ABOUT THE ANNUAL MEETING

Date, Time and Place of the Annual Meeting

We will hold the Annual Meeting at 2:30 p.m., local time, on February 7, 2007, at our New York office, located at 1345 Avenue of the Americas, 6th Floor, New York, New York 10105, USA, subject to any adjournments or postponements.

Who Can Vote; Votes Per Share

The Board has set December 11, 2006 as the record date for the Annual Meeting. All persons who were registered holders of Accenture Ltd's Class A common shares or Class X common shares at the close of business on that date are shareholders of record for the purposes of the Annual Meeting and will be entitled to vote at the Annual Meeting. As of the close of business on that date, there were 623,723,309 Class A common shares outstanding (which includes 34,628,739 shares held by subsidiaries of Accenture) and 192,488,100 Class X common shares outstanding. Class A common shares held by our subsidiaries will be voted in a manner that will have no impact on the outcome of any vote of the shareholders of Accenture Ltd.

Each shareholder of record will be entitled to one vote per Class A common share and one vote per Class X common share on each matter submitted to a vote of shareholders, as long as those votes are represented at the Annual Meeting, either in person or by proxy. Holders of Class A common shares and Class X common shares will vote together, and not as separate classes, on all matters being considered at the Annual Meeting. Your shares will be represented if you attend and vote at the Annual Meeting or if you submit a proxy.

How to Vote; Submitting Your Proxy; Revoking Your Proxy

You may vote your shares either by voting in person at the Annual Meeting or by submitting a completed proxy. By submitting your proxy, you are legally authorizing another person to vote your shares. The enclosed proxy designates William D. Green, Pamela J. Craig and Douglas G. Scrivner to vote your shares in accordance with the voting instructions you indicate in your proxy.

If you submit your proxy designating William D. Green, Pamela J. Craig and Douglas G. Scrivner as the individuals authorized to vote your shares, but you do not indicate how your shares are to be voted, then your shares will be voted by those individuals in accordance with the Board's recommendations, which are described in this proxy statement. In addition, if any other matters are properly brought up at the Annual Meeting (other than the proposals contained in this proxy statement), then each of these individuals will have the authority to vote your shares on those matters in accordance with his or her discretion and judgment. The Board currently does not know of any matters to be raised at the Annual Meeting other than the proposals contained in this proxy statement.

You may submit your proxy either by mail, by telephone (at the number set forth in the accompanying proxy materials) or via the Internet (www.cesvote.com). Please let us know whether you plan to attend the Annual Meeting by marking the appropriate box on your proxy card or by following the instructions provided when you submit your proxy by telephone or via the Internet. In order for your proxy to be validly submitted and for your shares to be voted in accordance with your proxy, we must *receive* your mailed proxy by 5:00 p.m., Eastern Standard Time, on February 6, 2007 (February 4, 2007 for Accenture employees and former employees who are submitting proxies for shares received through our employee plans and held by Citigroup Global Markets, Inc. (Citigroup)). If you submit your proxy by telephone or via the Internet, then you may submit your voting instructions up until 6:00 a.m., Eastern

Standard Time, on February 7, 2007 (February 4, 2007 for Accenture employees and former employees who are submitting proxies for shares received through our employee plans and held by Citigroup).

Your proxy is revocable. After you have submitted your proxy, you may revoke it by mail before the Annual Meeting by sending a written notice to our General Counsel and Secretary at 1661 Page Mill Road, Palo Alto, California 94304, USA. Your notice must be received no later than one hour prior to the beginning of the Annual Meeting. If you wish to revoke your submitted proxy card and submit new voting instructions by mail, then you must sign, date and mail a new proxy card with your new voting instructions, which we must receive by 5:00 p.m., Eastern Standard Time, on February 6, 2007 (February 4, 2007 for Accenture employees and former employees who are submitting proxies for shares received through our employee plans and held by Citigroup). If you submitted your proxy by telephone or via the Internet, you may revoke your submitted proxy and/or submit new voting instructions by that same method, which must be received by 6:00 a.m., Eastern Standard Time, on February 7, 2007 (February 4, 2007 for Accenture employees and former employees who are submitting proxies for shares received through our employee plans and held by Citigroup). You also may revoke your proxy in person and vote your shares at the Annual Meeting. Attending the Annual Meeting without taking one of the actions above will not revoke your proxy.

Your vote is very important to the Company. If you do not plan to attend the Annual Meeting, we encourage you to read the enclosed proxy statement and submit your completed proxy prior to the Annual Meeting so that your shares will be represented and voted in accordance with your instructions.

If your shares are not registered in your name but in the street name of a bank, broker or other holder of record (a nominee), then your name will not appear in Accenture Ltd's register of shareholders. Those shares are held in your nominee's name, on your behalf, and your nominee will be entitled to vote your shares. This applies to our employees who received, through our employee plans, shares that are held by Citigroup and/or UBS Financial Services Inc. In order for you to attend the Annual Meeting, you must bring a letter or account statement showing that you beneficially own the shares held by the nominee. Note that even if you attend the Annual Meeting, you cannot vote the shares that are held by your nominee. Rather, you should submit your proxy, which will instruct your nominee how to vote those shares on your behalf.

Quorum and Voting Requirements

In order to establish a quorum at the Annual Meeting, there must be at least two shareholders represented at the meeting, either in person or by proxy, who have the right to attend and vote at the meeting, and who together hold shares representing more than 50 percent of the votes that may be cast by all shareholders of record. For purposes of determining a quorum, abstentions and broker non-votes are counted as represented. A non-vote occurs when a nominee (such as a broker) holding shares for a beneficial owner abstains from voting on a particular proposal because the nominee does not have discretionary voting power for that proposal and has not received instructions from the beneficial owner on how to vote those shares.

For each of the proposals being considered at the Annual Meeting, approval of the proposal requires the affirmative vote of a simple majority of the votes cast. There is no cumulative voting in the appointment of directors. The appointment of each director nominee will be considered and voted upon as a separate proposal. Abstentions and broker non-votes will not affect the voting results. If the proposal for the appointment of a director nominee does not receive the required majority of the votes cast, then the director will not be appointed and the position on the Board that would have been filled by the director nominee will become vacant. The Board has the ability to fill the vacancy upon the recommendation of its Nominating & Governance Committee, in accordance with Accenture's bye-laws,

with that director subject to appointment by Accenture Ltd's shareholders at the next following annual general meeting of shareholders.

Proxy Solicitation

Accenture Ltd will bear the costs of soliciting proxies from the holders of our Class A common shares and Class X common shares. We are initially soliciting these proxies by mail and e-mail, but solicitation may be made by our directors, officers and selected other Accenture employees telephonically, electronically or by other means of communication, and by Innisfree M&A Incorporated, whom we have hired to assist in the solicitation and distribution of proxies. Directors, officers and employees who help us in the solicitation will not be specially compensated for those services, but they may be reimbursed for their out-of-pocket expenses incurred in connection with the solicitation. Innisfree M&A Incorporated will receive a fee of \$12,500, plus reasonable expenses, for its services. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial owners and will be reimbursed for their reasonable out-of-pocket expenses incurred in sending proxy materials to beneficial owners. Corporate Election Services will act as our Inspector of Election at the Annual Meeting and assist us in tabulating the votes.

2006 Audited Financial Statements

At the Annual Meeting, we will present the audited consolidated financial statements for our fiscal year ended August 31, 2006. Copies of these financial statements are included in our Annual Report on Form 10-K, which we are delivering to you with this proxy statement. You may also access these materials through our website at <http://investor.accenture.com>.

PROPOSAL NO. 1 APPOINTMENT OF DIRECTORS

The Board currently has 10 members, who are divided into three classes based upon the cycle of their respective terms in office. At each annual general meeting of shareholders, the appointment of the directors constituting one class of Board membership expires, and the shareholders vote at that meeting to appoint the directors nominated for these Board positions, each to hold office for a three-year term.

On February 2, 2006, the Board, in accordance with Accenture's by-laws and upon the recommendation of the Nominating & Governance Committee, appointed Nobuyuki Idei and Marjorie Magner as Class II directors to fill two vacancies on the Board. These appointments by the Board are subject to appointment by Accenture Ltd's shareholders at the Annual Meeting. In addition, the terms of our four Class III directors will expire in 2007.

Proxies cannot be voted for a greater number of persons than the number of nominees named.

Class II and III Directors

Nobuyuki Idei and Marjorie Magner (having been appointed by the Board as Class II directors) are subject to re-appointment by our shareholders, and all four Class III directorships expire at the Annual Meeting. The Board is nominating two individuals for appointment as Class II directors and four individuals as Class III directors. Each of the Class II directors is nominated for a term expiring at the 2009 annual general meeting of shareholders and each of the Class III directors is nominated for a term expiring at the 2010 annual general meeting of shareholders. All of the director nominees are current Board members:

Nobuyuki Idei (Class II)

Marjorie Magner (Class II)

Dennis F. Hightower (Class III)

William L. Kimsey (Class III)

Robert I. Lipp (Class III)

Wulf von Schimmelmann (Class III)

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE APPOINTMENT OF EACH OF THE BOARD'S SIX DIRECTOR NOMINEES.

If you submit your proxy designating William D. Green, Pamela J. Craig and Douglas G. Scrivner as your proxies but do not indicate how your shares should be voted, then your shares will be voted in favor of the appointment of all nominees. If any nominee is unwilling or unable to serve as a director, then the Board will propose another person in place of that original nominee, and the individuals designated as your proxies will vote to appoint that proposed person, unless the Board decides to reduce the number of directors constituting the full Board. All of the nominees have indicated that they will be willing and able to serve as directors.

Communicating with the Board

The Board welcomes your questions and comments. If you would like to communicate directly with the Board, our non-management directors as a group or Sir Mark Moody-Stuart, our lead director, then you may submit your communication to our General Counsel and Secretary, Accenture Ltd, 1661 Page Mill Road, Palo Alto, California 94304, USA. Communications and concerns will be forwarded to the Board, our non-management directors as a group or our lead director, as appropriate. We also have established mechanisms for communicating concerns or questions to our compliance office. You may direct any such concerns by e-mail to compliance.program@accenture.com or by calling the Accenture Ethics Line at +1 312-737-8262. Our Code of Business Ethics and underlying policies prohibit any retaliation or other adverse action against anyone for raising a concern. If you wish to raise your concern in an anonymous manner, then you may do so.

Board Meetings and Committees

The Board expects that its members will rigorously prepare for, attend and participate in all Board and applicable committee meetings and each annual general meeting of shareholders. Directors are also expected to become familiar with Accenture's management team and operations as a basis for discharging their oversight responsibilities. During fiscal 2006, the Board held seven meetings, four of which were held in person. Each of our directors attended at least 75% of the aggregate of Board meetings and meetings of any Board committee on which he or she served during fiscal 2006. All but two of our then current Board members attended our annual general meeting of shareholders in 2006.

Our non-management directors who are not employees of the Company meet separately at each regularly scheduled Board meeting. These non-management directors held four meetings during fiscal

2006, each led by Sir Mark Moody-Stuart, the lead director. In addition, these non-management directors held an executive session to meet with the other two non-management directors who were employees of the Company in fiscal 2006 in conformance with the listing standards of the New York Stock Exchange (the NYSE).

The Board maintains an Audit Committee, a Compensation Committee, a Nominating & Governance Committee and a Finance Committee. Each committee operates pursuant to a written charter that is available in the Corporate Governance section of our website, accessible through our Investor Relations page at <http://investor.accenture.com>. A copy of our Audit Committee charter, which was revised in April 2006, is also attached as an appendix to this proxy statement. A copy of our Corporate Governance Guidelines (including our independence standards) and our Code of Business Ethics can be found in the Corporate Governance section of our website. If the Board grants any waivers from our Code of Business Ethics to any of our directors or officers, or if we amend our Code of Business Ethics, we will disclose these matters through the Investor Relations section of our website. Printed copies of all of these materials are also available upon written request to our Investor Relations Group.

Director Independence

The Board has adopted categorical standards designed to assist the Board in assessing director independence (the Independence Standards). The Independence Standards are included in our Corporate Governance Guidelines, which can be found in the Corporate Governance section of our website. The Corporate Governance Guidelines and the Independence Standards have been designed to align with the standards required by the NYSE. Our Corporate Governance Guidelines state that the Board shall perform an annual review of the independence of all directors and nominees, and the Board shall affirmatively determine that to be considered independent, a director must not have any direct or indirect material relationship with Accenture. The Independence Standards are as follows:

1. A director will not be independent if, within the prior three years, he or she:

Was employed by Accenture (including any affiliate);

Was employed by, a partner in or otherwise affiliated with Accenture's independent auditors or any law firm retained by Accenture;

Was an officer or senior employee of a company on whose board of directors an Accenture executive officer serves;

Has been employed as an executive officer of another company where any of Accenture's executive officers at the same time serves or served on that company's compensation committee; or

Personally provided professional services to Accenture or its affiliates or any executive officer, or otherwise received direct compensation from Accenture, if the amount of payments has exceeded \$100,000 during any twelve-month period within the last three years.

Note: Such a position by an immediate family member of the director shall have the same effect on the director's independence, except that the Board has concluded that employment by Accenture of adult children in non-executive officer roles shall not preclude a determination of independence of a director.

2. Relationships of the following types will not be considered to be material relationships that would impair a director's independence:

The director is a current employee or an immediate family member is a current executive officer of another company that has made payments to, or received payments from,

Accenture in an amount which, during any of the company's prior three fiscal years, did not exceed the greater of 2 percent of the consolidated gross revenues of the other company or \$1 million.

The director is an officer, director, trustee (or equivalent) of a charitable or non-profit organization and, during the company's prior three fiscal years, the amount of charitable contributions directed by Accenture or its executive officers (not including those matching contributions by employees) to that organization did not exceed the greater of 2 percent of the organization's consolidated gross revenues or \$1 million.

3. Any director with a relationship that exceeds the financial guidelines of section 2 above for the periods noted will not be deemed independent.
4. The company will explain in its annual proxy statement its assessment of the independence of each of its outside directors.

Each year, our directors complete a questionnaire that, among other things, elicits information to assist the Nominating & Governance Committee in assessing whether the director meets the Company's Independence Standards. Utilizing these responses and other information, the Nominating & Governance Committee evaluates, with regard to each director, whether the director currently has or had any (i) employment or professional relationship that, in and of itself, would, pursuant to the Company's independence standards, require a conclusion that the director is not independent and/or (ii) employment or professional relationship with any organization with which Accenture has or had a relationship, where the organization made or received payments from Accenture. If a director has or had a relationship with an organization which made or received payments from Accenture, information regarding the amount of such payments is provided to the Nominating & Governance Committee. The Nominating & Governance Committee then determines whether the amount of any such payments requires, pursuant to the Independence Standards or otherwise, a conclusion that the director is not independent. Furthermore, the Nominating & Governance Committee discusses any other relevant facts and circumstances regarding the nature of these relationships to determine whether other factors, regardless of the Independence Standards, might impede a director's independence.

Based on its analysis, the Nominating & Governance Committee has determined that each of our directors who is an employee of the Company has satisfied the Independence Standards, as well as the independence requirements of the NYSE. The Board concurred in these independence determinations. The following nine of our 10 current directors are independent: Sir Mark Moody-Stuart (lead director), Dina Dublon, Dennis F. Hightower, Nobuyuki Idei, William L. Kimsey, Robert I. Lipp, Marjorie Magner, Blythe J. McGarvie and Wulf von Schimmelmann.

Audit Committee

The Audit Committee was established by the Board for the purpose of, among other things, overseeing Accenture's accounting and financial reporting processes and audits of our financial statements, in accordance with Section 10A(m) of the Exchange Act. The Audit Committee members are Blythe J. McGarvie (who serves as chair), William L. Kimsey and Robert I. Lipp. Mr. Lipp joined the committee as of February 2, 2006, replacing Wulf von Schimmelmann. The Board has determined that each of these members meets the financial literacy and independence requirements of the NYSE, and that Ms. McGarvie and Mr. Kimsey each qualifies as an audit committee financial expert for purposes of the rules and regulations of the SEC. The Board does not limit the number of audit committees on which its Audit Committee members may serve but monitors and assesses the audit committee memberships (and other responsibilities) of its Audit Committee members on a regular basis to confirm their ability to serve Accenture effectively. Mr. Kimsey simultaneously serves on the audit committees of

more than three public companies; however, the Audit Committee, the Nominating & Governance Committee and the full Board have all determined that his simultaneous service does not impair Mr. Kimsey's ability to effectively serve on the Audit Committee.

The Audit Committee held nine meetings in fiscal 2006, four of which were held in person. The Audit Committee's primary duties and responsibilities are to:

review and discuss with management and the independent auditors our annual audited financial statements and quarterly financial statements, including a review of Management's Discussion and Analysis of Financial Condition and Results of Operations in the Company's Form 10-K and Form 10-Q filings, as well as the Company's earnings press releases and information related thereto;

retain and terminate, subject to shareholder approval, independent auditors and approve all audit engagement fees and terms for the Company and its subsidiaries; approve any audit and any permissible non-audit engagement or relationship with our independent auditors; review at least annually the qualifications, performance and independence of our independent auditors; review with our independent auditors any audit problems or difficulties and management's response; and set hiring policies related to employees or former employees of our independent auditors to ensure independence;

review and monitor management's processes in order to assess the integrity of our internal and external reporting processes and controls; review the effect of any regulatory and accounting initiatives and the effects of these initiatives and any off-balance sheet structures on our financial statements; establish regular systems of reporting to the committee regarding any significant judgments made in the preparation of the financial statements or any significant difficulties encountered during the course of a review or audit; review any significant disagreement between management and the independent or internal auditors with respect to the preparation of the financial statements; review and discuss with our auditors the responsibilities, budget and staffing of our internal quality-control procedures and internal audit function; and from time to time, hold separate meetings with management, independent auditors and internal auditors on these matters;

review with our counsel any legal matter that could significantly impact our financial statements or operations; discuss with management and our independent auditors our risk assessment and risk management guidelines and policies; oversee our compliance program and adherence to our Code of Business Ethics; establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters; and oversee the maintenance of an internal audit function; and

prepare a report to be included in our proxy statement, provide other regular reports to the Board and maintain minutes or records of its meeting and activities.

Compensation Committee

The Compensation Committee held seven meetings in fiscal 2006, four of which were held in person. The Compensation Committee consists of three independent directors: Sir Mark Moody-Stuart (who serves as chair), Dennis F. Hightower and Marjorie Magner. Ms. Magner joined the committee as of

February 2, 2006 following her appointment as a director, replacing Dina Dublon. The Compensation Committee's primary duties and responsibilities are to:

determine our chief executive officer's annual compensation, taking into consideration feedback provided by the Nominating & Governance Committee based on its review of the chief executive officer's performance and the recommendation of our chief leadership officer after consultation with members of our Executive Leadership Team; review and approve salaries and other matters relating to the compensation of our executive officers, based in part on the chief leadership officer's recommendation; and review and determine on an annual basis the appropriateness of compensation of Board members;

review and make recommendations to the Board with respect to our incentive-compensation and equity-based plans; oversee the administration of our equity compensation plans; review and approve all equity compensation plans; and retain outside compensation and benefits consultants to gather independent advice about our compensation structure; and

prepare a report to be included in our proxy statement, provide other regular reports to the Board and maintain minutes or records of its meeting and activities.

Nominating & Governance Committee

The Nominating & Governance Committee consists of three independent directors: Wulf von Schimmelmann (who serves as chair), Dennis F. Hightower and Nobuyuki Idei. Mr. Idei joined the committee as of February 2, 2006 following his appointment as a director, replacing Robert I. Lipp. The Nominating & Governance Committee held six meetings in fiscal 2006, four of which were held in person. The Nominating & Governance Committee's primary duties and responsibilities are to:

oversee Board selection, composition and evaluation, including the making of recommendations regarding the size and composition of the Board, the identification of qualified candidates for Board membership and the annual evaluation of overall Board effectiveness;

manage the committee selection and composition process, including the making of recommendations to the Board for chairs of these committees and the establishment, monitoring and making of recommendations for the purpose, structure and operations of these committees and the creation or elimination of additional committees;

monitor and oversee corporate governance matters, including reviews and recommendations regarding our constituent documents and Corporate Governance Guidelines and monitoring of new developments in the area of corporate governance;

conduct an annual review of our chief executive officer and develop an effective chief executive officer succession plan; and

provide regular reports to the Board and maintain minutes or records of its meeting and activities.

In evaluating candidates for Board membership, the Nominating & Governance Committee considers whether the candidate will complement the Board's geographic, age, gender and ethnic diversity and assesses the contribution that the candidate's skills and expertise will make with respect to guiding and overseeing Accenture's strategy and operations. The Nominating & Governance Committee seeks candidates who, at a minimum, have the following characteristics:

the time, energy and judgment to effectively carry out his or her responsibilities as a member of the Board;

a professional background that would enable the candidate to develop a deep understanding of our business;

a range of skills and expertise sufficient to provide guidance and oversight with respect to the Company's operations;

the ability to exercise judgment and courage in fulfilling his or her oversight responsibilities; and

the ability to embrace Accenture's values and culture, and the possession of the highest levels of integrity.

The majority of the Board's current non-management directors have been identified with the assistance of a professional search firm specializing in the identification and recruitment of director candidates. Others have been individuals known to Board members through business or other relationships. Potential candidates are interviewed by members of the Nominating & Governance Committee (and, in some instances, other Board members) and, as appropriate, by members of our management team. Final consideration of the nominee is then conducted by the entire Board.

Because our Corporate Governance Guidelines address the processes by which shareholders may recommend director nominees, the Nominating & Governance Committee has not adopted a specific policy regarding the consideration of shareholder nominees for directors, although its general policy is to welcome and consider any such recommendations. If you would like to recommend a future nominee for Board membership, you can submit a written recommendation with the name and other pertinent information of the nominee to: Mr. Wulf von Schimmelmann, chair of the Nominating & Governance Committee, c/o Accenture, 1661 Page Mill Road, Palo Alto, California 94304, USA, Attention: General Counsel and Secretary. Please note that Accenture Ltd's bye-laws define certain time frames and nomination requirements with respect to any such recommendation. Please contact our General Counsel and Secretary at the above address for information on these requirements, or refer to Bye-law 80.1.2 (which can be found on the Governance Principles page of our website accessible through <http://investor.accenture.com>).

Finance Committee

The Finance Committee consists of three directors: Dina Dublon (who serves as chair), Marjorie Magner and Sir Mark Moody-Stuart. Ms. Magner joined the committee as of February 2, 2006 following her appointment as a director, replacing Robert I. Lipp. In addition, Carlos Vidal ceased being a member of this committee as of February 1, 2006 upon the expiration of his term as a director.

The Finance Committee held six meetings in fiscal 2006, four of which were held in person. The Finance Committee's primary duties and responsibilities are to:

manage and oversee our capital structure and corporate finance activities;

oversee our treasury function and advise with respect to our investment activities;

review and make recommendations with respect to major acquisitions that Accenture may decide to undertake;

review, evaluate and make decisions with respect to the management of our pension and 401(k) retirement plans; and

oversee our insurance plans and other activities to manage our financial risks.

REPORTS OF THE COMMITTEES OF THE BOARD

Report of the Audit Committee

Since its creation in 2001, the Audit Committee of the Board has been composed entirely of non-management directors. In addition, all of the members of the Audit Committee meet the independence and experience requirements set forth by the SEC and the NYSE.

The Audit Committee operates under a written charter approved by the Board, which may be accessed through the Corporate Governance section of Accenture's website, accessible through the Investor Relations page at <http://investor.accenture.com>. A copy of our Audit Committee charter is also attached as an appendix to this proxy statement. The charter describes the committee's purpose, which is to assist the Board in its general oversight of: (1) the quality and integrity of the Company's accounting and reporting practices and controls and its financial statements and reports; (2) the Company's compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of the Company's internal audit function and independent auditors.

The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. The Audit Committee last reviewed the charter in April 2006 and, at that time, made changes to clarify the process of reviewing the qualifications and independence of the Company's independent auditors. In addition, the Audit Committee has adopted pre-approval policies and procedures regarding the retention of the Company's independent auditor (and certain other independent audit firms) to provide audit or non-audit services and for the retention of any firm to provide audit services.

The members of the Audit Committee meet regularly with management (including the chief executive officer, chief operating officer, chief financial officer, principal accounting officer, chief risk officer and the general counsel and compliance officer) as well as with senior members of the Company's internal audit, tax, finance, treasury and legal groups and KPMG LLP, the Company's independent auditors. In addition, the committee meets regularly in separate sessions with representatives of KPMG LLP, the Company's chief financial officer, its general counsel and senior members of the Company's internal audit group. Based on discussions and information received during these meetings and otherwise, the Audit Committee members provide advice, counsel and direction to management and the auditors using their experience in business, financial and accounting matters. During fiscal 2006, the Audit Committee met nine times and routinely reported its activities to the full Board.

During fiscal 2006, the Audit Committee focused on several topics, which included the following:

Reviewing and discussing with management, which has primary responsibility for the financial statements, and with Accenture's independent auditors the Company's annual audited financial statements and quarterly financial statements for fiscal 2006. The committee also reviewed related issues and disclosure items, including the Company's earnings press releases, and performed its regular review of critical accounting policies and the processes by which the Company's chief executive officer and chief financial officer certify the information contained in its quarterly and annual filings.

Receiving regular updates on the Company's contract and other risk management activities from the chief risk officer.

Receiving regular updates on the Company's legal and regulatory compliance activities from the general counsel and compliance officer, including issues or activities monitored through the Accenture Ethics and Compliance Program.

Discussing and approving significant revisions to the Company's Code of Business Ethics to align it with the Company's six Core Values, to provide clear examples of expected behavior and additional guidance, and to ensure compliance with rules adopted by the SEC and the NYSE.

Discussing with KPMG LLP the materials required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The committee also discussed with KPMG LLP its written disclosure letter as required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed its independence and related issues. Discussions with KPMG LLP also included staffing the engagement, its litigation matters and the Public Company Accounting Oversight Board reports of inspection of KPMG LLP.

As part of its oversight role and in reliance upon its reviews and discussions as outlined above, the Audit Committee reviewed and discussed with management its assessment and report on the effectiveness of the Company's internal control over financial reporting as of August 31, 2006, which was made using the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control - Integrated Framework. The Audit Committee also reviewed and discussed with KPMG LLP its attestation report on management's assessment of internal control over financial reporting and its review and report on Accenture's internal control over financial reporting. These reports are included in Accenture's Annual Report on Form 10-K for the year ended August 31, 2006 filed with the SEC on October 18, 2006.

In addition, in reliance upon its reviews and discussions as outlined above, the Audit Committee recommended, and the Board of Directors approved, the inclusion of the Company's audited financial statements in its Annual Report on Form 10-K for the fiscal year ended August 31, 2006 for filing with the SEC and presentation to the Company's shareholders. The Audit Committee also recommended during fiscal 2007 that KPMG LLP be re-appointed as the Company's independent auditors to serve until the Company's annual general meeting of shareholders in 2008, and that the Board submit this appointment to the Company's shareholders for approval at the Annual Meeting.

Report of the Compensation Committee on Executive Compensation

Committee Responsibilities

The Compensation Committee of the Board establishes the annual compensation of the chief executive officer and the other executive officers of the Company; oversees the administration of the Accenture Ltd 2001 Share Incentive Plan (the SIP) and the Accenture Ltd 2001 Employee Share Purchase Plan; and periodically reviews and makes recommendations regarding the compensation paid to members of the Board. A complete description of the committee's function may be found in its charter, a copy of which is available in the Corporate Governance section of Accenture's website, accessible through the Investor Relations page at <http://investor.accenture.com>.

Under the Corporate Governance Guidelines and its charter, the Compensation Committee has the authority to retain outside advisors to assist it in carrying out its duties and responsibilities. In accordance with this authority, the committee obtains advice and insight from Watson Wyatt Worldwide (Watson Wyatt), an external compensation advisor, on matters including market place trends in executive compensation, proposals for compensation programs, and other topics as the committee deems appropriate.

Committee Activities in Fiscal 2006

During fiscal 2006, the Compensation Committee held seven meetings and routinely reported its activities to the full Board. In addition to its deliberations concerning executive compensation (discussed more fully below), during the year, the Compensation Committee reviewed and considered substantive changes to the method of determining compensation for senior executives (the more than 4,300 highest-level employees previously referred to as partners or associate partners). The committee's objective was to continue the development of a compensation system that would be better suited for Accenture since its transition to a corporate form, more consistent with Accenture's expansion of its career model for senior executives, and designed to more closely parallel local market compensation levels for executives. During the year, the Compensation Committee additionally: (i) reviewed and approved the global annual cash bonus; and (ii) considered and approved the Company's proposed uses of equity and equity awards in fiscal 2007 in connection with enhancements made to the Company's compensation programs for senior executives and other employees. The Compensation Committee also regularly reviewed the Company's use of equity it had previously approved for use in fiscal 2006 with regard to equity-based compensation programs and addressed a variety of matters related to such plans.

The Compensation Committee also reviewed its charter and approved revisions changing the review cycle for non-management director compensation to biennially; expanded the scope of the committee to cover pension plans as part of the Company's overall benefit plans; and clarified the committee's ability to retain consultants and advisors and to set their remuneration.

Compensation Philosophy

The Company's evolving compensation model for its executives intends to preserve the Company's heritage of an owner-operator culture by aligning the financial interests of its executives and shareholders and by attracting and retaining executives key to the Company's success. It offers competitive base compensation and the opportunity to receive significant incentive compensation based on both individual and Company performance, rewarding behavior the Company expects of its senior executives' collaboration, leadership, people development and ethical decision making.

In setting the compensation of the Company's executive officers, the Compensation Committee considered:
(i) input from the Nominating & Governance Committee regarding the performance of the chief executive officer;
(ii) the chief executive officer's assessment of the performance of the other

executive officers, including an assessment of each individual's contribution to the Company's annual objectives; (iii) feedback from the Company's senior executive income committee, which is comprised of the chief executive officer and other senior executives; and (iv) the results of an evaluation of the Company's compensation model against a broad range of large global companies conducted by Watson Wyatt.

The Company has developed policies and programs in furtherance of its owner-operator philosophy. These include the adoption of share ownership guidelines (from one to six times base compensation) to align the interests of Accenture's senior executives with the interests of its shareholders. Under these guidelines, all senior executives (including the Named Executive Officers (as defined below)) are required to achieve ownership of Accenture equity valued at a multiple of their applicable base compensation determined based on their current level of responsibility, with our Named Executive Officers required to hold equity with a value equal to at least six times their base compensation. Senior executives have five years from reaching their first senior executive level to meet their equity ownership requirement for that level and three years upon promotion to a higher level of responsibility to meet the new requirement for that new level. Each senior executive who was a partner at the time of Accenture's transition to a corporate structure in 2001, and who received restricted shares in connection with the IPO, is subject to two equity ownership requirements: he or she must hold an amount of equity equal to the greater of (i) the requirement described above, based on level of responsibility and (ii) 25% of the equity he or she received in connection with the IPO for so long as he or she remains employed by Accenture.

The Company has developed a matching program to further encourage share ownership among senior executives. Under the Voluntary Equity Investment Program, senior executives (including the Named Executive Officers) may, where permitted, designate a payroll deduction of up to 30% of their monthly base and performance pay. These amounts are deducted from after-tax income and used to make monthly purchases of Accenture Ltd Class A common shares from the Company at fair market value. Following the end of the program year, participants in the program, provided they remain employed, will receive a 50% match, in the form of one restricted share unit for every two shares that were purchased during the program year.¹ These matching restricted share units will vest after two continuous years of employment following the date of grant. The initial awards under this program are expected to be granted in January 2007 based on share purchases during calendar year 2006.

Fiscal 2006 Executive Compensation

The Company structures its compensation program for senior executives around a compensation year that begins on December 1 of a fiscal year and concludes on November 30 of the following fiscal year. Accordingly, the compensation paid to the Company's chief executive officer and its other executive officers in fiscal 2006 (September 1, 2005 through August 31, 2006) contained terms applicable to the compensation year that concluded on November 30, 2005, as well as terms applicable to the compensation year that commenced on December 1, 2005.

Such compensation consisted of the following elements:

Cash compensation consisting of:

Base compensation paid ratably over the annual pay period and determined by taking into consideration the individual's level of responsibility and industry and other comparable pay levels;

¹ For the program year beginning January 1, 2007, the Voluntary Equity Investment Program has been modified so that, for shares to be eligible for 50% matching, they must have been purchased during the program year and remain held by the participant at the end of the program year.

Individual performance-based compensation paid ratably over the annual pay period and determined at the beginning of the annual pay period, based on the individual's job performance during the prior two-fiscal-year period;

A quarterly variable compensation component for the compensation year from December 1, 2004 to November 30, 2005, paid to the extent the Company achieved specified quarterly financial performance objectives;

An additional annual variable compensation component, applicable to the one-year period ended November 30, 2005, but which was not awarded, as the Company failed to exceed its quarterly financial performance objectives¹; and

Equity-based compensation consisting of:

Grants of key executive performance awards pursuant to the SIP during fiscal 2006. These awards consisted of performance-based restricted share units in amounts ranging from 38,793 to 206,896 restricted share units to vest on August 31, 2008, provided the Company has achieved certain performance targets. Up to 25% of the award will vest, in whole or in part, based on how the Company's total return to shareholders compares to the shareholder returns of a representative group of companies during the period starting on September 1, 2005 and ending on August 31, 2008 (the Performance Period). The remaining 75% will vest, in whole or in part, based on whether the Company achieves operating income targets during the Performance Period. Only certain executive officers, as determined by the Compensation Committee, participate in the Key Executive Performance Share Program.

Fiscal 2006 Compensation of the Chief Executive Officer

Mr. Green's compensation in fiscal 2006 was comprised of those components described above and was set taking into consideration: (i) the results of a survey conducted by Watson Wyatt to evaluate his compensation against that of chief executive officers of a broad range of large global companies; and (ii) his performance against certain financial and other measures (including but not limited to revenue growth, earnings per share performance, growth in free cash flow, return on equity and employee satisfaction).

Mr. Green's base and individual performance-based compensation for fiscal 2006 is reported in the Salary column of the Summary Compensation Table on page 25 of this proxy statement. His quarterly variable cash compensation, restricted share unit award and options award are noted in the columns entitled Bonus, Restricted Share Unit Award(s) and Securities Underlying Options, respectively. The option grant set out in the Summary Compensation Table, while approved by the Compensation Committee and granted in fiscal 2006, was an award related to Mr. Green's performance in fiscal 2005 that was erroneously excluded from the option awards made to the Company's highest performing senior executives in fiscal 2005. This award was made on the same terms and conditions as those to the other recipients, except that the exercise price of the award to Mr. Green reflected the fair market value of Accenture's Class A common shares on the date in fiscal 2006 that the grant was actually made. Mr. Green has no other deferred compensation, supplemental or post-retirement benefits with the Company, other than certain provisions relating to incremental age-based contingent vesting of equity grants which are standard to all similar key executive performance-based awards. There are no agreements relating to any severance benefits payable to Mr. Green upon a change of control or otherwise, other than certain provisions relating to incremental vesting of equity grants upon involuntary termination which are standard to all similar

¹ Effective December 1, 2005, an annual cash bonus plan was adopted to replace the quarterly and annual variable compensation plans described above, with an expectation that bonuses would be paid during fiscal 2007 to the extent the Company achieved specified performance targets based on fiscal 2006.

senior executive equity grants and key executive performance based awards. The value of all perquisites paid to Mr. Green in fiscal 2006 was less than \$50,000.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986 places a limit on the tax deduction for non-performance based compensation in excess of \$1 million paid to certain U.S. covered employees of a publicly held corporation (generally the corporation's chief executive officer and its next four most highly compensated executive officers in the year that the compensation is paid). As a result of the Company's legal structure, Accenture is not subject to the tax deduction limitations of Section 162(m).

Procedures For Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Pursuant to its charter, the Audit Committee of the Board is responsible for reviewing and approving, in advance, any audit and any permissible non-audit engagement or relationship between Accenture and its independent auditors. The Audit Committee has delegated to its chair the authority to review and pre-approve any such engagement or

relationship, which may be proposed in between its regular meetings. Any such pre-approval is subsequently considered and ratified by the Audit Committee at the next regularly scheduled meeting. Compensation of Non-Management Directors

No director who is an Accenture employee receives additional compensation for serving as a director.

Except as noted below, each non-management director receives the following compensation:

upon appointment to the Board, an initial grant of fully vested restricted share units having, at the time of grant, an aggregate market value of \$150,000;

an annual grant of fully vested restricted share units having, at the time of grant, an aggregate market value of \$150,000; and

except for our lead director, an annual retainer of \$70,000, which the director may elect to receive entirely in the form of cash, entirely in the form of fully vested restricted share units or one-half in cash and one-half in fully vested restricted share units. Our lead director receives an annual retainer of \$125,000 and has the same cash vs. fully vested restricted share units elections as other non-management directors.

Shares underlying restricted share units are delivered three years after the restricted share unit grant date or, at the election of the director, over a period of up to ten years following the restricted share unit grant date.

In addition, certain directors receive additional cash compensation for their service on committees of the Board: each member of the Audit Committee receives compensation of \$5,000 each year; and

the chair of each committee of the Board receives compensation of \$5,000 each year, except that the chair of the Audit Committee receives compensation of \$10,000 each year.

Furthermore, each non-management director must, within three years of his or her appointment and for the duration of that director's service, retain ownership of Accenture equity having a market value equal to three times the value of the annual equity grants being made to directors at the time at which the ownership requirement is assessed.

Employment Contracts

Our chief executive officer and our Named Executive Officers have each entered into an annual employment agreement which is renewed automatically each year. The employment agreements provide that these executive officers will receive compensation as determined by Accenture. These agreements are standard employment contracts in each country for Accenture's highest-level senior executives, a title we apply to more than 4,300 of our highest-level employees who were previously referred to as partners or associate partners prior to the announcement in fiscal 2005 of a new, broader career model for our highest-level executives. Pursuant to the employment agreements, each of the executive officers has also entered into a non-competition agreement whereby each has agreed that, for a specified period, he or she will not (1) associate with and engage in competing services for any competitive enterprise; or (2) solicit or assist any other entity in soliciting any client or prospective client for the purposes of providing competing services, perform competing services for any client or prospective client, or interfere with or damage any relationship between us and a client or prospective client. In addition, each of these executive officers has agreed that for the restricted period he or she will not solicit or employ any Accenture employee or any former employee who ceased working for us within an 18-month period before or after the date on which the executive officer's employment with us or any of our affiliates terminated.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the federal securities laws, our directors, executive officers and beneficial owners of more than 10% of Accenture Ltd's Class A common shares or Class X common shares are required within a prescribed period of time to report to the SEC transactions and holdings in Accenture Ltd Class A common shares and Class X common shares. Our directors and executive officers are also required to report transactions and holdings in Accenture SCA Class I common shares. Based solely on a review of the copies of these forms received by us and on written representations from certain reporting persons that no annual corrective filings were required for those persons, we believe that during fiscal 2006 all these filing requirements were satisfied in a timely manner.

PERFORMANCE GRAPH

The performance graph below shows the cumulative total shareholder return on our Class A common shares for the period starting on August 31, 2001 and ending on August 31, 2006, which was the end of fiscal 2006. This is compared with the cumulative total returns over the same period of the S&P 500 Index and a peer group index consisting of Cap Gemini SA, Computer Sciences Corporation, Electronic Data Systems Corporation, Hewlett-Packard Company, International Business Machines Corporation and BearingPoint, Inc. The graph assumes that on August 31, 2001, \$100 was invested in our Class A common shares and \$100 was invested in each of the other two indices, with dividends reinvested on the date of payment without payment of any commissions. The performance shown in the graph represents past performance and should not be considered an indication of future performance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Senior Executive Liquidity Arrangements

The Company and the supervisory board of Accenture SCA have approved the pledge of covered shares to Citigroup to secure personal loans to Accenture senior executives and former senior executives (excluding our directors or executive officers) in amounts agreed by Citigroup and its borrowers. As a condition to obtaining the right to make these personal loans, Citigroup has agreed to take all covered shares pledged subject to the transfer restrictions imposed on pledging senior executives or former senior executives pursuant to the provisions contained in Accenture's various charter documents. Consequently, foreclosures by Citigroup on those pledged shares and any subsequent sales of those shares by Citigroup are restricted to the same extent they would be in the hands of the pledging senior executives or former senior executives.

Senior Executive Tax Costs

The Company has informed certain of our senior executives that if a senior executive reports for tax purposes the transactions involved in connection with our transition to a corporate structure, the Company will provide a legal defense to that individual if his or her reporting position is challenged by the relevant tax authority. In the event such a defense is unsuccessful, and the senior executive is then subject to extraordinary financial disadvantage, the Company will review such circumstances for that individual and find an appropriate way to avoid severe financial damage to that individual.

Transactions with Directors and Executive Officers

The Company employs Berthold von Schimmelmann, the son of non-management director Wulf von Schimmelmann. In fiscal 2006, Berthold von Schimmelmann received cash compensation of approximately \$72,000. Todd W. Singleton, the spouse of Lisa M. Mascolo, one of the Company's executive officers, is employed by the Company as a senior executive in the Outsourcing growth platform. Mr. Singleton has been an employee of the Company for 18 years and a senior executive for 8 years. In fiscal 2006, he received cash compensation of approximately \$377,000 and an equity grant of 308 restricted share units.

In accordance with the rules established by the SEC, any shareholder proposal submitted pursuant to Rule 14a-8 to be included in the proxy statement for that meeting must be received by us by August 29, 2007. Bermuda law provides that shareholders who collectively hold at least 5% of the total voting rights of the outstanding Class A common shares and Class X common shares, or any group comprised of at least 100 or more registered shareholders, may require a proposal to be submitted to an annual general meeting of shareholders. Bermuda law generally requires that notice of such a proposal must be deposited at Accenture's registered office not less than six weeks before the date of the meeting.

These advance notice provisions of Bermuda law are in addition to, and separate from, the requirements that a shareholder must meet in order to have a proposal included in the proxy statement under the rules of the SEC.
