Item 1.01 Entry into a Material Definitive Agreement.

Mariner Energy, Inc. (Mariner) entered into a letter agreement, dated April 12, 2006, among Mariner, Mariner Energy Resources, Inc. and Forest Oil Corporation (Forest) amending certain transaction agreements defined in, and including the Agreement and Plan of Merger, dated as of September 9, 2005, as amended, among the Forest, SML Wellhead Corporation, Mariner and MEI Sub, Inc. A copy of the letter agreement is attached as Exhibit 2.1 and incorporated herein by reference.

Mariner entered into Amendment No. 1 and Consent, dated as of April 7, 2006, among Mariner and Mariner Energy Resources, Inc., as borrowers, the Lenders (as defined in the Credit Agreement described below), and Union Bank of California, N.A., as administrative agent and as issuing lender for such Lenders (the Amendment), which amends the Amended and Restated Credit Agreement, dated as of March 2, 2006, among the same parties (the Credit Agreement). The Amendment increases the current borrowing base under the Credit Agreement from \$400 million to \$430 million, subject to redetermination or adjustment under the Credit Agreement. The Amendment also amends the Credit Agreement to provide that the borrowing base in effect on the closing date of a qualifying bond issuance automatically reduces by (a) \$55 million with respect to the first such bond issuance that is \$250 million or less in aggregate principal amount (or if more than \$250 million, by \$55 million plus 25% of the aggregate principal amount that exceeds \$250 million), or (b) 25% of the aggregate principal amount of any other bond issuance to the extent that it does not refinance the principal amount of an existing bond issuance. The Credit Agreement accommodates Mariner s issuance of certain unsecured bonds of up to \$350 million in aggregate principal amount that have a non-default interest rate of 10% or less per annum and a scheduled maturity date after March 1, 2012.

A copy of the Amendment is attached as Exhibit 4.1 and incorporated herein by reference. The above description of the Credit Agreement, as amended by the Amendment, is a summary and is qualified in its entirety by the complete text of the Amendment and the Credit Agreement which previously was filed.

Item 8.01 Other Events.

On April 10, 2006, Mariner issued a press release announcing that it intends to offer to eligible purchasers \$250 million aggregate principal amount of senior notes due 2013 pursuant to Rule 144A under the Securities Act of 1933, as amended. The private offering, which is subject to market and other conditions, will be made within the United States only to qualified institutional buyers and outside the United States only to non-U.S. investors under Regulation S of the Securities Act of 1933. Mariner intends to use the net proceeds from the offering to repay debt under its secured bank credit facility evidenced by the Credit Agreement. Mariner s issuance of the senior notes is intended to qualify as a bond issuance under the Credit Agreement and would be the first such bond issuance. A copy of the press release is attached as Exhibit 99.1.
