PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

Our Board of Directors is soliciting proxies for our 2002 Annual Meeting of Stockholders (the "Annual Meeting"). This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

This Proxy Statement, a Proxy Card and the 2002 Annual Report to Stockholders were mailed to stockholders on or about April 1, 2002.

QUESTIONS AND ANSWERS

Q: WHAT IS THE RECORD DATE FOR THE ANNUAL MEETING AND HOW MANY SHARES OF OUR COMMON STOCK WERE OUTSTANDING ON THE RECORD DATE?

A: Our Board of Directors set March 11, 2002 as the record date for the Annual Meeting. On March 11, 2002, approximately 21,451,719 shares of our common stock were outstanding.

Q: WHO IS ENTITLED TO VOTE AND HOW MANY VOTES DO I HAVE?

A: All stockholders who owned shares of our common stock on March 11, 2002 are entitled to vote at the Annual Meeting. Every stockholder is entitled to one (1) vote for each share of common stock held.

Q: HOW DO I VOTE?

A: You may vote in person by attending the Annual Meeting or by completing and returning your proxy by mail or electronically using the Internet. To vote your proxy by mail, mark your vote on the enclosed Proxy Card, then follow the directions on the Proxy Card. To vote your proxy using the Internet, see the instructions on the Proxy Card, and have the Proxy Card available when you access the Internet Web site. The home page will prompt you to enter your control number, then follow the instructions to record your vote. If you do not mark any selections, your shares will be voted as recommended by our Board of Directors. Whether you plan to attend the Annual Meeting or not, we encourage you to vote by proxy as soon as possible.

Q: CAN I CHANGE MY VOTE?

A: You can revoke your proxy before the time of voting at the Annual Meeting in several ways:

- by mailing a revised proxy dated later than the prior proxy;
- by voting again at the Internet Web site;
- by voting in person at the Annual Meeting; or
- by notifying our corporate secretary in writing that you are revoking your proxy.

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEF 14A

Your revocation must be received before the Annual Meeting to be counted.

Q: WHAT CONSTITUTES A "QUORUM" FOR THE ANNUAL MEETING?

A: At least a majority of the shares of our common stock outstanding as of the record date must be present at the Annual Meeting in person or by proxy in order to hold the Annual Meeting and conduct business. This is called a quorum. Your shares are counted as present at the Annual Meeting if you are either (i) present and vote in person at the Annual Meeting or (ii) have properly submitted a proxy via mail or Internet. Abstentions, broker non-votes and votes withheld from director nominees are considered as shares present at the Annual Meeting for the purposes of determining a quorum. A broker non-vote occurs when a broker or other nominee who holds shares for the owner of the shares does not vote on a particular proposal because the nominee does not have discretionary voting authority for that proposal and has not received voting instructions from the owner of the shares.

Q: WHAT IS THE VOTING REQUIREMENT TO APPROVE EACH OF THE PROPOSALS?

A: For Proposal I, the two (2) individuals receiving the highest number of "FOR" votes will be elected. To pass, Proposal II requires the affirmative "FOR" vote of at least a majority of the shares of our common stock present at the Annual Meeting and entitled to vote.

Q: HOW ARE VOTES COUNTED?

A: For Proposal I, the election of directors, you may vote "FOR" all of the nominees or you may elect to have your vote "WITHHELD" with respect to one or more of the nominees. Votes that are withheld will be excluded entirely and will have no effect in the election of directors. Similarly, if you hold your shares in a brokerage account in your broker's name (this is called "street name") and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote in the election of directors, your shares will have no effect in the election of directors.

For Proposal II, the ratification of the appointment of the independent auditors, you may vote "FOR," "AGAINST" or "ABSTAIN." If you abstain from voting on Proposal II, it has the same effect as a vote against Proposal II. If you hold your shares in "street name" and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote, your shares will not be counted in the tally of the number of shares cast on Proposal II and therefore may have the effect of reducing the number of shares needed to approve Proposal II.

Finally, if you just sign your Proxy Card with no further instructions, your shares will be counted as a vote "FOR" each director and "FOR" the ratification of the appointment of Ernst & Young LLP as Introgen's independent auditors for the fiscal year ending December 31, 2002.

Q: WHO IS SOLICITING MY VOTE AND WHO PAYS FOR THE SOLICITATION OF PROXIES?

A: This Proxy Statement is furnished in connection with the solicitation of your vote by our Board of Directors. We pay the costs of soliciting proxies from stockholders. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding the voting materials to the beneficial owners. Directors, officers and regular employees may solicit proxies on behalf of Introgen personally, by telephone or by facsimile, without additional compensation.

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEF 14A

- Q: HOW DOES THE BOARD OF DIRECTORS RECOMMEND VOTING ON THE PROPOSALS?
- A: Our Board of Directors recommends that you vote your shares "FOR" each of the nominees to the Board of Directors and "FOR" the ratification of the appointment of Ernst & Young LLP as Introgen's independent auditors for the current fiscal year ending December 31, 2002.
- Q: WHEN ARE THE STOCKHOLDER PROPOSALS FOR THE 2003 ANNUAL MEETING OF STOCKHOLDERS DUE?
- A: We anticipate holding our 2003 Annual Meeting of Stockholders on or about May 1, 2003. Stockholder proposals for our 2003 Annual Meeting of Stockholders, whether intended for inclusion in the Proxy Statement for such meeting or for presentation directly at such meeting, must be received at our principal executive offices by the close of business on December 2, 2002. In addition, notice of any stockholder proposals must be given in accordance with our Bylaws and all other applicable requirements including the rules and regulations of the United States Securities and Exchange Commission. If a stockholder fails to give notice of a stockholder proposal as required by our Bylaws or other applicable requirements, then the proposal will not be included in the Proxy Statement for the 2003 Annual Meeting and the stockholder will not be permitted to present the proposal to the stockholders for a vote at the 2003 Annual Meeting.
- Q: WHERE ARE INTROGEN'S PRINCIPAL EXECUTIVE OFFICES?
- A: Our principal executive offices are located at 301 Congress Avenue, Suite 1850, Austin, Texas 78701. Our telephone number is (512) 708-9310.

Each non-employee director is granted an option to purchase 33,600 shares of our common stock (exercisable at fair market value on the date of grant) upon first becoming a director. The option vests ratably each month after the date of grant of such option, so that the entire option is fully vested three years from the date of grant. Each incumbent director is annually granted an option to purchase 9,600 shares of our common stock (exercisable at fair market value on the date of grant) on the date of each annual meeting of stockholders. That option vests ratably each month after the date of grant of such option, so that the entire option is fully vested one year from the date of grant. Additionally, on October 25, 2001, each director was granted a fully-vested option to purchase 10,000 shares of our common stock (exercisable at fair market value on the date of grant). Management intended this one-time grant to supplement the normal compensation for the members of our Board of Directors described above. Directors do not receive any cash or other additional compensation, other than reimbursement of their out-of-pocket expenses, for services provided as a director.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE ELECTION OF BOTH NOMINEES TO THE BOARD OF DIRECTORS NAMED ABOVE.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF THE INDEPENDENT AUDITORS

The Board of Directors has appointed, subject to ratification by our stockholders, Ernst & Young LLP, as independent auditors for the current fiscal year ending December 31, 2002.

CHANGE OF AUDITORS

On March 6, 2002, we dismissed Arthur Andersen LLP as our independent auditors, effective upon completion of Arthur Andersen LLP's services in connection with the filing of our Annual Report on Form 10-K for the six-month transition period ended December 31, 2001.

Arthur Andersen LLP's reports on our financial statements for each of the years ended June 30, 2000 and 2001 and for the six-month transition period ended December 31, 2001 did not contain an adverse opinion or a disclaimer of opinion,

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEF 14A

and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The decision to change independent auditors was recommended by the Audit Committee of our Board of Directors and was approved by our Board of Directors.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 20, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 20, 2002, Arthur Andersen LLP did not advise us of any "reportable events" as described in Item 304(a)(1)(v) of Regulation S-K under the Securities Act of 1933, as amended.

On March 6, 2002, we engaged, subject to stockholder approval, Ernst & Young LLP as our independent auditors for the year ending December 31, 2002.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 6, 2002, we did not consult Ernst & Young LLP on any matters described in Items 304(a)(2)(i) or 304(a)(2)(ii) of Regulation S-K.

AUDIT FEES

Fees charged by Arthur Andersen LLP for the audit of our annual financial statements for the six-month transition period ended December 31, 2001, and for the review of the financial statements included in our quarterly reports on Form 10-Q during the transition period were approximately \$55,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

Arthur Andersen LLP did not render professional services relating to financial information systems design and implementation for the six-month transition period ended December 31, 2001.

ALL OTHER FEES

Fees charged by Arthur Andersen LLP for services other than those described above under "Audit Fees" provided for the six-month transition period ended December 31, 2001, totaled approximately \$19,000, which consisted of \$12,500 for tax return preparation and tax advisory services and \$6,500 for financial accounting consultation. Our Audit Committee has determined that the fees paid to Arthur Andersen LLP for the tax return preparation, tax advisory services and financial accounting consultation are compatible with maintaining Arthur Andersen's independence.

9

A representative of Arthur Andersen LLP is not expected to be available at the Annual Meeting, but a representative of Ernst & Young LLP is expected to be available at the Annual Meeting to make a statement if such representative desires to do so and to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS. In the event of a negative vote on such ratification, the Board of

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEF 14A

Directors will reconsider its appointment of Ernst & Young LLP as our independent auditors.

(1) Based on the grant of stock options representing 281,300 shares to employees during the six-month transition period ended December 31, 2001.

(2) The dollar amounts under these columns are the result of calculations at the 5% and 10% rates set by the Securities and Exchange Commission and therefore are not intended to forecast possible future appreciation, if any, of our stock price. We did not use an alternative formula for a grant date valuation, as we do not believe that any formula will determine with reasonable accuracy a present value based on future unknown or volatile factors.

(3) These options vest as to one-quarter of the shares each year, starting one year after the date of grant.

(4) These options are fully vested upon the date of grant.

(5) These options vest in twelve equal monthly installments starting with the date of grant.

EMPLOYMENT CONTRACTS AND CHANGE-IN-CONTROL ARRANGEMENTS

We have an employment agreement with David G. Nance, under which he serves as our President and Chief Executive Officer. The agreement continues through July 31, 2003, and renews automatically for one-year terms until either party gives timely written notice of non-renewal. Mr. Nance's initial base salary under this agreement was \$275,000 per annum, which is subject to a 10% increase effective August 1 of each year. His base salary was raised to \$302,500 per annum effective August 1, 2000, to \$332,750 per annum effective August 1, 2001 and will be raised to \$366,025 per annum effective August 1, 2002. Under this agreement,

Mr. Nance was granted an option to purchase 50,000 shares of our common stock upon the completion of our initial public offering in October 2000. This agreement provides that he is to be granted an option to purchase an additional 50,000 shares of our common stock on each August 1; accordingly, he was granted such an option on August 1, 2001, and will be granted such an option on August 1, 2002. Such options are exercisable at a price determined by the Administrator of the Stock Plan and are fully vested when granted.

All of the options granted under our 1995 Stock Plan and the 2000 Stock Option Plan shall immediately vest and become exercisable upon our merger or reorganization with or into another corporation, entity or person, or the sale of all or substantially all our assets to another corporation, entity or person, unless after such merger, reorganization or sale of assets, 51% of the capital stock or equity interest in such other corporation, entity or person is owned by persons who owned an aggregate 51% of our capital stock immediately prior to such merger, reorganization or sale of assets.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We sold and issued 100,000 shares of a new class of Series A Non-Voting Convertible Preferred Stock, \$.001 par value per share, convertible into 2,343,721 shares of Introgen's common stock, to Aventis Pharmaceuticals Inc. for \$25,000,000 pursuant to a purchase agreement executed on June 30, 2001. We received the cash payment and issued the shares on July 2, 2001. Aventis Pharmaceuticals Inc., formerly known as Aventis Pharmaceuticals Products Inc., is an affiliate of Aventis Holdings Inc., which holds greater than five percent of our outstanding common stock.

Mahendra G. Shah, Ph.D., one of our directors, was, until January 1, 2001, an employee of EJ Financial Enterprises, Inc., one of our stockholders. John N. Kapoor, Ph.D., the Chairman of our Board of Directors, is the sole stockholder of EJ Financial Enterprises. We have a consulting agreement with EJ Financial Enterprises pursuant to which EJ Financial Enterprises provides services to us for \$175,000 per year. The Agreement provides for the assistance of EJ Financial Enterprises with our business development, license negotiation, market analysis and general corporate development. This agreement is automatically renewable each July 1 for one-year terms, unless either party gives 30 days' advance notice of termination.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of the Compensation Committee is currently, or has ever been at any time since our formation, one of our officers or employees. No member of the Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more officers serving as a member of our Board of Directors or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee is composed of two independent directors and operates under a written charter adopted by the Board of Directors. The members of the Compensation Committee are William H. Cunningham, Ph.D. and Charles E. Long. The Compensation Committee administers our 2000 Stock Option Plan, reviews forms of compensation to be provided to our officers, employees and consultants, including stock compensation and loans, grants options to purchase our common stock to our employees, executive officers, directors and consultants, and

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEF 14A

reviews and makes recommendations to the Board of Directors regarding all forms of compensation to be provided to the members of the Board of Directors, including stock compensation and loans. The Compensation Committee believes it has fulfilled its responsibilities under its charter for the six-month transition period ended December 31, 2001.

Compensation Philosophy and Objectives. Our basic philosophy is to align executive compensation with increases in stockholder value through achievement of certain milestones, including milestones related to our pre-clinical and clinical development. This is primarily accomplished through the use of stock options, which provide compensation in direct proportion to increases in stockholder value. In addition, we believe it is important to emphasize teamwork, entrepreneurship and active participation by all employees. This is accomplished through providing options to a majority of full-time, exempt domestic employees and similarly situated international employees, and through cash incentives, through which both executives and employees receive cash bonuses based on company-wide financial goals.

Executive Compensation Programs. Our executive compensation programs consist of three principal elements: base salary, cash bonus and stock options. We emphasize incentive compensation in the form of stock options and bonuses, rather than base salary. The Compensation Committee has adopted a guideline that executives should be paid competitive base salaries. The Board of Directors sets the annual base salary for executives after consideration of the recommendations of the Compensation Committee. Prior to making its recommendations, the Compensation Committee reviews historical compensation levels of the executives, evaluations of past performance, assessments of expected future contributions of the executives, competitive pay levels and programs provided by other comparable companies, and general industry pay practices. In making its determinations, the Committee does not utilize any particular indices or formulae to arrive at each executive's recommended pay level.

Total compensation for executive officers also includes long-term incentives in the form of stock options, which are generally provided through initial stock option grants at the date of hire and periodic additional stock option grants. Stock options are instrumental in promoting the alignment of long-term interests between our executive officers and stockholders due to the fact that executives realize gains only if the stock price increases over the fair market value at the date of grant and the executives exercise their options. In determining the amount of such grants, the Committee evaluates the job level of the executive, responsibilities of the executive, and competitive practices in the industry. Options are generally granted at 100% of fair market value at the date of grant. Options generally vest ratably over a period of four years. The long-term value realized by executives through option exercises can be directly linked to the enhancement of stockholder value.

Chief Executive Officer Compensation. The compensation of our chief executive officer is determined using the same philosophy and policies as for all executive officers. The compensation includes base salary, cash bonus and stock options. Our chief executive officer currently has an employment agreement that is described under "Executive Compensation -- Employment Contracts and Change-In-Control Arrangements."

Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a limit on tax deductions for annual compensation in excess of one million dollars paid by a corporation to its chief executive officer and the other four most highly compensated executive officers. Deductions are, however, permitted if certain conditions are met, including a requirement that the plan under which such compensation is paid be re-approved by stockholders every five

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEF 14A

years. None of the compensation paid by us in the six-month transition period ended December 31, 2001 was subject to the limitation on deductibility. The Compensation Committee will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of three "independent" directors in compliance with the Marketplace Rules of the Nasdaq Stock Market and operates under a written charter adopted by the Board of Directors. The members of the Audit Committee are William H. Cunningham, Ph.D., Charles E. Long and Elise T. Wang. The Audit Committee believes it has fulfilled its responsibilities under its charter for the six-month transition period ended December 31, 2001.

Our management is responsible for our internal controls and the financial reporting process. Our independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

The Audit Committee has reviewed and discussed our audited financial statements for the six-month transition period ended December 31, 2001 with our management and our independent auditors who performed such audit, Arthur Andersen LLP. The Audit Committee also discussed with Arthur Andersen LLP the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended. The Audit Committee has also received the written disclosures from Arthur Andersen LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee has discussed the independence of Arthur Andersen LLP with that firm.

Based upon the Audit Committee's review and discussions referred to in the immediately preceding paragraph, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the six-month transition period ended December 31, 2001, filed with the Securities and Exchange Commission.

The Audit Committee met on March 5, 2002 to determine whether to recommend a change in independent auditors to the Board of Directors. Upon deliberation, the Audit Committee unanimously recommended to the Board of Directors to dismiss Arthur Andersen LLP and engage Ernst & Young LLP as Introgen's independent auditors for the year ending December 31, 2002, effective upon completion of Arthur Andersen LLP's services in connection with the filing of our Annual Report on Form 10-K for the six-month transition period ended December 31, 2001.

Respectfully submitted,

STOCK PRICE PERFORMANCE GRAPH

The following line graph compares the cumulative total return to stockholders of our common stock from October 12, 2000 (the date of our initial public offering) to December 31, 2001 to the cumulative total return over such period of (i) the Nasdaq National Market System Composite Index and (ii) the S&P Biotechnology Index. The graph assumes that \$100.00 was invested on October 12, 2000 in our common stock at its initial public offering price of \$8.00 per share and in each of the other two indices as of September 30, 2000, and the reinvestment of all dividends, if any.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act of 1934, as amended, requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the Securities and Exchange Commission. Such officers, directors and 10% stockholders are also required by the Securities and Exchange Commission rules to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms we received, we believe that, during the six-month transition period ended December 31, 2001, all Section 16(a) filing requirements applicable to our officers, directors and 10% stockholders were satisfied. Previously, a Form 4 filing for J. David Enloe, Jr. was filed two days after the deadline of June 11, 2001.
