To holders of Ordinary Shares and the holder of the Special Voting Share

Dear Fellow Shareholders,

EXTRAORDINARY GENERAL MEETING AND
SEPARATE GENERAL MEETING OF ORDINARY SHAREHOLDERS

I am writing to you to set out proposals for the redenomination of the Company's ordinary share capital into U.S. dollars and to convene an Extraordinary General Meeting of the Company and a Separate General Meeting of Existing Ordinary Shareholders for this purpose to be held at 9:00 a.m. and 9:05 a.m. (or as soon thereafter as the Extraordinary General Meeting has been concluded or adjourned), respectively, on November 1, 2005 at the offices of JPMorgan Cazenove Ltd., 20 Moorgate, London EC2R 6DA. The formal Notice of Extraordinary General Meeting including the resolution to be proposed is set out on pages 11 to 14 of this document. The formal Notice of the Separate General Meeting is set out on pages 15 and 16 of this document immediately following the Notice of Extraordinary General Meeting.

While the actions which we are asking you to approve are straightforward, the legal form of the resolution to be proposed at the EGM (the "EGM Resolution") is fairly complex. Furthermore, Existing Ordinary Shareholders are required to sanction the variation of share class rights involved in the Redenomination at the Separate General Meeting. In this letter, I will seek to describe the purpose of both the EGM Resolution and the Separate General Meeting in non-technical business terms.

REDENOMINATION OF CAPITAL

AMVESCAP, as a U.K. public company, has always reported its results in sterling. As Shareholders are aware, the majority of the Group's revenues, assets and liabilities are denominated in U.S. dollars. From 2006 (and in respect of the financial year ending December 31, 2005) we intend to present the Group's results in U.S. dollars so as to mitigate the impact of foreign exchange movements on reported earnings. As part of this process it would be advantageous to redenominate the Company's ordinary share capital into U.S. dollars in order to be consistent with the functional currency of the majority of our main operating subsidiaries. The Company is also proposing the cancellation of its share premium account which is denominated in sterling. This will enable the Company, subject to protection of creditors, to treat the share

3

premium account as distributable in due course. The nominal value of the Special Voting Share will not be affected by this proposal. Set out in Appendix I, beginning on page 6 of this document, is a fuller explanation of these proposals.

Let me assure you that several things will not change:

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

- ALL SHAREHOLDERS WILL HAVE THE SAME NUMBER OF SHARES AFTER THE REDENOMINATION AS THEY HAD BEFORE;
- THE SHARE PRICE WILL STILL BE QUOTED IN STERLING;
- THE SHARES WILL STILL BE TRADED ON THE LONDON STOCK EXCHANGE;
- THIS CHANGE WILL NOT REDUCE THE COMPANY'S ASSETS, LIABILITIES OR OVERALL SHAREHOLDERS' FUNDS;
- YOUR RIGHT TO VOTE WILL NOT BE AFFECTED; AND
- DIVIDENDS WILL CONTINUE TO BE PAID IN STERLING.

Shareholders should also note that the proposed redenomination will not alter the rights attached to the Special Voting Share.

As a consequence of redenominating the Company's ordinary share capital into U.S. dollars, the authorities granted to the Directors at this year's Annual General Meeting to allot securities and to repurchase shares need to be amended so that the limits on such authorities are expressed in U.S. dollars, not sterling. The EGM Resolution to be proposed at the EGM replaces the authorities granted at the Annual General Meeting in order to express the relevant limits in U.S. dollars. The EGM Resolution also makes certain minor changes to the Articles of Association (including the maximum sum payable by way of Directors' fees), full details of which are described in Appendix I.

The Class Resolution to be proposed at the Separate General Meeting is required to sanction the variation of share class rights involved in the Redenomination.

VOTING

Voting at the EGM and the Separate General Meeting will be by way of a poll. Both the Existing Ordinary Shareholders and the holder of the Special Voting Share are entitled to vote on the EGM Resolution at the EGM. Only the Existing Ordinary Shareholders are entitled to vote on the Class Resolution at the Separate General Meeting.

The Chairman will call for a poll and invite each Shareholder and proxy present at the EGM and, as the case may be, the Separate General Meeting to complete a poll card indicating how they wish to cast their votes in respect of the relevant Resolution. In addition, the Chairman will cast the votes for which he has been appointed proxy. Once the results have been verified by the Registrars, they will be notified to the London Stock Exchange and published on the Company's Web site.

ACTION TO BE TAKEN

You will find enclosed a white form of proxy in respect of the EGM and a yellow form of proxy in respect of the Separate General Meeting. It is important that you complete and sign the white form of proxy and, if you are an Ordinary Shareholder, the enclosed yellow form of proxy in accordance with the instructions printed thereon, whether or not you intend to be present at the relevant Shareholder meeting. You are requested to complete the relevant form or forms of proxy and return it or them so as to reach Capita Registrars (Proxies), The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU as soon as possible and, in any event, not later than the time indicated thereon. Completion and return of the relevant form of proxy will not preclude you from attending and voting in person at the relevant Shareholder meeting.

Consistent with the approach adopted at the Company's Annual General Meeting, the Company also offers Shareholders the opportunity to cast their votes

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

electronically in respect of the forthcoming EGM and Separate General Meeting, either through the CREST proxy system or via the Web site of our registrars, Capita Registrars, at www.capitaregistrars.com. The relevant proxy cards enclosed with this document will contain a personal investor code specific to each Shareholder, which relevant Shareholders will need in order to register their votes via the Internet.

FURTHER INFORMATION

Further information on the Redenomination and the Resolutions to be passed in connection with it can be found at Appendix I to this Letter.

RECOMMENDATION

The Board considers that the Resolutions to be proposed at the EGM are in the best interests of the Shareholders taken as a whole and at the Separate General Meeting are in the best interests of the holders of the Ordinary Shares and recommends you to vote in favour of them, as the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully,

/s/ Charles W. Brady

APPENDIX I

DETAILS OF THE REDENOMINATION

The Redenomination will be implemented by way of a reduction of capital pursuant to Section 135 of the Companies Act 1985. This requires:

- (i) all the ordinary share capital of the Company to be reduced by cancelling and extinguishing all of the issued and unissued Existing Ordinary Shares and the credit arising in the Company's books of account as a result of such cancellation and extinction being transferred to the Company's Cancellation Reserve; and
- (ii) the amount standing to the credit of the Company's share premium account to be cancelled and the credit arising in the Company's books of account as a result of such cancellation being transferred to the Company's Special Reserve.

On the day the Reduction takes effect the authorised share capital of the Company will be increased by U.S.\$105,000,000 (being the amount in U.S. dollars which is necessary, rounded up to the nearest U.S. dollar, to create such number of new ordinary shares with a nominal value of 10 U.S. cents each (each a "U.S.\$ Share") as is equal to the aggregate number of issued and unissued Existing Ordinary Shares). The U.S.\$ Shares will have the same rights and restrictions attached to them as the Existing Ordinary Shares.

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

The sum standing to the credit of each of the Cancellation Reserve and the Special Reserve will be converted into U.S. dollars at the spot rate of exchange for the purchase of U.S. dollars with sterling at 8:00 a.m. on the day on which the Court Order confirming the Reduction is made (the "L/U.S.\$ Rate"). On the Effective Date the Cancellation Reserve will be applied in paying up such number of U.S.\$ Shares as is equal to the aggregate number of issued Existing Ordinary Shares in full at par. If there is any surplus amount remaining in the Cancellation Reserve, such surplus amount shall be transferred to the Special Reserve, which may become distributable but which will be subject to any undertaking given to the Court in connection with its approval of the Reduction (see further below).

On the Effective Date the required number of U.S.\$ Shares will be allotted, issued and credited as fully paid to those persons who appear on the register of members of the Company at 6:30 a.m. on the Effective Date in the proportion of one U.S.\$ Share for each Existing Ordinary Share held by them. Finally, the Court will require to be satisfied that creditors of the Company will not be adversely affected by the Reduction. An undertaking from the Company to the Court limiting the circumstances in which the amounts standing to the credit of the Special Reserve may be distributed will be given by the Company to the Court.

INCREASE OF CAPITAL

Prior to the Reduction becoming effective the Company will increase its capital by L50,000 by the creation of 50,000 Preference Shares. The Preference Shares will be created so that, following confirmation by the Court of the Reduction, the share capital of the Company will continue to satisfy the requirements of Section 118 of the Companies Act 1985 that any public company incorporated thereunder must have a minimum share capital of L50,000. It is expected that prior to the Reduction becoming effective the Preference Shares will be issued to JPMorgan Cazenove Ltd. (or an affiliate thereof), one of the Company's financial advisers, for L50,000 in cash. The terms of the Preference Shares are set out below.

The holders of the Preference Shares will be entitled to receive a monthly dividend at an annual rate of 7 percent per annum on the nominal value of those shares. In addition, upon a winding up of the Company, the holders of the Preference Shares will be entitled to receive, prior to any payment to any Ordinary Shareholders:

- (i) repayment of an amount equal to the nominal value of each Preference Share; and
- (ii) any dividend due for payment or any arrears of dividend relating to each Preference Share.

The holders of Preference Shares will only be entitled to receive notice of general meetings, or to attend, speak and vote at general meetings, in the following circumstances:

- (i) when a resolution is proposed at a general meeting to wind up the Company. In this case, the holders of the Preference Shares may attend but not speak or vote at such general meeting; and
- (ii) when a resolution is proposed at a general meeting to vary the rights

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

attached to the Preference Shares. In this case, the holders of the Preference Shares are entitled to attend, speak and vote, provided that this entitlement extends only to voting on that resolution or any motion to adjourn the general meeting before the resolution is voted on.

The Preference Shares will be redeemable at par (plus any dividend due for payment or any arrears of dividend relating to each Preference Share) at the Company's option by giving seven days' notice to the holders of such shares.

However, on any date on which a dividend is paid on the Preference Shares, the Directors can decide to pay a special dividend of L50,000 (in aggregate) to the holders of the Preference Shares, (the "Special Dividend"). The Special Dividend will be payable in addition to any normal dividend that is due on such date. Upon payment of the Special Dividend, the rights attaching to the Preference Shares will be altered such that:

- (i) the Preference Shares will cease to be entitled to receive the monthly dividend and will no longer carry any entitlement to participate in any of the profits of the Company;
- (ii) on a winding up of the Company, the Preference Shares shall not carry any entitlement to participate in the assets of the Company;
- (iii) the holders of the Preference Shares will cease to be entitled to receive notice of, or to attend or vote at, any general meeting of the Company;
- (iv) the Company shall be deemed to have an irrevocable authority at any time to transfer the Preference Shares for no consideration to such person or persons as the Company may determine or to redeem such shares for no consideration by giving seven days' notice to the holders of such shares; and
- (v) the Preference Shares will automatically be redesignated as Deferred Sterling Shares.

CHANGES TO THE ARTICLES OF ASSOCIATION

The Articles of Association will be amended to (inter alia) reflect the increases in capital noted above and to set out the rights attaching to the Preference Shares.

At the same time, the Articles will be amended to correct a clerical error in the previous amendment made at the 2004 annual general meeting. At that time, the description of voting rights attached to the Existing Ordinary Shares was erroneously changed to provide for one vote for each ordinary share. This error has not at any time affected any resolutions passed by the Company or otherwise had any effect on Shareholder rights. The EGM Resolution will correct the Articles by restoring the previous language stipulating that the number of votes which may be cast on a poll in respect of the Ordinary Shares is one vote for every four Ordinary Shares held.

OTHER EGM RESOLUTIONS

At the Annual General Meeting of the Company on April 28, 2005, resolutions were passed granting authority to the Directors to allot securities and to repurchase shares. Limits were set on these authorities that were expressed in sterling. If the Redenomination takes place, these limits must be expressed in U.S. dollars rather than sterling.

Paragraphs 4, 5 and 6 of the EGM Resolution in the Notice of Extraordinary General Meeting contain the same authorities that were granted at the Annual General Meeting, but with any limits expressed in U.S. dollars. If the EGM

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

Resolution is passed, the previous authorities will lapse and will be replaced with those set out in paragraphs 4, 5 and 6 of the EGM Resolution.

7

Paragraph 7 of the EGM Resolution further amends the Articles of Association to reflect the changes required for the purposes of the Redenomination and so that the existing limit on the aggregate fees that may be paid to Directors is expressed in U.S. dollars and is limited to U.S.\$2,000,000 per annum. This change reflects the fact that most of the Directors to whom fees are paid are resident in the U.S.

SEPARATE GENERAL MEETING

In order to effect the Redenomination, the Articles of Association and the Act require an extraordinary resolution to be passed at a Separate General Meeting of the Existing Ordinary Shareholders. At the Separate General Meeting, the Class Resolution must be approved by not less than 75 percent of the votes cast by Existing Ordinary Shareholders in person or on a poll and, except at any adjournment of the Separate General Meeting, a quorum of Existing Ordinary Shareholders representing in person or by proxy one third of the issued ordinary share capital must be present.

CONDITIONS

The Redenomination will become effective and binding if the following conditions are fulfilled:

- (i) the EGM Resolution set out in the Notice of Extraordinary General Meeting in this document is duly passed as a special resolution;
- (ii) the Class Resolution set out in the Notice of Separate General Meeting in this document is duly passed as an extraordinary resolution;
- (iii) the L/U.S.\$ Rate on the date on which the Reduction is confirmed by the Court is no less than L1/U.S.\$0.40. This condition is to ensure that Redenomination does not result in an increase in the nominal value of the Company's issued share capital. Were this to be the case, the Company would be required to publish a prospectus in connection with the Redenomination;
- (iv) the Reduction is confirmed by the Court and an office copy of the Court Order together with a minute containing the particulars required by Section 138 of the Companies Act 1985 are registered by the Registrar of Companies in England and Wales; and
- (v) the U.K. Listing Authority shall have agreed to admit, subject only to allotment and issue, the relevant U.S.\$ Shares to the Official List and the London Stock Exchange shall have agreed to admit the U.S.\$ Shares to the LSE's market for listed securities subject only to the Reduction having taken effect.

If the above conditions are fulfilled, it is expected that the Redenomination will become effective on December 8, 2005. Shareholders will be notified of the exact date on which the Redenomination becomes effective by an advertisement in the U.K. press. Notwithstanding any approval of Shareholders given at the EGM and the Separate General Meeting, the Board reserves the right not to take the necessary action to give effect to the Redenomination if it considers such action would not be appropriate or in the best interests of the Company or its Shareholders.

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

EFFECTS OF THE REDENOMINATION

The Redenomination will not reduce the Company's assets, liabilities or overall Shareholders' funds. Each Shareholder will maintain the same number of shares and percentage interest in the issued ordinary share capital of the Company as he had immediately before the Effective Date.

However, as the Redenomination will effectively involve reducing the nominal value of each Existing Ordinary Share from 25 pence to 10 U.S. cents, additional distributable reserves of the Company will be created subject to any undertaking given to the Court. The extent of this increase will be dependent upon the L/U.S.\$ Rate, but the total additional distributable reserves created will be equal to the amount standing to the credit of the Special Reserve after the U.S.\$ Shares have been issued on the Effective Date and any surplus in the Cancellation Reserve has been transferred to the Special Reserve. As noted in the paragraph entitled "Details of the Redenomination", the ability of the Company to distribute these reserves created by the Redenomination will be subject to any conditions imposed by the Court for the purposes of protecting the existing creditors of the Company.

8

DIVIDENDS

The Company's dividends will continue to be paid in sterling. All mandates and other instructions in force relating to dividend payments will, unless and until revoked, remain in force.

SHARE CERTIFICATES AND CREST

Shares held in certificated form on the Effective Date

No new certificates for the U.S.\$ Shares will be dispatched if the Redenomination becomes effective. The share certificates for the Existing Ordinary Shares will remain effective even though the nominal amount of U.S.\$ Shares will then be different from that stated on such share certificates.

Shares held in uncertificated form (that is, in CREST) on the Effective Date

If the Redenomination becomes effective, then prior to the commencement of dealings in the U.S.\$ Shares on the LSE, the appropriate stock account of the relevant Shareholder in CREST will be credited with such person's entitlement to U.S.\$ Shares and the relevant holding of Existing Ordinary Shares will be cancelled.

The U.S.\$ Shares are expected to be eligible to be traded through the CREST system with effect from the date of commencement of dealings on the LSE.

DEALINGS AND SETTLEMENT

If the Redenomination becomes effective on December 8, 2005, dealings in the U.S.\$ Shares on the LSE will commence on December 8, 2005.

It is not expected that there will be any suspension of dealings in the Company's securities in London, New York or Toronto, and the register of members of the Company will not close for the purposes of implementing the Redenomination.

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

THE FTSE 100 INDEX

The Company is a constituent of, and all of the issued Existing Ordinary Shares are included in, the FTSE 100 Index. The Directors believe that, immediately following the Redenomination, the U.S.\$ Shares in issue will be included in place of the Existing Ordinary Shares previously in issue, in the FTSE 100 Index.

TAXATION

The following statements are intended only as a general guide to current U.K. tax legislation and to the current practice of the H.M. Revenue and Customs. They relate only to persons who are the absolute beneficial owners of the shares (and not to certain classes of persons, such as dealers in securities, insurance companies, collective investment schemes or any persons holding or acquiring shares by reason of employment) and who are resident, or (if individuals) resident or ordinarily resident, in the U.K. for tax purposes. Any person who is in any doubt as to his tax position is strongly recommended to consult his professional advisers immediately. The cancellation of the Existing Ordinary Shares and the issue of the U.S.\$ Shares should not give rise to any liability for U.K. capital gains tax purposes. For U.K. capital gains tax purposes the U.S.\$ Shares should be treated as the same asset as a shareholder's holding of the Existing Ordinary Shares.

No U.K. stamp duty will be payable as a result of the issue of U.S.\$ Shares to the holders of Existing Ordinary Shares pursuant to the Redenomination.

It is also expected that no U.K. stamp duty reserve tax should be payable as a result of the issue of U.S.\$ Shares to the holders of Existing Ordinary Shares pursuant to the Redenomination.

ADRS AND EXCHANGEABLE SHARES

The Redenomination will not affect the holders of ADRs or Exchangeable Shares, save that the securities for which each of the ADRs and the Exchangeable Shares may be exchanged will become the U.S.\$ Shares, which will be denominated in U.S. dollars rather than sterling.

9

CERTAIN REGULATORY MATTERS; NON-U.K. SHAREHOLDERS

The Company has been advised that the Redenomination is exempt from the registration requirements of the U.S. Securities Act of 1933. In addition, the Directors believe that the Company has made all required filings and complied with all other necessary formalities in connection with the Redenomination in Canada, Germany, France, Belgium, Ireland, Hong Kong and the Cayman Islands. It is, however, the responsibility of non-U.K. shareholders to ensure that all relevant laws and regulations in non-U.K. jurisdictions applicable to them or their shareholdings (for example, exchange control laws or regulations) are complied with, and that they obtain any permissions or consents, or make any filings, required to be made by them in non-U.K. jurisdictions. Any Shareholders who are in doubt as to the particular requirements that may apply to them in connection with the Redenomination are urged to consult their own advisors.

SHARE SCHEMES

As a consequence of the Redenomination, all current and future options and awards granted under the Share Schemes will relate to U.S.\$ Shares. This change

Edgar Filing: AMVESCAP PLC/LONDON/ - Form 6-K

does not require any amendments to be made to the rules of the Share Schemes.

TRUSTEE INVESTMENT STATUS

The Redenomination will have no effect in relation to the Trustee Act 2000.

DOCUMENTS AVAILABLE FOR INSPECTION

Copies of each set of the draft amended Articles of Association, together with copies of the Directors' service contracts (and/or letters of appointment) with the Company and any of its subsidiaries, and the register of Directors' interests are available for inspection by any person at the Company's registered office, 30 Finsbury Square, London EC2A 1AG, during normal business hours on any weekday (Saturdays, Sundays and public holidays excepted) and will also be available at the venue of the EGM to any person for at least 15 minutes prior to, and until the conclusion of, the EGM and the Separate General Meeting.
