the stock, would have a total value of \$7,494.20.

The merger agreement provides that the total merger consideration to be paid by Glacier will be split as equally as possible between cash and Glacier common stock. Accordingly, there is no assurance that a holder of Citizens Bank Holding Company common stock will receive the form of consideration that the holder elects with respect to all shares of Citizens Bank Holding Company common stock held by that holder. If the elections result in an oversubscription with respect to shares of Citizens Bank Holding Company common stock which would otherwise receive either the per share stock consideration or the per share cash consideration, the exchange agent will follow the procedures for allocating Glacier common stock and cash described below under Allocation.

Election Form. A green election form accompanies this proxy statement/prospectus. Each green election form allows the holder to make the all cash election, the all stock election, or the combination election, or to indicate that the holder makes no election assuming such holder owns more than 100 shares. Citizens Bank Holding Company and Glacier will make available election forms to persons who become holders of Citizens Bank Holding Company common stock between the record date for the Citizens Bank Holding Company special meeting and the close of business on the day prior to the election deadline.

Holders of Citizens Bank Holding Company common stock who wish to elect the type of merger consideration they will receive in the merger should carefully review and follow the instructions set forth in the green election form. Shares of Citizens Bank Holding Company common stock as to which the holder has not made a valid election prior to the election deadline, which is 5:00 p.m., Mountain Time, on April 8, 2005, will be deemed no-election shares.

To make an election, a holder of Citizens Bank Holding Company common stock must submit a properly completed election form so that it is actually received by the exchange agent at or prior to the election deadline in accordance with the instructions on the election form.

An election may be revoked or changed by the person submitting the election form prior to the election deadline. The exchange agent will have reasonable discretion to determine whether any election, revocation or change has been properly or timely made and to disregard immaterial defects in the election forms, and any good faith decisions of Glacier regarding these matters will be binding and conclusive. Neither Glacier or Citizens Bank Holding Company nor the exchange agent will be under any obligation to notify any person of any defects in an election form.

Letter of Transmittal. Soon after the completion of the merger, the exchange agent will send a letter of transmittal to each person who was a Citizens Bank Holding Company shareholder at the effective time of the merger. This mailing will contain instructions on how to surrender shares of Citizens Bank Holding Company common stock in exchange for the merger consideration the holder is entitled to receive under the merger agreement.

All shares of Glacier common stock issued to the holders of Citizens Bank Holding Company common stock pursuant to the merger will be deemed issued as of the effective date. Until you surrender your Citizens Bank Holding Company stock certificates for exchange, you will accrue, but will not be paid, any dividends or other distributions declared after the effective date with respect to Glacier common stock into which any of your

Table of Contents

shares may have been converted. When you surrender your certificates, Glacier will pay any unpaid dividends or other distributions, as well as any merger consideration payable in cash, without interest. After the effective time, there will be no transfers on the stock transfer books of Citizens Bank Holding Company of any shares of Citizens Bank Holding Company common stock. If certificates representing shares of Citizens Bank Holding Company common stock are presented for transfer after the completion of the merger, they will be cancelled and exchanged for the merger consideration into which the shares of Citizens Bank Holding Company common stock represented by those certificates shall have been converted.

If a certificate for Citizens Bank Holding Company common stock has been lost, stolen or destroyed, the exchange agent will issue the consideration properly payable under the merger agreement upon receipt of appropriate evidence as to that loss, theft or destruction, appropriate evidence as to the ownership of that certificate by the claimant, and reasonable assurances, such as a bond or indemnity, satisfactory to Glacier in consultation with Citizens Bank Holding Company, and appropriate and customary identification.

Allocation

Pursuant to the terms of the merger agreement, Glacier will pay \$8.6 million of the total merger consideration in cash and the remainder in shares of Glacier common stock with an aggregate value of \$8.6 million plus the amount of cash received by Citizens Bank Holding Company upon the exercise of Citizens Bank Holding Company stock options after the date of the merger agreement and prior to the effective date of the merger. Therefore, all cash elections and stock elections (but not combination elections) are subject to adjustment to preserve these limitations on the amount of cash to be paid and the number of shares of Glacier common stock to be issued in the merger. As a result, even if you make the all cash election or the all stock election, you may nevertheless receive a mix of cash and stock.

Combination Elections. In any event, Citizens Bank Holding Company shareholders who elect to receive 50% cash and 50% Glacier common stock are guaranteed to receive this combination, and will not be subject to the allocation procedures described below.

Oversubscription of the Cash Consideration. If the total amount of cash that would be payable to Citizens Bank Holding Company shareholders who make all cash elections and combination elections would be greater than \$8.6 million, the following allocation mechanism will be used:

all stock election shares and no-election shares will be converted into the right to receive the per share stock consideration;

the exchange agent will then select from among the cash election shares (excluding shares held by a record holder holding 100 or fewer Citizens Bank Holding Company shares), on a pro rata basis, a sufficient number of shares such that the aggregate cash amount that will be paid in the merger equals as closely as possible \$8.6 million; and

all shares selected by the exchange agent through the pro rata selection process will be converted into the right to receive the per share stock consideration.

Oversubscription of the Stock Consideration. If the total shares of Glacier common stock that would be issued to Citizens Bank Holding Company shareholders who make all stock elections and combination elections would be greater than the maximum total stock consideration, the following allocation mechanism will be used:

all cash election shares, no-election shares and shares held by a record holder holding 100 or fewer shares of Citizens Bank Holding Company shares will be converted into the right to receive the per share cash

consideration;

Table of Contents

the exchange agent will then select from the stock election shares (excluding the former company qualified shares - See Exercised Citizens Bank Holding Company Qualified Options), on a pro rata basis, a sufficient number of shares such that the aggregate shares of Glacier common stock that will be issued equals as closely as possible the maximum total stock consideration; and

all shares selected by the exchange agent through the pro rata selection process will be converted into the per share cash consideration.

The allocation described above will be computed by the exchange agent as soon as practicable after the election deadline and may, if necessary, be computed after the completion of the merger in accordance with the merger agreement.

Because the federal income tax consequences of receiving cash, Glacier common stock, or both cash and Glacier common stock will differ, Citizens Bank Holding Company shareholders are urged to read carefully the information set forth under the caption Certain Federal Income Tax Consequences and to consult their own tax advisors for a full understanding of the merger's tax consequences to them. In addition, because the stock consideration can fluctuate in value from the final stock price calculated during the valuation period, the economic value per share received by Citizens Bank Holding Company shareholders who receive the stock consideration may, as of the date of receipt by them, be more or less than the amount of cash consideration per share received by Citizens Bank Holding Company shareholders who receive cash consideration.

Exercised Citizens Bank Holding Company Qualified Options

The merger agreement provides that each share of Citizens Bank Holding Company common stock issued and outstanding as of the effective date of the merger as a result of the exercise of Citizens Bank Holding Company qualified options between the date of the execution of the merger agreement and the effective date of the merger (defined in the merger agreement as former company qualified options) will be converted into and will be exchangeable for the per share stock consideration.

Unexercised Citizens Bank Holding Company Nonqualified Options

The merger agreement provides that each Citizens Bank Holding Company nonqualified option (as defined in the merger agreement) that is outstanding as of the effective date of the merger will be converted into the right to receive \$26.62 per option, which is the difference between the per share cash consideration payable in the merger and the option exercise price applicable to such nonqualified options.

Fractional Shares

Glacier will not issue fractional shares in the merger. Instead, a cash payment will be paid in an amount equal to the product of (i) the fractional part of a share of Glacier common stock multiplied by (ii) the average closing price of Glacier common stock for the valuation period.

Effective Date of the Merger

Subject to the conditions to the obligations of the parties to complete the merger as set forth in the merger agreement, the effective date of the merger will occur as soon as practicable after such conditions have been satisfied or waived. Subject to the foregoing, it is currently anticipated that the merger will be consummated during the first quarter of 2005. Either Glacier or Citizens Bank Holding Company may, subject to certain conditions, terminate the merger agreement if the effective date does not occur on or before May 15, 2005.

Federal Income Tax Consequences of the Merger

The following is a discussion of the material federal income tax consequences of the merger that are generally applicable to holders of Citizens Bank Holding Company common stock who are citizens of, reside in or are organized under the laws of the United States. This discussion is based on currently existing provisions of the Internal Revenue Code of 1986, as amended (the "Code"), existing regulations thereunder (including final, temporary or proposed regulations) and current administrative rulings and court decisions, all of which are subject to change. Any such change, which may or may not be retroactive, could alter the tax consequences described herein. The following discussion is intended only as a general summary of the material federal income tax consequences of the merger and is not a complete analysis or listing of all potential tax effects relevant to a decision on whether to vote in favor of approval of the merger agreement.

This discussion assumes that the Citizens Bank Holding Company shareholders hold their shares of Citizens Bank Holding Company common stock as a capital asset within the meaning of section 1221 of the Code. Further, the discussion does not address all aspects of federal income taxation that may be relevant to Citizens Bank Holding Company shareholders in light of their particular circumstances or that may be applicable to them if they are subject to special treatment under the Code, including, without limitation, shareholders who are subject to such special treatment because they are:

financial institutions, mutual funds, dealers in securities or insurance companies;

tax-exempt organizations;

S corporations or other pass-through entities;

non-United States persons;

Citizens Bank Holding Company shareholders whose shares are qualified small business stock for purposes of section 1202 of the Code or who may be subject to the alternative minimum tax provisions of the Code; or

Citizens Bank Holding Company shareholders who received their Citizens Bank Holding Company common stock through the exercise of employee stock options or otherwise as compensation or through a tax-qualified retirement plan.

Consummation of the merger is conditioned upon the receipt by Citizens Bank Holding Company of the opinion of Graham & Dunn PC, counsel to Glacier, dated as of the effective date of the merger, substantially to the effect that, on the basis of facts, representations and assumptions set forth or referred to in the opinion, which are consistent with the state of facts existing as of the effective date of the merger, the merger will be treated for United States federal income tax purposes as a reorganization within the meaning of section 368(a) of the Code. The tax opinions to be delivered in connection with the merger are not binding on the Internal Revenue Service ("IRS") or the courts, and neither Citizens Bank Holding Company nor Glacier intends to request a ruling from the IRS with respect to the United States federal income tax consequences of the merger.

Assuming consummation of the merger on the basis of facts, representations and assumptions as set forth in the opinion referred to above, the United States federal income tax consequences of the merger to a holder generally will depend on whether the holder exchanges such shareholder's Citizens Bank Holding Company common stock for cash, Glacier common stock or a combination of cash and Glacier common stock.

Exchange Solely for Cash. In general, if pursuant to the merger a holder exchanges all of its shares of Citizens Bank Holding Company common stock solely for cash, the holder will recognize gain or loss equal to the difference

between the amount of cash received and its adjusted tax basis in the shares of Citizens Bank

Table of Contents

Holding Company common stock surrendered, which gain or loss will be long-term capital gain or loss if the holder's holding period with respect to the Citizens Bank Holding Company common stock surrendered is more than one year. Notwithstanding the foregoing, if a holder exchanges all of its shares of Citizens Bank Holding Company common stock solely for cash and either (1) is deemed to constructively own shares of Glacier common stock that were exchanged for shares of Citizens Bank Holding Company common stock or (2) actually owns shares of Glacier common stock, cash received by the holder may be taxed as a dividend rather than as a capital gain. The consequence to such holders may be similar to the consequences described below under the heading **Exchange for Glacier Common Stock and Cash**.

Exchange Solely for Glacier Common Stock. If pursuant to the merger a holder exchanges all of its shares of Citizens Bank Holding Company common stock solely for shares of Glacier common stock, the holder will not recognize any gain or loss except in respect of cash received in lieu of any fractional share of Glacier common stock (as discussed below). The aggregate adjusted tax basis of the shares of Glacier common stock received in the merger will be equal to the aggregate adjusted tax basis of the shares of Citizens Bank Holding Company common stock surrendered for the Glacier common stock (reduced by the tax basis allocable to any fractional share of Glacier common stock for which cash is received), and the holding period of the Glacier common stock will include the period during which the shares of Citizens Bank Holding Bank common stock were held. If a holder has differing bases or holding periods in respect of its shares of Citizens Bank Holding Company common stock, the holder should consult its tax advisor prior to the exchange with regard to identifying the bases or holding periods of the particular shares of Glacier common stock received in the exchange.

Exchange for Glacier Common Stock and Cash. If pursuant to the merger a holder exchanges all of its shares of Citizens Bank Holding Company common stock for a combination of Glacier common stock and cash, the holder will generally recognize gain (but not loss) in an amount equal to the lesser of (1) the amount of gain realized (i.e., the excess of the sum of the amount of cash and the fair market value of the Glacier common stock received pursuant to the merger over the holder's adjusted tax basis in its shares of Citizens Bank Holding Company common stock surrendered) and (2) the amount of cash received pursuant to the merger. For this purpose, gain or loss must be calculated separately for each identifiable block of shares surrendered in the exchange, and a loss realized on one block of shares may not be used to offset a gain realized on another block of shares. Any recognized gain will generally be long-term capital gain if the holder's holding period with respect to the Citizens Bank Holding Company common stock surrendered is more than one year. If, however, the cash received has the effect of the distribution of a dividend, the gain would be treated as a dividend to the extent of the holder's ratable share of accumulated earnings and profits as calculated for federal income tax purposes. See **Possible Treatment of Cash as a Dividend** below.

The aggregate tax basis of Glacier common stock received by a holder that exchanges its shares of Citizens Bank Holding Company common stock for a combination of Glacier common stock and cash pursuant to the merger will be equal to the aggregate adjusted tax basis of the shares of Citizens Bank Holding Company common stock surrendered for Glacier common stock and cash, reduced by the amount of cash received by the holder pursuant to the merger, and increased by the amount of gain (including any portion of the gain that is treated as a dividend as described below), if any, recognized by the holder on the exchange. The holding period of the Glacier common stock will include the holding period of the shares of Citizens Bank Holding Company common stock surrendered. If a holder has differing bases or holding periods in respect of its shares of Citizens Bank Holding Company common stock, the holder should consult its tax advisor prior to the exchange with regard to identifying the bases or holding periods of the particular shares of Glacier common stock received in the exchange.

Possible Treatment of Cash as a Dividend. In general, the determination of whether the gain recognized in the exchange will be treated as capital gain or has the effect of a distribution of a dividend depends upon whether and to what extent the exchange reduces the holder's deemed percentage stock ownership of Glacier.

Table of Contents

For purposes of this determination, the holder is treated as if it first exchanged all of its shares of Citizens Bank Holding Company common stock solely for Glacier common stock and Glacier then immediately redeemed (the deemed redemption) a portion of the Glacier common stock in exchange for the cash the holder actually received. The gain recognized in the exchange followed by a deemed redemption will be treated as capital gain if the deemed redemption is (1) substantially disproportionate with respect to the holder, or (2) not essentially equivalent to a dividend.

The deemed redemption, generally, will be substantially disproportionate with respect to a holder if the percentage described in (2) below is less than 80% of the percentage described in (1) below. Whether the deemed redemption is not essentially equivalent to a dividend with respect to a holder will depend upon the particular circumstances of the holder. At a minimum, however, in order for the deemed redemption to be not essentially equivalent to a dividend, the deemed redemption must result in a meaningful reduction in the holder's actual and constructive percentage stock ownership of Glacier. In general, that determination requires a comparison of (1) the percentage of the outstanding stock of Glacier the holder is deemed to actually and constructively own immediately before the deemed redemption and (2) the percentage of the outstanding stock of Glacier the holder actually and constructively owns immediately after the deemed redemption. In applying the foregoing tests, a holder is deemed to own stock owned and, in some cases, constructively owned, by certain family members, by certain estates and trusts of which the holder is a beneficiary, and by certain affiliated entities. As these rules are complex, each holder that may be subject to these rules should consult its tax advisor. The Internal Revenue Service has ruled that a relatively minor reduction in the percentage stock ownership of a minority shareholder in a publicly held corporation whose relative stock interest is minimal and who exercises no control with respect to corporate affairs is a meaningful reduction.

Cash Received in Lieu of a Fractional Share. Cash received by a holder of Citizens Bank Holding Company common stock in lieu of a fractional share of Glacier common stock generally will be treated as received in redemption of the fractional share, and gain or loss generally will be recognized based on the difference between the amount of cash received in lieu of the fractional share and the portion of the holder's aggregate adjusted tax basis of the share of Citizens Bank Holding Company common stock surrendered allocable to the fractional share. Such gain or loss generally will be long-term capital gain or loss if the holding period for such shares of Citizens Bank Holding Company common stock is more than one year.

Dissenting Shareholders. Holders of Citizens Bank Holding Company common stock who dissent with respect to the merger, as discussed in Dissenters' Rights, and who receive cash in respect of their shares of Citizens Bank Holding Company common stock will be treated, generally, in the same manner as holders who exchange their shares of Citizens Bank Holding Company common stock solely for cash in accordance with the discussion above.

Backup Withholding. Non-corporate shareholders of Citizens Bank Holding Company may be subject to information reporting and backup withholding on any cash payments they receive. Shareholders will not be subject to backup withholding, however, if they:

furnish a correct taxpayer identification number and certify that they are not subject to backup withholding on the substitute Form W-9 or successor form included in the election form/letter of transmittal they will receive; or

are otherwise exempt from backup withholding.

Any amounts withheld under the backup withholding rules will be allowed as a refund or credit against a shareholder's federal income tax liability, provided he or she furnishes the required information to the IRS.

Reporting Requirements. Shareholders who receive Glacier common stock as a result of the merger will be required to retain records pertaining to the merger and each shareholder will be required to file with such

Table of Contents

holder's federal income tax return for the year in which the merger takes place a statement setting forth certain facts relating to the merger. Citizens Bank Holding Company shareholders will be responsible for the preparation of their own tax returns.

Graham & Dunn PC has delivered an opinion to the foregoing effect to Glacier. The opinion has been filed as an exhibit to the registration statement of which this proxy statement/prospectus is a part. The foregoing is only a summary of the tax consequences of the merger as described in the opinion. The opinion is based on assumptions, representations made by officers of Glacier and Citizens Bank Holding Company to Graham & Dunn PC, and contains qualifications appropriate to the subject matter.

An opinion of counsel only represents counsel's best legal judgment, and has no binding effect or official status of any kind. No assurance can be given that contrary positions will not be taken by the Internal Revenue Service or a court considering the issues. Neither Citizens Bank Holding Company nor Glacier has requested or will request a ruling from the IRS with regard to the federal income tax consequences of the merger.

The foregoing is a general summary of the material federal income tax consequences of the merger to Citizens Bank Holding Company shareholders, without regard to the particular facts and circumstances of each shareholder's tax situation and status. In addition, there may be relevant state, local, foreign or other tax consequences, none of which is described above. Because certain tax consequences of the merger may vary depending on the particular circumstances of each shareholder, each Citizens Bank Holding Company shareholder should consult its own tax advisor regarding its specific tax situation and status, including the specific application of state, local and foreign laws to such shareholder and the possible effect of changes in federal and other tax laws.

Voting Agreements

The directors of Citizens Bank Holding Company have entered into a voting agreement, dated as of December 15, 2004. In the voting agreement, each director agrees, among other things, to vote the shares of Citizens Bank Holding Company common stock that he owns or controls in favor of the merger. The persons who have entered into this agreement are entitled to vote a total of 47,482 outstanding shares of Citizens Bank Holding Company common stock or shares of Citizens Bank Holding Company common stock subject to stock options, which is approximately 10.6% of the total shares outstanding.

Dissenters' Rights of Appraisal

Under Idaho law, Citizens Bank Holding Company shareholders have the right to dissent from the merger and to receive payment in cash for the fair value of their shares of Citizens Bank Holding Company common stock.

Citizens Bank Holding Company shareholders electing to exercise dissenters' rights must comply with the provisions of the Idaho appraisal laws in order to perfect their rights. The following is intended as a brief summary of the material provisions of the procedures that a Citizens Bank Holding Company shareholder must follow in order to dissent from the merger and perfect dissenters' rights. **This summary, however, is not a complete statement of all applicable requirements and is qualified in its entirety by reference to the Idaho appraisal laws, the full text of which is set forth in Appendix B to this document.**

A shareholder who wishes to assert dissenters' rights must:

deliver to Citizens Bank Holding Company before the special meeting written notice of the shareholder's intent to demand payment for the shareholder's shares if the merger is completed, and

not vote the shares in favor of the merger.

Table of Contents

A shareholder wishing to deliver a notice asserting dissenters' rights should hand deliver or mail the notice to the following address:

Citizens Bank Holding Company
280 South Arthur
Pocatello, Idaho 83204
Attention: Ralph G. Cottle, President

A shareholder who wishes to exercise dissenters' rights generally must dissent with respect to all of the shares the shareholder owns or over which the shareholder has the power to direct the vote. However, if a record shareholder is a nominee for several beneficial shareholders, some of whom wish to dissent and some of whom do not, then the record holder may dissent with respect to all the shares beneficially owned by any one person by notifying Citizens Bank Holding Company in writing of the name and address of each person on whose behalf the record shareholder asserts dissenters' rights. A beneficial shareholder may assert dissenters' rights directly by submitting to Citizens Bank Holding Company the record shareholder's written consent and by dissenting with respect to all the shares of which the shareholder is the beneficial shareholder or over which the shareholder has power to direct the vote.

A shareholder who does not, prior to the special shareholders meeting, deliver to Citizens Bank Holding Company a written notice of the shareholder's intent to demand payment for the fair value of the shares will lose the right to exercise dissenters' rights. In addition, any shareholder electing to exercise dissenters' rights must either vote against the merger or abstain from voting.

If the merger is completed, Glacier (as the surviving corporation) will, within 10 days after the effective date of the merger, deliver a written notice to all Citizens Bank Holding Company shareholders who properly gave notice of their intent to exercise dissenters' rights. The notice will, among other things:

state where the payment demand must be sent and where and when certificates for shares must be deposited;

supply a form for demanding payment;

set a date by which Glacier must receive the payment demand, which date will be between 40 and 60 days after notice is delivered;

state Glacier's estimate of the fair value for the shares and the date by which any notice to withdraw (discussed below) must be received; and

state that within 10 days of the date by which demands for payment are due, if requested in writing, Glacier will provide to the requesting shareholder the number of shareholders who returned forms demanding payment and the total number of shares owned by such shareholders.

A shareholder wishing to exercise dissenters' rights must at that time file the payment demand and deliver share certificates as required in the notice. Failure to do so will cause that person to lose their dissenters' rights.

A shareholder who has complied with the requirements summarized in the previous paragraph may nevertheless decline to exercise dissenters' rights and withdraw from the appraisal process by notifying Glacier by the date set forth in the written notice provided by Glacier following consummation of the merger. If the shareholder does not withdraw from the appraisal process by the specified date, he or she may not do so thereafter unless Glacier consents to such withdrawal in writing.

Table of Contents

Within 30 days after the merger occurs or receipt of the payment demand, whichever is later, Glacier will pay each dissenter with properly perfected dissenters' rights Glacier's estimate of the fair value of the shareholder's shares, plus accrued interest from the effective date of the merger. With respect to a dissenter who did not beneficially own shares of Citizens Bank Holding Company prior to the public announcement of the merger, Glacier is not required to make the payment until the dissenter has agreed to accept the payment in full satisfaction of the dissenter's demands. Fair value means the value of the shares immediately before the effective date of the merger. The rate of interest is required to be the rate on judgments in the state of Idaho.

Within 30 days of Glacier's payment (or offer of payment in the case of shares acquired after public announcement of the merger) to a dissenting shareholder, a dissenter dissatisfied with Glacier's estimate of the fair value may notify Glacier of the dissenter's own estimate of the fair value and demand payment of that amount. If Glacier does not accept the dissenter's estimate and the parties do not otherwise settle on a fair value, then Glacier must, within 60 days of receiving the estimate and demand, petition a court to determine the fair value.

In view of the complexity of the Idaho statutes governing dissenters' rights of appraisal, Citizens Bank Holding Company shareholders who wish to dissent from the merger and pursue appraisal rights should consult their legal advisors.

The failure of a Citizens Bank Holding Company shareholder to comply strictly with the Idaho statutory requirements will result in a loss of dissenters' rights. A copy of the relevant statutory provisions is attached as Appendix B. You should refer to this appendix for a complete statement concerning dissenters' rights and the foregoing summary of such rights is qualified in its entirety by reference to that appendix.

Conditions to the Merger; Regulatory Approvals

Consummation of the merger is subject to various conditions. No assurance can be provided as to whether these conditions will be satisfied or waived by the appropriate party. Accordingly, there can be no assurance that the merger will be completed.

Certain conditions must be satisfied or events must occur before the parties will be obligated to complete the merger. Each party's obligations under the merger agreement are conditioned on satisfaction by the other party of conditions applicable to them. Some of these conditions, applicable to the respective obligations of both Glacier and Citizens Bank Holding Company, are as follows:

approval of the merger by Citizens Bank Holding Company shareholders;

accuracy of the other party's representations in the merger agreement and any certificate or other instrument delivered in connection with the merger agreement;

compliance by the other party of all material terms, covenants, and conditions of the merger agreement;

that there shall have been no damage, destruction, or loss, or other event or sequence of events, that has had or potentially may have a material adverse effect with respect to the other party;

that no action or proceeding has been commenced or threatened by any governmental agency to restrain or prohibit or invalidate the merger;

Citizens Bank Holding Company's receipt of a fairness opinion from Hovde Financial LLC;

Table of Contents

Glacier's receipt of a tax opinion from Graham & Dunn PC; and

the registration statement filed with the SEC, required to register the Glacier common stock to be issued to shareholders of Citizens Bank Holding Company in the merger has become effective, and no stop-order suspending such effectiveness has been issued and no proceedings for that purpose have been initiated or threatened by the SEC.

In addition to the above, the obligations of Glacier under the merger agreement are subject to conditions that include the following:

Citizens Bank Holding Company's transaction fees (as defined in the merger agreement) have not exceeded specified levels;

Citizens Community Bank's allowance for loan and lease losses will be adequate to absorb anticipated loan losses; and

The aggregate amount of the cash to be paid to proposed dissenting shares will not exceed 10% of the cash value of the merger consideration.

Additionally, either Glacier or Citizens Bank Holding Company may terminate the merger if certain conditions applicable to the other party are not satisfied or waived. Those conditions are discussed below under - Amendment or Termination of the Merger Agreement.

Either Glacier or Citizens Bank Holding Company may waive any of the other party's conditions, except those that are required by law (such as receipt of regulatory and Citizens Bank Holding Company shareholder approval). Either Glacier or Citizens Bank Holding Company may also grant extended time to the other party to complete an obligation or condition.

Amendment or Termination of the Merger Agreement

The merger agreement may be amended or supplemented at any time by written agreement of the parties, whether before or after the Citizens Bank Holding Company special meeting. To the extent permitted under applicable law, the parties may make any amendment or supplement without further approval of Citizens Bank Holding Company shareholders. However, after shareholder approval, any amendments that would reduce the amount or change the form of consideration Citizens Bank Holding Company shareholders will receive in the merger or the allocation of the cash percentage and stock percentage would require further Citizens Bank Holding Company shareholder approval.

The merger agreement contains several provisions entitling either Glacier or Citizens Bank Holding Company to terminate the merger agreement under certain circumstances. The following briefly describes these provisions:

Lapse of Time. If the merger has not closed by May 15, 2005, then at any time after that date, the board of directors of either Glacier or Citizens Bank Holding Company may terminate the merger agreement.

Glacier Average Closing Price Greater than \$37.00. Citizens Bank Holding Company may terminate the merger agreement if the Glacier average closing price (as defined in the merger agreement) is greater than \$37.00.

If Citizens Bank Holding Company provides written notice of its intent to terminate the merger agreement because the Glacier average closing price is greater than \$37.00, Glacier may elect, within one business day of its receipt of such notice, to adjust the per share stock consideration through the issuance of additional shares of Glacier common stock, such that the per share stock consideration equals the number of share of Glacier common stock that

Table of Contents

a Citizens Bank Holding Company shareholder would have received if the Glacier average closing price had been \$37.00. If this election is made by Glacier, no termination of the merger agreement will occur and the merger agreement will remain in effect according to its terms, except that the per share stock consideration will have been adjusted.

Glacier Average Closing Price Less than \$27.00. Glacier may terminate the merger agreement in the Glacier average closing price (as defined in the merger agreement) is less than \$27.00.

If Glacier provides written notice of its intent to terminate the merger agreement because the Glacier average closing price is less than \$27.00, Citizens Bank Holding Company may elect, within one business day of its receipt of such notice, to accept an adjustment to the per share stock consideration through the issuance of fewer shares of Glacier common stock, such that the per share stock consideration equals the number of shares of Glacier common stock that a Citizens Bank Holding Company shareholder would have received in the Glacier average closing price had been \$27.00. If this election is made by Citizens Bank Holding Company, no termination of the merger agreement will occur and the merger agreement will remain in effect according to its terms, except that the per share stock consideration will have been adjusted.

Mutual Consent. The parties may terminate the merger agreement at any time before closing, whether before or after approval by Citizens Bank Holding Company shareholders, by mutual consent.

No Regulatory Approvals. Either party may terminate the merger agreement if the regulatory approvals required to be obtained are denied, or if any such approval is conditioned on a substantial deviation from the transactions contemplated by the merger agreement, subject to certain rights granted in the merger agreement to appeal the denial of such regulatory approval.

Breach of Warranty. Either party may terminate the merger agreement (so long as the terminating party is not then in material breach of any of its representations, warranties, covenants or other agreements in the merger agreement) if there has been a material breach of any of the representations or warranties set forth in the merger agreement on the part of the other party, which breach is not cured within 30 days following written notice to such party, or which breach cannot, by its nature, be cured prior to the closing of the merger.

Breach of Covenant. Either party may terminate the merger agreement (so long as the terminating party is not then in material breach of any of its representations, warranties, covenants or agreements in the merger agreement) if there has been a material breach of any covenants or agreements set forth in the merger agreement by the other party, which is not cured within 30 days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the closing of the merger.

Citizens Bank Holding Company Fails to Recommend Shareholder Approval. Glacier may terminate the merger agreement (so long as it is not then in material breach of any of its representations, warranties, covenants or agreements in the merger agreement) before Citizens Bank Holding Company's shareholders approve the merger, if the Citizens Bank Holding Company board of directors fails to recommend to its shareholders approval of the merger, or modifies, withdraws or changes in a manner adverse to Glacier its recommendation.

Citizens Bank Holding Company Shareholders Fail to Approve Merger. Either party may terminate the merger agreement (so long as such party is not then in material breach of any of its representations, warranties, covenants or agreements in the merger agreement) if the required vote of Citizens Bank Holding Company shareholders required for the consummation of the merger is not obtained, regardless of whether the Citizens Bank Holding Company board of directors recommends such approval.

Impracticability. Either party may terminate the merger agreement upon written notice to the other party if the board of directors of the party seeking termination has determined in its sole judgment, made in good faith and after due consideration and consultation with counsel, that the merger has become inadvisable or impracticable by

Table of Contents

reason of the institution of litigation by the federal government or the government of the State of Idaho to restrain or invalidate the merger.

Potential Dissenting Shares. Glacier may terminate the merger agreement if holders of 10% or more of the outstanding shares of Citizens Bank Holding Company common stock are proposed dissenting shares (as defined in the merger agreement).

Superior Proposal. Citizens Bank Holding Company may terminate the merger agreement if its board of directors determines in good faith that Citizens Bank Holding Company has received a Superior Proposal as defined in the merger agreement. This right is subject to the requirement that Citizens Bank Holding Company may terminate the merger agreement only if Citizens Bank Holding Company delivers notice to Glacier that, subsequent to delivering such notice it intends to enter into a letter of intent, acquisition agreement or similar agreement relating to such Superior Proposal, and that has provided Glacier with an opportunity, if Glacier so elects, to amend the terms of the merger agreement (negotiated in good faith between Glacier and Citizens Bank Holding Company) in such a manner as would enable Citizens Bank Holding Company to proceed with the merger.

Termination Fees

Subject to certain exceptions, Citizens Bank Holding Company will pay Glacier a termination fee of \$170,000 if Glacier terminates the merger agreement based on a Citizens Bank Holding Company breach of its representations or breach of its covenants. Glacier will pay Citizens Bank Holding Company a termination fee of \$170,000 if Citizens Bank Holding Company terminates the merger agreement based on a Glacier breach of its representations or breach of its warranties.

Break-Up Fee

If the merger agreement is terminated (i) because the Citizens Bank Holding Company board of directors fails to recommend shareholder approval of the merger agreement; or (ii) Glacier terminates the merger agreement after Citizens Bank Holding Company's receipt of a Superior Proposal followed by an immediate acquisition event (as defined in the merger agreement), then Citizens Bank Holding Company will immediately pay Glacier a break-up fee of \$860,000. If the merger agreement is terminated by Glacier due to Citizens Bank Holding Company's receipt of a Superior Proposal and prior to or within six months after such termination, Citizens Bank Holding Company or Citizens Community Bank enter into an agreement, or publicly announce an intention, to engage in an acquisition event, or within 12 months after such termination an acquisition event has occurred, then Citizens Bank Holding Company will promptly pay to Glacier the break-up fee in the amount of \$860,000.

Allocation of Costs Upon Termination

If the merger agreement is terminated (except under circumstances that would require the payment of a termination fee or break-up fee) Glacier and Citizens Bank Holding Company will each pay their own out-of-pocket expenses incurred in connection with the transaction and, except for any applicable termination or break-up fees, will have no other liability to the other party.

Conduct Pending the Merger

The merger agreement provides that, until the merger is effective, Citizens Bank Holding Company and Citizens Community Bank will conduct their respective businesses only in the ordinary and usual course. The merger agreement also provides that, unless Glacier otherwise consents in writing, Citizens Bank Holding Company and Citizens Community Bank will refrain from engaging in various activities such as:

acquiring, selling, transferring assigning or encumbering or otherwise disposing of assets or making any commitment other than in the ordinary course of business;

offering or making loans or other extensions of credit of a different type, or applying different underwriting standards, from those previously offered or applied by Citizens Community Bank, or offering or making a loan or extension of credit in an amount greater than \$750,000 without prior consultation with Glacier;

with specified exceptions, entering into any personal services contract;

selling any securities other than in the ordinary course of business, or selling any securities even in the ordinary course of business if the aggregate gain realized from all sales after the date of execution of the merger agreement would exceed \$25,000, or transferring investment securities between portfolios;

amending or materially changing its operations, policies or procedures;

with specified exceptions, making capital expenditures in excess of \$10,000 per project or \$25,000 in the aggregate;

entering into transactions or making any expenditures other than in the ordinary course of business.

Following the merger, the Citizens Community Bank board of directors will consist of the Citizens Community Bank directors immediately before the merger, with the addition of Michael Blodnick, the President and Chief Executive Officer of Glacier.

Citizens Community Bank's executive officers immediately before the merger will remain unchanged immediately following the merger.

Although Citizens Community Bank will be a wholly-owned subsidiary of Glacier after the merger, Glacier intends to operate it independently, under the name Citizens Community Bank.

Table of Contents

Employee Benefit Plans

The merger agreement confirms Glacier's intent that Glacier's current personnel policies will apply to any members of Citizens Bank Holding Company and Citizens Community Bank who are retained in the service of Glacier following the closing of the merger. Such retained employees will be eligible to participate in all of the benefit plans of Glacier that are generally available to similarly situated employee of Glacier. For purposes of participation in such plans, service with Citizens Bank Holding Company or Citizens Community Bank will constitute prior service with Glacier for purposes of determining eligibility and vesting. If any persons who are Citizens Community Bank employees are terminated within three months of the closing of the merger as a result of the consolidation of staff functions, such persons will be entitled to receive the severance payment specified in Glacier's severance plan for employees as then in effect.

Interests of Certain Persons in the Merger

Certain members of the Citizens Bank Holding Company board of directors and management may be deemed to have interests in the merger, in addition to their interests as shareholders of Citizens Bank Holding Company generally. The Citizens Bank Holding Company board of directors was aware of these factors and considered them, among other things, in approving the merger agreement.

Stock Ownership. The directors, executive officers and principal shareholders of Citizens Bank Holding Company, together with their affiliates, beneficially owned, as of the record date for the special meeting, a total number of shares of Citizens Bank Holding Company common stock representing approximately 24% of all outstanding Citizens Bank Holding Company shares and options. The directors and executive officers of Citizens Bank Holding Company will receive the same consideration in the merger for their shares as other shareholders of Citizens Bank Holding Company.

Voting Agreements. The directors of Citizens Bank Holding Company have entered into a voting agreement, dated as of the same date as the merger agreement. Pursuant to this agreement, each director agrees to vote the shares of Citizens Bank Holding Company common stock that he owns or controls in favor of the merger. The persons who have entered into this agreement are entitled to vote a total of 47,482 outstanding shares of Citizens Bank Holding Company common stock or shares of Citizens Bank Holding Company common stock that are subject to outstanding options, which is approximately 10.6% of the total shares outstanding.

Stock Options. The merger agreement provides that as a condition to the closing of the merger, all Citizens Bank Holding Company qualified options (as defined in the merger agreement) will have been exercised and the exercise price paid to Citizens Bank Holding Company. The merger agreement also provides that any Citizens Bank Holding Company nonqualified options (as defined in the merger agreement) that are outstanding at the closing of the merger will be converted, without further action, into the right to receive, on a per-share basis, an amount equal to the difference between the per-share cash consideration payable by Glacier in the merger and the nonqualified option exercise price. As of the date of this proxy statement/prospectus, directors and executive officers of Citizens Bank Holding Company held nonqualified options to acquire a total of 800 shares of Citizens Bank Holding Company common stock and qualified options to acquire a total of 8,200 shares of Citizens Bank Holding Company common stock. In addition, former directors and executive officers of Citizens Bank Holding Company and Citizens Community Bank held nonqualified stock options to acquire a total of 16,300 shares of Citizens Bank Holding Company common stock.

Citizens Community Bank Employment Agreement - Ralph Cottle. Citizens Community Bank entered into an employment agreement with Ralph G. Cottle, the President and Chief Executive Officer of Citizens Community Bank, dated as of December 15, 2004. The employment agreement commences on the date of the closing of the merger, and

is for a term of three years. The agreement provides that initially, Mr. Cottle will receive the annual salary that he is receiving from Citizens Community Bank on the effective date of the merger,

with subsequent salary increases subject to Citizens Community Bank's annual review of his compensation and performance. The agreement also provides for an annual incentive bonus, the amount to be determined by the board of directors of Citizens Community Bank based on performance. Under the terms of the agreement, if Mr. Cottle's employment is terminated by Citizens Community Bank during the term of the agreement without cause (as defined in the agreement) or by Mr. Cottle for good reason (as defined in the agreement), Citizens Community Bank will pay him a lump sum payment equal to the amount of his annual base salary at the time of termination. If Mr. Cottle's employment is terminated for cause or without good reason, Mr. Cottle is only entitled to base compensation earned through the termination date. The merger will trigger the provisions of this employment agreement.

Citizens Community Bank Board of Directors. The merger agreement provides that the Citizens Community Bank board of directors (with the addition of Mr. Michael Blodnick, President and Chief Executive Officer of Glacier) will continue to serve following closing of the merger.

Director Non-competition Agreements. All members of the Citizens Community Bank board of directors except Mr. Cottle have entered into a non-competition agreement with Glacier. Except under certain limited circumstances, the noncompetition agreement prohibits directors of Citizens Community Bank from competing with Glacier and/or Citizens Community Bank within a 90-mile radius of Citizens Community Bank's office in Pocatello, Idaho. The term of the non-competition agreement commences upon consummation of the merger and continues for the longer of (i) two years after closing of the merger or (ii) one year after the director's service as a director of Citizens Community Bank is terminated.

Indemnification of Directors and Officers; Insurance. The merger agreement provides that Glacier will, for a period of six years following the closing of the merger, indemnify the present and former directors and officers of Citizens Bank Holding Company and Citizens Community Bank against liabilities or costs that may arise in the future, incurred in connection with claims or actions arising out of or pertaining to matters that existed or occurred prior to the effective date of the merger. The scope of this indemnification is to the same extent that such persons would have been entitled to indemnification under Idaho law or the articles of incorporation or bylaws of Citizens Bank Holding Company and/or Citizens Community Bank.

The merger agreement also provides that for a period of six years following the closing of the merger, Glacier will use reasonable efforts to cause to be maintained in effect, director and officer liability insurance substantially similar to that maintained by Glacier with respect to claims arising from facts or events that occurred before the effective date of the merger.

Accounting Treatment of the Merger

The acquisition of Citizens Bank Holding Company will be accounted for using the purchase method of accounting by Glacier under generally accepted accounting principles. Accordingly, using the purchase method of accounting, the assets and liabilities of Citizens Bank Holding Company will be recorded by Glacier at their respective fair values at the time of the merger. The excess of Glacier's purchase price over the net fair value of assets acquired including identifiable intangible assets and liabilities assumed is recorded as goodwill. Goodwill will be periodically assessed for impairment but no less frequently than on an annual basis. Prior period financial statements are not restated and results of operation of Citizens Bank Holding Company will be included in Glacier's consolidated statement of operations after the date of the merger. The intangible assets will be amortized against the combined company's earnings following completion of the merger.

Stock Resales by Citizens Bank Holding Company Affiliates

The Glacier common stock to be issued in the merger will be transferable free of restrictions under the Securities Act of 1933 ("1933 Act"), except for shares received by persons, including directors and executive officers of Citizens Bank Holding Company, who may be deemed to be affiliates of Citizens Bank Holding

Table of Contents

Company, as that term is defined in the rules under the 1933 Act. Affiliates may not sell their shares of Glacier common stock acquired in the merger, except (a) pursuant to an effective registration statement under the 1933 Act covering those shares, (b) in compliance with Rule 145, or (c) in accordance with an opinion of counsel reasonably satisfactory to Glacier, under other applicable exemptions from the registration requirements of the 1933 Act. Glacier will obtain customary agreements with all Citizens Bank Holding Company directors, officers, and affiliates of Citizens Bank Holding Company, under which such persons will represent that they will not dispose of their shares of Glacier received in the merger or the shares of capital stock of Citizens Bank Holding Company or Glacier held by them before the merger, except in compliance with the 1933 Act and the rules and regulations promulgated under the 1933 Act. This proxy statement/prospectus does not cover any resales of the Glacier common stock received by affiliates of Citizens Bank Holding Company.

INFORMATION CONCERNING CITIZENS BANK HOLDING COMPANY

Business

Citizens Bank Holding Company is headquartered in Pocatello, Idaho and is a bank holding company registered under the Bank Holding Company Act of 1956, as amended. Citizens Bank Holding Company was incorporated under the laws of the State of Idaho on March 26, 2002 at the direction of the Board of Directors of Citizens Community Bank (the "Bank") for the purpose of adopting a bank holding company structure through which it would exchange its shares of common stock for shares of common stock of Citizens Bank Holding Company. The exchange was approved by the shareholders of Citizens Community Bank on April 29, 2002 and became effective on July 1, 2002. Thereafter, Citizens Community Bank became a wholly owned subsidiary of Citizens Bank Holding Company. At September 30, 2004, Citizens Bank Holding Company had total consolidated assets of approximately \$111.8 million, net loans of approximately \$82.2 million and deposits of approximately \$98.0 million. The Bank is regulated by the Idaho Department of Finance and by the Federal Deposit Insurance Corporation, its primary federal regulator and the insurer of its deposits. The Bank offers full-service community banking through three banking locations serving the southeastern Idaho area. Products and Services

Real Estate Loans. These loans include various types of loans for which the Bank holds real property as collateral. Interest rates on these loans typically adjust annually, or more frequently. Real estate construction loans include both commercial and residential, but are principally made to builders to construct single family residences of which many are sold to purchasers prior to construction. Real estate construction loans typically have maturities of 12 months, and charge origination fees. Terms may vary depending upon many factors, including location, type of project and financial condition of the borrower. The primary risks of real estate mortgage loans include the borrower's inability to pay and deterioration in value of real estate that is held as collateral.

Commercial Loans. These loans consist primarily of loans to businesses for various purposes, including revolving lines of credit and equipment financing. These loans are secured by collateral other than real estate, such as inventory, accounts receivable, machinery, government guarantees, or other commercial assets, and they generally mature within one year and have adjustable interest rates. Revolving lines of credit are generally for business purposes, mature

annually and have adjustable interest rates. It is the

Table of Contents

Bank's standard practice in making commercial loans to receive real estate as collateral in addition to other appropriate collateral. The primary repayment risk of commercial loans is the failure of the borrower's business due to economic or financial factors.

Agricultural Loans. The Bank originates a variety of agricultural loans. These loans relate to equipment, livestock, crops and farmland. The primary risks of agricultural loans include the prices of crops and livestock, as well as weather conditions. The Bank generally requires collateral, such as crops, livestock, equipment and/or real estate, in connection with agricultural loans.

Installment Loans. Installment loans are primarily to individuals, are typically secured by the financed assets, generally have terms of two to five years and bear interest at fixed rates. These loans usually are secured by motor vehicles or other personal assets and in some instances are unsecured. The primary risk of consumer lending relates to the personal circumstances of the borrower.

Letters of Credit. The Bank issues letters of credit in the ordinary course of its business. It applies the same credit standards to these commitments as it does to all of our lending activities and includes these commitments in its lending risk evaluations. The Bank's exposure to credit loss under letters of credit is represented by the amount of these commitments. The Bank generally seeks collateral, such as real estate, inventory, accounts receivable or other business assets, when issuing letters of credit.

The Board of Directors of the Bank has approved specific lending policies and procedures for the Bank and is responsible for implementation of the policies. The lending policies and procedures include guidelines for loan term, loan-to-value ratios, collateral appraisals and interest rates. The loan policies also vest varying levels of loan authority in management, the Bank's loan committee and the Board of Directors of the Bank. Management of the Bank monitors lending activities through regular loan committee meetings, monthly reporting and periodic review of loans.

Products Offered

The Bank also offers personal and commercial banking services, mortgage origination, and Internet banking. The Bank offers a range of banking products and services, including the following: checking accounts, ATM's, checking accounts with interest, savings accounts, money market accounts, certificates of deposit, NOW accounts, Individual Retirement Accounts, residential mortgage services, branch banking, and debit cards.

Deposit Services

The Bank offers the full range of deposit services that are typically available in most banks and savings and loan associations, including checking accounts, savings accounts, money market accounts and various types of certificates of deposit. The transaction accounts and certificates of deposit are tailored to the Bank's primary market area at rates competitive with those offered in the area. All deposit accounts are insured by the FDIC to the maximum amount permitted by law.

Other Services

Other services the Bank provides include automated teller machines (ATMs), ATM access cards, point-of-sale (POS) debit cards, safe deposit boxes, merchant credit card services, travelers cheques, savings bonds, direct deposit, night deposit, and cash management services.

Table of Contents**Competition**

The Bank faces a high degree of competition. In its market areas, there are numerous small banks and several larger national and regional financial banking groups. The Bank also competes with insurance companies, savings and loan associations, credit unions, leasing companies, mortgage companies, and other financial service providers. Many of these competitors have capital resources and legal lending limits substantially in excess of our capital resources and legal lending limits.

The Bank competes for loans and deposits principally based on the availability and quality of services provided, responsiveness to customers, interest rates, loan fees and office locations. The Bank actively solicits deposit customers and compete by offering them high quality customer service and a complete product line. The Bank believes its personalized customer service, broad product line and community banking philosophy enable it to compete effectively in its market area.

The adoption of the Gramm-Leach-Bliley Act of 1999 (the Financial Services Modernization Act) eliminated many of the barriers to affiliation among providers of financial services and further opened the door to business combinations involving banks, insurance companies, securities or brokerage firms, and others. This regulatory change has led to further consolidation in the financial services industry and the creation of financial conglomerates which frequently offer multiple financial services, including deposit services, brokerage and others. When combined with technological developments such as the Internet that have reduced barriers to entry faced by companies physically located outside Citizens Bank Holding Company's market area, changes in the market have resulted in increased competition and can be expected to result in further increases in competition in the future.

Montana law and Glacier s Articles of Incorporation and Bylaws govern the rights of Glacier shareholders and will govern the rights of Citizens Bank Holding Company shareholders who become shareholders of Glacier as a result of the merger. The rights of Citizens Bank Holding Company shareholders are currently governed by Idaho law and by Citizens Bank Holding Company s Articles of Incorporation and Bylaws. The following is a brief summary of certain differences between the rights of Glacier and Citizens Bank Holding Company shareholders. This summary does not purport to be complete and is qualified by the documents and statutes referenced and by other applicable law. See also Where You Can Find More Information About Glacier.

General

Under its Articles of Incorporation, Glacier s authorized capital stock consists of 62,500,000 of common stock, \$0.01 par value per share, and 1,000,000 shares of preferred stock, \$0.01 par value per share. No shares of preferred stock are currently outstanding.

Preferred Stock

As of the date of this proxy statement/prospectus, neither Glacier nor Citizens Bank Holding Company had shares of preferred stock issued. The Glacier board of directors is authorized, without further shareholder action, to issue preferred stock shares with such designations, preferences and rights as the Glacier board of directors may determine. The Citizens Bank Holding Company board of directors is similarly authorized to issue preferred stock shares.

Dividend Rights

Dividends may be paid on Glacier common stock as and when declared by the Glacier board of directors out of funds legally available for the payment of dividends. The Glacier board of directors may issue preferred stock that is entitled to such dividend rights as the board of directors may determine, including priority over the common stock in the payment of dividends. The ability of Glacier to pay dividends basically depends on the amount of dividends paid to it by its subsidiaries. The payment of dividends is subject to government regulation, in that regulatory authorities may prohibit banks and bank holding companies from paying dividends in a manner that would constitute an unsafe or unsound banking practice. In addition, a bank may not pay cash dividends if doing so would reduce the amount of its capital below that necessary to meet minimum applicable regulatory capital requirements. State laws also limit a bank's ability to pay dividends. Accordingly, the dividend restrictions imposed on the subsidiaries by statute or regulation effectively may limit the amount of dividends Glacier can pay.

Dividends may be paid on Citizens Bank Holding Company common stock as and when declared by the Citizens Bank Holding Company board of directors out of funds legally available for the payment of dividends. The ability of Citizens Bank Holding Company to pay dividends is essentially subject to the same factors applicable to Glacier, as discussed above.

Voting Rights

All voting rights are currently vested in the holders of Glacier common stock and Citizens Bank Holding Company common stock, with each share being entitled to one vote.

The Articles of Incorporation of Glacier provide that shareholders do not have cumulative voting rights in the election of directors. Citizens Bank Holding Company shareholders do not have cumulative voting rights for the election of directors.

Preemptive Rights

Glacier's and Citizens Bank Holding Company shareholders do not have preemptive rights to subscribe to any additional securities that may be issued.

Liquidation Rights

If Glacier is liquidated, the holders of Glacier common stock are entitled to share, on a pro rata basis, Glacier's remaining assets after provision for liabilities. The Glacier board of directors is authorized to determine the liquidation rights of any preferred stock that may be issued.

If Citizens Bank Holding Company is liquidated, the holders of Citizens Bank Holding Company common stock are entitled to share, on a pro rata basis, Citizens Bank Holding Company's remaining assets after provision for liabilities.

All outstanding shares of both Glacier and Citizens Bank Holding Company common stock are, and the shares to be issued in the merger will be, fully paid and nonassessable.

Amendment of Articles of Incorporation and Bylaws

The Montana Business Corporation Act (MBCA) authorizes a corporation's board of directors to make various changes of an administrative nature to its articles of incorporation, including increasing the number of outstanding shares in proportion to a stock split or stock divided in the corporation's own shares. Other amendments to a corporation's articles of incorporation must be recommended to the shareholders by the board of directors, unless the board determines that because of a conflict of interest or other special circumstances it should make no recommendation, and must be approved by a majority of all votes entitled to be cast by each voting group that has a right to vote on the amendment. The Glacier board of directors may, by a majority vote, amend Glacier's bylaws.

The Idaho Business Corporation Act (IBCA) is similar to the MBCA with respect to provisions regarding the amendment of a corporation's articles of incorporation and bylaws.

Approval of Certain Transactions

The MBCA does not contain any anti-takeover provisions imposing specific requirements or restrictions on transactions between a corporation and significant shareholders. Glacier's articles of incorporation contain a provision requiring that specified transactions with an interested shareholder be approved by 80% of the voting power of the then outstanding shares unless it is (i) approved by Glacier's board of directors, or (ii) certain price and procedural requirements are satisfied. An interested shareholder is broadly defined to include the right, directly or indirectly, to acquire or to control the voting or disposition of 10% or more of Glacier's voting stock.

Citizens Bank Holding Company's articles of incorporation do not contain any anti-takeover provisions. However, Idaho corporate law does set forth additional requirements for board approval of certain transactions with substantial shareholders for a period of five years following their acquisition of 10% or more of the corporation's outstanding shares. These requirements of Idaho law could make it more difficult for a substantial shareholder to gain control of the corporation.

Under Idaho corporate law, a merger in which the corporation will not be the surviving corporation, share exchange, or sale of substantially all of a corporation's assets must be approved by a majority of the corporation's shares entitled to vote.

Board of Directors - Number of Directors and Staggered Board

Glacier's articles of incorporation provide that the number of directors may not be less than seven (7) or more than seventeen (17). The articles further provide that the board must generally be staggered if there are nine (9) or more members. Glacier's board currently consists of nine (9) members, each of whom has a staggered three-year term.

Citizen Bank Holding Company's bylaws provide that the number of directors may not be less than five (5) or more than fifteen (15). Citizen Bank Holding Company's articles of incorporation provide that the board must generally be staggered if there are nine (9) or more members. The board of directors for Citizens Bank Holding Company currently consists of five (5) members, each of whom is currently serving an annual term.

Indemnification and Limitation of Liability

Under the MBCA, indemnification of directors and officers is authorized to cover judgments, amounts paid in settlement, and expenses arising out of actions where the director or officer acted in good faith and in or not opposed to the best interests of the corporation, and in criminal cases, where the director or officer had no reasonable cause to believe that his or her conduct was unlawful. Unless limited by the corporation's articles of incorporation, Montana

law requires indemnification if the director or officer is wholly successful on the merits

Table of Contents

of the action. Glacier's bylaws provide that Glacier shall indemnify its directors and officers to the fullest extent not prohibited by law, including indemnification for payments in settlement of actions brought against a director or officer in the name of the corporation, commonly referred to as a derivative action. Under the MBCA, any indemnification of a director in a derivative action must be reported to shareholders in writing prior to the next annual meeting of shareholders.

The provisions of the IBCA regarding indemnification and director liability are similar to those of the MBCA. The articles of Citizens Bank Holding Company provide that directors of the corporation will not be held liable to the corporation except in cases involving participation in a transaction from which the director receives a benefit to which the director is not legally entitled, breaches of the duty of loyalty to the corporation or its shareholders, act or omissions not in good faith, involving intentional misconduct or knowing violations of the law, or payments of unlawful dividend, stock purchases or redemptions. The articles of Citizens Bank Holding Company provide for indemnification to the fullest extent allowed by the IBCA, for certain expenses and costs in suits to which such person is made or threatened to be made a party because such person was a director of the corporation.

Restriction of Transfer of Shares

Glacier's articles and bylaws do not provide any specific limitations on its ability to transfer shares, nor require the company's shares to bear a restrictive legend.

Citizens Bank Holding Company's articles and bylaws provide that its shareholders are limited to fewer than 500 at all times. To enforce this limitation, consent by Citizens Bank Holding Company is required for any proposed stock transfer, or to approve any transferee, if the result of the stock transfer is to increase the number of shareholders to 500 or more. Citizens Bank Holding Company will not recognize or register on its stock ledger any stock transfer that would violate this restriction. In addition, all stock certificates are required to bear a restrictive legend.

Potential Anti-Takeover Provisions

Glacier's articles of incorporation include certain provisions that could make more difficult the acquisition of Glacier by means of a tender offer, a proxy contest, merger or otherwise. These provisions include: (i) the staggered board, whereby only one-third of the members of the board of directors are elected in any particular year; and (ii) a requirement that any Business Combination (as defined in the articles of incorporation) be approved by the affirmative vote of not less than 80% of the voting power of the then outstanding shares unless it is either approved by the board of directors or certain price and procedural requirements are satisfied.

In addition, the authorization of preferred stock, which is intended primarily as a financing tool and not as a defensive measure against takeovers, may potentially be used by management to make more difficult uninvited attempts to acquire control of Glacier (for example, by diluting the ownership interest of a substantial shareholder, increasing the amount of consideration necessary for shareholder to obtain control, or selling authorized but unissued shares to friendly third parties).

The staggered board structure of the board of directors, the supermajority approval requirement for certain business transactions, and the availability of Glacier's preferred stock for issuance without shareholder approval, may have the effect of lengthening the time required for a person to acquire control of Glacier through a tender offer, proxy contest or otherwise, and may deter any potentially unfriendly offers or other efforts to obtain control of Glacier. This could deprive Glacier's shareholders of opportunities to realize a premium for their Glacier common stock, even in circumstances where such action was favored by a majority of Glacier's shareholders.

TERMS OF MERGER**

1.1 Effect of Merger. Upon Closing of the Merger, pursuant to the provisions of the IBCA and the MBCA, all shares of Company Common Stock issued and outstanding immediately prior to Closing, except for treasury shares and Proposed Dissenting Shares, will, by virtue of the Merger and without any action on the part of any holder of shares of Company Common Stock, be converted into the right to receive the Merger Consideration described in Sections 1.2 and 1.3 of this Agreement.

1.2 Merger Consideration. Subject to the provisions of this Agreement, on the Effective Date:

1.2.1 Outstanding Glacier Common Stock. The shares of Glacier Common Stock issued and outstanding immediately prior to the Effective Date will, on and after the Effective Date, remain as issued and outstanding shares of Glacier Common Stock.

1.2.2 Outstanding Company Common Stock. Each share of Company Common Stock (other than treasury shares and Proposed Dissenting Shares) issued and outstanding as of the Effective Date will, by virtue of the Merger, automatically and without any action on the part of the holder of such share, be converted into and exchangeable for the right to receive, at the election of the holder thereof as provided in and subject to the provisions of Section 1.3 of this Agreement, either Glacier Shares, cash, or a combination thereof in accordance with the provisions of Section 1.3.2 of this Agreement.

The aggregate consideration payable or issuable pursuant to the Merger is referred to as the Merger Consideration.

1.2.3 Exercised Company Qualified Options. Each share of Company Common Stock issued and outstanding as of the Effective Date as a result of the exercise of Company Qualified Options between the Execution Date and the Effective Date (each, a Former Company Qualified Option Share) shall, by virtue of the Merger, automatically and without any action on the part of the holder of such share, be converted into and exchangeable for the Per Share Stock Consideration.

1.2.5 Change in Equity Capital. If, after the date of this Agreement but before the Effective Date, the number of shares of Glacier Common Stock or Company Common Stock issued and outstanding increases or decreases in number or is changed into or exchanged for a different kind or number of securities, through a recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar change in capitalization (not including increases in number due to issuances of shares upon exercise of any outstanding options) of Glacier or the Company, as the case may be, then, as appropriate, a proportionate adjustment will be made to the Merger Consideration.

1.3 Conversion Election Procedures and Allocation.

1.3.1 Election Form. An election form and other appropriate and customary transmittal materials (which will specify that delivery will be effected, and risk of loss and title to the certificates theretofore representing shares of Company Common Stock will pass, only upon proper delivery of such certificates to the Exchange Agent) in such form as Glacier and the Company will mutually agree (the Election Form) will be mailed with the Prospectus/Proxy Statement on the date of mailing of the Prospectus/Proxy Statement to each holder of record of Company Common Stock as of the close of business on the record date for the Company Meeting (the Record Date).

1.3.2 Election Options. Each Election Form will permit the holder (or the beneficial owner through appropriate and customary documentation and instructions) to (x) elect to receive (1) the Per Share Stock Consideration in respect of all of such holder's Company Common Stock (Stock Election Shares); (2) the Per Share Cash Consideration in respect of all of such holder's Company Common Stock (Cash Election Shares); or (3) the Per Share Cash Consideration for 50% of such shares and the Per Share Stock Consideration for 50% of such shares (Combination Election Shares), or (y) to make no election with respect to such holder's Company Common Stock (No Election Shares). Any Company Common Stock with respect to which the Exchange Agent has not received an effective, properly completed Election Form on or before 5:00 p.m., Mountain Time, on the tenth (10th) business day following the Company Meeting (or such other time and date as Glacier and the Company may mutually agree) (the Election Deadline) will also be deemed to be No Election Shares.

Notwithstanding the foregoing, any shares of Company Common Stock held by a record holder holding 100 or fewer shares of Company Common Stock will, for purposes of this Agreement, be deemed to be Cash Election Shares (the Designated Cash Election Shares).

1.3.3 Availability of Forms/Information. Glacier will make available one or more Election Forms as may reasonably be requested from time to time by all persons who become holders (or beneficial owners) of Company Common Stock between the Record Date and the close of business on the business day prior to the Election Deadline, and the Company will provide to the Exchange Agent all information reasonably necessary for it to perform as specified herein.

1.3.4 Effective Elections. Any election will have been properly made only if the Exchange Agent shall have actually received a properly completed Election Form by the Election Deadline. Any Election Form may be revoked or changed by the person submitting such Election Form at or prior to the Election Deadline. In the event an Election Form is revoked prior to the Election Deadline, the shares of Company Common Stock

represented by such Election Form will become No Election Shares. Subject to the terms of this Agreement and of the Election Form, the Exchange Agent will have reasonable discretion to determine whether any election, revocation or change has been properly or timely made and to disregard immaterial defects in the Election Forms, and any good faith decisions of Glacier regarding such matters will be binding and conclusive. Neither Glacier nor the Exchange Agent will be under any obligation to notify any person of any defect in an Election Form. To the extent the holder of Proposed Dissenting Shares submits an Election Form to the Exchange Agent, such holder's election will have no effect, the Exchange Agent will disregard such Election Form, and the Proposed Dissenting Shares will be converted in accordance with Section 1.5 of this Agreement.

1.3.5 Allocations. Within ten business days after the later of the Election Deadline or the Effective Date, Glacier will cause the Exchange Agent to effect the allocation among the holders of Company Common Stock of rights to receive Glacier Common Stock or cash in the Merger in accordance with the Election Forms as follows:

(i) *Cash Election Shares and Combination Election Shares Exceed Maximum Total Cash Consideration.* If the aggregate cash amount that would be paid upon the conversion in the Merger of the Cash Election Shares and the Combination Election Shares is greater than the Maximum Total Cash Consideration, then:

- (1) all Stock Election Shares and No Election Shares will be converted into the right to receive the Per Share Stock Consideration; and
- (2) the Exchange Agent will then select from the Cash Election Shares (excluding the Designated Cash Election Shares), on a pro rata basis, a sufficient number of shares such that the aggregate cash amount that will be paid in the Merger equals as closely as practicable the Maximum Total Cash Consideration, and all Cash Election Shares thereby selected by the Exchange Agent will be converted into the right to receive the Per Share Stock Consideration.

(ii) *Stock Election Shares and Combination Election Shares Exceed Maximum Total Stock Consideration.* If the Glacier Shares that would be issued upon conversion in the Merger of the Stock Election Shares and the Combination Election Shares exceed the Maximum Total Stock Consideration, then:

- (1) all Cash Election Shares, Designated Cash Election Shares and No Election Shares will be converted into the right to receive the Per Share Cash Consideration;
- (2) the Exchange Agent will then select from the Stock Election Shares (excluding the Former Company Qualified Option Shares), on a pro rata basis, a sufficient number of shares such that the aggregate Glacier Shares that will be issued in the Merger equals as closely as practicable the Maximum Total Stock Consideration.

1.4 No Fractional Shares. No fractional shares of Glacier Common Stock will be issued. In lieu of fractional shares, if any, each holder of Company Common Stock who is otherwise entitled to receive a fractional share of Glacier Common Stock will receive an amount of cash equal to the

product of such fractional share times the Glacier Average Closing Price. Such fractional share interests will not include the right to vote or receive dividends or any interest on dividends.

1.5 Payment to Dissenting

Shareholders. Proposed Dissenting Shares will have the rights provided by Title 30, Chapter 1, Part 13 of the IBCA.

1.6 Deposit of Cash and Shares. On or before the Effective Date, Glacier will deposit, or will cause to be deposited, with the Exchange Agent, for the benefit of the holders of certificates representing Company Common Stock, for exchange in accordance with this Section 1.6, (i) certificates representing the Glacier Shares; (ii) such cash as will be necessary to pay the Per Share Cash Consideration; and (iii) the cash in lieu of fractional shares to be paid in accordance with Section 1.4. Such cash and certificates for Glacier Shares, together with any dividends or distributions with respect thereto, are referred to in this Agreement as the Exchange Fund.

1.7 Certificates.

1.7.1 Letter of Transmittal. As soon as practicable after the Effective Date, Glacier will cause the Exchange Agent to mail to each holder of record of a certificate evidencing Company Common Stock shares (a Certificate) a form letter of transmittal (which will specify that delivery will be effected, and risk of loss and title to the Certificates will pass, only upon delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates in accordance with Section 1.7.2 of this Agreement.

1.7.2 Surrender of Certificates. Subject to Section 1.5, each Certificate will, from and after the Effective Date, be deemed for all corporate purposes to represent and evidence only the right to receive the Merger Consideration (or to receive the cash for fractional shares) to which the Company Common Stock shares converted in accordance with the provisions of this Section 1.7.2. Following the Effective Date, holders of Certificates will exchange their Certificates in accordance with instructions provided by the Exchange

Agent pursuant to Section 1.7.1 of this Agreement and together with a properly completed and executed form of transmittal letter in order to effect their exchange for, as applicable, (i) certificates representing Glacier Shares; (ii) a check representing the Per Share Cash Consideration; and/or (iii) a check representing the amount of cash in lieu of fractional shares, if any. Until a Certificate is so surrendered, the holder will not be entitled to receive any certificates evidencing Glacier Shares or the Per Share Cash Consideration or cash in lieu of fractional shares.

1.7.3 Issuance of Certificates in Other Names. Any person requesting that any certificate evidencing Glacier Shares be issued in a name other than the name in which the surrendered Certificate is registered, must: (1) establish to the Exchange Agent's satisfaction the right to receive the certificate evidencing Glacier Shares and (2) either pay to the Exchange Agent any applicable transfer or other taxes or establish to the Exchange Agent's satisfaction that all applicable taxes have been paid or are not required.

1.7.4 Lost, Stolen, and Destroyed Certificates. With respect to a Certificate that has been lost, stolen or destroyed, the Exchange Agent will be authorized to issue a certificate representing Glacier Shares in exchange thereof, and/or pay cash for the Per Share Cash Consideration or fractional share in exchange thereof, if the holder provides the Exchange Agent with: (1) satisfactory evidence that the holder owns Company Common Stock and that the certificate representing this ownership is lost, stolen, or destroyed, (2)

Table of Contents

any appropriate affidavit the Exchange Agent may require, and (3) any reasonable assurances that the Exchange Agent or Glacier may require.

1.7.5 Rights to Dividends and Distributions. After the Effective Date, no holder of any Certificate will be entitled to receive any dividends or other distributions otherwise payable to holders of record of Glacier Common Stock on any date after the Effective Date, unless the holder (1) is entitled by this Agreement to receive a certificate representing Glacier Common Stock and (2) has surrendered in accordance with this Agreement his or her Certificates (or has met the requirements of Section 1.7.4 above) in exchange for certificates representing Glacier Shares. Surrender of Certificates will not deprive the holder of any dividends or distributions that the holder is entitled to receive as a record holder of Company Common Stock on a date before the Effective Date. When the holder surrenders his or her Certificates in exchange for Glacier Shares, the holder will receive the amount, without interest, of any cash dividends and any other distributions distributed after the Effective Date on the whole number of Glacier Shares into which the holder's Company Common Stock was deemed converted at the Effective Date.

1.7.6 Checks in Other Names. Any person requesting that a check for the aggregate Per Share Cash Consideration or cash in lieu of fractional shares be issued in a name other than the name in which the Certificate surrendered in exchange for the cash is registered, must establish to the Exchange Agent's satisfaction the right to receive this cash.

1.7.7 Affiliates. Certificates that are surrendered for exchange by any person who may be deemed an affiliate of the Company for purposes of Rule 145 of the Securities Act will not be exchanged for certificates representing Glacier Shares until Glacier has received a written agreement from such person as specified in Section 4.3.1.

1.7.8 Undelivered Certificates. Any portion of the Exchange Fund that remains unclaimed by shareholders of the Company for six months after the Effective Date may be paid to Glacier. To the extent so paid, holders of Company Common Stock who have not, prior to such time, complied with the provisions of this Section 1.7 will, from such time forward, look only to Glacier for payment of the Merger Consideration, the cash in lieu of fractional shares, and/or unpaid dividends and distributions on the Glacier Shares deliverable with respect to each share of Company Common Stock held by such holder as determined pursuant to this Agreement, in each case, without any interest. Neither Glacier nor the Company will be liable to any holder of Company Common Stock for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

SECTION 2. CLOSING OF TRANSACTION

2.1 Closing. The Closing will occur on the Effective Date. The Merger shall be consummated by (1) the filing by the Idaho Secretary of State of Articles of Merger, in the form required by and executed in accordance with the relevant provisions of the IBCA, and by the issuance of a Certificate of Merger by the Secretary of State of Idaho; and (2) the filing by the Montana Secretary of State of Articles of Merger, in the form required by and executed in accordance with the relevant provisions of the MBCA, and by the issuance of a Certificate of Merger by the Secretary of State of Montana. Notwithstanding anything to the contrary contained herein, supplementation of such Schedules following the execution of this Agreement will not be deemed a modification of the Company's or the Bank's representations or warranties contained in this Agreement.

4.1.11 Acquisition Proposal. The Company agrees that neither it nor any of its Subsidiaries will, and the Company will direct and use its best efforts to cause its directors, officers, employees, agents and representatives (including, without limitation, any investment banker, attorney or accountant retained by it or any of its Subsidiaries) not to, initiate, solicit, encourage or take any other action to facilitate any inquiries or the making of any proposal or offer (including, without limitation, any proposal or offer to shareholders of the Company) with respect to a merger, consolidation or similar transaction involving, or any purchase of all or any significant portion of the assets or equity securities of, the Company or any of its Subsidiaries (any such proposal or offer being hereinafter referred to as an Acquisition Proposal) or, except to the extent legally required for the discharge by the board of directors of its fiduciary duties as advised in writing by such board's counsel, engage in any negotiations concerning, or provide any confidential information or data to any Person relating to, an Acquisition Proposal, or otherwise facilitate any effort or attempt to make or implement an Acquisition Proposal. The Company and its Subsidiaries will immediately cease and cause to be terminated any existing activities, discussions or negotiations with any parties conducted heretofore with respect to any of the foregoing. The Company will take the necessary steps to inform the appropriate individuals or entities referred to in the first sentence hereof of the obligations undertaken in this Section 4.1.11. The Company will notify Glacier immediately if any such inquiries or proposals are received by, any such information is requested from, or any such negotiations are sought to be initiated or continued with the Company or its Subsidiaries.

- 4.1.12 Status of Title/Leasehold Interests.** No later than 15 days after the Execution Date, the Company will provide Glacier with title reports for the Property issued by Pioneer Title Company of Bannock County (with regard to the main office and Flandro office) and Alliance Title and Escrow Corporation (with regard to the Idaho Falls office) or such other title insurance company reasonably satisfactory to the parties. These title reports must show the current status of title to all Property. Within 15 days after the date on which the Company delivers all of the title reports to Glacier for its review, Glacier will inform the Company in writing whether, and in what manner, it objects to any of the exceptions to title shown on any of the title reports. The Company will, within 10 days of the date on which it receives the written notice of objection from Glacier, inform Glacier if there are any objections that it is unable to remove at or prior to Closing. The Company will not, however, be obligated to remove exceptions that are non-monetary exceptions that do not interfere with the use of the properties as bank branch locations. At Closing, the Company will provide Glacier with title policies issued with respect to each of the Properties, in an amount commensurate with the value of each such Property as agreed upon by Glacier and the Company, dated as of the Effective Date, and that each such Property is unencumbered by any Liens, other than Liens for taxes not yet delinquent and other exceptions to title as set forth in the title reports as approved by Glacier.
- 4.1.13 Directors and Officers Liability.** Immediately prior to the Effective Date, the Company will notify its directors and officers liability insurers of the Merger and of all pending or, to the knowledge of its Executive Officers, threatened claims, actions, suits, proceedings or investigations asserted or claimed against any Person entitled to indemnification pursuant to Section 6.5 of this Agreement and known to the Company, or circumstances reasonably deemed by Glacier to be likely to give rise thereto, in accordance with terms and conditions of the applicable policies.
- 4.1.14 Review of Loans.** The Company and the Bank will permit Glacier to conduct an examination of the Bank's loans to determine credit quality and the adequacy of the Bank's ALLL. Glacier will have continued access to the Bank's loans through Closing to update the examination. At Glacier's reasonable request, the Bank will provide Glacier with current reports updating the information set forth in Schedule 10.
- 4.1.15 Conduct of Glacier's Business Before Closing.** Glacier will:
- (i) provide the Company with prompt written notice of any events, individually or in the aggregate, that could have a Material Adverse Effect with respect to Glacier;
 - (ii) conduct, and cause its Subsidiaries to conduct, their respective businesses in compliance with all material obligations and duties imposed on them by applicable federal and state laws; and
 - (iii) maintain all books and records of it and its Subsidiaries, including all financial statements, in accordance with such accounting principles and practices consistent with those used for the Glacier Financial Statements, except for changes in such principles and practices required under GAAP.

4.2.1 Preparation of Registration Statement.

- (i) A Registration Statement on Form S-4 (together with any amendments or supplements, the Registration Statement) will be filed by Glacier with the SEC under the Securities Act for registration of the Glacier Shares to be issued in the Merger, and the parties will prepare a related prospectus/proxy statement (Prospectus/Proxy Statement) to be mailed together with any amendments and supplements to the Company s stockholders.
- (ii) The parties will cooperate with each other in preparing the Registration Statement and Prospectus/Proxy Statement, and will use their best efforts to: (1) file the Registration Statement with the SEC within 45 days following the Execution Date, and (2) obtain the clearance of the SEC, any appropriate state securities regulators and any other required regulatory approvals, to issue the Prospectus/Proxy Statement.
- (iii) Nothing will be included in the Registration Statement or the Prospectus/Proxy Statement or any proxy solicitation materials with respect to any party to this Agreement unless approved by that party, which approval will not be unreasonably withheld. When the Registration Statement becomes effective, and at all times subsequent to such effectiveness (up to and including the date of the Company Meeting), all information set forth in the Registration Statement that is or to be furnished by or on behalf of Glacier relating to Glacier and by or on behalf of the Company relating to the Company, (1) will comply in all material respects with the provisions of the Securities Act and any other applicable statutory or regulatory requirements, and (2) will not contain any untrue statement of a material fact or omit to state a material fact that is required to be stated or necessary to make the statements in the Registration Statement not misleading; provided, however, that in no event will any party be liable for any untrue statement of a material fact or omission to state a material fact in the Registration Statement where such statement or omission, as the case may be, was made in reliance upon, and in conformity with, written information concerning another party furnished by or on behalf of such other party specifically for use in the Registration Statement.
- (iv) Glacier will pay all fees and costs associated with the preparation by Glacier s counsel (and other professional advisors) and the filing of the Registration Statement. The Company will pay all costs associated with the review and preparation by the Company s counsel of the Registration Statement and the Prospectus/Proxy. The Company will pay the costs associated with the printing and mailing of the Prospectus/Proxy Statement to its stockholders and any other direct costs incurred by it in connection with the Prospectus/Proxy Statement. Upon Glacier s request, the Prospectus/Proxy will be printed by Bowne Financial Print, a division of Bowne & Co., in coordination with Bowne s Seattle office.

4.2.2 Submission to Shareholders.

- (i) Glacier and the Company will submit the Prospectus/Proxy Statement to, and will use their best efforts in good faith to obtain the prompt approval of the

Prospectus/Proxy Statement by, all applicable regulatory authorities. The parties will provide each other with copies of such submissions for review.

- (ii) The Company will promptly take the actions necessary in accordance with applicable law and its Articles of Incorporation and Bylaws to convene a shareholders' meeting to consider the approval of this Agreement and to authorize the transactions contemplated by this Agreement (such meeting and any adjournment or postponement thereof, the "Company Meeting"). The Company Meeting will be held on the earliest practical date after the date the Prospectus/Proxy Statement may first be sent to the Company's shareholders without objection by applicable governmental authorities. Except as otherwise required to comply with the fiduciary responsibilities of its board of directors, the Company's board of directors and officers will recommend approval of the Merger to the Company's shareholders.

4.3 Affiliate Letters.

4.3.1 Affiliate List. Certain persons may be deemed affiliates of the Company under Rule 145 of the Securities Act. Within thirty days after the Execution Date, the Company will deliver to Glacier, after consultation with legal counsel, a list of names and addresses of those persons who may be deemed to be Company affiliates with respect to the Merger within the meaning of Rule 145. Prior to when the Registration Agreement is filed with the SEC, the Company will deliver, or cause to be delivered, to Glacier a letter from each of these affiliates, and any additional person who may be deemed to be an affiliate before the Effective Date and after the date of the list, dated as of the date of its delivery and in the form attached as Exhibit A.

4.3.2 Restrictive Legends. Glacier will place a restrictive legend on all certificates representing Glacier Shares to be received by those persons who may be deemed to be an affiliate, so as to preclude their transfer or disposition in violation of the affiliate letters. Glacier will also instruct its transfer agent not to permit the transfer of those shares, and to take any other steps reasonably necessary to ensure compliance with Rule 145.

4.4 Submission to Regulatory Authorities. Representatives of Glacier will prepare and file with applicable regulatory agencies, applications for approvals, waivers or other actions deemed necessary or desirable, in the opinion of their counsel, in order to consummate the Merger. Glacier will use its best efforts to file such regulatory applications within 45 days following the Execution Date. Glacier will provide copies of such applications for review by the Company prior to their submission to the applicable regulatory authorities. These applications are expected to include:

- (i) An application and related filings to the Federal Reserve and Director regarding the Merger.
- (ii) Filings and coordination with the offices of the Idaho and Montana Secretaries of State with respect to the Merger.

4.5 Public Announcements. Subject to written advice of legal counsel with respect to legal requirements relating to public disclosure of matters related to the subject matter of this Agreement, the timing and content of any announcements, press releases or other public

statements concerning the Merger will occur upon, and be determined by, the mutual consent of the Company and Glacier.

4.6 Consents. Each party to this Agreement will use its best efforts to obtain the timely consent or approval of any Person whose consent or approval is required in order to permit Glacier, the Company and the Bank to consummate the Merger.

4.7 Further Actions. The parties to this Agreement will use their best efforts in good faith to make all such arrangements, do or cause to be done all such acts and things, and execute and deliver all such certificates and other instruments and documents as may be reasonably necessary or appropriate in order to consummate the Merger promptly.

4.8 Notice. The parties will provide each other with prompt written notice of:

- (i) Any events that, individually or in the aggregate, can reasonably be expected to have a Material Adverse Effect with respect to them.
- (ii) The commencement of any proceeding against any one or more of them by or before any court or governmental agency that, individually or in the aggregate, can reasonably be expected to have a Material Adverse Effect with respect to any one or more of them.
- (iii) In the case of the Company and the Bank only, acquisition of an ownership or leasehold interest in any real property (except as disclosed in Schedule 6), as specified in Section 4.1.2 of this Agreement.

4.9 Confidentiality. Subject to the requirements of law, each party will keep confidential, and will exercise its best efforts to cause its representatives to keep confidential, all information and documents obtained pursuant to this Agreement unless such information (i) is required by law to be disclosed, (ii) becomes available to such party from other sources not bound by a confidentiality obligation, (iii) is disclosed with prior written approval of the party to which such information pertains or is disclosed in a legal action between the parties relating to the Merger, or (iv) is or becomes public without fault of the subject party. If this Agreement is terminated or the Merger otherwise fails to be consummated, each party to this Agreement will promptly (i) return to the other all confidential documents obtained from them; and (ii) not use or disclose any nonpublic information obtained under this Agreement or in connection with the Merger.

4.10 Update of Glacier Financial Statements. Glacier will make Subsequent Glacier Financial Statements available to the Company by the earlier of: (1) five (5) days after Glacier prepares and issues them or (2) the date that such financial statements are filed with the SEC pursuant to Glacier's reporting obligations under the Exchange Act. The Subsequent Glacier Financial Statements will:

- (a) be prepared from the books and records of Glacier and its Subsidiaries;
- (b) present fairly the financial position and operating results of Glacier and its Subsidiaries at the times indicated and for the periods covered;
- (c) be prepared in accordance with GAAP (except for the absence of notes) and with the regulations promulgated by applicable regulatory authorities, to the extent then applicable, subject to normal year-end adjustments; and

Table of Contents

- (d) reflect all liabilities, contingent or otherwise, of Glacier on the respective dates and for the respective periods covered, except for liabilities not required to be so reflected in accordance with GAAP or not significant in amount.

4.11 Availability of Glacier's Books, Records and Properties.

- (a) Glacier will make its books, records, properties, contracts and documents available during business hours with reasonable advance notice to the Company and its counsel, accountants and other representatives. These items will be open for inspection, audit and direct verification of loan or deposit balances and collateral receipts. Glacier will cooperate fully in any such inspection, audit, or direct verification procedures, and will make available all information reasonably required by or on behalf of Glacier.
- (b) At the Company's request, Glacier will request any third parties involved in the preparation or review of (1) Glacier Financial Statements or (2) any audits of Glacier's operations, loan portfolios or other assets, to disclose to the Company the work papers or any similar materials related to these items.

4.12 Blue Sky Filings. Glacier will use its best efforts to obtain, prior to the effective date of the Registration Statement, any necessary state securities laws or blue sky permits and approvals.

4.13 Tax Treatment. Neither Glacier and its Subsidiaries nor the Company and its Subsidiaries will take or cause to be taken any action that would or could reasonably be expected to prevent the Merger from qualifying as a reorganization under Section 368(a) of the Code.

4.14 Best Efforts. Subject to the terms and conditions of this Agreement and, in the case of the Company and the Bank, to the exercise by its Board of Directors of its fiduciary duties, each party will use its reasonable best efforts in good faith to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or desirable, or advisable under applicable laws, so as to permit consummation of the Merger by March 15, 2005, and to otherwise enable consummation of the transactions contemplated by this Agreement.

SECTION 5.

APPROVALS AND CONDITIONS

5.1 Required Approvals. The obligations of the parties to this Agreement are subject to the approval of this Agreement and the Merger by all appropriate regulatory agencies having jurisdiction with respect to the Merger; provided, however, that no such consent or approval will have imposed any condition or requirement not normally imposed in such transactions that, in the reasonable opinion of Glacier, would deprive Glacier of the material economic or business benefits of the Merger.

5.2 Conditions to Obligations of Glacier. All obligations of Glacier pursuant to this Agreement are subject to satisfaction of the following conditions at or before Closing:

5.2.1 Representations and Warranties. The representations and warranties of the Company and the Bank contained in this Agreement or in any certificate or other instrument delivered in connection with this Agreement will be true and correct at Closing, with the same force and effect as though such representations and warranties had been made on and as of Closing, except to the extent that such representations and warranties are by their express provisions made as of a specified date, in which case such representations

Table of Contents

and warranties will be true and correct as of such date. The Company and the Bank will have delivered to Glacier their respective certificates to that effect, executed by a duly authorized officer of the Company and dated as of Closing.

5.2.2 Compliance. The Company and the Bank each will have performed and complied in all material respects with all terms, covenants and conditions of this Agreement on or before Closing. The Company and the Bank will have delivered to Glacier their respective certificates to that effect, executed by a duly authorized officer of the Company and dated as of Closing.

5.2.3 Transaction Fees. The Company Transaction Fees have not exceeded \$170,000. Company Transaction Fees means all costs and expenses incurred by the Company or owed or paid by the Company to its investment advisors, legal counsel, accountants and printers in connection with the preparation, negotiation and execution of this Agreement and related documents and the consummation of the Merger, excluding, however, any fees and costs incurred prior to October 4, 2004.

5.2.4 Transaction Fees Statements. The Company has delivered to Glacier a statement, in a form reasonably satisfactory to Glacier, from each third party to whom the Company has paid or owes the Company Transaction Fees. Each statement must set forth the total costs and expenses paid or owing to the third party in connection with the Merger's consummation. The Company has delivered to Glacier its certificate, executed by a duly authorized officer of the Company and dated as of Closing, stating the total the Company Transaction Fees and certifying that the Company is in compliance with Section 5.2.3 and this Section 5.2.4.

5.2.5 No Material Adverse Effect. Since December 31, 2003, there will have been no material damage, destruction or loss (whether or not covered by insurance) and no other event, individually or in the aggregate, constituting a Material Adverse Effect with respect to the Company or the Bank.

5.2.6 Financial Condition. The following will be true and the certificates of the Company and the Bank referred to in Section 5.2.2 will so state:

- (i) The Bank's ALLL will be adequate to absorb the Bank's anticipated loan losses, and such determination of adequacy will be made in consultation with Glacier.
- (ii) The reserves set aside for any contingent liabilities of the Company and the Bank will be adequate to absorb all reasonably anticipated losses.

5.2.7 No Governmental Proceedings. No action or proceeding will have been commenced or threatened by any governmental agency to restrain or prohibit or invalidate the Merger.

5.2.8 Real Property Matters. Glacier has received all title insurance policies required under Section 4.1.12 (or irrevocable commitments by the title insurance company to issue such policies).

5.2.9 Corporate and Shareholder Action. Each of the following will have approved the Merger:

- (i) The Boards of Directors of the Company and the Bank; and

Table of Contents

(ii) The shareholders of the Company.

5.2.10 Resignation of Directors. The directors of the Company will have tendered their written resignations from the Board of Directors of the Company, to be effective upon consummation of the Merger.

5.2.11 Appointment to Bank Board of Directors. The Bank's board of directors will have appointed Michael J. Blodnick to serve as a director of the Bank, to be effective upon consummation of the Merger.

5.2.12 Tax Opinion. Glacier has, at Glacier's expense, obtained from Graham & Dunn PC and delivered to the Company, an opinion addressed to the Company and Glacier (in form and substance reasonably satisfactory to the Company and its counsel, and subject to reasonable limitations, conditions and assumptions) substantially to the effect that:

- (i) The Merger will qualify as a reorganization within the meaning of IRC Section 368(a)(1)(A).
- (ii) Holders of Company Common Stock who receive solely cash in exchange for their shares of Company Common Stock, and who own those shares as capital assets and who do not actually or constructively own shares of Glacier after the Merger, will recognize capital gain or loss. The amount of such gain or loss will be equal to the difference between the amount of cash received and the stockholder's aggregate tax basis for such shares of Company Common Stock. The gain or loss will be long-term capital gain or loss if such shares of Company Common Stock were held for more than one year.
- (iii) A holder of Company Common Stock who receives both Glacier Shares and cash consideration in exchange for his or her shares of Company Common Stock will recognize gain, but not loss, to the extent of the lesser of the gain realized by such shareholder in the exchange or the amount of cash received by such shareholder in the exchange. Any gain recognized by a shareholder who owns his or her shares of Company Common Stock as capital assets will be treated as capital gain, if the exchange is, with respect to such shareholder, either substantially disproportionate or not essentially equivalent to a dividend, each within the meaning of IRC Section 302(b).

The exchange will be substantially disproportionate with respect to a shareholder if the percentage of shares of outstanding Glacier Common Stock (actually and constructively) owned by the shareholder immediately after the Merger is less than 80% of the percentage of the outstanding shares of Glacier Common Stock (actually and constructively) owned by the shareholder immediately before the Merger, and the shareholder owns less than 50% of the combined voting power of all classes of Glacier Common Stock entitled to vote on any matter requiring approval by Glacier's shareholders. For purposes of determining the percentage of the outstanding shares of Glacier Common Stock (actually and constructively) owned by the shareholder immediately before the Merger, the shareholder is treated as if (1) all such shareholder's shares of Company Common Stock were first exchanged in the Merger for shares of Glacier Common Stock, and (2) a portion of those shares of Glacier Common Stock were then redeemed for the cash actually received in the Merger.

Table of Contents

The exchange will be not essentially equivalent to a dividend with respect to a shareholder if the reduction in such shareholder's stock ownership is a meaningful reduction, given his or her particular facts and circumstances. The Internal Revenue Service has ruled that a reduction in the stock ownership of a minority shareholder who owns a small number of shares in a publicly and widely held corporation, and who exercises no control over the affairs of the corporation, will meet this test.

- (iv) A holder of Company Common Stock who receives solely Glacier Shares in exchange for his or her shares of Company Common Stock will not recognize any gain or loss except in respect to cash received in lieu of any fractional share of Glacier Common Stock.

5.2.13 Opinion of Counsel. The Company has obtained from Jones & Keller, P.C. and delivered to Glacier an opinion of counsel, containing the opinions set forth in Exhibit B to this Agreement.

5.2.14 Affiliate Letters. Glacier has received the affiliate list and letters specified in Section 4.3.1.

5.2.15 Registration Statement. The Registration Statement, as it may have been amended, required in connection with the Glacier Shares, and as described in Section 4.2, has become effective, and no stop-order suspending the effectiveness of such Registration Statement has been issued or remains in effect, and no proceedings for that purpose have been initiated or threatened by the SEC the basis for which still exists.

5.2.16 Cash Paid. The aggregate amount of the cash to be paid for Proposed Dissenting Shares will not exceed ten percent (10%) of the cash value of the Merger Consideration, as it may be adjusted under this Agreement. For purposes of this Section 5.2.16, the assumed cash value per Proposed Dissenting Share will be \$37.47.

5.2.17 No Change in Loan Review. The Company and the Bank have provided to Glacier the reports reasonably requested by Glacier under Section 4.1.14, and neither these reports nor any examinations conducted by Glacier under Section 4.1.14 reveal a change which constitutes a Material Adverse Effect in either: (i) the information set forth in Schedule 10 or (ii) information revealed during Glacier's previous examinations of the Bank's loans.

5.2.18 Consents. The Company has obtained the consents as indicated in Schedule 3.

5.2.19 Fairness Opinion. The Company will have received from Hovde an updated fairness opinion, dated on or about the date on which the Prospectus/Proxy Statement is distributed to the Company's shareholders, to the effect that the Merger Consideration to be received by the Company shareholders pursuant to Sections 1.2 and 1.3 of this Agreement is fair to such shareholders from a financial point of view.

5.2.20 Exercise of Options. The holders of all of the Company Qualified Options will have exercised their rights to receive Company Common Stock in exchange for such options and will have paid the Exercise Price for such options in cash.

Table of Contents

5.2.21 Real Property Transfer. Each of the following real estate transactions will have occurred:

- (i) The Company will have transferred to the Bank its ownership interest in the Bank's office location in Idaho Falls, Idaho; and
- (ii) The Bank will have purchased from CCB Properties, LLC, the Bank's main office building at 280 South Arthur, Pocatello, Idaho.

5.2.22 SERP Agreements. The Executive Supplemental Compensation Agreements, dated May 1, 2004, between the Bank and each of Ralph G. Cottle, Martin D. Doncouse, Daniel C. Heiner, Amy D. Rhoads, and Terrill R. Schwartz, will have been terminated, and each participant will have received the payment that he or she otherwise would have been entitled to if Section 5.4 had been triggered.

5.3 Conditions to Obligations of the Company and the Bank. All obligations of the Company and the Bank pursuant to this Agreement are subject to satisfaction of the following conditions at or before Closing:

5.3.1 Representations and Warranties. The representations and warranties of Glacier contained in this Agreement or in any certificate or other instrument delivered in connection with this Agreement will be true and correct at Closing, with the same force and effect as though such representations and warranties had been made on and as of Closing, except to the extent that such representations and warranties are by their express provisions made as of a specified date, in which case such representations and warranties will be true and correct as of such date. Glacier will have delivered to the Company and the Bank their respective certificates to that effect, executed by a duly authorized officer of Glacier and dated as of Closing.

5.3.2 Compliance. Glacier will have performed and complied with all terms, covenants and conditions of this Agreement on or before Closing. Glacier will have delivered to the Company and the Bank its certificate to that effect, executed by a duly authorized officer of Glacier and dated as of Closing.

5.3.3 No Governmental Proceedings. No action or proceeding will have been commenced or threatened by any governmental agency to restrain or prohibit or invalidate the Merger.

5.3.4 No Material Adverse Effect. Since December 31, 2003, there will have been no material damage, destruction or loss (whether or not covered by insurance) and no other event, individually or in the aggregate, constituting a Material Adverse Effect with respect to Glacier.

5.3.5 Fairness Opinion. The fairness opinion specified in Section 5.2.19 will have been delivered.

5.3.6 Tax Opinion. The tax opinion specified in Section 5.2.12 has been delivered to the Company.

5.3.7 Opinions of Counsel. Glacier has obtained from Graham & Dunn PC and Glacier's Montana corporate counsel and delivered to the Company opinions of counsel containing the opinions set forth in Exhibit C and Exhibit D, respectively, to this Agreement.

Glacier intends that, as soon as practicable after consummation of the Merger, the Company's existing benefit plans will be terminated.
- 6.4.2 Treatment of Past Service.** For purposes of such participation, current employees' prior service with the Company and/or the Bank will constitute prior service with Glacier for purposes of determining eligibility and vesting (including but not limited to vacation time).
- 6.4.3 Severance Payments.** If individuals who are Bank employees as of the Execution Date are terminated within three months of the Effective Date as a result of a consolidation of staff functions, such employees will be entitled to receive the severance payment specified in Glacier's Severance Plan for Employees, as in effect at the time of such termination.

Table of Contents

6.4.4 No Contract Created. Except as provided in Section 6.2 of this Agreement, nothing in this Agreement will give any employee a right to continuing employment.

6.5 Indemnification of Directors and Executive Officers. For a period of six (6) years from and after the Effective Date, Glacier will indemnify and defend each present and former director and officer of the Company and the Bank from and against any and all claims, losses, liabilities, judgments, fines, damages, costs, and expenses (including reasonable attorneys' fees) incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative, or investigative, arising out of actions or omissions accruing at or prior to the Effective Date, including, without limitation, the Merger contemplated by this Agreement, to the fullest extent that the Company and/or the Bank are permitted to indemnify (and advance expenses to) its directors and officers under applicable law and under their respective articles of incorporation or bylaws in effect at the date of this Agreement. Any determination required to be made with respect to whether an officer's or director's conduct complies with the standard set forth under the Company's or the Bank's Articles of Incorporation or bylaws will be made by independent counsel (which will not be counsel that provides any services to Glacier or any of its Subsidiaries) selected by Glacier and reasonably acceptable to such officer or director. For a period of six (6) years after the Effective Date, Glacier will use reasonable efforts to cause to be maintained in effect (with reputable and financially sound insurers) director and officer liability insurance substantially similar to that maintained by Glacier with respect to claims arising from facts or events that occurred before the Effective Date.

SECTION 7.

TERMINATION OF AGREEMENT AND ABANDONMENT OF TRANSACTION

7.1 Termination by Reason of Lapse of Time. If Closing does not occur on or before May 15, 2005 (the Termination Date), either Glacier or the Company may terminate this Agreement and the Merger if both of the following conditions are satisfied:

- (a) the terminating party's board of directors decides to terminate by a majority vote of its members; and
- (b) the terminating party delivers to the other party written notice that its board of directors has voted in favor of termination.

7.2 Termination Due To Glacier Average Closing Price Greater than \$37.00.

7.2.1 The Company's Right to Terminate. By specific action of its board of directors, the Company may terminate this Agreement and the Merger by written notice to Glacier on the business day immediately following the Determination Date, in the event that the Glacier Average Closing Price is greater than \$37.00.

The foregoing event is referred to as the High Stock Value Adjustment Trigger. If Glacier declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the Execution Date and the Determination Date, the price for the Glacier Common Stock will be appropriately adjusted for the purpose of applying this Section 7.2. If the Company elects to exercise its termination right as a result of the High Stock Value Adjustment Trigger, the provisions of Section 7.2.2 will apply.

Table of Contents

7.2.2 Glacier's Right to Adjust Consideration. If the Company provides written notice to Glacier in accordance with Section 7.2.1, then within one business day of Glacier's receipt of such notice, Glacier may elect by written notice to the Company to adjust the Per Share Stock Consideration through the issuance of additional Glacier Shares in an amount such that the Per Share Stock Consideration equals the number of shares of Glacier Common Stock that a holder of Company Common Stock would have received had the Glacier Average Closing Price been \$37.00.

If Glacier makes such election to increase the Merger Consideration, no termination will occur pursuant to Section 7.2.1, and this Agreement will remain in effect according to its terms (except as the Merger Consideration has been supplemented).

7.3 Termination Due To Glacier Average Closing Price Less than \$27.00.

7.3.1 Glacier's Right to Terminate. By specific action of its board of directors, Glacier may terminate this Agreement and the Merger by written notice to the Company on the business day immediately following the Determination Date, in the event that the Glacier Average Closing Price is less than \$27.00.

The foregoing event is referred to as the Low Stock Value Adjustment Trigger. If Glacier declares or effects a stock dividend, reclassification, recapitalization, split-up, combination, exchange of shares or similar transaction between the Execution Date and the Determination Date, the price for the Glacier Common Stock will be appropriately adjusted for the purpose of applying this Section 7.3. If Glacier elects to exercise its termination right as a result of the Low Stock Value Adjustment Trigger, the provisions of Section 7.3.2 will apply.

7.3.2 The Company's Right to Accept Adjusted Consideration. If Glacier provides written notice to the Company in accordance with Section 7.3.1, then within one business day of the Company's receipt of such notice, the Company may elect by written notice to Glacier to accept an adjustment to the Per Share Stock Consideration through the issuance of fewer Glacier Shares, such that the Per Share Stock Consideration equals the number of shares of Glacier Common Stock that a holder of Company Common Stock would have received had the Glacier Average Closing Price been \$27.00.

If the Company makes such election to accept such decrease in the Merger Consideration, no termination will occur pursuant to Section 7.3.1, and this Agreement will remain in effect according to its terms (except as the Merger Consideration has been supplemented).

7.4 Other Grounds for Termination. This Agreement and the Merger may be terminated at any time before Closing (whether before or after applicable approval of this Agreement by the Company's stockholders, unless otherwise provided) as follows:

7.4.1 Mutual Consent. By mutual consent of the Company and Glacier, if the boards of directors of each party agrees to terminate by a majority vote of its members.

7.4.2 No Regulatory Approvals. By either party, if the regulatory approvals required by Section 5.1 are denied (or if any such required approval is conditioned on a substantial deviation from the Merger); provided, however, that either party will have fifteen (15) business days following receipt of such denial to appeal the decision, and if such appeal

is timely made, either party will have sixty (60) days to prosecute diligently and overturn such denial, and such other party may not terminate this Agreement pursuant to this Section 7.4.2 during such period of time.

- 7.4.3 Breach of Representation.** By either party (provided that the terminating party is not then in material breach of any of its representations, warranties, covenants or other agreements in this Agreement) if there has been a material breach of any of the representations or warranties set forth in this Agreement on the part of the other party, which breach is not cured within thirty days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the end of such thirty day period; provided, however, that neither party will have the right to terminate this Agreement pursuant to this Section 7.4.3 unless the breach of such representation or warranty, together with any other such breaches, would entitle the party receiving such representation not to consummate the transactions contemplated hereby under Section 5.2.1 (in the case of a breach of a representation or warranty by the Company or the Bank) or Section 5.3.1 (in the case of a breach of a representation or warranty by Glacier). In the event of termination pursuant to this Section 7.4.3, the terminating party will be entitled to receive from the other party the Termination Fee.
- 7.4.4 Breach of Covenant.** By either party, (provided that the terminating party is not then in material breach of any of its representations, warranties, covenants or other agreements in this Agreement) if there has been a material breach of any of the covenants or agreements set forth in this Agreement on the part of the other party, which breach is not cured within thirty days following written notice to the party committing such breach, or which breach, by its nature, cannot be cured prior to the end of such thirty day period. In the event of termination pursuant to this Section 7.4.4, the terminating party will be entitled to receive from the other party the Termination Fee; provided, however, that Glacier will not be entitled to collect the Termination Fee in the event of a breach of Section 4.1.12 of this Agreement caused by the Company's inability (after good faith effort) to remove exceptions to title as provided for in that section.
- 7.4.5 The Company Fails to Recommend Shareholder Approval.** By Glacier (provided that Glacier is not then in material breach of any of its representations, warranties, covenants or other agreements in this Agreement), before the Company's stockholders approve the Merger, if the Company's Board of Directors: (a) fails to recommend to its stockholders the approval of the Merger or (b) modifies, withdraws or changes in a manner adverse to Glacier its recommendation to stockholders to approve the Merger. In the event of termination pursuant to this Section 7.4.5, Glacier will be entitled to receive from the Company the Break-Up Fee.
- 7.4.6 Impracticability.** By either Glacier or the Company, upon written notice given to the other party, if the board of directors of the party seeking termination under this Section 7.4.6 has determined in its sole judgment, made in good faith and after due consideration and consultation with counsel, that the Merger has become inadvisable or impracticable by reason of the institution of litigation by the federal government or the government of the State of Idaho to restrain or invalidate the Merger or this Agreement.
- 7.4.7 Dissenting Shares.** By Glacier, if holders of 10% or more of the outstanding shares of Company Common Stock are Proposed Dissenting Shares.

Table of Contents

7.4.8 Superior Proposal Termination by the Company. By the board of directors of the Company upon written notice to Glacier if the board of directors of the Company has in good faith determined that a Takeover Proposal constitutes a Superior Proposal; provided, however, that the Company will not be permitted to terminate this Agreement pursuant to this Section 7.4.8 unless (i) it has not breached Section 4.1.11 of this Agreement, (ii) subsequent to delivering such notice of termination it intends to enter into a letter of intent, acquisition agreement or similar agreement relating to such Superior Proposal, (iii) it has provided Glacier at least five days prior written notice advising Glacier that the board of directors of the Company is prepared to accept a Superior Proposal and given Glacier, if it so elects, an opportunity to amend the terms of this Agreement (and negotiated with Glacier in good faith with respect to such terms) in such a manner as would enable the Company's board of directors to proceed with the Merger, and (iv) simultaneously upon entering into such letter of intent, acquisition agreement or similar agreement relating to such Superior Proposal referred to in clause (ii), it delivers to Glacier the Break-Up Fee.

7.4.9 Superior Proposal Termination by Glacier. By Glacier upon written notice to the Company if (i) an Acquisition Event will have occurred; or (ii) a third party will have made a proposal to the Company or its shareholders to engage in or entered into an agreement with respect to an Acquisition Event and this Agreement and the Merger are not approved at the Company Meeting.

7.5 Termination Fee Payable By the Company. Due to expenses, direct and indirect, incurred by Glacier in negotiating and executing this Agreement and in taking steps to effect the Merger, the Company will pay to Glacier \$170,000 (the Termination Fee), if Glacier terminates this Agreement pursuant to Sections 7.4.3 (breach of representation) or 7.4.4 (breach of covenant). If the Termination Fee becomes payable pursuant to this Section 7.5, it will be payable on Glacier's demand and must be paid by the Company within three business days following the date of Glacier's demand. In no event will the Termination Fee become payable to Glacier based solely upon a determination by Glacier pursuant to Section 5.2.6(i) that the Bank's ALLL is inadequate, so long as the Bank has (i) adjusted the ALLL on a monthly basis consistent with past practice, and (ii) agreed to increase the ALLL by up to an additional \$500,000 as determined by Glacier within two weeks of the Effective Date.

7.6 Termination Fee Payable By Glacier. Due to expenses, direct and indirect, incurred by the Company in negotiating and executing this Agreement and in taking steps to effect the Merger, Glacier will pay to the Company the Termination Fee if the Company terminates this Agreement pursuant to Sections 7.4.3 (breach of representation) or 7.4.4 (breach of covenant). If the Termination Fee becomes payable pursuant to this Section 7.6, it will be payable on the Company's demand and must be paid by Glacier within three business days following the date of the Company's demand.

7.7 Break-Up Fee. If (a) this Agreement is terminated pursuant to Section 7.4.5 (the Company Fails to Recommend Shareholder Approval), Section 7.4.8 (Superior Proposal Termination by the Company), or Section 7.4.9(i) (Superior Proposal Termination by Glacier Immediate Acquisition Event), then the Company will immediately pay to Glacier a fee equal to \$860,000 (the Break-Up Fee). If this Agreement is terminated pursuant to Section 7.4.9(ii) (Superior Proposal Termination by Glacier Subsequent Acquisition Event) and prior to or within six months after such termination, the Company or the Bank enter into an agreement, or publicly announce an intention, to engage in an Acquisition Event, or within twelve months after such

termination an Acquisition Event will have occurred, then the Company will promptly pay to Glacier the Break-Up Fee.

- 7.8 Cost Allocation Upon Termination.** In connection with the termination of this Agreement under this Section 7, except as provided in Sections 7.5, 7.6 and 7.7, Glacier and the Company will each pay their own out-of-pocket costs incurred in connection with this Agreement, and will have no other liability to the other party. The parties agree that the agreements herein with respect to the Termination Fee and the Break-Up Fee are integral parts of the transactions contemplated by this Agreement and constitute liquidated damages and not a penalty.

8.6 Arbitration. At either party's request, the parties must submit any dispute, controversy or claim arising out of or in connection with, or relating to, this Agreement or any breach or alleged breach of this Agreement, to arbitration under the American Arbitration Association's rules then in effect (or under any other form of arbitration mutually acceptable to the parties). A single arbitrator agreed on by the parties will conduct the arbitration. If the parties cannot agree on a single arbitrator, each party must select one arbitrator and those two arbitrators will select a third arbitrator. This third arbitrator will hear the dispute. 8.9 No Assignment. Neither this Agreement nor any of the rights, interests or obligations under this Agreement may be assigned by any of the parties (whether by operation of law or otherwise) without the prior written consent of the other parties. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and assigns. (e) For the purposes of subsection (2)(d) of this section only, the term **beneficial owner** means any person who, directly or indirectly, through any contract, arrangement, or understanding, other than a revocable proxy, has or shares the power to vote, or to direct the voting of, shares, provided that a member of a national securities exchange shall not be deemed to be a beneficial owner of securities held directly or indirectly by it on behalf of another person solely because such member is the record holder of such securities if the member is precluded by the rules of such exchange from voting without instruction on contested matters or matters that may affect substantially the rights or privileges of the holders of the securities to be voted. When two (2) or more persons agree to act together for the purpose of voting their shares of the corporation, each member of the group formed thereby shall be deemed to have acquired beneficial ownership, as of the date of such agreement, of all voting shares of the corporation beneficially owned by any member of the group.

(3) Notwithstanding any other provision of this section, the articles of incorporation as originally filed or any amendment thereto may limit or eliminate appraisal rights for any class or series of preferred shares, but any such limitation or elimination contained in an amendment to the articles of incorporation that limits or eliminates appraisal rights for any of such shares that are outstanding immediately prior to the effective date of such amendment or that the corporation is or may be required to issue or sell thereafter pursuant to any conversion, exchange or other right existing immediately before the effective date of such amendment shall not apply to any corporate action that becomes effective within one (1) year of that date if such action would otherwise afford appraisal rights.

(4) A shareholder entitled to appraisal rights under this part may not challenge a completed corporate action for which appraisal rights are available unless such corporate action:

(a) Was not effectuated in accordance with the applicable provisions of part 10, 11 or 12 of this chapter or the corporation's articles of incorporation, bylaws or board of directors' resolution authorizing the corporate action; or

(b) Was procured as a result of fraud or material misrepresentation.

30-1-1303. ASSERTION OF RIGHTS BY NOMINEES AND BENEFICIAL OWNERS.

(1) A record shareholder may assert appraisal rights as to fewer than all the shares registered in the record shareholder's name but owned by a beneficial shareholder only if the record shareholder objects with respect to all shares of the class or series owned by the beneficial shareholder and notifies the corporation in writing of the name and address of each beneficial shareholder on whose behalf appraisal rights are being asserted. The rights of a record shareholder who asserts appraisal rights for only part of the shares held of record in the record shareholder's name under this subsection shall be determined as if the shares as to which the record shareholder objects and the record shareholder's other shares were registered in the names of different record shareholders.

(2) A beneficial shareholder may assert appraisal rights as to shares held on behalf of the shareholder only if such shareholder:

(a) Submits to the corporation the record shareholder's written consent to the assertion of such rights no later than the date referred to in section 30-1-1322(2)(b)(ii), Idaho Code; and

(b) Does so with respect to all shares of the class or series that are beneficially owned by the beneficial shareholder.

If the corporation concludes that appraisal rights are or may be available, a copy of this part must accompany the meeting notice sent to those record shareholders entitled to exercise appraisal rights.

(2) In a merger pursuant to section 30-1-1105, Idaho Code, the parent corporation must notify in writing all record shareholders of the subsidiary who are entitled to assert appraisal rights that the corporate action became effective. Such notice must be sent within ten (10) days after the corporate action became effective and include the materials described in section 30-1-1322, Idaho Code.

30-1-1321. NOTICE OF INTENT TO DEMAND PAYMENT.

(1) If proposed corporate action requiring appraisal rights under section 30-1-1302, Idaho Code, is submitted to a vote at a shareholders meeting, a shareholder who wishes to assert appraisal rights with respect to any class or series of shares:

(a) Must deliver to the corporation before the vote is taken written notice of the shareholder's intent to demand payment if the proposed action is effectuated; and

(b) Must not vote, or cause or permit to be voted, any shares of such class or series in favor of the proposed action.

(2) A shareholder who does not satisfy the requirements of subsection (1) of this section is not entitled to payment under this part.

30-1-1322. APPRAISAL NOTICE AND FORM. (1) If proposed corporate action requiring appraisal rights under section 30-1-1302, Idaho Code, becomes effective, the corporation must deliver a written appraisal notice and form required by subsection (2)(a) of this section to all shareholders who satisfied the requirements of section 30-1-1321, Idaho Code. In the case of a merger under section 30-1-1105, Idaho Code, the parent must deliver a written appraisal notice and form to all record shareholders who may be entitled to assert appraisal rights.

(2) The appraisal notice must be sent no earlier than the date the corporate action became effective and no later than ten (10) days after such date and must:

(a) Supply a form that specifies the date of the first announcement to shareholders of the principal terms of the proposed corporate action and requires the shareholder asserting appraisal rights to certify:

(i) Whether or not beneficial ownership of those shares for which appraisal rights are asserted was acquired before that date; and

(ii) That the shareholder did not vote for the transaction;

(b) State:

Table of Contents

(ii) A date by which the corporation must receive the form, which date may not be fewer than forty (40) nor more than sixty (60) days after the date the appraisal notice and form in subsection (1) of this section are sent, and state that the shareholder shall have waived the right to demand appraisal with respect to the shares unless the form is received by the corporation by such specified date;

(iii) The corporation's estimate of the fair value of the shares;

(iv) That, if requested in writing, the corporation will provide, to the shareholders so requesting, within ten (10) days after the date specified in subsection (2)(b)(ii) of this section the number of shareholders who return the forms by the specified date and the total number of shares owned by them; and

30-1-1323. PERFECTION OF RIGHTS RIGHT TO WITHDRAW.

(1) A shareholder who receives notice pursuant to section 30-1-1322, Idaho Code, and who wishes to exercise appraisal rights must certify on the form sent by the corporation whether the beneficial owner of such shares acquired beneficial ownership of the shares before the date required to be set forth in the notice pursuant to section 30-1-1322(2)(a), Idaho Code. If a shareholder fails to make this certification, the corporation may elect to treat the shareholder's shares as after-acquired shares under section 30-1-1325, Idaho Code. In addition, a shareholder who wishes to exercise appraisal rights must execute and return the form and, in the case of certificated shares, deposit the shareholder's certificates in accordance with the terms of the notice by the date referred to in the notice pursuant to section 30-1-1322(2)(b)(ii), Idaho Code. Once a shareholder deposits that shareholder's certificates or, in the case of uncertificated shares, returns the executed forms, that shareholder loses all rights as a shareholder, unless the shareholder withdraws pursuant to subsection (2) of this section.

(2) A shareholder who has complied with subsection (1) of this section may nevertheless decline to exercise appraisal rights and withdraw from the appraisal process by so notifying the corporation in writing by the date set forth in the appraisal notice pursuant to section 30-1-1322(2)(b)(v), Idaho Code. A shareholder who fails to so withdraw from the appraisal process may not thereafter withdraw without the corporation's written consent.

(3) A shareholder who does not execute and return the form and, in the case of certificated shares, deposit that shareholder's share certificates where required, each by the date set forth in the notice described in section 30-1-1322(2), Idaho Code, shall not be entitled to payment under this part.

30-1-1324. PAYMENT.

(1) Except as provided in section 30-1-1325, Idaho Code, within thirty (30) days after the form required by section 30-1-1322(2)(b)(ii), Idaho Code, is due, the corporation shall pay in cash to those shareholders who complied with section 30-1-1323(1), Idaho Code, the amount the corporation estimates to be the fair value of their shares, plus interest.

(2) The payment to each shareholder pursuant to subsection (1) of this section must be accompanied by:

30-1-1325. AFTER-ACQUIRED SHARES.

(1) A corporation may elect to withhold payment required by section 30-1-1324, Idaho Code, from any shareholder who did not certify that beneficial ownership of all of the shareholder's shares for which appraisal rights are asserted was acquired before the date set forth in the appraisal notice sent pursuant to section 30-1-1322(2)(a), Idaho Code.

(2) If the corporation elected to withhold payment under subsection (1) of this section, it must, within thirty (30) days after the form required by section 30-1-1322(2)(b)(ii), Idaho Code, is due, notify all shareholders who are described in subsection (1) of this section:

(a) Of the information required by section 30-1-1324(2)(a), Idaho Code;

(b) Of the corporation's estimate of fair value pursuant to section 39-1-1324(2)(b), Idaho Code;

(c) That they may accept the corporation's estimate of fair value, plus interest, in full satisfaction of their demands or demand appraisal under section 30-1-1326, Idaho Code;

(d) That those shareholders who wish to accept such offer must so notify the corporation of their acceptance of the corporation's offer within thirty (30) days after receiving the offer; and

(e) That those shareholders who do not satisfy the requirements for demanding appraisal under section 30-1-1326, Idaho Code, shall be deemed to have accepted the corporation's offer.

(3) Within ten (10) days after receiving the shareholder's acceptance pursuant to subsection (2) of this section, the corporation must pay in cash the amount it offered under subsection (2)(b) of this section to each shareholder who agreed to accept the corporation's offer in full satisfaction of the shareholder's demand.

(4) Within forty (40) days after sending the notice described in subsection (2) of this section, the corporation must pay in cash the amount it offered to pay under subsection (2)(b) of this section to each shareholder described in subsection (2)(e) of this section.

Table of Contents

(1) A shareholder paid pursuant to section 30-1-1324, Idaho Code, who is dissatisfied with the amount of the payment must notify the corporation in writing of that shareholder's estimate of the fair value of the shares and demand payment of that estimate plus interest, less any payment under section 30-1-1324, Idaho Code. A shareholder offered payment under section 30-1-1325, Idaho Code, who is dissatisfied with that offer must reject the offer and demand payment of the shareholder's stated estimate of the fair value of the shares plus interest.

(2) A shareholder who fails to notify the corporation in writing of that shareholder's demand to be paid the shareholder's stated estimate of the fair value plus interest under subsection (1) of this section within thirty (30) days after receiving the corporation's payment or offer of payment under section 30-1-1324 or 30-1-1325, Idaho Code, respectively, waives the right to demand payment under this section and shall be entitled only to the payment made or offered pursuant to those respective sections.

30-1-1330. COURT ACTION.

(1) If a shareholder makes demand for payment under section 30-1-1326, Idaho Code, which remains unsettled, the corporation shall commence a proceeding within sixty (60) days after receiving the payment demand and petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the sixty-day period, it shall pay in cash to each shareholder the amount demanded pursuant to section 31-1-1326, Idaho Code, plus interest.

(2) The corporation shall commence the proceeding in the appropriate court of the county where the corporation's principal office, or, if none, its registered office, in this state is located. If the corporation is a foreign corporation without a registered office in this state, it shall commence the proceeding in the county in this state where the principal office or registered office of the domestic corporation merged with the foreign corporation was located at the time of the transaction.

(3) The corporation shall make all shareholders, whether or not residents of this state, whose demands remain unsettled parties to the proceeding, as in an action against their shares, and all parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

(4) The jurisdiction of the court in which the proceeding is commenced under subsection (2) of this section is plenary and exclusive. The court may appoint one (1) or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers shall have the powers described in the order appointing them, or in any amendment to it. The shareholders demanding appraisal rights are entitled to the same discovery rights as parties in other civil proceedings. There shall be no right to a jury trial.

(5) Each shareholder made a party to the proceeding is entitled to judgment:

(a) For the amount, if any, by which the court finds the fair value of the shareholder's shares, plus interest, exceeds the amount paid by the corporation to the shareholder for such shares; or

(b) For the fair value, plus interest, of the shareholder's shares for which the corporation elected to withhold payment under section 30-1-1325,

appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the shareholders demanding appraisal, in amounts the court finds equitable, to the extent the court finds such shareholders acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by this part.

(2) The court in an appraisal proceeding may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) Against the corporation and in favor of any or all shareholders demanding appraisal if the court finds the corporation did not substantially comply with the requirements of section 30-1-1320, 30-1-1322, 30-1-1324 or 30-1-1325, Idaho Code; or

(3) If the court in an appraisal proceeding finds that the services of counsel for any shareholder were of substantial benefit to other shareholders similarly situated, and that the fees for those services should not be assessed against the corporation, the court may award to such counsel reasonable fees to be paid out of the amounts awarded to shareholders who were benefited.

(4) To the extent the corporation fails to make a required payment pursuant to section 30-1-1324, 30-1-1325 or 30-1-1326, Idaho Code, the shareholder may sue directly for the amount owed and, to the extent successful, shall be entitled to recover from the corporation all costs and expenses of the suit, including counsel fees.

As set forth in Section 1.2 of the Agreement, on the Effective Date (as defined in the Agreement) each of the outstanding shares of the Company's common stock ("Company Common Stock") will be converted into and exchangeable for the right to receive (i) cash in an amount equal to \$37.47 (the "Per Share Cash Consideration"), (ii) the number of Glacier Common Stock equal to the quotient, rounded to the nearest thousandth, obtained by dividing \$37.47 by the Glacier Average Closing Price (the "Per Share Stock Consideration"), or (iii) a combination thereof equal to fifty percent (50%) of the Per Share Cash Consideration plus fifty percent (50%) of the Per Share Stock Consideration. Each share of Company Common Stock issued and outstanding as of the Effective Date as a result of the exercise of Company Qualified Options between the Execution Date and the Effective Date shall, by virtue of the Merger, automatically and without any action on the part of the holder of such share, be converted into and exchangeable for the Per Share Stock Consideration. We have also assumed that no change in applicable law or regulation would occur that would cause a material adverse change in the prospects or operations of Glacier or any of the surviving corporations after the Merger.
