Item 5. Other Events and Regulation FD Disclosure.

Teledyne Technologies Incorporated, a Delaware corporation (Teledyne), Meadow Merger Sub Inc., a Nebraska corporation and a wholly owned subsidiary of Teledyne (Merger Sub), and Isco, Inc., a Nebraska corporation (Isco) have entered into an Agreement and Plan of Merger, dated as of April 7, 2004 (Merger Agreement), pursuant to which Merger Sub will merge with and into Isco (the Merger), with Isco surviving the Merger. In the Merger, each issued and outstanding share of common stock, \$.10 par value, of Isco will be cancelled and converted into the right to receive \$16.00 in cash.

In connection with the Merger, concurrently with the delivery of the Merger Agreement and as a condition to Teledyne s and Merger Sub s willingness to enter into the Merger Agreement, Teledyne and Merger Sub have entered into a Stockholder Agreement, dated as of April 7, 2004, with Dr. Robert W. Allington and Mary Allington (the Stockholder Agreement), pursuant to which the Allingtons have, among other things, agreed to vote the shares of Isco common stock beneficially owned by each of them in favor of the Merger and the Merger Agreement and against competing acquisition proposals, in each case subject to and on the conditions set forth in the Stockholder Agreement. Isco and Dr. Allington have also entered into an Employment Agreement (the Employment Agreement), dated as of April 7, 2004, the operative terms and conditions of which will be effective upon the consummation of the Merger.

Isco is preparing, for filing with the Securities and Exchange Commission, proxy solicitation material seeking approval of the Merger Agreement which, when final, will be distributed to the shareholders of Isco. Approval of the Merger will require the affirmative vote of shareholders owning two-thirds (2/3) of the outstanding shares of common stock of Isco.

The Merger Agreement, the Stockholder Agreement, the Employment Agreement, and a Press Release jointly issued by Isco and Teledyne on April 8, 2004 are attached as exhibits and are incorporated by reference herein.
