On February 20, 2009, the Compensation Committee of the Board of Directors of Oceaneering International, Inc. (the Compensation Committee) granted awards of restricted stock units and performance units under the Company's 2005 Incentive Plan (the Incentive Plan) to various employees, including each of Oceaneering's executive officers. The following table sets forth the number of restricted stock units and performance units awarded to Oceaneering's chief executive officer, and each other current executive officer of Oceaneering listed in the Summary Compensation Table in Oceaneering's proxy statement for its 2008 annual meeting of stockholders.

Name and Position	Number of Performance Units(1)	Number of Restricted Stock Units(2)
T. Jay Collins President and Chief Executive Officer	19,500	19,500
M. Kevin McEvoy Executive Vice President	9,000	9,000
Marvin J. Migura Senior Vice President and Chief Financial Officer	7,000	7,000
George R. Haubenreich, Jr. Senior Vice President, General Counsel and Secretary	6,000	6,000
Phillip D. Gardner Senior Vice President - Subsea Products	4,500	4,500

(1) The performance units are scheduled to vest in full on the third anniversary of the award date, subject to (a) earlier vesting on an employee's attainment of retirement age or the termination or constructive termination of an employee's employment in connection with a change of

control or due to death or disability and (b) such other terms as are set forth in the award agreement. The number of performance units shown represent units with an initial notional value of \$100 and are not equivalent to shares of Oceaneering common stock. The Compensation Committee has approved specific financial goals and performance measures based on cumulative cash flow from operations and a comparison of return on invested capital and cost of capital for the three-year period January 1, 2009 through December 31, 2011 to be used as the basis for the final value of the performance units under the Incentive Plan. The final value of each performance

unit may range from \$0 to \$125. Upon settlement, the value of the performance units will be payable in cash.

- (2) Restricted stock units are scheduled to vest in full on the third anniversary of the award date, subject to (a) earlier vesting on an employee's attainment of retirement age or the termination or constructive termination of an employee's employment in connection with a change of control or due to death or disability and (b) such other terms as are set forth in the award agreement. Each restricted stock unit represents the equivalent of one share of Oceaneering common stock. Settlement of the restricted stock units will be made in shares of Oceaneering common stock.

In addition, the Board of Directors of Oceaneering (the Board) granted awards of 8,000 shares of restricted stock under the Incentive Plan to each of the following nonemployee directors of the Company: D. Michael Hughes, Jerold J. DesRoches, David S. Hooker and Harris J. Pappas. The restricted stock awards are scheduled to vest in full on the first anniversary of the award date, subject to (a) earlier vesting on a change of control or the termination of the director's service due to death and (b) such other terms as are set forth in the award agreement. The Board also granted awards of 10,000 performance units and 10,000 restricted stock units to John R. Huff, Chairman of the Board.

The performance units awarded to Mr. Huff are scheduled to vest on a pro-rata basis within three years from the award date by reason of Mr. Huff having attained retirement age as of the award date with a final vesting in August 2011, subject to (a) earlier vesting by reason of Mr. Huff's cessation of service as Chairman and (b) such other terms as are set forth in the award agreement. The performance units have the same notional value equivalent as do the awards to executive officers described above. The Board approved the same performance goals and measures over the same time period and with the same range of value as described above for executive officers. Upon settlement, the value of the performance units will be payable in cash.

The restricted stock units awarded to Mr. Huff are scheduled to vest on a pro-rata basis over three years from the award date by reason of Mr. Huff having attained retirement age as of the award date subject to (a) earlier vesting by reason of Mr. Huff's cessation as service as Chairman and (b) such other terms as are set forth in the award agreement. Each restricted stock unit represents the equivalent of one share of Oceaneering common stock. Settlement of the restricted stock units will be made in shares of the Company's common stock.

The Compensation Committee approved the grant of an aggregate of 162,575 restricted stock units and 117,975 performance units, and the Board approved the grant of an aggregate of 10,000 performance units, 10,000 restricted stock units, and 32,000 shares of restricted stock, including the awards referenced in the table and the discussion above.
