Report of Independent Auditors

The Plan Administrator  
Orthodontic Centers of America, Inc. 401(k) Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of Orthodontic Centers of America, Inc. 401(k) Profit Sharing Plan as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2001 and 2000, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedules of assets (held at end of year) as of December 31, 2001 and nonexempt transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These

supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

## 1. DESCRIPTION OF THE PLAN (CONTINUED)

### PRIORITIES UPON TERMINATION

Although the Company has not expressed any intent to do so, the Company may discontinue its contribution or the Plan may be terminated subject to the provisions of ERISA at the Company's option. If the Plan should be terminated, the net assets available for plan benefits shall be liquidated. Amounts credited to the accounts of participants shall become fully vested and nonforfeitable as of the date of such termination.

## 2. SIGNIFICANT ACCOUNTING POLICIES

### BASIS OF ACCOUNTING

Edgar Filing: ORTHODONTIC CENTERS OF AMERICA INC /DE/ - Form 11-K

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States. Benefits are recorded when paid.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and schedules. Actual results could differ from those estimates.

INVESTMENTS

The Plan's funds are invested in common collective trust funds and mutual funds for which the trustee and custodian is Wachovia Bank, National Association (formerly known as First Union National Bank of North Carolina) ("Wachovia"). The Plan also invests in the Company's common stock, which is held in a separate Common Stock Trust. The trustee of the Common Stock Trust is a representative of the Company, and the custodian is Wachovia. Investments in common collective trust funds are carried at the Plan's pro rata interest in the fair value of the fund's net assets, as determined by the custodian on the last business day of the year. Investments in the mutual funds and the Company's common stock are valued at quoted market prices on the last business day of the year.

ADMINISTRATIVE EXPENSES

The Company pays all of the administrative costs of the Plan.

FORFEITURES

Forfeitures are used to reduce employer contributions in the year following the forfeiture. As of December 31, 2001 and 2000, there were approximately \$32,200 and \$47,800, respectively, of forfeited nonvested accounts
