**PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 8, 2006**

GENERAL

This proxy statement is furnished by our board of directors in connection with the solicitation by the board of directors of proxies to be voted at the annual meeting of stockholders to be held at 11:00 a.m. local time on May 8, 2006, at the Courtyard by Marriott, 31525 West 12 Mile Road, Farmington Hills, Michigan, and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying notice of such meeting. All stockholders of record at the close of business on March 13, 2006, will be entitled to vote.

Voting. Any proxy, if received in time, properly signed and not revoked, will be voted at the annual meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted for the proposal set forth in this proxy statement. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (i) by delivery of a written statement to our corporate Secretary stating that the proxy is revoked, (ii) by preparation of a subsequent proxy executed by the person executing the prior proxy, or (iii) by attendance at the annual meeting and voting in person.

Votes cast in person or by proxy at the annual meeting will be tabulated by the election inspectors appointed for the meeting, and the inspectors, assisted by the Company's Secretary, will determine whether or not a quorum is present. The election inspectors will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders.

Quorum. The presence, in person or represented by proxy, of the holders of a majority of our common stock (3,853,424 shares) entitled to vote at the annual meeting is necessary to constitute a quorum at the annual meeting. However, if a quorum is not present at the annual meeting, the stockholders, present in person or represented by proxy, have the power to adjourn the annual meeting until a quorum is present or represented. Pursuant to our bylaws, abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum at the annual meeting. A broker non-vote occurs when a nominee holding common stock does not vote on a particular proposal because the nominee does not have a discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Cost of Proxy Solicitation. Solicitation of proxies will be primarily by mail. However, our directors and officers also may solicit proxies by telephone or telecopy or in person. All of the expenses of preparing, assembling, printing and mailing the materials used in the solicitation of proxies will be paid by us. Arrangements may be made with brokerage houses and other custodians, nominees and fiduciaries to forward soliciting materials, at our expense, to the beneficial owners of shares held of record by such persons. It is anticipated that this proxy

Table of Contents

statement and the enclosed proxy card first will be mailed to stockholders on or about March 31, 2006.

Outstanding Stock. As of March 13, 2006, the record date, 7,706,846 shares of our common stock, \$.0001 par value per share, were outstanding. Each share of common stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the record date, our executive officers and directors had the power to vote approximately 3.58% of the outstanding shares of common stock. Our executive officers and directors have advised us that they intend to vote their shares of common stock in favor of the proposal set forth in this proxy statement.

Required Vote. Plurality approval is required to elect our directors. Abstentions and broker non-votes are not counted for purposes of the election of directors.

DIRECTOR NOMINATION PROCEDURES

Director Qualifications. Our Nominating and Corporate Governance Committee has established policies for the desired attributes of the Board as a whole. The Board will seek to ensure that a majority of its members are independent within NYSE listing standards. Each director generally may not serve as a member of more than six other public company boards. Each member of the Board must possess the individual qualities of integrity and accountability, informed judgment, high performance standards and must be committed to representing the long-term interests of the Company and the stockholders. In addition, directors must be committed to devoting the time and effort necessary to be responsible and productive members of the Board. The Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

Identifying and Evaluating Nominees. Our Nominating and Corporate Governance Committee regularly assesses the appropriate number of directors comprising the Board and whether any vacancies on the Board are expected due to retirement or otherwise. The Nominating and Corporate Governance Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, and diversity, strength of character, experience with businesses and organizations comparable to our size or scope, experience and skill relative to other Board members and specialized knowledge or experience. Depending on the current needs of the Board, certain factor may be weighted more or less heavily by the Nominating and Corporate Governance Committee. In considering candidates for the Board, the Nominating and Corporate Governance Committee evaluates the entirety of each candidates credentials and other than the eligibility requirements established by the Nominating and Corporate Governance Committee, does not have any specific minimum qualifications that must be met by a nominee. The Nominating and Corporate Governance Committee considers candidates for the Board from any responsible source, including current Board members, stockholders, professional search firms or other persons. The Nominating and Corporate Governance Committee does not evaluate candidates differently based

Table of Contents

on who has made the recommendation. The Nominating and Corporate Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates

Stockholder Nominees. Our Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. The Nominating and Corporate Governance Committee will consider properly submitted stockholder nominees for election to the Board and will apply the same evaluation criteria in considering such nominees as it would to persons nominated under any other circumstances. Such nominations may be made by a stockholder entitled to vote, who delivers written notice along with the additional information and materials required by the Bylaws to our Secretary not later than the close of business on the 60th day, and not earlier than the close of business on the 90th day, prior to the anniversary of the preceding year's annual meeting. For our annual meeting in the year 2007, our Secretary must receive this notice after the close of business on February 7, 2007, and prior to the close of business on March 9, 2007. You can obtain a copy of the full text of the Bylaw provision by writing to our Secretary at the address appearing on the first page of this Proxy Statement.

Any stockholder nominations proposed for consideration by the Nominating and Corporate Governance Committee should include the nominee's name and sufficient biographical information to demonstrate that the nominee meets the qualification requirements for Board service as set forth under Director Qualifications. The nominee's written consent to the nomination should also be included with nominating submission, which should be addressed to: Agree Realty Corporation at the address appearing on the first page of this Proxy Statement, Attention: Secretary.

INDEPENDENCE OF DIRECTORS

Pursuant to our Corporate Governance Guidelines, which require that a majority of our directors be independent within the meaning of NYSE corporate governance standards, the Board undertook a review of the independence of directors nominated for election at this annual meeting. During this review, the Board considered transactions and relationships during the prior year between each director or any member of his or her immediate family and the Company, including those reported under Proposal One, and under Certain Relationships and Related Transactions below. As provided in the Corporate Governance Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that Mr. Rotchford who is nominated for election at this annual meeting is independent of the Company and its management. Mr. Agree, who serves as our President and Chief Executive Officer, is also nominated for election at this annual meeting and is not deemed to be independent.

NON-MANAGEMENT DIRECTOR EXECUTIVE SESSION

In accordance with New York Stock Exchange listing standards, our non-management directors meet at least once a year without management. Non-management directors are all directors who are not employees or officers of the Company and include directors who are determined to be independent by our board of directors by virtue of the existence of a material relationship with the company. The board has not designated a lead director, or a single director to preside at executive sessions. The person who presides over executive sessions of non-management directors is selected at each meeting.

COMPENSATION COMMITTEE REPORT

The executive compensation committee determines compensation for our executive officers and administers any stock incentive or other compensation plans adopted by us, including the Stock Incentive Plan. The executive compensation committee believes that our compensation package must be structured in a manner that will help us attract and retain qualified executives and will align compensation of such executives with the interests of the stockholders. The compensation package currently consists of salary, bonus and long-term compensation in the form of stock options and restricted stock awards issued pursuant to the Stock Incentive Plan.

SALARY BONUS AND OTHER ANNUAL COMPENSATION

Salary and bonus amounts are determined by the executive compensation committee using a subjective evaluation process. In making determinations of salary and bonus amounts, the committee considers our general performance, the officer's position, level and scope of responsibility and the officer's anticipated performance and contributions to our long-term goals. The base salaries for Richard Agree, Kenneth R. Howe, David J. Prueter, Charles T. Carter, Jr. and Vicky Whalen-Umphries were established pursuant to their employment agreements. Joey Agree does not have an employment agreement

EQUITY INCENTIVE PLAN

The executive compensation committee is responsible for administering the 2005 Equity Incentive Plan, which includes determining the individuals to be granted stock option awards or restricted stock grants and defining the terms of such awards, including the number of shares, exercise price, vesting schedule and expiration date.

The purpose of the 2005 Equity Stock Incentive Plan is to provide compensation to persons whose services are considered essential to us. By linking this compensation to the market performance of our common stock and the growth in funds from operations we intend to provide additional incentive for officers and key employees to enhance our value and success and align the long-term interests of the officers and key employees with our interest.

The executive compensation committee uses a subjective evaluation process to determine whether an officer or key employee should receive a stock option grant or receive a restricted stock

award and the number of shares to be granted or awarded to such officer or key employee. The committee has not set specific objective goals or standards that an officer or key employee must meet to receive a stock option or restricted stock award. The factors considered by the executive compensation committee include our general performance, the position, level and scope of responsibility of the respective officer or key employee and the officer's or key employee's anticipated performance and contributions to our achievement of our long-term goals.

We did not grant any options to purchase shares of common stock in 2005.

AUDIT COMMITTEE REPORT

Management is responsible for the financial reporting process, including the system of internal controls and for the preparation of consolidated financial statements in accordance with GAAP. Our independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with GAAP. Our responsibility is to oversee and review these processes. We are not, however, professionally engaged in the practice of accounting or auditing and do not provide any expert or other special assistance as to such financial statements concerning compliance with the laws, regulation or GAAP or as to auditor independence. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors. We held two meetings during fiscal 2005. The meetings were designed among other things, to facilitate and encourage communication among the committee, management and our independent auditors, BDO Seidman, LLP. We discussed with BDO Seidman the overall scope and plans for their audit. We met with BDO Seidman, with and without management present, to discuss the results of their examination and their evaluations of our internal controls.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2005 with management and BDO Seidman. We also discussed with management and BDO Seidman the process used to support certifications by our Chief Executive Officer and Chief Financial Officer that are required by the SEC and the Sarbanes-Oxley Act of 2002 to accompany our periodic filings with the SEC.

In addition, the audit committee obtained from BDO Seidman a formal written statement describing all relationships between the auditors and us that might bear on the auditor's independence consistent with Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, discussed with the auditors any relationships that may impact their objectivity and independence and satisfied itself as to the auditors' independence. When considering BDO Seidman's independence, we considered whether their provision of services to the company, beyond those rendered in connection with their audit of our consolidated financial statements and reviews of our consolidated financial statements, including in its Quarterly Reports on Form 10-Q, was compatible with maintaining their independence. We also reviewed, among other things, the audit and non-audit services performed by, and the amount of fees paid for such services to, BDO Seidman. The audit committee also discussed and reviewed with the independent auditors all communications required by GAAP, including those described in Statement on Auditing Standards (SAS) No. 61, as amended, Communication with Audit Committees, SAS99 Consideration of Fraud in a Financial Statement Audit, and SEC rules discussed in Final Release Nos. 33-8183 and 33-8183a.

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities referred to above and in the audit committee charter, we recommended to the board of directors (and the board has approved) that the audited financial

statements for the year ended December 31, 2005 be included in the Annual Report on Form 10-K for filing with the SEC. We have selected BDO Seidman as our independent auditors for the fiscal year ended December 31, 2005 and the fiscal quarters ending March 31, 2006, June 30, 2006 and September 30, 2006.

Sommers Schwartz, the law firm of which Leon M. Schurgin, one of our directors, is a senior shareholder, acted as our counsel in various matters during 2005. We paid Mr. Schurgin's firm aggregate fees of approximately \$239,000 during the year.

We lease our executive offices, located at 31850 Northwestern Highway, Farmington Hills, Michigan from a limited liability company controlled by Mr. Agree's children. Under the terms of the lease, which expires December 31, 2009, we are required to pay an annual rental of \$90,000 and are responsible for the payment of real estate taxes, insurance and maintenance expenses relating to the building. Management believes that the lease terms are consistent with leases for similar properties in the area.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Upon recommendation of and approval by the Audit Committee, BDO Seidman, LLP has been selected to act as our independent certified public accountants during the current year. During fiscal year 2005, BDO Seidman served as our independent auditors and also provided certain tax and other audit related services.

The Audit Committee has not yet finalized the retention of BDO Seidman for our audit for the year ended December 31, 2006. The Audit Committee will review and discuss the audit fees for the 2006 audit with BDO Seidman, and may determine to retain another firm as our independent registered public accounting firm if the Audit Committee determines that such retention is in the best interest of the Company and its shareholders.

Aggregate fees for professional services rendered to us by BDO Seidman as of and for the years ended December 31, 2005 and 2004 were:

	2005	2004
Audit fees	\$ 82,500	\$ 67,000
Audit-related fees		
Tax fees	\$ 17,850	\$ 14,600
All other fees	\$ 12,000	

The audit committee approved all fees paid to BDO Seidman, LLP.

Audit Fees. Audit fees include fees for the audit of our annual consolidated financial statements, for review of the financial statements included in our quarterly reports on Form 10-Q and for the annual audit of internal controls over financial reporting as required by Section 404 of the Sarbanes-Oxley Act of 2002.

Audit Related Fees. No audit related fees were paid in 2005 or 2004.

Tax Fees. Tax fees related to professional services for tax compliance and consulting.

All Other Fees. All other fees consist of fees paid for the review of Registration Statements.

At its regularly scheduled and special meetings, the audit committee considers and pre-approves any audit and non-audit services to be performed by our independent accountants. The audit committee has delegated to its chairman, Farris Kalil, an independent member of our board of directors, the authority to grant pre-approvals of non-audit services provided that any such pre-approval by Mr. Kalil shall be reported to the audit committee at its next scheduled meeting. However, pre-approval of non-audit services is not required if (1) the aggregate amount of non-audit services is less than 5% of the total amount paid by us to the auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by the company as non-audit services at the time of the engagement; and (3) such services are promptly brought to the attention of the audit committee and, prior to completion of the audit, are approved by the audit

committee or by one or more audit committee members who have been delegated authority to grant approvals.

The audit committee had considered whether the provision of these services is compatible with maintaining the independent accountants' independence and has determined that such services have not adversely affected BDO Seidman's independence.

A representative of BDO Seidman will be present at the annual meeting and will be provided with the opportunity to make a statement if such representative desires to do so. Such representative is also expected to be available to respond to appropriate questions.
