Independent Auditors' Report

The Plan Administrative Committee
Unitrin, Inc. 401(k) Savings Plan:

We have audited the accompanying statements of net assets available for plan benefits of the Unitrin, Inc. 401(k) Savings Plan (the "Plan") as of December 31, 2000 and 1999 and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2000. These financial statements are the responsibility of the Plan's administrative committee. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 2000 and 1999, and the changes in net assets available for plan benefits for the year ended December 31, 2000, in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2000 is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's administrative committee. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

UNITRIN, INC. 401(k) SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2000 and 1999

Note 1 - Basis of Presentation

The financial statements included herein have been prepared on the basis of accounting principles generally accepted in the United States of America.

Note 2 - Plan Description

The Plan is a defined contribution plan, which is available to employees of Unitrin, Inc. ("Unitrin") and certain of its subsidiaries (collectively the "Companies"). Employees of the Companies generally become eligible to participate in the Plan on the first day of the month following the employee's first full month of employment.

Subject to Internal Revenue Code limitations, participants are allowed to defer and contribute between 1% and 15% of their compensation to the Plan. Effective January 1, 1999 for certain plan participants, Unitrin began to provide a monthly matching contribution of 50% of the first 6% of compensation contributed by each participant. For all other plan participants, the Company provides an annual matching contribution of 100% of the first \$100 contributed by each participant and 50% of the next \$400 contributed by each participant. For participants hired after January 1, 1997, Company contributions will be 100% vested after 5 years of employment.

The Plan provides for 100% vesting of Company contributions in the event of a Change of Control as defined in the Plan. Subject to certain limitations, participants are permitted to invest in certain investment funds sponsored by the Invesco group of companies, The Dreyfus Corporation ("Dreyfus"), Fidelity Investments, the Unitrin Common Stock Trust and in the White Mountains Stock Trust. An individual account is maintained by Invesco Retirement Plan Services, the Plan's recordkeeper, for each participant and updated to reflect the participant's contributions, actual investment income, and withdrawals. Each participant may suspend, resume, or change the rate of contribution and withdraw all or a portion of his vested account balance at any time, subject to certain restrictions. While the Company has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time, subject to the provisions set forth in the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Should the Plan be terminated at some future date, all participants become 100% vested in benefits earned as of the Plan termination date.

A more detailed description of the Plan provisions is found in the formal Plan

Edgar Filing: UNITRIN INC - Form 11-K

documents and in summary materials distributed to Plan participants.

Effective April 1, 2000, Valley Group Employees' 401(k) Savings Plan (the "Valley Plan") was merged into the Plan and, accordingly, its assets were transferred to the Plan. The Valley Plan was available for the eligible employees of Valley Insurance Company ("VIC"), Charter Indemnity Company ("Charter") and Mountain Valley Indemnity Company ("Mountain

Valley"), formerly a wholly-owned subsidiary of VIC. VIC and Charter are both wholly-owned subsidiaries of Valley Group, Inc., a wholly-owned subsidiary of Trinity Universal Insurance Company ("Trinity"), which is a wholly-owned subsidiary of Unitrin. On March 1, 2000, VIC completed the sale of Mountain Valley. All employees of Mountain Valley participating in the Valley Plan on the date of the sale maintained their investments in the Valley Plan, but they could not make additional contributions.

On July 26, 2000, United Insurance Company of America, a wholly-owned subsidiary of Unitrin completed the sale of its wholly-owned subsidiary, The Pyramid Life Insurance Company ("Pyramid"). All employees of Pyramid participating in the Plan on the date of the sale became fully vested.

Note 3 - Investments

All investments are directed by participants and held by the Plan's Trustee, Institutional Trust Company. Investments are carried at fair value based on the reported unit or share value of each investment. The number of shares comprising the participant-directed investments at December 31, 2000 was:

Note 4 - Federal Income Tax Status

The Plan is exempt from income taxes under Section 401(a) of the Internal Revenue Code. In January 1996, the Plan obtained a favorable determination letter from the Internal Revenue Service. Subsequent to the receipt of the determination letter, the Plan was amended and is in process of seeking a determination letter for the amended plan. The Plan anticipates receiving a favorable determination.

Under Federal income tax statutes, regulations and interpretations, income taxes on amounts that a participant accumulates in the Plan are deferred and therefore not included in the participant's taxable income until those amounts are actually distributed. Except for certain contributions made prior to April 1, 1993, contributions are considered pre-tax deposits and are not subject to Federal income taxes at the time of contribution. Prior to April 1, 1993 certain contributions were made on an after-tax basis and are not subject to income tax when they are distributed to the participant because they have already been taxed. A participant's account balance, except for after-tax contributions made prior to April 1, 1993, is taxable income and generally is taxed at ordinary income tax rates when distributed. However, favorable tax treatment through special averaging provisions may apply to participants of a certain age. An additional 10 percent Federal income tax penalty may be imposed on all taxable income distributed to a participant unless the distribution meets certain requirements contained within Section 72 of the Internal Revenue Code.

Taxable distributions from the Plan generally are subject to a 20% Federal income tax withholding unless directly rolled over into another qualified plan or Individual Retirement Account. Distributions of Unitrin common stock and White Mountains common stock generally are not subject to the 20% withholding, and special tax rules may apply to the calculation of "net unrealized appreciation" on such stock.

6

Note 4 - Federal Income Tax Status (Continued)

If the Plan's requirements concerning loans to participants are satisfied, the

Edgar Filing: UNITRIN INC - Form 11-K

amount of the loan will not be treated as a taxable distribution. If, however, the loan requirements are not satisfied and a default occurs, the loan will be treated as a distribution from the Plan for Federal income tax purposes, and the tax consequences discussed above for distributions may apply. Interest paid on the loan is generally not tax deductible.
